namely, network conferencing services, wireless digital messaging services, networking, namely, providing telecommunications connections to a global computer network and telecommunications gateway services, in International Class 38.

REMARKS

Applicant has clarified the recitation of services and description of goods substantially in accordance with the Examining Attorney's instructions. As amended, the application now includes recitation of services in International Classes 36 and 38 as well as a description of goods for Class 12.

Therefore, in view of above amendments and remarks, Applicant submits that the application is now in proper form for allowance and publication. Such action is respectfully requested.

The Commissioner is authorized to charge any fee or credit in the overpayment in connection with this communication to our Deposit Account No. 07-1180.

Respectfully submitted,

REQUEST TO SUSPEND THE APPEAL
AND REMAND TO EXAMINING ATTORNEY

02-28-2003
U.S. Patent & TMOfc/TM Mail Rcpt Dt. #01

Commissioner for Trademarks
2900 Crystal Drive
Arlington, VA 22202-3513

Dear Sir:

On February 27, 2003, and in response to a final Office Action dated August 30, 2002, Applicant concurrently filed in this matter a Notice of Appeal and an amendment. The amendment modified the description of goods. The purpose of the amendment was to place the mark in condition for allowance.

So that the Examining Attorney might consider the amendment (and thereby potentially moot the instant appeal), Applicant respectfully requests that the appeal be suspended and that the application be remanded back to the Examining Attorney for consideration of the amendment filed on February 27, 2003. Alternatively, Applicant requests that the Board act on the February 27, 2003 amendment. Such action is respectfully requested.

Respectfully submitted,
