COMBINED NOTICE OF OPPOSITION

Sir:

Pure & Natural Company (hereafter "Pure & Natural"), of 7201 E. Henkel Way, Scottsdale, AZ 85255, believes that it will be damaged by registration of the marks shown in the above-referenced applications, which were published in the Official Gazette of December 23, 2014, and hereby opposes issuance of the registrations.

As grounds for opposition, Opposer alleges as follows:

1. Opposer and/or its predecessor and related companies have used the trademark DIAL in Commerce since at least as early as 1947 in association with body soaps, bath soaps, skin care products and related goods ("Opposer's Goods").

2. Since at least as early as November 10, 1947, Opposer and/or its predecessor and related companies have engaged in the manufacture and distribution of bath soaps, body soaps, body wash, skin care products and related products in Commerce in conjunction with the DIAL trademark, and the DIAL trademark has been in continuous use by Opposer and/or its predecessor and related companies since that time.

3. Since 1947, Pure & Natural's DIAL trademark has been used in connection with hundreds of products, both as product names and on product packaging as a house mark. Products bearing the DIAL mark are sold throughout the United States in a wide variety of

outlets, including grocery stores, drug stores, and major retailers. Since beginning with bath and bar soaps in 1947, the DIAL brand has grown to encompass liquid hand soap, body washes, personal care products and other related products. As a result of Pure & Natural's extensive use and promotion of the DIAL mark, the DIAL mark has become famous.

4. Opposer is the owner of 23 United States Trademark Registrations and two pending applications for the DIAL mark. Specifically, Opposer owns the following registrations and allowed application:

REG. NO.	MARK	FILING DATE	DATE ISSUED	GOODS	FIRST USE DATE
0549768	dial	March 23, 1948	Oct. 23, 1951	Bath and toilet soap in IC 003	Nov. 10, 1947

Appl. Serial No. 86013657	Dial	July 18, 2013	Allowed Dec. 3, 2013	Bar soap, bath soaps, body lotions, body wash, liquid soaps, waterless soap in IC 003	

A copy of the TSDR database records for the above Registrations, as well as the Assignment records where appropriate, are attached hereto as Exhibits A – X.

5. All of the above Registrations are valid. In addition, Registration Numbers 0549768, 0690673, 0731288, 0834877, 1668184, 1919168, 2067901, 2242161, 2260711, 2267264, 2494819, 2362036, 2521684, 2506978, 3488550, and 3187473 are incontestable.

6. Opposer has invested considerable effort and resources in advertising and promoting its trademark DIAL and the goods sold under the mark, with the result that the relevant purchasing public has come to know, rely upon, and recognize the goods of Opposer by that mark. Opposer has established valuable goodwill in its trademark DIAL and the mark has become well known and famous to the relevant purchasing public.

7. Upon information and belief, Applicant is a New York limited liability corporation, with an address of 11 Ranick Drive South, Amnityville, NY 11701.

8. On October 22, 2012, Applicant filed Application Serial No. 76/712694 for the mark SUNDIAL CREATIONS & DESIGN under Section 1(b), Application Serial No. 76/712693 for the mark SUNDIAL BRANDS & DESIGN under Section 1(a), and Application Serial No. 76/712691 for the mark SUNDIAL & DESIGN under Section 1(a) (the "SUNDIAL Marks"), all three for "Skin soaps, skin lotions, skin creams, body washes, facial washes, body mists, shampoos, conditioners, hair rinses, after-shaves, bath gels, shower gels, hair sprays, hair gels, lip-balms, skin scrubs, skin toners, skin cleaners, skin peels, make up and make up remover" in International Class 003 ("Applicant's Goods"). Applicant claims a first use date of January 1, 1993 for Application Serial No. 76/712691 and a first use date of January 1, 2011 for Application Serial No. 76/712693.

9. Application Serial Nos. 76/712694, 76/712693, and 76/712691 were published for opposition in the USPTO Official Gazette of December 23, 2014. Opposer filed for and received extensions of time to file a Notice of Opposition until April 22, 2015 for each of the applications. This Combined Notice of Opposition is thus timely.

10. The SUNDIAL marks all share the prominent word "Sundial" and the three applications all cover the same goods. As a result, the same issues are raised by each application and Opposer's claims against each of the opposed applications involve common questions of law and fact. Accordingly, this combined opposition is appropriate.

11. There is no issue as to priority. Opposer has priority based on its use and registration of the mark DIAL in the United States. Opposer and its predecessors in interest and/or related companies used and registered the DIAL trademark and the mark became famous before the Applicant's application date for Application Serial No. 76/712694, and before the first use dates claimed in Application Serial Nos. 76/712693 and 76/712691.

Count I – Likelihood of Confusion

12. Applicant's proposed SUNDIAL Marks are all visually and phonetically highly similar to Opposer's mark DIAL, and Applicant's SUNDIAL Marks create a commercial impression which is virtually identical to that of Opposer's mark.

13. The goods identified in the applications for the SUNDIAL Marks are identical to and highly similar to the goods with which Opposer's mark DIAL is used and for which it

is registered, and Applicant's Goods may be offered for sale to the same customers and through the same channels of trade.

14. Applicant's proposed SUNDIAL Marks so resemble Opposer's trademark DIAL as to be likely, when applied to Applicant's Goods, to cause confusion or to cause mistake or to deceive within the meaning of 15 U.S.C. §1052(d), in view of Opposer's prior use, ownership and registration of its trademark DIAL.

15. Registration should therefore be refused under 15 U.S.C. §1052(d).

16. Registration of Applicant's proposed marks on the Principal Register would be inconsistent with Opposer's rights under the aforementioned Registrations, and its common-law rights, and would be damaging to Opposer.

Count II – Dilution

17. Pure & Natural's DIAL mark is famous, as that term is used in 15 U.S.C. §1125(c), and was famous before Applicant's application and first use dates for the SUNDIAL Marks, based on, among other things, the federal registrations of DIAL which precede Applicant's constructive first use date and actual first use dates of its SUNDIAL Marks, and acquired distinctiveness through the extensive nationwide use, advertising, promotion and recognition of the DIAL mark long before Applicant's constructive first use date and actual first use dates of its SUNDIAL Marks.

18. Applicant's registration of the SUNDIAL Marks is likely to dilute the distinctive quality of Pure & Natural's famous DIAL mark.

19. Registration should therefore be refused under 15 U.S.C. § 1125(c).

20. Registration of Applicant's proposed mark on the Principal Register would be inconsistent with Opposer's rights under the aforementioned registrations, and its common-law rights, and would be damaging to Opposer.

WHEREFORE, Opposer prays that its opposition be sustained and that the registrations sought by Applicant be refused.

Respectfully submitted,

By: Susan F. Evans
