REQUEST FOR AN EXTENSION OF TIME TO FILE BRIEF

Applicant, by and through counsel, hereby moves, pursuant to TBMP 1203.02(d), for an extension of time of **sixty (60) days to November 25, 2015** to file its appeal brief in the above captioned proceedings.

An extension of time for filing an appeal brief in an ex parte appeal to the Board may be granted upon written request showing good cause for the extension. See In re Miller Brewing Co., 226 U.S.P.Q. 666, 667 n.4 (T.T.A.B. 1985). The determination of good cause depends on the totality of circumstances, including the length of any previously granted extensions. TBMP 1203.02(d). No previous extensions have been sought. Among the grounds that have been accepted as demonstrating good cause are "the need to get instructions from a foreign applicant." Id.

Applicant submits that it has good cause for the requested extension. Applicant in this case is a foreign entity and Applicant's counsel has contacted Applicant's foreign attorney for instructions. Applicant's foreign counsel will need to consult with Applicant for instructions. The instructions may include an assignment of the application to Applicant's related entity who owns the registration cited by the Examining Attorney in which case the refusal to register would be moot. Accordingly, Applicant requests the extension to give the time to provide instructions that will need to be acted upon.
