MOTION ON CONSENT TO CONTINUE SUSPENSION OF PROCEEDINGS AND FOR EXTENSION OF TIME TO FILE ANSWER

Opposer, by and through counsel, hereby moves for an order suspending the proceedings in this matter for a period of six (6) months until March 16, 2006. Thomas R. Trompeter, counsel for Applicant, consented to this motion to suspend, which is requested to allow the parties to pursue settlement discussions. Since the last Motion was filed, applicant's counsel has reviewed Opposer's proposed settlement agreement and sent comments regarding that agreement to Opposer's counsel.

If the Board grants this motion, in the event that the matter is taken out of suspense, Applicant's time to answer or otherwise respond to the Notice of Opposition should be reset

as should the discovery and trial periods. In the event that the Board denies this motion, opposer consents to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

The parties request that, in the event that the matter is taken out of suspense that six months of discovery be allowed and that the discovery cut off be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods should be reset accordingly.
