WITHDRAWAL OF OPPOSER'S MOTION TO COMPEL

NOW COMES the Opposer and withdraws its Motion to Compel, and states as follows:

The Opposer had a conversation with counsel for Applicant, Lance Koonce, regarding the dates upon which the Opposer noticed depositions. According to Mr. Koonce, the dates were unacceptable for the deponents. Mr. Koonce said that he had filed the request for an oral hearing on Opposer's motion to compel the depositions of Applicant because Mr. Koonce found that his witnesses were unavailable on the said dates.

The Opposer will attempt to find dates which are acceptable with the Applicant without the need of Board intervention and, therefore, the Opposer has withdrawn its motion to compel.
