DECLARATION OF MICHAEL DRUCKER IN SUPPORT OF OPPOSER'S MOTION FOR SUMMARY JUDGMENT

I, Michael Drucker, make the following declaration:

1. I am the Vice President and Associate General Counsel of the Collegiate Licensing Company ("CLC"). I am over the age of twenty-one; I am competent to make this Declaration, and the facts set forth in this Declaration are based on my personal knowledge and on documents and records maintained by CLC.

2. Oklahoma State University ("the University") has licensed use of its trademarks through an extensive licensing program. The University's licensing agent is CLC.

3. The University has over 600 licensees who sell a wide variety of goods bearing the University's COWBOYS marks (the "University's COWBOYS Marks"), including food and beverage items such as coffee, bottled water, lollipops, various sauces and seasonings, and tortilla chips. The University licenses use of its COWBOYS Marks in connection with a wide variety of products used in combination with beverages such as glassware, dishware, and sport

and travel beverage bottles. True and correct copies of representative examples of licensed designs featuring the University's COWBOYS Marks are attached as **Exhibit A**.

4. The University sells licensed products to consumers of all kinds, including students, fans, and alumni of the University.

5. The University and its licensees sell products bearing the University's COWBOYS Marks in virtually every channel of trade, including but not limited to wholesale outlets, retail stores, specialty stores, sporting-goods stores, and via retail websites on the Internet.

6. In the past five years alone, licensed retail sales of University-related products, almost all of which bear the University's COWBOYS Marks, have totaled over $118 million dollars.

I declare under penalty of perjury of the laws of the United States that the foregoing is true and correct.

Dated: October 6, 2009.
