U.S. Patent & TMOfc/TM Mail Rcpt Dt #31

It is with my humblest of apologies that I ask for you to accept my delayed response to filing an amendment with my oppositions consent to the name "Legal Hustlerz." As stated now, I hereby ask for consent to use the name "Legal Hustlerz" deeming no relation in any shape, form or fashion to the "Hustler" brand.

Legal Hustlers is a movement based on the concept of positive hustling. Our aim is to promote positive contributions to society in thought and deed. The term legal is meant to bring focus to how we hustle and the positive message we are spreading to our customers. Due to the current economic situation in our country we just want to do our part to create an entity so upright and empowering to others that it inspires them to do the same.

I would first like to thank you for the opportunity and mercy you have given me in which to respond. As of lately I have ran into some very distracting obstacles. I would like to attempt to explain these events more clearly.

As of around January 2010 my Legal Hustlers e-mail account has not been working, so I have not received any e-mails since mid-January. Also, the company I work for is foreclosing so I have been making plans to secure another source of income. (They will be bought out in 3-6 months) On top of that my main helper in "Legal Hustlers" has decided to quit. I am single handedly trying to build this company with investment connections pending the outcome of this investigation.

I ask for mercy on behave of the (T.T.A.B.) and with fervent hope for the future I will demonstrate character, integrity, and punctuality as I attempt to help make America greater than ever. I wish to be the change that I want to see in the world.

Thank You,

Sincerely,

Duane Stewart
