The Board records reveal that proceedings on the appeal were suspended pending the final determination of Cancellation No. 92027575.

The Cancellation No. 92027575 was dismissed on February 17, 2006 and Registration No. 2022762, which was cited by the Trademark Examining Attorney as a Section 2(d) bar to the registration of applicant's mark, remains in effect.

Accordingly, the appeal remains suspended and the file is herewith remanded to the Examining Attorney for consideration of its May 20, 1999 request for reconsideration.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
