5 MR. REA: And my name is Patrick Rea.

6 That's spelled R-e-a. I'm with the law firm of Taylor

7 and Rea, and I'm the attorney for Mujahid Ahmad, the

8 applicant.

9 STEVEN L. HESS,

10 having been first duly sworn, testified as follows:

11 EXAMINATION

12 BY MR. SMITH:

13 Q. Mr. Hess, could you please state your full name

14 for the record.

15 A. My name is Steven with a V, L. Hess, H-e-s-s.

16 Q. Who is your current employer?

17 A. Nationstar Mortgage.

18 Q. How long have you worked for Nationstar

19 Mortgage?

20 A. I worked for the company for over 13 years. I

21 was hired February 11th, 1997.

22 Q. What is your current position at Nationstar?

23 A. I'm the Executive Vice President of Marketing.

24 Q. How long have you held this position?

25 A. I've had this position -- I've run the

1 marketing department for 13 years, since I got here.
2 Q. Are you familiar with Nationstar's name change
3 in the year 2006?
4 A. Yes.
5 Q. I'd like to mark as Exhibit 1, document
6 face-labeled as NSM-00107 through 141, please. If the
7 court reporter could mark those documents.
8 (Exhibit 1 marked)
9 MR. REA: This is Patrick Rea. Could you
10 repeat those numbers, please, Mr. Smith?
11 MR. SMITH: Sure. It's 107 through 141.
12 MR. REA: Okay. Got it.
13 THE WITNESS: Okay. They're marked.
14 MR. SMITH: Thank you.
15 Q. (BY MR. SMITH) And before we look at Exhibit
16 1, Mr. Hess, could you tell me dates of your knowledge
17 of the company when the decision was made to change the
18 company's name to Nationstar?
19 A. We had approval to switch the name to
20 Nationstar Mortgage March 31st, 2006.
21 Q. And were there some preparatory activities up
22 until that date with respect to changing the name?
23 A. Yes.
24 Q. Could you tell me generally what type of
25 activities?

1 A. There were -- proceeding the actual approval of
2 the name, my employee, Rob Greenbaum, was involved with
3 the name Ideation as well as working with our counsel --
4 our internal counsel to conduct the trademark searches.
5 There was also an on-going task force that
6 was created as -- to address all the changes on our
7 pending sale to the -- to the acquiring company. So
8 both those activities were going on from --
9 Q. All right. And before we address the
10 documents, can you tell me, just generally, what type of
11 activities occurred immediately after the name change
12 was approved on March 31st, 2006?
13 A. The first action by my department in the
14 marketing department was to assign three different ad
15 agencies the responsibility to design a logo for the new
16 name.
17 Q. What -- let's refer to the documents in Exhibit
18 1, please. Could you tell me what the pages beginning
19 at NSM-107, and then it goes for several pages, and I
20 believe it stops at NSM-113. Could you tell me what
21 those pages are?
22 A. Sure. These are copies of screen shots that my
23 employee, Rob Greenbaum, captured regarding the actual
24 results of when he attempted to log on to the
25 NationstarMortgage.com website. That is the NSM-00107

1 on page -- NSM-00108. He -- after finding that the
2 website was under construction, he was able to -- these
3 are copies of a search he did for who had registered the
4 domain. And those are pages 108 -- NSM-00108, and that
5 is, again, a copy of what he saw on his screen regarding
6 Mr. Ahmad having the registration on that website name
7 or that URL.
8 NSM-00109 is -- upon seeing that -- getting
9 Mr. Ahmad's name and his residence or release the
10 address in Virginia, he did a licensing search to try to
11 determine if there was any active use of the Nationstar
12 Mortgage name in commerce. He conducted a search online
13 through the Department of Professional and Occupational
14 Regulation. That's -- the result is on NSM-00109, and
15 it indicated that Mr. Ahmad was -- had a license as a
16 real estate agent.
17 NSM-00110 is, again, the same website
18 through the -- through the State of Virginia, and it's
19 just a continuation of the screen shot that he saw on
20 the prior page.
21 NSM-00111 is the results of finding out
22 that Mr. Ahmad was apparently involved with a company
23 called First American RE. And he went to that website
24 and captured this screen shot, which is not a live
25 website, but a registration in Yahoo! Local, which

1 indicated, again, that company.
2 From that point, he was able to screen shot
3 NSM-00112, go directly to that company's website at
4 FirstAmericanRE.com, and -- which are captured on
5 NSM-00112 as well.
6 And then the last page is NSM-00113 was
7 just -- he checked on the registration of that
8 particular website to confirm who had that registered.
9 Q. Now -- were all these searches done in
10 connection with Nationstar's adoption of its own name?
11 A. Yes. I mean, we -- he was attempting to
12 determine if there was any active use of the -- of the
13 Nationstar Mortgage name and going through these
14 searches and web sites to try to determine if there was
15 any type of use of the Nationstar Mortgage name in
16 commerce.
17 Q. Thank you. Are you familiar with any other
18 companies with the name First American?
19 A. Absolutely, yeah. First American is a -- the
20 largest national title insurance company in the U.S.
21 It's very, very well known. And we were openly
22 surprised that that name was being used in relation to
23 -- to this particular website as it's -- it's obviously
24 not -- it's a protected name. First American is a very
25 well-known company.

1 MR. REA: This is Patrick Rea. Can we go
2 off the record for a moment, Lloyd?
3 MR. SMITH: Sure. I'd like the court
4 reporter to stop the record for a second, and we'll go
5 off the record.
6 (Break taken from 1:16 p.m. to 1:17 p.m.)
7 Q. (BY MR. SMITH) All right, Mr. Hess. And was
8 it your understanding that these searches that are
9 evidenced here in -- in documents you just discussed
10 were -- that these searches were conducted by
11 Mr. Greenbaum or someone else in your department on or
12 before the May 1st, '06 date shown here on these pages?
13 A. Yes.
14 Q. Thank you. Could you please tell me what
15 NSM-00114 is.
16 A. That document is a copy of the initial logo
17 design estimate proposal by one of our ad agencies
18 called Neiman Design, and it's dated March 31st, 2006,
19 the initial day that we received approval to use -- or
20 from the -- for the Nationstar name.
21 Q. And the document came from the files of your
22 company?
23 A. Correct, yes.
24 Q. Thank you. Could you please tell me what the
25 next document that begins with NSM-115 is.

1 A. This particular document is a proposal from our
2 second advertising agency regarding, again, a proposal
3 to design the Nationstar Mortgage logo and -- and
4 their -- their approach that they would take.
5 Q. All right. And that proposal was repeated on
6 March 31st 2006; is that correct?
7 A. That's correct.
8 Q. And what page does that document end on?
9 A. It ends on page NSM-00122.
10 Q. What's the next document that begins at
11 NSM-00123?
12 A. This document is -- is the partial response to
13 a document that shows the actual logo that we chose to
14 use. It was from our third agency called NameStormers,
15 and it shows various usages of the Nationstar Mortgage
16 logo, and it ends on page NSM-00128.
17 Q. Do you know the date of this document, Mr.
18 Hess?
19 A. Yes. I looked at our internal file date by
20 Mr. Greenbaum, who captured this document, and it was
21 dated May 21st.
22 Q. Is that May 21st or April 21st?
23 A. Oh, I'm sorry. I don't have it written --
24 yeah. Yes, I'm sorry. April 21st.
25 Q. And is that 2006?

1 A. 2006, that's correct.
2 Q. Please -- strike that. And were you -- was
3 Nationstar actively working with NameStormers prior to
4 that date to develop this logo?
5 A. Correct. This is the results of the -- of the
6 effort with their final recommendations.
7 They had -- they had been engaged earlier.
8 Q. Now, to the document that begins on the page
9 NSM-00129, please. This document is several pages, and
10 I believe it ends at NSM-00138; is that correct?
11 A. That's correct.
12 Q. Please tell me what that document is.
13 A. This is a copy of an internal document that was
14 used by the company with regards to all the activities
15 that were being orchestrated to -- to effect the sale of
16 our company and the name change. It's -- the document
17 or the website that -- that has this particular
18 information is -- had had more recent updates on some of
19 the start dates and end dates, but this is a copy of the
20 complete tasks that were being tracked in weekly
21 meetings with executives throughout the company to,
22 again, effect this -- this name change.
23 Q. When did this happen with respect to the name
24 change begin?
25 A. We began as early as February, actually, is

1 when the likelihood of our company being sold was -- was
2 very imminent, and so we began the task force back in
3 February 2006.
4 Q. And specifically, with respect to the name
5 Nationstar, when did the company begin adopting that
6 name?
7 A. Immediately upon approval by -- by our -- the
8 chairman of Fortress, our -- our future owners and
9 current owners. They started -- everyone started at
10 some point at that date and soon thereafter.
11 Q. Can you give me some examples of some of the
12 activities that began immediately after the March 31st,
13 2006 approval of the Nationstar name?
14 A. Sure. And -- and I'll just go through a few.
15 There's 450 tasks -- actually, 466 tasks that were being
16 tracked, but I've highlighted a few.
17 Task Number 18 was a survey that we conduct
18 with our customers and immediately was being changed and
19 notified to the company that did that survey named
20 Burke. That was coordinated through the broker channel
21 that -- that handles that particular effort.
22 Task Number 26 is an example of a change of
23 name that was being pursued immediately with our bank
24 accounts, through our capital markets group.
25 Task Number 28 is an example of web site

1 changes that were being communicated immediately to
2 our -- our web hosting and content management company
3 that was -- that had to be done to effect the changes on
4 our website to accommodate the new name. In this case,
5 it's for our -- our investor page on that particular
6 website.
7 Just a couple other quick ones, page 56 --
8 or excuse me, Item Number 56 on page NSM-00130 is an
9 example of immediately having to begin to change out our
10 Yellow Page advertising that -- that had to be monitored
11 from the day that we had the official name, which
12 commenced on April 5th -- 1st through my department.
13 Item Number 58 was -- actually begun to
14 create what's called a graphic and logo standard book
15 for our -- our new name and that began immediately upon
16 knowing the name.
17 Page 6 or -- excuse me, Item Number 67 is
18 an example of information -- each entity within the
19 company had to begin notifying their vendors that we
20 were changing our name and begin the process of making
21 sure all our agreements were -- were updated and so --
22 throughout the company and in this case, marketing
23 vendors. But every vendor through accounting,
24 marketing, sales, licensing, everyone was at the point
25 of knowing our company name, working with -- with those

1 folks to get their contracts updated.
2 I think that's -- I could go on a lot
3 longer, but I think those are pretty good examples of,
4 again, the --
5 Q. Mr. Hess, if you could just maybe point to a
6 few more examples. Please go on.
7 A. Okay. Page NSM-00131 is an example of our
8 underwriting department having to effect a name change
9 on -- on a partnership system that we shared with our
10 then owners, Centex Corporation, that they immediately
11 began to notify those -- those people of that name
12 change.
13 Q. Excuse me. What number is that for the record,
14 please?
15 THE REPORTER: I'm sorry?
16 Q. (BY MR. SMITH) Could you please clarify which
17 Item Number on --
18 A. Oh, I'm sorry. That was Item Number 89.
19 Q. Okay.
20 A. Beginning on Item Number 203 through 223 are
21 examples of critical communications that were being made
22 to our insurance vendors and as well as our statement
23 company, statement processing company, called Venture
24 that had to create all new documents and notifications
25 and communication to our customers that was being

1 effected from -- from the day of our name change -- of
2 announcing the approval of our new name.
3 Page number NSM-00136, Item Number 343
4 indicates our IT department's beginning to work with the
5 company, the vendor that does our Internal Voice
6 Recognition or IVR phone routing that they had begun to
7 make the changes on that particular system.
8 Item Number, 344 Davox announcements. This
9 is, again, coordinated by our IT department immediately
10 to begin changing the -- the dialer that our company
11 uses which is called Davox, to accommodate the name
12 change for the caller ID's and other things.
13 Item Number 358 is an example of our
14 capital markets having to set up new bank accounts with
15 new names, administrators, and different things that
16 they were beginning to affect with the banks that are
17 listed on that.
18 Item 371 is an example of, again, our IT
19 department having to contact the credit bureaus to begin
20 the process of effecting the name change so that the
21 credit reports that we pull when in our line of business
22 would be correctly identified to our new name.
23 Switching to NSM-00137 is Item Number 397,
24 an example of our human resource group changing web
25 sites that were developed to recruit new employees for

1 our company and starting the process through external
2 vendors to change that particular part of their
3 requirements.
4 And on the last page, NSM-00138, two more
5 examples, Item 463, name change addendums. Within our
6 sales group, we had a wholesale lending department that
7 had over 5,000 active partners or brokers, mortgage
8 brokers, that we purchased loans from. They were
9 beginning the process of -- of creating name change
10 addendums as well as letting -- letting our partners,
11 our business partners, understand the new name.
12 And the last is Item 465 is an example from
13 our retail division that had similar business
14 partnerships doing the same activity of changing -- name
15 change addendums and announcing our pending name change
16 to approximately 300 of our partners that included banks
17 and other lenders that -- that we purchased loans from
18 and where we had referral relationships with.
19 Q. Mr. Hess, and again to clarify the record, all
20 of these efforts began immediately after March 31st,
21 2006 in early April 2006; is that right?
22 A. That's -- that's correct.
23 Q. Let me refer you back to Item Number 18 on the
24 list, a customer survey. Are you familiar with the
25 details of that survey?

1 A. Yes.
2 Q. Could you just briefly describe what occurred
3 there.
4 A. It's a customer satisfaction survey. We survey
5 all the customers that had obtained a new loan or any
6 customer that had called into our company in our
7 servicing department to determine how their -- their
8 level of satisfaction with the service they received.
9 It was a telemarketing survey, so -- and the
10 company that administered it was a third party. And
11 they conducted the actual phone surveys and tabulated
12 the results, and, again, the name of that company was
13 called Burke.
14 Q. Thank you. I'd like to refer you now to the
15 last few pages of Exhibit 1, which are NSM-00139 through
16 141. Could you tell me what these pages represent.
17 A. These pages are showing the results of a domain
18 search on Mr. Ahmad's name that were done -- done by our
19 counsel.
20 Q. And you say the name -- are you saying domain
21 names owned by Mr. Ahmad?
22 A. That's correct. Exactly. The listing of
23 domains or URLs that are registered under Mr. Ahmad's
24 name.
25 Q. Thank you. All right. I'd like to mark as

1 exhibit -- well, why don't we actually take a quick --
2 let's go off the record, please, court reporter.
3 (Break taken from 1:33 p.m. to 1:34 p.m.)
4 Q. (BY MR. SMITH) We're back on the record, and
5 I'd like to mark as Exhibit 2 pages face named NSM-0032
6 through 106.
7 (Exhibit 2 marked)
8 MR. SMITH: Mr. Rea, just for
9 clarification, you do have copies of those in front of
10 you; is that right?
11 MR. REA: I have copies.
12 MR. SMITH: Okay.
13 Q. (BY MR. SMITH) Mr. Hess, could you -- do you
14 have the documents in front of you?
15 A. Yes. Just one second. I'm just making sure I
16 have them in the right order. Okay.
17 Q. Mr. Hess, could you please refer to the
18 documents that are marked NSM-0032 through NSM-0069.
19 A. Okay.
20 Q. Please tell me what these documents represent,
21 please.
22 A. These are detailed printouts of each of the
23 URLs that were registered by my employee, Rob Greenbaum,
24 that were -- had business -- business applications with
25 regards to our new name, Nationstar Mortgage.

1 Q. And I'd like to refer you to NSM-0033, please.
2 A. Okay.
3 Q. In the middle of the page, it shows the domain
4 name Nationstarbroker.com, and underneath it says,
5 created on 06 April '06. Presumably, April 6th, 2006.
6 Is that consistent of your recollection of the time
7 frame that Mr. Greenbaum registered this domain name and
8 others shown in these records at your direction?
9 A. Yes. It was April 6th of 2006, correct.
10 Q. All right. And did the records that follow
11 show the dates that -- that are consistent with your
12 recollection of when Mr. Greenbaum, in fact, registered
13 these names for your company?
14 A. Yes, they do.
15 Q. They do? I'd like to refer you to the pages
16 that begin at NSM-0070, and they continue through
17 NSM-0085.
18 A. Okay. I -- I'm seeing that this group of
19 documents, I think actually go all the way back to
20 NSM-00100.
21 Q. Well, there are some more pages, but I'd like
22 to just refer you to the ones that stop at page 85.
23 A. Okay.
24 Q. And if you have the first page, it says Wayback
25 Machine. And then on the bottom of each page, it says,

1 http://webarchive.org, and then it continues.
2 A. Yes.
3 Q. I see. And these -- these continue all the way
4 through -- I'm sorry. I understand. The web archive
5 pages continue all the way through NSM-0093; is that
6 right?
7 A. Yeah, these are copies of the web content
8 through -- maybe there's multiple copies of the same
9 page, but I'm showing that these particular copies go
10 all the way through NS-00100. But, again, I haven't
11 studied the -- the content pages.
12 They appear to be very similar, but yeah,
13 this is -- appears to be all the results from the
14 Wayback Machine, looking at the Nationstar Mortgage
15 website for historical results of their web traffic and
16 then of their content, which -- which they've -- provide
17 copies of content that was on the web pages throughout
18 those periods of time.
19 Q. Thank you. And are these results consistent
20 with this search we discussed a little bit earlier that
21 Mr. Greenbaum conducted and the web pages that -- that
22 were in Exhibit 1 that he discussed with you at the
23 time?
24 A. Yes, they are.
25 Q. All right. I'd like to refer you to the pages

1 that begin at NSM-0094 and go through NSM-00100.
2 A. Okay.
3 Q. Have you recently visited Mr. Ahmad's website
4 at NationstarMortgage.com?
5 A. Yes.
6 Q. And if you see on the bottom here, there's a
7 URL address, www.NationstarMortgage.com.
8 A. Yes.
9 Q. And a date, 3/18/2010?
10 A. Yes.
11 Q. And are these printouts here consistent with
12 what you have recently observed at the website at
13 www.NationstarMortgage.com?
14 A. Yes, they are.
15 Q. Thank you. Now, as a part of the adoption of
16 the new Nationstar name beginning on March 31st, 2006,
17 was there a point where your company attempted to obtain
18 the URL address, NationstarMortgage.com, and also
19 NationstarMortgage.net?
20 A. Yes.
21 Q. And I'd like to refer you then to the documents
22 at NSM-00101 through 00106, please.
23 A. Okay.
24 Q. And could you tell me what -- whether these
25 letters that appear in NSM-00101 and 00104 are

1 consistent with the instructions that you gave to your
2 attorneys at Buchanan Ingersoll to attempt to purchase
3 this domain name?
4 A. Yes, they're accurate.
5 Q. Do you recognize these letters?
6 THE WITNESS: I'm sorry. I didn't hear
7 you.
8 Q. (BY MR. SMITH) Do you recognize these letters,
9 Mr. Hess?
10 A. Yes, I do.
11 Q. What are they?
12 A. These are offers being made to Dr. Ahmad on our
13 behalf by your company or by Buchanan Ingersoll to
14 acquire the domain name, NationstarMortgage.com as well
15 as NationstarMortgage.net.
16 Q. And are these letters consistent with your
17 recollection of the offers that were made at the time
18 pursuant to Nationstar's instructions to their
19 attorneys?
20 A. Yes.
21 Q. All right. Thank you. All right. I guess --
22 I guess we need to take a quick break then, Patrick, so
23 that we can sort out the first set of pages.
24 MR. REA: Okay, great.
25 MR. SMITH: Let me -- can we go off the

1 record, please, court reporter?
2 (Break taken from 1:43 p.m. to 2:19 p.m.)
3 MR. SMITH: All right. Can we please mark
4 as Exhibit 3 documents face labeled NSM-001 through
5 NSM-00031.
6 (Exhibit 3 marked)
7 Q. (BY MR. SMITH) All right. Mr. Hess, could you
8 please tell me what the document NSM-001 is.
9 A. This is a copy of my employee, Rob Greenbaum's
10 actions that he documented between March 5th, 2006 and
11 April 28th, 2006 regarding the Nationstar Mortgage
12 naming time line and the activities that he did during
13 that period.
14 Q. Does this also represent the activities of a
15 larger group of employees that work for you other than
16 just Rob Greenbaum?
17 A. Yes. Rob had approximately five employees that
18 supported him, and I have approximately -- at this
19 point, I had about 20 people reporting through my group.
20 But, yeah, primarily Rob was involved, but it also
21 represented efforts that he had with his employees as
22 well.
23 Q. And was Rob and your group, were they also in
24 contact with the company at large?
25 A. Absolutely. They -- there was a weekly task

1 force meeting that we chaired, the whole transition task
2 force that we discussed with the 450 plus detailed items
3 of things that had to be done to effect the name change
4 and the sale of the company. And Rob was the primary
5 task force leader, and he had delegated a few of his
6 folks. But yes, we were intimately involved with
7 everything going throughout the company as a result of
8 that task force.
9 Q. And when you just referred to the task list,
10 were you referring back to the task list that we
11 discussed earlier that appears in Exhibit 3?
12 A. That's correct.
13 Q. Now, there's a list of dates here on NSM-001 in
14 the left hand column, and are these dates consistent
15 with your recollection of what happened in the time
16 frame that they represent?
17 A. Yes, they're correct.
18 Q. And what does the March 31st, 2006 date here
19 represent?
20 A. The date -- March 31st was the date that Wes
21 Edens, the chairman of Fortress Investment Group, which
22 was the purchasing company, approved the name Nationstar
23 Mortgage.
24 Q. Okay. And -- and immediately proceeding that
25 date, there's a 3/24/2006 date that indicates that

1 Mr. Greenbaum reserved several URLs with Nationstar on
2 GoDaddy.com. Is that consistent with your recollection
3 that even prior to the official approval of the date,
4 there were other activities occurring?
5 A. Yes. Yes, it is. He -- we -- we were
6 confident in the name because our CEO had approved it.
7 But the final approval of the chairman of Fortress was
8 March 31st. But he was -- between the time that we
9 actually presented and got approval by our CEO and the
10 time that the chairman of Fortress approved it, which
11 was approximately a week, he was working to do all those
12 things to register the URLs as we discussed earlier.
13 Q. And were there other activities other than the
14 reserving of the URLs occurring in that time frame, the
15 3/24/2006 time frame, as well?
16 A. During these periods, he was also working with
17 the three agencies that we talked about as far as the
18 design of our logo. He was working directly to, again,
19 on -- as part of those task force to coordinate
20 everything as well.
21 Q. When you say coordinate everything, are you
22 referring to the tasks on the spreadsheet that you
23 discussed earlier?
24 A. Yes, I am.
25 Q. All right. And the earlier 3/24/2006 date, it

1 indicates that Tony Barone, president and CEO of Centex
2 Home Equity, selected Nationstar Mortgage as the new
3 name. Is that consistent with your recollection?
4 A. Yes.
5 Q. All right. I'd like to refer you to the pages
6 that begin at NSM-002 and end at NSM-0007. Could you
7 just tell me generally what these documents are.
8 A. These are copies of e-mail correspondence
9 between Rob Greenbaum and various people regarding the
10 approval of the name Nationstar Mortgage.
11 NSM-0002 is specifically an e-mail that he
12 had with Prism Marketing Partners regarding a
13 preliminary trademark search on the name Nationstar
14 Mortgage.
15 I believe there's -- the next page,
16 NSM-0003, is also to the same firm regarding a
17 preliminary trademark search.
18 NSM-00004 is an e-mail to another agency
19 also asking for a trademark search -- a company, Landor,
20 out of New York City, that we also were having searches
21 done on -- on Nationstar as well -- Nation -- other
22 derivations of Nationstar and different names, but that
23 was a correspondence there.
24 The next page NSM-00005 was, again, an
25 e-mail from myself to Rob Greenbaum confirming it was --

1 I approved to send the final four names up for a full
2 legal search to be -- to Buchanan Ingersoll.
3 NSM-00006 is an e-mail, a copy of an e-mail
4 from our counsel, Andrew Klein to Buchanan Ingersoll
5 regarding -- again, at our direction, to conduct a full
6 legal search of the final four names, which Nationstar
7 Mortgage was one of them.
8 And finally, on NSM-00007 is a copy of an
9 e-mail between our CEO, Tony Barone, and Pete Smith of
10 Fortress Investment Group, a director reporting to the
11 chairman, that documented the approval of the name
12 Nationstar Mortgage as for our company.
13 Q. All right. And NSM-007, it says -- it's an
14 e-mail from Tony Barone to Pete Smith where it says,
15 "Great. I will pass on to Steve Hess, and we'll get
16 working on it. Just gave a presentation to 220 of our
17 managers. They are pumped."
18 A. Mm-hmm.
19 Q. Do you recollect that Mr. Barone did, in fact,
20 pass this on to you at this time?
21 A. Absolutely, yes. I remember it well.
22 Q. Yeah, and then, was there a presentation where
23 all the managers were notified of the new Nationstar
24 name and all that?
25 A. Yes. Yes, there was. In fact, I gave a

1 presentation to all of our senior managers with the new
2 name and showing them the uses and all the activities
3 taking place to effect the change.
4 Q. And those are the activities that we discussed
5 earlier, the spreadsheet in Exhibit 3?
6 A. That's correct.
7 Q. All right. I'd like to refer you to pages
8 NSM-008 through 0010.
9 A. Mm-hmm.
10 Q. And could you tell me what this document is,
11 please.
12 A. This is a listing of, again, of URLs that Rob
13 Greenbaum registered on our behalf over a course of the
14 dates between March 24th and the end of April. But they
15 were all, again, URL addresses that had business
16 applications for our company, for future use as landing
17 pages, or different retail marketing uses, as well as a
18 common practice to protect against misspellings, where
19 he's looking at -- at registering any website that could
20 be a result of a misspelling, so it would be, again,
21 directed to us.
22 Q. All right. Could you please refer to NSM-0011
23 through the NSM-0012.
24 A. All right.
25 Q. And did this document come from the files of

1 your company?
2 A. It does.
3 Q. And could you just briefly tell me what it is.
4 A. This is the results on an initial trademark
5 search for a series of names, one of which is
6 Nationstar, from our ad agency called Prism Marketing
7 Partners dated March 20th, 2006.
8 Q. All right. And I'd like to refer you to
9 materials that begin at NSM-0013 and then go through the
10 rest of Exhibit 3. I believe the last page is NSM-0031.
11 A. Okay. Yes, these are all samples of marketing
12 communications and sales collateral that were developed
13 as a result of the name change, and, again, just a
14 sample of brochures and statement inserts, sales
15 collateral for our sales people, everything, again, that
16 was done as a result of us changing our name to
17 Nationstar Mortgage.
18 Q. And are these materials typical or
19 representative of materials that were created beginning
20 immediately after March 31st, 2006?
21 A. Yes, they are.
22 MR. SMITH: I have no further questions.
23 EXAMINATION
24 BY MR. REA:
25 Q. Okay. This is Patrick Rea. I just have a

1 couple things that I'd like for you to clarify for me,
2 Mr. Hess.
3 A. Mm-hmm.
4 Q. When -- when was the Nationstar Mortgage name
5 rollout complete?
6 MR. SMITH: Objection to form.
7 MR. REA: Excuse me?
8 MR. SMITH: Objection to the form of the
9 question.
10 MR. REA: Okay. I'm sorry. Let me
11 rephrase it.
12 Q. (BY MR. REA) On what date was the first
13 mortgage application received on the Nationstar website?
14 A. The Nationstar MTG website was brought up at
15 the date of the sale, which was July 11th, 2006.
16 Q. Are mortgage applications received other than
17 through Nationstar's websites?
18 A. Yes.
19 Q. And what are those other forms?
20 A. They can be obtained through personal
21 referrals, from -- to our loan officers directly.
22 They're obtained through advertising that we were
23 conducting both direct mail, e-mail, television, things
24 of that nature at that point in time. And on the
25 wholesale side, they're also obtained directly from

1 mortgage loan brokers that we have business partnerships
2 with.
3 Q. When did you first use the Nationstar trademark
4 in your direct mail?
5 A. We notified our customers of the pending sale
6 of the company and the name Nationstar approximately
7 June 1st --
8 Q. Of '06?
9 A. Of 2006, right.
10 Q. Is that correct?
11 A. Yeah.
12 Q. And the same question with respect to e-mail.
13 When did you first notify customers or potential
14 customers by e-mail using the Nationstar trademark?
15 A. Approximately the same day. I mean, it was
16 around the beginning of June 2006, which was about a
17 month and a half prior to the sale of the company.
18 Q. Okay. And -- and on what date did
19 advertising -- placed by your company using the
20 Nationstar company first appear?
21 A. The -- the name Nationstar in advertising
22 purposes was -- began to be utilized after the sale of
23 the company on July 11th, 2006. We had used the name --
24 we had corresponded with our current customers again in
25 June, early June -- June 1st to notify our current

1 customers of the pending change prior to the sale.
2 Q. Okay. Now, the next few questions I have
3 relate to the schedule. Let me find those pages. This
4 is the schedule that appears beginning on page 00129.
5 A. Okay.
6 Q. Who -- who created that schedule?
7 A. It was created by, actually, the various
8 departments. This is a printout of a database that
9 allowed the different departments within Nationstar to
10 individually update their respective sections of this
11 document. But as far as the task force was, again, part
12 of my responsibility with Rob Greenbaum, chairing the
13 task force.
14 Q. And could you tell me -- the schedule that I
15 have in front of me doesn't have any date on it. Could
16 you tell me when this -- this printout would have been
17 current.
18 A. This -- this printout was pulled -- is a copy
19 of the schedule on that database as of May 21st, 2006.
20 And the -- again, that's -- the database is not part --
21 is no longer -- the software or the soft copies, I
22 should say, of this are no longer around. But this was
23 one of the few files that I was able to obtain that had
24 copied those -- those items that -- that we were
25 tracking and reporting on.

1 Q. Are there multiple versions of this database or
2 this schedule?
3 A. No.
4 Q. There's one master version, and that's the
5 only --
6 A. Mm-hmm. Yeah, the database was all accessible
7 by different parties, but there was only one database.
8 There were no multiple versions.
9 Q. Who -- who maintained the database? For
10 instance, when an item was started or completed, who put
11 the date in?
12 A. The dates were all by the respective department
13 project managers that -- that were listed primarily. So
14 if an accounting task had to be changed or was completed
15 or anything had to be added, the person in charge of
16 that particular project would be providing the updates
17 and, certainly, the department managers.
18 Q. Okay. One of the items refers to wholesale and
19 retail mortgage operations.
20 A. Mm-hmm.
21 Q. What is the difference between wholesale and
22 retail mortgage operations?
23 A. Wholesale is where we purchase the loans and
24 work with mortgage brokers, independent third parties,
25 if you will, that originate the loans directly through

1 the consumers, and then they work directly with us once
2 they've determined that we're going to be the lender to
3 process the loan or the application documents and do the
4 loan. And retail is direct consumer where we're dealing
5 directly with the consumer.
6 Q. Okay. One of the items refers to a closing
7 protections letter. What -- what is that document?
8 A. Yeah, I'm sorry. I couldn't tell you that. I
9 don't know what that might refer to.
10 Q. I noticed that the name Nationstar -- or at
11 least I did not see where Nationstar appeared anyplace
12 on this schedule. But I don't want to assume so. Is
13 this schedule applicable to adoption of the Nationstar
14 Mortgage name?
15 A. Absolutely. Yeah, this is absolutely the
16 schedule that was being used during that period of time.
17 Q. Is this -- was the schedule created prior to
18 adoption of an actual name?
19 A. Yeah, I mentioned earlier that the transition
20 task force was formed at -- back in February of 2006
21 when it became clear that our company was going to be
22 sold. So the documentation started again in February
23 of 2006.
24 Q. Do you believe this schedule to be accurate?
25 A. Yes.

1 Q. And Item Number 50, there's -- there is a
2 reference to new URLs and redirect old URLs. What are
3 the new URLs referred to?
4 A. Item 50 is referring to the wholesale websites
5 that we -- that we maintained, if I understand your
6 question properly.
7 Q. But we have a number of documents here that
8 show URLs that were registered by Nationstar Mortgage.
9 Are these the URLs, the new URLs?
10 A. No, these are -- these are actually referring
11 to the -- the then current URLs that were -- had to be
12 rebranded and then redirected to the new URLs that were
13 registered after that, or that we had gone through
14 earlier based on -- on the exhibits that we talked about
15 earlier. This is a task associated with rebranding the
16 wholesale broker websites and ensuring that they all had
17 the proper redirects to the new company name and the new
18 company URLs, specifically.
19 Q. Okay. In that same item, one of the URLs
20 referred to -- just picking one -- is Centexbroker.com.
21 A. Correct.
22 Q. And I see one of the new URLs registered was
23 Nationstarbroker.com.
24 A. Correct.
25 Q. When you refer to new URLs and old URLs, is the

1 Centexbroker.com the old URL?
2 A. That's correct.
3 Q. Is the Nationstarbroker.com the new URL?
4 A. Yes.
5 Q. And just one more -- one more question. The
6 Nationstar Mortgage LLC, who owns that company?
7 A. Yeah, I -- I can't -- well, I -- yeah, I prefer
8 our legal counsel respond to that. I -- the legal
9 definitions of who owns the company are somewhat
10 specific, so we'll have to defer to them.
11 Q. Okay. So you don't know; is that what you're
12 saying?
13 A. I -- I'm saying that I prefer they provide the
14 exact information that you're asking for.
15 Q. Okay. That's all I have.
16 A. Okay.
17 MR. SMITH: All right. I have no redirect.
18 No further questions.

"Open Enforcement Cases" reflect only those complaints for which a departmental investigation has determined that sufficient evidence exists to establish probable cause of a violation of the law or regulations. Only those cases that have proceeded through an investigation to the adjudication stage are displayed. Complaints involving allegations of criminal activity, and cases subject to Alternative Dispute Resolution, are not subject to disclosure and therefore are not displayed.

State law prohibits the disclosure of any information about open enforcement cases [Code of Virginia Section 54.1-108]. Members of the public may review official records and obtain copies only after a complaint investigation is closed.

Closed Enforcement Cases: 0

File Number | Disposition | Date Case Closed

NONE

"Closed Enforcement Cases" reflect complaints closed since 1990. Cases closed without disciplinary action are purged after three years in accordance with DPOR's record retention policy. Complaints involving allegations of criminal activity, and cases subject to Alternative Dispute Resolution, are not subject to disclosure and therefore are not displayed.

Recovery Fund Claims include claims against a licensee where a judgment has been obtained for improper or dishonest conduct in a court of law. Centex Home Equity Brand Identity Strategy Document

March 31, 2006

Centex Home Equity

Non-prime mortgage lending subsidiary of Centex Corporation

- Consumer mortgage lender—operates retail branches (non-storefront, direct-to-consumer only) & direct sales platform for mortgage originations
- Wholesale mortgage lender—funds mortgages indirectly through wholesale network of mortgage brokers and correspondent lenders
- CTX Alliance—supports non-prime customers of CTX Mortgage

Quick Facts

- Located in over 175 retail and broker referral offices
- Licensed in 48 states
- Ranks among the nation's largest retail non-prime mortgage originators
- Maintains a servicing portfolio of more than $10 billion

Mortgage Branding

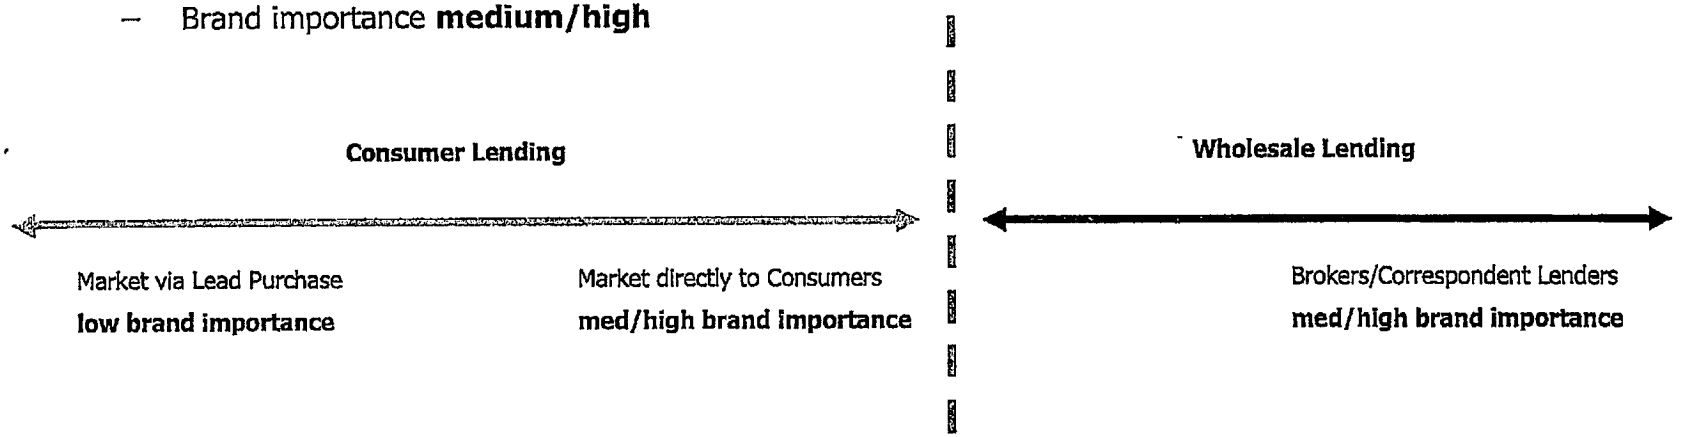
Consumer Lending:

- Direct-to-Consumer
  - Purchase leads through mortgage sources (internet, TM); brand importance **low**
  - Fund directly through Centex via traditional methods/marketing (dm, website, referral, advertising); brand importance **medium/high**

* More than 2/3 of consumers use a mortgage broker for funding; brand importance **low**

Wholesale Lending:

- Brokers & correspondent lenders
  - Key factors for brokers/lenders to use mortgage lender:
    - Low rates
    - Unique products/services
    - Brokers relationship to lender
  - Brand importance **medium/high**



Mortgage Branding—Consumer

Important Factors in Choosing a Lender:

- Getting approved
- Monthly payment (less important than rate, consumers focus on how much monthly payment will be, affordability)
- Speed and ease of process/closing
- Rate
- Services offered—purchase, refi (cash-out, home equity line), debt consolidation
- Reputation/Past experiences with lender

Branding is not key factor for consumer when compared to other criteria listed above. It can influence decision when other factors are equal/comparable, but does not drive selection.
