ICON Health and Fitness, Inc. ("ICON"), a corporation organized and existing under the laws of Delaware with a place of business at 1500 South 1000 West, Logan, Utah 84321, believes that it will be damaged by the issuance of a registration for the alleged mark shown in Application Serial No. 86729827 for the mark PRO-FORM 2 in international classes 010 and 028. ICON hereby opposes the same pursuant to Section 13(a) of the Lanham Trademark Act of 1946 ("Lanham Act"), 15 U.S.C. § 1046(1).

As grounds for opposition, ICON alleges as follows:

1. ICON is one of the world's largest manufacturers of exercise and fitness equipment and sells exercise and fitness products and services throughout Asia, Europe, and North and South America, including throughout the United States.

2. Since at least as early as 1982, ICON's predecessor in interest began using the trademark PROFORM in connection with clothing. Since at least as early as 1988, ICON's predecessor in interest began using the trademark PROFORM in connection with exercise

equipment, including stepping machines, treadmills, striding machines, stationary cycles, rowing machines, and other exercise-related equipment.

3. ICON owns the following five relevant valid and subsisting U.S. Trademark Registrations on the Principal Register in the U.S. Patent and Trademark Office ("PTO"):

| Mark | No. | Date Issued | Goods & Services |
|---|---|---|---|
| PRO FORM | 1,346,441 | 7/2/1985 | Exercising Apparatus-Namely, Rowing Machines and Multiple Purpose Exercising Machines. |
| PRO FORM | 1,525,754 | 2/21/1989 | Clothing, namely shorts, pants, shirts, tops, sweat pants and jackets. |
| PRO FORM | 1,718,385 | 9/22/1992 | Exercising apparatus; namely, stepping machines, striding machines, and stationary cycles. |
| PRO FORM | 2,944,885 | 4/26/2005 | Clothing, namely, t-shirts, long sleeve t-shirts, tank tops, jackets, shorts, sport tops. |
| PRO-FORM | 4,665,905 | 1/6/2015 | Elliptical exercise machines; Exercise balls; Exercise doorway gym bars; Exercise machines; Exercise weights; Manually-operated exercise equipment; Physical fitness equipment, namely, treadmills, ellipticals, stationary exercise bicycles, stepping machines; Vibrating apparatus used in fitness and exercise programs to stimulate muscles and increase strength and physical performance; Wrist and ankle weights for exercise; Yoga mats. |

Collectively these five marks shall be referred to herein as the "PRO-FORM Marks" and the associated registrations shall be referred to herein as the "PRO-FORM Registrations."

4. ICON and its predecessors in interest first used the mark protected by U.S. Trademark Registration No. 1,346,441 in the United States at least as early as December 22, 1982 and first used the mark in interstate commerce in the United States at least as early as January 10, 1983 in connection with the manufacture, distribution, provision, offering for sale, sale, marketing, advertising, and promotion of exercising equipment, namely, rowing machines and multiple purpose exercise machines. Attached as Exhibit A is a true and correct printout of the PTO's information about U.S. Trademark Registration No. 1,346,441, which was issued by the PTO on

July 2, 1985. ICON and its predecessors in interest have used the mark continually in interstate commerce in the United States since that time.

5. ICON and its predecessors in interest have used the mark protected by U.S. Trademark Registration No. 1,525,754 in interstate commerce in the United States continuously since at least November 26, 1984 in connection with the manufacture, distribution, provision, offering for sale, sale, marketing, advertising, and promotion of clothing. Attached as Exhibit B is a true and correct printout of the PTO's information about U.S. Trademark Registration No. 1,525,754, which was issued by the PTO on February 21, 1989.

6. ICON and its predecessors in interest have used the mark protected by U.S. Trademark Registration No. 1,718,385 in interstate commerce in the United States continuously since at least February, 1988 in connection with the manufacture, distribution, provision, offering for sale, sale, marketing, advertising, and promotion of exercising apparatus. Attached as Exhibit C is a true and correct printout of the PTO's information about U.S. Trademark Registration No. 1,718,385, which was issued by the PTO on September 22, 1992.

7. ICON has used the mark protected by U.S. Trademark Registration No. 2,944,885 in interstate commerce in the United States continuously since at least January 2, 2003 in connection with the manufacture, distribution, provision, offering for sale, sale, marketing, advertising, and promotion of clothing. Attached as Exhibit D is a true and correct printout of the PTO's information about U.S. Trademark Registration No. 2,944,885, which was issued by the PTO on April 26, 2005.

8. ICON has used the mark protected by U.S. Trademark Registration No. 4,665,905 in interstate commerce in the United States continuously since at least February 7, 2004 in connection with the provision, sale, marketing, advertising, and promotion of exercise equipment, machines,

balls, bars, apparatus, weights, and mats. Attached as Exhibit E is a true and correct printout of the PTO's information about U.S. Trademark Registration No. 4,665,905, which was issued by the PTO on January 6, 2015.

9. As a result of its widespread, continuous, and exclusive use of the PRO-FORM Marks to identify its goods and services with ICON as their source, ICON owns valid and subsisting federal statutory and common law rights to the PRO-FORM Marks.

10. The PRO-FORM Marks are distinctive to both the consuming public and within the exercise and fitness industry.

11. ICON has expended substantial time, money, and resources in marketing, advertising, and promoting the goods and services offered under the PRO-FORM Marks, including, among other things, television, radio, newspaper, magazine, internet, social media, and other media.

12. ICON's promotional efforts have led to ICON's patrons, potential patrons, and the general public coming to know and recognize the PRO-FORM Marks and associate them with ICON and its goods and services. ICON has therefore built up extensive, valuable goodwill in the PRO-FORM Marks. As a result of their distinctiveness and widespread use and promotion throughout the United States, the PRO-FORM Marks are famous trademarks within the meaning of 15 U.S.C. 1125(c).

13. Applicant Mycone Dental Supply Co., Inc. ("Mycone"), with an address at 480 South Democrat Road, Gibbstown, New Jersey, 08027, on August 19, 2015 filed trademark Application Serial No. 86728087 to register the proposed mark PRO-FORM 2 for the following goods and services:

| | |
|---|---|
| International Class 001 | Plastic molding compounds for use in the manufacture of molded plastic articles. |

| | |
|---|---|
| International Class 010 | Dental instruments for use in protection of mouth and teeth. |
| International Class 028 | Athletic equipment, namely, mouth guards; Mouth guards for athletic use. |

14. The PRO-FORM Registrations have priority over Applicant's application because Petitioner's first-use and registration dates for the PRO-FORM Marks predate the filing date of Applicant's application and any other date on which Mycone may rely for purposes of priority for use of its mark in international classes 010 and 028.

15. Applicant's mark PRO-FORM 2 is confusingly similar to the PRO-FORM Marks, as it wholly incorporates all four of the PRO-FORM MARKS, distinguished only by the Applicant's addition of the character "2" at the end of the mark. As a result, Applicant's mark is strikingly similar to the PRO-FORM Marks in appearance, sound, and connotation, and creates a similar commercial impression.

16. The likelihood of confusion is heightened because the goods covered by Applicant's Application Serial No. 86728087 are sports and fitness-related products, including without limitation mouth guards and athletic mouth guards, while the goods and services promoted by ICON under the PRO-FORM Marks include, in addition to the items previously listed above, wearable fitness-related accessories, such as wrist and ankle weights, heart-rate monitor watches and chest straps, and waist wraps, as well as protective gear for use in athletic activities, such as training gloves and weightlifting belts.

17. Also, on information and belief, Applicant's PRO-FORM 2 branded goods will be sold in some of the same channels of trade that ICON sells its PRO-FORM goods. For example, Applicant's PRO-FORM athletic mouth guards are sold online. See Exhibit F attached hereto, which is a printout from a website offering Applicant's PRO-FORM branded goods for sale. ICON

also markets and sells its PRO-FORM branded goods directly to consumers through major online retailers such as www.walmart.com, www.shopko.com, www.overstock.com, and www.khols.com. See Exhibit G, which are sample printouts showing various PRO-FORM branded goods being sold on such websites.

**FIRST GROUND FOR OPPOSITION – LIKELIHOOD OF CONFUSION**

18. The proposed mark is barred from registration in international classes 010 and 028 because it consists of or compromises a mark which so resembles ICON's previously used and registered PRO-FORM Marks as to be likely, when used in connection with the alleged goods of Applicant, to cause confusion, mistake, or deception within the meaning of 15 U.S.C. § 1052(d).

**SECOND GROUND FOR OPPOSITION - DILUTION**

19. Petitioner's PRO-FORM Marks are distinctive and a "famous mark" within the meaning of Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

20. The PRO-FORM Marks became distinctive and famous prior to the filing date of Applicant's application or any other date on which the Respondent may rely for purposes priority.

21. Applicant's Application Serial No. 86728087 impairs the distinctiveness and causes dilution by blurring of, and thereby damages, Petitioner's famous PRO-FORM Marks in violation of 15 U.S.C. § 1125(c). Accordingly, pursuant to 15 U.S.C. § 1063, the proposed PRO-FORM 2 mark is not entitled to registration.

22. Furthermore, if and to the extent that Mycone sells substandard products using the PRO-FORM 2 mark, Applicant's Application Serial No. 86728087 will also likely harm the reputation and cause dilution by tarnishment of, and thereby damage, Petitioner's PRO-FORM Marks in violation of 15 U.S.C. § 1125(c). Accordingly, pursuant to 15 U.S.C. § 1063, the proposed PRO-FORM 2 mark is not entitled to registration.

WHEREFORE, Petitioner respectfully prays that its opposition be sustained and that registration to the pursuant to Applicant's Application Serial No. 86728087 be refused in international classes 10 and 28.

Dated: February 26, 2016

Respectfully submitted,
