WINDOWS, DOORS AND A ROOF ARE OUT OF THE QUESTION.

A change in weather doesn't mean a change in philosophy. You'll let nothing get between you and those swelling black clouds but a good set of raingear. That's why ours is as tough as it is. A windproof, waterproof shell repelling everything from nagging mist to sideways pelting rain. The harder Mother Nature hits, the harder this gear hits back.

GETTING INTO MOTORCLOTHES™ RAINGEAR

Ride out the rain firmly planted in the saddle. MotorClothes™ raingear is made for riding. Durable, waterproof materials. Double-strength seam sealed. Articulated elbows and knees. Elastic cuffs. Removable, packable, helmet-friendly hoods. Reflective material to make sure you stand out in a storm. Nomex® heat shielding on the pants legs to stop them, and your legs, from baking on the exhaust. And a slip-resistant rear end that will keep your butt in its place — which is certainly not under an overpass.

HEADWINDS OFFENDINGLY STEP ASIDE

Rather than ride along with the air stream, you choose to meet it head on. MotorClothes™ jackets are built tough to cut through howling winds like a breeze. Plus they're made to be water-resistant so nothing gets between you and the horizon that's been taunting you since you got in the saddle. And once the challenge is met, these jackets are lightweight enough to roll up and tuck into the corner of any saddlebag. Ready and waiting for the next go-round.

BETTER LOST IN THE DESERT THAN LOST IN A CROWD.

Be as comfortable in your own skin as you are in the saddle. MotorClothes™ shirts are designed to be just plain wearable, alone or under your riding gear. They're everyday clothes styled to look anything but everyday. Sure, people may stop and stare. That's okay. Because you'd sooner milk a cactus than be just like everybody else.

IS IT POSSIBLE THIS THINGS HEREDITARY?

There's iron in their genes. Chrome in their blood. And a century of riding ahead of them. But tomorrow's riders, role models and heroes can dress the part today. It's never too soon to get your kids suited up in leathers and riding gear built to last. Who knows? Someday maybe they'll pass more than just a jacket down to their grandkids.

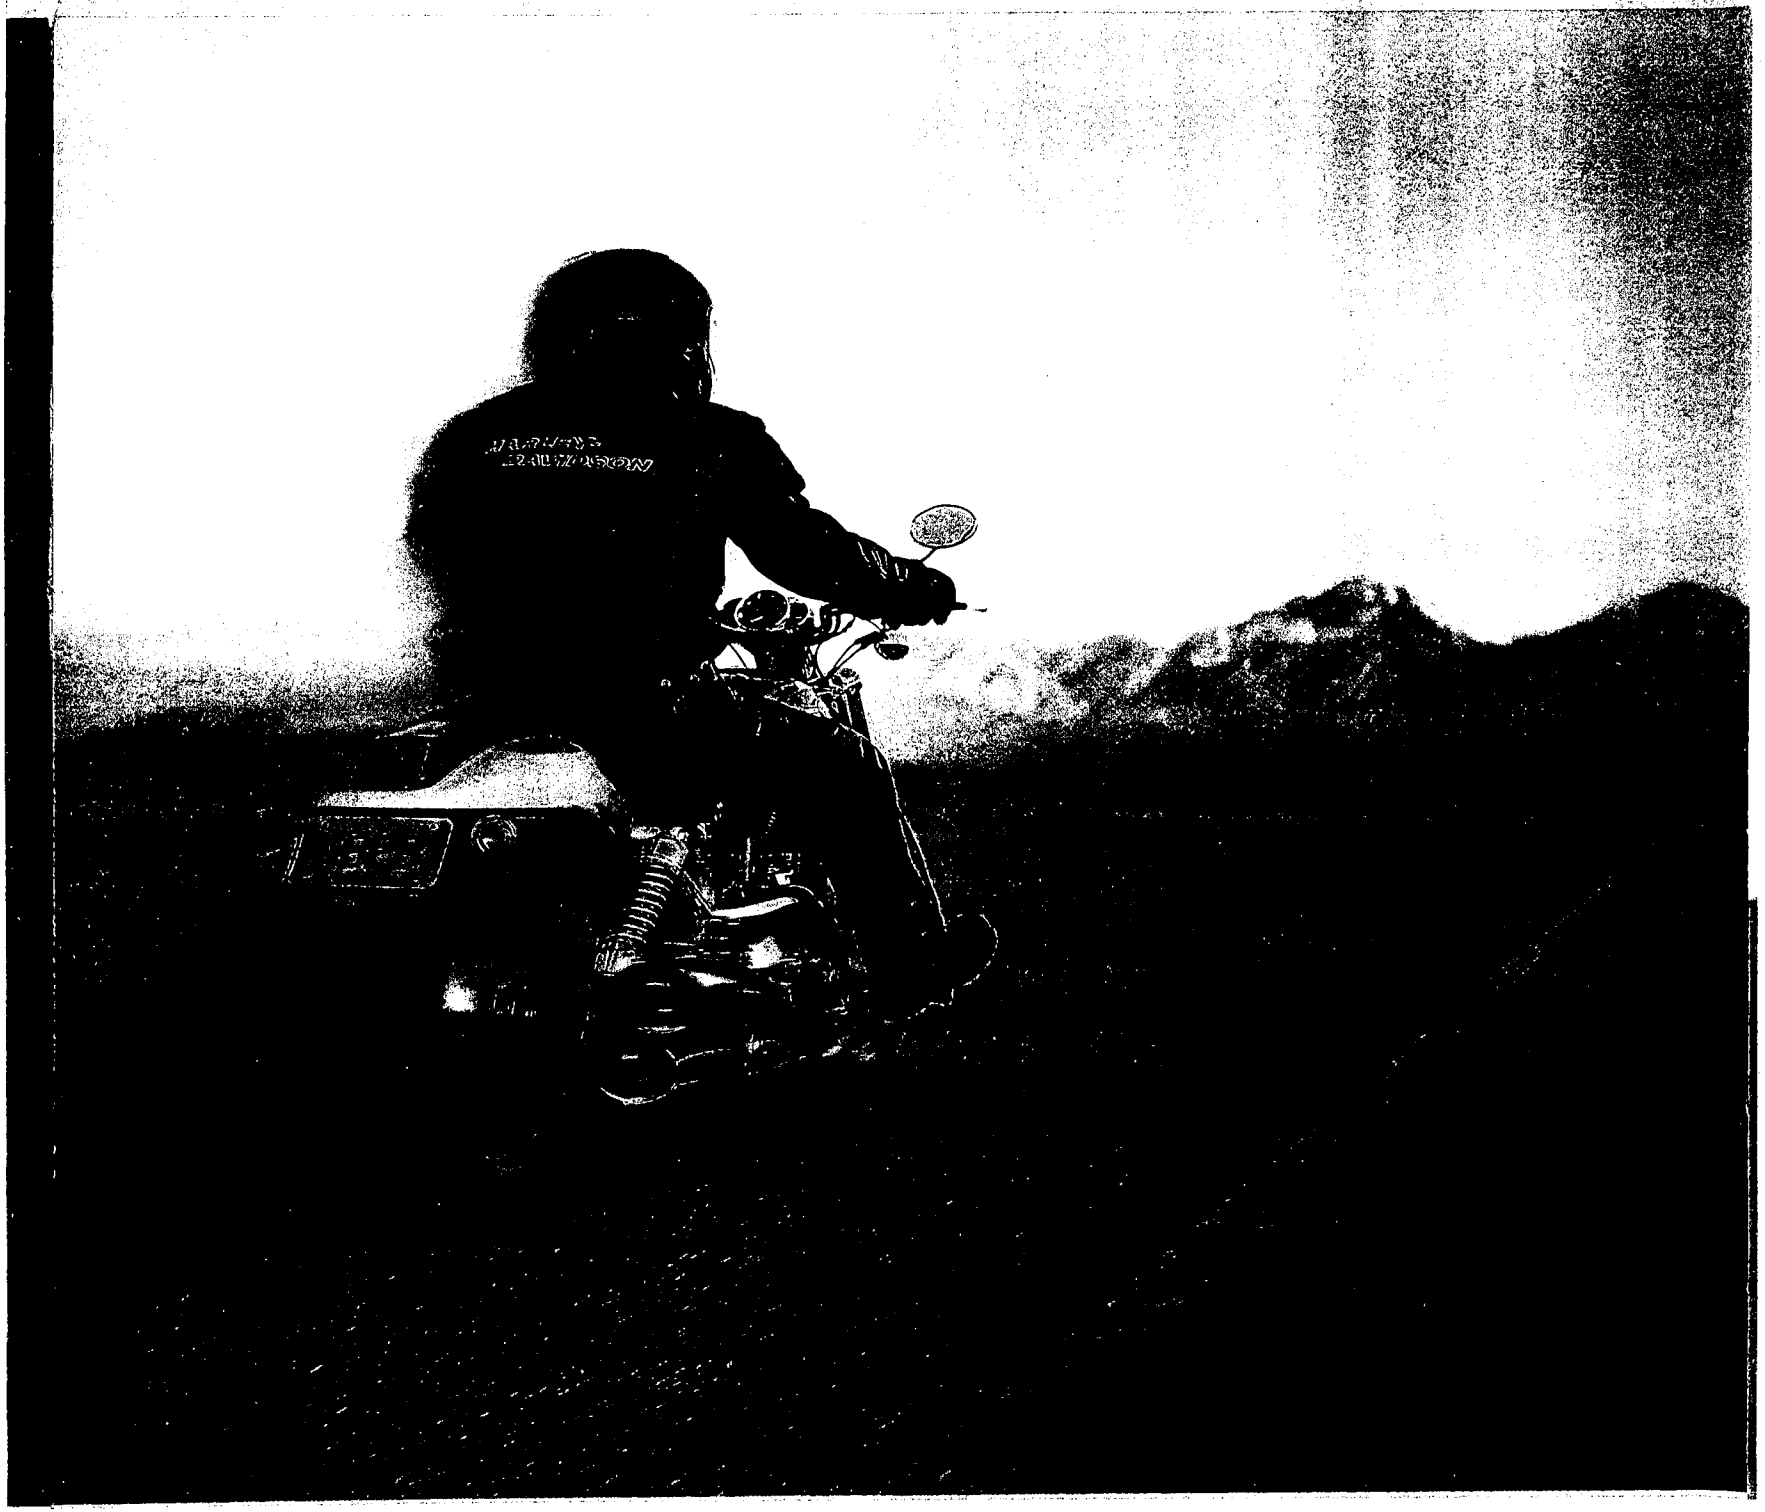
YOU DON'T DRESS FOR ANYONE BUT THE ROAD.

When wind meets leather, that's when you know you're alive. With a hearty handful of throttle, the air fills your lungs like the first breath of life. Then as hunks of country fill the mirror, you exhale and start all over again. The things you experience in the saddle of your Harley-Davidson motorcycle live on in more than just memory. It's an undeniable truth. The road calls for MotorClothes™ riding gear. A call that can only be answered at your Harley-Davidson dealer.



THANK YOU

Our sincere thanks to the riders gracing the pages of this book. Riders like you who grace all the highways, backways and straightaways across our beautiful country. Let's raise a glass to Ray Artis, Greg Bakel, Sebastien Bleus, Larry Bradley, Allan Connell Jr., Anna Frost, Debbie Gruber, Helene Hodge, Richard Hoffman, Desiree Horton, Elise Iannitti, Katrina Moses, Tamara Murolo, Kai Norton, Art Raya, Dawn Raya, Mercedes Raya, Jamie Richardson, Roger Richardson, Jo Ricker, Tim Stempel, Gene Thomason Sr. and Tom Vincent. Cheers.

BELONGS TO THE
THE HOURS, MINU

Maybe this has happened to you. A child stares longingly as you ride by. You look. Just long enough to catch a glimpse of yourself in his eye. For a moment you're him again. You give him the nod, as if to say, dreams do come true, kid. Then with a wide-open grin and a throaty roar you disappear into the next moment – one that ranks right up there with the best in your life. That's the beauty of our limited edition Harley-Davidson pocket watch. It reminds you that riding is full of these moments.

HARLEY-DAVIDSON FASHION QUARTERLY
JUNE 2003

Harley-Davidson® Fashion Quarterly
June 2003

We're pleased to introduce **MotorClothes™ Fashion Quarterly.** As the name implies, Fashion Quarterly is a program designed to give you new, fashion forward sportswear on a quarterly basis. This program provides the opportunity to capitalize on fashion trends or cool stuff in the market offering short lead times and quick delivery. This focused assortment of men's and women's fashion shirts is designed to complement your core, seasonal and licensed apparel collections. Basically, you'll be able to get into a fashion trend when it's hot and out when it's not.

So how does it work? You'll receive an opportunity to order this limited assortment on a quarterly basis. Once the order window closes, product will ship to you in approximately 30 days. You should plan to order enough to last you through to the next delivery, or approximately 3 months of demand. Most of the items in the assortment are one-time buys, however, a few styles may be carried over to the next offering based on your sales and customer demand.

So why wait? MotorClothes™ Fashion Quarterly offers a unique opportunity to refresh assortments every three months. Exclusively at Harley-Davidson® dealerships, these shirts are cool and will appeal to your customers. And that can translate into incremental sales. So order now while they're hot because your next chance to be "too sexy for your shirt" won't be until next quarter.

For additional ordering information, see Rules of the Road on page 11.

HARLEY-DAVIDSON FASHION QUARTERLY
OCTOBER 2003

Harley-Davidson® Fashion Quarterly
October 2003

Welcome to the October 2003 MotorClothes™ Fashion Quarterly. Fashion Quarterly is a program designed to give you new, fashion forward sportswear on a quarterly basis. This program provides the opportunity to capitalize on fashion trends or cool stuff in the market offering short lead times and quick delivery. This focused assortment of men's and women's fashion shirts is designed to complement your core, seasonal and licensed apparel collections. Basically, you'll be able to get into a fashion trend when it's hot and out when it's not.

JUST IN TIME FOR THE HOLIDAYS

So how does it work? Order your Fashion Quarterly assortment now during the order window. Once the order window closes, product will ship to you in approximately 30 days – **just in time to maximize the holiday shopping season.** You should plan to order enough to last you through to the next delivery, or approximately 3 months of demand. Most of the items in the assortment are one-time buys, however, a few styles may be carried over to the next offering based on your sales and customer demand.

So why wait? MotorClothes™ Fashion Quarterly offers a unique opportunity to refresh assortments every three months. Exclusively at Harley-Davidson® dealerships, these shirts are cool and will appeal to your customers. And that can translate into incremental sales. So order now while they're hot because your next chance to be "too sexy for your shirt" won't be until next quarter.

For additional ordering information, see Rules of the Road on page 7.
