II. STATEMENT OF UNDISPUTED FACTS

A. The Origins of SANTANA'S MEXICAN FOOD and The Santana Family of Marks for Restaurant Services

In 1986, Petitioner Arturo Santana Gallego opened and operated a restaurant ("Petitioner" or "Mr. Santana Gallego"), of which he was the sole owner, located at 1480 Rosecrans Street, San Diego California ("Point Loma Restaurant"). (Santana Gallego Tab 1 Decl. ¶ 2; Santana Gallego Tab 2 Decl. ¶ 2; Santana Gallego Tab 3 Decl. ¶ 2.) By late 1987 or early 1988, Mr. Santana Gallego was using the term **SANTANA'S MEXICAN FOOD** for restaurant services in association with the Point Loma Restaurant. (Id.) By late 1987 or early 1988 and certainly by at least 1991, Mr. Santana Gallego opened a second **SANTANA'S MEXICAN FOOD,** located at 56547 Twenty-Nine Palms Highway in Yucca Valley California. (Santana Gallego Tab 1 Decl. ¶ 3; Santana Gallego Tab 2 Decl. ¶ 3 Santana Gallego Tab 3 Decl. ¶ 3; Martinez Tab 5 Decl. ¶ 6; Lopez Decl. ¶ 3.). Both restaurants used the term **SANTANA'S MEXICAN FOOD** in association with the provision of Mexican food to the public. (Id.)

Mr. Santana Gallego has four sons, including Arturo Santana Lee (the eldest) and Abelardo Santana Lee (the youngest). They will be referred to in this brief as Arturo and Abelardo. Abelardo's wife is Claudia. Abelardo and Claudia own Registrant, Santana's Grill. Arturo owns Santana's Mexican Grill. Arturo Castañeda is a business associate, and not a family member.

B. The Interstate Use of SANTANA'S MEXICAN FOOD

Although the two restaurants catered to local customers and no special effort was made to cater to customers from other states or from Mexico, it is now apparent that the marks were used in interstate commerce as early as 1987 or 1988. (Compare Santana Gallego Tab 1 Decl. ¶ 4; Santana Gallego Tab 2 Decl. ¶ 4; Santana Gallego Tab 3 Decl. ¶ 4 with Martinez Tab 5 Decl. ¶¶ 3, 9; Lopez Tab 6 Decl. ¶¶ 3, 4, 6, 7; Armenta Tab 8 Decl., Exs. B-Z.)[1] Mr. Santana Gallego

[1] Mr. Santana Gallego has not yet applied for federal trademark registrations, as at the time he filed the Petitions to Cancel, he did not believe that the marks had been used in interstate commerce. (See Petition to Cancel ¶ 2.) Now that Mr. Santana Gallego is now represented by

used the term **SANTANA'S MEXICAN FOOD** on the signage, the menus and in the advertising in the regional and local telephone directories. (Santana Gallego Tab 1 Decl. ¶ 4; Santana Gallego Tab 2 Decl. ¶ 4; Santana Gallego Tab 3 Decl. ¶ 4; Martinez Tab 5 Decl. ¶ 3; Lopez Tab 6 Decl. ¶ 4; Armenta Tab 8 Decl. Exs. A-Q; Santana Lee Tab. 9 Decl. ¶ 2.) For instance, the Point Loma Restaurant appeared as **SANTANA'S MEXICAN FOOD** in the Pacific Bell Yellow Pages Telephone Book for San Diego as of June 29, 1990. (Armenta Tab 8 Decl. Ex. B.) The yellow page advertising for the Point Loma Restaurant in the San Diego various yellow page directories has continued until the present. (Armenta Tab 8 Decl. Exs. C-M.) Mr. Santana Gallego advertised the Yucca Valley Restaurant as **SANTANA'S MEXICAN FOOD** in GTE's *The Everything Pages* for the Morongo Basin as early as July 1988. (Armenta Tab 8 Decl. Ex. M.) This advertising continued into the 1991-1992, 1992-1993, 1993-1994 editions and into the present. (Armenta Tab 8 Decl. Exs. N-Q.) Both of these telephone directories are available and have been used by people traveling on interstate highways.

Moreover, the sign in the Yucca Valley Restaurant which read **SANTANA'S MEXICAN FOOD** and **ES MUY BUENO** was posted as early as 1988. (Martinez Tab 5 Decl. ¶¶ 3, 9; Lopez Tab 6 Decl. ¶¶ 4, 8; Santana Lee Tab 9 Decl. ¶ 2). The sign has been located directly on Highway 62 and is clearly visible from passing traffic on Highway 62. (Martinez Tab 5 Decl. ¶¶ 3, 9; Lopez Tab 6 Decl. ¶¶ 4, 8.) Although not an interstate highway, "Historic Route 62" is the sole access road to the City of Twenty-Nine Palms and to Joshua Tree National Park and the largest United States Marine Air Ground Combat Center in the world. (See Armenta Tab 8 Decl. Ex. R (Rand McNally Freeway Map).) These three sites are routinely visited by out of state and international travelers on a monthly basis. Highway 62 feeds traffic directly across interstate borders, to Arizona and Nevada. (See id.) The Yucca Valley Visitor

---

counsel and has confirmed that he did in fact use the marks in interstate commerce as early as 1987, Mr. Santana Gallego's counsel is preparing federal trademark applications, in order to avoid any splintering or fragmenting of the marks if cancellation is achieved.

Center, located about ½ block from the Yucca Valley Restaurant directs out of state tourists and residents alike through Highway 62 to Las Vegas (See Armenta Tab 8 Decl. Ex. S ("The shortest way from Yucca Valley to Las Vegas"). The Yucca Valley Visitor Center even provides mileage charts to residents and tourists alike through Highway 62 to other interstates and to Las Vegas, Nevada. (Armenta Tab 8 Decl. Ex. S.) Joshua Tree National Park is located directly on Highway 62, and travel books inviting tourism to Joshua Tree National Park and which distributed worldwide contain directions and maps extending through Highway 62 to Las Vegas (Nevada), Needles (Arizona), Lake Havasu City (Arizona), Parker (Arizona). (Armenta Tab 8 Decl. Ex. T (Your Free Discovery Guide to Joshua Tree National Park, Adventures Along Historic Route 62); Armenta Tab 8 Decl. Ex. U (Einstein's Adventure in Joshua Tree National Park); Armenta Tab 8 Decl. Ex. V (Joshua National Park Classic Rock Climbs), Armenta Tab 8 Decl. Ex. W (Hiking California's Desert Parks).) As early as 1984, the City of Yucca Valley, in preparing for cityhood, obtained a report which confirms that the

> "29 Palms Highway (State Highway 62) . . . is the major highway that connects the Morongo Basin communities of Morongo Valley, Yucca Valley, Joshua Tree and 29 Palms. It also provides access to the southeastern portion of the County, Joshua Tree National Monument, and the Colorado River. Because of these factors, this road is the major regional transportation route within the area."

(Armenta Tab 8 Decl. Ex. X (A Report Analyzing the Feasibility of the Incorporation of the City of Yucca Valley).) In 1989, the Yucca Valley Chamber of Commerce distributed a guide which also confirmed the continuing use of Highway 62 as access to the Arizona and Nevada borders, the Joshua Tree National Monument, and the U.S. Marine Corp. (Armenta Tab 8 Decl. Ex. Y.) Even anecdotal evidence confirms the use of Highway 62 and the City of Yucca Valley as a

magnet for out of town tourism. (See Armenta Tab 8 Decl. Ex. Z (various newspaper articles from the Desert Star, 1988-1989).)

The customers of the Yucca Valley Restaurant themselves confirm that tourists and consumers come from all over through Highway 62. (Lopez Tab 6 Decl. ¶ 7; Martinez Tab 5 Decl. ¶ 9.) Customers at the Yucca Valley Restaurant have seen and met other customers from the large military base in Yucca Valley with personnel from all over the country, and out-of-state tourists passing through to go to Laughlin, Arizona, Lake Havasu, and Las Vegas (Martinez Tab 5 Decl. ¶ 9; Lopez Decl. ¶ 7.) Highway 62 serves as the main thoroughfare for traffic heading through to these areas. (Martinez Tab 5 Decl. ¶ 9.)

In around 1988, Mr. Santana Gallego's eldest son, Arturo assisted his father in purchasing a radio advertisement broadcast in a local radio station in Yucca Valley, and that signal may have reached as far as the close Nevada and Arizona borders. (Santana Gallego Tab 1 Decl. ¶ 4.) The radio advertisement included a musical jingle which Mr. Santana Gallego can still recite in person. (Santana Gallego Tab 1 Decl. ¶ 4; Santana Gallego Tab 2 Decl. ¶ 4; Santana Gallego Tab 3 Decl. ¶ 4; Santana Lee Tab 4 Decl. ¶ 4.)

C. Mr. Santana Gallego Invented the "Famous California Burrito"

Between 1988 and 1991, Mr. Santana Gallego invented the "California Burrito, a potato-based burrito and first sold it at the Yucca Valley Restaurant. (Santana Gallego Tab 2 Decl. ¶ 5; Santana Lee Tab 4 Decl. ¶ 4.) The Yucca Valley Restaurant has served the same "California Burrito" since 1987, when Mr. Santana Gallego invented it and introduced it as the center-piece of the menu for **SANTANA'S MEXICAN FOOD**. (Lopez Tab 6 Decl. ¶ 5-6; Martinez Tab 5 Decl. ¶ 6.) The "California Burrito" continues to serve as the center-piece of the menus at all the **SANTANA'S MEXICAN FOOD** and **SANTANA'S MEXICAN GRILL** locations. (Castañeda Decl. ¶ 4, Ex. C ("California Burrito"); Armenta Tab 8 Decl., Ex. CC (on-line menus for Respondent's Restaurants), Santana Lee Tab 9 Decl. Ex. 4; Abelardo Depo 83:4-17 Tab 10.)) If any place is to be designated as the "Home of the Famous California Burrito," however, it

would be the Yucca Valley Restaurant where Mr. Santana Gallego first offered the burrito for sale. (Santana Gallego Tab 2 Decl. ¶ 9; see Martinez Tab 5 Decl. ¶ 6; Lopez Tab 6 Decl. ¶ 5.)

D. The Continued Use And Quality Control Under Licenses by Mr. Santana Gallego of "SANTANA'S MEXICAN FOOD" and "ES MUY BUENO"

In 1991, Mr. Santana Gallego gave the physical business of his Point Loma Restaurant to his youngest son, Abelardo Santana Lee, and to Abelardo's wife, Claudia Vallarta-Santana. (Santana Gallego Tab 2 Decl. ¶ 7.) Mr. Santana Gallego granted his son a license to use the name **SANTANA'S MEXICAN FOOD** and the phrase **ES MUY BUENO!** in association with the Point Loma Restaurant. (Santana Gallego Tab 2 Decl. ¶ 7.) The license granted by Mr. Santana Gallego to Abelardo or Claudia was non-exclusive to use the name **SANTANA'S MEXICAN FOOD** or the phrase **ES MUY BUENO!** (See Santana Gallego Tab 2 Decl. ¶ 7; Abelardo Tab 10 Depo. 57:18-60:13; Claudia Tab 11 Depo. 21:17 -24:17.) The license contains geographical restrictions and quality control provisions. (See Santana Gallego Tab 3 ¶ 6.) Indeed, even after the transfer of the physical business of the Point Loma Restaurant to Abelardo and Claudia, Mr. Santana Gallego continued to control the marks at the Point Loma Restaurant and continued to use the marks **SANTANA'S MEXICAN FOOD** and **ES MUY BUENO!** in conjunction with the Yucca Valley Restaurant. Circumstances showing Mr. Santana Gallego's continued control over the marks include: (1) Abelardo worked for years at Mr. Santana Gallego's Point Loma and Yucca Valley restaurants as both a shift manager and a cook; (2) Abelardo was intimately familiar with the recipes, quality of food and vendors; (3) Abelardo continued to use the same vendors, including the *identical* tortilla vendor; (4) Mr. Santana Gallego continued to control the restaurants owned by Registrant; and (5) all restaurants serve the same foods with the same California Burrito as the centerpiece. (Abelardo Tab 10 Depo. 8:6-23:18; 31:1-32:17; 46:18-47:13.) Abelardo admits that his father never transferred him the goodwill associated with the Point Loma restaurant. (Abelardo Tab 10 Depo 61:15-18.) Simultaneously with granting the license, Mr. Santana Gallego transferred his existing fictitious business name statement for that location to Abelardo and Claudia. Thereafter, Abelardo and

Claudia formed a corporation in 1998 called Santana's Grill, Inc. (Santana Gallego Tab 2 Decl. ¶ 11.)

E. The Origin of the "SANTANA'S MEXICAN GRILL" mark

In 1997, Mr. Santana Gallego assisted his eldest son, Arturo, in opening a restaurant called **SANTANA'S MEXICAN GRILL**, located at 411 Broadway, El Cajon, California ("El Cajon Restaurant.) (Santana Gallego Tab 3 Decl. ¶ 6; Santana Lee Tab 4 Decl. ¶ 2.) Mr. Santana Gallego assisted his son in selecting the location of the restaurant, to ensure that the El Cajon Restaurant did not interfere with the operations of Abelardo's growing enterprises. (Santana Gallego Tab 3 Decl. ¶ 6.) In the giving, selling and growing of the restaurant business, Mr. Santana Gallego has directed his sons to operate their individual restaurants with respect to each other's restaurants. (Id.)

In 1997, Arturo Santana Lee was the first to file a fictitious business name statement in San Diego for the business **"SANTANA'S MEXICAN GRILL"**. (Santana Lee Tab 4 Decl. ¶ 2, Ex. B.) Abelardo's identically-named restaurant did not open until 1998, and opened in a location sufficiently far enough away that the restaurants could operate independently as their father had directed them. (Id; Santana Gallego Tab 3 Decl. ¶ 6.) And in 2003, Arturo opened another **SANTANA'S MEXICAN GRILL** located at 9824 Campo Road, Spring Valley, California ("Spring Valley Restaurant"). But, the evidence is clear that Arturo used the mark **SANTANA'S MEXICAN GRILL** first at the El Cajon Restaurant and first filed a fictitious business name statement, *before* Abelardo or Claudia used the mark or filed any intent to use the mark in any forum. (Santana Lee Tab 4 ¶¶ 2-3, Ex. B.)

F. Mr. Santana Gallego's Sale of the Yucca Valley Restaurant and Continued Retention of the Marks Through Licensing

In 1999, Mr. Santana Gallego sold the physical business of the Yucca Valley Restaurant to an associate, Arturo Castañeda ("Mr. Castañeda"), on an installment schedule, which is ongoing. (Santana Gallego Tab 2 Decl. ¶ 6.) As part of the sale of the business, Mr. Santana Gallego gave Mr. Castañeda a license to continue the non-exclusive use of the mark

SANTANA'S MEXICAN FOOD for restaurant services, as such enhances Mr. Castañeda's business and enables him to make the installment payments. (Id.) In 2003 and 2004, Mr. Castañeda opened additional **SANTANA'S MEXICAN FOOD** locations, under the license agreement between Mr. Santana Gallego and Mr. Castañeda. (Id.; Castañeda Tab 7 Decl. ¶ 3.) Under that agreement, Mr. Santana Gallego has the right to control the conditions under which the restaurants operate. (Santana Gallego Tab 2 Decl. ¶ 5; Castañeda Decl. ¶ 5.)

G. Registrant's Unsupported Claim to Ownership of the Marks

Abelardo has asked his father to grant him the exclusive rights to use the mark **SANTANA'S MEXICAN FOOD** for restaurant services. (Santana Gallego Tab 6 Decl. ¶ 6.) Mr. Santana Gallego has declined that request, given the licenses already granted to third parties. (Santana Gallego Tab 2 Decl. ¶ 9; Santana Lee Tab 2 Decl. ¶ 6.) Mr. Santana Gallego has never entered into an agreement, oral or written, that transfers any exclusive trademark rights or goodwill to Abelardo, Claudia or the corporation they formed in 1998, Registrant Santana's Grill, Inc. (Santana Gallego Tab 2 Decl. ¶ 11.)

Mr. Santana Gallego has had discussions with Abelardo and his wife Claudia, such that both are knowledgeable that Mr. Santana Gallego is the true owner of the mark **SANTANA'S MEXICAN FOOD** for restaurant services. (Mr. Santana Gallego Tab 3 Decl. ¶ 11.)

H. Registrant's Fraudulent Trademark Applications and Declarations

1. SANTANA'S MEXICAN FOOD and SANTANA'S MEXICAN FOOD . . . ES MUY BUENO

On November 27, 2001, Registrant Santana Grill, Inc. applied for the trademark registration for **SANTANA'S MEXICAN FOOD . . . ES MUY BUENO!** Registrant, a corporation owned by Abelardo and Claudia, identified the Date of First Use and the Date of First Use in Commerce as 1988. (See id.). At the time the application was filed, Claudia was the Vice-President of Santana's Grill, Inc. (See id.) On November 27, 2001, Claudia, as Vice-President of Santana's Grill, Inc. executed a Declaration in conjunction with the Application,

stating that the mark was first used *by Santana's Grill, Inc. "on or before 1988."* She further stated that:

> "to the best of my knowledge and belief, no other person, firm, corporation or association has the right to use the mark in commerce either in the identical form or in such near resemblance thereto as to be likely, when used on or in connection with the goods or services of any other person, to cause confusion or to cause mistake, or to deceive; "

Claudia's Declaration is fraudulent in at least two respects. First, the statement as to the date of first use is fraudulent because Santana's Grill, Inc. *did not even exist* in 1988, and was not incorporated until ten years later, in 1998. Cf. Department of Justice, FBI v. Calspan Corporation, 578 F.2d 295, 198 U.S.P.Q. 147 (U.S.C.C.P.A. 1978) (no need to transfer mark where corporate entity merely changed name, and under New York law, still existed as same entity). Since Claudia and her husband have been the sole owners at all times of Santana's Grill, Inc. she clearly knew that her statement that the mark was first used by Santana's Grill, Inc. "on or before 1988" was untrue. Second, the statement that no other "person, firm, corporation or association has the right to use the mark" is fraudulent because both owners of Santana's Grill, Inc. have testified as to their knowledge of the Yucca Valley Restaurant and its use of the mark **SANTANA'S MEXICAN FOOD** and **SANTANA'S MEXICAN FOOD . . . ES MUY BUENO!** Santana's Grill, Inc. knew that Mr. Santana Gallego had been the first to use the marks, and that even after the 1991 transfer of the Point Loma restaurant to Abelardo and Claudia, that Mr. Santana Gallego continued to own and operate the Yucca Valley restaurant using the same marks. In addition, Abelardo and Claudia also knew that, at the time of filing, that other restaurants using the same name were in operation such as: (i) 56547 29 Palms Highway, Yucca Valley; and (2) 411 Broadway, El Cajon.

2. SANTANA'S MEXICAN FOOD . . . ES MUY BUENO HOME OF THE FAMOUS CALIFORNIA BURRITO and design

Registrant Santana Grill, Inc. applied for the trademark registration for Registrant, a corporation owned by Abelardo and Claudia, identified the Date of First Use and the Date of First Use in Commerce as July 1988. At the time the application was filed, Claudia was the Vice-President of Santana's Grill, Inc. The application stated that the mark was to be used on restaurant services. On November 27, 2001, Claudia, as Vice-President of Santana's Grill, Inc. executed a Declaration in conjunction with the Application, stating that she that the above mark was first used by Santana's Grill, Inc. "on or before 1988" and that:

> "to the best of my knowledge and belief, no other person, firm, corporation or association has the right to use the mark in commerce either in the identical form or in such near resemblance thereto as to be likely, when used on or in connection with the goods or services of any other person, to cause confusion or to cause mistake, or to deceive;"

Claudia's Declaration is fraudulent in at least two respects. First, the statement as to the date of first use is fraudulent because Santana's Grill, Inc. did *not even exist in 1988, and was not incorporated until ten years later, in 1998.* Since Claudia and her husband have been the sole owners at all times of Santana's Grill, Inc. she clearly knew that her statement that the mark was first used by Santana's Grill, Inc. "on or before 1988" was untrue. Second, the statement that no other person was using the mark is knowingly false in that Claudia knew of Mr. Castañeda's use of the mark.

In an apparent attempt to "correct" the fraud, Santana's Grill, Inc, requested a corrected registration certificate by declaration dated November 7, 2003. In that "correcting" declaration, Claudia swore that:

> "The date of first use of the mark and the date of first use of the mark in commerce originally provided in Application Serial No. 76/345,542" (which matured into Registration

2,682,978) "were the dates the Applicant first used the words 'Santana's Mexican Food' in conjunction with its services."

Since Santana's Grill, Inc. was not formed until 1998 and during 1988, the date originally claimed, the restaurant using the mark, "SANTANA'S MEXICAN FOOD" was owned by Petitioner, Mr. Santana Gallego, this statement is a deliberate falsehood. Indeed, it is clear from both Abelardo's and Claudia's testimony that both knew that the Point Loma Restaurant was established by Mr. Santana Gallego, that he had used the mark **SANTANA'S MEXICAN FOOD** since at least 1988, and that even after they acquired the physical operations of the Point Loma Restaurant, Mr. Santana Gallego continued to use the mark **SANTANA'S MEXICAN FOOD** at the Yucca Valley Restaurant.

Claudia's "correcting" declaration implies the alleged use in 1993 was by Applicant, Santana's Grill, Inc., when it fact it was not. As her excuse for the false November 27, 2001 Declaration, Claudia declares "that I misunderstood what date was to be provided in the application and mistakenly believed it was the date of use or use in commerce of the words 'Santana's Mexican Food'; that the attorney who prepared Application Serial No. 76/345,542 did not provide legal representation of the Registrant Corporation until 2001 and therefore relied on information I provided relating to the dates of first use and first use in commerce; . . ." The excuse that legal counsel was not fully informed and hence falsehoods in a prior declaration should be excused, does not excuse the misleading statements in the Declaration of 10-20-03, as clearly Ms. Anne Marie Kaiser, attorney from Knobbe Martens Olson & Bear LLP should have been informed as to the circumstances of early use by the time of the Declaration of 10-20-03, and either was provided misinformation and failed to determine the information she was given was incorrect, or was a party to the frauds.

3. SANTANA'S MEXICAN GRILL

Claudia's declaration with respect to the above mark is likewise fraudulent. Given the admissions that: (1) in 1997, Arturo Santana Lee was the first to file a fictitious business name

statement in San Diego for the business **"SANTANA'S MEXICAN GRILL"** (Santana Lee Tab 4 Decl. ¶ 2, Ex. B.); (2) Abelardo's identically-named restaurant did not open until 1998 (Id; Santana Gallego Tab 3 Decl. ¶ 6.) ; (3) Arturo first filed a fictitious business name statement, before Abelardo or Claudia used the mark or filed any intent to use the mark in any forum. (Santana Lee Tab 4 ¶¶ 2-3, Ex. B.); and (4) the claim by Claudia and Arturo that they helped Arturo set up his restaurant, both clearly knew of a prior existing use at the time of filing the trademark application.

I. The Federal Court Litigation

In January 2004, Santana's Grill, Inc. filed a trademark infringement lawsuit in the United States District Court, Southern District of California, styled Santana's Grill, Inc. v. Castaneda, et al., Case Number 03-CV-2340 L (RBB). Registrant claims that it has the exclusive rights to use the marks for restaurant services. Mr. Santana Gallego initiated these consolidated proceedings to cancel each of the three marks. The district court has stayed the federal court litigation pending a determination on the cancellation proceedings.

III. ARGUMENT

A. The Registered Marks are Likely to Create Consumer Confusion

The test for determining the likelihood of confusion consists of two steps. First, the marks must be examined for similarities in appearance, sound, connotation, and commercial impression. Application of E.I. DuPont de Nemours & Co., 476 F.2d 1357, 177 U.S.P.Q. 563 (CCPA 1973). Second, the goods or services must be compared to determine if they are related or if the activities surrounding their marketing are such that confusion as to origin is likely. In re August Storck KG, 218 U.S.P.Q. 823 (TTAB 1983); In re International Telephone and Telegraph Corp., 197 U.S.P.Q. 910 (TTAB 1978); Guardian Products Co., Inc. v. Scott Paper Co., 200 U.S.P.Q. 738 (TTAB 1978). In this instance, both tests are clearly met as to all three marks.

First, the test is clearly met as to two of the three marks **SANTANA'S MEXICAN FOOD** and **SANTANA'S MEXICAN FOOD . . . ES MUY BUENO!** used by Registrant are *identical* in sight, sound, meaning and pronunciation, as the ones used by Mr. Santana Gallego and his licensee. **ES MUY BUENO!** means "it is very good" and has been disclaimed. The third mark, including the design, subsumes both of the first two marks, and certainly gives rise to a likelihood of confusion.

Second, the Yucca Valley Restaurant and the restaurants owned by Registrant all serve Mexican food, with the same menu choices, and all centered around the same "California Burrito" that Mr. Santana Gallego invented at the Yucca Valley Restaurant. All the restaurants use the same tortilla vendor, and provide the same "fresh" Mexican food that Mr. Santana Gallego and his licensees have served since opening the restaurants in the late 1980's. Generally, since the marks are virtually identical and "were used with identical products or services, likelihood of confusion would follow as a matter of course." Brookfield Communications, Inc. v. West Coast Entertainment Corp., 174 F. 3d 1036, 1053, 50 U.S.P.Q. 2d 1545 (9th Cir. 1999).

B. Petitioner, Not Registrant, Was the Owner of the Mark on the Application Date

Since 1987 or 1988, Mr. Santana Gallego has been the owner of the Santana family of marks, including **SANTANA'S MEXICAN FOOD** and **SANTANA'S MEXICAN FOOD . . . ES MUY BUENO!** Even after the transfer of the physical operations of two of his restaurants, the Point Loma Restaurant and the Yucca Valley Restaurant, Mr. Santana Gallego retained the ownership of the marks. See Castañeda Tab 7 Decl. ¶ 5 (maintaining control over and conditions under which marks may be used); Abelardo Depo. 76:15-24 (sale of physical operations and not mark). In addition, Mr. Santana Gallego has continued to visit the various Santana's Mexican Food Restaurants, to control the quality and the menu selections offered, to ensure that the quality is the same, and to control the geographic locations of the various restaurants. Mr. Santana Gallego frequents the restaurants and provides conditions under which the restaurants

can be operated using the marks **SANTANA'S MEXICAN FOOD** and **SANTANA'S MEXICAN FOOD . . . ES MUY BUENO!** and (Castañeda Tab 7 Decl. ¶ 5; Abelardo Tab 10 Depo. 46:18-47:24.)

"[T]here need not be formal quality control where the particular circumstances of the licensing arrangement [indicate] that the public will not be deceived." Moore Bus. Forms, Inc. v. Ryu, 960 F.2d 486, 22 U.S.P.Q. 2d 1773 (1992) (quoting Taco Cabana Int'l v. Two Pesos, Inc., 932 F.2d 1113, 1121 (9th Cir. 1991). Indeed, "[c]ourts have upheld licensing arrangements where the licensor is familiar with and relies upon the licensee's own efforts to control quality." Morgan Creek Productions, Inc. v. Capital Cities/ABC, Inc., 22 U.S.P.Q.2d 1881, 1884 (C.D. Cal. 1991) (citing Transgo, Inc. v. Ajac Transmission Parts Corp., 768 F.2d 1001, 1017-18, 227 U.S.P.Q. 598 (9th Cir. 1985) (licensor had ten year affiliation with licensee and was familiar with his ability and expertise)); see, e.g., Taffy Original Designs, Inc. v. Taffy's Inc., 161 U.S.P.Q. 707, 713 (N.D. Ill. 1966) (licensor were sisters in business together for seventeen years, licensee's business was a continuation of the licensor's and licensee's prior business, licensor visited licensee's store from time to time and was satisfied with the quality of the merchandise offered).

Mr. Santana Gallego has never granted anyone the exclusive rights to use the marks. (Santana Gallego Tab 2 Decl. ¶ 11.) Since Mr. Santana Gallego first used the marks in commerce as early as 1987 and 1988, and by his licenses use of the marks (i.e. Abelardo, Arturo and Mr. Castenada), Mr. Santana Gallego retains the sole power to obtain federal trademark registrations of the marks. See 15 U.S.C. § 1127 (1988); Larry Harmon Pictures Corp. v. Williams Restaurant Corp., 929 F.2d 662, 18 U.S.P.Q.2d 1292 (Fed. Cir. 1991) cert. denied, 502 U.S. 823, 112 S.Ct. 85, 116 L.Ed. 2d 58 (1991) (holding that Congress intended to regulate interstate and foreign commerce to the full extent of its constitutional powers, and holding that restaurant's mark entitled to protection where services rendered to customers traveling across state boundaries); see also In re Smith Oil Corp., 156 U.S.P.Q. 62 (TTAB 1967) (serving food to interstate travelers is "commerce" and mark may be registered). While this Motion for

Summary Judgment is pending, Mr. Santana Gallego intends to file applications for federal trademark registrations for all three marks. The purpose of such a registration is to perfect the rights, and also to minimize the danger of confusion or fragmentation in the event the Motion for Summary Judgment is granted.

C. Registrant Obtained Registrations Fraudulently

A mark may be canceled at any time on the ground that it was obtained fraudulently. Lanham Act § 14, 15 U.S.C. § 1064(c). To demonstrate that a federal trademark registration was fraudulently procured, a challenging party must adduce evidence that the registrant actually knew or believed that someone else had a right to the mark. Lanham Trademark Act § 1, 15 U.S.C. § 1051; Marshall v. Treadwell, 240 F.3d 184, 57 U.S.P.Q. 2d 1764 (3d Cir. 2001). Fraud in procuring a trademark registration or renewal occurs when an applicant knowingly makes false, material representations of fact in connection with his or her application. See Le Cordon Bleu, 451 F.Supp. 63, 72 n. 14, 202 U.S.P.Q. 147, 154 n. 14; (S.D.N.Y. 1978); Schwinn Bicycle Co. v. Murray Ohio Manufacturing Co., 339 F.Supp. 973, 983, 172 U.S.P.Q. 14, 21 (M.D.Tenn.1971), aff'd, 470 F.2d 975, 176 U.S.P.Q. 161 (6th Cir.1972). "[T]he obligation which the Lanham Act imposes on an applicant is that he will not make knowingly inaccurate or knowingly misleading statements in the verified declaration forming a part of the application for registration." Bart Schwartz International Textiles, Ltd. v. Federal Trade Commission, 289 F.2d 665, 669, 129 USPQ 258, 260 (CCPA 1961) (emphasis in original).

Pursuant to Ohio State University v. Ohio University, 51 U.S.P.Q. 2d 1289 (TTAB 1999), a declaration in an application to register constitutes fraud when: (1) there was in fact, another use, prior to applicant's use, of the same mark at the time the declaration was executed; (2) the prior user had legal rights superior to the rights of the applicant; (3) the applicant knew that the other user had superior rights in the mark, and either believed that a likelihood of confusion would result or had no reasonable basis for believing otherwise; and (4) applicant, in failing to disclose these facts to the United States Patent & Trademark Office, intended to

procure a registration to which it was not entitled. Id. at 1293 (citing Intellimedial Sport, Inc. v. Intellemedia Corp., 43 U.S.P.Q.2d 1203, 1206 (TTAB 1997)).

1. There Was In Existence Another Use Of The Same Marks At The Time The Declarations Were Executed

At the time that Claudia declared to the United States Patent & Trademark Office that to the best of her knowledge, no other person or entity was using the marks, other users were in fact in existence. First, the Yucca Valley Restaurant had been continuously using the mark **SANTANA'S MEXICAN FOOD** with and without the phrase **ES MUY BUENO!** continuously since around 1987 or 1988. Claudia was well aware of this use at the time that she signed the declaration on November 27, 2001. Second, given Claudia's testimony that she supposedly helped set up Arturo's El Cajon Restaurant and that it has continuously used the mark **SANTANA'S MEXICAN GRILL** since it opened in 1997, she also knew that this mark was being used by another "person or entity." Third, Claudia also submitted a declaration to the effect that no one was using the marks, and that the use of others by any similar marks would not cause confusion or mistake among the public. However, at the time that Claudia submitted this declaration, she fully knew that others were lawfully and rightfully using the terms **SANTANA'S MEXICAN FOOD** with and without the phrase **ES MUY BUENO!** In addition, Abelardo, the President of Santana's Grill, Inc., knew that all the restaurants that emanated from Mr. Santana Gallego's initial enterprises served the same "California Burrito."

2. The Prior User Had Legal Rights Superior to the Rights of the Applicant

The Yucca Valley Restaurant co-existed with the Point Loma Restaurant and both used the mark **SANTANA'S MEXICAN FOOD** with and without the phrase **ES MUY BUENO!** as early as 1987 or 1988. When Mr. Santana Gallego gave (or sold) the Point Loma Restaurant to Claudia and Abelardo, he retained ownership over the marks, as evidenced by his continued use of the marks on the Yucca Valley Restaurant. By Abelardo and Claudia's own admissions, Mr. Santana Gallego *never assigned the exclusive rights* in the marks to Abelardo, Claudia or to their corporation, Registrant Santana Grill, Inc. Years later, Mr. Santana Gallego sold the physical

business of the Yucca Valley Restaurant to a business associate, Arturo Castañeda, but maintained: (1) a reversionary interest in the physical assets of the Yucca Valley Restaurant; (2) control over the quality and menu choices of the food served; (3) control over the geographic growth of the enterprise; and (3) maintains his status as the owner and licensor of the subject marks.

Claudia and Abelardo appear to rest their entire registration rights on the transfer of the use of the fictitious business name of the Point Loma Restaurant from Mr. Santana Gallego to them. However, a registration to do business under local laws has no legal significance for trademark purposes. (See, e.g., Conti v. Anthony's Shear Perfection, Inc., 350 Pa. Super. 606, 504 A.2d 1316, 229 U.S.P.Q. 58 n. 2 (Pa. Super. 1986) (fictitious business name statement "does not suffice for trademark purposes").) In any event, in California, the first to file a fictitious business name is entitled to the presumption of the right to use that name. Cal. Bus & Prof. Code § 14416; see Citibank, N.A. v. City Bank of San Francisco, 206 U.S.P.Q. 997, 1980 WL 30239 (N.D. Cal. 1980) (citing Section 14416) (holding that since Plaintiff was the first to adopt and use the name it had superior rights). In the instant case, Mr. Santana Gallego was the first to adopt and to use the marks **SANTANA'S MEXICAN FOOD** with or without the phrase **ES MUY BUENO!** Accordingly, under California and federal law, Mr. Santana Gallego has superior rights with respect to these marks.

When it comes to **SANTANA'S MEXICAN GRILL**, again, Mr. Santana Gallego has superior rights because, as licensee, not Santana's Grill, was the first to file a fictitious business name statement in San Diego and the first to use the mark in connection with his restaurant. An entity first filing a fictitious business name statement is entitled to a presumption that it has the exclusive right to use the name set forth on the statement. (See Citibank, N.A. v. The City Bank of San Francisco, 206 U.S.P.Q. 997, 1010 (N.D. Cal. 1980).) In this case, Santana Grill, Inc, has no evidence to rebut the presumption. Other than the assertion that Claudia and Abelardo helped his brother "set up" the restaurant, and the amorphous and vague suggestion that the two brothers

would run their restaurants "the same," there are no facts to suggest that Santana Grill, Inc. owns the *exclusive* right to use the name.

3. Santana's Grill Knew that Petitioner Had Superior Rights in the Marks

Claudia knew that Mr. Santana Gallego owned the marks **SANTANA'S MEXICAN FOOD** with or without the phrase **ES MUY BUENO!** at the time that she executed the declarations. She also knew that Yucca Valley was using the marks, before, during and after the transfer of the physical operations of the Point Loma Restaurant to her and her husband. Accordingly, Claudia's statement that Santana's Grill, Inc. owned the mark constituted fraud because she knew it was a false statement and it was calculated to obtain a registration to which she knew Santana's Grill, Inc. was not entitled. Even if the TTAB were not able to attribute fraudulent intent to Claudia's declaration, the undisputable facts clearly establish use by Petitioner in 1987 or 1988, long before Registrant applied the marks to any products. See A.J. Canfield Co. v. Honickman, 808 F.2d 291, 1 U.S.P.Q. 1364 (3d Cir. 1986) (stating the doctrine that a senior user "has enforceable rights against any junior user who adopted the mark with knowledge of its senior use"). By its own admission, Santana's Grill, Inc. or its predecessors, Claudia and Abelardo, did not use the marks until 1991 or 1992. Accordingly, in that Santana's Grill, Inc. neither owned nor had used the mark that was the subject of a use-based application, the application should be considered void *ab initio* under Section 1 of the Lanham Act. Only the owner of a mark may register it. Thus, a second ground for cancellation is established.

As to **SANTANA'S MEXICAN GRILL**, Claudia testified that she frequented Arturo Santana Lee's restaurant when it opened in 1997, and thus, clearly knew that his restaurant had superior marks to hers which opened in 1998.

4. Registrant Intended to Procure Registrations to Which it Was Not Entitled

Registrant Santana's Grill took *extraordinary measures* to obtain a registration to which it was not entitled. Santana's Grill:

- failed to advise the USPTO that it had not been incorporated until 1998, but claimed a date of first use as early as 1988;
- failed to advise the USPTO that Mr. Santana Gallego was the first user, and that he continued to control and use the marks to the present day;
- failed to advise the USPTO that several other restaurants, identically-named and owned by other family members, existed in 2001 when Santana's Grill applied for the marks;
- failed to advise the USPTO that Santana's Grill never obtained the exclusive rights to use the marks, and only asserted that it had previously acquired the rights after "it started growing."

A more compelling case for fraud is hard to imagine.

DECLARATION OF ARTURO SANTANA GALLEGO

1. I, Arturo Santana Gallego, declare I am a citizen of the United States of America whose residence address is 977 Avendia, Revolución, Colonia Refugio, Tecate, Baja California, Mexico.

2. In 1986, I started and was the sole owner of a restaurant at 1480 Rosecrans St., San Diego, CA and in late 1987 or early 1988 started using the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO".

3. By 1991, I owned restaurants at: 1480 Rosecrans St., San Diego, CA; and 56547 29 Palms Highway, Yucca Valley, CA, which used the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO".

4. My restaurants catered to local customers and no special effort was made to cater to customers from other states or Mexico. However, I used the terms, SANTANA'S

165827.1

MEXICAN FOOD, and SANTANA'S MEXICAN FOOD ... ES MUY BUENO on the signage, menus, and advertising in the yellow pages. My son, Arturo Santana Lee, assisted me in purchasing a radio advertisement as early as 1988 that was broadcast on a local radio station in Yucca Valley. The advertisement used the phrases SANTANA'S MEXICAN FOOD and SANTANA'S MEXICAN FOOD . . . ES MUY BUENO. The advertisement included a musical jingle which I recall distinctly and could recite in person. I believe that the signal from that radio station reaches Nevada, Arizona and/or Mexico at least occasionally. My son Arturo Santana Lee is a citizen of Mexico and ate at restaurants at the time.

5. I sold my SANTANA'S MEXICAN FOOD restaurant located at 56547 29 Palms Highway, Yucca Valley, CA to Arturo Castañeda in 1999 on an installment payment schedule, which is ongoing. As part of the sale, I allowed Mr. Castañeda to continue non-exclusive use of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO", as such enhances his business, and enables him to make enough profit that he can continue his installment payments to me. In 2003, Arturo Castañeda opened a second SANTANA'S MEXICAN FOOD restaurant, located at 7380 Sun Valley, Twenty Nine Palms, California 92277. In 2004, Arturo Castañeda opened a third SANTANA'S MEXICAN FOOD restaurant located at 28005 Bradley Road, Sun City, California. I did not and do not object to Mr. Castañeda's extension of his business in this manner.

6. In 1991, I gave my SANTANA'S MEXICAN FOOD restaurant located at 1480 Rosecrans St., San Diego, CA to my son Abelardo Santana Lee and his wife, Claudia Vallarta-Santana. As part of the gift, I allowed my son Abelardo and Claudia Vallarta-Santana to continue non-exclusive use of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase, "ES MUY BUENO", as such enhanced their business. No exclusive rights to use the marks, "SANTANA'S MEXICAN FOOD" and "ES MUY BUENO" were included in the gift.

7. My son Abelardo has asked me to give him exclusive rights in the mark "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO", which I refused, since the use of the marks was part of what I sold to Mr. Castañeda.

8. I am aware of Mexican restaurants, unrelated to me

or my sons, using the mark: SANTANA'S MEXICAN GRILL at 3637 Thousand Oaks Boulevard, Thousand Oaks, CA and SANTANA'S MEXICAN FOOD at 10438 E. Waterloo Road, Stockton, CA, but I have no information when such use started or whether such restaurants are using the marks in commerce.

9. Since my gift of a restaurant was to my son, Abelardo Santana Lee, I required no written agreement, the transfer of ownership being mainly based on oral agreements. I have never entered into an agreement, oral or written, that transfers any exclusive trademark rights or goodwill from me to Abelardo Santana Lee, Claudia Vallarta-Santana, or Santana's Grill, Inc.

10. I have had discussions with my son Abelardo Santana Lee and his wife Claudia Vallarta-Santana about the founding of my restaurants and I believe they are both knowledgeable as to the true ownership of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO".

11. Prior to 1991, Abelardo Santana Lee had worked very infrequently in my restaurants as an occasional cashier or performing other sundry work. Abelardo was not involved in any respect whatsoever with the management, ownership or operational decisions of my restaurants.

12. On information and belief, my son Abelardo Santana Lee and his wife Claudia Vallarta-Santana own Registrant, Santana's Grill, Inc. In January 2004, Santana's Grill, Inc. filed a trademark infringement lawsuit against my sons, Arturo Santana Lee and Pedro Santana Lee, and Arturo Castañeda, alleging, amongst other things, exclusive rights to the mark, "SANTANA'S MEXICAN FOOD ... ES MUY BUENO" for restaurant services, the suit being based in part on U.S. Trademark Registration 2,682,458.

13. I declare further that all statements made herein of my own knowledge and belief are believed to be true and that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code.

4. Mis restaurantes proveyeron comidas preparadas a clientes locales y no se hizo ningún esfuerzo para proveer comidas preparadas a clientes en otros estados o en México. Sin embargo, usé los términos, SANTANA'S MEXICAN FOOD, y SANTANA'S MEXICAN FOOD... ES MUY BUENO en los carteles, menús y propagandas en las páginas amarillas. Mi hijo, Arturo Santana Lee, me asistió en la adquisición de un espacio publicitario radiofónico bien a principios de 1988, que fue emitido en una estación de radio local en Yucca Valley. El anuncio publicitario usó las frases SANTANA'S MEXICAN FOOD y SANTANA'S MEXICAN FOOD... ES MUY BUENO. El anuncio publicitario incluyó un corto musical, el que recuerdo y puedo recitar en persona. Creo que la señal de esa estación de radio llega hasta Nevada, Arizona, y/o México, por lo menos ocasionalmente. Mi hijo Arturo Santana Lee es un ciudadano de México y en esa época comía en restaurantes.

5. Vendí mi restaurante SANTANA'S MEXICAN FOOD, ubicado en 56547 29 Palms Highway, Yucca Valley, CA a Arturo Castañeda en 1999 en un arreglo de pagos mensuales, que está vigente. Como parte de la venta, permití que el Sr. Castañeda continuara con el uso no exclusivo de la marca, "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO", dado que éste mejora sus actividades comerciales, y le permite obtener suficientes ganancias, lo que a su vez le permite continuar pagándome en pagos mensuales. En 2003, Arturo Castañeda abrió un segundo restaurante SANTANA'S MEXICAN FOOD, ubicado en 7380 Sun Valley, Twenty Nine Palms, California 92277. En 2004, Arturo Castañeda abrió un tercer restaurante SANTANA'S MEXICAN FOOD, ubicado en 28005 Bradley Road, Sun City, California. No objeté ni objeto la expansión de las actividades comerciales del Sr. Castañeda de esta manera.

6. En 1991, le di mi restaurante SANTANA'S MEXICAN FOOD, ubicado en 1480 Rosecrans St., San Diego, CA a mi hijo Abelardo Santana Lee y a su esposa, Claudia Vallarta-Santana. Como parte del regalo, permití que mi hijo Abelardo y Claudia Vallarta-Santana siguieran usando en forma no exclusiva la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO", dado que éste mejoraba sus actividades comerciales. 7. Mi hijo Abelardo me pidió que le conceda derechos exclusivos a él para el uso de la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO", a lo que me negué, dado que el uso de las marcas era parte de lo que yo le vendí al Sr. Castañeda.

Sé que hay restaurantes mexicanos, no relacionados conmigo ni con mis hijos, que están usando la marca: SANTANA'S MEXICAN GRILL en 3637 Thousand Oaks Boulevard, Thousand Oaks, CA y SANTANA'S MEXICAN FOOD en 10438 E. Waterloo Road, Stockton, CA, pero no tengo información en cuanto a la fecha en la cual comenzaron a usar la marca o si tales restaurantes las estaban usando en sus actividades comerciales.

9. Desde de que le regalé un restaurante a mi hijo, Abelardo Santana Lee, no requerí acuerdo escrito alguno, la transferencia de propiedad se llevó a cabo en base a acuerdos orales. Nunca celebré acuerdo alguno, ni oral ni escrito, que transfiera derechos de marca registrada exclusivos o de buena voluntad de mi persona a Abelardo Santana Lee, Claudia Vallarta-Santana, o a Santana's Grill, Inc.

10. Tuve discusiones con mi hijo Abelardo Santana Lee y con su esposa Claudia Vallarta-Santana en cuanto al establecimiento de mis restaurantes y creo que ambos tienen conocimiento de la verdadera propiedad de la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO".

11. Antes de 1991, Abelardo Santana Lee trabajó con muy poca frecuencia en mis restaurantes, como un cajero ocasional o ejecutando diversos trabajos. Abelardo no estuvo involucrado, de manera alguna, en la administración, propiedad o decisiones operativas de mis restaurantes.

12. En lo que a mi respecta, y en base a la información que tengo, mi hijo, Abelardo Santana Lee y su esposa Claudia Vallarta-Santana son propietarios del

DECLARATION OF ARTURO SANTANA GALLEGO

1. I, Arturo Santana Gallego, declare I am a citizen of the United States of America whose residence address is 977 Avendia, Revolución, Colonia Refugio, Tecate, Baja California, Mexico.

2. In 1986, I started and was the sole owner of a restaurant at 1480 Rosecrans St., San Diego, CA and in late 1987 or early 1988 started using the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO".

3. By 1991, I owned restaurants at: 1480 Rosecrans St., San Diego, CA; and 56547 29 Palms Highway, Yucca Valley, CA, which used the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO".

165822.1

4. My restaurants catered to local customers and no special effort was made to cater to customers from other states or Mexico. However, I used the terms, SANTANA'S MEXICAN FOOD, and SANTANA'S MEXICAN FOOD ... ES MUY BUENO on the signage, menus, and advertising in the yellow pages. My son, Arturo Santana Lee, assisted me in purchasing a radio advertisement as early as 1988 that was broadcast on a local radio station in Yucca Valley. The advertisement used the phrases SANTANA'S MEXICAN FOOD and SANTANA'S MEXICAN FOOD ... ES MUY BUENO. The advertisement included a musical jingle which I recall distinctly and could recite in person. I believe that the signal from that radio station reaches Nevada, Arizona and/or Mexico at least occasionally.

5. I invented a potato-based burrito, named it the "California Burrito", and first sold it at my Yucca Valley restaurant. Similar potato-based burritos are now sold as California Burritos by many Mexican restaurants with which I have never had an affiliation.

6. I sold my SANTANA'S MEXICAN FOOD restaurant located at 56547 29 Palms Highway, Yucca Valley, CA to Arturo Castañeda in 1999 on an installment payment schedule, which is ongoing. As part of the sale, I allowed Mr. Castañeda to continue non-exclusive use of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO", as such enhances his business, and enables him to make enough profit that he can continue his installment payments to me. In 2003, Arturo Castañeda opened a second SANTANA'S MEXICAN FOOD restaurant, located at 7380 Sun Valley, Twenty Nine Palms, California 92277. In 2004, Arturo Castañeda opened a third SANTANA'S MEXICAN FOOD restaurant located at 28005 Bradley Road, Sun City, California. I did not and do not object to Mr. Castañeda's extension of his business in this manner.

7. In December,1991, I gave my SANTANA'S MEXICAN FOOD restaurant located at 1480 Rosecrans St., San Diego, CA to my son Abelardo Santana Lee and his wife, Claudia Vallarta-Santana with the transaction being completed by January 27, 1992. As part of the gift, I allowed my son Abelardo and Claudia Vallarta-Santana to continue non-exclusive use of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase, "ES MUY BUENO", as such enhanced their business. No exclusive rights to use the marks, "SANTANA'S MEXICAN FOOD" and/or "ES MUY BUENO" were

included in the gift as I was still using "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase, "ES MUY BUENO", at my restaurant at 56547 29 Palms Highway, Yucca Valley, CA.

8 My sons, Abelardo Santana Lee, Arturo Santana Lee, and Pedro Santana Lee, and Arturo Castañeda all make and sell the "California Burrito" in their restaurants, the same burrito that I invented. If any place is to be designated as the "HOME OF FAMOUS CALIFORNIA BURRITO," it would be the Yucca Valley Restaurant where I first offered the California Burrito for sale and which is now owned by Arturo Castañeda.

9. My son Abelardo has asked me to give him exclusive rights in the mark "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO", which I refused, since the use of the marks was part of what I sold to Mr. Castañeda.

10. I am aware of Mexican restaurants, unrelated to me or my sons, using the mark: SANTANA'S MEXICAN GRILL at 3637 Thousand Oaks Boulevard, Thousand Oaks, CA and SANTANA'S MEXICAN FOOD at 10438 E. Waterloo Road, Stockton, CA, but I have no information when such use started or whether such restaurants are using the marks in commerce.

11. Since my gift of a restaurant was to my son, Abelardo Santana Lee, I required no written agreement, the transfer of ownership being mainly based on oral agreements. I have never entered into an agreement, oral or written, that transfers any exclusive trademark rights or goodwill from me to Abelardo Santana Lee, Claudia Vallarta-Santana or Santana's Grill, Inc.

12. I have had discussions with my son Abelardo Santana Lee and his wife Claudia Vallarta-Santana about the founding of my restaurants and I believe they are both knowledgeable as to the true ownership of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services both with and without the phase "ES MUY BUENO", and they know that the home of the famous California Burrito is not any restaurant that is owned by Santana's Grill, Inc.

13. Prior to 1991, Abelardo had worked very infrequently in my restaurants as an occasional cashier or performing other sundry work. Abelardo was not involved in

any respect whatsoever with the management, ownership or operational decisions of my restaurants.

14. On information and belief, my son Abelardo Santana Lee and his wife Claudia Vallarta-Santana own Registrant, Santana's Grill, Inc. In January 2004, Santana's Grill, Inc. filed a trademark infringement lawsuit against my sons, Arturo Santana Lee and Pedro Santana Lee, and Arturo Castañeda, alleging, amongst other things, exclusive rights to the mark, "SANTANA'S MEXICAN FOOD ... ES MUY BUENO HOME OF FAMOUS CALIFORNIA BURRITO and design" for restaurant services, the suit being based in part on U.S. Trademark Registration 2,682,978.

16. I declare further that all statements made herein of my own knowledge and belief are believed to be true and that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code.

DECLARACIÓN DE ARTURO SANTANA GALLEGO

1. Yo, Arturo Santana Gallego, declaro que soy un ciudadano de los Estados Unidos de Norteamérica, con domicilio en 977 Avenida Revolución, Colonia Refugio, Tecate, Baja California, México.

2. En 1986, comencé y fui el propietario exclusivo de un restaurante ubicado en 1480 Rosecrans St., San Diego, CA y, a fines de 1987 o a comienzos de 1988, comencé a utilizar la marca "SANTANA'S MEXICAN FOOD", para servicios de restaurante, con y sin la frase "ES MUY BUENO" incluida.

3. En 1991, era propietario de restaurantes en: 1480 Rosecrans St., San Diego, CA y 56547 29 Palms Highway, Yucca Valley, CA, que usaron la marca "SANTANA'S MEXICAN FOOD", para servicios de restaurante, con y sin la frase "ES MUY BUENO" incluida.

4. Mis restaurantes proveyeron comidas preparadas a clientes locales y no se hizo ningún esfuerzo para proveer comidas preparadas a clientes en otros estados o en México. Sin embargo, yo usé los términos SANTANA'S MEXICAN FOOD y SANTANA'S MEXICAN FOOD... ES MUY BUENO en los carteles, menús y propagandas en las páginas amarillas. Mi hijo, Arturo Santana Lee, me asistió en la adquisición de un espacio publicitario radiofónico bien a principios de 1988, que fue emitido en una estación de radio local en Yucca Valley. El anuncio publicitario usó las frases SANTANA'S MEXICAN FOOD y SANTANA'S MEXICAN FOOD... ES MUY BUENO. El anuncio publicitario incluyó un corto musical, el que recuerdo y puedo recitar en persona. Creo que la señal de esa estación de radio llega hasta Nevada, Arizona, y/o México, por lo menos ocasionalmente.

5. Inventé un burrito en base a papas, y le puse el nombre de "California Burrito", vendiéndolo primero en mi restaurante en Yucca Valley. Actualmente muchos restaurantes mexicanos, con los cuales nunca tuve afiliación alguna, venden burritos en base a papa similares con el nombre de California Burritos.

6. Vendí mi restaurante SANTANA'S MEXICAN FOOD, ubicado en 56547 29 Palms Highway, Yucca Valley, CA a Arturo Castañeda en 1999 en un arreglo de pagos mensuales, que está vigente. Como parte de la venta, permití que el Sr. Castañeda continúe con el uso no exclusivo de la marca, "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO", dado que éste mejora sus actividades comerciales, y le permite obtener suficientes ganancias, lo que a su vez le permite continuar pagándome en pagos mensuales. En 2003, Arturo Castañeda abrió un segundo restaurante SANTANA'S MEXICAN FOOD, ubicado en 7380 Sun Valley, Twenty Nine Palms, California 92277. En 2004, Arturo Castañeda abrió un tercer restaurante SANTANA'S MEXICAN FOOD, ubicado en 28005 Bradley Road, Sun City, California. No objeté ni objeto la expansión de las actividades comerciales del Sr. Castañeda de esta manera.

7. En diciembre de 1991, le di mi restaurante SANTANA'S MEXICAN FOOD sito en 1480 Rosecrans St., San Diego, CA a mi

hijo Abelardo Santana Lee y a su esposa, Claudia Vallarta-Santana, transacción que se completó el 27 de enero de 1992. Como parte del regalo, le di permiso a mi hijo Abelardo y a Claudia Vallarta-Santana para que sigan usando la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO", dado que éste mejoraba sus actividades comerciales. El regalo no incluyó ningún derecho exclusivo de uso de las marcas "SANTANA'S MEXICAN FOOD" y/o "ES MUY BUENO".

9. Mis hijos, Abelardo Santana Lee, Arturo Santana Lee, y Pedro Santana Lee, y Arturo Castañeda elaboran y venden el "California Burrito" en sus restaurantes, el mismo burrito que inventé. Si hubiera un lugar que tuviera que ser considerado el "HOGAR DEL FAMOSO CALIFORNIA BURRITO", tendría que ser el Yucca Valley Restaurant, que fue donde puse a la venta, por primera vez, el California Burrito, actualmente propiedad de Arturo Castañeda.

10. Mi hijo Abelardo me pidió que le concediera los derechos exclusivos de la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO", a lo que me negué, dado que el uso de la marca fue parte de lo que le vendí al Sr. Castañeda.

escrito, que transfiera derechos de marca registrada exclusivos o de buena voluntad de mi persona a Abelardo Santana Lee, Claudia Vallarta-Santana, o a Santana's Grill, Inc.

13. Tuve discusiones con mi hijo Abelardo Santana Lee y con su esposa Claudia Vallarta-Santana, en cuanto al establecimiento de mis restaurantes y creo que ambos tienen conocimiento de la verdadera propiedad de la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, con y sin la frase "ES MUY BUENO", y saben que el lugar de nacimiento del famoso California Burrito no es ningún restaurante que sea propiedad de Santana's Grill, Inc.

14. Antes de 1991, Abelardo trabajó con muy poca frecuencia en mis restaurantes, como un cajero ocasional o ejecutando diversos trabajos. Abelardo no estuvo involucrado, de manera alguna, en la administración, propiedad o decisiones operativas de mis restaurantes.

15. En cuanto a lo que yo sé, mi hijo Abelardo Santana Lee y su esposa, Claudia Vallarta-Santana son propietarios Registrantes de Santana's Grill, Inc. En enero de 2004, Santana's Grill, Inc. entabló una acción legal en contra de mis hijos Arturo Santana Lee y Pedro Santana Lee, y Arturo Castañeda, alegando tener, entre otras cosas, los derechos exclusivos de la marca "SANTANA'S MEXICAN FOOD... ES MUY BUENO HOME OF FAMOUS CALIFORNIA BURRITO y diseño" para servicios de restaurante. El proceso judicial se basó en parte en la Inscripción de Marca registrada N° 2,682,976 de los EE.UU.

16. Por otro lado, declaro que creo que todas las declaraciones hechas en este documento, en base a mi buen entender y opinión, son verdaderas y que dichas declaraciones fueron hechas con el conocimiento de que las declaraciones falsas premeditadas y otras por el estilo son punibles con multas o prisión, o ambos, de acuerdo con lo establecido en la Sección 1001 del Título 18 del Código de los Estados Unidos.

Dear Sir:

The Registrant in the above-identified Registration hereby states that the certificate of registration for this mark contains an error that occurred in good faith and through the fault of Registrant, and therefore requests issuance of a Certificate of Correction pursuant to Section 7(h) of the Trademark Act of July 5, 1946, as amended.

The date of first use of the mark and the date of first use of the mark in commerce originally provided in Application Serial No. 76/345,542 were the dates the Applicant first used the words "Santana's Mexican Food" in conjunction with its services. The mark for which registration was applied, combining these words with design elements, was not developed and used until about 1993. Therefore, while the Applicant used the words alone prior to 1993, the date of first use of the above-referenced composite mark is on or before 1993 and the date of first

DECLARATION OF ARTURO SANTANA GALLEGO

1. I, Arturo Santana Gallego, declare I am a citizen of the United States of America whose residence address is 977 Avendia, Revolución, Colonia Refugio, Tecate, Baja California, Mexico.

2. In 1986, I started and was the sole owner of a restaurant at 1480 Rosecrans St., San Diego, CA and in late 1987 or early 1988 started using the mark, "SANTANA'S MEXICAN FOOD" for restaurant services in association with that restaurant.

3. By 1991, I owned restaurants at: 1480 Rosecrans St., San Diego, CA; and 56547 Twenty Nine Palms Highway, Yucca Valley, CA, which used the mark, "SANTANA'S MEXICAN FOOD" for restaurant services.

4. My restaurants catered to local customers and no special effort was made to cater to customers from other states or Mexico. However, I used the mark SANTANA'S MEXICAN FOOD, on the signage, menus, and advertising in the yellow pages. My son, Arturo Santana Lee, assisted me in purchasing a radio advertisement as early as 1988 that was

broadcast on a local radio station in Yucca Valley. The advertisement used the mark SANTANA'S MEXICAN FOOD. The advertisement included a musical jingle which I recall distinctly and could recite in person. I believe that the signal from that radio station reaches Nevada, Arizona and/or Mexico at least occasionally.

5. In 1991, I gave my SANTANA'S MEXICAN FOOD restaurant located at 1480 Rosecrans St., San Diego, CA to my son Abelardo Santana Lee and his wife, Claudia Vallarta-Santana. As part of the gift, I allowed my son Abelardo and Claudia Vallarta-Santana to continue non-exclusive use of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services as such enhanced their business. No exclusive rights to use the mark, "SANTANA'S MEXICAN FOOD" was included in the gift.

6. In 1997, my son Arturo Santana Lee, opened a restaurant using the mark, "SANTANA'S MEXICAN GRILL," located at 411 Broadway, El Cajon, California ("El Cajon Restaurant"). I assisted and directed Arturo in selecting the geographic region where he should open his restaurant. After seeing Abelardo's success in business in the beachside communities, I told Arturo that he should open a restaurant in a separate geographic location so as to not interfere with Abelardo's business. Indeed, in my giving, selling, and growing the restaurant business, I have directed my sons to operate out of respect for one another's business. To the best of my knowledge, the mark, "SANTANA'S MEXICAN GRILL" was used first by Arturo Santana Lee in 1997, and then subsequently by Santana's Grill, Inc. which I believe my son Abelardo and his wife, Claudia Vallarta-Santana own. In 2003, Arturo Santana Lee opened a second SANTANA'S MEXICAN GRILL restaurant at 9824 Campo Road, Spring Valley, California 91977.

7. I sold my SANTANA'S MEXICAN FOOD restaurant located at 56547 Twenty Nine Palms Highway, Yucca Valley, CA to Arturo Castañeda in 1999 on an installment payment schedule, which is ongoing. As part of the sale, I allowed Mr. Castañeda to continue non-exclusive use of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services as such enhances his business, and enables him to make enough profit that he can continue his installment payments to me. In 2003, Arturo Castañeda opened a second SANTANA'S MEXICAN FOOD restaurant, located at 7380 Sun Valley, Twenty Nine Palms, California 92277. In 2004, Arturo Castañeda opened

DECLARATION OF ARTURO SANTANA LEE

1. I, Arturo Santana Lee, am a Permanent Resident Alien to the United States.

2. I first used the name SANTANA'S MEXICAN GRILL in 1997, in conjunction with the opening of my restaurant located at 411 Broadway, El Cajon, California. Attached as Exhibit B is a true and correct copy of the fictitious business name statement that I published at that time.

3. It was not until after I used SANTANA'S MEXICAN GRILL as a trademark for restaurant services that SANTANA'S GRILL, INC. used the same mark in connection with a restaurant it opened at 3742 Midway, San Diego, CA.

4. I have reviewed the contents of the declaration of my father, Arturo Santana Gallego dated March 23, 2004, and based on information and belief, state that all the matters contained in that declaration are true and correct.

5. I declare further that all statements made herein of my own knowledge and belief are believed to be true and that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of Title

Declaration of Francisco Martinez, dated February 2, 2005

Declaration Francisco Martinez

I, Francisco Martinez:

1. I make this declaration based on my own personal knowledge. If called as a witness, I could and would testify as follows.

2. My address is 57677 Old Mill Road, Yucca Valley, California. I have lived at this address continuously since 1984 or 1985, and have lived in the Yucca Valley area since 1974. I am a carpet installer and work in the lower desert area, in the Desert Springs Area.

3. I have been coming to eat as a customer of "Santana's Mexican Food" since 1987. I remember that it had a sign outside in Highway 62 that said "Santana's." I do not specifically recall what else the sign said. The sign then and the sign now are located in the same place, clearly visible from passing traffic on Highway 62.

4. On a regular basis since 1987, I have come to "Santana's Mexican Food" approximately two times per week. I remember that when the restaurant opened, Mr. Santana Gallego owned the restaurant and that it was run by his son, Arturo Santana Lee and that Mr. Santana Gallego came to the restaurant a couple of times per week.

5. I remember the sign for the food choices inside the restaurant that was listed the food and the prices of the food, when "Blanca" and "Victor" ran the restaurant, who ran the restaurant after Arturo Santana Lee was no longer running it.

6. Starting 1987, I was eating burritos, carne asada, quesadillas or quesadillas with carne asada, chile relleno, enchiladas, and everything was served with torillas. Combinations were served with rice and beans as well. I remember that the restaurant started serving the "Callifornia Burrito" during the time that Arturo Santana was still running the restaurant. I used to eat the "California Burrito" a lot, but now eat it less frequently. The "California Burrito" served today taste the same, and is made from the same ingredients. To me, it appears that the food tastes the same, although the taste of the food has improved over the years.

7. I have also visited the Twenty-Nine Palms Santana's Mexican Food, and once visited the one in Victorville which no longer exists. At all three locations, the food has been the same, with the same menu choices, the same taste, the same ingredients, and all three restaurants have been named "Santana's Mexican Food."

9. The highway outside the restaurant, Highway 62, has been here since before the restaurant opened People come past the restaurant from around the world, in order to visit the Joshua Tree National Park and Monument. I have seen people from other countries, on a continuous since 1987 and the tourist traffic is only increasing. Also, Yucca Valley has a large military base and the personnel there are from all around the country. I see a lot of tourists passing through going to Las Vegas, the Laughlin River in Nevada, and to Arizona, and to Lake Havasu, and Barker which is also on the river. People often come through here to go to Phoenix, Arizona as well. I am very familiar with the traffic and the visitors because I have lived here continuously since 1987. I have spoken to and exchanged pleasantries with many visitors over the years. Highway 62 is the main thoroughfare through Yucca Valley and anyone passing through Yucca Valley has to take Highway 62 and pass the sign "Santana's Mexican Food,"

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and accurate and that this declaration was executed in Yucca Valley, California on February 2, 2005.

Declaration of Tito Lopez, dated February 2, 2005

Declaration Tito Lopez

I, Tito Lopez, declare:

1. I make this declaration based on my own personal knowledge. If called as a witness, I could and would testify as follows:

2. My address is 55855 Chaparral, Yucca Valle, California. I have lived at this address continuously since 1984 or 1985, and have lived in the Yucca Valley area since 1974. I am a retired blacksmith and prior to retirement, worked in the Yucca Valley area and as far away as Hemet and Indio.

3. I have been coming to the building located at 56547 Twenty-Nine Palms Highway, California since the building was first built. First, the building was used as a shoe store. Later, in the early 1980's, the store was used as an ice-cream parlor. In 1987, the building was used as a "Santana's Mexican Food" restaurant. When the restaurant first opened, I used to eat at Santana's Mexican Food on a daily basis. I got to know Arturo Santana Gallego because I saw him on a frequent basis at the restaurant and got to know him quite well. I also got to know Arturo Santana Lee who managed the restaurant in its early years. I remember that he had manager named "Victor" and his wife "Blanca" that operated the restaurant for a long time, at least three of four years or perhaps longer. They were very warm and lovely people and were very hospitable. Later, the manager was named "Sergio."

4. When the restaurant first opened as "Santana's Mexican Food," I remember that it had a sign outside on Highway 62 that had the name "Santana's"

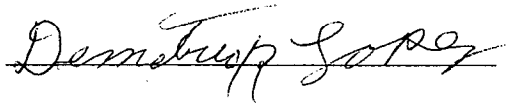
5. During the time that that Arturo Santana Gallego ran the restaurant, I used to eat the very large "California Burrito," and I did not order it all the time because it was too big, but I remember that it was offered for sale to the public. I also ate tortillas, burritos, carne asada, tamales, menudo, chile relleno, beans with rice, and other Mexican food dishes. I remember that Mr. Santana Gallego had paper menus from which the customers ordered. The menus had the name "Santana's."

6. Since 1987, I have been coming to "Santana's Mexican Food" on a continuous basis, I have continued to come to the restaurant from time to time, sometimes 2-3 times per week. I no longer come to eat every day, because I am retired. The food served today is the same as the food served throughout the existence of this restaurant, except that the restaurant now has shrimp which I do not believe was on the menu in the early days. He food tastes the same and appears to be made from the identical ingredients that I tasted as early as 1987. I am not a food expert, but I have been eating the same food since 1987 at this restaurant.

7. The highway outside the restaurant, Highway 62, has been here since before the restaurant opened. I am very familiar with the Yucca Valley community, and can say that Yucca Valley has a large military base and the personnel there are from all around the country. Also, there are a lot of tourists on the weekends in Yucca Valley. I have even seen tourists from other states and military personnel eating inside the restaurant. Generally, I see more tourists and military personnel in the drive-through than inside the restaurant, but I have seen both in both places since 1987.

8. The sign "Santana's Mexican Food" is on the same place and location now as it was when the restaurant opened, although it is a slightly different and updated sign. It is clearly visible from the Highway 62.

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and accurate and that this declaration was executed in Yucca Valley, California on February 2, 2005.



Tab 7:

Declaration of Arturo Castaneda, dated February 2, 2005 (with exhibits lettered Exhibits A through C)

Declaration of Arturo Castaneda

I, Arturo Castaneda, declare:

1. I make this declaration based on my own personal knowledge. If called as a witness, I could and would testify as follows:

2. Attached as Exhibit A are true and correct copies of photographs I took of the Santana's Mexican Food located in Twenty-Nine Palms, in around 2001.

3. Attached as Exhibit B are true and correct copies of photographs I took of the Santana's Mexican Food located in Yucca Valley, in around 2001.

4. Attached as Exhibit C is a true and correct copy of the menus that I am currently using for each of the Santana's Mexican Food restaurants I own, and which bear the name "Santana's Mexican Food" and which accurately reflect the food offered to consumers.

5. Arturo Santana Gallego has licensed me to use the name "Santana's Mexican Food," and under that license, I operate four restaurants. Mr. Santana Gallego frequents the restaurants and provides conditions under which the restaurants can be operated using the trademark "Santana's Mexican Food", the phrase "Es Muy Bueno" and to serve the "California Burrito."

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and accurate and that this declaration was executed in Yucca Valley, California on February 2, 2005.

a third SANTANA'S MEXICAN FOOD restaurant located at 28005 Bradley Road, Sun City, California. I did not and do not object to Mr. Castañeda's extension of his business in this manner. To my knowledge, Mr. Castañeda does not use the mark SANTANA'S MEXICAN GRILL.

8. My son Abelardo has asked me to give him exclusive rights in the mark "SANTANA'S MEXICAN FOOD" for restaurant services, which I refused, since the use of the mark was part of what I sold to Mr. Castañeda.

9. I am aware of Mexican restaurants, unrelated to me or my sons, using the mark: SANTANA'S MEXICAN GRILL at 3637 Thousand Oaks Boulevard, Thousand Oaks, CA and SANTANA'S MEXICAN FOOD at 10438 E. Waterloo Road, Stockton, CA, but I have no information when such use started or whether such restaurants are using the marks in commerce.

10. Since my gift of a restaurant was to my son, Abelardo Santana Lee, I required no written agreement, the transfer of ownership being mainly based on oral agreements. I have never entered into an agreement, oral or written, that transfers any exclusive trademark rights or goodwill from me to Abelardo Santana Lee, Claudia Vallarta-Santana or Santana's Grill, Inc.

11. I have had discussions with my son Abelardo Santana Lee and his wife Claudia Vallarta-Santana about the founding of my restaurants and I believe they are both knowledgeable as to the true ownership of the mark, "SANTANA'S MEXICAN FOOD" for restaurant services.

12. Prior to 1991, Abelardo Santana Lee had worked very infrequently in my restaurants as an occasional cashier or performing other sundry work. Abelardo was not involved in any respect whatsoever with the management, ownership or operational decisions of my restaurants.

13. On information and belief, my son Abelardo Santana Lee and his wife Claudia Vallarta-Santana own Registrant, Santana's Grill, Inc. In January 2004, Santana's Grill, Inc. filed a trademark infringement lawsuit in U.S. District Court, Southern Distruct of California, Case No. 03 CV 2340 L (RBB) against my sons, Arturo Santana Lee and Pedro Santana Lee, and Arturo Castañeda, alleging, amongst other things, exclusive rights to the mark, "SANTANA'S MEXICAN GRILL" for restaurant

services, the suit being based in part on U.S. Trademark Registration 2,682,976.

14. I believe that Abelardo Santana Lee and Claudia Vallarta-Santana or Santana's Grill, Inc. first used the mark SANTANA'S MEXICAN GRILL in association with restaurant services in 1998.

15. I declare further that all statements made herein of my own knowledge and belief are believed to be true and that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code.

DECLARACIÓN DE ARTURO SANTANA GALLEGO

1. Yo, Arturo Santana Gallego, declaro que soy un ciudadano de los Estados Unidos de Norteamérica, con domicilio en 977 Avenida Revolución, Colonia Refugio, Tecate, Baja California, México.

2. En 1986, comencé y fui el propietario exclusivo de un restaurante ubicado en 1480 Rosecrans St., San Diego, CA y, a fines de 1987 o a comienzos de 1988, comencé a utilizar la marca "SANTANA'S MEXICAN FOOD", para servicios de restaurante, en asociación con ese restaurante.

3. En 1991, era propietario de restaurantes en: 1480 Rosecrans St., San Diego, CA; y 56547 Twenty Nine Palms Highway, Yucca Valley, CA, que usaron la marca "SANTANA'S MEXICAN FOOD", para servicios de restaurante.

4. Mis restaurantes proveyeron comidas preparadas a clientes locales y no se hizo ningún esfuerzo para proveer comidas preparadas a clientes en otros estados o en México.

Sin embargo, usé la marca SANTANA'S MEXICAN FOOD en los carteles, menús y propagandas en las páginas amarillas. Mi hijo, Arturo Santana Lee, me asistió en la adquisición de un espacio publicitario radiofónico bien a principios de 1988, que fue emitido en una estación de radio local en Yucca Valley. El anuncio publicitario usó la marca SANTANA'S MEXICAN FOOD. El anuncio publicitario incluyó un corto musical, el que recuerdo y puedo recitar en persona. Creo que la señal de esa estación de radio llega hasta Nevada, Arizona, y/o México, por lo menos ocasionalmente.

5. En 1991, le di mi restaurante SANTANA'S MEXICAN FOOD, ubicado en 1480 Rosecrans St., San Diego, CA a mi hijo Abelardo Santana Lee y a su esposa, Claudia Vallarta-Santana. Como parte del regalo, permití que mi hijo Abelardo y Claudia Vallarta-Santana siguieran usando en forma no exclusiva la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, dado que éste mejoraba sus actividades comerciales. El regalo no incluyó derecho exclusivo alguno para el uso de la marca "SANTANA'S MEXICAN FOOD".

6. En 1997, mi hijo Arturo Santana Lee, abrió un restaurante usando la marca "SANTANA'S MEXICAN GRILL" ubicado en 411 Roadway, El Cajon, California ("El Cajon Restaurant"). Asistí y orienté a Arturo en la selección de la región geográfica en la cual el restaurante debería abrirse. Después de haber observado el éxito comercial de Abelardo en las comunidades de la costanera, le dije a Arturo que él debería abrir un restaurante en un lugar geográfico separado, para no interferir con el negocio de Abelardo. Sin duda alguna, en el proceso de cesión, venta y crecimiento del comercio gastronómico, aconsejé a mis hijos a desarrollar sus operaciones respetándose mutuamente en cuanto a sus actividades comerciales. En cuanto a lo que yo sé, la marca "SANTANA'S MEXICAN GRILL" fue usada primero por Arturo Santana Lee en 1997 y, consecuentemente, por Santana's Grill, Inc., la cual me parece que es propiedad de mi hijo Abelardo y su esposa, Claudia Vallarta-Santana. En 2003, Arturo Santana Lee abrió un segundo restaurante SANTANA'S MEXICAN GRILL en 9824 Campo Road, Spring Valley, California 91977.

7. Vendí mi restaurante SANTANA'S MEXICAN FOOD, ubicado en 56547 Twenty Nine Palms Highway, Yucca Valley, CA a Arturo Castañeda en 1999, en un arreglo de pagos mensuales, que está vigente. Como parte de la venta, permití que el Sr. Castañeda continúe con el uso no exclusivo de la marca, "SANTANA'S MEXICAN FOOD" para servicios de restaurante, dado que éste mejora sus actividades comerciales, y le permite obtener suficientes ganancias, lo que a su vez le permite continuar pagándome en pagos mensuales. En 2003, Arturo Castañeda abrió un segundo restaurante SANTANA'S MEXICAN FOOD, ubicado en 7380 Sun Valley, Twenty Nine Palms, California 92277. En 2004, Arturo Castañeda abrió un tercer restaurante SANTANA'S MEXICAN FOOD, ubicado en 28005 Bradley Road, Sun City, California. No objeté ni objeto la expansión de las actividades comerciales del Sr. Castañeda de esta manera. En cuanto a lo que yo sé, el Sr. Castañeda no usa la marca SANTANA'S MEXICAN GRILL.

8. Mi hijo Abelardo me pidió que le concediera los derechos exclusivos de la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante, a lo que me negué, dado que el uso de la marca fue parte de lo que le vendí al Sr. Castañeda.

9. Sé que hay restaurantes mexicanos, no relacionados conmigo ni con mis hijos, que están usando la marca: SANTANA'S MEXICAN GRILL en 3637 Thousand Oaks Boulevard, Thousand Oaks, CA y SANTANA'S MEXICAN FOOD en 10438 E. Waterloo Road, Stockton, CA, pero no tengo información en cuanto a la fecha en la cual comenzaron a usar la marca o si tales restaurantes las estaban usando en sus actividades comerciales.

10. Desde de que le regalé un restaurante a mi hijo Abelardo Santana Lee, no requerí acuerdo escrito alguno, la transferencia de propiedad se llevó a cabo en base a acuerdos orales. Nunca celebré acuerdo alguno, ni oral ni escrito, que transfiera derechos de marca registrada exclusivos o de buena voluntad de mi persona a Abelardo Santana Lee, Claudia Vallarta-Santana, o a Santana's Grill, Inc.

11. Tuve discusiones con mi hijo Abelardo Santana Lee y con su esposa Claudia Vallarta-Santana en cuanto al establecimiento de mis restaurantes y creo que ambos tienen conocimiento de la verdadera propiedad de la marca "SANTANA'S MEXICAN FOOD" para servicios de restaurante.

12. Antes de 1991, Abelardo Santana Lee trabajo con muy poca frecuencia en mis restaurantes, como un cajero ocasional o ejecutando diversos trabajos. Abelardo no estuvo involucrado, de manera alguna, en la administración, propiedad o decisiones operativas de mis restaurantes.

13. En cuanto a lo que yo sé, mi hijo Abelardo Santana Lee y su esposa, Claudia Vallarta-Santana son propietarios Registrantes de Santana's Grill, Inc. En enero de 2004, Santana's Grill, Inc. entabló una acción legal por contravención de marca registrada ante la Corte de Distrito de los EE.UU., Distrito Sur de California, N° de caso 03 CV 2340 L (RBB), en contra de mis hijos, Arturo Santana Lee y Pedro Santana Lee, y Arturo Castañeda, alegando tener, entre otras cosas, los derechos exclusivos de la marca "SANTANA'S MEXICAN GRILL" para servicios de restaurante. El proceso judicial se basó en parte en la Inscripción de Marca registrada N° 2,682,976 de los EE.UU.

14. Creo que Abelardo Santana Lee y su esposa y Claudia Vallarta-Santana o Santana's Grill, Inc. fueron los primeros en usar la marca SANTANA'S MEXICAN GRILL en asociación con servicios de restaurante en 1998.

15. Por otro lado, declaro que creo que todas las declaraciones hechas en este documento, en base a mi buen entender y opinión, son verdaderas y que dichas declaraciones fueron hechas con el conocimiento de que las declaraciones falsas premeditadas y otras por el estilo son punibles con multas o prisión, o ambos, de acuerdo con lo establecido en la Sección 1001 del Título 18 del Código de los Estados Unidos.

GENERAL ALLEGATIONS

8. Santana's Grill is the owner of three trademark registrations relating to its restaurant business: U.S. Registration No. 2,631,458 for SANTANA'S MEXICAN FOOD...ES MUY BUENO, U.S. Registration No. 2,682,978 for SANTANA'S MEXICAN FOOD and design, and U.S. Registration No. 2,634,976 for SANTANA'S MEXICAN GRILL. The registrations are attached hereto as Exhibits A, B, and C respectively.

9. Santana's Grill has used the mark SANTANA'S MEXICAN FOOD...ES MUY BUENO since 1991, the mark SANTANA'S MEXICAN FOOD and design since 1993, and the mark SANTANA'S MEXICAN GRILL since 1997 (note that the use date on U.S. Registration No. 2,682,978 is erroneously listed as 1988 and is being corrected to conform with the facts as herein alleged). Santana's Grill has used the Santana's Mexican Grill trade name since 1997.

10. In using its marks and trade name, Santana's Grill has spent significant amounts of money in advertising and marketing efforts to promote its restaurant services associated with its trademarks and trade name.

11. Plaintiff is informed and believes, and thereon alleges, that sometime in 1997 or 1998, in connection with the above-noted restaurants and without the permission of Santana's Grill, Defendant Arturo Castaneda began using Santana's Grill's trade name and registered mark SANTANA'S MEXICAN GRILL and marks and designs identical or virtually identical to Santana's Grill's registered marks SANTANA'S MEXICAN FOOD...ES MUY BUENO and SANTANA'S MEXICAN FOOD and design. Plaintiff is informed and believes, and thereon alleges, that the overall impression created by Defendant Arturo Castaneda's use of "Santana's Mexican Food," "Santana's Mexican Grill," "Santana's Mexican Grill...Es muy bueno," "Santana's Mexican Food...Es muy bueno" both standing alone and along with the design associated with Santana's Grill's marks leads consumers to believe that Castaneda's restaurants are owned, operated or affiliated with Santana's Grill thereby causing confusion and deception in the market.

///

EXHIBIT E

12. Plaintiff is informed and believes, and thereon alleges that Defendant Arturo Castaneda, in doing the above-alleged acts, has acted deliberately, willfully, and in bad faith in order to trade on the goodwill of Santana's Grill and deceive consumers, thereby willfully injuring the trademark rights of Santana's Grill.

13. Sometime in 1997 Plaintiff entered into an oral agreement with Defendant Arturo Santana Lee that permitted him to open the restaurant at 411 Broadway, El Cajon, CA 92021 and granted him a limited license to use Santana's Grill's trademarks and trade name only at that location and only so long as Defendant Arturo Santana Lee operated his restaurant in substantially the same manner and with the same menu choices, quality and appearance as that of the restaurants operated by Santana's Grill. In connection with this oral agreement, Plaintiff arranged for and signed the lease for the restaurant at 411 Broadway, provided insurance for the facility, and aided the set-up and start of the restaurant.

14. Plaintiff is informed and believes, and thereon alleges, that sometime in 1998 Defendant Arturo Santana Lee ceased operating his restaurant in substantially the same manner as the restaurants operated by Santana's Grill, yet continued to use, in connection with the above-noted restaurants and without the permission of Santana's Grill, its registered mark and trade name SANTANA'S MEXICAN GRILL and marks identical or virtually identical to Santana's Grill's registered marks SANTANA'S MEXICAN FOOD...ES MUY BUENO and SANTANA'S MEXICAN FOOD and design. Plaintiff is informed and believes, and thereon alleges that the overall impression created by Defendant Arturo Santana Lee's use of "Santana's Mexican Food," "Santana's Mexican Grill," "Santana's Mexican Grill...Es muy bueno," "Santana's Mexican Food...Es muy bueno" both standing alone and along with the design associated with Santana's Grill's marks leads consumers to believe that Santana Lee's restaurants are owned, operated or affiliated with Santana's Grill thereby causing confusion and deception in the market.

15. Plaintiff is informed and believes, and thereon alleges, that sometime in 2002 Defendant Arturo Santana Lee opened a restaurant at 9824 Campo Road, Spring Valley, CA 91977 and began to use, in connection with the above-noted restaurant and without the

permission of Santana's Grill, its trade name and registered mark SANTANA'S MEXICAN GRILL and marks identical or virtually identical to Santana's Grill's registered marks SANTANA'S MEXICAN FOOD...ES MUY BUENO and SANTANA'S MEXICAN FOOD and design. Plaintiff is informed and believes, and thereon alleges, that the overall impression created by Defendant Arturo Santana Lee's use of "Santana's Mexican Food," "Santana's Mexican Grill," "Santana's Mexican Grill...Es muy bueno," "Santana's Mexican Food...Es muy bueno" both standing alone and along with the design associated with Santana's Grill's marks leads consumers to believe that Santana Lee's restaurants are owned, operated or affiliated with Santana's Grill thereby causing confusion and deception in the market.

16. Plaintiff is informed and believes, and thereon alleges that, Defendant Arturo Santana Lee, in doing the above-alleged acts, has acted deliberately, willfully, and in bad faith in order to trade on the goodwill of Santana's Grill and deceive consumers, thereby willfully injuring the trademark rights of Santana's Grill.

17. Plaintiff is informed and believes, and thereon alleges, that sometime in 2003, in connection with the above-noted restaurant and without the permission of Santana's Grill, Defendant Pedro Santana Lee began, or will begin, using Santana's Grill's trade name and registered mark SANTANA'S MEXICAN GRILL and marks and designs identical or virtually identical to Santana's Grill's registered marks SANTANA'S MEXICAN FOOD...ES MUY BUENO and SANTANA'S MEXICAN FOOD and design. Plaintiff is informed and believes, and thereon alleges, that the overall impression created by Defendant Pedro Santana Lee's use of "Santana's Mexican Food," "Santana's Mexican Grill," "Santana's Mexican Grill...Es muy bueno," "Santana's Mexican Food...Es muy bueno" both standing alone and along with the design associated with Santana's Grill's marks leads consumers to believe that Lee's restaurants are owned, operated or affiliated with Santana's Grill thereby causing confusion and deception in the market.

18. Plaintiff is informed and believes, and thereon alleges that, Defendant Pedro Santana Lee, in doing the above-alleged acts, has acted deliberately, willfully, and in bad

faith in order to trade on the goodwill of Santana's Grill and deceive consumers, thereby willfully injuring the trademark rights of Santana's Grill.

The shortest way from YUCCA VALLEY to LAS VEGAS

NOTE: There are NO services between Twentynine Palms, California and Primm, Nevada, a distance of 145 miles. The only exceptions are "sometimes" gas at Amboy, and some porta-potties at Kelso. Make sure you have sufficient gasoline, some drinking water and a vehicle that is in good shape BEFORE you set out on this trip. Your cell phone may not work out there. The roads are all paved, two lanes, but are not super highways. Watch your speed.

THE TRIP: Travel East on CA Highway 62, The 29 Palms Highway, from the Town of Yucca Valley to the City of 29 Palms, a distance of 21 miles. Turn left at the stop signal on to Adobe Road. Go North 2 miles to the stop signal at Amboy Road.

Turn right, East, on Amboy Road and go 50 miles to the dead end stop sign at National Trails Highway, old US-66. Turn right, go over the train tracks, through Amboy and on for 6 miles.

Turn left, North, on Kelbaker Road for 12 miles where you go under Interstate 40, and then on for another 22 miles to Kelso. Go over the train tracks and turn right just beyond the old railroad station. This is the Kelso – Cima Road. Go 19 miles to Cima. There is a stretch along the Keslo – Cima Road with dips and potholes. Be careful.

In Cima, take the fork to the right in the road. This is the Morning Star Mine Road. Go 16 miles to the dead end stop sign at the Ivanpah Road. Turn left and go 4 miles to the dead end stop sign at the Nipton Road. Turn left and go 3 miles to Interstate 15.

Turn right on Interstate 15 and go 10 miles to Primm, Nevada. This is where Whisky Pete's, Buffalo Bill's and Primm Valley Casinos are, plus gasoline and other services. Or go an additional 44 miles to Las Vegas.

Have a GOOD TRIP and GOOD LUCK.....

visitors can still see the evidence of gold fever in the mines scattered throughout the park. There are remains of milling operations on several hiking trails and at the historic Desert Queen Ranch, accessible throughout the year via Ranger-led walks.

GETTING HERE

For the latest information on recreational opportunities, you are invited to begin your tour of Joshua Tree National Park at the Oasis Visitor Center, located on National Park Drive in Twentynine Palms. The Center is open 8 a.m. to 5 p.m. daily and offers park exhibits and a short accessible nature trail to the Oasis of Mara.

Visitors may also enter the park through the West entrance on Park Boulevard in the village of Joshua Tree. The Park's south entrance is at Cottonwood Springs, about 25 miles east of Indio north of Interstate 10. Cottonwood Visitor Center is open from 8 a.m. to 4 p.m. Both Centers offer a variety of books, videos and maps for sale.

Restrooms, picnic areas and fresh water are nearby. General admission to the park is $10 per vehicle and is good for seven consecutive days. A Joshua Tree Pass may be purchased for $25 and a National Park Pass, which is good for all National Park sites costs $50. Both are good for 12 months. Any U.S. citizen 62 years or older may purchase a lifetime Golden Age Passport to all National Parks for $10. All passes are on sale at park entrance stations and Visitor Centers.

CAMPING AND HIKING

There are many self-guided nature trails where visitors can get acquainted with a fascinating array of desert plant and animal life. Longer trails lead to rustic mining sites and up rocky canyons. Or you may wish to do your sightseeing from the main park roads.

An extensive network of dirt roads is available for mountain bikes and four-wheel drive vehicles. If you only plan to drive through the park, you should take some water with you. One gallon of water per person is recommended. If you are going to be hiking or biking, take two gallons per person. There are nine campgrounds, and backcountry camping is permitted.

Reservations can be made for Black Rock and Indian Cove Campgrounds, and all group campsites by calling 800-365-2267. Other campgrounds are open on a first-come first-served basis. For more information, contact Joshua Tree National Park, 74485 National Park Drive, Twentynine Palms CA 92277; phone 760-367-5500 or visit: *www.joshua.tree.national-park.com.*

Desert Institute

Morongo Basin is home to one of the premier educational experiences available in our National Park System. Since 1998 the Desert Institute of Joshua Tree National Park has offered a wide range of hands-on classes.

Most classes are limited to 15-20 students. It is all fun and you will be led by experts in their fields. The University of Calfornia accredits selected courses. For complete information on the available classes and instructors during each semester call 760-367-5535 or log on at *www.joshuatree.org*.

enhance your explorations. Or join a Ranger-led hike, October thru May.

In autumn, be on the lookout, especially at dusk, for nocturnal animals such as the tarantula. These graceful creatures are harmless unless aggravated. Also, look for crisp, golden cottonwood leaves and fall-blooming rabbitbrush.

Lower temperatures trigger hibernation for many animals, but numerous small birds such as hummingbirds, sparrows, and the predatory loggerhead shrike spend winters here. Enjoy bird song from your campsite or one of the many hiking trails.

Antelope ground squirrels are commonly spotted dashing among the rocks and scavenging seeds. Glimpsing a coyote in the distance can add excitement to your visit. All animals are protected and should never be approached or fed.

YOUR DESERT ADVENTURE

Unusual rock formations, springtime flower displays, historic sites and palm oases teaming with life are just a few of the many features protected within Joshua Tree National Park.

Thanks to the vision of Minerva Hoyt, who organized a campaign to save our unusual desert flora from vandalism in the 1930's, we now have a magnificent national park to enjoy throughout the year.

Two distinct deserts are represented in Joshua Tree's 794,000 acres. The southeastern part is in the lower, hotter Colorado Desert, California's portion of the Sonoran desert. Here you can explore a sand dune or view wildlife among the lush Cottonwood Springs or Lost Palms oases.

The northwestern part of the park is in the Mojave Desert, dominated by Joshua trees and granite rock formations. On clear days, an outstanding vista from Keys View extends beyond the Salton Sea to northern Mexico.

No matter which desert you visit, spring and fall seasons bring natural delights. For example, a winter snowstorm can lightly blanket the higher Mojave Desert, providing important moisture for spring wildflowers.

Evening skies are clear and bright, perfect for outstanding star gazing conditions. Wildflowers in the Pinto Basin and along the southern entrance often begin blooming in February. March through May will find splashes of color among the rocks from a variety of annual flowers and hardy shrubs.

Joshua trees and yuccas offer spectacular displays with thick clusters of creamy white blossoms. Desert wildflower guides and maps can be purchased at park visitor centers to

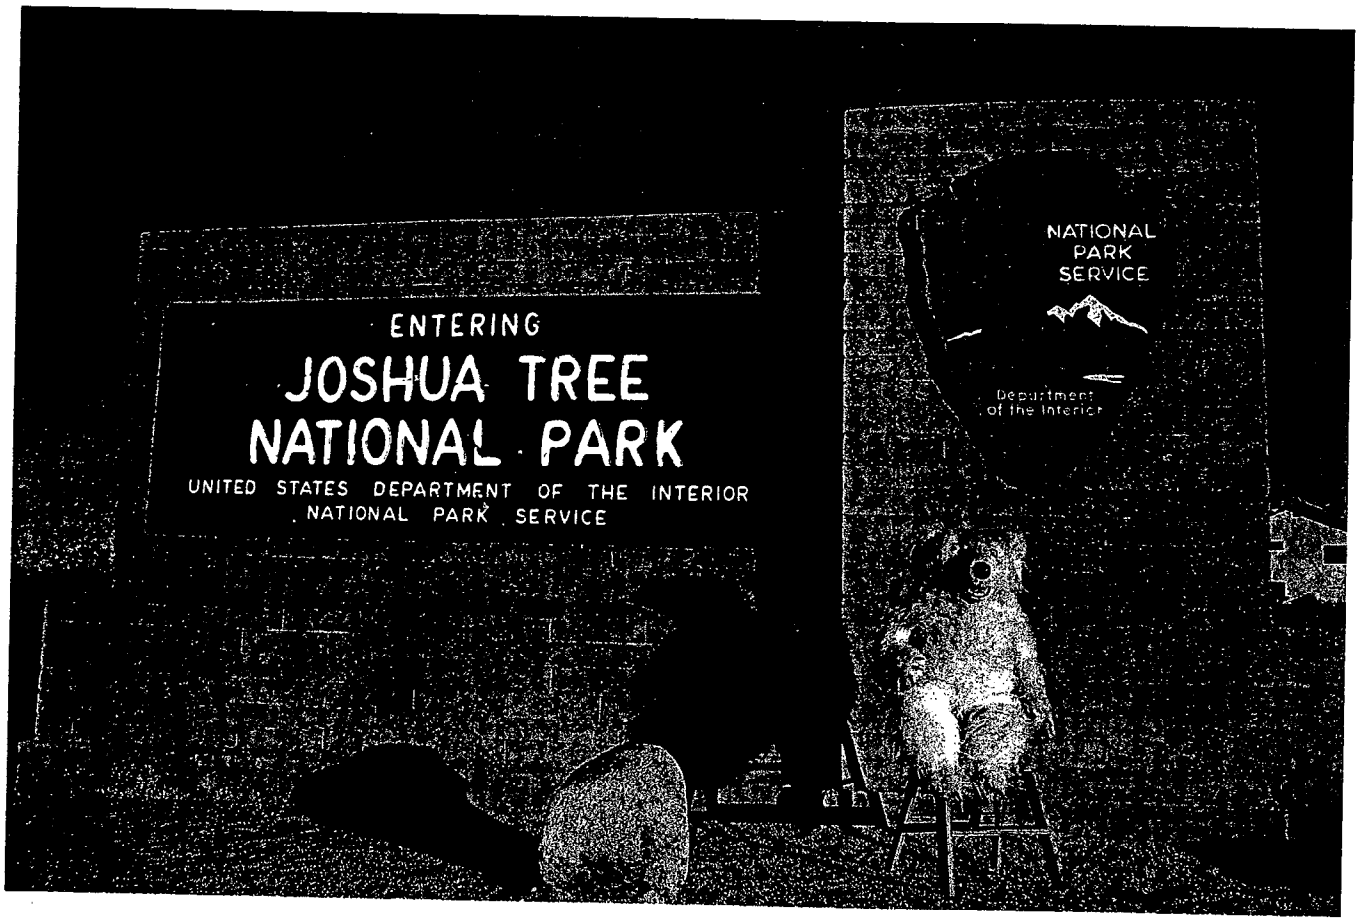
Welcome to Joshua Tree National Park. This is a very large park so many rangers work here. Rangers are men and women whose job is to educate tourists and make their stay more enjoyable and safe. Other rangers study the animals and plants that live in the park so that they can help preserve the park for the future. Some rangers work to fix roads, plant trees and build trails so I can visit the many fascinating sights in the park. All of the rangers are helpful to the visitors who come here to discover the beauty of Joshua Tree. Do you think that you would like to be a ranger?



We've had a lot of fun exploring the historical sites of Joshua Tree National Park, but there is another reason to visit and that is to have some fun climbing on all these beautiful rock formations. Joshua Tree is one of the best rock climbing destinations in the whole world. People from many countries come here just to rock climb. I love to come here too, so let's go climb some rocks! Hey, would any of you like to climb with me?

JOSHUA TREE NATIONAL PARK, CALIFORNIA

Joshua Tree National Park is one of the most popular climbing areas in the world. Climbers from all over the world have enjoyed this truly unique climbing area. This introduction is intended to help you with matters ranging from how to use the book, to how to minimize environmental impacts. There is also information included concerning: how to get to the park, weather, camping, park regulations and, of course, some thoughts on ratings and equipment.

MINIMIZE YOUR IMPACT Rock climbers constitute a significant percentage of all visitors to this beautiful and often wild part of the Southern California high desert. For this reason climbers must take particular care to insure that their visit to the park has as minimal an impact as possible. Although climbers tend, as a group, to be some of the most environmentally conscientious users, there is a growing, and often irrationally, critical look being taken at climbing activities. It is important that all climbers familiarize themselves with how to use the park in a sound manner. Be responsible. If you witness others engaging in irresponsible behavior, get all over them (in a nice way of course). Unfortunately, in the currently overcharged environment, even the thoughtless act of one individual can affect the rights of everyone. Every climber should support groups that attempt to preserve access and the environment for climbers, such as The Friends of Joshua Tree and The Access Fund.

HOW TO GET TO JOSHUA TREE
Joshua Tree National Park is located in the high desert of eastern Southern California, approximately 140 miles east of Los Angeles and about 35 miles northeast of Palm Springs.

FROM SOUTHERN CALIFORNIA
Los Angeles Area–(plan on 2½ to 3 hours). Take either Interstate 10 or U.S. 60 east to Beaumont/Banning where they merge into Interstate 10.

Orange County Area–(plan on 2 to 2½ hours). Take U.S. 91 east to Riverside, then take U.S. 60 east to Beaumont/Banning where it merges into Interstate 10.

San Diego Area–(plan on 2½ to 3½ hours). Take I-15E (215) north to U.S. 60, then head east to Beaumont/Banning where it merges into Interstate 10.

From Beaumont/Banning continue east on Interstate 10 past the Palm Springs Exit (Highway 111), taking the U.S. 62 Exit north to the town of Joshua Tree. Turn right (south) on Park Blvd. which leads directly to the park's West Entrance some five miles up the road.

FROM THE EAST (THROUGH LAS VEGAS) Approximately 55 miles west of Las Vegas (on Interstate 15), there is a particularly good shortcut directly toward 29 Palms, via the railroad towns of Cima and Kelso, past the Granite Mountains, crossing Interstate 40, then past Amboy to 29 Palms. However, this road is extremely desolate, and a few miles follow a well-graded dirt road. The alternative (normal) route is to take Interstate 15 to Barstow and take Highway 247 south until it terminates in Yucca Valley. Turn left on Highway 62 to Park Blvd. and into the town of Joshua Tree.

FROM THE BAY AREA AND PACIFIC NORTHWEST From the San Francisco Bay Area and Pacific Northwest, head south via either Interstate 5 or Highway 99 to Bakersfield. From Bakersfield take Highway 58 east to Barstow (Highway 58 turns into Interstate 40). From Barstow, take Highway 247 south to Lucerne Valley, and continue on Highway 247 to Yucca Valley. Turn left on Highway 62 to Park Blvd. and drive into the town of Joshua Tree.

FROM THE SOUTHWEST From the southwestern part of the United States (Arizona, New Mexico, etc.), one can take U.S. 10 west until the park can be entered near the City of Indio through the southern (Cottonwood) entrance. Alternatively, one can take Interstate 40 west, then head south to Amboy and eventually to 29 Palms.

ENTRANCE FEES The National Parks Service imposes an entrance (user) fee. At the time of this writing, the fees were as follows:

$3.00 per walk-in/bicycle rider, bus occupant or motorcycle (good for seven (7) days).

$5.00 per vehicle (no limit on occupants and good for seven days).

$15.00 for the Joshua Tree yearly pass (good for one year from date of purchase, only at Joshua Tree National Park).

$25.00 for the Golden Eagle Pass. The Golden Eagle Pass may be used at all National Parks/Monuments (good for one year, from date of purchase).

CLIMBING SEASON
The best months for climbing are usually late October to early December and March through April. However, there is no such thing as a sure bet with the weather, and some seasons have wonderful Januarys and Februarys and terrible springs. The park receives approximately 7.5 inches of precipitation per year, with nearly 40% falling during the months of July, August and September. Additionally, it is quite possible (but certainly not a sure bet) that temperatures may be quite reasonable even during July, August and September.

CAMPING
Out of the many campgrounds in the park, there are five campgrounds at which climbers will be interested in staying. On many weekends, all of these are congested. There is currently no means of reserving a campsite, except for group camping in Sheep Pass and Indian Cove. There is currently no charge for most camping in the park, although there are plans to charge for campsites in the future. Many climbers stay in Hidden Valley Campground. Hidden Valley is near many fine climbs and close to most other major climbing areas. Other campgrounds are, in preferential order: Ryan, Jumbo, Belle and Indian Cove. Indian Cove is generally warmer, but is isolated from most other climbing areas. There is a 14-day per year camping limit in the park. If planning a long stay, make alternative camping arrangements. There is virtually no formal car camping areas outside the park. The sole exception is Knott's Sky Park in 29 Palms (which is primarily a RV park). Rates are approximately $7.50 per day.

ABOUT THE ROCK
The rock formations at Joshua Tree tend to be dome-like, and in most cases are surrounded by flat sandy washes and open plains. Some of the rock formations in fact, are no more than a huge pile of stacked boulders. Many formations have a number of boulders around their base which can offer numerous, excellent boulder problems. There are many established bouldering spots and problems. Mari Gingery's *Joshua Tree Bouldering* and Craig Fry's *Southern California Bouldering Guide* are excellent references for Joshua Tree bouldering.

Joshua Tree rock is granite in origin, of a type called quartz monzonite. Due to the particular way the rock has cooled and was subsequently weathered, the rock is generally quite rough in texture. This means the rock is highly

a failed bolt, report this to either Friends of Joshua Tree or The Access Fund IMMEDIATELY.

HOW TO USE THIS GUIDE

This guide is arranged in the order that you would encounter rock formations as you drive into the park from the Joshua Tree (west) entrance. Indian Cove is listed last. For nearly every area in this book, there is an overview map showing the various rock formations. There should always be a reference in the guide to the closest map that covers the area in question. In most cases detailed topos or photos are used for identification of formations as well as specific routes. In some cases only verbal descriptions are used. The maps, verbal descriptions, topos and/or photographs should be used together in order to locate routes. If "right" or "left" is used, this refers to the direction as though you were facing the cliff.

HISTORY

Joshua Tree has a relatively long and interesting climbing history. Many top climbers have visited Joshua Tree and left their mark in the many fine climbs that exist. Joshua Tree's early climbing days are shrouded in mystery. Little is known about the period from 1940 through the early 1960s, when Joshua's climbing was in its infancy. It is known that local hardmen such as Royal Robbins, TM Herbert, Mark Powell, Eric Beck, Tom Frost and others frequented the park during this time frame. For the most part activity was limited to times when poor weather kept the more alpine areas (Tahquitz and Yosemite) closed. Joshua Tree was considered merely a "practice area." Unfortunately, no one took the climbing seriously enough to record route names or first ascent parties. It is known, however, that many of the obvious cracks in the Hidden Valley Campground area were free climbed in the late 50s and early 60s.

From the mid 60s to the beginning of the 70s, several new groups of climbers "discovered" Joshua Tree. The predominant group, "The Desert Rats," included Woody Stark, Dick Webster, John Wolfe, Bill Briggs, Dick James, Al Ruiz, Howard Weamer and others. The Desert Rats were generally unaware of their predecessors' accomplishments, and free climbing standards were years (if not decades) behind most of the country. Most of the major lines in Hidden Valley Campground were climbed during this time frame. In 1970 the first "official" guidebook was published; most routes were 5.7 or under and aid was in common use. The appearance of the guidebook did focus more attention on the park and climbing began to experience a boom.

In the early 70s, climbers such a Richard Harrison, Rick Accomazzo, John Long, Tobin Sorenson, Jim Wilson and John Bachar brought high free climbing standards to Joshua Tree. In two short years (1970 to 1972), the most difficult routes went from 5.9 to 5.11. Development also began to intensify outside the campground, and areas like Saddle Rocks, Hall of Horrors, and the Rusty Wall saw development. Classics of the early 70s include **Illusion Dweller** (5.10b, 1973), the **Exorcist** (5.10a, 1974), **Hyperion Arch** (5.11c, 1974), **O'Kelley's Crack** (5.10c) and **Wanger Banger** (5.11c).

By the mid and late 70s, exploration of the park began in earnest. People began to look to look at the vast route potential in the Wonderland of Rocks. Climbers "discovered" the Astrodomes and, within a few short years, established classics such as **Solid Gold** (5.10a), **Such a Savage** (5.11a) and **Figures on a Landscape** (5.10b). Most of climbs established in the park from the late 70s through the early 80s were accomplished by only a few groups of individuals and a handful of climbers.

DEDICATION

To the thousands of citizens from California and elsewhere, past and present, who laid the groundwork for protection of a large portion of the California Desert, to those who helped secure passage of the California Desert Protection Act, and to the dedicated state and federal park rangers and naturalists charged with the stewardship of California's irreplaceable desert wilderness.

ACKNOWLEDGMENTS

The help of many individuals was essential in writing this hiking guide. At each park staff members generously shared their knowledge by contributing data, ideas and advice. The following deserve special thanks: Homer Townsend, chief ranger, and Mark Jorgensen, associate resource ecologist at Anza-Borrego Desert State Park; Charlie Callagan, ranger and one of the leading authorities on the wilderness of Death Valley, and Corky Hays, chief of interpretation, Death Valley National Park; Esy Fields, director of the Death Valley Natural History Association; Joe Zarki, chief of interpretation, Thomas M. Gavin, backcountry ranger, Joshua Tree National Park and Sue E. Alexander, director of the Joshua Tree Natural History Association; Kirsten Talken, district interpreter, at Mojave National Preserve; and Ramon Sanchez and Thom Thompson, interpretive rangers at Providence Mountains State Park/Mitchell Caverns Natural Preserve. We'll never forget the hot shower Ramon provided for us during our visit to Providence, our first in several weeks of desert exploration. The amazing dedication of these professionals to resource protection and visitor education gives us great optimism for the future of California's magnificent desert parks. Our thanks also to all the hospitable folks who provided advice and insights to us during our treks in the desert. In some cases it was a simple act of kindness, such as when a wonderful couple from Alberta replaced our lost Death Valley map. Please know that you are not forgotten.

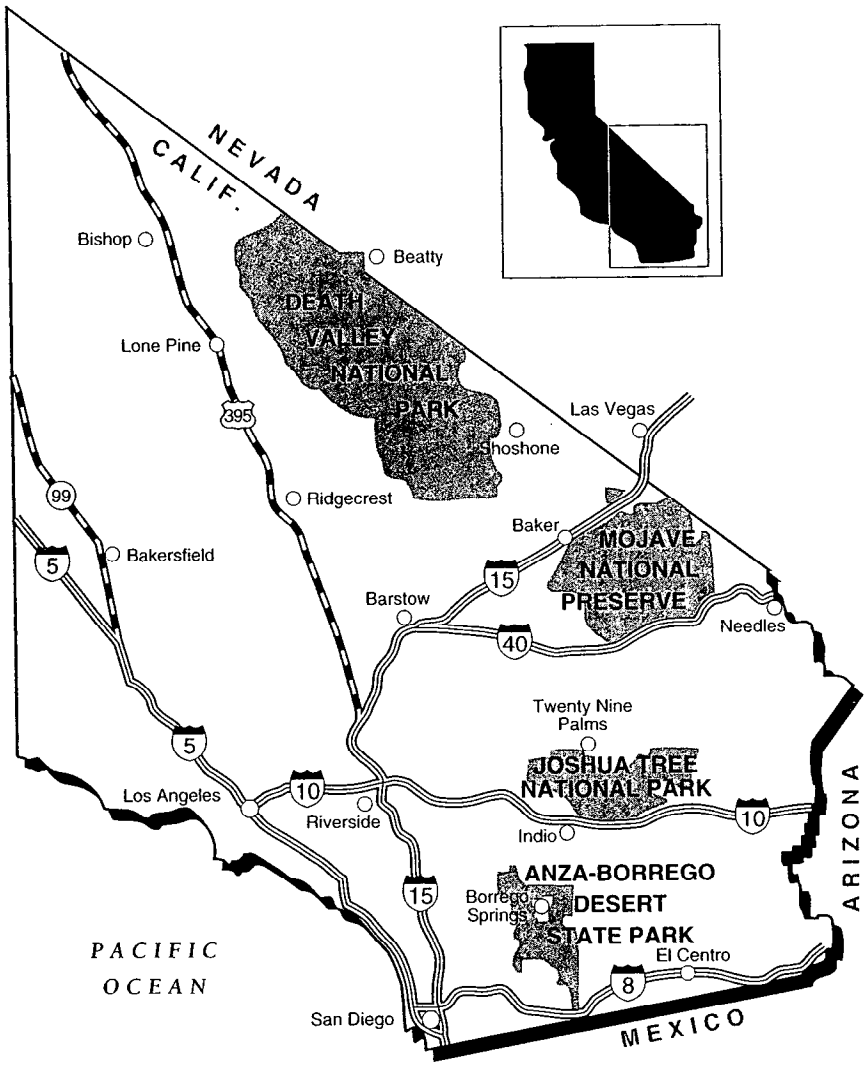
OVERVIEW MAP



INTRODUCTION

The California Desert covers the southeastern quarter of our most populous and most ecologically diverse state. And the four huge desert parks featured in this book encompass about a quarter of the California Desert—from its southern to northernmost extent. Incredibly, three of the four desert subregions that make up most of the arid southwest corner of North America are found within the California Desert. These subregions—the Colorado (called the Sonoran in Mexico), Mojave, and Great Basin deserts—differ by climate and distinct plant and animal communities.

The geographer's definition of a desert as a place with less than 10 inches average annual rainfall says little about what a desert really is. Deserts are regions of irregular and minimal rainfall, so much so that for most of the time scarcity of water is limiting to life. Averages mean nothing in a desert region that may go one or two years without *any* rain only to receive up to three times the annual average the following year.

In the desert, evaporation far exceeds precipitation. Temperatures swing widely between night and day. This is because low humidity and intense sun heat up the ground during the day, but almost all of the heat dissipates at night. Daily temperature changes of 50 degrees Fahrenheit or more are common—which can be hazardous to unprepared hikers caught out after dark.

Sparse rainfall means sparse vegetation, which in turn means naked geological features. Most of the California desert is crisscrossed with mountain ranges, imparting an exposed, rough-hewn, scenic character to the landscape. Rather than having been uplifted, the mountains were largely formed by an east-west collision of the earth's tectonic plates, producing a north-south orientation of the ranges. Some would call the result stark, but all would agree that these signatures on the land are dramatic and, at times, overpowering. This very starkness tends to exaggerate the drama of space, color, relief, or sheer ruggedness.

Despite sparse plant cover, the number of individual plant species in the California Desert is amazing. At least 1,000 species are spread among 103 vascular plant families. Equally amazing is the diversity of bird life and other wildlife on this deceptively barren land. Many of these birds and animals are active only at night, or are most likely seen during the hotter months at or near watering holes. Hundreds of bird species and more than sixty kinds of reptiles and amphibians fly, nest, crawl, and slither in habitat niches to which they have adapted. Desert bighorn sheep and the rare mountain lion are at the top of the charismatic mega-fauna list, but at least sixty other species of mammals make the desert their home—from kit foxes on the valley floors to squirrels on the highest mountain crests. The best way to observe these desert denizens is on foot, far from the madding crowd, in the peace and solitude of desert wilderness.

PL00501

Anza-Borrego Desert State Park is within the Colorado (Sonoran) Desert, which extends deep into Arizona and Mexico. This is the hottest and lowest of the desert types, with elevations from below sea level to 4,500 feet. Temperatures are among the highest in the United States, with summer highs of 120 degrees Fahrenheit. or more. Characteristic plants include jumping cholla, creosote bush, ocotillo, and ironwood.

Joshua Tree National Park is in the transition zone between the Colorado and Mojave deserts, accounting for much of its rich diversity of plant and animal life. The Mojave Desert is the smallest of the four North American deserts and lies mostly in southeastern California. Elevations range from below sea level to around 4,000 feet, with average elevations of 3,000 feet in the rugged eastern portion, which includes the Mojave National Preserve. The hottest temperature ever recorded in the United States—134 degrees—took place in the Mojave Desert at Death Valley. Summer temperatures usually exceed 100 degrees, but winter can bring bitter cold, sometimes dropping near zero in valleys where dense, frigid air settles at night. Plant cover is typified by Joshua trees, creosote bush, white bursage, and indigo bush.

Much of Death Valley National Park is on the southwestern edge of the vast Great Basin desert region, which also encompasses most of Nevada, much of Utah, and portions of Oregon, Idaho, and Wyoming. This is high, cold desert, largely above 4,000 feet, with snow and freezing temperatures during winter. The Great Basin is distinguished by sunken interior drainage basins bounded by hundreds of mountain ranges, created by shifting along fault lines. Rubber rabbitbrush, blackbrush, and big sagebrush characterize the plant cover.

Death Valley, Joshua Tree, and Anza-Borrego were included within the Colorado and Mojave Desert Biosphere Reserve, which was internationally designated in 1984. There are more than 265 biosphere reserves worldwide that protect lands within each of the earth's biogeographic regions. The parks are within the core of the biosphere reserve where human impact is kept to a minimum. The core is surrounded by a multiple use area where sustainable development is the guiding principle. In Death Valley the "human connection" of the reserve is represented by members of the Timbisha Shoshone Indian tribe who live within the park.

Each of the desert parks receives many international visitors who are drawn to the desert because there is no desert in their homeland. Many come during the peak of summer to experience the desert at its hottest. Regardless of whether the visitor is from Europe, a nearby California town, or someplace across the nation, the endlessly varied desert offers something for everyone. Unlike snow-bound northern regions, the California Desert is a year-round hiker's paradise. There is no better place in which to actually *see* the raw, exposed forces of land-shaping geology at work. Those interested in history and paleoarcheology will have a field day. And the list goes on. This book is designed to enhance the enjoyment of all who wish to sample the richness of California's desert parks on their own terms. Travel is best done on foot, with distance and destination being far less important than the experience of getting there.

A FALCON GUIDE

Hiking/California

[redacted]

There is no better place than California's deserts to see the raw, exposed forces of land-shaping geology at work. The rugged terrain is crisscrossed by numerous mountain ranges and sunken valleys where elevations change from below sea level to more than 11,000 feet. Summer and winter temperatures can vary more than 130 degrees, and water scarcity often is a threat to life. Yet this land of harsh extremes is home to more than 1,000 individual plant species, hundreds of bird species, and many species of reptiles, amphibians, and mammals. The best way to experience the desert's wilderness drama is on foot, far from madding crowds.

Hiking California's Desert Parks presents 111 of the very best hikes and backcountry trips in Anza-Borrego Desert State Park, Joshua Tree and Death Valley national parks, and Mojave National Preserve. Information for day hikes, extended backpack trips, or off-trail exploration is supplemented with detailed descriptions, maps, and elevation charts. Whether you are a veteran hiker or first-time wilderness traveler, take *Hiking California's Desert Parks* on your next desert adventure.

A REPORT ANALYZING THE FEASIBILITY OF THE INCORPORATION OF THE CITY OF YUCCA VALLEY

This Report has been prepared at the direction of the Committee for the Future of Yucca Valley

TO THE CITIZENS OF YUCCA VALLEY:

Civis Romanus sum.

Thus, over 2,000 years ago, Cicero proclaimed himself a citizen of Rome -- his City.

The report contained in these pages concludes that your community has the financial resources to be a City.

Only you can determine whether your community has the civic and political desire to control its own destiny -- to grow at its own pace...establish its own goals...define its own objectives.

For a City is not simply a balance sheet. While the revenues detailed in this report are established by law and subject to limited revision, the decisions on how the revenues should be spent -- setting priorities...establishing service levels...determining the direction and pace of growth -- these decisions can be made in your community by persons of your choice.

While our task is not quite completed -- we must yet present our findings to the Local Agency Formation Commission and the San Bernardino County Board of Supervisors -- the bulk of our work is done. It now remains for you to determine whether or not Yucca Valley is ready to accept all the benefits and risks of Cityhood.

Regional Highways

State Highways serving the area are 29 Palms Highway (State Highway 62) and Old Woman Springs Road (State Highway 247). The 29 Palms Highway is the major highway that connects the Monongo Basin communities of Morongo Valley, Yucca Valley, Joshua Tree, and 29 Palms. It also provides access to the southeastern portion of the County, Joshua Tree National Monument, and the Colorado River. Because of these factors, this road is the major regional transportation route within the area.

Yucca Valley is also served by the system of County-maintained roads which total approximately 170 miles within the study area. The majority of these roads are in the urban areas where traffic demands are the greatest, and serve the more active commercial and dense residential areas within the study area boundaries.

The Valley also has numerous areas with land parcels of 2-1/2 acres and larger, where paved access does not yet exist. Because of the previously mentioned population growth, it is reasonable to assume that as more urbanization takes place in these areas, increased road maintenance will be required to carry the added traffic flows.

Environmental Quality

Generally speaking, the environmental quality of air, water, and waste management in the area is very good for this fragile desert environment. However, as the population continues to grow, it will be increasingly necessary to maintain a balance between the environment and the ongoing urbanization. At present, the key environmental issue within the Yucca Valley is whether an adequate water supply from a relatively confined groundwater basin can support future development. This issue is paramount to the growth of the area and will be addressed later in the study.

ECONOMIC AND DEMOGRAPHIC TRENDS

San Bernardino County is the largest county in the United States in terms of land area. Based on the 1980 census, 78% of the County total population of 893,157 is concentrated in less than 1% of the total land. The 1980 census also reported that the County had the second highest growth rate, next to Riverside County, in all of Southern California, increasing by 29.3% during the last decade.

An interesting fact revealed by the census data is that the major increases of population happened during the second half of the decade, or after 1975. During that time, the County experienced a rapid growth rate averaging 5.5% per year. Much of this growth

OTHER SERVICES

Energy, Telephone, and Cable Television

Private utilities are responsible for these services: Southern California Edison for electricity, Southern California Gas for gas, and General Telephone Company for telephone service within the Yucca Valley area. Cable TV is also provided to the area by Group W Cable, a subsidiary of Westinghouse Broadcasting & Cable, Inc.

Airport

The Yucca Valley Airport is located north of Highway 62 between that highway and Paxton Road, and just east of Highway 247. It is a small airport used primarily by people who own an airplane and live next to or close to the airport, by people who live in the Morongo Valley who like to fly or whose business requires them to fly, by commercial enterprises located within the area which use private or corporate planes in the conduct of their business, and by people who fly for pleasure or like to fly out to the Yucca Valley "Red Baron" Restaurant for lunch.

Established in 1947 on a site which now serves as a golf course, the airport was moved in 1957 to its present location. Although a privately-owned airport, the Local Agency Formation Commission, in 1981, approved the proposal to form an Airport District. The proposal was subsequently ratified by the voters within the Airport District area. The function of the Airport District is to acquire the airport and to improve it. At present the airport has a single runway of approximately 3,500 feet in length.

The Beginnings

The modern history of Yucca Valley and the Morongo Basin was marked in 1855, when Colonel Henry Washington passed through the area, conducting the first U.S. government survey of the southern California deserts.

Indians, Spaniards, and Mexicans had been here long before Washington, of course, and were the predecessors of the men who worked the high desert's gold and iron mines during the 1800s, when the population of desert mining towns totalled thousands. The end of World War I terminated that phase, and by 1920 most mines had closed. The main source of desert settlers then shifted to homesteading, encouraged by the lure of free land and pure air. Many who came have stayed.

The population surge came to Yucca Valley even later, but impressively: from about 50 people in 1945 to almost 8,000 in 1965 to an estimated 28,000 today.

Until 1945, the area had had at least three names: Lone Star, after the first gas station; Warren Well, after a very early (1881) water well; and Yucca Valley. When the Post Office was started, in 1945, postmaster Hilda Hardesty chose Yucca Valley. Warren's name continues to identify the town's ground water source: the Warren Valley Basin.

Points of Interest

Joshua Tree National Monument

Each year, hundreds of thousands of visitors from throughout the nation and world visit the Joshua Tree National Monument—which residents of the Morongo Basin consider their own. Throughout its one-half million acre vastness, the Monument offers the public an unequalled opportunity to see the desert at its natural best. To see and enjoy two deserts, really: the Colorado Desert, dominated by the creasote bush, and the higher, slightly cooler, and wetter Mojave Desert, home of the Joshua tree, meet in the National Monument. Each season has its special attraction, each offering glimpses of nature adapting to an environment which is at once harsh, delicate, and beautiful. Areas are designated for camping, hiking, picnicking, and rock-climbing, and general access is provided by road, with Morongo Basin entries at Twentynine Palms, which is the site of the Monument's Visitor Center, and Joshua Tree.

PIONEER TOWN

PL00512

The Morongo Basin

Yucca Valley is located in a portion of the southern Mojave Desert that is known as the Morongo Basin, named after early inhabitants of the region: the Morongo Indians. The Basin is now home for approximately 80,000 people, living in and near the communities of Flamingo Heights, Joshua Tree, Landers, Morongo Valley, Pioneertown, Twentynine Palms, and Yucca Valley, and the Marine Corps Air Ground Combat Center at Twentynine Palms. Yucca Valley and Twentynine Palms are the largest of the civilian towns, with populations of approximately 28,000 and 19,000, respectively.

Modern, four-lane, State Highway 62 traverses the Basin on its way to the Colorado River, 150 miles to the east, and is the primary transportation link between the communities. State Highway 247 connects Yucca Valley with Barstow and Victorville [illegible] north (See the map on following pages.)

With [illegible] military men and women [illegible] family members and [illegible] civilian employees, the Combat Center has a [illegible] positive effect on the local economy. Major [illegible] construction at the base, including the [illegible] $180 million in 1988-90 alone, indicates that [illegible] Corps plans to stay.

The Morongo Basin enjoys a typical desert climate influenced by 2000-4600 foot elevation above sea level and by mountain ranges to the west and south. Summer days are hot, nights are cool. Outdoor sports, including golf, are played year-round.

Two residents arrested

JT 'speed' lab busted

By LONNIE ZINGULA
Hi-Desert Star Staff Writer

Two Joshua Tree residents are in custody in Arizona on drug charges after a joint investigation by local and Arizona authorities uncovered a methamphetamine lab in their residence last Thursday, said a spokesman for the Morongo Basin Sheriff's Station.

Jerry Flowers, 48, and Stacy Hecht, no age given, are being held in La Paz County for the sale and manufacture of methamphetamine, said Deputy Jerry Bucklin, public information officer of the Morongo Basin Sheriff's Station.

The pair was arrested Thursday afternoon near Parker, Ariz. after authorities served a search warrant at their residence at 60835 Latham Trail in Joshua Tree and uncovered evidence of a drug laboratory, Bucklin said.

Investigators also found a small amount of illegal drugs, numerous handguns, rifles, and shotguns and a jet ski with tampered vehicle identification numbers at the residence, he said.

The investigation was a cooperative effort involving local Sheriff's personnel, an investigator from La Paz County and the Arizona Regional Narcotics Task Force, said Bucklin. The investigation is ongoing.

Van rollover injures TP man

By LONNIE ZINGULA
Hi-Desert Star Staff Writer

A van driven at excessive speed by an alleged drunken driver crashed in Landers on Saturday injuring a passenger in the vehicle, the Morongo Basin office of the California Highway Patrol reported.

Donald Taylor, 28, of Twentynine Palms was driving east on Reche Road one mile west of Border Avenue at about 6:30 p.m. Saturday at a high rate of speed when he lost control of the vehicle after driving onto the soft sand shoulder, the report stated.

The vehicle rolled several times, injuring Taylor and his passenger, Fred Arthur, 33, also of Twentynine Palms.

The men were taken to the Hi-Desert Medical Center in Joshua Tree, where Taylor was treated and released. Arthur was later transfered to the San Bernardino County Medical Center in San Bernardino where he is listed in serious but stable condition, said a hospital spokesman Monday.

Taylor was arrested and charged with felony drunken driving, the CHP report said.

Accident derails trip to altar

To say a Twentynine Palms couple's wedding day was a wreck would be an understatement.

While enroute to tie the knot in Nevada shortly after 8 p.m. Friday, Ronald Washabaugh, 21, and Misty Pfrimmer, 19, were involved in a different type of tie-up, the Morongo Basin office of the California Highway Patrol reported.

Driving in separate vehicles, the couple was eastbound on Amboy Road in Twentynine Palms when a third vehicle entered the roadway causing Washabaugh to slow down, the report said.

Pfrimmer, who was traveling behind her husband-to-be, rear-ended her fiance causing major damage to both vehicles.

Pfrimmer suffered minor injuries in the accident, but did not require hospitalization, the report said. Washabaugh was not injured.

No information was available on how the collision affected the couple's wedding plans.

Monument expansion eyed

The Bureau of Land Management will hold a public hearing this Tuesday at 10 a.m. at the Holiday Inn, 1200 University Ave. in Riverside, to gather public comments on a possible land transfer that will enlarge the Joshua Tree and Death Valley national monuments.

A second meeting will be held this Wednesday at 7 p.m. at the Rodeway Inn, 1983 Palm Canyon Drive in Palm Springs.

If approved, the land transfer would transfer control of a portion of the Pinto Basin and the Eagle Mountains southeast of the Joshua Tree National Monument to the Monument.

It would also transfer several areas to Death Valley National Monument.

The impact of the transfers will be detailed in a federal environmental impact statement. After receiving public comments, the BLM will prepare a draft of the statement and place it on a 90-day review. During that time additional public comment will be taken.

The document will consider such items as possible impact on wildlife, botany, archaeological resources, wild horse and burro populations, the future of existing rights and the effect of curtailing future mineral development.

For more information on the document, write the BLM California Desert District Office, 1695 Spruce St., Riverside, CA 92507, or call (714) 351-6428 or 351-6383.

Getting the straight facts about AIDS

Knowing dreaded disease's true nature seen as key to prevention

By KELLY MOORE
Hi-Desert Star Assistant Editor

Consider the facts of life as they relate to AIDS — more than 60,000 Americans have it and more than two million are thought to have been infected with the deadly virus. In the Morongo Basin, eight people have died AIDS-related deaths in the last few years.

AIDS — Acquired Immune Deficiency Syndrome — is a sexually transmitted virus for which there is no cure. It destroys the body's immune system, and many victims die from dying deaths from cancers or other diseases the body can longer fight off. In a pamphlet distributed by the Inland AIDS Project, which serves San Bernardino and Riverside Counties, Dr. David Massey says that the next three years, the two counties will have an estimated 114,000 persons infected with the virus that causes AIDS.

In an effort to educate local residents about the disease and its transmission, the newly formed Morongo Basin AIDS Task Force presented its first public forum on the disease last night at La Contenta Junior High School in Yucca Valley. The presentation was "What Parents Need to Communicate to Their Kids About AIDS."

Cynthia Paxton, an associate science and human ecology, presented a graphic, factual report on the virus, how it enters the body and what people area of sexually transmitted diseases since the 1960s.

While the scope of the AIDS problem is "dramatic," Paxton said, there is good news. "Knowing what we know now, no one has to get it," she said.

Education is the key to preventing the spread of the disease, she noted, and parents must educate their children now. Not to do so, she said, "is another form of child abuse."

The AIDS virus, knows as HIV (human immunodeficiency virus) can enter the body through the sharing of semen or blood during sexual intercourse or the sharing of needles used to inject street drugs. It can also be transmitted from a mother to her unborn child. Though the possibility exists that it can be contracted through oral sex, Paxton said experts believe the chances are very small.

Important to note is that AIDS is not spread through casual contact. A person cannot catch it by drinking from the same glass as someone who is infected with the virus, by touching them, sharing food, restroom facilities, utensils, telephones or by swimming in a pool or using a hot tub with an

How to broach subject of AIDS to children

By KELLY MOORE
Hi-Desert Star Assistant Editor

Speaking to children frankly about AIDS — Acquired Immune Deficiency Syndrome — is vital if we are to prevent it from killing them, noted a local family counselor during the Morongo Basin's first public meeting on the deadly disease.

Ann Caffrey, who works in Daniel Shirbroun's counseling office in Twentynine Palms, was on hand during the meeting to help audience members speak to their children on sex and the disease.

"I was not taught to talk about this," Caffrey said, noting that she has spoken about sex and AIDS with her own teenage son and that the experience has brought them closer together.

One of the most important things a parent can do when discussing the subject with their child is to listen without judging, Caffrey said. On the issue of sex, she told her son, "I don't want you to do it, but if you do, protect yourself."

She added that "the hard part" of discussing the subject with frankness is the need for the parent to take a look at his or her own values, which is necessary for an honest discussion.

Caffrey provided the audience with two handouts to help parents communicate with their children and recognize

Annual celebration

YV Chamber brings it all together

By PAT MERRIAM
Hi-Desert Star Staff Writer

After many years of carnivals, parades, competitions and tradition, the annual Grubstake Days celebration has become one of the most anticipated events in Yucca Valley.

Recent debate has centered on which year of celebrating 1988 will mark: 37 or 38?

Joan Wilson, Yucca Valley resident since 1949 and this year's honorary grand marshal, said a small parade was held in 1950, but the entire celebration was not officially named "Grubstake Days" until 1951.

Regardless of the number of occassions, this year's event should live up to the successes of years past, said Teddi Westfall, executive director of the Yucca Valley Chamber of Commerce.

Since last October, the chamber has been gearing up for the Memorial Day celebration. Monthly meetings brought together volunteers to serve on the main Grubstakes committee, which became the umbrella for many other committees to help organize the Grubstake Days weekend, Westfall said.

In February, the 21-member Grubstake committee started meeting twice a month, then weekly in April.

The committee was responsible for selecting the theme, logo winner, bands, grand marshals, carnival and tournament activities and Grubstake contests.

They also solicited applications for booths, parade entries and competitions.

In addition to committee members who have organized the various activities, there have also been many local residents who have donated their time and energy in preparing the carnival grounds, Westfall said.

California Edison and General Telephone employees have volunteered after-hours installing electrical wire for the booths, Westfall said. Other businesses have donated materials.

"All in all, there have been about 100 people who have helped in one way or the other," Westfall stated.

Now that Grubstake Days has settled upon Yucca Valley, there is still more work to be done.

Volunteers will be used to supervise the carnival grounds, help with the rodeo and operate booths.

This is the first year all booths have been filled, Westfall said. They will offer a wide variety of goods and services, from food, beverages, and arts and crafts to information services from the 4-H club, search and rescue team and "Save the Park" committee.

"As far as I can tell, this Grubstake Days is going to be excellent," Westfall said.

'Rodeo Sports Page' to cover local event

The Professional Rodeo Cowboys Association Grubstake Days Rodeo to be held in Yucca Valley on Friday, Saturday and Sunday will be featured on a nationally syndicated sports program, said Jenice Miller, executive producer of the rodeo.

Zoli Vadja, director of "Rodeo Sports Page" — a highly-acclaimed sports show featuring an in-depth coverage of exceptional rodeos, special events and rodeo personalities — has been contracted to film portions of the rodeo, Miller said. Vadja and his crew will be in town on Saturday and Sunday to film portions of the rodeo.

"Rodeo Sports Page" is reached by more than 30 million homes via cable and network television. The weekly show is hosted by the top names in rodeo including Bob Tallman — the voice of "The Great American Cowboy" radio show that is broadcast on more than 50 stations across America. Tallman has also hosted telecasts of the PRCA National finals as well as Blair Rodio shows.

Tallman is assisted by former Miss Rodeo America Pam Minick and is backed up by Club Hill, Sharon Campillo, Hadley Barrett and many other PRCA stars.

The PRCA Grubstake Days Rodeo will feature seven competitions, including saddle bronc, bare back and bull riding, steer wrestling, calf and team roping and barrel racing. Cash prizes of $500 plus the entry fees will be divided among the top three or four finishers in each event, depending on the number of entrants.

In addition, a calf scramble for children ages 6 to 12 will be held each night of the rodeo. Ribbons will be tied to the tails of five calves and a $5 prize will be awarded to each child that gets a ribbon, said Miller.

Pre-sale tickets for the rodeo are available at the Yucca Valley Chamber of Commerce, 56020 Sante Fe Trail, or Mock Brothers Saddlery, 55818 Twentynine Palms Highway. Tickets may be purchased for $5 for adults, $2 for children aged 6 to 12 and $15 for families (two adults and three children) in advance. Gate prices are $7 for adults, $3 for children aged 6 to 12, and $20 per family.

Pre-sale tickets have been sold out for Saturday but tickets will be available at the gate, said Miller. Pre-sale tickets are still available for Friday and Sunday, she added.

"It is important that the people of Yucca Valley support this rodeo by having a large attendance to show on national television," said Miller. A large turnout is important for several reasons, she added, including the commercial dollars the rodeo will bring to Yucca Valley.

The rodeo will also help Grubstake Days to grow in ways never before possible, said Miller.

"After all, this is a pioneer type celebration and what could be more in the theme than a rodeo?" she said.

For additional rodeo information, contact the Chamber at 365-6323 or Miller at 365-1771.

Professionals bring rodeo to town

By PAT MERRIAM
Hi-Desert Star Staff Writer

While the Grubstake Days Rodeo will attract many leading competitors in the cowboy sport, the Professional Rodeo Cowboys Association also brings the skills of two main organizers — Jenice Miller, executive producer, and Roy Honeycutt, stock contractor and director.

Miller, who has been producing rodeos for four years, has ridden horses since she was 10 years old. As a teenager, she competed in barrel reacing events in the American Junior Rodeo Association. Not only did she earn a championship title, she also became junior rodeo queen.

After high school, a self-defense course led her away from the rodeo circuit and into the karate ring. Within two years of instruction, Miller was granted a first-degree black belt.

She started competing in 1968. In less then 15 years, Miller won over 272 titles in kata and kumite, including first places at the 1971 U.S. Pro-Am Karate Championships, 1972 U.S. Karate Championships, 1972 and 1974 Battles of Atlanta, 1972 USKA Grand Nationals and 1973 All-South Karate Championships.

Now an eight-degree black belt, Miller is the only women to be featured in the recently published book, "Masters, Founders and Leaders of American Martial Arts."

Her expertise in karate led to television producing and commentating for the sports network ESPN for three years. Her television experience led her back into the rodeo circuit when she was asked to produce the National Finals Rodeo in 1984.

Since then, Miller has been producing celebrity and professional rodeos throughout the country. Her work has introduced her to many television stars, including Ben Johnson, Doug McClure, Ethan Wayne, Robert Duvall, Richard Farnsworth, June and Ann Lockhart, Amanda Blake, James Arness and Jennifer O'Neill.

As rodeo producer, Miller is responsible for contracting for stock, soliciting sponsorship money, advertising and preparing the rodeo program, including competition line-ups and special events.

Miller, who moved to Yucca Valley last November, said she "loves it here," and plans to remain in the Morongo Basin.

When the Grubstake Days event is finished, Miller will be busy producing a celebrity rodeo for Jane Russell's charity "Waif" — a program for adopting children. The rodeo will take place in November in Palm Springs.

Roy Honeycutt of Honeycutt and Sons Rodeo Company, comes to Grubstake Days from his most recent job with the Military Rodeo Association's National Finals Rodeo, held in Twentynine Palms May 20, 21 and 22.

Now a stock contractor and director, Honeycutt has worked in every facet of the business from saddle boy, truck driver and announcer to pick-up man, chute boss and competitor.

He has worked in Japan with Casey Tibbs, with Cotton Rosser in California, Beutler Brothers in Texas and Walt Alsbaugh from Florida to Colorado.

Honeycutt formed his own rodeo company and family business in 1975 which is now located in the San Luis Valley of Colorado. Sons Jerry and Scott started working the calf-pen catch gate when they were 5. Now both drive trucks; Jerry is a pick-up man in the arena and Scott loads horses and bulls for rodeo performances.

Roy Honeycutt's wife Virginia serves as rodeo secretary and his daughter Janet fills in as official timer.

When the Honeycutts roll into town, they will bring with them more than 150 150 head of livestock for the three-day rodeo competition.

In their off-rodeo days, the Honeycutts are busy running their ranch, a trucking company and providing livestock for movies such as "The Cowboys" and for television specials like "The Mustang."

Honeycutt said he was very pleased to be asked to assist with Yucca Valley's first PRCA event and thinks this rodeo will be one of the newest and best "stars" of the PRCA circuit within a few years.

PRCA to host top performers

Yucca Valley's first Professional Rodeo Cowboys Association Rodeo for the Grubstake Days celebration will feature many performers and riders well-known in rodeo circuits and to Western enthusiasts.

Entertainment will include the Jones Benally Family from the Grand Canyon and Peter Sherayko.

They will perform in the rodeo arena located behind the carnival grounds and will also make an appearance in the Grubstake Days Parade Saturday.

Jones Benally, who will include the "Hoop Dance" in his show, is one of the few remaining Native American Indians who still perform this dance, Jenice Miller, PRCA executive producer, said.

Benally has been featured in many programs, including the Fort Worth Livestock Show and Rodeo and the Charlie Daniels Slim Jim Revue.

Trick-shot artist Sherayko will be performing from horseback in the rodeo arena.

During July and August last year, he toured with the American Wild West Show in China — the first wild west show ever to appear there, Miller said.

Besides his recent role as Charles Bronson's co-star in "Death Wish IV," Sherayko has made guest appearances in "Crime Story," "Jake and the Fat Man" and "B-Men." He is currently working on a new movie, "Warlock."

Johnny Pope, former competitor in bareback, saddlebronc and bull riding, will serve as rodeo announcer.

Pope travels to more than 40 professional rodeos every year. He frequently announces from horseback on his blue roan, "Dude," using a wireless microphone.

As announcer and host, Pope describes the finer points of competition, different rules and regulations and history of the cowboy sport.

Beside his work in the announcer's booth, Pope has become active in the music industry. Last year he cut his first album in Nashville, "The Life of a Rodeo Cowboy."

On the road more than 200 days a year, Pope is usually accompanied by his wife Janet, who started "Cowpunchers Promotions, Inc." to promote his album and who frequently assists Pope in the arena. When not with the rodeo circuit, the Popes raise horses at their home in Alabama and travel with their band.

Helen Devlin, Yucca Valley resident and a member of the Champagne Riders, will again ride her Peruvian Paso mare Princessa in the Grubstakes Days Parade Saturday.

The riders are an informal group that has been formed to enjoy and have fun with their Peruvian Paso horses, Devlin said.

In prior years, traffic from SR 62 was redirected south on Kickapoo Trail to Onaga Trail, then east to Joshua Lane and north back onto the highway. The route change reduces the detour from four miles to slightly more than one mile, said Hunt.

While the parade route will be shortened by about one-fifth of a mile from the former route, which began on SR 62 in the Stater Bros.'s parking lot and proceeded west to Yucca Trail, Hunt said it will increase safety for the participants.

There were some instances of local traffic ignoring the barricades and driving within the parade route during last year's parade, he said.

Despite receiving several complaints about changing the route from what some had come to see as a tradition, Hunt said the new route was actually the one used when he was first assigned to the Basin.

"Twenty-three years ago this was the route," he said. The parade route is not, and never has been, etched in stone, he added.

If this route proves inadequate as well, said Hunt, it will be changed again next year. Although the main purpose of a parade is enjoyment, Hunt said it must also be safe.

"The bottom line is safety," he said.

Within five to six years, she estimated, approximately 700 to 1,000 students per year will be eligible for the course.

Burnside said MUSD is in such dire straights with its program because of the lack of teachers available to provide behind-the-wheel training. Because of teacher availability, she said, the program has been running on a part-time basis.

Another factor contributing to the problem has been failure of students to show up at their assigned driving times.

After hearing Burnside's presentation and receiving input from several driver education instructors, board members tabled a vote on the program until they can conduct their own research.

To get the ailing program back on track, Burnside proposed two alternatives to the current program, which will cost the district about $54,000 to cover the 450 sophomores now on the backlog list.

Court-martial put on hold

By KELLY MOORE
Hi-Desert Star Assistant Editor

General court-martial proceedings against U.S. Navy Lt. Kathleen A. Mazure were temporarily withdrawn Monday after she agreed to accept non-judicial punishment, reported a spokesman aboard the Marine Corps Air Ground Combat Center in Twentynine Palms, where Mazure is stationed.

"Lt. Mazure agreed to accept non-judicial punishment under Article 15 of the Uniformed Code of Military Justice, therefore charges have been temporarily withdrawn for a general court martial until such time as the matter is resolved," said Chief Warrant Officer Doug Hauth of the combat center's public affairs office, reading from a prepared statement.

Mazure, a dentist at the combat center's dental clinic, faced the court martial on charges that she fraternized with Scott M. Price, the man who is now her husband, while he was an enlisted Marine. The nature of the fraternization was listed by the Marine Corps as "an intimate relationship."

He explained that if Mazure "totally accepts punishment" meted out by Maj. Gen. Gene A. Deegan, commanding officer of the combat center, the court-martial will be completely withdrawn. If she choses not to accept the punishment, it will proceed as planned, Hauth said. If convicted, she could be imprisoned for up to two years and dismissed from the Navy.

Under the military justice code, Mazure will have five days to respond to the punishment rendered by Deegan, which could include suspension of duty for up to 30 days, forfeiture of one-half of one month's pay for up to two months or a restriction of up to 60 days. Hauth explained that military personnel placed under such restrictions are allowed to work at their duty station but are confined to their quarters while off duty. He said he did not know how such a restriction would be applied in Mazure's case if it were part of her punishment.

Deegan's decision on the matter could be rendered as soon as Tuesday, Hauth said.

Charges against Mazure were filed after a formal Article 32 investigation, which is a military proceeding similar to a grand jury investigation. Charges were not filed against Price, who was honorably discharged from the Marine Corps "for the convenience of the government" on May 10, according to another prepared statement delivered by the public affairs office.

The couple was married after the filing of charges.

Missing woman found unharmed

A woman reported missing in the desert early Thursday morning was found safe nearly 24 hours later, the Morongo Basin Sheriff's Station said.

Leah Huff Cooper, 41, was located by trackers from the Morongo Basin and Barstow sheriff stations in a remote area 42 miles east of Twentynine Palms just before midnight Thursday. The victim was found approximately one mile south of State Route 62, south of the area where she had left the road and wandered into the desert.

A spokesman for the sheriff's station said Cooper had been traveling to Hollywood with her husband when they pulled over on SR 62 and, for reasons unknown, she wandered into the desert. She was reported missing at 12:30 a.m. Thursday.

Trackers reported that Cooper, who spent nearly 24 hours without food or water, was tired, hungry and thirsty, but otherwise uninjured when found. Cooper had wandered aimlessly in the rugged terrain, making tracking difficult, a sheriff's report said.

Several area agencies were involved in the search, including Morongo Basin Search and Rescue, Morongo Basin Citizen Volunteer Posse, Barstow Search and Rescue, three members of the California Rescue Dog Association, and local Radio Amateur Communications Emergency Services members.

Cooper was taken to the Hi-Desert Medical Center in Joshua Tree for examination and subsequently transported to the San Bernardino County Mental Health Unit for evaluation.

Highway repair work will continue for at least a week

Traffic on portions of State Route 62 will be reduced during the next few weeks while crews from the California Department of Transportation apply chip sealing, said a spokesman for the Morongo Basin office of the California Highway Patrol.

Construction began Monday with traffic between Sunny Vista Road and Sunfair Road in Joshua Tree reduced to two lanes. A CHP spokesman said the crews will work their way west from Sunfair to Morongo Valley.

Speed limits will be reduced to 35 miles per hour within the construction zones and motorists should be on the look-out for Caltrans workers, said the spokesman.

A portion of the chip sealing — a combination of oil and cinders — was applied to the stretch of SR 62 within Yucca Valley about two weeks ago.

A psychiatric evaluation has been ordered to determine whether a warrant officer stationed at the Marine Corps Air Ground Combat Center in Twentynine Palms is mentally fit to face the multiple rape charges that have been filed against him, the prosecutor on the case reported.

Deputy District Attorney Ben Sasnett said the results of a psychiatric evaluation of Chief Warrant Officer Richard Eugene Clark, 34, will be announced at a preliminary hearing scheduled for June 8. The hearing was delayed from May 4 when Clark's attorney, public defender Jerry Bynum, requested the evaluation.

A total of eight charges have been filed against Clark including two counts each of kidnapping, forcible oral copulation and forcible rape and one count each of burglary and rape by a foreign object, Sasnett said. The charges stem from two separate incidents earlier this year, one involving a 16-year-old girl.

Detective Steve Mullens of the Morongo Basin Sheriff's Station said Clark was arrested on March 18 in connection with the Feb. 11 kidnapping and rape of a 22-year-old Twentynine Palms woman.

Additional charges were filed on April 26 after evidence linked Clark to a similar incident involving a Twentynine Palms juvenile on Jan. 6.

Mullens said Clark originally faced five charges after he allegedly broke into a Twentynine Palms home on Feb. 11 — resulting in the burglary charge — and kidnapped the 22-year-old woman. Clark allegedly took the woman to a remote area where she was raped and forced to perform oral sex.

Clark was later linked to the rape of the 16-year-old by a description the victim gave investigators of the suspect and vehicle used in the crime.

The second incident occurred on Jan. 6 when Clark allegedly offered the juvenile a ride in Twentynine Palms. After accepting the ride, the victim was allegedl said M driven sexuall

The southern battalion's goal this year is to reduce the two major causes of fire, Green said.

In June, CDF personnel will begin visiting homes throughout the Basin to conduct 15- to 20-minute fire inspections to determine if the residences meet state fire safety qualifications. Inspections will be conducted through mid-August, Green said. (Actual fire safety requirements will appear in the final story in this series.)

When inspectors go to a home and determine that a homeowner is in violation of laws, they give the resident a warning letter that requests compliance. After two to three weeks, they return and if the resident still has not complied, they are given a one-week extension. After that time, if there is still no compliance, citations are issued to ensure that the person does make their home or property fire safe, Green said, adding that a citation may carry a fine.

Green estimated that of the 500 homes his personnel inspect each year, usually half are found not to be up to fire safety standards. However, he said, most residents are willing to comply with the first warning. Usually, he noted, only two or three fail to comply even after the third visit.

A South Gate man was arrested for drunken driving Monday following a head-on collision in Twentynine Palms, the Morongo Basin office of the California Highway Patrol reported.

Vincent Murphy, 37, was driving eastbound on State Route 62 in the wrong lane at about 8 p.m. After several near misses with opposing traffic, Murphy finally struck a vehicle driven by Warner Allen, 45, of Portland, Ore., near the intersection with Encilia Avenue.

Although Allen escaped the accident unscathed, two passengers in his vehicle — Mike Marsh, 36, and Dennis Messoune, 35, both of Salem, Ore. — suffered minor injuries. Neither was hospitalized.

Murphy was treated for minor injuries at the Hi-Desert Medical Center in Joshua Tree and later arrested for drunken driving, a CHP report said.

Both Lonnie and Gary said that the key aspect of becoming a top shooter is overcoming nerves.

"60 percent of shooting is nerves. Almost anyone can be a great shooter in practice. But it takes a certain kind of person to shoot in a match because they're battling the clock, spectators and trying to concentrate on the obstacles," Gary added.

This year alone, Lonnie has won both championships at the "End of Trail" and at Lytle Creek.

With the determination and the strong coaching, plus the support of her sponsors, Cimmarron Arms Co. of Houston, Twentynine Palms Gun Club and The Country Side Ranch and Supply of Yucca Valley, it appears that Lonnie will reign as champ for a very long time to come.

Combat Center sets tenth annual rodeo

The Military Rodeo Association National Finals is slated at the Marine Corps Air Ground Combat Center in Twentynine Palms May 20 through 22. This will be held in conjunction with the combat center's 11th annual rodeo.

The rodeo will be open to the public in the following events: calf roping, team roping, steer wrestling, girls' breakaway and girls' barrel racing.

Jenice Miller, veteran producer of rodeos and sporting events, has teamed up with MRA President Yolanda Jones to coordinate this year's rodeo.

Because of Miller's involvement with movie stars and celebrities, there will be a celebrity roping and cutting competition.

Among the many celebrities attending will be Christina Paine, current Resistol Cowgirl; Ethan Wayne; Richard ("Grey Fox") Farnsworth; and Jennifer ("Summer of '42") O'Neill.

Along with the celebrities, the Riata Ranch Cowgirls will be performing precision riding drills and rope tricks.

Throughout the weekend there will be trick shooting, riding, roping, arts and crafts as well as other exhibitions held on the rodeo grounds.

Softball tourney set in 29 Palms May 13-15

The Marine Air Ground Combat Center will be hosting the fourth annual Navy Relief Softball Tournament on May 13 through 15.

The slo-pitch tournament is open to 30 men's teams, 10 women's teams and 10 coed teams. Coed teams must include at least three women and three men. Civilian and military teams are encouraged to participate.

Cost of the two-day tourney is $135 per team. Checks should be made out to the Navy Relief Fund and mailed to Master Sgt. R.L. Williams, B Company, Headquarters Battalion, MCAGCC, Twentynine Palms, CA. 92278-5010 with a registration form.

Forms should include team name, coach/sponsor, phone number, address and team roster (if possible).

Trophies will be awarded to the top four teams.

For further information, contact Sgt. Maj. H.S. David at 368-6609 or Master Sgt. Williams at 368-6376.

RODEO ENTERTAINERS—Trick-shot artist Peter Sherayko and Native American Indian dancer Jones Benally will perform at the Grubstake Days Rodeo May 27, 28 and 29.

Rodeo to feature trick-shooter, dances

Entertainment for the 1988 Grubstake Days Professional Rodeo Cowboys Association Rodeo will feature authentic Indian dancing and trick shooting May 27, 28 and 29.

The Jones Benally Family from the Grand Canyon and Peter Sherayko will perform in the rodeo arena, to be located on carnival grounds behind American Savings and Loan.

They will also make an appearance in the Grubstake Days Parade May 28.

Jones Benally, who will include the "Hoop Dance" in the show, is one of the few remaining Native American Indians who still perform this dance, Jenice Miller, PRCA executive producer, said.

Benally has been featured in many programs, including the Fort Worth Livestock Show and Rodeo and the Charlie Daniels Slim Jim Revue.

Trick-shot artist Sherayko will be performing from horseback in the rodeo arena.

During July and August last year, he toured with the American Wild West Show in China — the first wild west show ever to appear there, Miller said.

Besides his recent role as Charles Bronson's co-star in "Death Wish IV," Sherayko has made guest appearances in "Crime Story," "Jake and the Fat Man" and "B-Men." He is currently working on a new movie, "Warlock."

He also served as co-host in the all-star celebrity salute to President Reagan last October, several soap operas and off-Broadway plays.

Currently living in San Fernando Valley with his wife Susan, Sherayko's Caravan West Productions annually produces the wild west portion of Country Scene — a two-day event that last year entertained more than 250,000 country fans from across the United States, Miller stated.

Sherayko is active with many charity organizations. He is involved with the Bureau of Land Management Adopt-A-Horse program; celebrations of the American bald eagle; Ahead with Horses, a therapy program for disabled children; and Wildlife Way Station, providing homes for exotic animals abandoned by their owners.

Rodeo tickets are now available at the Yucca Valley Chamber of Commerce office, 56020 Santa Fe Trail, Suite B, or at Mock Brothers Saddlery, 55818 Twentynine Palms Highway.

Pre-sale prices are $5 for adults, $2 for children and $15 for a family of two adults and three children.

Grant fur for JT ce addition

Federal community development funds allocated by the county Board of Supervisors on Monday will allow a planned addition at the Joshua Tree Community Center to be completed.

Joshua Tree Parks Department Director Larry Tyerman said the $200,000 allocation will allow ground breaking to take place within the next 60 days.

Total cost of the project was estimated at $400,000, Tyerman said, with the additional money having been set aside previously.

Plans call for a 6,000-square-foot addition to be built onto the east side of the Joshua Tree Community Center, doubling its size. The addition will include an assembly area, Tyerman said, making it possible for the entire building to be open for larg

The Twentynine Palms Water District will be permitted to drill a well within the boundaries of the Joshua Basin Water District under an agreement approved by the two agencies, Gary Brockman, Joshua Basin general manager, announced Tuesday.

The well, located in the northeastern corner of Joshua Basin's territory, will serve the Lear Avenue project being constructed by the Twentynine Palms district.

Brockman said the underground water flow in the area of the proposed well is probably a recharge source for one of the basins within the Twentynine Palms Water District.

He also noted that the fluoride levels of the ground water in the area are too high for Joshua Basin, which is governed by a California state law that prohibits the sale of water exceeding a fluoride level of 1.9

School district urged to double its minority staff

By SONIA AGUILAR MIRELES
Hi-Desert Star Staff Writer

JOSHUA TREE — As part of 10 recommendations submitted to the Morongo Unified School District Board of Education on Feb. 21, the district's Affirmative Action Committee advised MUSD to double its percentage of minority certificated employees over the next five years.

The goal would mean an increase to an 8 percent minority representation in the number of MUSD teachers and administrators, which comprise the certificated personnel, Arvo Toukonen, assistant superintendent for personnel services, told the board at its regular meeting held here at Friendly Hills Elementary School.

Toukonen's report was based on the California Basic Educational Data Survey taken in MUSD on October 17. According to the CBEDS count, 16 MUSD certificated employees out a total of 418 are minorities, including three American Indian or Alaskan natives, six Hispanics, two Asians, one Filipino and three blacks of non-Hispanic origin.

Out of a total of 8,738 MUSD students, the CBEDS report states, 1,726 are minorities and Hispanics account for about half of the minority students and 10 percent of the total student population.

Al Dieste, assistant principal at La Contenta Junior High School, presented to the board the recommendations drafted by the committee, consisting of Lynda Bird, teacher at Twentynine Palms Elementary School; Melba Swift, clerk at TPES; Gloria McGee, teacher at Palm Vista Elementary School; Dieste and Toukonen.

Another recommendation was the creation of a five-year plan for affirmative action, which should be reviewed yearly using information obtained through studies like CBEDS and the 1990 U.S. Census, now in progress.

Doubling the percentage of minority certificated employees would be the "bottom line" aim of the plan, he said, not because that would be the ideal situation, but because it is a realistic goal.

Other actions recommended to the board were:

- To concentrate affirmative action on certificated employees, because many are hired outside the district, Dieste said, and it is feasible to direct outside recruitment to areas with more minority candidates.

That targeting strategy cannot be used with certificated personnel (all non-certificated employees), Dieste said, because most classified employees are hired locally. "We are getting a good cross section of the community," he added.

Toukonen's printed report showed a CBEDS count of 322 MUSD classified employees, 35 belonging to minority groups. As shown in the CBEDS report, minorities make up 11 percent of MUSD's classified personnel, as opposed to only four percent of certificated personnel.

3,600 more Marines headed for Combat Center

TWENTYNINE PALMS — The United States Marine Corps' has decided to move 3,600 servicemen from Marine Corps Base Camp Pendleton in Oceanside to the Marine Corps Air Ground Combat Center here, announced Combat Center officials in a statement released Monday.

On Jan. 18, the Hi-Desert Star reported that the Marines had decided on the move, but no specific details were available.

The press release, prepared by Chief Warrant Officer Doug Hauth of the Combat Center's Public Affairs Office notes that the move to bring the 7th Marine Regiment, an infantry regiment, and its support artillery battalion, the 3rd Battalion, 11th Marines, (3/11) to the Combat Center began on Jan. 24 when the 1st Battalion, 4th Marines (1/4) was renamed the 3/11.

That measure involved no physical move as 1/4 was already stationed aboard the Combat Center.

The Marines also released a tentative schedule for the physical movement of the regiment:

- December, 1989-January, 1990: the regiment's Headquarters Co.; 1st Battalion, 7th Marines; Heaquarters Battery of 3/11; Battery E, 2nd Battalion, 12th Marines; and Battery H, 3rd Battalion, 11th Marines will move.
- May-July 1990: 2nd Battalion, 7th Marines and Battery I, 3rd Battalion, 11th Marines will move.
- September-October 1990: Battery G, 3rd Battalion, 11th Marines will move.
- May-July 1991: 3rd Battalion, 9th Marines will move.

The statement said the timing of the moves is based on the Marine Corps' Unit Deployment Program, which has infantry battalions rotating between California and Okinawa, Japan. The 7th Marines has one battalion on a six-month deployment at all times under the program, so only three infantry battalions will be aboard the Combat Center at any one time.

With the completion of the move in 1991, however, the approximately 1,400 families of all four battalions will live in the Morongo Basin, Hauth noted.

Hauth said in the release that additional construction will n be required to accommodate the newly arrived Marines a their families. He also noted that medical, dental, commissar post exchange and special services facilities will be adequat As the Star reported in January, the Combat Center has been i volved in an agressive construction program aboard the ba since 1985 to prepare for additional residents.

At Camp Pendleton, which Hauth reported is overcrowd units will be relocated from older facilities to newer ones v ated during the regiment's move.

Hauth noted that the impact on civilian employment at cit base has not yet been determined.

The mission of the 7th Marines is to train, exercise, plan in conjunction with the Marine Prepositioning Force (amph ous operations) deploy in response to contingencies threa vital interests of the United States, Hauth reported.

Gas explosion rips train wreck site, killing 2

By BARBARA METZLER
Associated Press Writer

SAN BERNARDINO (AP) — A geyser of gasoline erupted from a ruptured pipeline Thursday and exploded into flame, engulfing the neighborhood where a runaway train earlier this month demolished a row of houses. At least two people were killed.

There was a "very good possibility" the 14-inch pipeline was damaged by the earlier train accident, said Ken Seal, manager of the Las Vegas office of the Calnev Pipeline Co.

At least 28 people were injured, three critically. Ten homes and 18 cars were destroyed and five homes were damaged in the blaze that radiated so much heat that pets and garden corn stalks were singed two blocks away.

"It looks like a bomb went off over Duffy Street," City Attorney James Penman said at the scene, across the street from where the train destroyed six houses on May 12 and damaged five others.

"It's like a nightmare," said Delores Jones, whose house was destroyed by the fire. "I haven't slept since the train wreck. It's come back to haunt me."

A fountain of gasoline spouted above ground just before the explosion, said Paul Allaire, a city information officer. "It was up in the air — high pressure — like a geyser," he said.

A passing freight train may have ignited the spewing gasoline, said Southern Pacific spokesman Bob Taggart. Residents have complained that train wheels throw off sparks as they round a curve and say trainmen walk alongside afterward and douse small fires.

"A train passed through here just minutes before the explosion," Taggart said. "In fact, they looked back and saw it."

Flames roared 300 feet skyward, and thick, black smoke rose thousands of feet high after the 8:11 a.m. explosion from the ruptured 14-inch pipeline.

After the train wreck, Calneva had assured authorities the pipeline was examined and was safe. "I don't know if every inch of the thing" was inspected, said Calneva representative David Andries.

"My windows started shattering," said June Chung, whose home in Rialto overlooks the scene from about a mile away. "The houses were on fire, the cars. One man ran out. He was in flames."

The ruptured pipeline is buried six feet deep near the spot where a Southern Pacific freight train derailed, killing two crew members and two boys in a home.

The pipeline carries gasoline, diesel and jet fuel from a tank farm in Colton, several miles from the blaze site, to Nevada, supplying the Las Vegas Valley with 90 perc fuel.

The flow of fuel through the pipeline was shut off automatic alarm signaled a drop in pressure, said Jed R Calnev general manager in San Bernardino. But fuel n in the shattered pipe continued to burn fiercely through the day. Robinson said up to 12,000 gallons of gasoli

The Yucca Water Co., Ltd. improvement project, at least 18 months behind schedule, will suffer a major setback on June 30 when the contract allowing it to borrow more than $4.5 million in improvement funds ends.

Rebecca Hoepcke, an official with the state Department of Water Resources, said the contract can be extended if such a request from Yucca Water owner/operator Ted Jurling is approved.

Jurling has not made that request.

When asked Wednesday about the deadline, Jurling said he didn't know the status of the contract.

"That's news to me," he said of the impending loan cutoff.

The project, paid for with a Safe Drinking Water Bond Act loan, was supposed to be completed on June 30, some 20 months after Yucca Water was given permission to borrow $4,610,268.

With the money, the Yucca Water system was supposed to be brought up "to minimum waterworks standards and to provide safe drinking water to its customers," stated the contract.

But from the first day, the improvement project has been plagued by delays caused by Jurling's negative attitude toward the project and the discovery that the system was and is in much worse shape than expected, said those involved in the improvement.

Employees with Albert A. Webb Associates, the Riverside engineering firm in charge of the project, said they have spent untold hours slowly compiling maps that accurately show existing pipeline and valve locations.

Until now, no such maps

In a progress report dated 24, 1989, and sent to 17 pe volved in the improvement Fred Hanson, the chief Web neer on the project, wrote: " understatement to say that it important to Webb and to the to have accurate and curren mation about the Water Com existing pipelines."

Monument climber critical after fall

By LONNIE ZINGULA
Hi-Desert Star Staff Writer

A Washington state man was critically injured when he fell while rock climbing in the Joshua Tree National Monument on Thursday.

Francis Walters, 45, of Port Angeles, Wash., fell approximately 25 feet while climbing Old Woman Rock with two men he had apparently just met that morning, said Park Ranger Jim Schlinkman. The rock is located in Hidden Valley Campground.

Walters was lead climbing with John Mellis, 24, and Brian Steeves, 20, both of British Columbia, Canada, when the fall occurred, said Schlinkman. The three were attempting a climb rated in difficulty at 5.09. Schlinkman explained that climbs are rated on a scale between 5.0, which is easiest, to 5.13, the most difficult.

Understandably reluctant to accept the estimates at face value, the directors referred the matter to its pipeline committee for revision and trimming.

After excluding many expenses included in the original estimate that would not be needed until after the project was voted on, the committee was able to trim the estimate to

School board backs in

Hi-Desert Star Assistant Editor

Morongo Unified School District Board of Education members Feb. 16 voiced their support for an initiative proposed to make school districts more accountable to the state in the areas of maintaining and improving instruction while ensuring education funding never drops below 1986-87 allocations.

The School Funding for Instructional Improvement and Accountability Initiative will be placed on the November ballot if enough signatures are collected to certify it for a vote.

Staff Sgt. Richard Carter is being transferred to the Marine Corps Air Station in Iwokuni, Japan, for a one-year tour of duty.

He has been in the Marine Corps for 10 years.

Carter and his wife Michelle have lived in the Landers area for four years where they maintain a small ranch which includes livestock as well as their pet animals.

The Carters originally hail from Binghamtou, New York.

Carter is an engineer chief at the Twentynine Palms Marine Corps Air Ground Combat Center, 3rd Tank Battalion, Maintenance Platoon.

He also counsels persons who have been referred to a drinking-driving program through the courts. He does this counseling at the Jackson-Bibby Awareness Group in Joshua Tree.

"I hope that the time I spent with my clients has helped them to understand the danger to themselves and others while drinking and driving," Carter said.

He has been with the awareness group for nearly three years and hopes to resume his counseling duties with the group upon his return from Japan.

While in Japan, he plans to keep his counseling skills sharpened.

Nature Museum

By EVELYN CONKLIN
Museum Curator

The annual wildflower display at the Hi-Desert Nature Museum of Yucca Valley is now in full swing.

It is an early start for the season, but already some four dozen varieties are being exhibited.

Many of the flowers now on display are blooming in the low desert regions while about a dozen are from the immediate area.

While on display, each variety is labeled with common, scientific and family names. Many have pertinent information concerning medicinal, edibility and folklore.

It's always a delight to be able to know the names of the flowers one encounters or sees on one's property. A visit to the museum will help you learn something about these brave and delightful inhabitants of our desert.

One can only admire the struggle and fortitude of these plants to survive against such great odds and yet produce such beauty for our enjoyment.

The Hi-Desert Nature Museum is located on Dumosa off Highway 62 in the Yucca Valley Community Center complex and is open from 1 to 5 p.m. Wednesday through Sunday.

Basin United Way drive short of goal, but tops previous year

By KELLY MOORE
Hi-Desert Star Assistant Editor

Despite a celebrity kickoff and an agressive fund drive, Morongo Basin United Way's Fall Campaign fell far short of the $150,000 the organization hoped to raise, which may cause its member agencies some difficulties.

Lynda Bryson, executive director for the local agency, said Monday the drive raised $118,156, a growth of only four percent over last year. While the drive officially ended Jan. 14 — when the MBUW board accepted a campaign report she provided — Bryson said the agency will continue accepting donations and identifying employee campaigns throughout the year.

Because the drive fell short of the goal, set at about 34 percent over last year's campaign total of approximately $112,000, member agencies will receive a 20 percent across-the-board reduction in allocations, she said.

That reduction could require

"We felt that even though it was a stretch goal and a challenge, we need to start stretching," she said. "It's sad to know our agencies are going to have to cut back, but unless Morongo Basin United Way receives a real windfall of new pledges there's little we can do."

On a brighter note, the Combined Federal Campaign run by the agency raised $137,090, Bryson said, and the organization is looking into several fund-raising venues it has not

the MBUW felt it was deserving of the funding because of the service it provides the community, she said.

Monies raised during the Fall Campaign and Combined Federal Campaign will be allocated in May after final campaign receipts are received, she said.

To support its fund-raising needs, the agency needs between 50 and 100 additional campaign volunteers to help the 56 current volunteers contact retired individuals and the owner-operators and employees of the Basin's small businesses, Bryson said.

"These population groups continue to be our largest untapped resource," said board President John Viola. "It's a constant challenge and massive task to find new ways to call on businesses and individuals."

To volunteer or make an individual donation, call the MBUW at 366-8454 or stop by the office at 62057 Twentynine Palms Highway in Joshua Tree.

3 **Q. We did talk about the fish.**
4 A. Yes.
5 **Q. Was the fish that was contained in the fish**

11 A. Yes, it was the same.
12 **Q. -- just like the burrito?**
13 A. Um-hum.
14 **Q. Was that a "yes"?**
15 A. Yes.
16 MR. BERRETTA: Remember, let her finish the question
17 before you answer so you're not both not talking at the
18 same time.
19 MS. ARMENTA: It makes it hard for the court
20 reporter to get the testimony down. Okay.
21 **Q. So we've got the beef taco, the fish taco, the**

23 **were served and sold at the time that your father owned**
24 **the restaurant?**
25 A. No.

10 A. No.

18 MS. ARMENTA: Okay. Let's go back.
19 **Q. Tell me approximately how many times you've**
20 **been to the El Cajon restaurant over your lifetime.**
21 A. When he first opened, lots of times. I don't
22 know how many times.
23 **Q. When you say "lots of times," can you give me**
24 **an estimate of how many times?**
25 A. No, I can't.

Page 25

1 **Q. More than 100 times?**
2 A. I don't know.
3 **Q. No idea?**
4 A. No idea.
5 **Q. Okay. Why did you stop going there lots of**
6 **times? You said that when he first opened, you went**
7 **there lots of times, but now you don't go. Why not?**
8 A. There's nothing for me to do there.
9 **Q. Do you have any recollection whatsoever as to**

16 **Q. And would you say the beginning 19- --**
17 A. When he opened.
18 **Q. Around the time he opened?**
19 A. Um-hum.
20 **Q. For how long after was he doing the same as**
21 **you?**
22 A. I don't know.
23 **Q. Was there a point that you saw that there was a**
24 **change?**
25 A. Not really.

Page 26

1 **Q. Okay. So when you say in the beginning he was**
2 **doing the same as you, for all you know, he may be doing**
3 **the same as you now?**
4 A. I don't know.
5 **Q. Okay. You have no idea whether --**
6 A. I don't have an idea.
7 MR. BERRETTA: Let her finish the question.
8 MS. ARMENTA: Okay.
9 **Q. When was the last time you went to the Casa de**
10 **Oro location?**
11 A. I don't know.
12 **Q. Have you ever been there?**
13 A. Yes.
14 **Q. Approximately how many times?**
15 A. Three times.
16 **Q. What was the purpose in your visiting the Casa**
17 **de Oro location?**
18 A. I don't recall.
19 **Q. Do you recall the purpose in your visiting the**
20 **El Cajon location?**
21 A. Not really, no.
22 **Q. Okay. Are you aware of any other restaurants**
23 **that Arturo Santana owns either individually or through**
24 **the corporation?**
25 A. No.

Page 27

1 **Q. Okay. Have you been to any restaurants owned**
2 **by Pedro Santana? I think he's your younger brother, is**
3 **that right, or is he your older brother?**
4 A. Older.
5 **Q. You are the youngest of the brothers?**
6 A. Yes.
7 **Q. So have you been to Pedro Santana's restaurant?**
8 A. No.
9 **Q. Never?**
10 A. Never.
11 **Q. Do you have any idea what kind of food Pedro**
12 **Santana serves at his restaurant?**
13 A. No.
14 **Q. Do you know what it's called?**
15 A. No. I have an idea, but I don't know the exact
16 name.
17 **Q. What's your idea?**
18 A. Something Burritos. I don't know.
19 **Q. How many brothers are you in your family?**
20 A. Five, four brothers and one sister.
21 **Q. Four brothers and one sister?**
22 A. Yes.
23 **Q. And as far as you know, three of you are**
24 **involved in the restaurant business?**
25 A. As far as I know what?

Page 28

1 **Q. Three of you are involved in the restaurant**
2 **business, Pedro, Arturo, and you?**
3 A. Yes.
4 **Q. Your other brother is Benito?**
5 A. Um-hum.
6 **Q. Is he involved in the restaurant business?**
7 A. In Mexico.
8 **Q. And you understand, don't you, that in the**
9 **federal court litigation, that your corporation sued**
10 **your two brothers, Arturo Santana and Pedro Santana, do**
11 **you understand that?**
12 A. Yes.
13 **Q. Why did you do that?**
14 MR. BERRETTA: Vague.
15 MS. ARMENTA: Let's go back. We'll come back to
16 that.
17 **Q. Have you ever been to any of the restaurants**
18 **run by Arturo Casteneda?**
19 A. Have I been there?
20 **Q. Yes.**
21 A. Yes.
22 **Q. Which of the restaurants have you been to?**
23 A. Yucca Valley.
24 **Q. Have you ever been to any of the others?**
25 A. No.

Page 29

1 **Q. You've never been to Spring Valley -- excuse me**
2 **-- you've never been to 28005 Bradley Road in Sun City?**
3 A. No.
4 **Q. Have you ever been to 73680 Sun Valley Drive in**
5 **Twentynine Palms?**
6 A. No.
7 **Q. So the only one that you've been to is 56547**
8 **Twentynine Palms Highway in Yucca Valley?**
9 A. Yes.
10 **Q. Okay. What was your purpose in going to that**
11 **restaurant?**
12 A. What was my purpose in going there?
13 **Q. Yes. Why did you go?**
14 A. Why did I go? I used to supply it with what
15 they needed.
16 **Q. Did you ever visit the Yucca Valley restaurant**
17 **for any purpose other than supplying it with what they**
18 **needed?**
19 A. No.
20 **Q. Okay. What did you used to supply the Yucca**
21 **Valley restaurant with?**
22 A. Tortillas, the meat, the produce, everything.
23 **Q. At the time that you were supplying that**
24 **restaurant with whatever it needed, did your father own**
25 **the restaurant?**

Page 30

1 A. Yes -- yes.
2 **Q. Have you ever been to the restaurant during the**
3 **time that Arturo Casteneda was operating it?**
4 A. Once.
5 **Q. What was your purpose in going that one time?**
6 A. It was the wedding of his sister.
7 **Q. Of Arturo Casteneda's sister?**
8 A. Yes.
9 MR. BERRETTA: Excuse me, Cris. Do you need to get
10 that call, your cell phone, because I don't want you to
11 be distracted.
12 THE WITNESS: No, no.
13 MS. ARMENTA: It didn't even sound like he heard it.
14 THE WITNESS: No. I don't need to.
15 MR. BERRETTA: Okay.
16 BY MS. ARMENTA:
17 **Q. So the one time you went to the Casteneda**
18 **restaurant was Mr. Casteneda's sister's wedding?**
19 A. Correct.
20 **Q. And you were an invited guest?**
21 A. Yes.
22 **Q. Other than attending this social function, did**
23 **you have any other purpose in visiting the Yucca Valley**
24 **restaurant since the time Mr. Casteneda has operated it?**
25 A. No.

Page 31

1 **Q. When you were supplying the Yucca Valley**
2 **restaurant with product -- let me just make sure I'm**
3 **clear on this -- that was during the time that your**
4 **father owned the restaurant; is that right?**
5 A. Correct.
6 **Q. Okay. And you were supplying it with**
7 **tortillas, with the same tortillas that were being sold**
8 **at the Rosecrans restaurant?**
9 A. Yes.
10 **Q. And at the time that you were supplying the**
11 **Yucca Valley restaurant with those tortillas, were they**
12 **the same tortillas from the same vendor that had**
13 **supplied your father's restaurant on Rosecrans at the**
14 **time he owned it?**
15 A. Yes.
16 **Q. What about the meat vendor, at that time that**
17 **you were supplying the Yucca Valley restaurant with**
18 **meat, were you using the same meat supplier who supplied**
19 **your father at the time that he owned Rosecrans?**
20 MR. BERRETTA: Vague. Do you understand the
21 question?
22 MS. ARMENTA: I'll withdraw the question.
23 **Q. So the tortillas that you were supplying to**
24 **Yucca Valley at the time you supplied them were the same**
25 **ones that you were using then at Rosecrans; is that**

Page 32

1 **right?**
2 A. Right.
3 **Q. And the meat that you were using to supply**
4 **Yucca Valley was the same meat that you were then using**
5 **at Rosecrans?**
6 A. I don't know. I don't recall.
7 **Q. Okay. Were you using the same produce both at**
8 **Yucca Valley and -- both to supply Yucca Valley and at**
9 **Rosecrans at the time you were supplying to both?**
10 A. We could have been buying it here. Sometimes
11 we buy it there, sometimes here. I don't know.
12 **Q. Okay. So the produce is something you would**
13 **change vendors depending on the market?**
14 A. The only vendor that we used the same always is
15 tortillas.
16 **Q. Do you continue to use that same tortilla**
17 **vendor today?**
18 A. Yes.
19 **Q. Okay. Let's go back to the federal lawsuit.**
20 **You said you understood that your corporation had sued**
21 **your two brothers in federal court?**
22 A. Yes.
23 **Q. Do you have an understanding as to why you did**
24 **that?**
25 A. Yes.

Page 33

1 **Q. Tell me what your understanding is.**
2 A. My understanding is that I had an agreement
3 with Arturo Santana when he first opened El Cajon on
4 Broadway that we were going to do the same thing.
5 That's why.
6 **Q. Any other reason?**
7 A. No.
8 **Q. Okay. When you said you had an agreement with**
9 **Arturo Santana, were you referring to Arturo Santana**
10 **Lee, your brother?**
11 A. Lee, my brother, yes.
12 **Q. Did you have any agreements like that with your**
13 **father?**
14 A. No.
15 **Q. When your father sold you -- strike that.**
16 **When your father gave you the Rosecrans**
17 **restaurant, did you enter into any agreements with him**
18 **as to how he was going to operate Yucca Valley?**
19 MR. BERRETTA: Assumes facts not in evidence.
20 MS. ARMENTA: Are you objecting to the term "gave"?
21 MR. BERRETTA: Yeah.
22 MS. ARMENTA: Okay. Let me go back.
23 **Q. When you became owner of the Rosecrans**
24 **restaurant, did you enter into any agreements with your**
25 **father with respect to his operation of the Yucca Valley**

Page 34

1 **restaurant?**
2 A. No.
3 **Q. Now, the Yucca Valley restaurant, when your**
4 **father was owning and operating it, it was called**
5 **Santana's Mexican Food, right?**
6 A. Right.
7 **Q. And the Rosecrans restaurant, at the time that**
8 **you became the owner of it, was also called Santana's**
9 **Mexican Food, right?**
10 A. Right.
11 **Q. Did you have any objection to your father**
12 **continuing to use the name Santana's Mexican Food at**
13 **Yucca Valley?**
14 A. No.
15 **Q. Why not?**
16 MR. BERRETTA: Vague.
17 BY MS. ARMENTA:
18 **Q. Oh, your lawyer is making an objection, and**
19 **it's going on the record. It will be on the record and**
20 **preserved. But if you understand the question, you**
21 **should answer it.**
22 A. Okay. Could you be a little more clear on your
23 question, please.
24 **Q. Sure. If you -- why did you -- strike that.**
25 **Why did you not care if your father continued**

Page 35

1 **to use the name Santana's Mexican Food at the Yucca**
2 **Valley restaurant?**
3 A. Because I only had one store at the time.
4 **Q. And now how many stores do you have?**
5 A. Six.
6 **Q. Why did you sue Mr. Casteneda?**
7 A. Because he wasn't doing the same thing as I
8 was.
9 **Q. Did you have any agreement with Mr. Casteneda**
10 **to do the same thing as you were?**
11 A. Not written down, no; not verbally, no. No, we
12 had no agreement.
13 **Q. Let's separate that out so we're clear. Did**
14 **you have any written agreements with Mr. Casteneda, to**
15 **use your words, to do the same things that you were**
16 **doing?**
17 A. No.
18 **Q. Did you have any verbal agreements with**
19 **Mr. Casteneda to do the same things that you were doing?**
20 A. No.
21 **Q. But you understood that the Yucca Valley**
22 **restaurant, which is now owned and operated by**
23 **Mr. Casteneda, has used the name Santana's Mexican Food**
24 **since the time your father owned it; is that correct?**
25 A. Correct.

Page 36

1 **Q. So why do you think Mr. Casteneda should have**
2 **been doing the same thing that you were doing?**
3 MR. BERRETTA: Vague. May call --
4 THE WITNESS: My --
5 MR. BERRETTA: Wait, wait, wait, wait. Let me state
6 my objection. Okay? We all have to not speak at once.
7 Then you can answer. Okay?
8 Vague; may call for a legal conclusion.
9 MS. ARMENTA: Do you want me to have the question
10 repeated?
11 THE WITNESS: Yes.
12 MS. ARMENTA: Would you read back the question,
13 please.
14 (Record was read as follows:)
15 "Q. So why do you think Mr. Casteneda should
16 have been doing the same thing that you were doing?"
17 THE WITNESS: Because it's called the same, because
18 they have the same name.
19 MS. ARMENTA: Okay.
20 **Q. Did you give Mr. Casteneda the right to use the**
21 **name Santana's Mexican Food?**
22 A. No.
23 **Q. Who did that?**
24 A. I don't know.
25 **Q. Well, the restaurant belonged to your father**

Page 37

1 **before Mr. Casteneda, right?**
2 A. Yes.
3 **Q. Okay. But you had no part in deciding what**
4 **name Mr. Casteneda would use?**
5 A. No.
6 **Q. Okay. But you think if Mr. Casteneda does the**
7 **same thing you do, it would be okay if Mr. Casteneda**
8 **used the name Santana's Mexican Food?**
9 MR. BERRETTA: Vague; calls for a legal conclusion.
10 THE WITNESS: I don't know.
11 BY MS. ARMENTA:
12 **Q. You don't know?**
13 A. I don't know.
14 **Q. Okay. Now, you said the reason --**
15 MR. BERRETTA: Cris, can we just take a short break.
16 MS. ARMENTA: Let me just get through this section.
17 I would prefer it.
18 MR. BERRETTA: Well, I'd like to just take a break,
19 if you don't mind.
20 MS. ARMENTA: I mind, because I'm in the middle of a
21 course of questioning.
22 MR. BERRETTA: I know, but a question is not
23 pending. So let's take five.
24 MS. ARMENTA: I object to the break for the record.
25 (Break taken from 10:04 to 10:13)

Page 38

1 (Mr. Arturo Santana Gallego not present.)
2 BY MS. ARMENTA:
3 **Q. Let's turn to the restaurants that Santana's**
4 **Grill, Inc., is currently operating, those six**
5 **restaurants. Is the menu at those restaurants**
6 **consistent and uniform?**
7 A. Yes.
8 **Q. Now, are you serving a carne asada burrito in**
9 **those restaurants?**
10 A. Yes.
11 **Q. How is that prepared?**
12 A. Guacamole and salsa.
13 **Q. And carne asada?**
14 A. Carne asada, yes.
15 **Q. Are these restaurants selling a fish burrito?**
16 A. Yes.
17 **Q. How is that fish burrito prepared?**
18 A. We don't make the batter anymore. It's already
19 prepared as equal sizes, because it's already frozen and
20 comes already prepared.
21 **Q. Okay. So in terms of the fish --**
22 A. It's completely different.
23 **Q. Well, let's go through and talk about how it's**
24 **different.**
25 A. Sure.

Page 39

1 **Q. In terms of the fish, that comes to you**
2 **frozen?**
3 A. It's always been frozen.
4 **Q. The fish has always been frozen?**
5 A. Yes.
6 **Q. Does the fish already now come prepared in the**
7 **batter?**
8 A. Correct.
9 **Q. And then is the fish deep fried on the premises**
10 **daily?**
11 A. Yes.
12 **Q. Is that the same as it was before, that part?**
13 A. What part?
14 **Q. The preparation of the fish alone.**
15 MR. BERRETTA: I'm sorry. It's vague as to
16 "before," what you meant by "before."
17 MS. ARMENTA: Okay.
18 **Q. Before we were talking about the time that your**
19 **father owned the restaurant on Rosecrans?**
20 A. Yes.
21 **Q. And we talked about the preparation of the**
22 **fish. And you told me that the fish was dipped in**
23 **batter, then it was fried?**
24 A. Correct.
25 **Q. Are you doing the same thing today at Santana's**

Page 40

1 **Grill, Inc., with respect to the preparation of the fish**
2 **for the fish burritos?**
3 A. No.
4 **Q. How is it different?**
5 A. It's already -- it comes frozen with batter
6 already.
7 **Q. Okay. So the one difference is that instead of**
8 **taking the fish and putting it in the batter, now the**
9 **batter comes prepared already with the fish?**
10 A. Um-hum.
11 **Q. Is that right?**
12 A. Yes. And at the time, it only was prepared
13 with mayonnaise, tartar sauce with mayonnaise. And now
14 it's a sauce that I prepare there.
15 **Q. Okay. So you're still serving the fish**
16 **burrito. And does it also have cabbage in it?**
17 A. Yes.
18 **Q. What else does the fish burrito have in it**
19 **today?**
20 A. Salsa. But it's prepared different too.
21 **Q. Okay, what else?**
22 A. That's it. The fish.
23 **Q. Okay.**
24 A. The fish, the tartar sauce -- now or then?
25 **Q. Now. What does the fish burrito that you are**

Page 41

1 **selling now contain?**
2 A. Okay. Cabbage, the fish already battered, the
3 tartar sauce that is prepared at the premises, and the
4 tortilla, and the lemon.
5 **Q. Okay. Are you also selling the fish taco**
6 **currently?**
7 A. Yes.
8 **Q. Are you selling carne asada tacos currently?**
9 A. Yes.
10 **Q. How do you prepare the carne asada taco**
11 **currently?**
12 A. Grilled carne asada, guacamole that is prepared
13 different than what it used to be, and salsa.
14 **Q. How is the guacamole different?**
15 A. It used to be prepared with onions and
16 tomatoes. Now it's all avocado.
17 **Q. Do you sell rice at your current locations?**
18 A. Yes.
19 **Q. Do you sell beans at your current locations?**
20 A. Yes.
21 **Q. What type of beans was it that were being used**
22 **to prepare the beans that were sold when your father**
23 **owned the restaurant?**
24 A. Pinto beans.
25 **Q. Are you using pinto beans?**

Page 42

1 A. Yes.
2 **Q. Are you selling tortillas?**
3 A. Yes.
4 (Mr. Arturo Santana Gallego entered the room at 10:18)
5 BY MS. ARMENTA:
6 **Q. What kind of tortillas are you selling?**
7 A. Flour and corn.
8 **Q. Who is your tortilla vendor currently?**
9 A. Gustavo Gonzales.
10 **Q. Is that the same Gustavo Gonzales that was the**
11 **tortilla vendor back when your father owned the**
12 **restaurant?**
13 A. Yes.
14 **Q. What kind of chips, if any, are your**
15 **restaurants selling now?**
16 A. The one that he supplies.
17 **Q. Okay. So the chips that are supplied that are**
18 **sold at your current restaurants are delivered by the**
19 **same vendor and prepared in the same way as the time**
20 **that your father owned the restaurant?**
21 A. Yes.
22 **Q. Okay. Does your menu include carne asada?**
23 A. Yes.
24 **Q. Is that carne asada made fresh daily?**
25 A. Yes.

Page 43

1 **Q. Does your menu include machaca?**
2 A. Yes.
3 **Q. Does that machaca include sliced thin tomatoes,**
4 **sliced thin onions, shredded beef, and bell peppers?**
5 A. No.
6 **Q. What does it include?**
7 A. California chili instead of bell peppers.
8 **Q. Any other differences?**
9 A. The amounts have been changed of the vegetables
10 and the meat.
11 **Q. Is it made fresh daily on the premises?**
12 A. Yes.
13 **Q. Does your current menu include chorizo?**
14 A. Yes.
15 **Q. Who is the vendor for your chorizo?**
16 A. Right now, it's Sea Port.
17 **Q. When was the last time you used Butcher Block?**
18 A. I don't recall.
19 **Q. Did you use Butcher Block for some time after**
20 **you acquired the restaurant from your father?**
21 A. Yes.
22 **Q. And for some time after you acquired the**
23 **restaurant from your father, did you continue to prepare**
24 **the chorizo in the same way?**
25 A. Yes.

Page 44

1 **Q. Okay. How long would you say, how long after?**
2 A. I don't recall.
3 **Q. Do you prepare the carne asada in the same way**
4 **today that it was prepared when your father owned the**
5 **restaurant?**
6 A. No.
7 **Q. Did you prepare the carne asada the same way**
8 **your father did when he owned the restaurant for some**
9 **time period after the point that you acquired the**
10 **restaurant?**
11 A. Yes.
12 **Q. For how long?**
13 A. I don't recall for how long.
14 **Q. Can you give me an estimate?**
15 A. Maybe a year.
16 **Q. You said that you prepare the fish tacos and**
17 **the fish burritos somewhat different today only because**
18 **the fish now comes prebattered?**
19 A. Um-hum.
20 **Q. Was there a time period after you acquired the**
21 **restaurant from your father that you continued to use**
22 **the same fish vendor and the same fish as he did when he**
23 **owned the restaurant?**
24 A. Yes.
25 **Q. For about how long?**

Page 45

1 A. I don't remember.
2 **Q. And you also said that the machaca recipe is**
3 **different in the amounts of the vegetables and the type**
4 **of pepper. Did you at some point after you acquired the**
5 **restaurant continue to use his machaca recipe for some**
6 **period of time?**
7 A. Yes.
8 **Q. For how long?**
9 A. I don't know.
10 **Q. After you acquired the restaurant from your**
11 **father, was there some period there where you utilized**
12 **the same menu as he utilized?**
13 A. Yes.
14 **Q. For about how long would you say the menu was**
15 **the same?**
16 A. I don't know. I really don't know.
17 **Q. Okay. Can you give me any estimate?**
18 A. No.
19 **Q. Okay. For some time period after you acquired**
20 **the restaurant from your father, did you continue to use**
21 **the identical recipes that he used when he owned and**
22 **operated the restaurant?**
23 A. Can you repeat the question, please.
24 MS. ARMENTA: Could you read it back, please.
25 (Record was read as follows:)

Page 46

1 "Q. Okay. For some time period after you
2 acquired the restaurant from your father, did you
3 continue to use the identical recipes that he used when
4 he owned and operated the restaurant?"
5 THE WITNESS: For a certain time.
6 BY MS. ARMENTA:
7 **Q. For about how long?**
8 A. I don't recall.
9 **Q. No memory whatsoever?**
10 A. No.
11 **Q. Do you know when the last time your father was**
12 **at your restaurant?**
13 A. No.
14 **Q. Do you know how many times your father has**
15 **visited your restaurants?**
16 MR. BERRETTA: Calls for speculation.
17 BY MS. ARMENTA:
18 **Q. Have you ever seen your father at any of the**
19 **restaurants since the time that you acquired Rosecrans**
20 **from him?**
21 A. Yes.
22 **Q. And did he -- at one restaurant or more than**
23 **one?**
24 A. I've seen him in more than one.
25 **Q. Have you seen him at all of them?**

Page 47

1 A. No.
2 **Q. Which restaurants have you seen him at?**
3 A. Rosecrans and Morena.
4 **Q. Was he actually inside the restaurant --**
5 A. Yes.
6 **Q. -- when you saw him at Rosecrans?**
7 A. Yes.
8 **Q. Was he actually inside the restaurant when you**
9 **saw him at Morena?**
10 A. I don't recall if it was inside or outside.
11 **Q. Did he eat at the Rosecrans location?**
12 A. I don't know. Probably, but I don't recall.
13 **Q. Did he eat at the Morena location?**
14 A. Probably. I don't know -- I mean, yes.
15 MR. BERRETTA: No, no. Don't guess if you don't
16 remember.
17 THE WITNESS: I don't remember. I don't remember.
18 The truth is, I don't remember.
19 BY MS. ARMENTA:
20 **Q. Do you know whether or not -- would you have**
21 **any way of knowing whether or not your father had been**
22 **at your other restaurants other than Rosecrans and**
23 **Morena?**
24 A. No.
25 **Q. Let's go back to the time that you acquired the**

Page 48

1 **restaurant from your father. You were working there for**
2 **about five years. And then what happened that led to**
3 **your eventual ownership of the Rosecrans restaurant?**
4 A. He sold it to me.
5 **Q. He sold it to you?**
6 A. Um-hum.
7 **Q. Is that "yes"?**
8 A. Yes. Sorry.
9 **Q. Did you pay for the restaurant?**
10 A. Yes.
11 **Q. Was there a written purchase and sale agreement**
12 **prepared for the sale?**
13 A. No.
14 **Q. What were the terms of the sale?**
15 A. I had a property, and he owed me some money,
16 and he gave it to me.
17 **Q. What did he owe you money for?**
18 A. Money that I lended him.
19 **Q. Were there any other terms of the sale of the**
20 **restaurant?**
21 A. No.
22 **Q. What property did you have?**
23 A. Some apartments in Tecate, Mexico.
24 **Q. Did you hold a deed to those apartments before**
25 **you purchased the restaurant from your father?**

Page 49

1 A. It was a family deal. Me and Pedro owned those
2 apartments, 50/50. He took my half. He owed me
3 $20,000, and he took that $20,000 and the half of the
4 apartments. That's what it was.
5 **Q. What did he owe you $20,000 for? You said**
6 **money that you lent him?**
7 A. Lent him, yeah.
8 **Q. Had you saved $20,000 or was this a loan that**
9 **grew over time?**
10 A. No, no. It didn't grew at all.
11 **Q. So you gave him $20,000 at one time. Then he**
12 **owed you $20,000?**
13 A. No.
14 **Q. How did it come about that you lent your father**
15 **$20,000?**
16 A. I lent him? I don't understand your question.
17 **Q. Okay.**
18 A. What was your question?
19 **Q. Why did you loan your father $20,000?**
20 A. Because he asked for them.
21 **Q. How did you have $20,000 to lend, where did you**
22 **get it?**
23 A. I had them.
24 **Q. You had saved it?**
25 A. I don't need to answer that. I saved them,

Page 50

1 yes.
2 **Q. Why do you feel that you don't need to answer**
3 **that?**
4 A. Because I don't remember. I had them at the
5 time.
6 **Q. Okay. So did you lend him $20,000 in a lump**
7 **sum of $20,000, or was this something that -- an**
8 **obligation of his that grew over time, you gave him a**
9 **little here, a little there, and it grew to $20,000?**
10 A. I don't remember.
11 **Q. Do you have any documentation at all to show**
12 **that you lent him $20,000?**
13 A. No.
14 **Q. Did you write a check to him for $20,000?**
15 A. No.
16 **Q. Did you give him cash?**
17 A. No.
18 **Q. Okay. Well, what were the circumstances**
19 **surrounding your loaning him $20,000?**
20 A. I rent -- I used to rent the place in Rosecrans
21 from him.
22 **Q. You used to rent what place in Rosecrans?**
23 A. 1480 Rosecrans, I used to operate it for him.
24 **Q. Okay. Before you said you were the shift**
25 **manager. Now are you saying something different?**

Page 51

1 A. Excuse me?
2 **Q. You said before you were the shift manager?**
3 A. This was afterwards.
4 **Q. Okay. Afterwards. Okay. So first your father**
5 **asked you to lend -- for you to lend him $20,000. And**
6 **you don't remember whether you gave it to him in cash, a**
7 **check, or even over time; is that correct?**
8 A. Correct.
9 **Q. Okay. And you don't have any documents or --**
10 A. No.
11 **Q. -- bank records or anything that would show --**
12 MR. BERRETTA: Let her finish.
13 BY MS. ARMENTA:
14 **Q. -- that you loaned him this money; is that**
15 **right?**
16 A. Correct.
17 **Q. Okay. And then your father, you say, sold you**
18 **the Rosecrans location; is that right?**
19 A. Correct.
20 **Q. And the terms of that sale is that you would**
21 **forgive the $20,000 debt, and your father would acquire**
22 **your 50 percent interest in some apartments in Tecate?**
23 A. Yes.
24 **Q. Okay. Does Pedro still own 50 percent of that**
25 **apartment in Tecate, do you know?**

Page 52

1 MR. BERRETTA: Calls for speculation.
2 THE WITNESS: I don't know.
3 BY MS. ARMENTA:
4 **Q. Do you know if your father still owns it?**
5 A. I don't know.
6 MR. BERRETTA: Same objection.
7 BY MS. ARMENTA:
8 **Q. Where is the apartment located?**
9 A. In Tecate.
10 **Q. Where in Tecate?**
11 A. I don't know the address.
12 **Q. What part of Tecate?**
13 A. A block from the border, I can tell you.
14 **Q. How was it that you acquired ownership or 50**
15 **percent ownership of this property in Tecate?**
16 A. What do you mean?
17 **Q. Did you purchase it, did someone give it to**
18 **you, how did you come to own it?**
19 A. We built it. We bought it and we built it
20 between me and my brother.
21 **Q. Did you buy raw land?**
22 A. Yes.
23 **Q. And you developed apartments on it?**
24 A. Yes.
25 **Q. And this was a joint project between you and**

Page 53

1 **Pedro?**
2 A. Yes.
3 **Q. How many units was the apartment?**
4 A. Six.
5 **Q. What was the approximate value of your interest**
6 **at the time that you transferred it to your father?**
7 A. 20,000.
8 **Q. So your interest was worth about $20,000?**
9 A. Correct.
10 **Q. So would you say, then, that you paid**
11 **approximately $40,000 for the restaurant at the**
12 **Rosecrans location?**
13 A. Yes.
14 **Q. Do you have any documentation that would show**
15 **the transfer of your 50 percent interest in the Tecate**
16 **apartments to your father?**
17 A. No.
18 **Q. Did you ever hold a deed to that property?**
19 A. No.
20 **Q. Did you -- when you purchased the land, did you**
21 **have any purchase and sale documents evidencing your**
22 **ownership?**
23 A. I don't recall. I don't recall at all those
24 things.
25 **Q. What year was it that you purchased the land?**

Page 54

1 A. I don't know.
2 **Q. How old were you when you purchased the land?**
3 A. 21, 22.
4 **Q. Do you remember how much you paid for the land?**
5 A. No, I don't.
6 **Q. Can you give me an estimate, please?**
7 A. The amount of money that I said, that's the
8 amount of money that I had spent on the property and the
9 advance on the construction that I did. That's what it
10 was exactly.
11 **Q. Okay. When you said you transferred ownership**
12 **of this property to your father, were the apartment**
13 **units already built?**
14 A. They were advanced. They weren't finished.
15 **Q. They weren't finished. So were any of them**
16 **rented out?**
17 A. No.
18 **Q. Did you have an occupancy permit or anything**
19 **like that?**
20 A. No, no. Nothing.
21 **Q. So if somebody wanted to confirm that you, in**
22 **fact, owned 50 percent of this property, address unknown**
23 **in Tecate, would the best person to ask be Pedro?**
24 A. I don't know. That's your decision.
25 **Q. Well, if you wanted to go back and prove that**

Page 55

1 **you actually owned this property and you transferred it**
2 **to your father, where would you look for proof of that?**
3 A. There's none.
4 **Q. So it's basically your word that you owned this**
5 **apartment?**
6 A. Yes.
7 **Q. Didn't you have any documents or deeds or**
8 **anything like that registered with the City of Tecate or**
9 **the County or the Country of Mexico?**
10 A. I don't know. I don't recall.
11 **Q. Was there a lawyer or anyone that handled the**
12 **transaction for you?**
13 A. No.
14 **Q. Do you remember who the contractor was who**
15 **built these apartments?**
16 A. Benito helped me, my brother.
17 **Q. Did you pay Benito for his help?**
18 A. Yes, at the time, I believe -- I don't recall.
19 I don't recall if I paid him or not. Cancel that. I
20 don't recall if I paid him or not.
21 **Q. Did Benito acquire an interest in the property?**
22 A. No.
23 **Q. So this was just between you and Pedro?**
24 A. Yes.
25 **Q. All right. So we've got the terms of the sale,**

Page 56

1 **the forgiveness of the $20,000 loan. That $20,000 loan,**
2 **does that include interest?**
3 A. No.
4 **Q. You didn't charge your father interest?**
5 A. No.
6 **Q. And then the $20,000 apartment interest. Were**
7 **there any other terms of the sale of the Rosecrans**
8 **property?**
9 A. No.
10 **Q. Did you approach your father and ask him if you**
11 **could purchase the restaurant or was it the reverse?**
12 A. Neither.
13 **Q. How did it come about?**
14 A. My mom brought it up.
15 **Q. What did your mom say?**
16 A. She told him that he should sell me the
17 restaurant. I remember that.
18 **Q. Your mom told dad to sell you the restaurant?**
19 A. Yes.
20 **Q. And then did you have some conversations with**
21 **dad about the terms of the sale?**
22 A. Yes.
23 **Q. Okay.**
24 A. What I just said.
25 **Q. Were there other terms that were considered but**

Page 57

1 **rejected and were not made ultimately part of the deal?**
2 A. What was that again?
3 **Q. Were there other terms that were considered but**
4 **were not made ultimately a part of the deal?**
5 A. No.
6 **Q. So you just had one negotiation. You just**
7 **said, "I've got the $20,000 you owe me. Here's my**
8 **property."**
9 **And he said, "Here's the restaurant."**
10 **Was there anything else said about the transfer**
11 **of the restaurant to you?**
12 A. No, not really. The understanding was it was
13 my name. When I bought it, it was the only store at the
14 time when he sold it to me. I thought I was purchasing
15 the name too from him.
16 **Q. You thought you were?**
17 A. Yes.
18 **Q. Did you have any discussions with him about the**
19 **rights in the name of the restaurant?**
20 A. No.
21 **Q. Did you have any discussions with him**
22 **concerning what would happen if he decided to open**
23 **another restaurant?**
24 A. No.
25 **Q. Did you have any discussions with him**

Page 58

1 **concerning what would happen if he assisted or agreed**
2 **the other sons should open other restaurants?**
3 A. No.
4 **Q. Did you have any discussions concerning a**
5 **license owned by either you or him to use the name?**
6 A. I don't --
7 **Q. Do you know what the term "license" means?**
8 A. Yes. But what was your question?
9 **Q. Did you have any discussions about a license to**
10 **use the name of the restaurant either by you or by him?**
11 A. No.
12 **Q. Okay. So when you said you thought you had the**
13 **name, at the time you owned the restaurant -- strike**
14 **that.**
15 **At the time you acquired the restaurant, you**
16 **say there was only one restaurant in existence at the**
17 **time with that name?**
18 A. No, no, no. I said that, but no. Yucca Valley
19 was existing already.
20 **Q. Okay. So at the time you acquired the**
21 **restaurant, there was already Yucca Valley with the same**
22 **name, Santana's Mexican Food, on it?**
23 A. Yes.
24 **Q. Did you have any discussions with your father**
25 **about how you would share the name of the restaurant?**

Page 59

1 A. No.
2 **Q. Did you have any discussions with your father**
3 **telling him that he needed to run his Yucca Valley**
4 **restaurant the way that you were running yours in**
5 **Rosecrans?**
6 A. No.
7 **Q. Did you have any discussions with your father**
8 **indicating to him that you would object if he sold the**
9 **restaurant to someone else?**
10 A. No.
11 **Q. You said before that you thought that your**
12 **purchasing the restaurant meant that you owned the name.**
13 **Is that what you meant to say?**
14 A. No, it's not what I meant to say, no.
15 **Q. Okay. Do you want to clarify that?**
16 MR. BERRETTA: Vague.
17 THE WITNESS: No.
18 MR. BERRETTA: Do you know what she's asking?
19 THE WITNESS: No.
20 BY MS. ARMENTA:
21 **Q. When you purchased the restaurant, did you**
22 **believe that you then had the exclusive right to use the**
23 **name Santana's Mexican Food in association with**
24 **restaurant services?**
25 A. It wasn't important at the time.

Page 60

1 **Q. It only became important later?**
2 A. Yes.
3 **Q. When did it become important?**
4 A. When it started growing.
5 **Q. So when it started growing, did you go back and**
6 **have conversations with your father about the use of the**
7 **name?**
8 A. I don't recall. Probably, I did, but I don't
9 recall.
10 **Q. Can you recall any conversations you've had**
11 **with your father concerning the use of the name**
12 **Santana's Mexican Food?**
13 A. No.
14 **Q. Do you remember going to him and asking him to**
15 **have Mr. Casteneda remove the name Santana's Mexican**
16 **Food from his restaurant?**
17 A. No.
18 **Q. What discussions have you had with Arturo**
19 **Santana concerning the use of the name Santana's Mexican**
20 **Food?**
21 A. What discussions, like referring to what?
22 **Q. Concerning the name, have you had any**
23 **discussions with your brother Arturo Santana?**
24 A. When?
25 **Q. At any point.**

Page 61

1 A. Regarding what?
2 **Q. Regarding the name.**
3 A. Regarding the name. We had an agreement, a
4 verbal agreement, between me and him when he opened.
5 **Q. Okay. Let's come back to that. Do you know**
6 **what the term "goodwill" means?**
7 A. Yes.
8 **Q. What does it mean to you?**
9 A. Buena fe, good faith.
10 THE REPORTER: I'm sorry?
11 MS. ARMENTA: B-u-e-n-a f-e.
12 **Q. What does the term "buena fe" mean to you in**
13 **English?**
14 A. Good faith, I don't know how to explain it.
15 **Q. Did you ever have any discussions with your**
16 **father concerning whether or not you were purchasing the**
17 **goodwill associated with the Rosecrans restaurant?**
18 A. No.
19 **Q. Do you have any understanding -- you told me**
20 **there were two terms of the sale, the $20,000 loan and**
21 **the 20,000 interest in the apartment. Were those the**
22 **only two elements of the terms of the sale of the**
23 **restaurant?**
24 A. Yes.
25 **Q. Did you and your father ever discuss whether or**

Page 62

1 **not an element of good faith or buena fe was a term of**
2 **the sale of the restaurant?**
3 A. No.
4 **Q. All right. So let's talk about the agreement**
5 **you say you had with you and Arturo. First, did you**
6 **have any agreement like that with Arturo Casteneda?**
7 A. No.
8 **Q. Did you have any agreement with Pedro Santana?**
9 A. Agreement about what with Pedro Santana?
10 **Q. About the use of the name?**
11 A. No, nothing at all.
12 **Q. Okay. So let's talk about the agreement you**
13 **say you had with Arturo Santana. What agreement did you**
14 **have with him?**
15 A. When he first opened the place in El Cajon, I
16 practically set up the place for him.
17 **Q. How is that an agreement?**
18 A. Like cosigning the rent of the property, the
19 building, the insurance, electricity, everything. I
20 trained employees.
21 **Q. How is that an agreement?**
22 A. The agreement was that he was going to operate
23 the same as it was, and I was going to benefit from the
24 business in volume, because we are going to purchase
25 volume at the same place and do the same things, have

Page 63

1 the same prices, have the same menus, and have the same
2 products.
3 **Q. Okay. Were there any other elements to that**
4 **agreement?**
5 A. No, not that I recall -- to be uniform.
6 **Q. So you're telling me that when he first opened**
7 **the place, you and he agreed that your restaurants would**
8 **be uniform?**
9 A. They all will be uniform. All of them would be
10 the same.
11 **Q. When you say "all of them would be the same,"**
12 **are you including the restaurant that was then owned by**
13 **your father?**
14 A. No. It was owned by me.
15 **Q. Are you including the restaurant in Yucca**
16 **Valley that was then owned by your father?**
17 A. No.
18 **Q. Okay. So you had an agreement with Arturo**
19 **Santana that all the restaurants that you owned and the**
20 **restaurant that he owned would be uniform?**
21 A. Um-hum.
22 **Q. But that did not include the restaurants owned**
23 **by Arturo Casteneda?**
24 A. I talked to Arturo Casteneda about that too.
25 **Q. Okay. Let's focus on the agreement with your**

Page 64

1 **brother Arturo Santana.**
2 A. Um-hum.
3 **Q. What did Arturo Santana tell you about that**
4 **agreement?**
5 A. Sure. It was great.
6 **Q. Did you enter into any kind of written**
7 **agreement with him?**
8 A. No.
9 **Q. So you thought it was a good idea at the time**
10 **to benefit from volume and to have uniformity?**
11 A. On the volume, yes, having more stores.
12 **Q. Did you have any discussions with Arturo**
13 **Santana about making sure that the restaurant owned by**
14 **your father was also uniform with your restaurants?**
15 A. If what?
16 **Q. Did you two also discuss whether or not your**
17 **father's restaurant should be uniform with you?**
18 A. Yes.
19 **Q. You did?**
20 A. Yes.
21 **Q. What did you discuss?**
22 A. That the same, the same thing, that we all
23 should be the same, buy more volume, get better price.
24 We benefit that way, all of us. Probably we didn't
25 talk. Probably I just said that.

Page 65

1 **Q. So probably you just said it was a good idea?**
2 A. Yes.
3 **Q. Did your father ever agree that he would run**
4 **his restaurant the way you ran yours?**
5 A. He wasn't running the restaurant.
6 **Q. Did Arturo Casteneda ever agree he would run**
7 **his restaurant the way you ran yours?**
8 A. He agreed with me when we talked about it. He
9 said, "Yes, we should do it the same. We should buy
10 more volume."
11 Actually, at the time, he used to -- like, if I
12 bought publicity in shirts or T-shirts or bags, he
13 started to work with me little by little.
14 **Q. Little by little?**
15 A. Yes.
16 **Q. Did you ever have any kind of signed agreement**
17 **with Mr. Casteneda?**
18 A. No, nothing.
19 **Q. So you came up with the idea that everyone**
20 **should have a uniform restaurant, and to benefit from**
21 **volume purchases, but yet there was no written**
22 **agreement, correct?**
23 A. Correct.
24 **Q. Okay. And you came up with the idea that**
25 **everyone should have uniformity, and they should share**

Page 66

1 **in volume purchases. For some period there, were Arturo**
2 **Santana and Arturo Casteneda going along with that idea?**
3 MR. BERRETTA: It's a compound question. Why don't
4 you take them one at a time.
5 THE WITNESS: Which one?
6 BY MS. ARMENTA:
7 **Q. Were they going along with the idea the**
8 **restaurant should be uniform for some time?**
9 A. As soon as he opened, he started doing
10 different things.
11 MR. BERRETTA: When you say "he," who are you
12 talking about?
13 THE WITNESS: Arturo Santana Lee.
14 MS. ARMENTA: Okay.
15 **Q. As soon as he opened?**
16 A. As soon as he opened, he started doing
17 different things, yes.
18 **Q. What kind of different things did he do as soon**
19 **as he opened?**
20 A. I don't remember, but different.
21 **Q. Things that didn't go along with the agreement**
22 **that --**
23 A. The verbal agreement that we had.
24 MR. BERRETTA: Remember, let her finish the
25 question.

Page 67

1 THE WITNESS: All right.
2 MS. ARMENTA: Okay.
3 **Q. What about Arturo Casteneda, did he go along**
4 **with the idea for some time that his restaurant should**
5 **be uniform with yours?**
6 A. I believe.
7 **Q. Why do you believe that?**
8 A. Because on the beginning, how we talked when we
9 talked about it.
10 **Q. Did you actually see his restaurant --**
11 A. No.
12 **Q. -- in terms of being uniform with yours?**
13 A. No.
14 MR. BERRETTA: Let her finish. Let her finish.
15 BY MS. ARMENTA:
16 **Q. So you really have no idea whether**
17 **Mr. Casteneda was going along with your idea for**
18 **uniformity?**
19 A. Correct.
20 **Q. But you do know that Arturo Santana, the minute**
21 **he opened his doors, he started doing his own thing at**
22 **his restaurant; is that right?**
23 A. I don't know if the minute. But, I mean, he
24 started changing, yes.
25 **Q. Okay. Do you remember what changes Arturo**

Page 68

1 **Casteneda made to his restaurant or -- strike that,**
2 **actually.**
3 **Let's focus on changes, because Arturo**
4 **Santana's restaurant was a new restaurant, right?**
5 A. Um-hum.
6 **Q. "Yes"?**
7 A. Yes.
8 **Q. So it wasn't the situation like you with**
9 **Rosecrans, where there was an existing restaurant, and**
10 **then you assumed ownership, and then essentially**
11 **continued to run the same restaurant. In his case, he**
12 **actually opened a new restaurant; is that right?**
13 A. Correct.
14 **Q. Okay. So what kinds of things, if you can**
15 **remember, did Arturo Santana do at his new restaurant**
16 **named Santana's that were different from the things that**
17 **you were doing at yours?**
18 A. I don't remember.
19 **Q. What things does he do today that are different**
20 **at his restaurant than your restaurant?**
21 A. I don't know.
22 **Q. Have you made any inquiry or investigated as to**
23 **what things Arturo Santana is doing that are different**
24 **from yours?**
25 A. No.

Page 69

1 **Q. Okay. You understand that you sued your**
2 **brother Arturo Santana, and part of the lawsuit is that**
3 **you claim that he's not running his business uniformly**
4 **with yours, right?**
5 A. Um-hum, yes.
6 **Q. Okay. On what basis do you say that he's not**
7 **running his business the same as yours?**
8 A. On the basis that there's no contact between
9 what he's doing or what I'm doing.
10 **Q. On the basis that you're not communicating with**
11 **him?**
12 A. Yes.
13 **Q. Have you been to the restaurant to see whether**
14 **or not he's running his restaurant uniformly as yours?**
15 A. No.
16 **Q. So the sole basis for your claiming that Arturo**
17 **Santana is not running his restaurant the same as yours**
18 **is because you have a lack of communication with your**
19 **brother in terms of running the restaurants?**
20 A. Yes.
21 **Q. Okay. Is it also possibly a lack of control in**
22 **that you feel you should get to tell your brother how to**
23 **run his business?**
24 A. No.
25 **Q. Okay. So if you and Arturo -- under your**

Page 70

1 **agreement, if you and Arturo Santana disagreed over how**
2 **to run these restaurants which you say should have been**
3 **run uniformly, who would be the decider?**
4 A. Nobody.
5 **Q. Then what would you do?**
6 A. Agree.
7 **Q. What if you can't agree?**
8 A. It came to this.
9 **Q. Would you go to your father and ask him for his**
10 **assistance?**
11 A. No.
12 **Q. So as far as you know, under your agreement,**
13 **the idea was that you should both agree, but if you**
14 **disagreed, neither one of you could decide for the**
15 **other; is that correct?**
16 A. Again, your question?
17 **Q. Under your agreement with Arturo Santana where**
18 **you said that everyone had to run things uniformly, did**
19 **either one of you have the right to tell either one of**
20 **you what to do?**
21 A. I had the right.
22 **Q. Why?**
23 A. Because I've been working at the business for
24 nine years -- eight years or nine years, and they
25 weren't in the business for eight or nine years.

Page 71

1 **Q. So the right doesn't come from the agreement**
2 **that you reached with your brother. You're saying that**
3 **the right for you to be the decider comes from the fact**
4 **that you've been in the business longer; is that right?**
5 A. It's probably not because I've been in the
6 business longer or less. It's because I've been inside.
7 They went out for nine years or eight years, and all
8 that period I was operating. They were disconnected 100
9 percent from the business.
10 **Q. Okay. So you base your conclusion that you get**
11 **to decide if you and he had a disagreement over how to**
12 **run the business based on your continuous connectedness**
13 **to the business; is that right?**
14 A. Correct.
15 **Q. Okay. Did you and Arturo ever discuss what**
16 **would happen if you disagreed on how to run your**
17 **restaurants?**
18 A. No.
19 **Q. Did you ever tell Arturo Santana when you were**
20 **helping him practically setting up the place, cosigning**
21 **the property, the building, and training the employees,**
22 **that a condition of your doing that was that if you and**
23 **he disagreed about how to run the business, you got to**
24 **decide?**
25 A. In a way, he agreed on that when we started it,

Page 72

1 yes.
2 **Q. Why do you say "in a way"?**
3 A. Because we talked about it a lot.
4 **Q. You talked about you being the person who got**
5 **to decide?**
6 A. Yes.
7 **Q. You just told me that you didn't.**
8 A. I told you that I didn't what?
9 **Q. Okay. Let's go back. So you and he had a**
10 **specific conversation over the fact that if you**
11 **disagreed on something, you would be the decider?**
12 A. The reason it needed to be talked about,
13 because I was in the business for nine years, that he
14 didn't knew nothing about the business. So I was going
15 to make the decisions. Why? Because I was more
16 involved for a long time, for a big period of time.
17 That's why.
18 **Q. Okay. So you didn't really need to talk about**
19 **that. It was just sort of understood that as the more**
20 **experienced restaurateur, you should be the one that**
21 **decides?**
22 A. There was a lot of reasons why.
23 **Q. Are there any reasons other than the ones that**
24 **you've told me?**
25 A. Yes.

Page 73

1 **Q. What are they?**
2 A. You ask me.
3 **Q. What are the reasons?**
4 A. The suppliers. The only supplier who you have
5 talked about, the tortillas, Gustavo Gonzales, that's
6 the only supplier that we had that we used to have when
7 they ran the business. That's the first reason.
8 **Q. Have you ever assisted any of your brothers in**
9 **any of their other businesses?**
10 A. Assisted in which way?
11 **Q. Assisted them either setting up a business or**
12 **helping with the insurance or --**
13 A. No.
14 **Q. -- helping them find a location?**
15 A. No.
16 **Q. You've never helped any other brothers with**
17 **their business interests?**
18 A. No.
19 **Q. Has anybody helped you with your business**
20 **interests, someone in your family?**
21 A. Yes.
22 **Q. Who?**
23 A. My father.
24 **Q. Your father. Okay. How long was your father**
25 **in the restaurant business before you entered the**

Page 74

1 **restaurant business?**
2 A. I don't know.
3 **Q. A long time?**
4 A. I don't know. I don't know. It was four or
5 five years, six years. I don't know.
6 **Q. When you took over the business that you say he**
7 **sold you, did you benefit from using the same building,**
8 **the same insurance, the same suppliers, the same**
9 **vendors?**
10 MR. BERRETTA: Okay. That's a multiple, compound
11 question. So you're going to have to take those things
12 one at a time.
13 THE WITNESS: One at a time.
14 MS. ARMENTA: We'll take them one at a time.
15 MR. BERRETTA: She's going to ask about specifics.
16 BY MS. ARMENTA:
17 **Q. When you took over the business, did you**
18 **benefit from your father's assistance by utilizing the**
19 **same vendors?**
20 A. I don't know, because I don't know what the
21 prices from the other vendors were.
22 **Q. Did you benefit from your father's assistance**
23 **by using some of the same employees when you took over**
24 **the business?**
25 A. I don't think so, no.

Page 75

1 **Q. Well, you just said your father gave you help**
2 **in setting up this business. What kind of help did he**
3 **give you?**
4 A. He trained me, and I learned. That's it.
5 **Q. Are you saying that you did much more for**
6 **Arturo Santana, your brother, in helping him than your**
7 **father did for you?**
8 A. I'm not to decide that.
9 **Q. Well, that's the question I'm asking you.**
10 A. I don't know.
11 **Q. So you say that based on your helping Arturo**
12 **Santana to open this business, which was in his name,**
13 **that you then, because you had more experience in the**
14 **business, you then had the right to tell him how to run**
15 **his business?**
16 A. Can you ask me that question again.
17 MS. ARMENTA: Could you read it back.
18 (Record was read as follows:)
19 "Q. So you say that based on your helping
20 Arturo Santana to open this business, which was in his
21 name, that you then, because you had more experience in
22 the business, you then had the right to tell him how to
23 run his business?"
24 THE WITNESS: No.
25 MR. BERRETTA: I'll just object that it's vague, and

Page 76

1 it misstates his testimony.
2 But do you understand the question?
3 THE WITNESS: First of all, the question is not
4 clear. Did I thought -- no, I don't think I was going
5 to tell him how to run his business. But I think I had
6 an upper decision on this, on the decision on the
7 suppliers, because of the agreement that we had, verbal
8 agreement.
9 BY MS. ARMENTA:
10 **Q. Did Mr. Santana give you anything in exchange**
11 **for that agreement?**
12 A. No.
13 **Q. Did you give him anything?**
14 A. No.
15 **Q. Have you ever asked Mr. Santana Gallego, your**
16 **father, to give you the exclusive rights to use the name**
17 **Santana's Mexican Food in association with restaurant**
18 **services?**
19 A. I don't recall.
20 **Q. Have you ever asked Mr. Santana Gallego to give**
21 **your corporation the exclusive right to use the name**
22 **Santana's Mexican Food in association with restaurant**
23 **services?**
24 A. No, no.
25 **Q. Did he ever give you the exclusive right to use**

Page 77

1 **the name in connection with restaurant services?**
2 MR. BERRETTA: Calls for a legal conclusion.
3 BY MS. ARMENTA:
4 **Q. Just if you know?**
5 A. No, I don't.
6 **Q. Have you had any discussions with your father,**
7 **Mr. Santana Gallego, concerning the exclusive use of the**
8 **name Santana's Mexican Food?**
9 A. We talked once about it.
10 **Q. What was said?**
11 A. I don't remember exactly what we said.
12 **Q. Okay. Is there anything you could think of**
13 **that would help refresh your memory as to what was said**
14 **during that one conversation?**
15 A. Not really.
16 **Q. Okay. Are you aware of a restaurant called**
17 **Santana's Mexican Grill which is located at 3637**
18 **Thousand Oaks Boulevard in Thousand Oaks?**
19 A. No.
20 **Q. In the course of operating your business, do**
21 **you conduct any searches for restaurants that are named**
22 **either Santana's Mexican Grill or Santana's Mexican**
23 **Food?**
24 A. No.
25 **Q. Have you ever looked to see if there's other**

Page 78

1 **restaurants other than the ones that are in the family**
2 **or owned by Arturo Casteneda?**
3 A. No.
4 **Q. Have you ever heard of a restaurant called**
5 **Santana's Mexican Food at 10438 East Waterloo Road in**
6 **Stockton, California?**
7 A. No.
8 **Q. Are you aware of a restaurant named Santana's**
9 **Mexican Food located at 1930 West Buckeye Road in**
10 **Phoenix, Arizona?**
11 A. No.
12 **Q. Have you ever instructed anyone to undertake**
13 **any efforts to ascertain whether the names Santana's**
14 **Mexican Food or Santana's Mexican Grill are being used**
15 **by anyone other than the people that are in this**
16 **litigation?**
17 MR. BERRETTA: Okay. That I'm going to object as
18 attorney-client privilege, and instruct you not to
19 answer.
20 BY MS. ARMENTA:
21 **Q. Putting aside any conversations you might have**
22 **had with your attorney, have you ever instructed anyone**
23 **to search for determining whether or not the names**
24 **Santana's Mexican Food or Santana's Mexican Grill are**
25 **being used in association with restaurants?**

Page 79

1 A. First of all, I don't understand the question.
2 **Q. Okay. Have you ever asked anyone to look --**
3 A. No.
4 **Q. -- "Is Santana's Mexican Food being used"?**
5 A. No.
6 **Q. What about Santana's Mexican Grill?**
7 A. No, no.
8 **Q. Okay. At some point, your corporation,**
9 **Santana's Grill, Inc., sought a federal trademark**
10 **registration for the term Santana's Mexican Food. Are**
11 **you aware of that?**
12 A. Yes.
13 **Q. Did you retain a lawyer to do that for you?**
14 A. Yes.
15 **Q. What lawyer did you retain?**
16 A. Him.
17 **Q. Fred Berretta?**
18 A. Fred Berretta.
19 **Q. When did you decide that you wanted or needed a**
20 **federal trademark registration for the term Santana's**
21 **Mexican Food?**
22 A. I don't recall how long ago.
23 **Q. Did you tell your father that you were going to**
24 **obtain a federal trademark registration for the term**
25 **Santana's Mexican Food?**

Page 80

1 A. Yes.
2 **Q. What did he say?**
3 A. He didn't say anything.
4 **Q. Did you --**
5 A. He probably didn't pay any attention to me at
6 all.
7 **Q. Why do you think that is?**
8 A. I don't know.
9 **Q. You say you did this before you sought the**
10 **federal trademark registration?**
11 A. Yes. I talked to him about it.
12 **Q. Did you talk to anyone else in the family aside**
13 **from your wife about it?**
14 A. Yes.
15 **Q. Who did you talk to about it?**
16 A. Everybody, everybody knew that I was doing
17 that.
18 **Q. Did you explain to them that if you obtained a**
19 **federal trademark registration and they didn't run their**
20 **restaurants uniformly that you would then sue them?**
21 A. Yes, they knew this is what was going to happen
22 -- I don't know if they knew, but I made it clear.
23 **Q. Now your wife executed some declarations in**
24 **connection with the federal trademark registration. Did**
25 **you review those declarations before they were signed**

Page 81

1 and submitted to the trademark office?
2 A. No.
3 Q. Have you reviewed them since?
4 A. No.
5 Q. Did you tell anyone before you filed the
6 federal trademark registration that registration in your
7 corporation's name of the term Santana's Mexican Grill
8 would mean that you could stop Arturo Santana from using
9 that name?
10 MR. BERRETTA: I'm sorry. Could you read that back.
11 (Record was read as follows:)
12 "Q. Did you tell anyone before you filed the
13 federal trademark registration that registration in your
14 corporation's name of the term Santana's Mexican Grill
15 would mean that you could stop Arturo Santana from using
16 that name?"
17 MR. BERRETTA: Okay. Object. It's vague and
18 ambiguous; unintelligible. Do you understand?
19 MS. ARMENTA: Okay. I'll withdraw the question and
20 ask another question.
21 Q. We talked about you were going to register the
22 name Santana's Mexican Food. Did you also register the
23 name Santana's Mexican Grill?
24 A. Yes.
25 Q. And did you tell your brother at any time that

Page 82

1 if you were able to register that mark, that he either
2 had to run his business uniformly with yours or he was
3 going to get sued?
4 A. No, I didn't say that.
5 Q. What did you say?
6 A. I don't recall, but it wasn't that. I said I
7 was going to -- I was going to register the name so we
8 could grow more uniformly and we could build more stores
9 and not everybody could come out and put a Santana's.
10 Q. When you were determining -- when you were
11 making that decision you were going to register the
12 mark, aside from that one conversation with your father,
13 did you ever ask your father's permission to register
14 the mark?
15 A. No.
16 Q. Did you ever ask your father's permission to
17 register Santana's Mexican Food, that mark?
18 A. No.
19 Q. Did you ask your father for permission to
20 register Santana's Mexican Foods Es Muy Bueno?
21 A. No.
22 Q. Did you ask your father's permission to
23 register the mark Santana's Mexican Foods Es Muy Bueno
24 Home of the California Famous Burrito?
25 A. No.

Page 83

1 Q. Tell me what the term "Famous California
2 Burrito" means in connection with that mark to you.
3 A. Not much.
4 Q. Is it a reference to the burrito that is served
5 on the menus?
6 A. Yes.
7 Q. The California Burrito?
8 A. Yes.
9 Q. Who first invented that California Burrito?
10 MR. BERRETTA: Calls for speculation.
11 BY MS. ARMENTA:
12 Q. If you know?
13 A. What do you mean, "invented"?
14 Q. When is the first time you heard of a product
15 called California Burrito?
16 A. The first time, my dad probably brought it up,
17 yes.
18 Q. He brought it up by serving it in his
19 restaurant when he owned it?
20 A. Yes, yes.
21 Q. And when your father owned the restaurant, did
22 you eat the California Burrito?
23 A. Yes.
24 Q. When was the last time that you spoke with
25 Arturo Santana?

Page 84

1 A. Arturo Santana, my brother?
2 Q. Your brother.
3 A. I don't know. I don't remember.
4 Q. More than a year. You live nearby, don't you,
5 within an hour? There is a better way to solve this.
6 There really is.
7 MR. BERRETTA: Do you need a break?
8 BY MS. ARMENTA:
9 Q. When was the last time that you spoke with your
10 father?
11 A. A week ago.
12 Q. Was it strained?
13 A. Not really.
14 Q. Did you know he almost didn't come in here and
15 sit today?
16 A. I don't care.
17 Q. When was the last time that your father saw
18 your children?
19 A. What does this have to do with this? Nothing.
20 Q. Have you ever given thought to a way that this
21 matter can be resolved so that long after Fred Berretta
22 and I are out of your lives, you all can continue
23 together in a better way?
24 MR. BERRETTA: Well, as the witness says, it's kind
25 of irrelevant.

Page 85

1 THE WITNESS: It's irrelevant for the case.
2 MS. ARMENTA: I don't think it will be to the board,
3 because family and surname issues come up a lot in
4 surname cases like this, and the human elements are
5 important and something we should all keep in mind. And
6 I, for one, am very hopeful that we can find a way to
7 make these folks live together. Let's take a break.
8 Off the record.
9 (Break taken from 11:07 to 11:16)
10 MS. ARMENTA: Okay. Back on the record.
11 **Q. At the time that you purchased -- you say you**
12 **purchased the restaurant from your father, the Rosecrans**
13 **restaurant, was your father's restaurant at that time**
14 **engaged in any advertising?**
15 A. No.
16 **Q. Not that you know of?**
17 A. Not that I know of.
18 **Q. Are you familiar with any advertising that was**
19 **coming out of the Yucca Valley restaurant prior to 1991?**
20 A. No.
21 **Q. Okay. Are you familiar with any radio**
22 **advertisements that your father placed for the business**
23 **Santana's Mexican Food?**
24 A. I recall something, but I don't remember
25 exactly what it was or where it was or anything like

Page 86

1 that.
2 **Q. You remember it was on the radio, though,**
3 **right?**
4 A. I never heard it.
5 **Q. Your father never sang the jingle for you?**
6 A. No.
7 **Q. Was there a yellow page advertising as far as**
8 **you know?**
9 A. No, not that I know of.
10 **Q. Okay. Now, your corporation, Santana's Grill,**
11 **Inc., was formed around 2001; is that right?**
12 MR. BERRETTA: Misstates his testimony.
13 (Petitioner's Exhibit 1 was
14 marked for identification.)
15 MS. ARMENTA: Okay. Maybe it's 1998. All right.
16 All right. This is Exhibit 1, please.
17 **Q. Exhibit 1 is document that was produced to me**
18 **by your lawyer. It's got the Bates stamp numbers of**
19 **SG00097 through SG00099 in the right-hand corner. It**
20 **appears to be a certified copy of the Articles of**
21 **Incorporation for Santana's Grill. You're the president**
22 **of that corporation, correct?**
23 A. Correct.
24 **Q. Okay. Does this refresh your recollection that**
25 **Santana's Grill was incorporated in 1998?**

Page 87

1 A. If it says it there.
2 **Q. Okay. Your name on the last page is spelled**
3 **Avelardo with a "v." Is your name spelled with a "v" or**
4 **a "b"?**
5 A. It's not correct. It's with a "b."
6 **Q. It should be a "b"?**
7 A. It should be a "b."
8 **Q. Do you remember who prepared the articles of**
9 **incorporation for you?**
10 A. Claudia probably did.
11 MR. BERRETTA: Do you remember?
12 THE WITNESS: No.
13 MR. BERRETTA: Don't guess.
14 BY MS. ARMENTA:
15 **Q. Now, you acquired the Rosecrans restaurant from**
16 **your father in approximately 1991 or 1992; is that**
17 **correct?**
18 A. Correct.
19 **Q. And then Santana's Grill, Inc., was**
20 **incorporated in 1993; is that correct?**
21 A. I don't know.
22 **Q. Okay. Is it fair to say, at least, that you**
23 **acquired the restaurant from your father in your own**
24 **name before Santana's Grill, Inc., was formed?**
25 A. Yes.

Page 88

1 **Q. Okay. And then did you make some transfer of**
2 **the ownership of the restaurant to the corporation known**
3 **as Santana's Mexican Grill?**
4 A. Yes.
5 MR. BERRETTA: Okay. Well, I'll object. It's
6 vague; and it misstates his testimony.
7 MS. ARMENTA: Okay.
8 **Q. So before Santana's Grill, Inc., was formed,**
9 **the Rosecrans restaurant was owned jointly by you and**
10 **your wife; is that correct?**
11 A. Before what again?
12 **Q. Before Santana's Grill, Inc., was formed, was**
13 **the Rosecrans restaurant owned jointly by you and your**
14 **wife?**
15 A. Yes.
16 **Q. And then at some point after Santana's Grill,**
17 **Inc., was formed, the restaurant business was then owned**
18 **by Santana's Grill, Inc.; is that correct?**
19 A. It's too long of a question.
20 **Q. Okay. Who owns the restaurant at Rosecrans**
21 **now?**
22 A. Me and my wife.
23 **Q. Do you own it through a corporation?**
24 A. Yes.
25 **Q. Or do you own it directly?**

Page 89

1 A. Through a corporation.
2 **Q. What corporation do you own it through?**
3 A. Santana's.
4 **Q. Santana's Grill, Inc.?**
5 A. Santana's Grill, Inc., right.
6 **Q. So did you do any paperwork or anything like**
7 **that to --**
8 A. No.
9 **Q. -- transfer the corporation from -- transfer**
10 **the restaurant from ownership from you and your wife**
11 **into the corporation, Santana's Grill, Inc.?**
12 A. No.
13 **Q. Did you do any paperwork to transfer any**
14 **interests that you had in the name Santana's Grill, if**
15 **you had any, into the corporation?**
16 A. No.
17 **Q. So you didn't have, for instance, any document**
18 **like an assignment of interests assigning any interest**
19 **you had in the trademark Santana's Mexican Food into the**
20 **corporation Santana's Grill, Inc.; is that correct?**
21 A. No, I didn't have anything to do with any
22 papers at all. I didn't go over anything.
23 **Q. Is your wife in charge of the paperwork in the**
24 **family?**
25 A. Yes.

Page 90

1 MS. ARMENTA: Okay. All right. I'm done with the
2 deposition. Do you have any questions for the record?
3 MR. BERRETTA: No.
4 MS. ARMENTA: Okay. Off the record.
5 (Discussion off the record.)
6 MS. ARMENTA: Okay. Let's go back on to put a
7 stipulation on the record. The court reporter will
8 prepare the transcript and deliver it to Mr. Berretta
9 who will have 15 days after receipt to have his client
10 review the transcript, sign it, make any changes, and to
11 provide them by fax to me. If the changes and/or the
12 signature is not timely obtained, and during the
13 interim, a certified copy of the transcript can be used
14 for all purposes just as if it were signed. And the
15 other purpose for which we could use that is if the
16 original transcript is lost or somehow damaged. And
17 Mr. Berretta will maintain custody and control of the
18 original transcript, and produce it upon reasonable
19 notice or request.
20 MR. BERRETTA: I was just going to say something,
21 and it went right out of my head. Give me a moment.
22 That's funny. Well, I can't remember what I was going
23 to say. So that's fine -- oh, yes, I remember. We
24 assume waive signing in front of a notary, so he can
25 sign it outside the presence of a notary, sign the

Page 91

1 transcript. Is that fine?
2 MS. ARMENTA: Sure.
3 MR. BERRETTA: Okay.
4 MS. ARMENTA: Thank you.
5 (Whereupon, at 11:26 a.m., Thursday, January 20,
6 2005, the deposition of ABELARDO SANTANA LEE was

Declaration Under 37 C.F.R. § 2.20

I, Claudia Santana, declare that I am Vice President of Santana's Grill, Inc. and am authorized to make this declaration on its behalf; that I executed the application filed as Serial No. 76/345,542 on November 27, 2001, which matured into the registration now sought to be corrected; that the term "Santana's Mexican Food" has been in use in conjunction with restaurant service since as early as 1988, in accordance with the original application; that the mark registered and incorporating this term was not used or used in commerce until about 1993; that I misunderstood what date was to be provided in the application and mistakenly believed it was the date of use or use in commerce of the words "Santana's Mexican Food"; that the attorney who prepared Application Serial No. 76/345,542 did not provide legal representation of the Registrant Corporation until 2001 and therefore relied on information I provided relating to the dates of first use and first use in commerce; that this error occurred without any intent to deceive the U.S. Patent and Trademark Office or the public when the dates of use and use in commerce were provided and when Application Serial No. 76/345,542 was executed.

I declare further that all statements made herein of my own knowledge and belief are believed to be true and the these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this document and the registration to which it relates.

16 A. Yes.
17 **Q. Did you ever work at Santana's Mexican Food**
18 **before you became an owner?**
19 A. No.
20 **Q. Okay. Did you gain any familiarity with the**
21 **operations of Santana's Mexican Food before you became**
22 **and owner?**
23 A. Did I what?
24 **Q. Gain any familiarity with the operations of the**
25 **restaurant before you became an owner?**

Page 6

1 A. No.
2 **Q. Did you gain any familiarity with the food or**
3 **the menu before you became an owner?**
4 A. No.
5 **Q. Did you gain any familiarity with the identity**
6 **of the vendors before you became an owner?**
7 A. No.
8 **Q. Did you gain any familiarity with the recipes**
9 **of --**
10 A. Oh, familiarity. I'm sorry. I couldn't
11 understand the "familiarity" word. I would eat from
12 there, but I didn't know the whole menu.
13 **Q. Okay. So before you became an owner, you ate**
14 **at the restaurant?**
15 A. Yes.
16 **Q. Okay. Can you tell me approximately how many**
17 **times?**
18 A. 10.
19 **Q. Okay. When you went to the restaurant before**
20 **you became an owner and you ate there, did you go there**
21 **with Abelardo Santana?**
22 A. Yes.
23 **Q. At the time that you went there to eat before**
24 **you became an owner of the restaurant, was Abelardo**
25 **Santana working at the restaurant?**

Page 7

1 A. Yes.
2 **Q. What was his position?**
3 A. He was the shift manager.
4 **Q. Have you ever been to the restaurants owned by**
5 **Arturo Santana Lee?**
6 A. Only one.
7 **Q. Which one?**
8 A. El Cajon location that we set up for him.
9 **Q. How many times have you been to the El Cajon**
10 **location?**
11 A. When we just opened, almost every day.
12 **Q. When was the last time you were there?**
13 A. Don't remember.
14 **Q. Was it within the last year?**
15 A. Don't remember.
16 **Q. Was it within the last five years?**
17 A. Don't remember.
18 **Q. No recollection at all?**
19 A. Ask me when is the last time I've been at any
20 of my restaurants. I don't remember. I work out of my
21 office.
22 **Q. Where is your office located?**
23 A. In my house.
24 **Q. Okay. Did there come a point when you stopped**
25 **going to the El Cajon location almost every day?**

Page 8

1 A. I just went there almost every day when we just
2 opened in 1997.
3 **Q. For how long of a period did you go there**
4 **almost every day?**
5 A. One month.
6 **Q. Okay. After that one-month period, did you**
7 **ever visit the El Cajon restaurant again?**
8 A. Yes.
9 **Q. Approximately how many times?**
10 A. Don't know.
11 **Q. What was the purpose in your visiting that**
12 **restaurant after that one-month period?**
13 A. To visit, to bring my kids over there.
14 **Q. Any other purposes?**
15 A. No.
16 **Q. Are you familiar with the menu items currently**
17 **offered at the El Cajon restaurant?**
18 A. No.
19 **Q. What is your position with the corporation**
20 **Santana's Grill, Inc.?**
21 A. Vice president and secretary.
22 **Q. How long have you occupied that position?**
23 A. Vice president and secretary?
24 **Q. As vice president and secretary.**
25 A. 1998.

Page 9

1 **Q. So you have occupied the position of vice**
2 **president and secretary since the corporation was**
3 **formed?**
4 A. Yes.
5 **Q. Have you occupied those positions continuously**
6 **since the corporation was formed?**
7 A. Yes.
8 **Q. Do you agree with your husband's testimony that**
9 **you each own a 50 percent interest in Santana's Grill?**
10 A. Yes.
11 **Q. Have you ever been to the restaurants owned and**
12 **operated by Arturo Casteneda?**
13 A. Yes.
14 **Q. Which of the restaurants have you been to?**
15 A. Yucca Valley. But not while it is operated by
16 him.
17 **Q. Okay. So you've been to the Yucca Valley**
18 **restaurant. The time you went there, it was still owned**
19 **and operated by Mr. Arturo Santana Gallego, your**
20 **father-in-law?**
21 A. The property was owned by my father-in-law, as
22 I recall, and it was operated by an aunt and uncle that
23 operated it for eight, nine years, Blanca and Cervando.
24 I don't remember the last name right now. I don't know
25 whose name it was.

Page 10

1 **Q. Is Marone the last name? You don't know?**
2 A. Tia Blanca, Tio Cervando.
3 **Q. What was the purpose in your visiting the Yucca**
4 **Valley restaurant when Tia Blanca and Tio Cervando were**
5 **operating the restaurant?**
6 A. I accompanied Abelardo to supply.
7 **Q. Any other purpose?**
8 A. Not at all.
9 **Q. Have you ever been to the restaurant located at**
10 **28005 Bradley Road in Sun City?**
11 A. Never.
12 **Q. Have you ever been to the restaurant located at**
13 **73680 Sun Valley Drive in Twentynine Palms?**
14 A. Never.
15 **Q. Do you understand that the corporation**
16 **Santana's Grill has sued Arturo Casteneda?**
17 A. I do.
18 **Q. What is your understanding why the corporation**
19 **did that?**
20 A. What do you mean by what's my understanding?
21 **Q. Why did you sue them?**
22 A. Because they have different items on the menus
23 at the time we sued them, different prices, different
24 colors, different everything except the name.
25 **Q. Did you ever have any conversations with Arturo**

Page 11

1 **Casteneda concerning any agreement that he should use --**
2 A. No.
3 **Q. -- the same items or the same prices?**
4 A. No.
5 MR. BERRETTA: Make sure you let her finish the
6 question.
7 THE WITNESS: I know. I'm sorry.
8 BY MS. ARMENTA:
9 **Q. Did you ever have any conversations with Arturo**
10 **Casteneda concerning the use of the name Santana's**
11 **Mexican Food?**
12 A. No.
13 **Q. Have you ever spoken to Arturo Casteneda at**
14 **all?**
15 A. Yes.
16 **Q. In what context?**
17 A. When he was working for me.
18 **Q. When was he working for you?**
19 A. Before he owned Yucca Valley. I don't have the
20 exact dates.
21 **Q. Where did he work for you?**
22 A. Rosecrans location.
23 **Q. What was his job duty?**
24 A. Cook.
25 **Q. So he was the cook at the Rosecrans location at**

Page 12

1 **some point after you acquired ownership?**
2 A. One of many cooks, yes.
3 **Q. Was he familiar with the recipes and the menus**
4 **at the time that he worked at the Rosecrans location?**
5 A. Yes, he was.
6 **Q. Do you believe that Arturo Casteneda is**
7 **required to use the same items and the same prices as**
8 **those in your restaurant?**
9 A. As of when?
10 **Q. At any time.**
11 A. As of when he spoke to my husband in a verbal
12 agreement, yes.
13 **Q. What about now?**
14 A. We are in litigation.
15 MS. ARMENTA: Would you read back the question.
16 (Record was read as follows:)
17 "Q. Do you believe that Arturo Casteneda is
18 required to use the same items and the same prices as
19 those in your restaurant?"
20 BY MS. ARMENTA:
21 **Q. Do you believe that he's currently required to**
22 **use the same items and the same prices as offered in**
23 **your restaurants?**
24 A. That's why we are in a lawsuit, for somebody to
25 decide if he's required to do that. To my belief, he

Page 13

1 is.
2 **Q. What do you base that belief on?**
3 A. That we worked hard to set up the name of this
4 business.
5 **Q. Do you understand that the Yucca Valley**
6 **restaurant was in existence before you acquired**
7 **ownership of the Rosecrans restaurant?**
8 A. Yes, I do.
9 **Q. And do you understand that the Yucca Valley**
10 **restaurant was using the name Santana's Mexican Food**
11 **before you acquired the Rosecrans --**
12 A. I do.
13 MR. BERRETTA: Let her finish. Let her finish the
14 question.
15 BY MS. ARMENTA:
16 **Q. Have you ever been to the restaurant owned by**
17 **Pedro Santana?**
18 A. Never.
19 **Q. Do you understand that in the federal court**
20 **litigation, your corporation sued Pedro Santana, your**
21 **brother-in-law?**
22 A. Yes, I do.
23 **Q. Why did you do that?**
24 A. Because he's using Santana.
25 **Q. What's the name of Pedro Santana's restaurant?**

Page 14

1 A. I know it has Santana.
2 **Q. Have you seen any other restaurants or**
3 **restaurant owners that are using the name Santana other**
4 **than in this litigation?**
5 A. No, I haven't.
6 **Q. Have you or the corporation sued, for instance,**
7 **Santana's Mexican Grill located at 3637 Thousand Oaks**
8 **Boulevard in Thousand Oaks?**
9 A. No.
10 **Q. Are you aware of the existence of that**
11 **restaurant?**
12 A. Yes, I am.
13 **Q. Have you ever been to it?**
14 A. No.
15 **Q. How are you aware of the existence of that**
16 **restaurant?**
17 A. When I did the trademark filing, they did a
18 search for me. I have two full books of searching the
19 whole United States.
20 **Q. So you're aware of other restaurants that use**
21 **the name Santana's?**
22 A. Yes.
23 **Q. And you're aware of the Thousand Oaks one. Are**
24 **you aware of the one in Stockton called Santana's**
25 **Mexican Food?**

Page 15

1 A. Yes.
2 **Q. Have you taken any steps to stop that**
3 **restaurant from using the name Santana's Mexican Food?**
4 A. We did at sometime, but nobody even answered
5 our letters or the phone.
6 **Q. Did you take any further steps beyond -- I'm**
7 **sorry. What did you do, did you write them a letter?**
8 A. I think that's what was done.
9 **Q. And when you got no response to your letter,**
10 **what did you do, if anything?**
11 A. I don't remember.
12 **Q. Are you aware of a restaurant called Santana's**
13 **Mexican Food located in Phoenix, Arizona?**
14 A. No.
15 **Q. Why didn't you sue Santana's Mexican Food in**
16 **Stockton for use of the Santana's name?**
17 A. We did send them letters, from what I recall.
18 **Q. My question is: Why didn't you sue them?**
19 A. Because nobody answered either the phone or the
20 first letters.
21 **Q. Did you make any search to see who the owner**
22 **was of that restaurant?**
23 A. Not personally.
24 **Q. Did you go visit the restaurant?**
25 A. No, I haven't.

Page 16

1 **Q. Did you take any further effort to find out**
2 **whether the restaurant is, in fact, in existence?**
3 A. Not at the moment.
4 **Q. Okay. Why didn't you sue the restaurant called**
5 **Santana's Mexican Grill located at 3637 Thousand Oaks**
6 **Boulevard in Thousand Oaks?**
7 MR. BERRETTA: I'll object. This is irrelevant to
8 the cancellation proceeding. But you can answer.
9 THE WITNESS: We would if we didn't have the
10 cancellation proceeding. That's exactly the question --
11 the answer.
12 BY MS. ARMENTA:
13 **Q. But your belief is that your corporation is the**
14 **rightful owner to the marks that are at issue?**
15 A. 120 percent, not even 100.
16 **Q. Are you familiar with the menu items that are**
17 **offered at the restaurants owned by Arturo Casteneda?**
18 A. No, I'm not.
19 **Q. Are you familiar with the recipes used by**
20 **Arturo Casteneda in offering food for sale at his**
21 **restaurants?**
22 A. No, I'm not.
23 **Q. Are you familiar with the recipes used by Pedro**
24 **Santana at the restaurant he owns and operates?**
25 A. No, I'm not.

Page 17

1 **Q. Are you familiar with the menu items he offers**
2 **at his restaurant?**
3 A. No.
4 **Q. Do you know what color Pedro Santana's**
5 **restaurant is?**
6 A. No.
7 **Q. Do you know what color Arturo Casteneda's**
8 **Sun City or Twentynine Palms restaurants are?**
9 A. No.
10 **Q. Have you ever had any conversations with Arturo**
11 **Santana Gallego concerning the rights to use the name**
12 **Santana's Mexican Food?**
13 A. No.
14 **Q. When was the last time that you spoke with**
15 **Arturo Casteneda Gallego -- Arturo Santana Gallego?**
16 **Excuse me.**
17 A. About one year ago.
18 **Q. What did you discuss?**
19 A. Nothing. I just said hi.
20 **Q. Okay. Have you ever had any substantive**
21 **conversations with Arturo Santana Gallego concerning**
22 **operation of the restaurants, either Rosecrans or any of**
23 **the others that you own?**
24 A. No. That's my husband's job.
25 **Q. Have you ever had any conversations with Arturo**

Page 18

1 **Santana Gallego concerning your competing interests over**
2 **any of the trademarks in this litigation?**
3 A. No.
4 **Q. That would be your husband's job?**
5 A. Yes.
6 **Q. Okay. Who is the vendor that your restaurants**
7 **are currently using for tortillas?**
8 A. Gustavo Gonzales.
9 **Q. Okay. And who are the vendors you're currently**
10 **using for produce?**
11 A. Sysco, S-y-s-c-o, Santiago Produce.
12 **Q. Are those the only ones?**
13 A. It depends. It depends on the price.
14 **Q. Are there other vendors that you haven't listed**
15 **that you have used in the last 10 years for the**
16 **provision of produce?**
17 A. Many.
18 **Q. Many vendors?**
19 A. Many vendors.
20 **Q. Who are currently your primary meat vendor?**
21 A. Sea Port Meat.
22 **Q. What about cheese?**
23 A. Sysco.
24 **Q. Okay. When you first acquired ownership over**
25 **the Rosecrans restaurant, did you at that point begin**

Page 19

1 **working in the business?**
2 A. Yes.
3 **Q. Did you at that point learn who the vendors**
4 **were that Mr. Santana Gallego had been using?**
5 A. Yes.
6 **Q. And did the Rosecrans restaurant, after your**
7 **acquisition, continue to use some of the same vendors?**
8 A. Yes.
9 **Q. Which ones were the same?**
10 A. Tortillas, tortillas is the only one that we
11 have had during the years.
12 **Q. Okay. Let's focus on the '91-'92 acquisition**
13 **period. Did you use a meat vendor known as Tarantino?**
14 A. He didn't supply meat.
15 **Q. What did he supply?**
16 A. The plates, spices.
17 **Q. Anything else?**
18 A. Mostly, it was the paper products.
19 **Q. Okay. Are you familiar with the vendor called**
20 **Don Chuy?**
21 A. Butcher Blocks.
22 **Q. That's Butcher Blocks?**
23 A. Yes.
24 **Q. What about a vendor named Tommy's?**
25 A. I know we bought from them for a while, but....

Page 20

1 **Q. What did you buy from them for a while?**
2 A. Maybe cheese. I don't remember.
3 MR. BERRETTA: Don't guess if you don't know.
4 THE WITNESS: I don't remember.
5 BY MS. ARMENTA:
6 **Q. What kind of beverages do your restaurants**
7 **offer for sale to the public?**
8 A. Coke, fresh lemonade we make at the
9 restaurants, and Jamaica, Tamarindo --
10 THE REPORTER: I'm sorry?
11 MS. ARMENTA: Jamaica, T-a-m-a-r-i-n-d-o.
12 THE WITNESS: Fresh waters, make it easier.
13 BY MS. ARMENTA:
14 **Q. Do you offer Hortchata?**
15 A. Yes.
16 **Q. How did you acquire the Rosecrans restaurant?**
17 A. It was an agreement between my husband and my
18 father-in-law. He owed him $20,000, and the other
19 20,000 on the property in Tecate, Mexico.
20 **Q. Okay. Did you participate in the negotiation**
21 **of that agreement at all?**
22 A. No, not at all.
23 **Q. So the only thing you know about the agreement**
24 **are the things that you heard from your husband?**
25 A. From my husband and from my mother-in-law.

Page 21

1 **Q. Well, you heard your husband testify to the**
2 **terms of this agreement?**
3 A. Yes.
4 **Q. The $20,000 loan relief and the $20,000 or so**
5 **interest in the apartment building?**
6 A. Um-hum.
7 **Q. Based on your conversations with your husband**
8 **and your mother-in-law, do you believe that your husband**
9 **stated the agreement accurately?**
10 A. Yes. 100 percent.
11 **Q. Are there any other terms that he left out?**
12 A. Not that I know of.
13 **Q. You say that you believe you're 120 percent**
14 **sure that Santana's Grill, Inc., is the owner of the**
15 **trademarks. Do you remember that?**
16 A. Yes, I do.
17 **Q. And how was it that Santana's Grill -- Santana**
18 **Grill, Inc., acquired the exclusive right to use the**
19 **Santana's Mexican Food?**
20 MR. BERRETTA: Well, it calls for a legal conclusion
21 and legal analysis; and calls for a narrative response.
22 You can try to answer. Go ahead.
23 THE WITNESS: Okay. Santana's Grill, Inc., got
24 formed after sole proprietorship that the two entities,
25 Abelardo Santana and Claudia Vallarta-Santana, and we

Page 22

1 became Santana's Grill, Inc. Subsequently, it becomes
2 the same unity all the way back when we started, 1991.
3 1992, as soon as we started, I have a legal paper of my
4 father-in-law reassigning to the name Santana's Mexican
5 Food.
6 BY MS. ARMENTA:
7 **Q. Are you talking about the fictitious business**
8 **statement?**
9 A. Yes.
10 **Q. Let's put the fictitious business statement**
11 **aside and ask you about did your father-in-law ever give**
12 **you any other paper or document which you believe**
13 **transferred rights in the trademark to you?**
14 A. First of all, he never trademarked the name.
15 His only assignment to the name would be a fictitious
16 name statement. Until you request permission to be the
17 solely owner of a trademark, that's when it becomes a
18 trademark.
19 **Q. That's your understanding?**
20 A. That's my understanding, yes.
21 **Q. So your understanding is that the first person**
22 **who files the trademark registration gets to register**
23 **it?**
24 A. No.
25 **Q. Okay. So your understanding is that -- did you**

Page 23

1 **understand that Mr. Santana Gallego had been using the**
2 **name Santana's Mexican Food in operation of the**
3 **restaurant before you ever acquired ownership in the**
4 **restaurant?**
5 A. Yes.
6 **Q. And you understand also that Mr. Santana**
7 **Gallego, at least it's your contention, that he sold the**
8 **restaurant to you and to your husband; is that right?**
9 A. Could you reask that one?
10 **Q. He sold the restaurant to you, right?**
11 A. Yes, he did.
12 **Q. Okay. Other than the fictitious business name**
13 **statement that we've just talked about, are there any**
14 **other documents to show that he transferred the right to**
15 **use the name to you or to your husband?**
16 A. The only right at the time is the city right,
17 and that is the fictitious name statement. That is my
18 understanding.
19 **Q. Okay. So your understanding is because he**
20 **transferred the fictitious business name to you, then**
21 **you acquired the rights to the name?**
22 A. Exactly.
23 **Q. Okay. Now, at the time that you acquired the**
24 **business known as Santana's Mexican Food on Rosecrans,**
25 **did you understand there was another business operating**

Page 24

1 **called Santana's Mexican Food?**
2 A. Yes.
3 **Q. Where was that located?**
4 A. Yucca Valley.
5 **Q. Okay. So are you saying that the fictitious**
6 **business name transfer of Santana's Mexican Food gave**
7 **you the exclusive right to use that name?**
8 A. I never said "exclusive."
9 **Q. That was my question.**
10 A. San Diego County.
11 **Q. You believe that that gave you the right to use**
12 **it in San Diego County exclusively?**
13 A. San Diego County and continuously, I mean.
14 **Q. Okay. Well, are Arturo Casteneda's restaurants**
15 **located in San Diego County?**
16 A. No, not Yucca Valley. I don't know the other
17 two.
18 **Q. When was Santana's Grill formed, was that in**
19 **1998?**
20 A. 1998.
21 **Q. Okay. I noticed on your website you have a**
22 **statement that says, quote, thanks to you, we've been**
23 **serving you in San Diego since 1987. When you wrote --**
24 **did you help write the website, by the way?**
25 A. Yes, I did.

Page 25

1 **Q. Okay. So are those your words, "we've been**
2 **serving you in San Diego since 1987"?**
3 A. Yes. That's as long as my husband has been
4 working at that restaurant.
5 **Q. Okay. So when you say "we," you meant your**
6 **husband as an employee?**
7 A. Yes.
8 **Q. Before 1991 or '92?**
9 A. As any entity related to Santana's Mexican
10 Food.
11 **Q. Okay. Have you ever had any conversations with**
12 **Arturo Casteneda concerning the use of the mark -- any**
13 **of the three trademarks?**
14 A. Like I already answered you, that's my
15 husband's job. I don't do any conversations with them
16 regarding business.
17 **Q. And then it would also be your husband's job to**
18 **talk to his father about any use of the marks as well?**
19 A. It would be if I didn't believe we're the 120
20 percent legal owners of the mark.
21 **Q. So you believe that. I understand that. I got**
22 **that loud and clear.**
23 A. I just want to make it clear.
24 **Q. But I want to know if you ever had any**
25 **conversations with your father-in-law concerning the**

Page 26

1 **rights to use the trademarks that are at issue in this**
2 **litigation?**
3 A. I already answered, no.
4 **Q. Okay. Did you ever have any conversations with**
5 **your mother-in-law concerning the use of the trademarks**
6 **that are at issue in this litigation?**
7 A. Comments, I know. But, no, not deeply into
8 discussion or nothing. Just that we were going to do
9 the trademark.
10 **Q. Okay.**
11 A. Everybody knew that we were applying for the
12 trademark. Everybody, every single person from the
13 Santana family.
14 MS. ARMENTA: I'll move to strike that as completely
15 nonresponsive.
16 THE WITNESS: Not convenient.
17 BY MS. ARMENTA:
18 **Q. Do you have any plans currently to franchise**
19 **the restaurants?**
20 A. Not currently.
21 **Q. Have you had plans in the past?**
22 A. We have had plans, but we haven't gone forward.
23 **Q. What are those plans?**
24 MR. BERRETTA: Okay.
25 THE WITNESS: Not relevant.

Page 27

1 MR. BERRETTA: Yeah. Let me do the objecting.
2 THE WITNESS: I'm sorry.
3 (Mr. Santana Lee left the room at 1:15)
4 MR. BERRETTA: I think that is not relevant, and
5 that that would be confidential proprietary information.
6 If you really want to get into that, then we would have
7 to designate it as confidential and certain people have
8 to leave the room, obviously.
9 MS. ARMENTA: Okay. Let's designate this portion of
10 the transcript as confidential. Mr. Santana, would you
11 mind stepping out.
12 (Mr. Santana Gallego left the room at 1:16)
13 MS. ARMENTA: We already signed a protective order,
14 so.
15 MR. BERRETTA: Yeah. I'm just trying to remember
16 the exact terminology. I should have brought that with
17 me, but it's basically sensitive trade secret
18 information that needs to be viewed by attorneys' eyes
19 only. So it's more than just confidential.
20 MS. ARMENTA: I'll agree to designate this portion
21 of the transcript as attorneys' eyes only.
22 MR. BERRETTA: I think we understand what level it's
23 at. Just the lingo, the language of the protective
24 order is a little different.
25 MS. ARMENTA: Let's give to it the highest level to

Page 28

1 get an answer to the question.
2 MR. BERRETTA: Great.
3 BY MS. ARMENTA:
4 **Q. What were your plans to franchise the**
5 **restaurants?**
6 A. What were my plans?
7 **Q. Yes.**
8 A. To make them all uniform. That's our main
9 plan, to make them all uniform.
10 **Q. So when you say "them all," does that include**
11 **the restaurants owned by Pedro, Arturo Santana, and**
12 **Arturo Casteneda?**
13 A. Yes.
14 **Q. So your plan is to make their restaurants --**
15 A. Not at all.
16 **Q. -- uniform with yours?**
17 MR. BERRETTA: Let her finish.
18 THE WITNESS: Not at this moment.
19 BY MS. ARMENTA:
20 **Q. Were those your plans initially?**
21 A. Yes -- not mine. I mean, the main purpose of
22 all this is for everybody to operate the same -- was.
23 At this moment, the only purpose is for all this to be
24 over by them taking out the name.
25 **Q. Okay. So it's fair to say that at this point,**

Page 29

1 **you would only be satisfied if Arturo Casteneda, Arturo**
2 **Santana, and Pedro Santana removed the name Santana's**
3 **from the restaurants?**
4 A. I will have to discuss that with my husband.
5 **Q. Okay.**
6 A. Every day, answers change and situations
7 change. So I do not know.
8 **Q. You said before that you were aware the Yucca**
9 **Valley restaurant named Santana's Mexican Food existed**
10 **at the time you acquired ownership of Rosecrans. Do you**
11 **remember that?**
12 A. Yes, I do.
13 **Q. And you understood that Santana's Mexican Food**
14 **in Yucca Valley was also engaged in the restaurant**
15 **service industry, particularly in serving Mexican food;**
16 **is that right?**
17 A. I do.
18 **Q. And you've known that continuously since the**
19 **time you acquired ownership of Rosecrans, so in 1991 or**
20 **1992; is that correct?**
21 A. I do.
22 **Q. And you know that as you sit here today,**
23 **correct?**
24 A. I do.
25 THE REPORTER: Is this all still confidential?

Page 30

1 MS. ARMENTA: That last question and answer we can
2 agree is not confidential, don't you agree?
3 MR. BERRETTA: Yeah. I was going to say, if we
4 won't get into that franchise issue further, actually
5 none of that really needed to be confidential.
6 MS. ARMENTA: I don't think she gave us any
7 confidential information at all.
8 MR. BERRETTA: No, no. I mean, that was what we've
9 been saying all along.
10 MS. ARMENTA: Okay. It's not exclusive information
11 or the interesting information that purported itself to
12 be.
13 MR. BERRETTA: So why don't we say then we can
14 remove the designation.
15 MS. ARMENTA: All right. Let's remove the
16 designation.
17 MR. BERRETTA: Because it wasn't anything specific
18 discussed.
19 MS. ARMENTA: Thank you.
20 **Q. You said you helped Arturo Santana Lee set up**
21 **the El Cajon restaurant. Do you remember that?**
22 A. Yes, I did.
23 **Q. Was that in 1998 or so?**
24 A. 1997.
25 **Q. And what name did that restaurant use at the**

Page 31

1 **time that it opened?**
2 A. Santana's Mexican Grill.
3 **Q. And as far as you know, has it used the name**
4 **Santana's Mexican Grill continuously since then?**
5 A. On the banners, yes.
6 **Q. And how close is that restaurant to your**
7 **nearest restaurant?**
8 MR. BERRETTA: Calls for speculation.
9 BY MS. ARMENTA:
10 **Q. What restaurant of yours is the closest to the**
11 **El Cajon location?**
12 A. Washington Street.
13 **Q. About how far is it?**
14 A. Freeway time, 15 minutes.
15 **Q. It's located also in San Diego County?**
16 A. Yes, it is.
17 **Q. Okay. And at the time that you filed the**
18 **application for the trademark registration for Santana's**
19 **Mexican Grill, were you aware that Arturo Santana's**
20 **restaurant was operating as Santana's Mexican Grill?**
21 A. As instructed by us, yes.
22 **Q. When did he -- you say it was instructed by**
23 **you?**
24 A. Yes.
25 **Q. What did you instruct personally?**

Page 32

1 A. My husband and I decided the name. The
2 insurance -- I gave the name to my insurance agent, that
3 it was -- let me finish the answer, because don't --
4 that the name of this restaurant was going to start
5 being named Santana's Mexican Grill. The policy is
6 still under my name and my husband's name. That
7 restaurant is still guaranteed by us.
8 **Q. You signed a guarantee on the lease?**
9 A. The guarantee on the lease, the guarantee on
10 the insurance. I personally ordered phone, the phone is
11 under Santana's Mexican Food, gas, electric, water,
12 trash.
13 **Q. Do you pay the gas bill?**
14 A. No, I don't pay them.
15 **Q. Do you pay the water bill?**
16 A. I set them up.
17 **Q. Do you pay the water bill?**
18 A. I don't pay any of it.
19 **Q. Do you pay the rent?**
20 A. I don't pay the rent.
21 **Q. Are there any of the costs that are currently**
22 **being expended at Santana's Mexican Grill in El Cajon**
23 **that you personally or your corporation is paying for?**
24 A. None of them.
25 **Q. All right.**

Page 33

1 A. I guarantee it.
2 MS. ARMENTA: Thank you. I'm done, unless you have
3 any questions.
4 MR. BERRETTA: So you're done. Same stipulation as
5 before?
6 MS. ARMENTA: Great. Thank you.
7 (The following stipulation was entered into at the
8 deposition of ABELARDO SANTANA LEE, taken on January 20,
9 2005:)
10 "MS. ARMENTA: Okay. Let's go back on to put a
11 stipulation on the record. The court reporter will
12 prepare the transcript and deliver it to Mr. Berretta
13 who will have 15 days after receipt to have his client
14 review the transcript, sign it, make any changes, and to
15 provide them by fax to me. If the changes and/or the
16 signature is not timely obtained, and during the
17 interim, a certified copy of the transcript can be used
18 for all purposes just as if it were signed. And the
19 other purpose for which we could use that is if the
20 original transcript is lost or somehow damaged. And
21 Mr. Berretta will maintain custody and control of the
22 original transcript, and produce it upon reasonable
23 notice or request.
24 "MR. BERRETTA: I was just going to say something,
25 and it went right out of my head. Give me a moment.

Page 34

1 That's funny. Well, I can't remember what I was going
2 to say. So that's fine -- oh, yes, I remember. We
3 assume waive signing in front of a notary, so he can
4 sign it outside the presence of a notary, sign the
5 transcript. Is that fine?
6 "MS. ARMENTA: Sure.
7 "MR. BERRETTA: Okay.
8 "MS. ARMENTA: Thank you."
9 (Whereupon, at 1:21 p.m., Thursday, January 20, 2005,
10 the deposition of CLAUDIA VALLARTA-SANTANA was
11 concluded.)

SEE ATTACHED LIST

☒ **BY MAIL:** I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing with the United States Postal Service. Under that practice, it would be deposited with the United States Postal Service that same day in the ordinary course of business. Such envelope(s) were placed for collection and mailing with postage thereon fully prepaid at Santa Monica, California, on that same day following ordinary business practices. (C.C.P. § 1013 (a) and 1013a(3))

☐ **BY FACSIMILE:** I caused said document(s) to be transmitted by facsimile pursuant to Rule 2008 of the California Rules of Court. The telephone number of the sending facsimile machine was (310) 315-8210. The name(s) and facsimile machine telephone number(s) of the person(s) served are set forth in the service list. The document was transmitted by facsimile transmission, and the sending facsimile machine properly issued a transmission report confirming that the transmission was complete and without error.

☐ **BY OVERNIGHT DELIVERY:** I deposited such document(s) in a box or other facility regularly maintained by the overnight service carrier, or delivered such document(s) to a courier or driver authorized by the overnight service carrier to receive documents, in an envelope or package designated by the overnight service carrier with delivery fees paid or provided for, addressed to the person(s) served hereunder. (C.C.P. § 1013(d)(e))

☐ **BY HAND DELIVERY:** I caused such envelope(s) to be delivered by hand to the office of the addressee(s). (C.C.P. § 1011(a)(b))

☐ **BY PERSONAL SERVICE:** I personally delivered such envelope(s) to the addressee(s). (C.C.P. § 1011)

I declare that I am employed in the office of a member of the bar of the State of California and various federal district and appellate courts, at whose direction the service was made.
