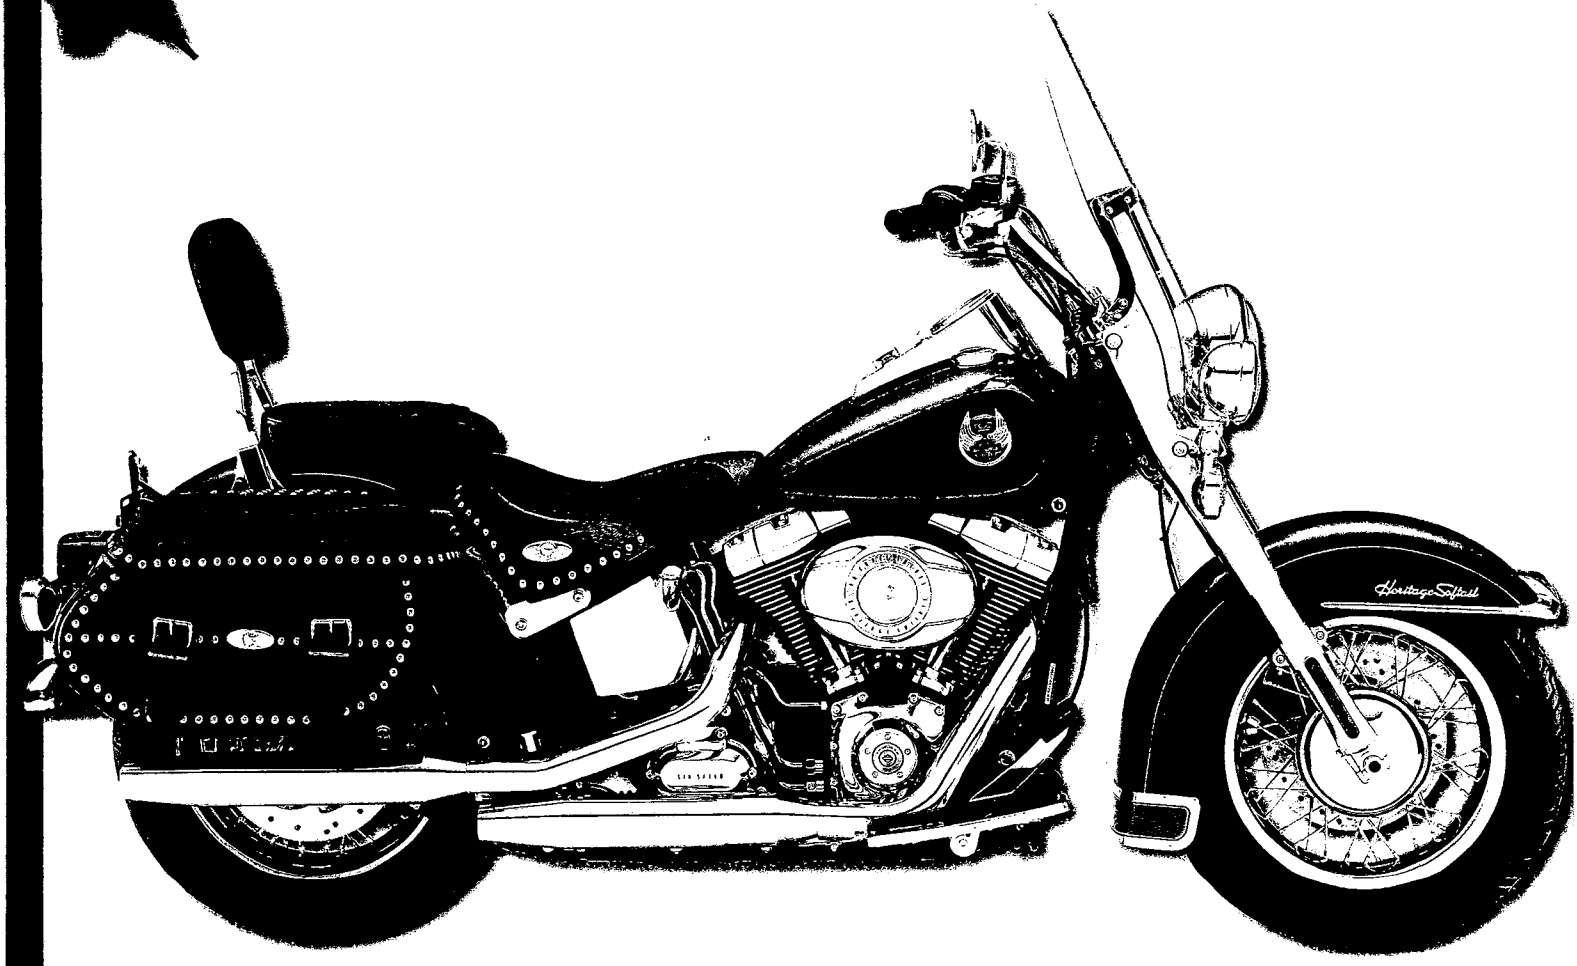
Sterling silver is a beautiful, precious metal known for its reflective quality as well as lasting durability. All of our collections are handcrafted in this quality metal with leather, enamel, gemstones and 10K gold accents. We pride ourselves on continuing to be known for a high quality product and look forward to bringing you handcrafted sterling silver jewelry at an affordable price.



It all begins with the motorcycle, the core of the Harley-Davidson experience. In 1903, William Harley, Arthur Davidson and Walter Davidson built their first motorcycle in a 10 X 15 foot shed in a Milwaukee backyard. Over the past century their creation has become not only a fixture on the world's highways, but a symbol of America, the essence of freedom, adventure and individuality.

MOD Jewelry, Inc. has been a part of the Harley-Davidson family of licensees since 2001. We are proud to present a collection of jewelry to commemorate this important milestone in Harley-Davidson's history. Our 105th Anniversary Collection features genuine sterling silver with copper accents.

TERMS AND CONDITIONS

Terms for Domestic Dealers:

A. For net 30 terms, the dealer must complete a credit application. Once this process is completed, the dealer will be set up on net 30 terms with $2,000 to $5,000 limit (this varies by dealer).

B. C.O.D. terms are automatically assigned to a dealer's account unless the dealer proceeds with applying for net 30 terms. Orders shipped C.O.D. will incur a handling fee of $7.50 (subject to change).

For International Dealers:

A. Payment can be made by wire transfer or credit card.

B. For Wire Transfer payments, dealer is contacted prior to release of shipment to verify payment and freight.

C. International Orders will be re-stocked into inventory if payment is not received within 4 weeks of shipment notification.

D. International shipments may/will incur custom clearance fees, which is the dealer's responsibility.

Shipment of Orders:

A. Orders are processed, pulled and shipped within 5 working days of receipt of the order. Please note: This turn time will vary after Dealer Meetings, holidays and during warehouse closures.

B. All orders ship from our CA warehouse. Unless the dealer specifies a different carrier/service at the time of ordering, all domestic orders will ship via Fed Ex Ground, and all international orders will ship via Fed Ex Air.

Warranty:

A. All bags come with a one year warranty. Defective bags will be repaired if possible. If not, a new bag will be sent in its place.

B. To return a defective bag: Call 1(800) 335-5259 ext. 3312. The dealer will receive an RMA# and a call tag will be issued to Federal Express.

C. If the dealer requests a cerdit for this product and does not want a replacement bag, the credit cannot be issued without receiving the defective bag. An RMA# will be issued to pick up the bag. Once the return is received, the credit will be issued to the dealer's account.
