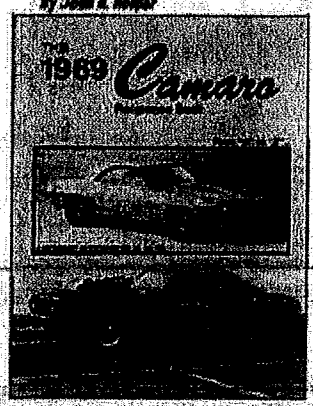
The 1969 Camaro Reference Book from A to Z

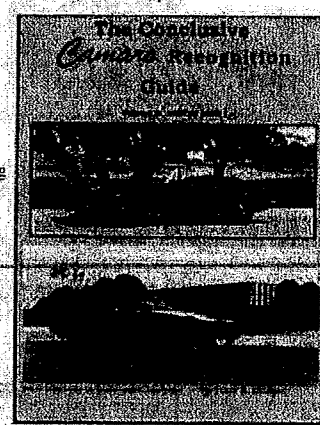
By John R. Hooper



This is the first comprehensive book strictly dealing with the 1969 Camaro. This is the most detailed and informative book ever released on the vintage 1969 models. The reference guide includes over 550 pages packed some of the rarest information ever obtained on this legendary model. This is more like a manual then a book! It contains over 700 photographs depicting some of the most rare factory optional items as well as great photos on the cars themselves. This excellent book contains *never before released* information right from the factory and will serve as the new encyclopedia for 1969 Camaros for years to come. Much of the information in this book was taken directly from General Motors archives. This rare and factual information cannot be had in any other Camaro book currently being published. Includes information on options, colors, base Car, Rally Sport, Super Sport, COPO, Convertibles, Pace cars, Z-28's, Z-[illegible] [illegible]

The 1967-1969 Illustrated Camaro Recognition Guide Volume I

By John R. Hooper



This 240 page book has been crammed with photos, charts, diagrams, and illustrations on everything you always wanted to know about 1st generation Camaros. This book contains information on options, original pricing, engine codes, and very valuable information of the Protect-O-Plate which offers a complete guide on how to "break it down" and find out for sure where your Camaro was built, what colors were originally installed in your interior. What date it was built and more. This is a must for anyone owning, purchasing, restoring, or thinking about owning a first generation Camaro. This book contains the latest, most complete information and will probably end up being one the most comprehensive and detailed books ever written on this subject. [illegible]

The Illustrated Camaro Recognition Guide Volume II: 1970-1973

1968 SYC 427 Yenko Hood

Once upon a time the only way to obtain this hood was to buy the entire vehicle from a Yenko dealer. Classic Industries now offers you the chance to purchase the hood separately! This all new fiberglass reproduction is an exact duplicate of the original article. Was originally installed on all 1968 Yenko SYC 427 Camaros. May also be installed on any 1967 through 1969 Camaro for a retro performance or custom appearance. Recommended for use without hood springs. The K966 is for use with original style open element air cleaners.

Important! Not for use with original hood latch assembly. Hood pins recommended. Hood pin mounting locations are scored on underside of hood for easy drilling. Note: Shipped via truck freight, call or current rates to your area.

1987-88 Carbon Fiber Valve Covers

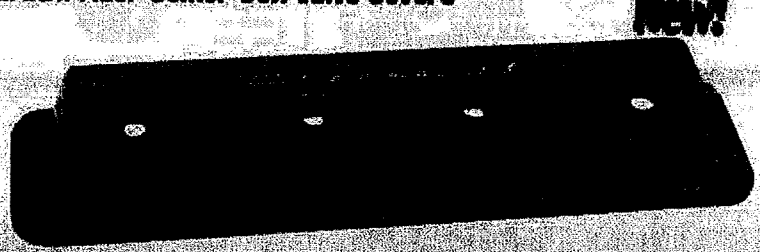
New!

Now available for competition or street use, the strongest and lightest valve cover of all time. Created from the same material found in the space shuttle, Stealth bomber and most sophisticated race cars in the world, *carbon fiber*. This unique valve cover displays the name Chevrolet; and the Chevy Bow Tie emblem in the traditional Chevy Bow Tie orange. The valve cover is finished to jewel-like perfection and has been dyno tested to exacting specifications. It has no holes for the PCV valve or the oil filler. Fits either RH or LH sides, these carbon fiber demand attention and admiration as well as providing the most efficient use of function and weight savings available in the automotive world.

CFVC1●●	1967-86		479.00 pr

1988-98 Carbon Fiber Center Bolt Valve Covers

New!



Space age carbon fiber is used to create the lightest valve cover of all time. Designed for the center bolt small block Chevy configuration this is the same material found in the space shuttle, Stealth bomber and most sophisticated race cars in the world. The valve cover is finished to jewel-like perfection and incorporates the *classic* Chevy script and the Bow Tie in racing orange. This "Hi-Tech" composite valve cover incorporates PCV grommet and oil filler holes. Fabricated to give your engine compartment a "custom look" while providing the ultimate in function and weight savings. These composite valve covers require special hold down bolts, studs, and neoprene valve cover to head gaskets which are sold separately.

Cowl Induction

Includes the air cleaner base, filter and lid assembly!

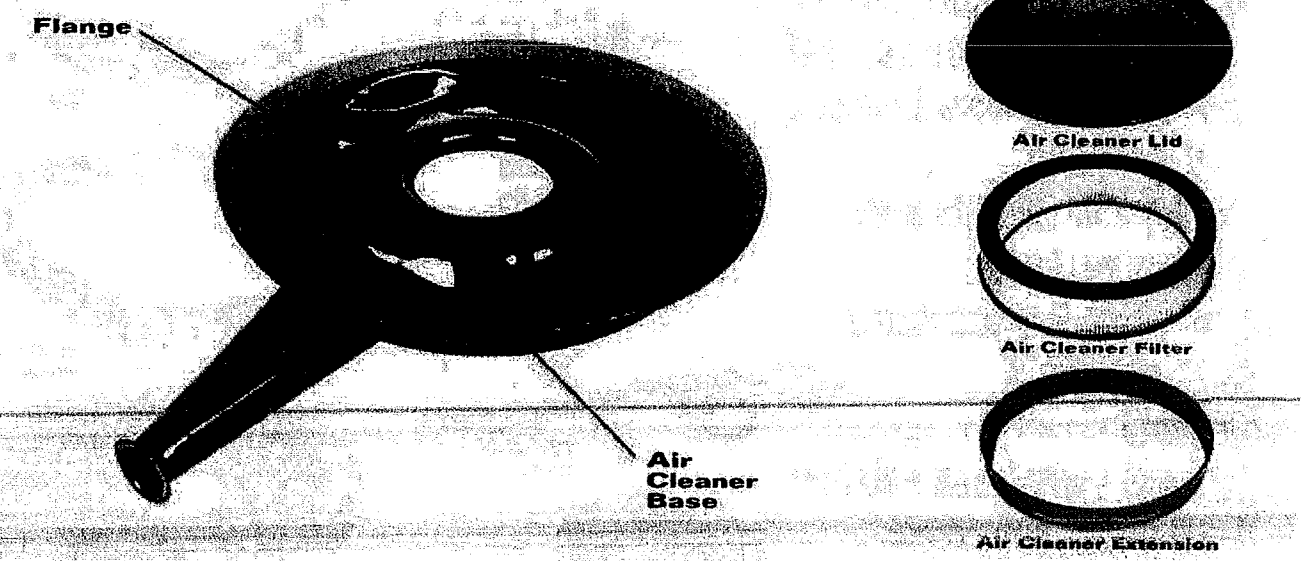
OEM Style Reproduction of Original!

1969 Basic Cowl Induction Air Cleaner

Reproduction of the original cowl induction air cleaner including correct black lid, base, and filter. This air cleaner is a direct replacement for the original Cowl Induction style aircleaner optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396 427 (ZL-1) or Iron Block 427 (COPO 9561) Camaros. This option was also included on other dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. The air cleaner requires a cowl induction hood for correct installation. This aircleaner does not include the extension or the flange, part numbers C671 or C672 below for cowl induction air cleaners which incl these items. *Note: Air cleaner extension, flange and hood seal are available separa Valve cover to air cleaner elbow and hose must be purchased separately, see valve c section for correct elbow and hose application. Also may be used on 1967-1968 Camaros an owner installed cowl induction hood.*

KW260 1969 ..... 139.95

The air cleaner base, filter, lid, air cleaner to hood extension and flange!



1969 Cowl Induction Air Cleaner with Extension and Flange

Reproduction of the original cowl induction air cleaner including correct black lid, base, filter, air cleaner to flange extension and the flange. The extension for a 302 is shorter than the extension on the 350. This was due to a high rise intake manifold which was factory installed on all 302 (Z-28) engines. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner which was optional on 1969 Camaros with 302 (Z-28), or SS-350 engines.

Note: This air cleaner does not include the air cleaner flange to hood seal (availa separately). Valve cover to air cleaner elbow and hose must be purchased separately, s valve cover section for correct elbow and hose application. Also may be used on 67- Camaros with cowl induction hood.

Classic Industries Camaro

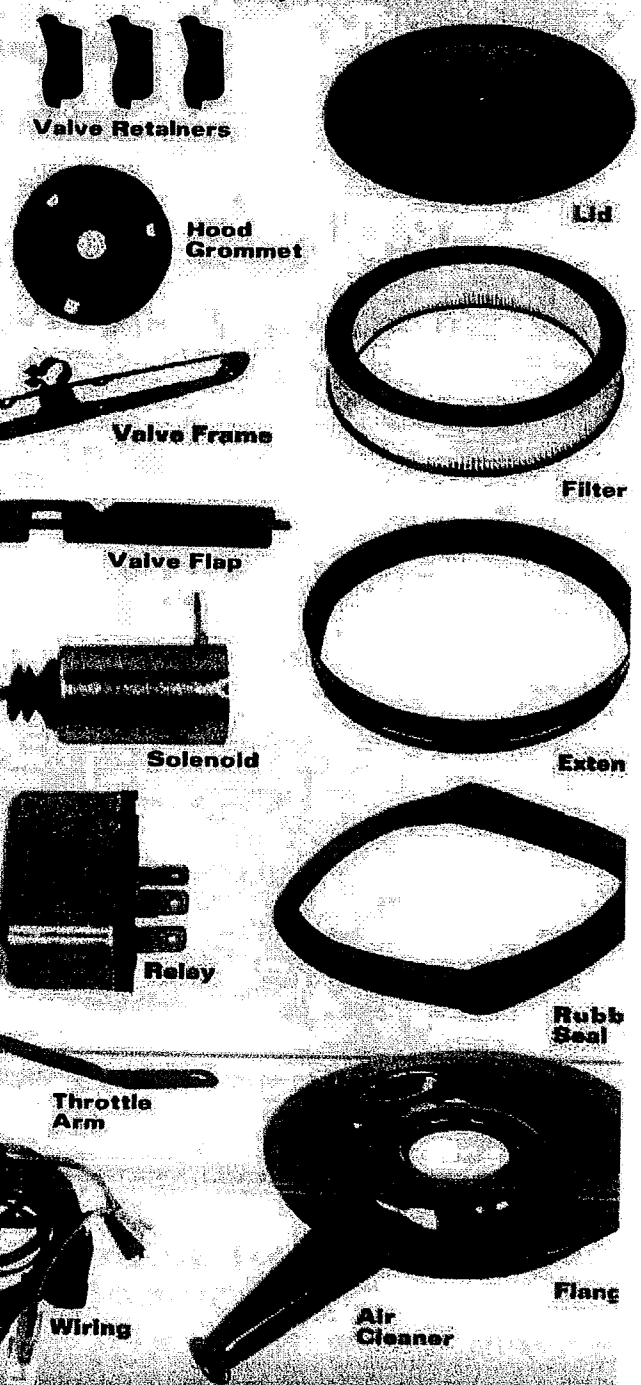
Toll Free Order Line 1-800 854-1280

Cowl Induction System

The ultimate in cowl induction replacement! Classic Industries offers a complete reproduction of the original cowl induction air cleaner package for 1969 Camaros. Each kit is offered for the original engine assembly and includes the correct parts for each application. This air cleaner is a direct replacement for the original cowl induction style air cleaner which includes everything you need to completely install a functional cowl induction system. The original cowl induction style air cleaner system was optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396, 427 (ZL-1) or the Cast Iron Block 427/425hp (COPO 9561) Camaros. The cowl induction system was also installed on dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. This air cleaner system requires a cowl induction hood to complete a fully functional system along with correct installation. Be sure to choose the correct kit for your year and model. Contact our sales department for more information.

Note: The cowl induction system requires a cowl induction hood for installation. If your Camaro wasn't originally equipped with a cowl hood, you can install the correct hood and add the cowl induction system to your vehicle. Also may be used on 1967-1968 Camaros with an owner installed cowl induction hood. Some items included in kit are not shown.

A complete Cowl Induction Package for 19 Camaros. Includes virtually every item you need to completely install a Cowl Induction system . . . except the Hood!



- Air cleaner base
- Air cleaner lid
- Air cleaner extension ring
- Air cleaner flange
- Air cleaner filter
- Air cleaner to hood rubber seal
- Air cleaner arrestor screen
