U.S. Trademark Application Serial No. 85182971 **Opposition Proceeding No. 91201403**

Petition for Express Abandonment of Application With Consent

The undersigned Applicant, World Trade Consult LLC ("Applicant"), files this petition to expressly abandon its pending U.S. Trademark Application Serial No. 85182971. This petition is filed with the consent of the undersigned Opposing party, World Trade Centers Association, Inc. ("Opposer"), in Opposition Proceeding No. 91201403.

The Applicant and Opposer have executed a settlement agreement that resolves the underlying trademark dispute between the parties, based on Applicant's willingness to expressly abandon the pending application and its right to submit a new application based on a different proposed combined word and design mark, which Opposer will not oppose.

Accordingly, Applicant requests that U.S. Trademark Application Serial No. 85182971 be expressly abandoned effective immediately, to which Opposer consents.
