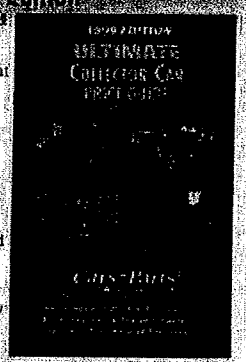
Automotive Manuals

1900-1999 4th Edition

By the editors of "Cars & Parts"



Whether it's a 1932 Auburn Phaeton valued at $110,000 or a 1969 Pontiac GTO hardtop valued at $1800, the editors of "Cars & Parts" Magazine, who boast 40 years experience in the collector car hobby, give the reader an accurate value and picture for every major domestic and imported collector car built from 1900 through 1999. Some 1,200 black-and-white photos, an easy to read format, and current auction results elevate this guide to a class of it's own. Softbound, 1,000 pages, 6" x 8 3/4", 1,200 black and white illustrations.

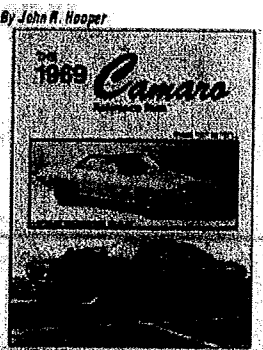
The 1989 Camaro Reference Book from A to Z

By John R. Hooper



This is the first comprehensive book strictly dealing with the 1969 Camaro. This is the most detailed and informative book ever released on the vintage 1969 models. This reference guide includes over 350 pages packed some of the rarest information ever obtained on this legendary model. This is more like a manual then a book! It contains over 700 photographs depicting some of the most rare factory optional items as well as great photos on the cars themselves. This excellent book contains *never before released* information right from the factory and will serve as the new encyclopedia for 1969 Camaros for years to come. Much of the information in this book was taken directly from General Motors archives. This rare and factual information cannot be had in any other Camaro book currently being published. Includes information on options, colors, base Car, Rally Sport, Super Sport, COPO, Convertibles, Pace cars, Z-28's, ZL-1's, Special Interest Camaros, Engine Codes, Dating Section and more! If you like Camaros and especially 1969's, then get your personal copy today.

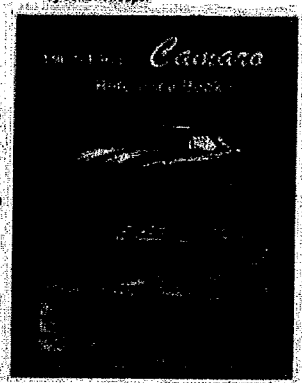
The Camaro Reference Book from A to Z

By John R. Hooper



This is a detailed and well written guide by world renowned Camaro expert and author John R Hooper who has a reputation for getting very detailed and rare information on early Camaro facts and figures. This latest reference book deals with much of the rare and unknown information which has eluded the Camaro enthusiast. To date, ther has never been a book which describes in detail and pictures all the rare optional parts and accessories which made Camaro famous! It deals with the most common base car information to the rarest options for 67-68 including the 1967 Indy Pace Car and the early 1967 Z-28 of which only 602 were originally built! This is the first real comprehensive reference book on 1967-1968 Camaros ever! You'll find everything you need in this latest "A to Z" reference book. This reference guide includes over 352 pages packed with text and contains over 400 photographs. Includes information on Options, Colors, Base Car, Rally Sport, Super Sport, COPO, Convertibles, Pace Cars, Z-28's, Special Interest Camaros, Nickey Camaros, Yenko's, Gibb, Engine Codes, Dating Section, casting numbers, heavy duty parts list, and much, much more!

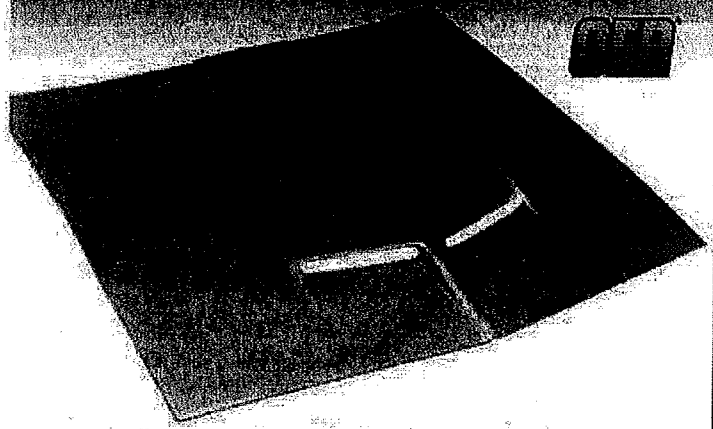
Hood Accessories



1968 SYC 427 Yenko Hood

Once upon a time the only way to obtain this hood was to buy the entire vehicle from a Yenko dealer. Classic Industries now offers you the chance to purchase the hood separately! This all new fiberglass reproduction is an exact duplicate of the original article. Was originally installed on all 1968 Yenko SYC 427 Camaros. May also be installed on any 1967 through 1969 Camaro for a retro performance or custom appearance. Recommended for use without hood springs. The K966 is for use with original style open element air cleaners.

Important: Not for use with original hood latch assembly. Hood pins recommended. Hood pin mounting locations are scored on underside of hood for easy drilling. Note: Shipped via truck freight, call or current rates to your area.

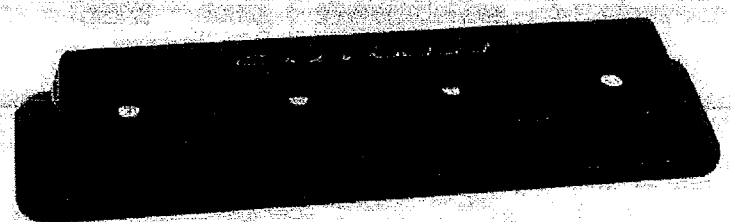
1967-86 Carbon Fiber Valve Covers

Now available for competition or street use, the strongest and lightest valve cover of all time. Created from the same material found in the space shuttle, stealth bomber and most sophisticated race cars in the world, *carbon fiber*. This unique valve cover displays the name Chevrolet, and the Chevy Bow Tie emblem in the traditional Chevy Bow Tie orange. The valve cover is finished to jewel-like perfection and has been dyno tested to exacting specifications. It has no holes for the PCV valve or the oil filler. Fits either RH or LH sides, these carbon fiber covers will demand attention and admiration as well as providing the most efficient use of function and weight savings available in the automotive world.

CFVC100 1967-86 ..... 479.00 pr

1988-98 Carbon Fiber Center Bolt Valve Covers



Space age carbon fiber is used to create the lightest valve cover of all time. Designed for the center bolt small block Chevy configuration this is the same material found in the space shuttle, stealth bomber and most sophisticated race cars in the world. The valve cover is finished to jewel-like perfection and incorporates the *classic* Chevy script and the Bow Tie in racing orange. This "Hi-Tech" composite valve cover does not include PCV grommet and oil filler holes. Fabricated to give your engine compartment a "custom look" while providing the ultimate in function and weight savings. These composite valve covers require special hold down bolts, studs, and neoprene valve cover to head gaskets which are sold separately.

CFVC120 1988-98 ..... 469.00 pr

Valve Cover Decals

Tonawanda Number #1 Team Decal

Reproduction of the original mylar chrome valve cover decal, which includes the correct *Built by Chevrolet Tonawanda The #1 Team* lettering in the correct red and blue colors. These decals were applied to various small block and all big block engines on the RH passenger side valve cover.

DC96 67-74 ..... 3.00 ea

1967-1969 Yenko Decals

Reproduction of the rare original Yenko valve cover decals which were applied on all 67-69 Yenko small block and big block valve covers.

DC425	67-68	Yenko Shield	4.25 ea

Cowl Induction

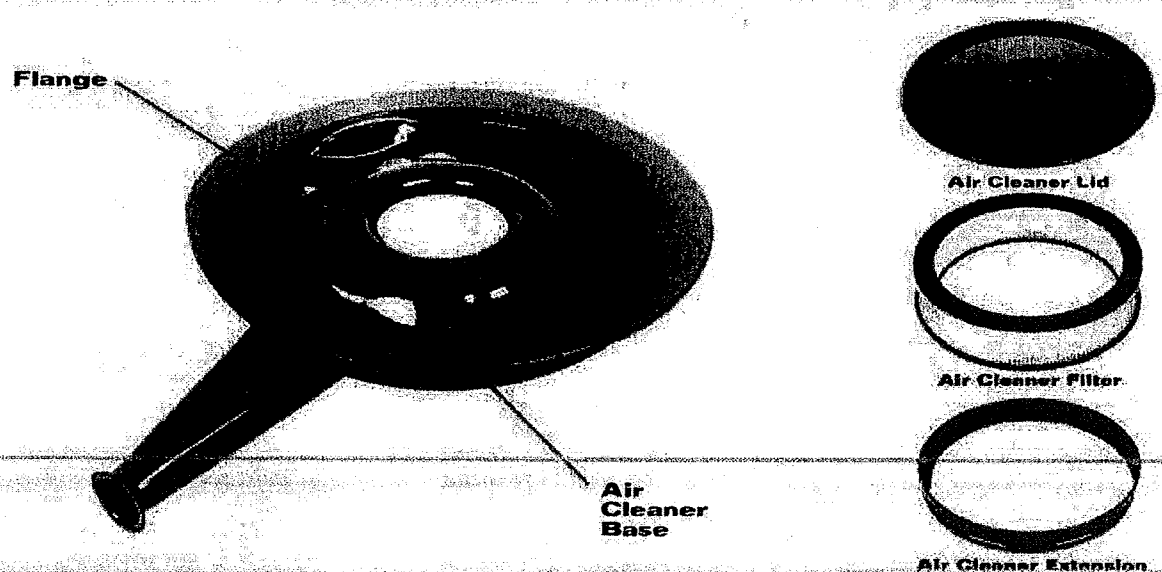
OEM Style
Reproduction of Original!

1969 Basic Cowl Induction Air Cleaner

Reproduction of the original cowl induction air cleaner including correct black lid, base, and filter. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396427 (ZL-1) or Iron Block 427 (COPO 9561) Camaros. This option was also included on other dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin- Motion. The air cleaner requires a cowl induction hood for correct installation. This aircleaner does not include the extension or the flange. See part numbers C671 or C672 below for cowl induction air cleaners which include these items. *Note: Air cleaner extension, flange and hood seal are available separately. Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 1967-1968 Camaros with a cowl induction hood.*

KW260	1969		139.95 set

The air cleaner base, filter, lid, air cleaner to hood extension and flange!



1969 Cowl Induction Air Cleaner with Extension and Flange

Reproduction of the original cowl induction air cleaner including correct black lid, base, filter, air cleaner to flange extension and the flange.. The extension for a 302 is shorter than the extension on the 350. This was due to a high rise intake manifold which was factory installed on all 302 (Z-28) engines. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner which was optional on 1969 Camaros with 302 (Z-28), or SS-350 engines.
Note: This air cleaner does not include the air cleaner flange to hood seal (available separately) Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 67-68 Camaros with a cowl induction hood. Big block air cleaner does not include an extension since its not required.

C671	1969	302	189.00 set
C672	1969	350	191.00 set

52-10

Cowl Induction System

The alternate to cowl induction replacement. Classic Industries offers a complete reproduction of the original cowl induction air cleaner package for 1969 Camaros. Each kit is offered for the original engine assembly and includes the correct parts for each application. This air cleaner is a direct replacement for the original cowl induction style air cleaner which includes everything you need to completely install a functional cowl induction system. The original cowl induction style air cleaner system was optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396, 427 (ZL-1) or the Cast Iron Block 427/425hp (COPO 9561) Camaros. The cowl induction system was also installed on dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. This air cleaner system requires a cowl induction hood to complete a fully functional system along with correct installation. Be sure to choose the correct kit for your year and model. Contact our sales department for more information.

Note: The cowl induction system requires a cowl induction hood for installation. If your Camaro wasn't originally equipped with a cowl hood, you can install the correct hood and add the cowl induction system to your vehicle. Also may be used on 1967-1968 Camaros with an owner installed cowl induction hood. Some items included in kit are not shown.

A complete cowl induction package for 1969 Camaros. Includes virtually every item you need to completely install a Cowl Induction system . . . except the Hood!

- Air cleaner base
- Air cleaner lid
- Air cleaner extension ring
- Air cleaner flange
- Air cleaner filter
- Air cleaner to hood rubber seal
- Air cleaner arrestor screen
- Cowl induction relay assembly
- Cowl induction wire harness
- Hood grommet
- Accelerator throttle arm
- Hood valve frame
- Hood valve flap assembly
- Valve retainers
- Solenoid
- Solenoid switch and retainer
- Valve cover grommets
- Valve cover elbow
- Includes detailed installation instructions for each system
