STEERING COMMITTEE

Dear Friends,

This year we proudly accepted the challenge to help produce the 20th Anniversary Celebration of United Home Care Services, Inc. (UHCS). We are honored to serve as the Steering Committee and to recognize and seek support for this worthwhile agency. For 20 years UHCS has assisted frail elderly and disabled adults to maintain the highest level of self sufficiency in their own homes, thereby preventing premature and inappropriate placement in nursing homes and other institutions.

United Home Care Services, Inc. is an exemplary agency that through the years has developed a strong partnership with the United Way of Dade County, the local Area Agency on Aging and the State of Florida. It is the recipient of numerous awards for leadership, excellence in management and community partnership. The agency's goal is to expand its funding sources to respond to the needs of more than 1,000 individuals currently on its waiting list. Your support of this event will help UHCS to provide the services so desperately needed in our community.

We express our sincere gratitude as we welcome you to this 20th Anniversary Celebration. You have been instrumental in supporting a truly worthwhile agency and cause.

Sincerely,

Carlos de la Cruz, Sr.

MESSAGE FROM THE CHAIRMAN & PRESIDENT OF UHCS

Anthony Brunson

Jose R. Fox

United Home Care Services, Inc. (UHCS) is a non-profit agency serving all of Dade County for over 20 years. It is governed by a volunteer Board of Directors that is fully representative of the community. Today, UHCS operates a budget of $8.6 million. Since the inception of Florida's Community Care for the Elderly Act in 1980, UHCS has served as the Lead Agency in Dade County. UHCS receives federal, state and local funding through the Department of Elder Affairs and our local Area Agency on Aging. Additional funding is received through the state of Florida's Local Service Program, Community Care for Disabled Adults, Medicaid Waiver, Title III Older Americans Act and the United Way of Dade County.

UHCS' 250 employees are a multi-ethnic group of professionals and paraprofessionals, who are sensitive to the needs of our diverse community. The 47 Case Managers are dedicated to assessing, planning, coordinating and monitoring services, and provide 102,936 hours of service a year to clients throughout Dade County.

The home and community-based services reach over 4,000 individuals each year. In 1994 alone the thousands of hours of services included: 171,120 hours of *Homemaker Services* • 153,564 hours *of Home Health Aide, Respite and Chore* services • 169,377 hours of *Adult Day Care and Adult Day Health Care* services through programs in the community • 1,500 home visits by *Licensed Clinical Social Workers*. Additionally, UHCS provides 199,380 *Home Delivered Meals* each year. Our goal is to expand funding sources to enable UHCS to serve even more clients, as there are more than 1,000 individuals currently on our waiting list.

The Volunteer Program provides Companionship and Telephone Reassurance. Each year 11,460 hours of community services are provided and the program continues to grow with corporate volunteers, the Dade County School system's Intergenerational programs, along with volunteer programs at various universities.

On behalf of the UHCS Board of Directors and staff, we want to thank you for supporting us for the past 20 years. We count on your continued support.

Anthony Brunson
Chairman of the Board

Jose R. Fox
President

KEYNOTE SPEAKER

Concern for older citizens has been a hallmark of Bob Graham's political career. As governor of Florida, one of his priorities was to build the Community Care for the Elderly program -- now considered to be a national model. His goal to provide quality in-home care to persons with chronic health needs while keeping them out of costly institutions, is now a reality for thousands of elderly people in Florida. Governor Graham signed the first law setting standards for hospice care.

Senator and Mrs. Graham

Elected to the United States Senate in 1986, Graham has worked to change the mission of federal health care programs. Senator Graham wants our health care system, including Medicare and the Veterans Administration, to expand its emphasis on preventing illness, not simply responding to it.

In 1990, Senator Graham introduced legislation calling for separation of the Social Security Trust Fund from the Federal budget, an action that would encourage more honest bookkeeping and prevent political raids on Social Security funds. The Senate ultimately passed similar legislation with Senator Graham's support.

Senator Graham was at the forefront of the fight to protect Social Security by removing it from the rest of the budget. When budget negotiators considered slashing Medicare, Senator Graham spoke out in protest, resulting in a much fairer plan for Medicare beneficiaries.

Senator Graham is a member of the powerful Senate Finance Committee, with jurisdiction over a range of issues that relate to the elderly, including Social Security, Medicare, Pensions and tax policy.

HONOREE

Adele Khoury married B Graham in 1959 when they were students at the University of Florida. Today, they are the proud parents of four beautiful daughters and have four grandchildren, with four more grandchildren to be born this year, including a set of triplets.

As a former First Lady of Florida, Adele has been an advocate for Florida's older citizens. Her personal experience with her older parents and their health needs led her to become a registered lobbyist in 1978. Adele's efforts were behind many laws and programs that were enacted to help older Floridians.

They include:

- Lobbying for an improved rating system and standard for nursing homes;
- Providing for state licensing of hospice programs;
- Improving the quality of care and level of payments to residents in adult congregate living facilities; and
- Prohibiting involuntary retirement for reasons of age alone.

In 1980, Adele served as Honorary Chairperson for the 1980 Governor's Conference on Aging, and was an official to the 1981 White House Conference on Aging.

Adele Graham is also known as an advocate for volunteerism. As project Chairman for the National Association of partners in Education, she recently co-authored a book, *Finish for the Future*, identifying outstanding private sector initiatives in public schools for drop-out prevention. Adele recognizes the great contribution that senior citizen involvement can make in the education of children. While she was First Lady, the number of senior volunteers in Florida increased by 100 percent. Adele Graham has received the Honorary Degree of Doctor of Laws from Barry University in recognition of her dedicated service as wife, mother, and educator.

HONOREES

Rosebud Lightbourn Foster, Ed.D. is currently Professor of Health Services Administration, School of Health and Social Services; Associate Vice President for Academic Affairs, Vice Provost and Chief Administrative Officer of the North Miami Campus/Bay Vista Campus of Florida International University, North Miami, Florida. Dr. Foster holds a Doctorate Degree in Higher Education Administration and a Masters Degree in Nursing Education and Administration and she has completed post Doctoral Certification in Higher Education Administration.

Dr. Rosebud Lightbourn Foster

Dr. Foster has extensive experience in Health Care, Hospital Administration and Nursing Home Administration primarily in the midwestern United States and in Florida. Dr. Foster participated in shaping the health care industry in Dade and Monroe Counties as a board member of the federally designated Health Planning Council of South Florida for several years. She currently serves as a member of the Governor's Advisory Council to the Department of Elder Affairs. Dr. Foster is on the board of trustees of the Public Health Trust of Dade County which manages the public county-wide health system. Currently, she is completing her fifth year as the President of the Alliance for Aging, Inc., the State of Florida designated Area Agency on Aging for Dade and Monroe Counties.

Throughout Dr. Foster's vast experiences, she has participated as a national and international accreditation site visitor for major education and health related organizations. She is credited with the development and implementation of the Annual Postgraduate Medical Education Symposia in Salzburg, Austria, as well as coordinating numerous European Conferences. In addition, Dr. Foster serves as a local, regional and national consultant in health care management, education and evaluation.

UNITED WAY OF DADE COUNTY

THE UNITED WAY OF DADE COUNTY serves people who live and work in Dade County and its 27 municipalities including; Miami, Hialeah, Miami Beach, Opa Locka, Homestead and Coral Gables.

United Way exists to serve the needs of the community and to combat problems such as substance abuse, hunger, child abuse and illiteracy. Contributions are used locally to help strengthen families, promote self-sufficiency, improve health, and help provide services to a number of individuals including the disabled, youth and senior citizens.

Eighty seven cents of every dollar raised goes directly to the agencies providing help to people living in Dade County. Experienced volunteers who are knowledgeable of local needs monitor the funded agencies and make sure money is well spent.

Harve Mogul
President of United Way

In addition to raising funds, United Way achieves its mission of helping people care for one another through community problem solving initiatives and volunteer recruitment and placement.

Last year contributions through United Way supported 250 programs in 70 organizations including United Home Care Services, Inc.,American Red Cross of Greater Miami, Salvation Army of Dade County, Children's Home Society, Jewish Family Service of Greater Miami, Goodwill Industries of South Florida, Health Crisis Network, Belafonte Tacolcy Center, Catholic Family and Children's Service and Boys & Girls Clubs.

UHC0041

Introducing "CarePartners"...

In twenty years, United Home Care Services, Inc. has experienced dramatic growth. Still, every year the number of those in need of our services are greater than our resources. Today, there are more than 1,000 frail elderly and disabled individuals on our waiting list. Each has a compelling story:

- An 82 year-old Black female who suffers from arthritis of the knees and back, has cataracts in both eyes and uses a walker and a quad cane. She needs assistance with personal care, laundry and shopping. She lives alone in Perrine. And has been on the waiting list since June, 1994.

- A 78 year-old White female suffering from severe emphysema (a condition which requires her to be on oxygen most of the time), rheumatoid arthritis, ulcers, numbness in her hands and is hard-of-hearing. She lives with her husband in South Miami, but he is unable to assist her. She needs assistance with bathing and personal care, dressing and transferring (getting in and out of bed or a chair). She has been on the waiting list since August, 1994.

- An 85 year-old Hispanic male suffering from cardio-pulmonary disease, bronchitis and vertigo. He needs assistance in bathing and personal care, dressing, laundry, shopping, house cleaning and meal preparation. He lives alone in the South Miami area. He has been on the waiting list since September, 1994.

While their individual case needs may vary, these individuals all have several things in common. They all are desperately trying to remain in their homes, maintain some level of self-sufficiency and retain their self esteem. They do not want to succumb or become vulnerable to unnecessary, inappropriate or premature placement in nursing homes or other out-of-home care facilities. They are all in need of our help, but we do not have the financial resources to help them. It is estimated that the average annual cost of taking a person off the waiting list is $5,000.00.

Tonight is more than a celebration of our success during the past twenty years. It is an opportunity to re-dedicate ourselves to achieving our dream of eliminating the waiting list altogether, and we must secure additional funds to do so. One step in that direction is "**CarePartners**", a program that will provide corporations and individuals an opportunity to underwrite specific services or levels of care for a period of one year. Each time a "**CarePartner**" makes a pledge, one individual is removed from our waiting list.

To each of you, we want to extend our sincerest appreciation for being a part of this very special evening. We hope that there will be many others like you who will support United Home Care Services and "**CarePartners**". Your generosity and concern for the quality of life of the frail elderly and disabled will help ensure that the dreams of many come true.

Proud to Support United Home Care Services, Inc.

After 45 years, we've learned it's not enough to be a bank in Florida. You have to bank on Florida.

We were born right here in Florida, 45 years ago. And we've grown by banking on people like you. At American Savings, banking on Florida means providing Floridians with solid solutions to their financial needs. And hard working banking products and services to help them meet those needs. From Checking, Money Market accounts and Certificates of Deposit, to Auto Loans, Home Mortgages and Construction Loans, we have always been here. Ready to bank on you...to put your money back to work right here where you live. It's the way we do business. Frankly, we don't see any reason to change. Visit the American Savings branch nearest you and experience what banking on Florida is all about.

For the branch nearest you, call

CAROL WELDON

JOSE R. FOX

Dear Friends,

Good evening and welcome to our Annual Celebration Dinner.

This year United Home Care Services, Inc. (UHCS) entered into its third decade of service on behalf of frail elderly and disabled adults in our community. Tonight we are proud to report to you that because of your efforts and support, government grants and United Way contributions, we were able to serve more than 4,000 individuals last year. Our success could not have been realized without your support.

In addition to celebrating our achievements this evening and recognizing the many employees, volunteers, board members, friends and business partners who have made it possible, we will renew our commitment to achieving our goal of eliminating the agency's waiting list altogether. Your support at this event and throughout the year will help us to attain this goal and care for the people who so desperately need our services.

Tonight we will recognize and honor several individuals who have made innumerable contributions to better the lives of frail adults in our community. Please join us as we salute their spirit and commitment to making a difference. And, please also join us in saluting the efforts of the people who made this evening possible.

Our organization could not be as strong as it is today without you. On behalf of the Board of Directors and staff, and the many individuals we serve, thank you for your continued support.

Carol Weldon

President and CEO

At A Glance

Last year alone UHCS:

- Reached 4,000 individuals
- Provided 519,469 hours of service to clients
- Delivered 199,200 meals
- Performed 9,520 hours of community service

UHC0057

OUR SPECI

KEYNOTE SPEAKER

DANTE B. FASCELL

For 39 years, **The Honorable Dante. B. Fascell** served with distinction in the U.S. House of Representatives. Mr. Fascell chaired the Committee on Foreign Affairs for eight years, and during his service on the Committee, chaired five of its subcommittees. Currently, as a member of Holland & Knight's International Group, Mr. Fascell focuses on international and corporate business and related matters.

During his long career of public service, Mr. Fascell has been a strong advocate for issues affecting his South Florida constituency. He is credited as being instrumental in obtaining federal support for vital community assets including the Miami Harbor, Biscayne National Park, Everglades National Park, the Florida Keys Marine Sanctuary, the Florida Keys' bridges, MetroZoo, the Federal Courthouse Annex, Radio Marti and funds spent on services for mass influxes of refugees. He is a member of the "We Will Rebuild" committee for the benefit of Hurricane Andrew victims and a leader in the rebuilding efforts of Homestead Air Force Base. Mr. Fascell has earned the confidence of his constituents and colleagues with great integrity, humanity and insight.

We are honored to have Mr. Fascell with us tonight and salute his dedication to the people of South Florida.

HONOREES

ANGEL FERNANDEZ VARELA

Angel Fernandez Varela was elected to the Cuban National Congress representing Havana when he was only 26 years old. During the 1950s he directed Información, one of the major newspapers covering the Republic of Cuba. Mr. Fernandez Varela arrived in the United States in 1961 and through hard work, a stubborn desire to succeed and incredible perseverance, he eventually reached the distinguished position of Chairman of the Board of Consolidated Bank, which was recently acquired by NationsBank. In his lifelong endeavors, Mr. Fernandez Varela has always believe in helping those less fortunate, with children and the elderly at the forefront of his social mission. Before his retirement, Mr. Fernandez Varela was actively involved in the United Way of Dade County and many other charitable organizations. He i a Past Chairman of the Board of United Home Care Services, I

"I view this as a duty. Elderly citizens, for example, who have not been fortunate enough to be ready for a difficult situation that may arise, need and deserve our help. And this help that we offer is what elevates us and makes our society one we can be proud of."

UHC0075

L G U E S T S

DR.CARL EISDORFER

Dr. Carl Eisdorfer is Professor and Chairman of The Department of Psychiatry and Behavioral Sciences at the University of Miami, a position he has held since 1986. He also is the Director of the Center for Adult Development and Aging, and the Wein Center for Alzheimer's Disease and Memory Disorders at the University of Miami and Mount Sinai Medical Center of Greater Miami. Much of Dr. Eisdorfer's research has been focused on Adult Development and Aging and Geriatric Psychiatry. He has been a strong advocate for health care and social policy for the aged and the special needs of caregivers. Dr. Eisdorfer is the recipient of numerous national and international awards for his scholarly and clinical achievements. He has authored or edited more than 250 articles, including 30 books.

"With so much attention given to older people as a problem, we very often ignore the enormous contributions that they have made and are continuing to make in our society. Having older persons in the community not only gives us a sense of continuing history and ethical values, but plays a major role in the continuity of the family."

GENEVA MILLER

Geneva Miller began her dedicated service to the community in 1975. She has chaired and served on numerous boards and councils of organizations including the Dade County Elderly Service Division Advisory Council, the Area Agency on Aging, the American Federation of Senior Citizens, the State of Florida HRS Aging & Adult Services Advisory Council, the Silver Haired Legislature, the City of North Miami Beach Commission on the Status of Women and the Commission on Aging. Ms. Miller also is President Emeritus of the Florida State Council of Senior Citizens, and has served as Vice President of Dade County's Council of Senior Citizens. She has been recognized by many organizations for her dedicated years of service and is a recipient of the Joseph Schlesinger Award for Leadership in Civic Affairs.

"I have been privileged to be a senior citizen volunteer. Being a senior citizen myself, I am aware of all the excellent services that United Home Care Services provides."
