HOPPER TABLES

300 LBS. CAPACITY—WITH CASTERS

All welded construction, used beside machines for holding tote box on the sloping lipped top shelf filled with parts, which operator feeds into the machine operation, the machined parts are dropped into the chute opening into the tote box on the bottom shelf. Tote box filled with machined parts is then transferred to the next operation. These operations are repeated on the production line resulting in quicker and lower production costs with less fatigue on the workers. Hopper Tables are especially used on small parts production and assembly.

MATERIAL HANDLING AND INDUSTRIAL EQUIPMENT

Highest Quality at Low Cost

* The GRIZZLY Equipment items shown in this catalog are typical of the many items we manufacture.
* In addition, we design, engineer, develop and manufacture GRIZZLY and other equipment to satisfy special and other standard needs.
* GRIZZLY equipment is arc welded construction, designed for rugged and long time use; completely assembled, ready for immediate use, no loose parts, no assembly required by the customer—all adds up to increased productivity. These GRIZZLY advantages more than offset additional transportation cost.*
* We are ever striving to maintain an effective competitive position considering our GRIZZLY High Quality Standards and Workmanship.
* We are constantly on the move improving present equipment and products, researching and developing new items to meet current and changing market requirements.
* GRIZZLY Equipment performance is best testified by the daily receipt of repeat orders from small and large customers.
* We gratefully appreciate the pleasant relationship we enjoy with our customers and would regularly like to hear from you—complaints as well as suggestions—for we always strive to maintain and improve good customer relations. May we hear from you?

Respectfully,

SERVING INDUSTRY SINCE 1949

SALES—TERMS AND CONDITIONS

1) **ORDERING:** All orders, including phone orders, must be confirmed in writing.
Your written purchase order should specify each item by number, description, and finish color.

2) **PRICES:** All prices are F.O.B. OUR PLANT, CLEVELAND, OHIO; and subject to change without notice; and do not include any applicable taxes, duties, or any other governmental charges.
We reserve the right to invoice at the prices prevailing at the time of shipment.

3) **SPECIFICATIONS:** Specifications are subject to change without notice.

4) **ROUTING:** Shipment will be made the best way—air, truck, rail, transportation collect; united parcel or parcel post prepaid, collect.
When shipment is prepaid at the customer's request a separate invoice will be submitted, which must be paid within 10 days of invoice date; except however, united parcel and parcel post charges will be noted on the invoice.

5) **PACKAGING:** All items are packaged for domestic shipment. Additional charge will be made for special packaging.

6) **DAMAGED GOODS:** When damage is noted on delivery, the carrier agent is to make the damage notation on your delivery receipt. DO NOT SIGN THE DELIVERY RECEIPT UNLESS THIS IS DONE. The consignee must make claim directly and promptly to the carrier for any damage. When damage is not discovered until all of the items are unpacked request must be promptly submitted to the carrier for concealed damage inspection and adjustment. All items are thoroughly inspected prior to our shipment. Title passes to consignee at the time shipment leaves our dock and the carrier is an agent of consignee.

7) **RETURNED GOODS:** All items returned without our written permission will be refused. Request for return of goods must be made within 10 days of the receipt of goods. A 15% handling and reconditioning charge will be made on authorized returned items. Goods must be returned prepaid at customer's expense. Special items, or modified catalog items, are not returnable.

8) **CHANGES AND CANCELLATIONS:** Items designated as special or modified catalog items are not subject to change or cancellation as they are manufactured for each individual order.

9) **CORRECTIONS:** Stenographic, clerical errors, and any other errors, are subject to correction.

10) **DELAYS:** All orders, contracts and agreements are made subject to delays contingent upon accidents, strikes, embargoes, or any other causes beyond our control.

11) **TERMS:** All prices are **NET**—30 days from date of invoice. A 1% cash discount is allowed if payment is made within 10 days from date of invoice.

Open account can be established with an acceptable Dun and Bradstreet rating. Firms listed and not rated, or not listed, are requested to submit 3 major trade references and 1 banking reference with their order to facilitate prompt handling.

C.O.D. orders are not acceptable.

Minimum orders: $80.00 **NET**, plus shipping charges.

12) These said "Sales-Terms and Conditions" apply to all of the equipment (Standard, Modified and Special) and related matters in this catalog, and are subject to the pricing as contained in the current Price List No. 7 and subsequent Price Lists as issued from time to time, which may be issued without notice.

HOPPER TABLES

300 LBS. CAPACITY—WITH CASTERS

All welded construction, used beside machines for holding tote box on the sloping lipped top shelf filled with parts, which operator feeds into the machine operation, the machined parts are dropped into the chute opening into the tote box on the bottom shelf. Tote box filled with machined parts is then transferred to the next operation. These operations are repeated on the production line resulting in quicker and lower production costs with less fatigue on the workers. Hopper Tables are especially used on small parts production and assembly.
