DUST COLLECTION ACCESSORIES

shop•vac®

10 GALLON CONTRACTOR

• Two-stage 1.7 H.P. • 10-gal. dry capacity • 9-gal. wet capacity • Durable stainless steel body • 7.8 Amps. @110V • Foam filter cartridge • 100 C.F.M. intake capacity • Includes 12' x 1½" crushproof hose, interlocking extension tubes, 14" metal floor attachment with squeegee and brush inserts and heavy-duty dolly.

25 GALLON

• 6.0 H.P. • 25 gal. dry capacity • 20½-gal. wet capacity • High-impact plastic tank • 11.7 Amps @ 110V • Super performance dry disk filter • 155 C.F.M. intake capacity • Includes 6' x 2½" hose, 2 exten. wands, 6" utility nozzle and cartridge filter.

MODEL G1143 10 Gal. **ONLY $169.95**
MODEL G1147 25 Gal. **ONLY $149.95**
Hose 1½" x 12' for G1143
MODEL G1150 **ONLY $29.95**
Hose 2½" x 6' for G1147
MODEL G1151 **ONLY $14.95**

CLEAN STREAM

Super-efficient dry filters can trap 99.7% of lung-damaging particles (over 0.3 microns). Easy clean. For G1143 & G1147.

MODEL G4834 **ONLY $19.95**

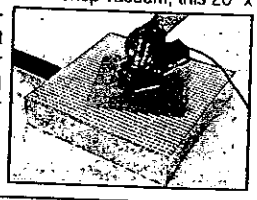
VAC TOOL KIT & HOSE SET

Kit includes 12' crush proof hose, crevice tool, bench tool and handy swivel cuff. Add extra length with the 12' hose and coupling set.

Wet/Dry Vacuum Tool Kit
MODEL G5896 **ONLY $24.95**
12' Hose & Coupling Set
MODEL G5898 **ONLY $21.95**

SANDING BOX

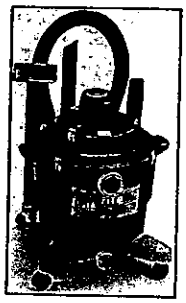
Capture sanding dust with this heavy-duty down-draft sanding box. Used in combination with your existing dust collector or shop vacuum, this 20" x 20" system gathers dust before it billows into your work area. Ideal for professional or hobby use. Features a 1¾" connection port.



MODEL G5935 **ONLY $69.95**

DUSTLESS 16 GALLON WET/DRY VACUUM

Take control over messy drywall and wood dust and liquid spills. The 16-gallon Drywall Vac™ System offers a mighty 23,000 r.p.m. motor power that jumps from dry to wet without the need for changing filters. The Drywall Vac™ features a patented double-filter system that can be cleaned without removing the lid, so dust and dirt won't have a chance for a second go-around. Its on-board 5-piece tool set includes a 7' hose, two 2½' extension wands, utility tool and crevice tool.

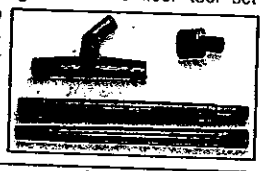


We used this during a recent remodel job and the drywall contractors were ecstatic!

MODEL G6105 **ONLY $189.95**
Wet/Dry Filter Pack – Includes primary and secondary filters for the Drywall Vac™ system.
MODEL G6106 **ONLY $24.95**
Micro Prefilter
MODEL G7906 **ONLY $14.95**
12' x 1½" Hose
MODEL G7907 **ONLY $27.95**
Deluxe Floor Tool
MODEL G7908 **ONLY $29.95**

FLOOR TOOL SET

No more bending over! This floor tool set includes two straight sections, floor sweep and duster. Fits 1½" shop•vac® hose.



MODEL G5897 **ONLY $19.95**

DUST COLLECTION KIT #1

Designed for a one machine hook-up, kit #1 comes complete with installation instructions and an accessories list for expanding your dust collection system in the future.

ACCESSORIES INCLUDED:
- (1) G1536 4" x 10' Hose
- (1) G1838 Universal Dust Hood
- (2) G2974 Wire Hose Clamps

MODEL G3181 **ONLY $19.95**

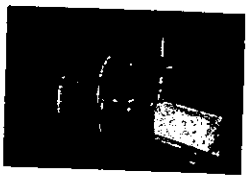
DUST COLLECTION KIT #2

Designed for two machine hook-ups, kit #2 comes complete with installation instructions and an accessories list for future expansion of your dust collection system.

ACCESSORIES INCLUDED:
- (2) G1843 4" Blast Gate
- (2) G1536 4" x 10' Hose
- (1) G1837 Table Saw Dust Hood
- (1) G1838 Universal Dust Hood
- (1) G1552 Y Fitting
- (10) G2974 Wire Hose Clamps

MODEL G3182 **ONLY $51.49**

LOC-LINE



MADE IN USA

Create a custom vacuum hose simply by popping together the appropriate number of elements and nozzle. The LOC-LINE® 2½" Vacuum Hose is designed to be added to an existing central vacuum system to extract dust and particles at the source. Can be mounted to a 3" thin walled PVC pipe or a 3" sheet metal duct. All LOC-LINE® items have anti-static additive except H1059.

FEATURES:
- Hand adjustable in 360°, Easy to reposition
- Self-supporting up to 3 feet
- Resistant to most chemicals
- Tight turns with a bending radius of 5.75"

APPLICATIONS:
- Soldering • Machining
- Wet Grinding • Woodworking

TEMPERATURE SPECIFICATIONS:
- Melting point: 329°F
- Maximum operating temperature: 170°F

One foot segment, 2½" ID
MODEL H1055 **ONLY $15.95**
4½" round nozzle
MODEL H1056 **ONLY $4.95**
6" x 3½" rectangular nozzle
MODEL H1057 **ONLY $4.95**
Tapered oval nozzle
MODEL H1058 **ONLY $4.95**
3" Loc-Line® PVC adapter
MODEL H1059 **ONLY $3.95**
3" Loc-Line® sheet metal adapter
MODEL H1060 **ONLY $3.95**
2½" Loc-Line® slide valve
MODEL H1061 **ONLY $12.95**
Female Shop-vac® adapter
MODEL H1062 **ONLY $3.95**
Male Shop-vac® adapter
MODEL H1063 **ONLY $3.95**

BENCH GRINDERS

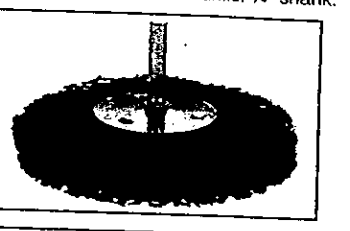
These slim line grinders feature rocker type switches, extended wheel to motor clearance and convenient water tray to cool sharpened items. Both grinders come with one coarse and one medium grit aluminum oxide wheel and wheel flanges. Extremely well balanced.

HIGH QUALITY MOTORS!

MODEL	HP	WHEEL SIZE	ARBOR	WEIGHT	PRICE
G7298	¼	6" x ¾"	½"	24 lbs.	$45.95
G7299	½	8" x ¾"	½"	31 lbs.	$59.95

FACE-OFF STRIPPERS

Clean rust, paint and graffiti without damage with these silicon carbide grit wheels. Made of strong nylon mesh for long life and no-clogging, they're resistant to water and moisture. Use with electric drills. ¼" shank.

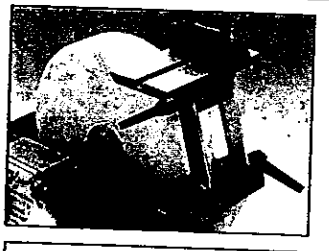


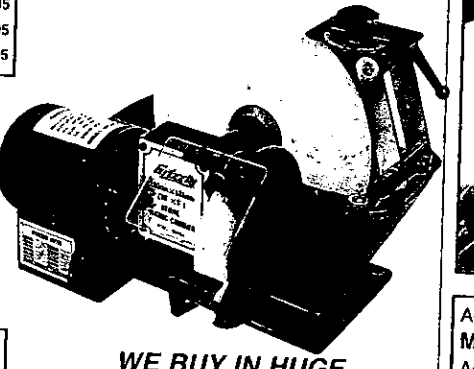
MODEL H2137	4"	ONLY	$4.95
MODEL H2138	5"	ONLY	$6.95

SLOW-SPEED GRINDER

This superb grinder is an absolute MUST for any shop – metal or woodworking. Large 10" x 2" white stone turns at 70 R.P.M. and runs in a water bath. Simply indispensible for sharpening knives, chisels, etc., while still keeping temper on the edges. The smaller stone is 4½" x ¾" and spins at 3450 R.P.M. This stone is excellent for general purpose grinding of drill bits, lathe tool bits, etc. Motor is ¼ H.P., 110V. Quick-setting tool rest on large stone is easy and fast to adjust to proper angles. The smaller, fast stone comes with eyeshield and tool rest. Worm gear drive mechanism operates both stones at the same time. Weighs only 32 lbs.

MODEL G1036		ONLY $129.95
MODEL H2432	10" Stone	ONLY $29.95
MODEL H2433	4½" Stone	ONLY $9.95





Optional Heavy-Duty Tool Rest
MODEL G8987 ONLY $12.95

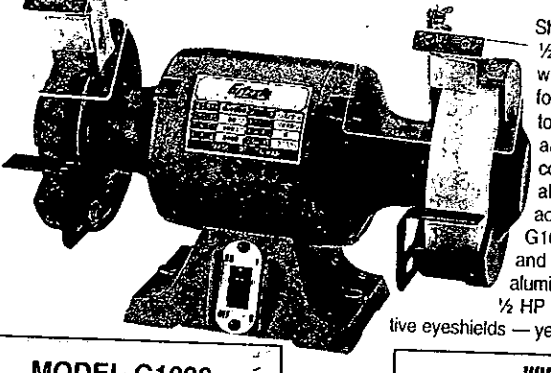
WE BUY IN HUGE QUANTITIES SO YOU SAVE!

ACCU-SHARP™ JIGS

Replace your standard tool rest with a sliding knife support mechanism that allows you to accurately sharpen knives and chisels wider than your grinding or sharpening wheel. The ACCU-SHARP™ JIG is fully adjustable and has a positive-lock clamping bracket that holds knives and chisels securely in place.

Accu-Sharp™ Jig
MODEL G3446 ONLY $39.95
Accu-Sharp™ Jig for Stubby Chisels
MODEL G4570 ONLY $39.95

WIDE WHEEL GRINDER



Shop-quality grinder adds a full ½" to the width of its fine-grit wheel, making it just the thing for chisels and other larger tool blades. The 1½" white aluminum oxide wheel is combined with a coarse-grit, ¾" aluminum oxide wheel for added versatility. The Model G1090 features cast iron casing and heat sinking die cast aluminum end bells, a 3,450 RPM, ½ HP motor, ½" arbor and protective eyeshields — yet it weighs just 25 pounds.

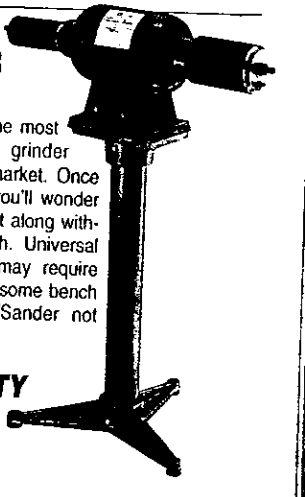
MODEL G1090
ONLY $89.95

WIDE WHEELS

MODEL	TYPE	PRICE
G2791	6" x 120 Grit	$34.95
G2792	6" x 320 Grit	$34.95

BENCH GRINDER STAND

This is one of the most stable bench grinder stands on the market. Once you have one, you'll wonder how you ever got along without it. 32½" high. Universal mounting plate may require modifications for some bench grinders. Buffer/Sander not included. 49 lbs.



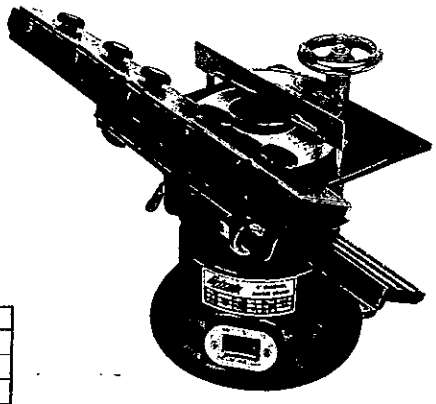
HEAVY-DUTY STAND!

MODEL G7120 ONLY $49.95

GRINDERS

UNIVERSAL KNIFE GRINDER

This dry-type Knife Grinder is ideal for sharpening planer and jointer knives. High quality cast iron construction, together with large capacity (will sharpen up to 20" planer blades) makes this grinder an excellent investment. Heavy-duty motor is ½ H.P., capacitor start, 110V, with pre-lubricated ball bearings and runs at 3450 R.P.M.



OTHER FEATURES:

- Work table angle adjusts from 15° to 90°
- 120-grit stone raises and lowers
- Max blade length 20"
- ½" arbor
- Overall length is 24"
- Overall height is 13"
- Shipping weight approx. 58 lbs.

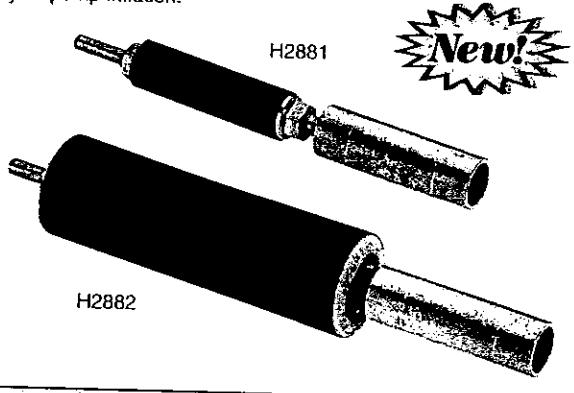
G7419	6" x 1½" x ½"	320	Friable Grit Stone	$13.95
G3092	— Diamond Dressing Tool			$19.95

MODEL G2790 ONLY $179.95

HAND-HELD PNEUMATIC DRUM SANDERS

These rolling-pin style Pneumatic Drum Sanders are perfect for hand contouring and smoothing projects that are too large to use with a stationary sander. Simply chuck the ⅜" spindle into a portable electric drill, cordless drill or air powered drill for two-handed control. Choose the 4" x 1⅛" diameter size for getting into tight areas and the 7½" x 2¼" diameter size for fairing broader areas. Each features ball bearing handle and air valve for easy bicycle pump inflation.



MODEL H2881	4" x 1⅛" Drum Sander	ONLY	$49.95
MODEL H2882	7½" x 2¼" Drum Sander	ONLY	$79.95

4" ALUMINUM OXIDE SANDING SLEEVES

H3875	1⅛" x 4" x 60 Grit	$1.95
H3876	1⅛" x 4" x 100 Grit	$1.95
H3877	1⅛" x 4" x 150 Grit	$1.95
H3878	1⅛" x 4" x 180 Grit	$1.95
H3879	1⅛" x 4" x 220 Grit	$1.95
H3880	1⅛" x 4" x 320 Grit	$1.95

7½" ALUMINUM OXIDE SANDING SLEEVES

H3881	2¼" x 7½" x 60 Grit	$1.95
H3882	2¼" x 7½" x 100 Grit	$1.95
H3883	2¼" x 7½" x 150 Grit	$1.95
H3884	2¼" x 7½" x 180 Grit	$1.95
H3885	2¼" x 7½" x 220 Grit	$1.95
H3886	2¼" x 7½" x 320 Grit	$1.95

24" KNIFE GRINDER

This deluxe wet/dry knife grinder is an exceptional value and incredibly versatile. Made to precision grind planer and jointer knives up to 24", this machine comes equipped with a holder for chisels and hand plane irons and a drill grinding fixture! Now you can grind drill bits in just a few easy steps. Our new grinder is supplied with an 80 grit stone. Check out our list of other grits to fit your specific needs on page 112.

SPECIFICATIONS:

- Height: 52¾"
- Length: 14¾"
- Width: 14¾"
- Maximum Blade Length: 24"
- Table Tilt: 20° - 70°
- Front Slide Movement: 2¾"
- Table Height Adjustment: 4½"
- TEFC Capacitor Start Induction ½ H.P. Motor
- Amps: 8
- Single Phase / 110V
- 60 Hertz / 3450 RPM
- Switch: Push Button
- Power Transfer: Direct Drive
- Shipping weight approx.: 185 lbs.

FEATURES:

- Cast Iron Base
- Cast Iron Table
- Bearings Shielded & Lubricated Ball Bearings
- Steel Cabinet Stand
- 6" x 1½" - ⅝" Bore Type 5 – grinding wheels

(MOTOR AND BUFFING WHEELS NOT INCLUDED)

BUFFING ASSEMBLY

New!

Double arbor buffing head provides an inexpensive alternative to expensive buffing stations. A three step pulley and drive belt system combine with any ⅓ or larger horse power motor to produce a versatile buffing system. The motor can be mounted behind or below the buffing assembly for even greater flexibility. 8¼" arbor length on each side allows plenty of room to maneuver around both sides of the buffing wheel. Includes: V-belt, wheel flanges and arbor nuts. Buffing wheels, motor and motor pulley not included.

SPECIFICATIONS:
- Arbor diameter: ¾"
- Arbor length (each side): 8¼"
- Maximum buffing wheel: 10"
- Recommended motor speed: 1725 R.P.M.
- Minimum recommended horsepower: ⅓ H.P.
- Drive belt size: 4L280
- Approx. shipping weight: 30 lbs.

BUFFING COMPOUND SETS

ECONOMICALLY PRICED SETS HAVE EVERYTHING YOU NEED TO GET STARTED BUFFING NOW!

BUFFING COMPOUND SET

Set includes one 5 oz. bar of each of the following compounds: Black Emery Cake, Tripoli Brown Rouge, White Rouge, Red Rouge. **Low cost – must have!**

MODEL G2582 ONLY $6.95

BUFFING SET

This set features a popular combination of a 5" buffing wheel and a 5" White Rouge bar. Buffing wheel has a ½" arbor hole.

MODEL G2583 ONLY $6.95

BUFFING WHEEL ON MANDREL

3" shank mounted buff comes with sample-sized White Rouge stick. Great for portable drills.

MODEL G2584 ONLY $5.95

BUFFING

INDUSTRIAL BUFFING MACHINES

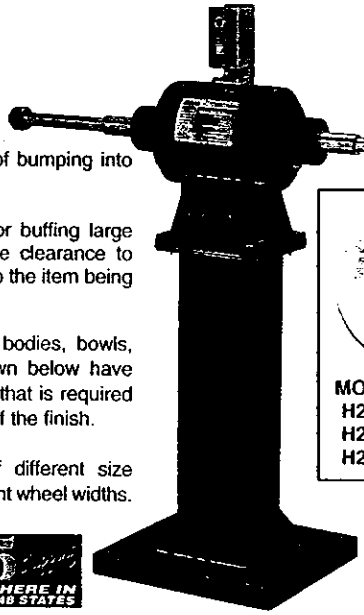
New!

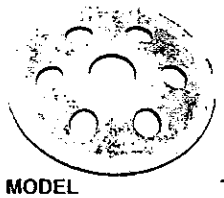
We have resolved the age old problem of bumping into the motor housing when buffing.

These Buffing Machines are designed for buffing large (bulky) items, where it is critical to have clearance to properly buff as well as prevent damage to the item being buffed.

Excellent for projects like buffing guitar bodies, bowls, pool cues, etc... All of the models shown below have special motors that turn at slower RPMS that is required for large wheels and to prevent burning off the finish.

Each Buffing Machine includes sets of different size spacers to be able to accommodate different wheel widths.





BUFFING FLANGES

These flanges are used to "sandwich" the buffing wheels to give them rigidity and to prolong wheel life. Sold in pairs.

MODEL	TYPE	PRICE
H2798	4" Diameter x ⅞"	$9.95 PAIR
H2800	4" Diameter x 1¼"	$9.95 PAIR

BUFFING WHEELS

The buffing wheels featured below are all made for final finishing. Our single stitched Muslin buffs are used for final buffing on metals as well as non-metallics. They are general purpose wheels that can be used after 320 grit sanding to bring high lustre using rouge compounds like green, white and red. Our Canton flannel seamless wheels are an airway type and much softer than Muslin. They are also used for bringing out high lustre in both metals and non-metallics. The cool-running design is excellent where heat is a concern. Several guitar manufacturers use this wheel for final buffing acrylic and polyester finishes. Domet flannel is the softest buffing wheel available and is particularly important where an absolute scratch-free finish is important. The airway design keeps the object being buffed cool. Used by numerous guitar manufacturers for final buffing on nitrocellulose lacquer finishes. Our Domet flannel wheels are seamless, top-of-the-line, and made in USA.

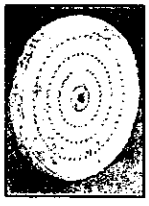
Grizzly is now able to offer you a complete selection of Steelex® Buffing Wheels and polishing compounds. Bore sizes from ¼" to ¾", wheel diameters from 3" to 10", and materials from soft muslin to treated cottons. Whatever your need, from knifemaking to fine jewelry to brightening up car parts, these fine Steelex® brand buffs will help you put a shine on. Choose a variety of styles so you'll have them on hand when you need them.

Don't forget the polishing compounds. Refer to the chart at the left to determine the buff type and compound combination you need for your project. You'll want to have a different wheel for each type of compound you plan to use.

Stock up now!

SEE PAGES 110 & 111 FOR THE WORLDS BEST, GERMAN MADE, BUFFING COMPOUNDS.

LOOSE MUSLIN



Soft feather-edged muslin is concentric stitched together near the center, leaving the outer edge to provide a fine polishing surface. Perfect for stainless steel, chrome, gold or silver.

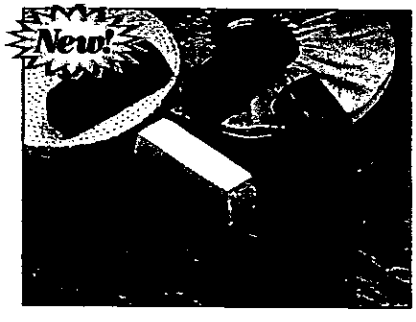
MODEL H0986 ONLY $4.95

BUFFING COMPOUNDS



RED ROUGE Made for fine polishing on brass and gold. Especially brings out a mirror finish when used with the soft muslin buffing wheel. 1lb. Bar.

MODEL H2605 ONLY $3.95

GREEN – EXTRA FINE Great for extra-fine polishing on most metals to bring out that mirror finish. Works best with soft muslin and spiral sewn buffing wheels. 1lb. Bar.

MODEL H2606 ONLY $5.95

WHITE Great for ivory, plastic and resins when used successively with the soft spiral sewn and soft airway buffing wheels. 1lb. Bar.

MODEL H2607 ONLY $2.50

BLACK Designed to be used with "Hard" buffing wheels, this compound is perfect for the initial rough cut on stainless steel and iron. 1lb. Bar.

MODEL H2608 ONLY $2.50

TRIPOLI A true middle-of-the-road abrasive, Tripoli provides an excellent medium cut for brass, aluminum and zinc alloy. 1lb. Bar.

MODEL H2609 ONLY $2.50

GREEN – FINE Slightly more abrasive than the H2606, this green compound is great for a medium to fine polish with most softer metals. 1lb. Bar.

MODEL H2614 ONLY $3.95

BUFFING POLISHING

HIGH END BUFFING COMPOUNDS, PASTES & POLISHES

New!

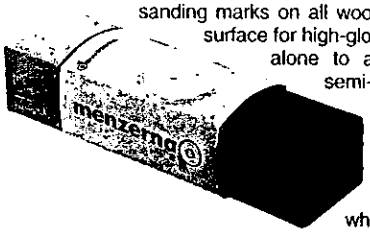
MENZERNA – MADE IN GERMANY!

In our search for the best buffing & polishing compounds money could buy, we came across a German company that makes compounds for virtually all the high end guitar and instrument manufacturers in the U.S.A. as well as fine European luxury cars.

IF YOU WANT THE ABSOLUTE BEST – THIS IS IT!

BROWN – TRIPOLI PREPOLISH COMPOUND

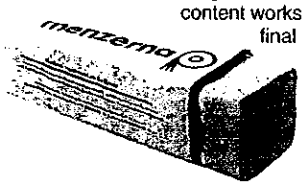
Coarse prepolishing Tripoli bar compound used to remove 600 grit sanding marks on all wood coatings, preparing the surface for high-gloss polishing. Can be used alone to achieve a smooth, even semi-gloss finish. Excellent as a prepolish for brass when followed by H0823 for a beautiful high-gloss polished surface. Use with a cotton buffing wheel.



MODEL H0811	2.35 lb. Bar	ONLY $13.95

WHITE – PREPOLISH COMPOUND

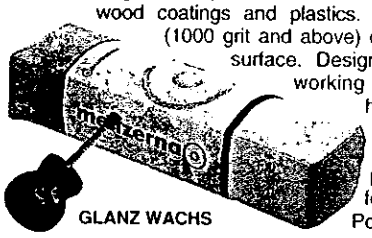
Medium polishing bar compound for removing 800 grit sanding marks. The high concentration aluminum oxide powder content works quickly, preparing the surface for final high-gloss finish. Use with a cotton buffing wheel.



MODEL H0812	2.5 lb. Bar	ONLY $17.95

YELLOW – FINE POLISHING COMPOUND

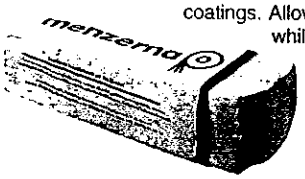
Fine polishing bar compound for an excellent high-gloss finish on all wood coatings and plastics. Removes light scratches (1000 grit and above) quickly, leaving a flawless surface. Designed to polish at a low-working temperature to prevent hazing of lacquer or plastic burning. Use with a Domet flannel buffing wheel on a pedestal buffer. Excellent for Nitrocellulose and Polyester Lacquers.



MODEL H0813	2.9 lb. Bar	ONLY $17.95

WHITE POLISHING COMPOUND FOR POLYESTER FINISHES

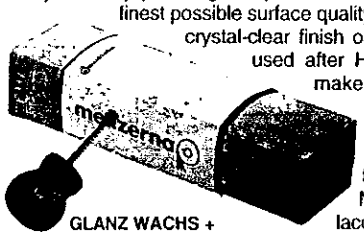
A dry version of H0813 that works great on polyester coatings. Allows you to see the surface easier while buffing with no wax residue. Leaves a beautiful high-gloss finish. Use with a Domet flannel buffing wheel.



MODEL H0814	1.9 lb. Bar	ONLY $12.95

TAN – VERY FINE HIGH-GLOSS COMPOUND

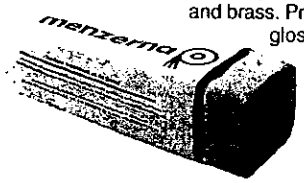
Very fine, dry polishing compound used after prepolishing for the finest possible surface quality with no residue. Leaves a crystal-clear finish on acrylic plastic. Generally used after H0813, this compound will make your instrument/project look "wet". Incredible finish! Use with a pedestal buffer at low speeds with a Domet flannel wheel. Great for Nitrocellulose or Polyester lacquers.



MODEL H0815	2.5 lb. Bar	ONLY $17.95

GREEN – PREPOLISH FOR ALUMINUM & STAINLESS STEEL

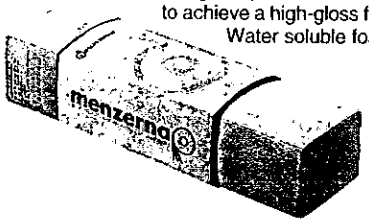
Coarse prepolishing bar compound for steel, aluminum and brass. Prepares the surface for final high-gloss polishing. Use with cotton and/or sisal buffing wheels.



MODEL H0822	1.8 lb. Bar	ONLY $7.95

FINE HIGH-GLOSS COMPOUND

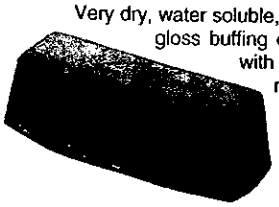
Fine coloring compound for use with cotton buffing wheels to achieve a high-gloss finish on brass and copper. Water soluble for easy clean up.



MODEL H0823	2.75 lb. Bar	ONLY $9.95

HIGH GLOSS COMPOUND FOR STAINLESS STEEL

Very dry, water soluble, polishing bar compound for high-gloss buffing of steel, brass and copper. Use with cotton buffing wheels. leaves a residue-free surface.



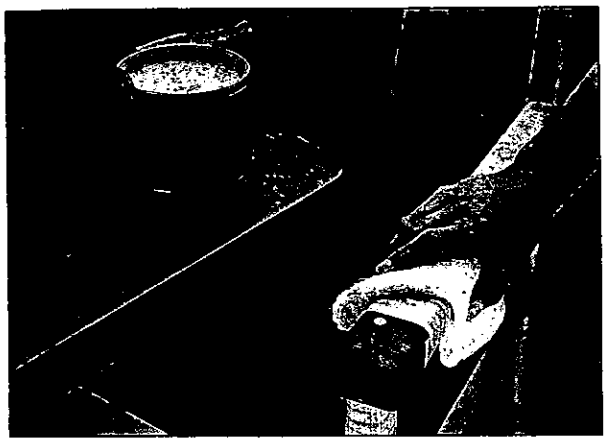
GRIZC-04331

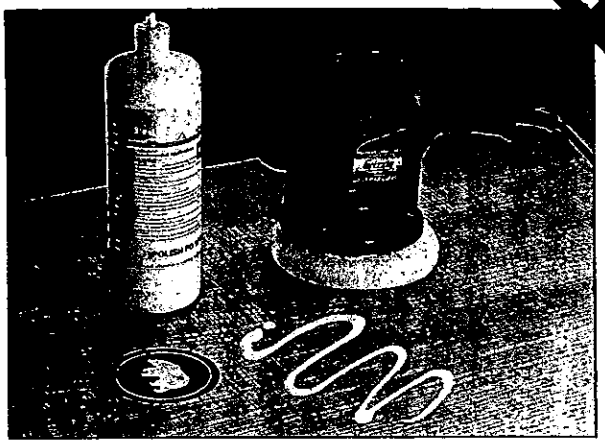
MODEL H0824	1.75 lb. Bar	ONLY $7.95

New!

HIGH END BUFFING COMPOUNDS, PASTES & POLISHES

MENZERNA – MADE IN GERMANY!





COARSE PREPOLISHING PASTE

Coarse prepolish paste compound for removing 400-600 grit sanding marks. Leaves a smooth matte finish, or can be followed with H0817 and H0818 for a high-gloss finish. Use with a lamb's wool buffing pad at approximately 1200-1400 RPM.

MODEL H0816	1.65 lb. Can	ONLY $11.95

COARSE PREPOLISH LIQUID

Coarse Powercut prepolishing liquid is designed to remove 1000-1200 grit sanding marks on lacquer surfaces. Best results can be achieved with a lambs wool buffing pad and an air or electrically operated buffing machine with 1500 - 2500 R.P.M. May also be used by hand or machine on fresh or aged finishes. Contains no silicone.

MODEL H0819	2.2 lb. Bottle	ONLY $14.95

MEDIUM PREPOLISHING PASTE

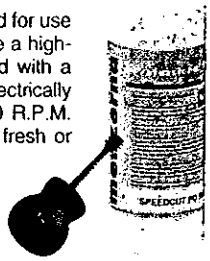
Medium prepolish paste compound for removing 600-800 grit sanding marks. Leaves a semi-gloss surface and can be followed with H0818 for a high-gloss finish. Use with a lamb's wool buffing pad at approximately 1200-1400 RPM.

MODEL H0817	1.65 lb. Can	ONLY $11.95

MEDIUM PREPOLISH LIQUID

Medium Speedcut polishing liquid is designed for use after 1500 grit sanding on lacquer to achieve a high-gloss surface. Best results can be achieved with a lambs wool buffing pad and an air or electrically operated buffing machine with 1500 - 2500 R.P.M. May also be used by hand or machine on fresh or aged finishes. Contains no silicone.

GRIZC-04332

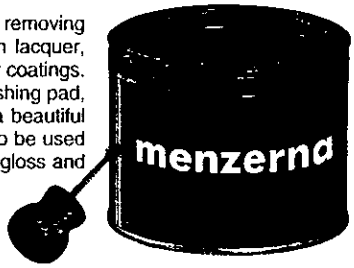


GLANZ WACHS

MODEL H0820	2.2 lb. Bottle	ONLY $15.95

FINE PREPOLISHING PASTE

Fine paste compound for removing 1000 grit sanding marks on lacquer, polyurethane, and polyester coatings. Use with a lamb's wool polishing pad, running at 1400 RPM, for a beautiful high-gloss surface. Can also be used on fiberglass to restore the gloss and remove oxidation.

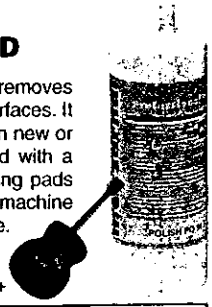


GLANZ WACHS

MODEL H0818	1.65 lb. Can	ONLY $11.95

HIGH GLOSS LIQUID POLISHING COMPOUND

Fine Intensive polishing liquid completely removes light scratches and swirl marks on lacquer surfaces. It can also be used by hand for a high luster on new or aged finishes. Best results can be achieved with a lambs wool buffing pad or soft foam polishing pads and an air or electrically operated buffing machine with 1500 - 2500 R.P.M. Contains no silicone.



GLANZ WACHS +

MODEL H0821	2.2 lb. Bottle	ONLY $16.95

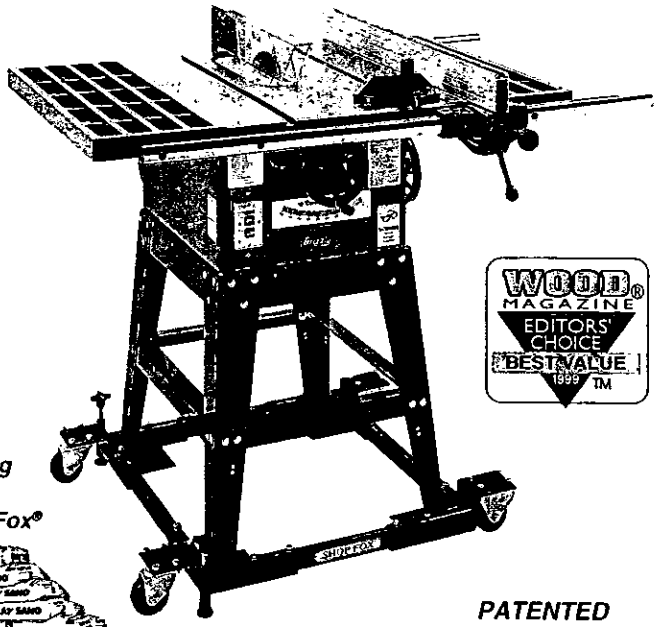
SHOP FOX MOBILE BASES

THE AMAZING SHOP FOX® MOBILE BASES



Shop Fox® Heavy-Duty Mobile Bases are designed to give you a stable and mobile platform upon which to mount machinery and equipment having a variety of base sizes and weights. The heavy-duty casters are arranged on outriggers allowing the machine to sit as low as possible and yet be extremely stable. Swivel casters on two corners provide excellent maneuverability. The bolt pattern on the fixed caster side allows orientation of the wheels in either of two directions. The base can be assembled in any of eight configurations providing maximum flexibility of use. The unique two-piece retractable feet use rare earth magnets to allow the knob to turn while the foot pad is tight to the floor. You will find these mobile bases to be far superior to any mobile base on the market in strength, adjustability and movability.

WOOD® MAGAZINE EDITORS' CHOICE BEST VALUE 1999 TM

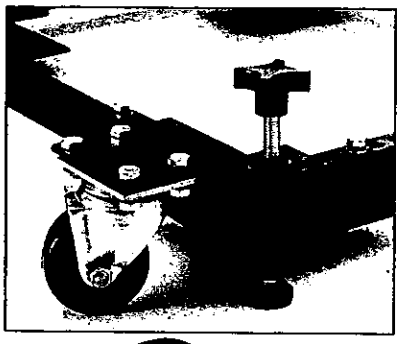
Wood® magazine
Oct 1999

FROM SHOP FOX® – AMAZINGLY MANEUVERABLE MOBILE BASES! PUT YOUR SHOP ON WHEELS!



"When we reviewed mobile bases in the December 1998 issue, we preferred those models that could change in size to adapt to different machines, had four points of support for stability, featured rigid construction for holding heavy machines with good stability, could maneuver in tight shops, and required no tools for leveling. That's quite a list of demands, and none of the mobile bases filled the whole bill – until now.

After testing two sizes of the new Shop Fox® mobile bases we give them high grades in all of the above-mentioned areas."

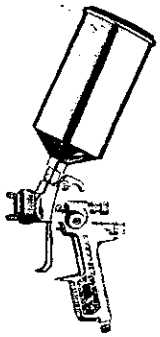
Digital technology now makes things easier — including perfect paint jobs. Air inlet pressure is set and controlled where it really matters — inside the spray gun. The SATAjet 2000 HVLP Digital means unsurpassed material savings, along with perfect finishes and the highest level of color matching. Ideal for any material, but is especially suitable for water borne basecoats. Features: V4A stainless steel needle and fluid tip, narrow to wide fan control, fluid adjustment and air micrometer, 1 liter aluminum cup and solvent resistant Teflon® seals. 1.3mm tip.

MODEL H2859 ONLY $479.95

SATAJET RP DIGITAL



The SATAjet RP features the same digital technology as the SATAjet 2000 HVLP, but provides the perfect compromise between outstanding economy of the HVLP gun and super fast work speed. The SATAjet RP Digital has been tuned for high material transfer rates and can be used for all types of paints, but is especially suited for those containing high solids. Features: V4A stainless steel needle and fluid tip, narrow to wide fan control, fluid adjustment and air micrometer, 1 liter aluminum cup and solvent resistant Teflon® seals. 1.3mm tip.

MODEL H2860 ONLY $469.95

SATA DUAL STAGE FILTER

0.01 micron filter unit with air regulator, automatic condensate discharger, dual gauges and air connector module. Removes dust, oil and water.

MODEL H2861 ONLY $699.95

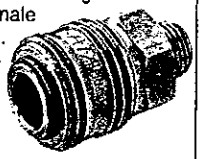
SATA UNIVERSAL WALL HANGER

This wall mounted gravity gun holder can be installed at various locations for convenient storage.

MODEL H2862 ONLY $17.50

QUICK COUPLINGS

These German type HVLP fittings include H2863 Male Quick Connect fitting or H2864 Female Nipple. Brass construction. ¼" pipe thread.



German Quick Coupler
MODEL H2863 ONLY $12.95
Nipple
MODEL H2864 ONLY $4.95

SATA PLASTIC CUP & LID FOR H2859 & H2860

This 0.6 liter plastic gravity cup and matching lid fit Model H2859 and H2860 SATAjet Guns.

Cup
MODEL H2865 ONLY $49.95

5 H.P. 30-GALLON CAST IRON COMPRESSOR

• Cast iron compressor pump • Oil lubricated pump • Lower pump RPM's • 30-gallon tank • 5 HP, 120 volt motor • Single cylinder • Minimal heat for longer life and quiet operation • Weighs 180 lbs. • 54" tall

MODEL G5950 *VS5007* ONLY $379.95

SHIP ANYWHERE TO WITHIN STATES FOR $55.00

5 H.P. 30-GALLON VERTICAL CAST IRON COMPRESSOR

• This big compressor is portable and doesn't take up much space! • 5 H.P. motor and 30-gallon tank • Twin cylinder • Oil lubricated pump • 115 volt motor • Delivers 6.6/5.8 CFM @ 40/90 • 50.5 inches tall • Weighs 180 lbs.

MODEL G6758 *VT6299* ONLY $399.95

SHIP ANYWHERE WITHIN 48 STATES FOR $55.00

5 & 5½ H.P. GAS CONTRACTOR COMPRESSORS

• 5 H.P. Gas Briggs & Stratton or 5.5 H.P. Gas Honda engine • Features: Twin cylinder, belt driven, oil lubed, cast iron pump, low profile twin 4-gallon tanks and Solberg industrial filter • B&S delivers 10.2/8.4 CFM at 40/90 PSI • Honda delivers 10.3/8.5 CFM at 40/90 PSI • Completely portable • Weighs 176 lbs

MODEL G3053 *VT6152*
5 h.p. Briggs & Stratton ONLY $499.95

MODEL G4580 *VT6172*
5½ h.p. Honda Gas Engine ONLY $629.95

SHIP ANYWHERE WITHIN 48 STATES FOR $55.00

7 H.P. 60-GALLON CAST IRON COMPRESSOR

• 60-gallon ASME air tank • Runs on 240V single phase • Comes complete with pressure switch, pressure gauge and relief valve • Oil-lubricated • Belt driven • Delivers 11.8/10.3 CFM at 40/90 PSI • Weighs 290 lbs. • 66" tall

MODEL G5396 *VT6275* ONLY $429.95

SHIP ANYWHERE WITHIN 48 STATES FOR $75.00

7 H.P. 60-GALLON QUAD COMPRESSOR

Ideal for use with HVLP spray guns & tools that need high output!

• 60-gallon tank • 240V • Low RPM • **Delivers 16.8 CFM at 90 PSI** • Oil-lubed • Does not require magnetic starter • Single Stage • 4 cast iron cylinders • Brand new design offers more CFM for less money • Weighs 345 lbs. • 67" tall

MODEL G4579 *CIQ71060V* ONLY $799.95

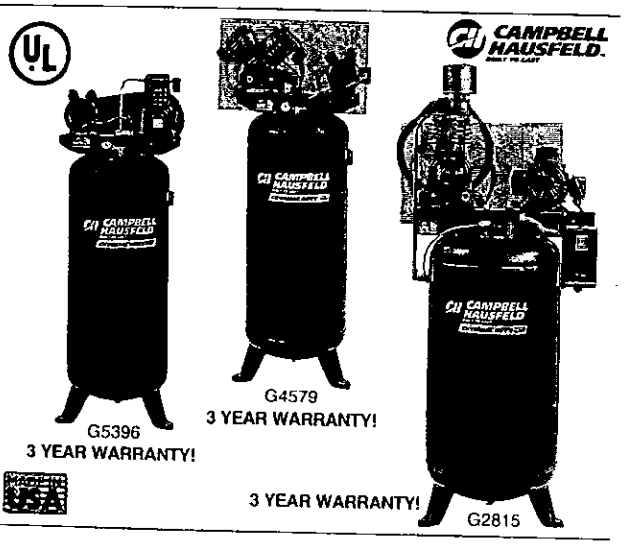
SHIP ANYWHERE WITHIN 48 STATES FOR $75.00

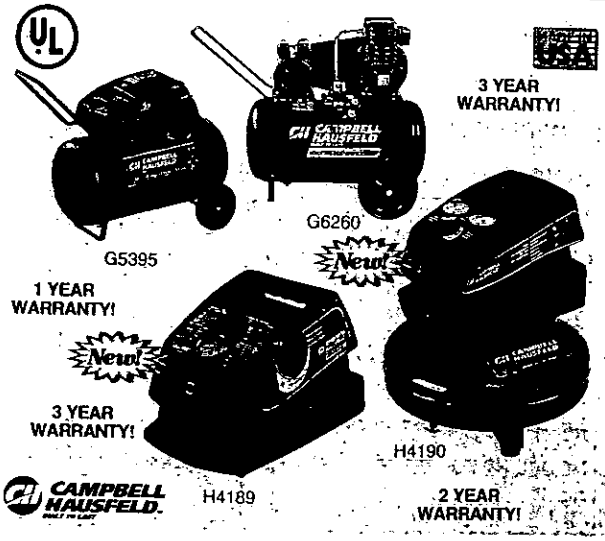
7½ H.P. 2-STAGE COMPRESSOR

Cabinet shops: Take a good look. If you plan on using air tools all day, this is the compressor for you! • 7½ H.P., 240V motor doesn't slow down • Delivers an amazing 25.1/27.2 CFM at 175/90 PSI • Vertical 80-gallon ASME tank • Includes a pressure switch, pressure gauge, oilsight and relief valve • Magnetic starter is mounted and wired • Weighs 530 lbs. • 77" tall

MODEL G2815 *CIO71080VMS* ONLY $1,399.95

SHIP ANYWHERE WITHIN 48 STATES FOR $125.00





5 H.P. 20-GALLON MAINTENANCE FREE COMPRESSOR

• 20-gallon • Oil free delivery • 5.5 CFM @ 90 PSI • 6.9 CFM @ 40 PSI • Single piston • Direct drive pump (no belts) • 115V • Regulator and gauge included • Weighs 115 lbs.

MODEL G5395 *WL6502* ONLY $249.95

SHIP ANYWHERE WITHIN 48 STATES FOR $55.00

5 H.P. 20-GALLON CAST IRON COMPRESSOR

• 5 H.P. single-stage system • Twin-cylinder cast iron compressor features a big 20-gallon tank • Delivers 6.6 CFM at 40 PSI and 5.8 CFM at 90 PSI • Built-in regulator included • Weighs 150 lbs.

MODEL G6260 *VT6290* ONLY $359.95

SHIP ANYWHERE WITHIN 48 STATES FOR $55.00

PORTABLE AIR COMPRESSOR

• 120V • 125 PSI • 4 amps • 2 industrial plugs, 2 inflatable nozzles, inflation needle and adapter, tire chuck, industrial coupler and 50 ft. of recoil hose included with compressor • Weighs 18 lbs.

MODEL H4189 *FP2004* ONLY $99.95

4-GALLON TANK MOUNTED AIR COMPRESSOR

• 120V • 125 PSI • 4 amps • Bonus kit includes 1¼" brad nailer, high impact carry case, tool oil, 1" brad nails, 2 allen wrenches, male coupler, female coupler, female industrial plug, 25 ft. air hose and male industrial plug • Weighs 39 lbs.

GRIZC-04340

AIR COMPRESSORS

We wanted to find a reliable and economical family of compressors for our customers and have searched the worl over for them. There are many advantages to having compressed air in your shop. Whether it is the simple need to blow som dust off or to run air tools such as nailers, sanders or wrenches, we think you'll be able to find the unit that meets your needs, an your budget, on these pages.

The three compressors pictured below are a fabulous bargain. All feature durable 110V induction motors driving single stage piston-styl compressors. A maximum working pressure of 115 PSI is standard with a safety relief at 170 PSI. A pressure gauge shows at a glanc the tank pressure. Connections are a snap with a push-on brass hose barb fitting. All of the reservoir tanks include drain cocks to kee the air clean and the tank free of excess moisture. The safety relief valve also incorporates a quick ring pull feature when complete an rapid decompression of the tank is required. Handy oil gauges and filler ports make maintenance quick and easy. Six foot power cords ar standard on all the models below.

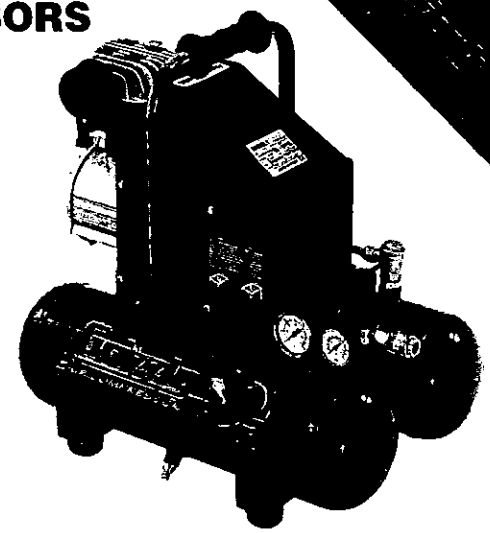
AIR COMPRESSORS

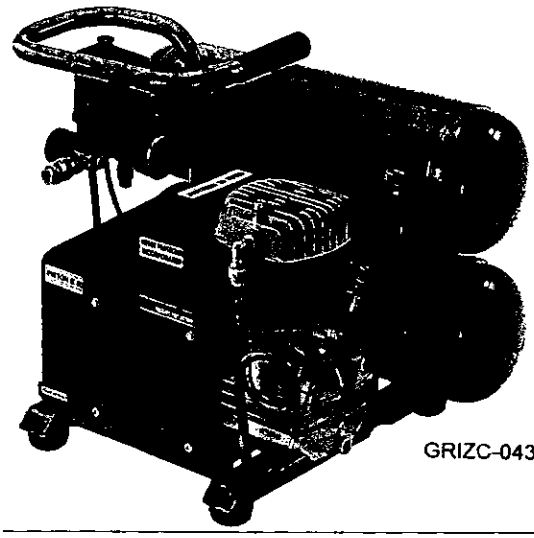
2 H.P. HOT DOG 4.25-GALLON AIR COMPRESSOR



Pick up one of these and take it right to the job site. This contractor-grade 2 H.P. Air Compressor delivers a steady 4.2 CFM @ 90 PSI without breaking a sweat. Just plug it into a 110V, 15 amp. circuit, hook up your air tool and you are ready to go. Dual gauges show tank pressure and regulated outlet pressure. Regulator can be adjusted to provide pressure up to 145 PSI. Tank volume is 4.25 gallons. Thermal overload protection. Shipping weight 60 lbs.

MADE IN ITALY

MODEL G8297	ONLY $269.95



GRIZC-04342

2.5 H.P. HOT DOG 4.25-GALLON AIR COMPRESSOR

Plug this in and you'll be saying hot dog! The two welded steel pressure tanks may look like hot dogs, but they'll hold 150 PSI within their 4.25 gallon volume. Powerful 2.5 H.P., 110V motor pushes a 50mm piston to deliver 5.8 CFM @ 90 PSI. Dual gauges show tank pressure and regulated pressure. The regulator is fully adjustable for maximum pressure and pump cycling points. Pressure relief valve and thermal overload protection provide for safe 110 volt operation. Shipping weight 75 lbs.

MADE IN ITALY

$30 Shipping ANYWHERE IN LOWER 48 STATES

MODEL G8298	ONLY $299.95

4.5 H.P. DUAL HEAD 9.0-GALLON AIR COMPRESSOR

This is like getting two compressors for the price of one! Dual head compressor has a 2 H.P. and a 2.5 H.P. motor working to deliver a massive 10 CFM @ 90 PSI. That's enough to keep your whole crew supplied with air! The motors run on 110V, 20 amp circuits and can be operated independently if desired. This compressor can be easily wheeled to the job site wheelbarrow style using its solid rubber front wheel. The welded steel pressure tanks have a 9.0 gallon capacity and hold up to 150 PSI. Two separate gauges show tank pressure and delivery pressure. Regulator is fully adjustable and includes two ¼" NPT fittings to make connecting multiple tools a breeze. Pressure relief valve and thermal overload protection provide for safe operation. Shipping weight 135 lbs.

GRIZZLY® PROFESSIONAL SERIES NAIL GUNS & STAPLERS

GRIZC-04345

"Are these guns made for tough, day to day work on construction sites and in cabinet shops? You bet! Buy with total confidence."

S. Balolia, President

Professional Woodworkers and Contractors will appreciate our pneumatic tool kits. From their light weight and rugged construction, they have what it takes to go through thousands of cycles day after day. Don't be fooled by the low prices. These guns won't take a back seat to any on the market. If you don't like these guns within 30 days we'll take them back – no questions asked. Each kit includes a pneumatic gun, safety glasses and a molded, high-impact plastic case.

18 GA. STAPLER KIT

360° adjustable exhaust • Enhanced piston for increased durability and longevity • Well-balanced, lightweight diecast body • Capacity: 100 staples • Quick-release magazine clamp • Safety release-equipped • Kit includes 1,000 ⅞" staples and durable plastic carrying case. Operates on 60-100 psi • Shoots ⅜" – 1" staples • Weighs 2.7 lbs.

MODEL G6042
ONLY $79.95

18 GAUGE SUPER STAPLER KIT

360° adjustable exhaust • Enhanced piston for increased durability and longevity • Sturdy diecast body • Capacity: 100 staples • Quick-release magazine clamp • Safety release-equipped • Kit includes 500 1" staples, 500 1½" staples and durable plastic carrying case. Operates on 60-110 psi • Shoots ⅜" – 1½" staples • Weighs 3.2 lbs.

REFINED TOOL STEEL DRIVER

MODEL G6043

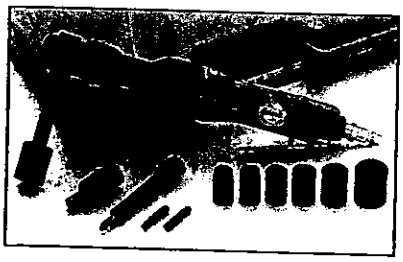
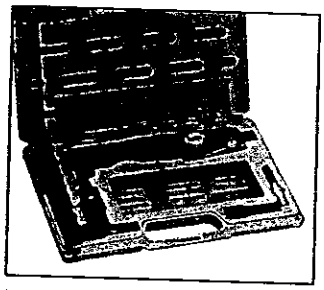
SAE set includes sizes 3/8", 7/16", 1/2", 9/16", 5/8", 11/16" and 3/4".



MODEL H0597	SAE	ONLY $37.95
MODEL G5348	Metric	ONLY $39.95

17-PC. 1/2" AIR RATCHET KIT

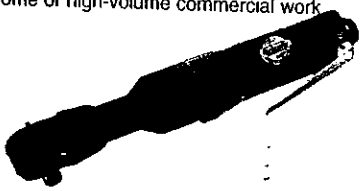
This 1/2" SAE set includes a universal adapter, socket extension, three screwdriver bits and extension, hose coupler, oil and case plus 3/8", 7/16", 1/2", 9/16", 5/8", 11/16" and 3/4" Chrome Vanadium sockets.



MODEL H0598	ONLY $39.95

RATCHETS

Just a squeeze of the trigger provides 50 ft-lbs. of torque in your choice of 3/8" and 1/2" Ratchets. Ergonomically designed for maximum comfort, these professional quality ratchets deliver up to 160 RPM to your sockets, making them the perfect choice for home or high-volume commercial work.



MODEL G5349	3/8"	ONLY $29.95
MODEL G5350	1/2"	ONLY $29.95

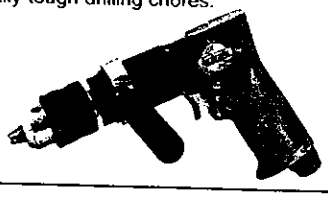
3/8" REVERSIBLE AIR DRILL

Add this powerful 3/8" pneumatic drill to your toolbox for unbelievable convenience and fully-reversible control. Producing 1,800 RPM, this compact drill offers perfect power for metalworking, machining or production woodworking applications. Features an industrial quality keyed chuck.

MODEL G5351	ONLY $35.95

1/2" REVERSIBLE AIR DRILL

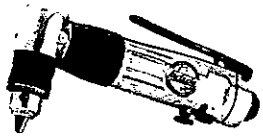
Large 1/2" chuck capacity in a compact drill. This 800 RPM drill features convenient thumb activated forward and reverse switch, Jacobs® chuck and key and an accessory right angle handle for those really tough drilling chores.



MODEL G5784	ONLY $49.95

3/8" REVERSIBLE ANGLE AIR DRILL

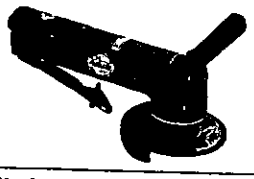
Drill in tight places with this 3/8" reversible angle drill. Producing up to 1300 RPM, this drill includes a 3/8" Jacobs® chuck and chuck key. The large paddle switch also makes this drill easy to use in any position.



MODEL G5783	ONLY $59.95

AIR ANGLE GRINDERS

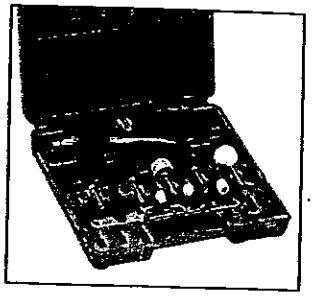
These 11,000 RPM Angle Grinders feature large paddle switches with safety mechanism and side handle for super control over any grinding application. Includes two wrenches.



MODEL G5785	4"	ONLY $59.95
MODEL G5786	5"	ONLY $69.95

DIE GRINDER

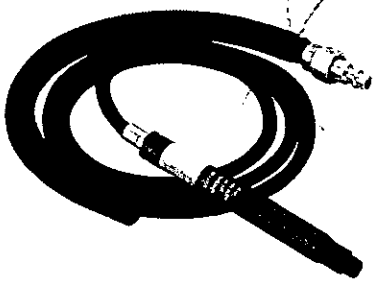
Generating a fast-cutting 22,000 revolutions per minute, this professional quality Die Grinder comes complete with ten 1/4" shank grinding stones in an assortment of shapes and grits for most grinding chores. Fitted in a molded high-impact plastic case, this powerful grinder also includes two changing wrenches.



MODEL G5343	ONLY $36.95

MICRO DIE GRINDER

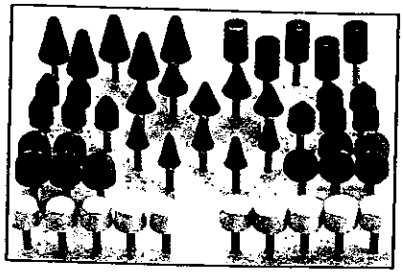
This Micro Die Grinder allows extreme flexibility in all kinds of environments. No-load speed is 56,000 RPM and requires 90 PSI of air pressure with 7 CFM of compressor capacity. Collet size is 1/8".



MODEL H0591	ONLY $49.95

50-PC. STONE SET

Extensive selection of high-quality grinding stones, with five stones of each size and shape, are perfect for a wide variety of grinding chores. Each stone is mounted on a 1/4" shank, so it's perfect for use with cordless or other portable drills. Ideal for detailed work!



MODEL G8210	ONLY $11.95

GRIZZLY® AIR TOOLS

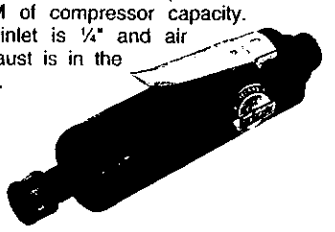
¼" ANGLE DIE GRINDER

Angle Die Grinders are excellent for reaching sideways into areas that are relatively confined. No-load speed is 18,000 R.P.M. and collet size is ¼". Requires 90 PSI with 4 CFM of compressor capacity. Air inlet is ¼" and air exhaust is in the rear.

MODEL H0588 ONLY $39.95

¼" AIR DIE GRINDER

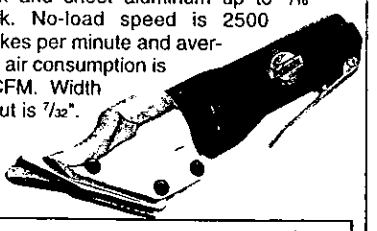
No-load speed is 18,000 R.P.M. and collet size is ⅛" and ¼". Requires 90 PSI with 4 CFM of compressor capacity. Air inlet is ¼" and air exhaust is in the rear.



MODEL H0589 ONLY $39.95

AIR METAL SHEAR

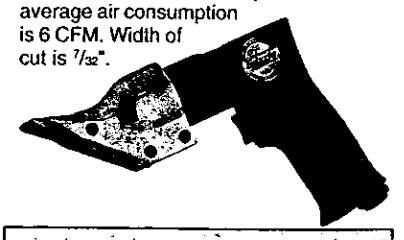
Straight handle Metal Shear with paddle switch is highly maneuverable for working into tight spots. Cuts sheet steel up to 3/64" thick and sheet aluminum up to 1/16" thick. No-load speed is 2500 strokes per minute and average air consumption is 6 CFM. Width of cut is 7/32".



MODEL G8120 ONLY $39.95

AIR METAL SHEAR

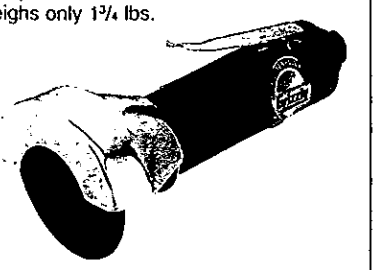
Pistol grip handle Metal Shear provides all-day cutting comfort and exceptional control. Cuts sheet steel up to 3/64" thick and sheet aluminum up to 1/16" thick. No-load speed is 2500 strokes per minute and average air consumption is 6 CFM. Width of cut is 7/32".



MODEL G8121 ONLY $39.95

AIR CUT-OFF SAW

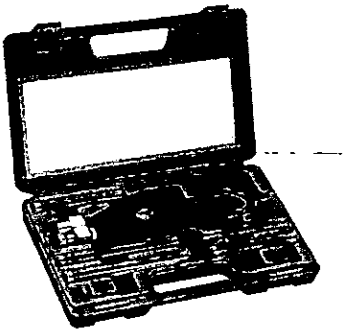
This pneumatic Cut-off Saw is ideal for all quick metal cutting applications. Features a no-load speed of 18,000 rpm, adjustable guard and paddle switch with safety lock. Accepts 2⅞" diameter cut-off wheels. Weighs only 1¾ lbs.



MODEL G8122 ONLY $19.95

AIR BODY SAW KIT

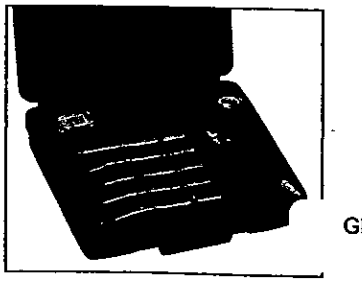
Pneumatic Body Saw and File tool cuts steel up to 7/64" thick and aluminum up to ⅛" thick. Stroke length is 7/16" and cuts at 9000 strokes per minute. Average air consumption is 3 CFM. The kit includes tool, one piece patented universal swivel air inlet joint with regulator, saw blade assortment, regular small file assortment, diamond file assortment, hex wrenches and durable plastic case.



MODEL G8123 ONLY $99.95

190mm AIR HAMMER KIT

This 190mm Air Hammer Kit can handle the toughest of jobs. It requires 90 PSI with 4 CFM of compressor capacity.

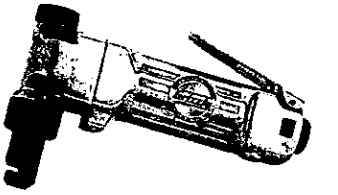


GRIZC-04351

MODEL H0579 Kit ONLY $22.95
MODEL H2321 Bits 5 Pk ONLY $6.95

PNEUMATIC NIBBLER

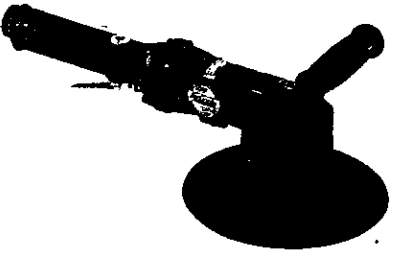
Push type Pneumatic Nibbler makes quick work of sheet steel up to 1/16" thick and soft metal up to 5/64" thick. Features 3500 strokes per minute at an average air consumption of 6 CFM.



MODEL G8124 ONLY $39.95

7" ANGLE POLISHER

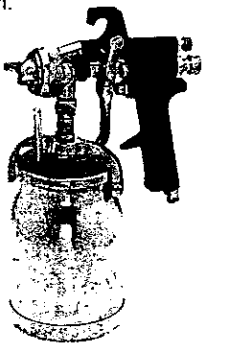
This versatile 7" Angle Polisher is a mate to our H0592 7" Angle Sander. Requires 90 PSI and 6 CFM of compressor capacity. The spindle thread is ⅝" x 11 UNC and no load speed is 2,500 R.P.M. Weight 5 lbs.



MODEL H0593 ONLY $69.95
Buffing Pad
MODEL H2349 ONLY $2.95

HIGH PRESSURE SPRAY GUN

Designed for use in auto body shops and industrial paint booths, this professional-quality gun offers the convenience of a 1 quart canister and fully-adjustable pressure, mixture ratio and spray pattern. Easy to disassemble for complete cleaning, this spray gun is perfect for enamels, lacquers and other high-quality finishes. Tip size is 1.6mm.

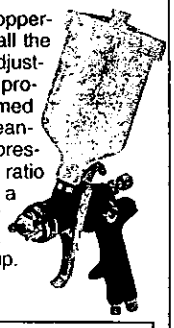


MODEL G5353 ONLY $34.95

GRIZZLY® AIR TOOLS

AIR SPRAY GUN

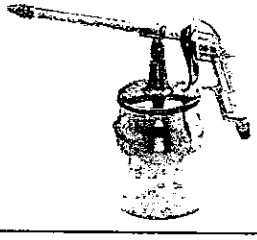
Shop quality .6 quart hopper-style paint sprayer offers all the features and precision adjustment you'd expect from a professional unit. Hard chromed for durability and easy cleaning, this sprayer features pressure, needle and mixture ratio adjustments, as well as a large, contoured trigger for maximum control. Unit disassembles for clean-up. Tip size is 1.4mm.



MODEL G5352 ONLY $47.95

ENGINE CLEANING GUN

Featuring a built-in tank and high-pressure trigger nozzle, this professional Cleaning Gun offers an eight inch extension wand, so you can clean those hard-to-reach nooks and crannies.



MODEL G5357 ONLY $14.95

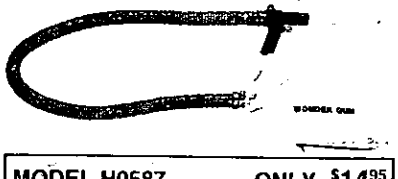
AIR BRUSH KIT

This Air Brush Kit offers an excellent selection of bottles, hoppers and nozzles to fit your project. Housed in a molded case, this kit also includes a universal cap for paint bottles, deluxe air hose and cleaning wrench. Low pressure air brush can be used with compressors or air tanks.

MODEL G5354 ONLY $29.95

AIR WONDER VACUUM KIT

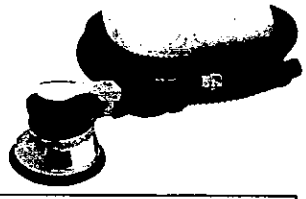
This little Air Wonder Vacuum Kit works on a venturi principal and makes for a very handy air operated workshop vacuum. Requires 90 PSI and weighs only 1½ lbs.



MODEL H0587 ONLY $14.95

DUAL ACTION SANDER WITH DUST COLLECTION

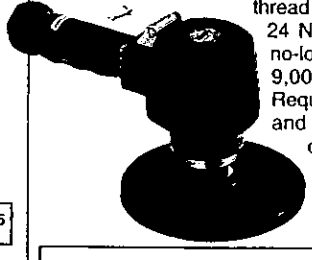
This dual action sander is very popular with cabinet shops. Takes 5" sanding paper and has a no-load speed of 6,000 R.P.M. Requires 90 PSI and 12 CFM of compressor capacity. Weighs 2.2 lbs.



MODEL H0584 ONLY $59.95

6" DUAL ACTION SANDER

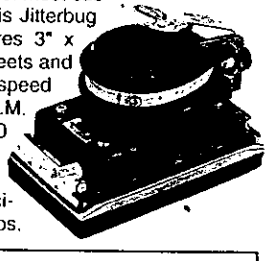
This 6" Dual Action Sander covers more surface and is an extremely versatile unit for larger jobs. Spindle thread size is 5/16" x 24 NF and has a no-load speed of 9,000 R.P.M. Requires 90 PSI and 6 CFM of compressor capacity. Weighs 3.75 lbs.



MODEL H0590 ONLY $29.95

JITTERBUG SANDER

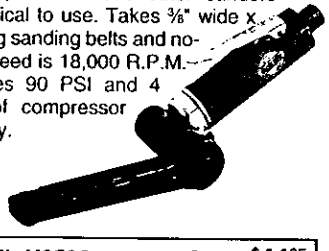
The mainstay of most cabinet shops, this Jitterbug Sander requires 3" x 6" sanding sheets and has a no load speed of 8,000 R.P.M. Requires 90 PSI and 6 CFM of compressor capacity. Weighs 4 lbs.



MODEL H0594 ONLY $29.95

AIR BELT SANDER

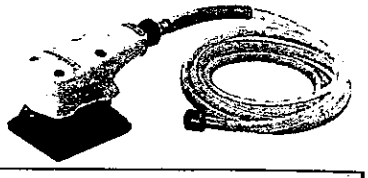
An excellent tool for deep reach sanding projects, which make other sanders impractical to use. Takes ⅜" wide x 13" long sanding belts and no-load speed is 18,000 R.P.M. Requires 90 PSI and 4 CFM of compressor capacity.



MODEL H0596 Sander ONLY $44.95
MODEL H2322 Belt 4 Pk ONLY $3.95

AIR PALM SANDER

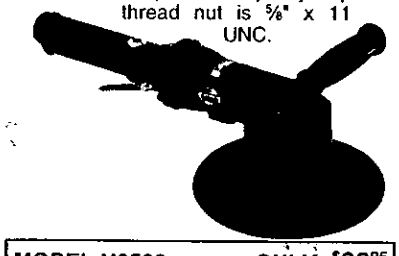
Lightweight and super-efficient, this low-profile ⅙-sheet palm sander combines the convenience of easy-to-use, spring loaded paper handling with fast-cutting 13,000 RPM pneumatic power.



MODEL G5344 ONLY $49.95

7" ANGLE SANDER

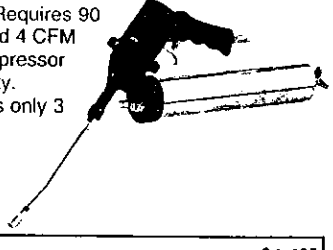
An excellent air sander that has a free speed of 4,500 R.P.M. Requires 90 PSI and 4 CFM of compressor capacity. Spindle thread nut is ⅝" x 11 UNC.



MODEL H0592 ONLY $39.95
MODEL H2338 Disc 3 Pk ONLY $2.95

AIR GREASE GUN

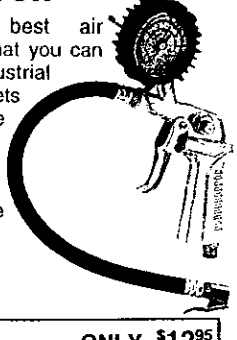
A lot of mobile trucks and gas stations use these heavy-duty Air Grease Guns for production related work. Requires 90 PSI and 4 CFM of compressor capacity. Weighs only 3 lbs.



MODEL H0580 ONLY $14.95

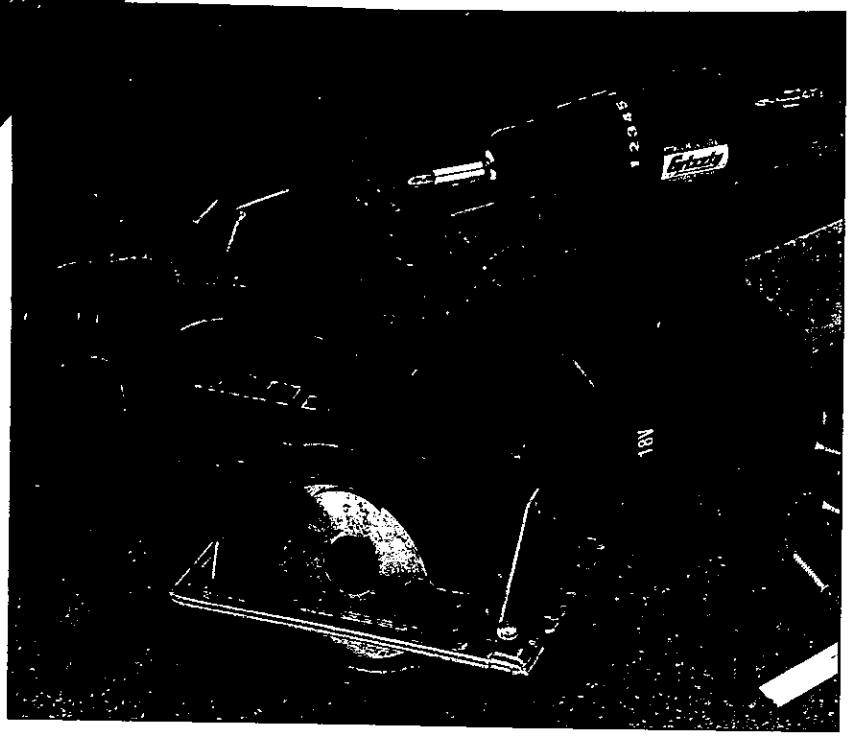
TIRE INFLATOR / DEFLATOR

One of the best air inflator/deflators that you can buy is this industrial grade model that lets you reach into the stems of tires that are hard to reach and gives you clear and concise readings.



MODEL H0595 ONLY $12.95

GRIZZLY® POWER TOOLS



WHY BUY OUR CORDLESS TOOLS?

With so many cordless tools on the market, selecting the right tool can get pretty confusing. Here is why our Grizzly® cordless tools are superior to many others:

1. The factory that produces them for us is an ISO 9001 rated factory. International Standards Organization (ISO) imposes stringent quality control requirements on the manufacturing process and only the very best of factories can qualify!
2. The chucks we use on our cordless drills are made in the U.S.A. by Jacobs®.
3. The batteries we use on all our cordless tools are made by Panasonic®.
4. The motors we use are the famous Johnson® brand.

All in all, we challenge you to find a better cordless power tool than Grizzly®, for a lower price!

S. Balolia, President

14.4V, 3-PC. CORDLESS DRILL KIT W/ DETAIL SANDER AND FLASHLIGHT

Features: • 14.4 volt power • Johnson® 600 motor • ⅜" keyless Jacobs® chuck • Variable speed, reversible drill • Panasonic® NiCd battery • 5 clutch settings plus drill setting • 0-600 RPM • Kit includes 1 hour quick charger, battery, screwdriver bit, hook & loop detail sander, multi-position flashlight and plastic case.

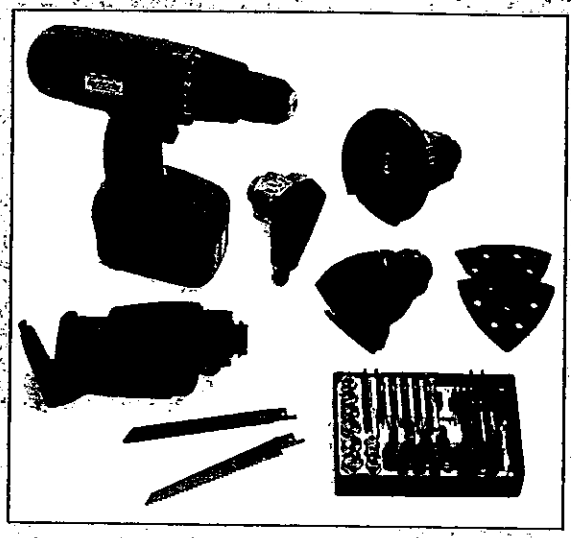
18V 5-IN-1 QUICK CHANGE CORDLESS TOOL SET WITH STANDARD CHARGER

At first glance it looks and acts like a cordless drill/driver. Variable speeds up to 800 RPM, sixteen torque levels and a ⅜" Jacobs® keyless chuck. Then the transformation begins. With a flick of the lock, remove the drill head and choose one of the other four options - Detail Sander, Reciprocating Saw, Power Carver or 4" Angle Grinder. Each of these accessory heads comes with the attachments needed to put it to work right away. Sandpaper pads, a coarse and fine blade for the saw, four chisel heads for the carver, and a 4" abrasive cutoff wheel for the grinder. And of course, a drill set, driver set and socket head set for the drill/driver. All in a handy carrying case.



PATENT PENDING!

MODEL G9921 ONLY $149.95

18V CORDLESS SAW/DRILL KIT

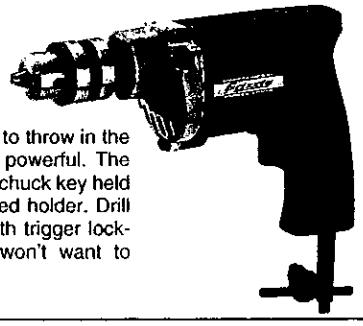
GRIZZLY® POWER TOOLS

⅜" ELECTRIC DRILL



A drill compact enough to throw in the toolbox, yet amazingly powerful. The ⅜" chuck comes with a chuck key held in a handy cord mounted holder. Drill speed is 3500 RPM with trigger locking mechanism. You won't want to miss this little dynamo.

MODEL G9909 ONLY $19.95

HEAVY-DUTY ½" ELECTRIC DRILL

A powerful ½" Electric Drill, this unit can handle all the heavy jobs for drilling in metals, wood and other materials. Includes a sturdy and adjustable side handle for two handed operation. Ergonomic comfort grip. Variable speed up to 2500 R.P.M., 110V 60 cycle with ½" chuck.

MODEL H0777 ONLY $39.95

HEAVY-DUTY ⅝" DRILL

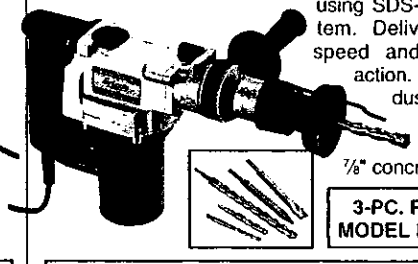
This double insulated, 6 Amp, ¾ H.P. drill features a #2 Morse Taper socket, so it can accept Morse Taper drill bits for those really big jobs. This drill also includes a drill chuck arbor and ⅛" - ⅝" drill chuck, chuck key, drift wedge, extra brushes and side handle.

New!

MODEL H2787 ONLY $79.95

3 FUNCTION HAMMER DRILL

A powerful 110V, ½H.P. drill, hammer drill and power chisel in one tool. Comes with three drills (10, 16 & 22 mm) and two chisels, using SDS-Plus tool mounting system. Delivers 500 RPM drilling speed and 2750 BPM hammer action. Includes carrying case, dust boot, depth rod and grease. Weighs 11 lbs. Max. drilling capacity: ⅞" concrete, ½" steel, 1⅜" wood.

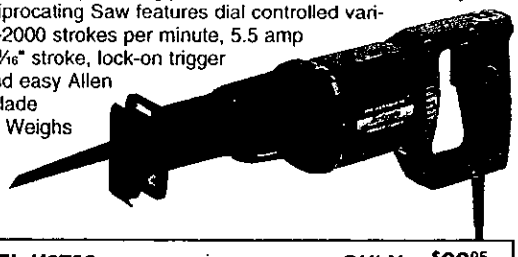


3-PC. REPLACEMENT BITS MODEL H1397 ONLY $9.95

MODEL G9908 ONLY $99.95

RECIPROCATING SAW

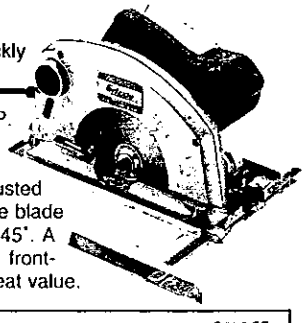
For all of your tough cutting jobs, this double-insulated, heavy-duty Reciprocating Saw features dial controlled variable 300-2000 strokes per minute, 5.5 amp power, 1³⁄₁₆" stroke, lock-on trigger switch and easy Allen wrench blade changes. Weighs 7¼ lbs.



MODEL H0799 ONLY $69.95

CIRCULAR SAW

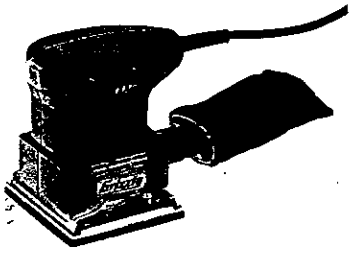
This 7¼" circular saw will quickly become your most valued tool. An 18-tooth carbide-tipped blade driven by a 1 H.P. motor at 4600 RPM makes the toughest cutting job a simple task. Blade depth can be easily adjusted using the graduated scale, and the blade can be tilted for bevel cuts up to 45°. A chrome-plated blade guard and front-mounted handle round out this great value.



MODEL G9906 ONLY $59.95

ELECTRIC PALM SANDER

This quarter-sheet palm sander features a built-in dust collection bag and sealed On/Off switch for long dependable life. Swirl-free 10,000 orbits per minute make this double insulated sander an indispensable part of any shop.



MODEL G5970 ONLY $19.95

HOOK & LOOP SANDER/POLISHER

Rotary Sander/Polisher has hook-and-loop system for mounting standard 5" pads. Variable speed up to 10,000 RPM includes a trigger lock for long-term running with no fatigue. Pads use a flow-through dust collection system to allow dust to accumulate in the detachable bag. Orbital action provides swirl-free finishes.

5-PK. ASST. SANDING PADS MODEL H2359 ONLY $3.45

MODEL G9910 ONLY $24.95

GRIZZLY® POWER TOOLS

HEAT GUNS

These two superb heat guns are very versatile. Both guns feature variable temperature control from 120 - 590 degrees C. The 1200 Watt model can handle most applications easily while the 1800 Watt model is more for heavy-duty, industrial use. Both are UL approved.

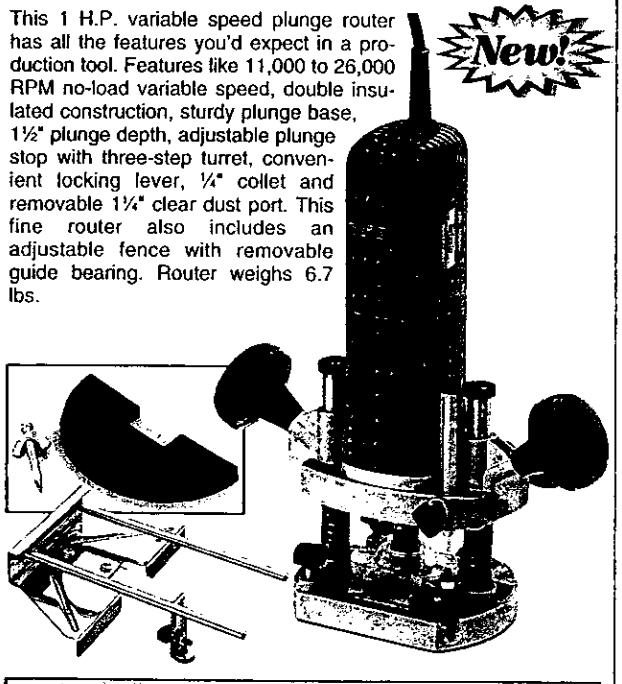
HOT DEAL!

MODEL H0800	1200 Watt	Reg $22.95	ONLY $14.95
MODEL H0801	1800 Watt	Reg $32.95	ONLY $19.95

1 H.P. ROUTER

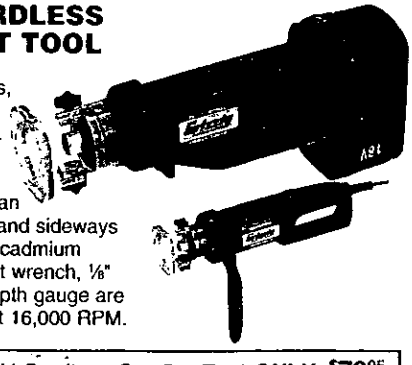
New!

This 1 H.P. variable speed plunge router has all the features you'd expect in a production tool. Features like 11,000 to 26,000 RPM no-load variable speed, double insulated construction, sturdy plunge base, 1½" plunge depth, adjustable plunge stop with three-step turret, convenient locking lever, ¼" collet and removable 1¼" clear dust port. This fine router also includes an adjustable fence with removable guide bearing. Router weighs 6.7 lbs.



MODEL H2854 ONLY $69.95

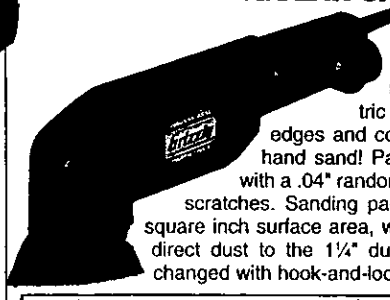
18V CORDLESS CUT-OUT TOOL



Great for cutting holes, especially in drywall or plywood sheathing. When equipped with a spiral cutter (sold separately) this tool can plunge cut like a drill and sideways like a jig saw. Nickel cadmium battery, charger, collet wrench, ⅛" and ¼" collets and depth gauge are included. Operates at 16,000 RPM.

MODEL H0599	18V Cordless Cut-Out Tool	ONLY $79.95
MODEL H0604	110V Cut-Out Tool	ONLY $79.95

TRIANGULAR SANDER



Make short work of those detail sanding tasks with this triangular pad electric sander. Sand right up to edges and corners with out having to hand sand! Pad rotates at 8,000 RPM with a .04" random orbit for a finish without scratches. Sanding pads have a generous 6¼ square inch surface area, with flow through holes to direct dust to the 1¼" dust port. Pads are easily changed with hook-and-loop attachment system.

MODEL G9907	Triangular Sander	ONLY $24.95
MODEL H2335	5-Pk. – 60, 80, 120, 220, 240 Grit	ONLY $2.95

14.4V CORDLESS JIG SAW

Cuts circles around the competition. Powerful 14.4V system delivers a speed of 2900 SPM. Four settings for blade orbit for cutting into different types of materials. Footplate can be angled for bevel cuts. Uses universal style blades. Includes one wood cutting and one metal cutting blade, blade change tool and integral 1⅜" dust port.

GRIZZLY® POWER TOOLS

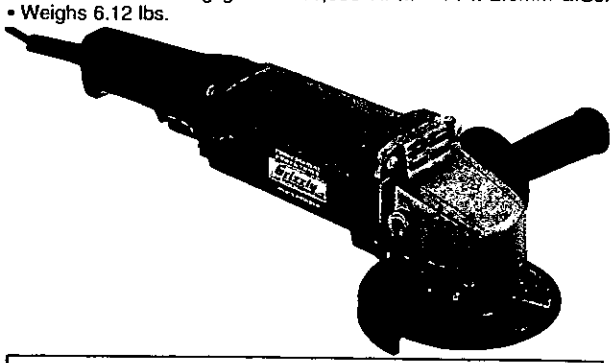
4" ANGLE GRINDER

4" Angle Grinder features: • On/Off switch • Double insulated motor • Lightweight • Locking spindle button for easy disc changes • 11,000 RPM • 10 x 1.5mm arbor • Includes side handle and wrench • Weighs 4.12 lbs.

MODEL G5968	~~$37.95~~	SPECIAL!	$32.95

5" ANGLE GRINDER

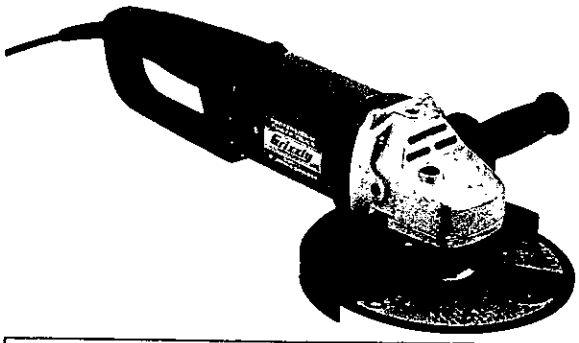
5" Angle Grinder features: • Lock-on trigger switch • Double insulated motor • Ergonomic handle • Left or right mounted side handle • Rotating guard • 11,000 RPM • 14 x 2.0mm arbor • Weighs 6.12 lbs.



MODEL G5969	~~$49.95~~	SPECIAL!	$44.95

9" ANGLE GRINDER

9" Angle Grinder features: • Lock-on trigger switch • Double insulated motor • Ergonomic handle - Left , right or top mounted side handle • Rotating guard • 6,200 RPM • 14 x 2.0mm arbor • Weighs 15.4 lbs.

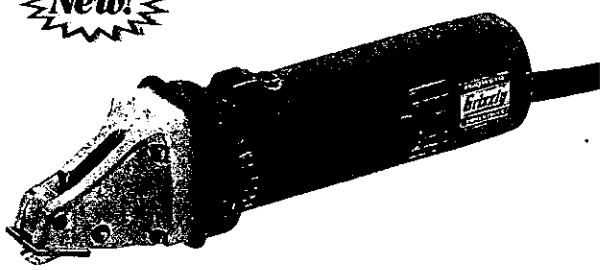


MODEL G9911	ONLY	$69.95

ELECTRIC SHEET METAL SHEAR

• 2.4 Amps • Width of cut 5/32" • 4500 strokes/min • Cuts 1/16" mild steel, 3/64" stainless steel • Double insulated, 110V • Weighs 3.44 lbs.

New!



MODEL H2867	ONLY	$49.95

BRASS COATED STEEL WIRE CUP BRUSHES

The .020" steel wires provide a flexible abrasive that's great for uneven surfaces. The brass coating helps the brush to run cooler and resists corrosion of the bristles.

MODEL G8772	M10 - 1.5 mm	2½"	ONLY	$6.95
MODEL G8773	M10 - 1.5 mm	3"	ONLY	$7.50
MODEL G8769	M14 - 2.0 mm	3"	ONLY	$8.95
MODEL G8770	M14 - 2.0 mm	4"	ONLY	$9.95
MODEL G8771	M14 - 2.0 mm	5"	ONLY	$12.95

KNOTTED STEEL CUP BRUSHES

The .020" heavy gauge steel wires are twisted into a tight spiral to maximize the abrasive action.

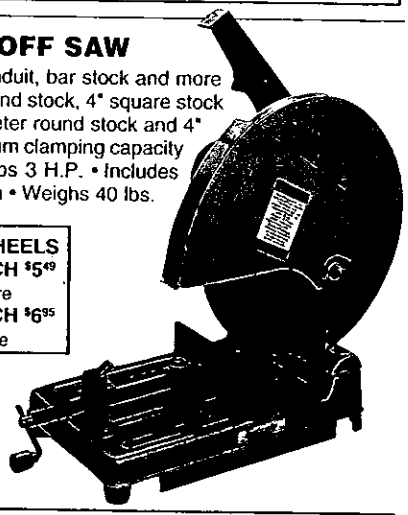
MODEL G8778	M10 - 1.5 mm	2½"	ONLY	$9.95
MODEL G8779	M10 - 1.5 mm	3"	ONLY	$9.95
MODEL G8774	M14 - 2.0 mm	2½"	ONLY	$8.95
MODEL G8775	M14 - 2.0 mm	3"	ONLY	$9.95
MODEL G8776	M14 - 2.0 mm	4"	ONLY	$14.95
MODEL G8777	M14 - 2.0 mm	5"	ONLY	$27.95

14" CUTOFF SAW

• Cut pipe, tubing, conduit, bar stock and more • Crosscuts 5" dia. round stock, 4" square stock • Miter cuts 4½" diameter round stock and 4" square stock • Maximum clamping capacity is 8¾" • Motor develops 3 H.P. • Includes one wheel and wrench • Weighs 40 lbs.

REPLACEMENT WHEELS
MODEL G7403 EACH $5.49
14" x 3/32" x 1" Bore
MODEL G7429 EACH $6.95
14" x 1/8" x 1" Bore

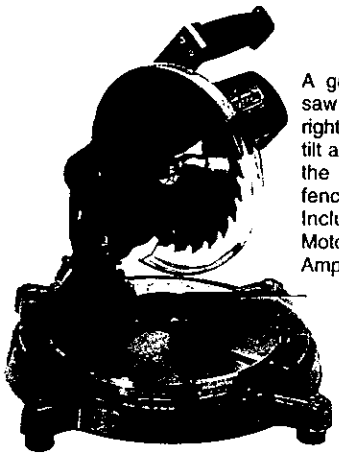
GRIZC-04359



MODEL G5048	ONLY	$179.95

GRIZZLY® POWER TOOLS

8" COMPOUND MITER SAW



A great portable, benchtop miter saw which is light enough to take right to the job site. Set the blade tilt angle and the miter angle, slide the board up against the steel fence and you're ready to go. Includes an 8" carbide blade. Motor runs on 110V drawing 6.5 Amps.

REPLACEMENT BLADES
MODEL G4800 EACH $24.95
8" 5/8" Bore 24 Tooth Carbide
MODEL G4801 EACH $29.95
8" 5/8" Bore 40 Tooth Carbide

MODEL G8699 ONLY $89.95

WAX BUFFER

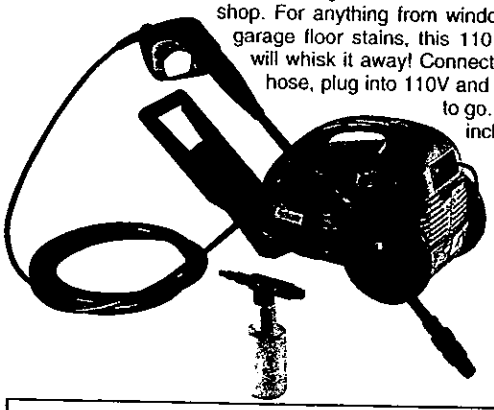
Wax the car in a jiffy with this buffer/polisher system. The 6" pad duplicates hand polishing with a random orbit rotation at 2400 RPM. Kit includes a wax application bonnet and a terrycloth polishing bonnet. Safe for all types of finishes, gives a beautiful swirl free result.

EXTRA PAIR OF BUFFS
MODEL G9932
ONLY $2.20

MODEL G9927 ONLY $24.95

HIGH PRESSURE WASHER

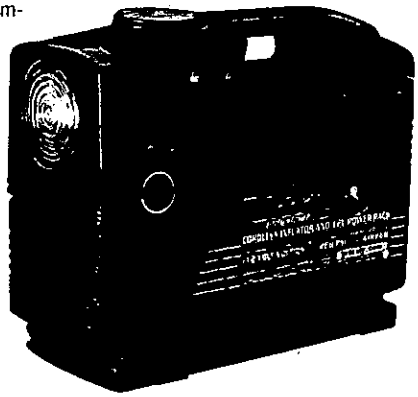
This is a great washer for cleaning chores around the house or shop. For anything from windows to tough garage floor stains, this 110 PSI washer will whisk it away! Connect to a garden hose, plug into 110V and you're ready to go. Soap holder included.



MODEL G8605 ONLY $109.95

CORDLESS 12V POWER PACK AND COMPRESSOR

Ideal for emergency or recreational use. The compressor delivers 260 PSI of air with a handy top-mounted pressure gauge. The power supply provides 12 volt service via a lighter socket. Handy continuous or flashing beam for safety. Includes charging cords for 110V AC or 12V DC.



MODEL G8602 ONLY $39.95

JUMP STARTER

Portable starting power in a compact unit. Provides 400 amps of starting power or up to 50 hours of 12 Volt DC power for phones, radios or power tools. Utilizes a maintenance free sealed battery to hold power in reserve. Includes light and volt meter. Cables store conveniently on case.

MODEL G8603 ONLY $49.95

JUMP STARTER WITH COMPRESSOR

Like having a service station in your trunk! 400 amps of starting power and a 260 PSI compressor with 25" hose. AC cord and lighter plug-in cord included to charge the system at home or on the go. Includes volt meter, pressure gauge, inflation adapters and light.

MODEL G8604 ONLY $59.95

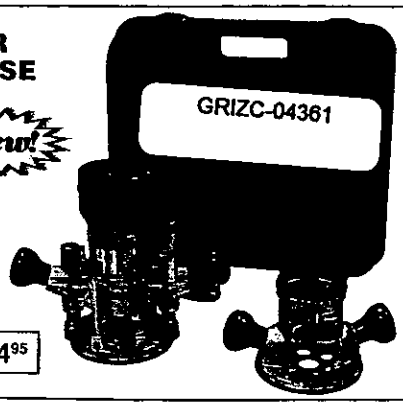
2¼ H.P. ROUTER WITH PLUNGE BASE

RF1101KIT

New!

- 11 Amps
- V/S dial 8,000 - 24,000 RPM
- Plunge base has 3 depth stops
- ¼" and ½" collet capacity
- 1⅛" center hole
- 5¾" base diameter
- Weight with fixed base 7.1 lbs.
- Weight with plunge base 9.3 lbs.



MODEL H3824 ONLY $274.95

10" COMPOUND MITER SAW

LS1040

- Cuts compound angles • Bevel cuts up to 45° left • Miter cuts 0-45° left and right • Powerful 15 Amp motor • Adjustable fence • Shaft lock for easy blade changes • Includes: dust bag, wrench, vise and blade • Weighs 24.2 lbs.

MODEL G5384 ONLY $249.95
MODEL H3833 Blade ONLY $69.95

10" TABLE SAW *2703*

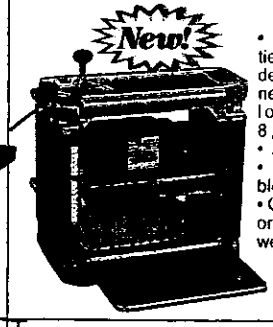
- Powerful 15 Amp motor • Lightweight (40 lbs.) for easy transporting to job site • Large 27" x 22" table • Positive stops at 90° and 45° • 4,600 RPM no load speed • ⅝" arbor • Includes Carbide tipped blade, rip fence, miter gauge, wrench #19 and wrench #13-22

New!

MODEL H3836 ONLY $329.95
MODEL H3837 Stand ONLY $79.95

12" PLANER *2012NB*

New!

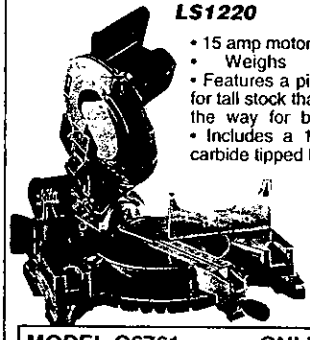


- Cutting capacities: width 12", depth ⅛", thickness 6 3/32" • No load speed 8,500 R.P.M. • Amps (120V) 15 • Disposable double edge blades • Quiet operation at only 83dB • Net weight 61 lbs.

MODEL H2450 ONLY $499.95
MODEL H3577 Blade ONLY $39.95

12" COMPOUND MITER SAW

LS1220



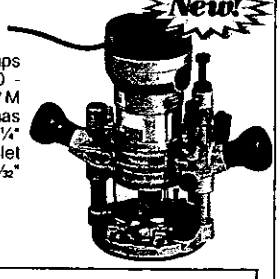
- 15 amp motor • 3,200 rpm • Weighs 37.5 lbs. • Features a pivoting fence for tall stock that flips out of the way for bevel cutting • Includes a 12" thin kerf carbide tipped blade.

MODEL G6761 ONLY $349.95
MODEL H3834 Blade ONLY $49.95

2¼ H.P. PLUNGE ROUTER

RP1101

New!

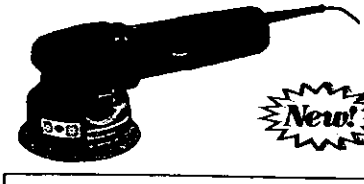


- 115V, 11 Amps • V/S dial 8,000 - 24,000 RPM • Plunge base has 3 depth stops • ¼" and ½" collet capacities • 2 19/32" plunge capacity

MODEL H3825 ONLY $224.95

6" RANDOM ORBIT SANDER *B06040*

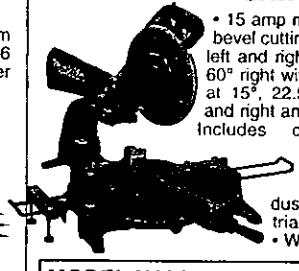
- Dual mode selector for "random orbit" or "random orbit with rotation" • Built-in dust port • 120V, 6.6 Amps • 1,600 - 5,800 OPM • 7/32" orbit diameter • Weighs 5.9 lbs.



New!

MODEL H3823 ONLY $299.95

12" SLIDE DUAL COMPOUND SAW *LS1212*



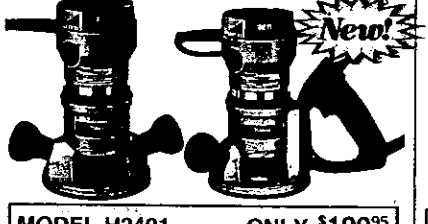
- 15 amp motor • Precision bevel cutting up to 45° both left and right • Miters up to 60° right with positive stops at 15°, 22.5°, 30°, 45° left and right and 0° (90° cuts) • Includes carbide tipped blade, vertical vise, socket wrench #13, dust bag and triangular rule • Weighs 48.5 lbs.

MODEL H1045 ONLY $699.95
MODEL H3835 Blade ONLY $89.95

2¼ H.P. ROUTER

RF1101 / RD1101

- Collet capacities ½ and ¼" • No load speed: 8,000 - 24,000 RPM • Amp (115V): 11.0 • Overall height 8¾" • Approximate shipping weight 9.8 lbs. • Standard equipment: • ¼" collet (193214-9) • ½" collet (763643-6) • 2 Ea. wrench (781031-5)



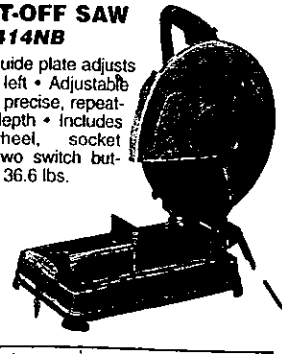
New!

MODEL H2401 ONLY $199.95
MODEL H2402 D-Handle ONLY $219.95

14" CUT-OFF SAW

2414NB

- 15 amps • Guide plate adjusts 45° right and left • Adjustable depth stop for precise, repeatable cutting depth • Includes abrasive wheel, socket wrench and two switch buttons • Weighs 36.6 lbs.



MODEL H2157 ONLY $179.95
MODEL H3828 Blade (5 Pk.) ONLY $39.95

10" SLIDING COMPOUND MITER SAW *LS1013*

- Compound cuts both left and right • Powerful 13 Amp motor • Dual position depth adjusting knob • 2 pole sliding mechanism • Multi-location vise • Large turn base • 64-tooth carbide tipped blade • Cutting Capacity at 0° bevel: 2" x 12" @ 45° left, 3⅝" x 12" @ 0° and 1¼" x 12" @ 45° right • Cutting Capacity at 45° left and right bevel: 2" x 8½" @ 45° left, 3⅝" x 8½" @ 0° and 1¼" x 8½" @ 45° right.

MODEL G5934 ONLY $549.95
MODEL H3833 Blade ONLY $69.95

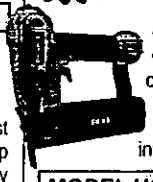
MODEL H3581 ONLY $249.95

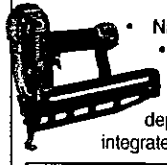
New! HEAVY-DUTY 16 GA 1¼" - 2½" ANGLED FINISH NAILER KIT *D51256K*



• Nail length cap. 1¼" - 2½" • Straight magazine angle • Mag cap. 160 nails • Rear load, dual load • 70-120 psi • 5 position indexed depth setting • Tool free rev. integrated belt hook • Tool free jam

MODEL H3582 ONLY $199.95

New! HEAVY-DUTY 18 GA 2" BRAD NAILER KIT *D51238K*



• Nail length cap. ⅝" - 2" • Straight magazine angle • Mag cap. 110 nails • Side load • 70-120 psi • 4 position indexed depth setting • Tool free rev. integrated belt hook • Tool free jam

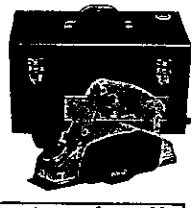
MODEL H3583 ONLY $144.95

HD RECIPROCATING SAW *DW309K*

• 6.5 Amps • 1⅛" stroke
• 0-2,400 spm (G6694)
• 10 Amps • 1¼" stroke
• 0-2,900 spm (H1488)
• Variable speed • 100% ball & roller bearings
• Includes metal & wood cutting blades, wrench holder, Allen® wrench and kit box • Weighs 6.5 lbs.

MODEL H1488 ONLY $159.95

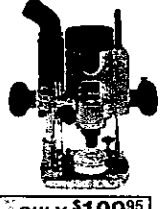
3¼" HD PLANER *DW680K*



• 3/32" maximum cut in one pass
• Ergonomically designed two finger trigger • Heavy-duty 5.2 Amp motor for a consistent and quality finish • 15,000 RPM for a smooth, high-quality cut

MODEL H1485 ONLY $159.95

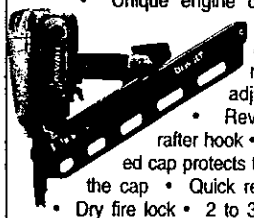
2 H.P. PLUNGE ROUTER *DW621*



• 10 Amps
• 8000-24000 variable speed
• Integral dust extraction
• Soft start, electronic feedback maintains constant speed under load
• Micro-fine depth adjuster
• Weighs 9 lbs.

MODEL G5471 ONLY $199.95

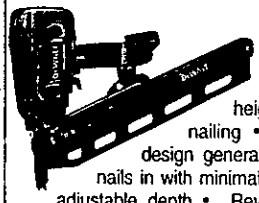
HEAVY-DUTY 31° CLIPPED HEAD FRAMING NAILER *D51823* New!



• 7.5 lb. magnesium housing and magazine • 12¾" height allows for toe-nailing • Unique engine design generates power to bury nails in with minimal recoil • Tool-free adjustable depth • Reversible, integrated rafter hook • Titanium exhausted cap protects tool from impacts to the cap • Quick release jam clearing • Dry fire lock • 2 to 3½" nail length cap. • .113" to .131" Nail dia. range • Weighs 8.125 lbs

MODEL H3579 ONLY $329.95

HEAVY-DUTY 20° FULL ROUND HEAD FRAMING NAILER *D51845* New!



• 7.5 lb. magnesium housing and magazine • 12¾" height allows for toe-nailing • Unique engine design generates power to bury nails in with minimal recoil • Tool-free adjustable depth • Reversible, integrated rafter hook • Titanium exhausted cap protects tool from impacts to the cap • Quick release jam clearing • Dry fire lock • 2 to 3½" nail length cap. • .113" to .131" Nail dia. range • Weighs 8.125 lbs

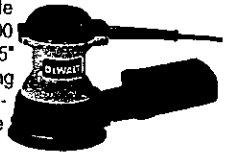
MODEL H3580 ONLY $329.95

VS JIGSAW KIT *DW321K*

• 5.8 Amps • 100-3100 strokes per minute • 1" blade stroke • Dust blower • 4 position orbital action • Includes assorted blades • Weighs 5.3 lbs.

MODEL G5472 ONLY $169.95

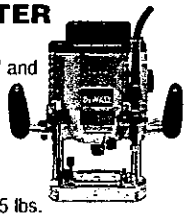
5" RANDOM ORBITAL SANDERS *DW421K/DW423K*



• Electronic variable speed • 7,000 12,000 OPM • 2.0 Amps • 5" hook and loop sanding surface • Vibration-dampening dual plane fan • Weighs 3.2 lbs.

MODEL H1486 ONLY $74.95
MODEL H1487 V/S ONLY $89.95

3 H.P. HEAVY-DUTY PLUNGE ROUTER *DW625 EVS*



• Includes two collets — ¼" and ½" • 100% ball bearings
• Micro-fine depth adjustment • Spindle lock button • Electronic variable speed 8,000-22,000 RPM
• 15.0 Amps • Weighs 11.25 lbs.

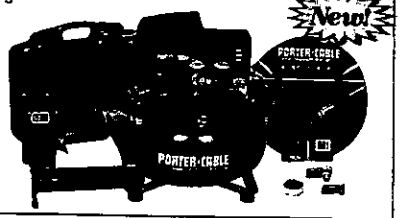
MODEL G3497 ONLY $259.95

PORTER-CABLE

WE WILL MATCH ANY CURRENT ADVERTISED PRICE!

BRAD NAILER AND COMPRESSOR COMBO KIT *CFBN125A*

• Standard Equipment: 18 Ga. Nailer, 2 H.P., 6 Gallon pancake compressor, 25', 300 PSI air hose with ferrules on both ends, ¼" male and female couplers, Teflon® pipe joint tape, 1000 brad nails, oil, wrenches and operating manuals



MODEL H3609 ONLY $239.95

15GA 2½" ANGLE NAILER KIT *DA250A*

• Uses 15 Ga angle finish nails from 1¼" to 2½" • Tool weighs 6 lbs. • Includes carrying case, 1000 nails, oil and Allen® wrenches

MODEL H3728 ONLY $199.95

18GA 1¼" BRAD NAILER KIT *BN125A*

• Uses standard 18 Ga brads from ⅝" to 1¼" • Tool weighs 2⅝ lbs. • Includes carrying case, 1000 brads, oil and Allen® wrenches

MODEL H3731 ONLY $84.95

DELUXE LAMINATE TRIM KIT *97310*

• Includes motor, standard trimmer base, offset trimmer base, tilt trimmer base, solid carbide bit, edge guide, two wrenches, and heavy-duty steel carrying case.

MODEL H3726 ONLY $224.95

FINISH NAILER COMBO KIT *CFFN250A*

• Includes 16 Ga Finish Nailer, 2 H.P. 15 Amp 6 Gal. Pancake compressor, 25', 300 psi air hose with ferrules, ¼" male and female quick couplers, pipe joint tape, 1000 finish nails, oil wrenches and carrying case

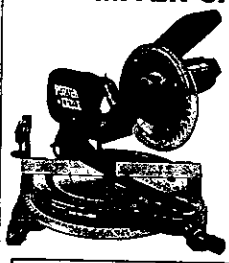
MODEL H3727 ONLY $319.95

16GA 2½" FINISH NAILER KIT *FN250A*

• Uses 16 Ga angle finish nails from ¾" to 2½" • Tool weighs 4¼ lbs. • Includes carrying case, 1000 finish nails, oil and Allen® wrenches

MODEL H3729 ONLY $165.95

10" SLIDE COMPOUND MITER SAW *3807*



• 15 Amp, 5,000 RPM motor • 6 positive stops • Weighs 57 lbs. • Includes 40T carbide-tipped blade, spindle lock, work clamp, dust bag and wrenches

MODEL H3722 ONLY $479.95

LAMINATE TRIMMER *7310*

• 5.6 Amps, AC/DC • 30,000 RPM • ¼" collet • Spindle lock • Precision cast aluminum base • Includes collet wrench.

MODEL H3720 ONLY $104.95

OFFSET LAMINATE TRIMMER *7312*

• 5.6 Amps, AC/DC • 30,000 RPM • ¼" collet • Spindle lock • Includes collet wrench and Allen® wrench.

MODEL H3721 ONLY $149.95

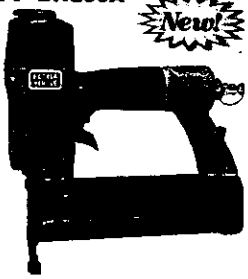
18GA 2" CORDLESS BRAD NAILER KIT *BN200V12*

• 12 volt, 2 Amp/hour battery • Uses 18 Ga brads from ¾" to 2" • ¼" male valve for use with auxiliary air supply • Includes charger, carrying case, 1000 brads, oil and Allen® wrenches • Weighs 7 lbs.

MODEL H3724 ONLY $249.95

18GA 2" BRAD NAILER KIT *BN200A*

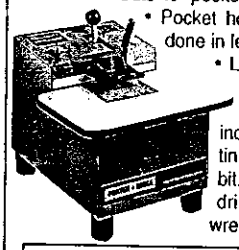
• Uses 18 Ga angle finish nails from ¾" to 2" • Tool weighs 2¾ lbs. • Includes carrying case, 1000 brads, oil and Allen® wrenches



MODEL H3730 ONLY $109.95

POCKET CUTTER *552*

• 13 Amps • Capacity: ½" through 15/16" thick • Cuts ⅜" pocket, drills 9/64" pilot hole • Pocket hole and pilot can be done in less than two seconds • Low screw angle produces very little shifting force • Kit includes: ⅜" pocket cutting bit, 9/64" pilot hole bit, square-drive screwdriver bit and collet wrenches.



MODEL G6186 ONLY $699.95

ACCESSORIES:
G6754 9/64" Pilot Hole Bit ONLY $15.95

19.2V CORDLESS QUAD PACK *9887QP*

• Tiger Saw ½" keyless chuck Hammer Drill, 6" SawBoss® Circular Saw and pivoting head Flashlight • Includes two 19.2V, 2 amp/hour batteries for more power and longer run time • Tiger Saw has keyless blade change. V/S 0-2,900 SPM • Hammer Drill 390 in/lbs of maximum torque, 20-position clutch (0-500 & 0-1,500 RPM) (0-19,500 BPM)

MODEL H1355 ONLY $599.95

WE WILL MATCH ANY CURRENT ADVERTISED PRICE!

CAMPBELL HAUSFELD

CAMPBELL HV2050 FINISHING SYSTEM

FEATURES:

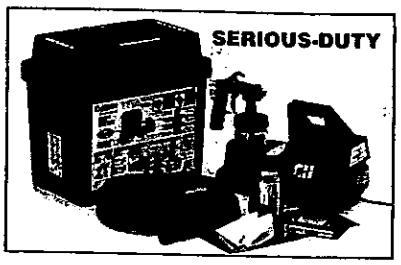
• Includes multi-purpose case and accessory bonus kit: cleaning brush, wrench, viscosity stick, two strainer cones, extra needle/nozzle for light materials, extra canister with lid (for two color effects), spray shield (to reduce masking) and "How-To" video

• Unique lid design holds paint can, gun and canister • Metal air flow adjustment changes pattern size from ¼" to 6" • Ideal system for serious interior and exterior painting projects

• Creates 5 decorative finishes: crackle, leather, confetti, fleck, stencil

• 50% less overspray than non-HVLP spray guns

SPECIFICATIONS:
PSI: 5
CFM: 58
Length: 21"
Width: 14"
Height: 18¼"
Weight: 26 lbs

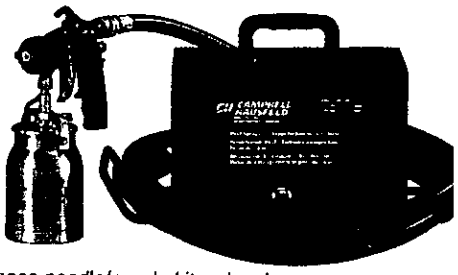


MODEL G8818 ONLY $249.95

3-STAGE HVLP PROFESSIONAL FINISHING SYSTEM *HV3000*

Add the power of a 3-stage turbine to the economical HVLP system from Campbell Hausfeld and you have an unsurpassed professional HVLP finishing system. The 3-stage turbine increases paint transfer to 65 CFM and output pressure to 6 PSI.

3-STAGE
- 3-stage turbine
- 65 CFM, 6 PSI output
- Spray gun
- 25' of hose
- Hose rack
- Storage compartment
- Includes thin and multi-purpose needle/nozzle kits, cleaning brush, wrench, viscosity stick and strainers



MODEL G4585 3-STAGE ONLY $399.95
Spray Gun
MODEL G4590 ONLY $69.95
Filters — For G4584 & G4585
MODEL G4589 ONLY $12.95

HVLP AIR OPERATED SPRAY GUN

Turn your Campbell Hausfeld compressor into a high-efficiency HVLP paint system with this air-operated HVLP spray gun. Unbeatable for oil-based paints and stains, this low pressure sprayer minimizes wasteful overspray. 2.2mm tip size.

HEAVY-DUTY ELECTRIC MOTORS

Made to demanding specifications, these motors feature the same quality as the motors we install in our heavy-duty machines. All our motors are standard NEMA 56 frames and fit over 90% of the woodworking machinery on the market. If you have applications where dust, oil, chips or other foreign particles are the norm rather than the exception, you should use the Totally Enclosed Fan Cooled Motors **(ENCLOSED)**.

FULL 1 YEAR WARRANTY FROM GRIZZLY!

By popular demand, we have added the Open Drip Proof Motors **(OPEN)**. These high quality motors are excellent replacement motors for use in relatively clean environments. Ideal for drill presses, fans and bench machinery, all motors are dual voltage (110/220V) capacitor start. They feature standard NEMA 56 frames, all ball bearing construction, reversible rotation, ⅝" shafts, and are rated for continuous duty.

SWITCHES

Our G8988 "paddle" type switch is a direct replacement for our machines and many others. With its removable safety "key" and large, easy to hit paddle, it is one of the safest switches you can have in your shop. If space is a problem, the G8989 keyed safety switch has all the features as the G8988, except it does not have the large "paddle". The G8992 "snap-in" magnetic safety switch with sealed buttons and "spade" type terminals is the perfect replacement or upgrade switch. The G8991 is the same as the G8992, but includes a mounting faceplate. The G8990 is similar to the G8992, but has a higher amperage capacity.

ELECTRIC MOTORS

We have custom motors built to our specifications and sized to fit many of our machines. These electric motors will hundreds of other machines as well. Just match the chart dimensions to your application.

These are top of the line electric motors at extremely competitive prices. We guarantee your satisfaction – recommended by our motor rewind shop.

All motors are single phase, NEMA 56 frames, except G5000 which is a NEMA 48 frame. For more information, refer to the chart or contact our service technicians.

ROTARY PHASE CONVERTERS

Add 3-phase multi-motor capability to your single-phase electrical supply! Operate single or multiple motors, transformers, and resistance loads at 100% power and 95% efficiency while saving big dollars at cheaply-metered, single-phase electrical rates. Complete step-by-step instructions are furnished along with complete wire and fusing requirements for various motor loads. Each model operates up to twice its nameplate rating in a mixed-motor load. On heavily loaded or hard-start applications, such as high-speed geared-head lathes and air conditioning compressors, the nameplate rating of the converter you choose should be 2 to 3 times the HP of the most heavily loaded motor. For application assistance, please call our technical support group at (570) 546-9663.

FEATURES:

- Cool and quiet operation
- Operates 3-phase motors at full power
- 95% electrical efficiency
- Drip-proof cast iron casing
- Single or multiple loads
- Identical input/output voltages
- Choose from 5, 10, 15, 20, 30 or 40 HP models
- "Stackable" for higher HP requirements

15, 20, 30 & 40 H.P. MODELS ARE "STACKABLE" FOR HIGHER HP REQUIREMENTS!

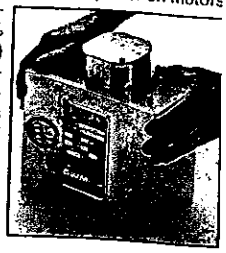
PHASE CONVERTERS

Patented solid-state starting relays ensure that these Autogen Static Phase converters will provide your moderately-loaded 3-phase motor with just the right energy at the right time to operate flawlessly on single-phase power. Autogen Static Phase Converters offer instant reversing and full-time 3-wire power on motors operated at 70% continuous HP or 90% intermittent (< 15 min.) duty. Simple installation requires 30 minutes or less. Includes complete, easy-to-read instructions. For heavily-loaded applications see Rotary Phase Converters to the left.



FEATURES:

- Heavy-duty starting circuit
- Instant motor reversing
- Full-time 3-wire power
- Solid state circuitry
- Compact and convenient
- Operates on 200-250 volts AC
- 50-60 Hz operation
- Step-by-step instructions

2-YEAR WARRANTY!

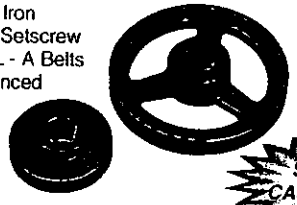
SINGLE V-GROOVE PULLEYS

Machined to exact tolerances and balanced to reduce vibration, these solid cast iron pulleys will make any power transfer system run smoother and quieter.

- Solid Cast Iron
- Keyway & Setscrew
- For 3L - 4L - A Belts
- Static Balanced



DOUBLE V-GROOVE PULLEYS

Just like our single V-groove pulleys, these solid cast iron double V-groove pulleys are machined and statically balanced to provide the smoothest power transmission possible. For A belts.

TOOL BOXES

GRIZC-04375

"GRIZZLY GREEN" TOOL BOXES

When we started selling our red tool boxes about three years ago, we were inundated with phone calls from customers asking us to bring on green tool boxes to match the Grizzly® green machines they had in their shops.

It took us a couple of years, but the tool boxes you see on these two pages are of superb quality consisting of heavy gauge steel, long lasting powder coated paint to match our machines exactly and ball bearing drawer slides that are simply "delicious". Even our small three drawer middle chest and the six and nine drawer top chests have ball bearing drawer slides, unheard of in these size chests. Pull one open and you feel the drawer glide ever so smoothly; push it with one finger and it slides back in. Wedge locks on the insides prevents fully closed drawers from sliding open accidently.

TIME TO REPLACE THOSE OLD, TIRED TOOL BOXES WITH OUR GORGEOUS POWDER COATED "GRIZZLY GREEN" BOXES.

3 DRAWER MIDDLE CHEST WITH BALL BEARING SLIDES

New!

- Powder coating finish in "Grizzly Green"
- Aluminum extruded drawer handles
- Four pins on the four corners to tie in with the tool chest
- 10mm protective mat on the top of the chest
- Heavy-duty side handles • 3 pieces protective drawer liners

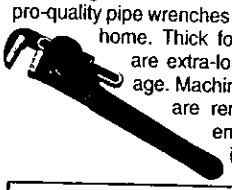
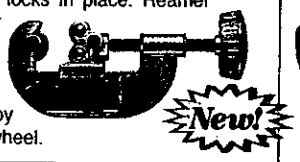
Heavy cast-iron construction, paired with extra-tough hardened steel jaws, make these pro-quality pipe wrenches ideal for the shop or home. Thick foam-coated handles are extra-long for added leverage. Machined steel lower jaws are removable for sharpening. In four convenient sizes.



MODEL G8056	8"	ONLY	$5.95
MODEL G8057	10"	ONLY	$8.95
MODEL G8058	14"	ONLY	$11.95
MODEL G8059	18"	ONLY	$13.95

TUBING CUTTERS

Classic cast frame tubing cutter is a long standing favorite of plumbers, mechanics and service people. Anti-friction, flare groove rollers allow you to cut tubing close to the flared ends, thus avoiding tube replacements in existing installations. Hardened steel reamer slides and locks in place. Reamer retracts for safety when not in use. Replaceable hardened alloy steel cutting wheel.

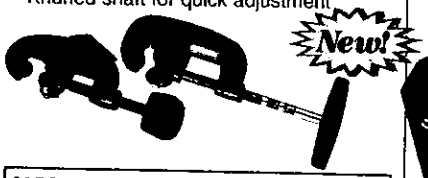


MODEL H0827 1/8" to 1 1/8"	ONLY	$9.95
MODEL H0828 1/4" to 1 1/2"	ONLY	$14.95

TUBING CUTTERS

H0979 Tubing Cutter 1/8" - 1 1/8":
- Flare groove rollers
- Large knob for greater torque
- Hardened steel retractable reamer

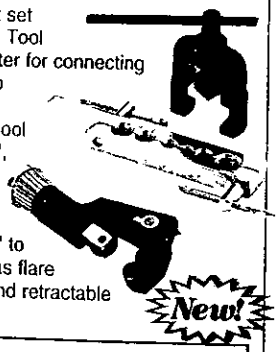
H0980 Heavy-Duty Tubing Cutter 1/8" - 1 1/4":
- Fast, clean pipe cutting by hand or power
- T-handle for greater torque
- Knurled shaft for quick adjustment



MODEL H0979	ONLY	$9.95
MODEL H0980	ONLY	$19.95

TUBING CUTTER/FLARING TOOL SET

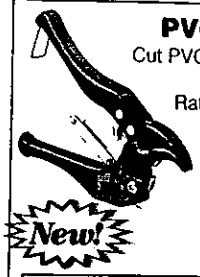
This convenient set includes Flaring Tool and Tubing Cutter for connecting copper tubing to standard flared fittings. Flaring tool will flare 3/16", 1/4", 5/16", 3/8", 1/2" and 5/8" copper tubing. Tubing cutter will cut 1/8" to 1" tubing and has flare groove rollers and retractable reamer.



MODEL H2626	ONLY	$10.95

PVC CUTTER

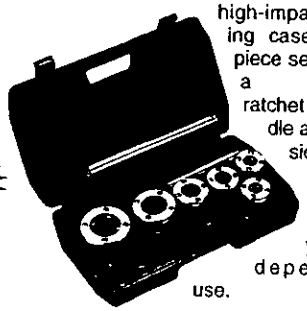
Cut PVC pipe up to 1 5/8" diameter with this PVC Cutter. Ratcheting lever mechanism provides tremendous cutting pressure. Great for installing lawn sprinkler systems and cutting plastic water and gas line.



MODEL H2627	ONLY	$9.95

6-PC. PIPE THREADING KIT

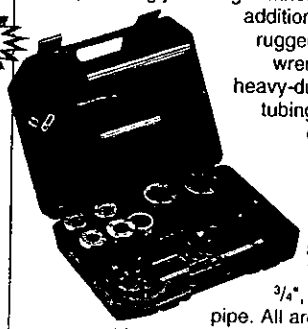
Create precision threads in pipe measuring 1/4", 3/8", 1/2", 3/4", or 1". Housed in a durable, high-impact carrying case, this 6-piece set includes a reversing ratchet with handle and extension. High-quality construction for years of dependable use.



MODEL G8185	ONLY	$47.95

12-PC. PLUMBING / THREADING KIT

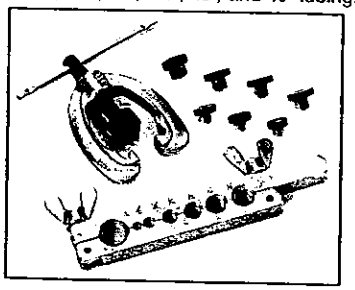
A dozen industrial-quality plumbing and pipe threading tools ensure that your next plumbing job will go without a hitch. In addition to a pair of rugged adjustable wrenches and a heavy-duty pipe and tubing cutter, this complete kit includes a reversible ratcheting die handle and dies for 1/4", 3/8", 1/2", 3/4", 1" and 1 1/4" pipe. All are housed in a high-impact plastic carrying case.



MODEL G8184	ONLY	$69.95

TUBE FLARING KIT

Drop forged and heat treated for strength and durability, this tube flaring tool with matching press and inserts makes it easy to create consistent, professional-quality flares in copper, brass and aluminum thin-walled tubing. Complete with a high-impact plastic case for secure storage, this kit provides all you will need to flare 3/16", 1/4", 5/16", 3/8", 7/16", 1/2", and 5/8" tubing.



MODEL G8215	ONLY	$9.95

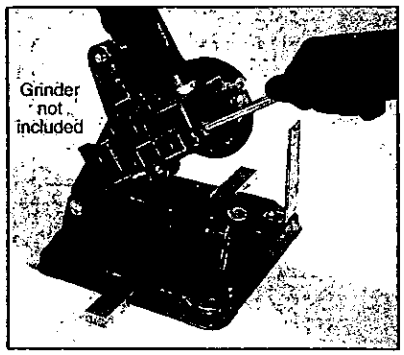
4½" ANGLE GRINDER STAND

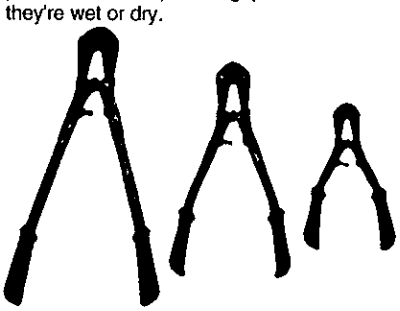
Turn your portable 4½" grinder into a metal-cutting chopsaw! This metal stand doubles the versatility of your portable grinder, making it the perfect tool for cutting tubing, bar stock and rebar. Designed to hold most common grinders with side handles without modifications, the benchtop stand features a cam-clamp vise that adjusts from 90° - 45°. A spring-action return and built-in swarf guard provide excellent safety and convenience. Base measures 9½" x 9½".

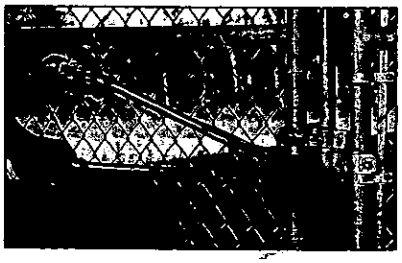


MODEL G8183	4½"	ONLY	$14.95

BOLT CUTTERS

Perfect for cutting chain link fencing, concrete reinforcement mesh, rusted bolts or unwanted locks, these hardened-steel cutters are specially designed to multiply your leverage, so tough materials cut like butter. Soft rubber grips add comfort and provide an exceptional grip, no matter if they're wet or dry.

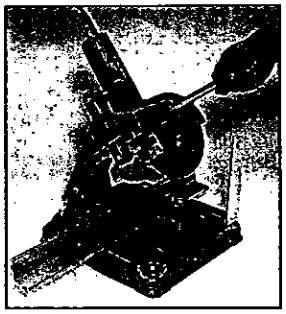




MODEL G8207	12"	ONLY	$8.95
MODEL G8208	18"	ONLY	$14.95
MODEL G8209	24"	ONLY	$19.95

9" ANGLE GRINDER STAND

Built to accommodate industrial-duty 9" portable grinders, this brawny stand uses the grinder's threaded handle insert to hold it securely while you cut through tubing, bar stock or rebar. It features an adjustable cam-action clamp that enables you to cut at angles from 90° to 45°. The spring-action cutting arm and built-in swarf guard make cutting safe and precise. An extra-large 13" x 13½" benchtop base, with built-in mounting holes, provides plenty of stability.



Grinder not included

MODEL G8186	9"	ONLY	$29.95

ADJUSTABLE WRENCHES

Durable chrome vanadium adjustable wrenches are forged, then surface treated to a fine satin finish. A handy measurement scale on the side of the jaws tells you at a glance the size of nut you are working with, inches on one side, metric on the other. Lifetime guarantee on these high-quality, yet reasonably priced wrenches.

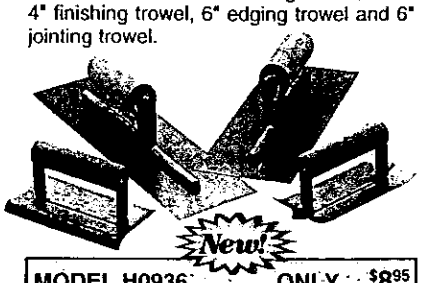
MODEL G8213 ONLY $9.95

CONCRETE HAND TOOLS

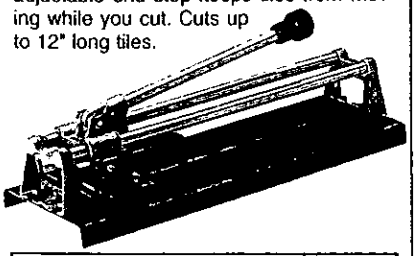
Take on those expensive concrete jobs yourself with this 4-piece concrete hand tool set and get results just like the pros. Includes a 11" x 4½" finishing trowel, 14" x 4" finishing trowel, 6" edging trowel and 6" jointing trowel.



MODEL H0936 ONLY $8.95

12" TILE CUTTING MACHINE

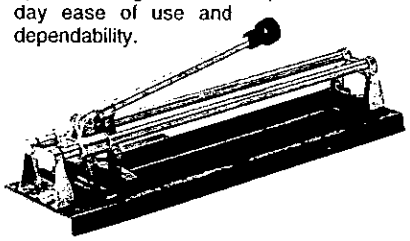
Custom cutting tiles has never been easier or more affordable. This dual horizontal cutter holds the tile securely while a hardened scoring wheel makes clean, straight cuts, so you'll cut tiles more precisely with less cracking or breaking. An adjustable end stop keeps tiles from moving while you cut. Cuts up to 12" long tiles.



MODEL G8204 ONLY $14.95

16" TILE CUTTING MACHINE

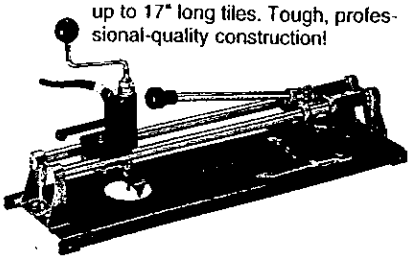
Featuring the same great design and construction as the 12" Tile Cutting Machine, this Model G8205 Tile Cutting Machine has a larger tile cutting capacity of up to 16" long and a non-slip base for all-day ease of use and dependability.



MODEL G8205 ONLY $19.95

3-IN-1 16" PRO TILE CUTTER

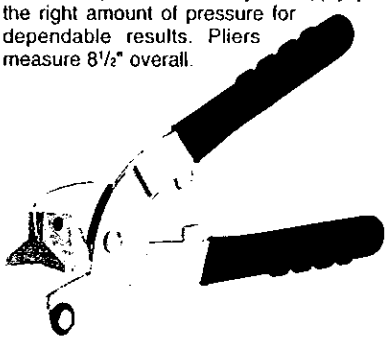
This professional quality tile cutter makes straight cuts, precision angled cuts and circular hole cuts. The 3-in-1 cutter features an extra heavy-duty base for excellent stability while cutting. A miter gauge-style tile stop adjusts to 45° left or right. An aggressive tungsten carbide round hole cutter adjusts to cut circles from 1³/₁₆" to 3¼" in diameter, so you can accommodate water supplies and drains with ease. Cuts up to 17" long tiles. Tough, professional-quality construction!



MODEL G8206 ONLY $29.95

TILE CUTTING PLIERS

These commercial-quality pliers turn tile cutting into a simple, two-step process. First, score the tile with the built-in, free-rolling scoring wheel. Then place the tile between the steel lower jaw and hard plastic upper jaw and apply pressure along the contoured plastic grips. Built-in stops ensure that you'll apply just the right amount of pressure for dependable results. Pliers measure 8½" overall.



MODEL G8203 ONLY $3.95

STEELEX 8-PC. SCREWDRIVER SET WITH WALL RACK

This is the best screwdriver set you'll ever own. Eight-piece set features case hardened tips and ergonomic handles for high torque applications. Includes handy wall rack.

MODEL G8953 ~~$19.95~~ SPECIAL! $14.95

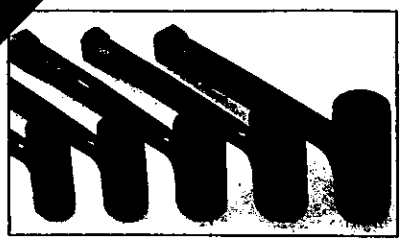
HAMMERS & MALLETS

GRIZC-04389

DEAD BLOW RUBBER MALLETS

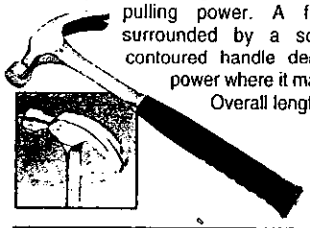


A hefty loading of heavy lead shot in the heads of these dead blow mallets provides exceptional punch and power, without the recoil of traditional sledges. Available in your choice of five weights and sizes, these mallets are finished in a soft rubber coating which minimizes the chance of marring your work. Great for coaxing tight joints, setting plugs or other chores that require plenty of power, combined with a delicate touch. Mallet handles are tapered and checkered for a sure and comfortable grip.

MODEL G8198	1 lb.	ONLY	$6.95
MODEL G8199	1½ lb.	ONLY	$7.95
MODEL G8200	2 lb.	ONLY	$8.95
MODEL G8201	2½ lb.	ONLY	$9.95
MODEL G8202	3 lb.	ONLY	$10.95

CLAW HAMMERS

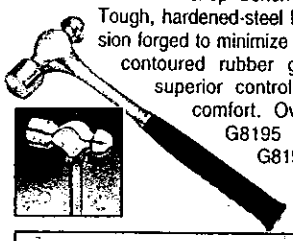
Handsomely-polished hardened steel hammer features a smooth finished face, great balance and aggressively angled claws for greater pulling power. A full shank, surrounded by a soft rubber, contoured handle delivers solid power where it matters most. Overall length 13".



MODEL G8192	16 oz.	ONLY	$9.95
MODEL G8193	20 oz.	ONLY	$9.95

BALL PEEN HAMMERS

Solidly constructed for maximum power and durability, this mirror polished hammer is unbeatable for the shop bench or tool box. Tough, hardened-steel head is precision forged to minimize marring. Soft, contoured rubber grip provides superior control and all-day comfort. Overall length: G8195 – 13" and G8196 – 14".



MODEL G8195	24 oz.	ONLY	$9.95
MODEL G8196	32 oz.	ONLY	$12.95

MALLETS

These fine mallets are designed for use with chisels and gouges. The carver's mallet has a round beechwood head and a solid ash handle. The head diameter is 4". The joiner's mallet has a square, angled head (also beech) and an ash handle. The width of the head is 4½".

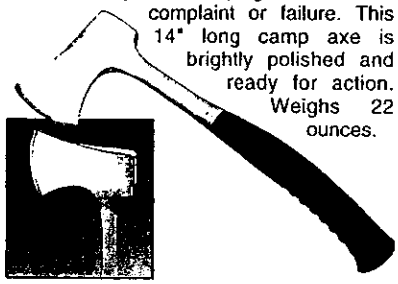
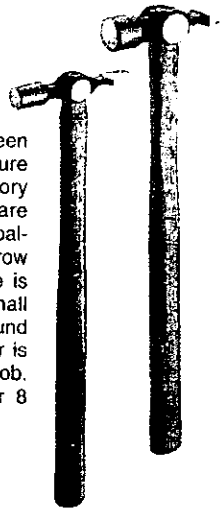
A solid, hardened-steel shank and head ensure that this rubber-handled camp axe will survive years of log splitting, tent staking, kindling making, digging, pounding and just about any other camping chore, without complaint or failure. This 14" long camp axe is brightly polished and ready for action. Weighs 22 ounces.



MODEL G8197		ONLY	$9.95

CROSS PEEN HAMMERS

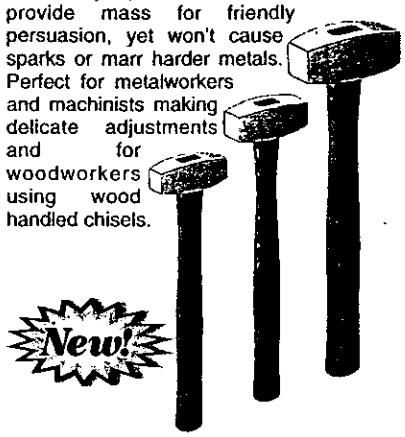
These Cross Peen hammers feature genuine hickory handles and are extremely well balanced. The narrow face on one side is for starting small tacks and the round face on the other is for finishing the job. Choose 4 oz. or 8 oz. heads.



MODEL H0563	4 oz.	ONLY	$6.95
MODEL H0564	8 oz.	ONLY	$6.95

BRASS HAMMERS

Beautifully polished Brass Hammers provide mass for friendly persuasion, yet won't cause sparks or marr harder metals. Perfect for metalworkers and machinists making delicate adjustments and for woodworkers using wood handled chisels.



New!

MODEL H0982	8 oz.	ONLY	$9.95
MODEL H0969	16 oz.	ONLY	$16.95
MODEL H0970	32 oz.	ONLY	$21.95

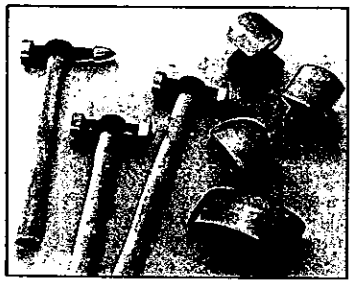
COPPER MALLETS

Plenty of striking power without the danger of marring finished iron, steel or brass surfaces! These well-balanced copper mallets are ideal for tasks where other mallets might damage delicate components. Mallets feature tough, shock-absorbing fiberglass handles with non-slip textured rubber grips.

MODEL G8075	½ lb.	ONLY	$7.95
MODEL G8076	1 lb.	ONLY	$9.95
MODEL G8077	2 lb.	ONLY	$12.95

AUTO BODY FENDER SET

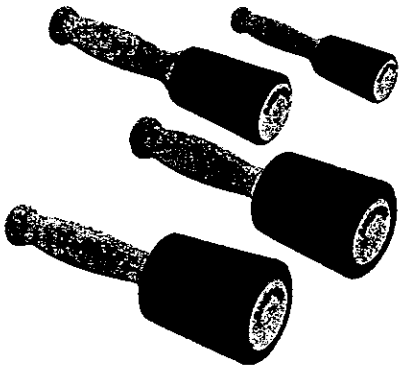
This shop-quality collection of shaping hammers and dollies will help get your vehicle in shape without putting a dent in your wallet! Set includes a precision double-end hand dolly, utility dolly, curved dolly, and shrinking dolly, standard bumping hammer, pick & finish hammer.



MODEL G8060		ONLY	$14.95

MALLETS & SCREWDRIVERS

SHOP FOX® MALLETS

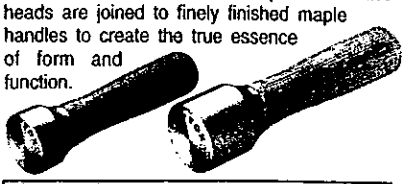


These round head mallets feature a tough urethane 360° striking surface that is non marring and very quiet to use. Urethane also provides plenty of mass for tough carving operations. The finely sanded maple handles are turned to yield a comfortable grip for all-day use. Choose from a full selection of Shop Fox® non-marring mallets in a variety of weights for every carving application.

MODEL H0989	12 oz.	ONLY	$18.95
MODEL H0990	18 oz.	ONLY	$19.95
MODEL H0991	24 oz.	ONLY	$21.95
MODEL H0992	30 oz.	ONLY	$23.95

SHOP FOX® BRASS HEAD MALLETS

These Brass Head Mallets provide unequalled control and balance in a compact design and are a real extension of the craftsman's hand. Turned and polished brass heads are joined to finely finished maple handles to create the true essence of form and function.



MODEL H0993	8 oz.	ONLY	$9.95
MODEL H0994	12 oz.	ONLY	$11.95

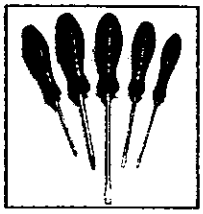
MADE IN GERMANY

GRIZC-04390

When I was setting up my shop, I wanted the very best screwdrivers money can buy. In particular, I was looking for grip comfort, the quality of the tips and the balance. These German made screwdrivers ARE THE BEST – HANDS DOWN! Treat yourself to a set and you will never regret it!
S. Balolia, President

5-PC. SLOTTED/PHILLIPS® SET

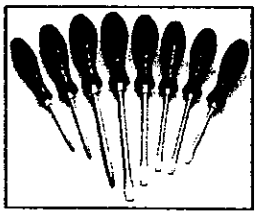
Five-piece set features the ultimate cushion grip handles for greater torque. Includes 1/8", 5/32" and 1/4" slotted and #1 and #2 Phillips®.



MODEL H2729 ONLY $24.95

8-PC. SLOTTED/PHILLIPS® SET

Eight-piece set with cushion grip handles includes 7/32", 1/4", 9/32", 5/16", 3/8" slotted and #1, #2, #3 Phillips®.



MODEL H2730 ONLY $69.95

7-PC. EXTRA HEAVY-DUTY SLOTTED/PHILLIPS® SET

With hex bolsters and strike plates. Includes 7/32", 1/4", 5/16", 3/8" slotted and #1, #2, #3 Phillips®.

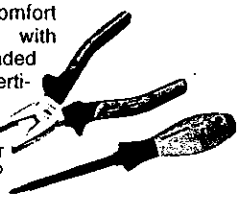
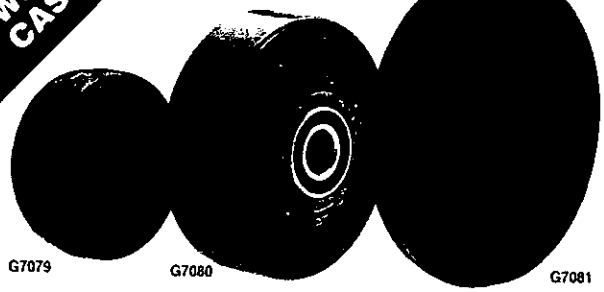
High visibility comfort grip handles with permanently bonded insulation are certified to 1000 Volts AC. Includes 7" combination plier and #2 Phillips® screwdriver.



MODEL H2739 ONLY $34.95

WHEELS/CASTERS

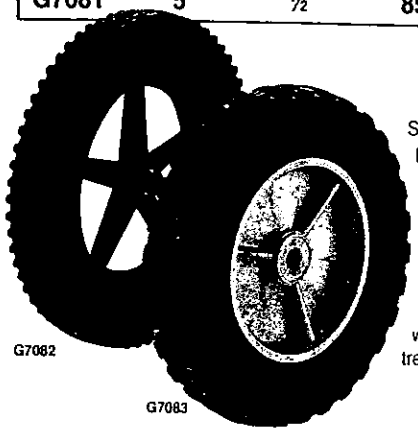
RUBBER WHEELS



Build your own material handlers with these inexpensive rubber wheels in 2½", 4" and 5" sizes. Model G7080 features shielded ball bearing construction.

MODEL	SIZE	AXLE	CAPACITY	PRICE
G7079	2½"	¼"	22 lbs.	$1.25
G7080	4"	⅝"	90 lbs.	$4.95
G7081	5"	½"	85 lbs.	$2.95

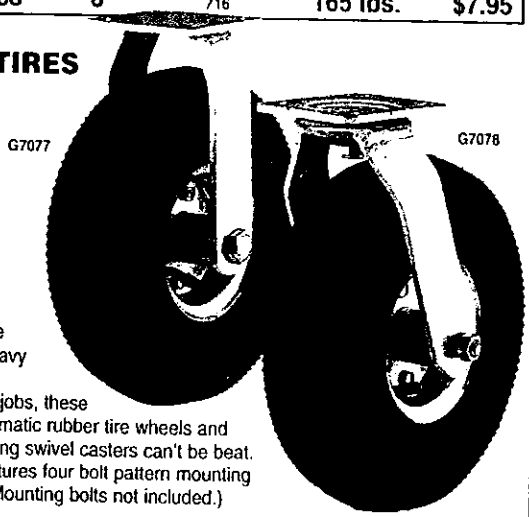
8" RUBBER WHEELS



Solid rubber wheels are perfect replacements for dollies, hand trucks and wagons. The Model G7082 features a spoked hub while the Model G7083 features a solid reinforced hub with aggressive wheel tread.

MODEL	SIZE	AXLE	CAPACITY	PRICE
G7082	8"	⅜"	40 lbs.	$4.95
G7083	8"	7/16"	165 lbs.	$7.95

10" TIRES



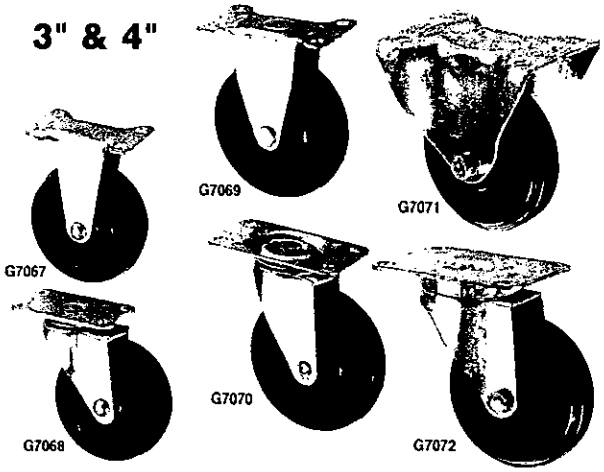
For those super-heavy material handling jobs, these 10" pneumatic rubber tire wheels and ball bearing swivel casters can't be beat. Each features four bolt pattern mounting plates. (Mounting bolts not included.)

MODEL	SIZE	CAPACITY	PRICE
G7077	10" FIXED	300 LBS.	$17.95
G7078	10" SWIVEL	300 LBS.	$19.95

FIXED WHEELS & CASTERS

These fixed wheels and swivel casters in 3", 4", 5" and 6" sizes provide a whole range of options for shop-made dollies and carts. Each features a four bolt surface mounting plate. (Mounting bolts not included.)

3" & 4"



MODEL	SIZE	CAPACITY	PRICE
G7067	3" FIXED	45 LBS.	$3.95
G7068	3" SWIVEL	45 LBS.	$4.95
G7069	4" FIXED	85 LBS.	$4.95

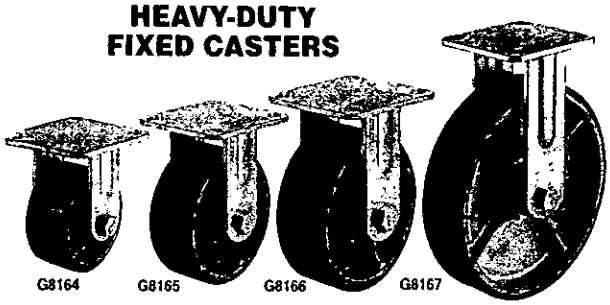
G7075	6" FIXED	200 LBS.	$14.95
G7076	6" SWIVEL	200 LBS.	$16.95

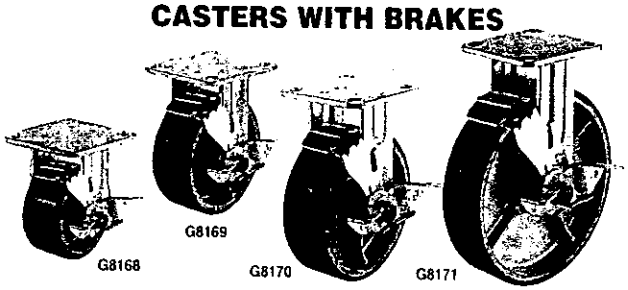
HEAVY-DUTY FIXED CASTERS



Rugged, heavy-duty wheels with an injection molded polyurethane elastomer tire surface. Polyurethane is hard wearing, handles high loads and will not mark the floor. Caster mounting pad has slotted holes with a 3" x 3½" rectangular hole pattern. Wheels have roller bearings which can be re-greased using the grease fitting. Wheels are all 2" wide.

MODEL	WHEEL DIA	HEIGHT	CAPACITY	PRICE
G8164	4"	5¾"	550 lbs.	$6.95
G8165	5"	6"	600 lbs.	$8.95
G8166	6"	7"	725 lbs.	$11.95
G8167	8"	9½"	770 lbs.	$14.95

HEAVY-DUTY FIXED CASTERS WITH BRAKES

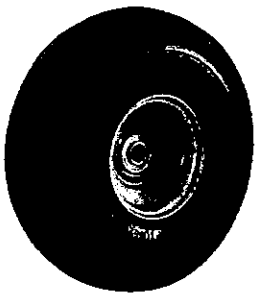


All the same great features and dimensions as the wheels described above, with the addition of a sure lock braking system. Foot operated pedal seats the steel friction pad against the outer diameter of the wheel, holding it in place until you turn it loose with a flick of the toe.

MODEL	SIZE	CAPACITY	PRICE
G8168	4"	550 lbs.	$7.95
G8169	5"	600 lbs.	$9.95
G8170	6"	725 lbs.	$12.95
G8171	8"	770 lbs.	$16.95

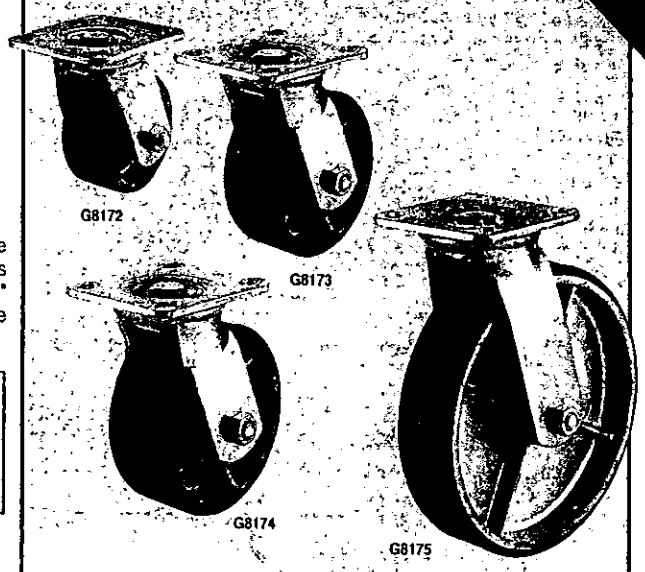
10" TUBELESS WHEEL

Excellent replacement for wheelbarrows, air compressors, carts or any type of equipment needing a large pneumatic wheel. Hub is 4½" diameter with a ⅝" bore and has two sets of roller bearings. The reverse side from the one shown has a 1¾" deep boss extending out with a fitting for greasing the bearing. The tire is 2-ply nylon rated for a max load of 260 lbs at 30 PSI inflation. Tire size is 10" / 3.50-4.0 with an overall thickness width of 3.5" and a ribbed tread design. Not for highway use.



MODEL	SIZE	PRICE
G8751	10"	$8.95

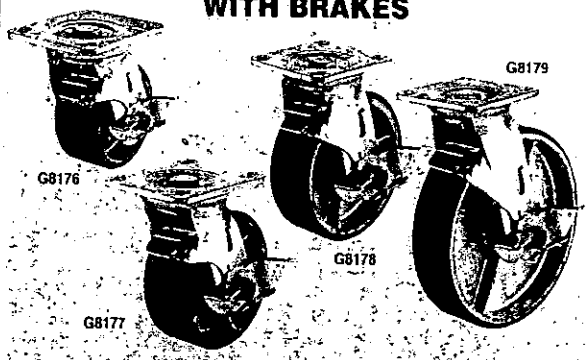
HEAVY-DUTY SWIVEL CASTERS



Do a little free-wheelin' with these fantastic 360° swivel caster sets. Grease fittings for the swivel and the wheel bearing makes maintenance easy. Polyurethane molded tire has great wear characteristics and won't leave a mark! Mounting pad has a 3" x 3½" rectangular hole pattern.

MODEL	WHEEL DIA	HEIGHT	CAPACITY	PRICE
G8172	4"	5¾"	550 lbs.	$7.95
G8173	5"	6"	600 lbs.	$8.95
G8174	6"	7"	725 lbs.	$12.95
G8175	8"	9½"	770 lbs.	$16.95

HEAVY-DUTY SWIVEL CASTERS WITH BRAKES



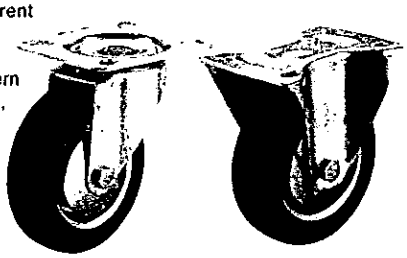
Now you can get the swivel casters described above with a foot operated brake. Just get your cart or machine into place, and with an easy step on this locking pad, you have fixed your load in place. It won't budge until you release it!

MODEL	SIZE	CAPACITY	PRICE
G8176	4"	550 lbs.	$8.95
G8177	5"	600 lbs.	$9.95
G8178	6"	725 lbs.	$13.95
G8179	8"	770 lbs.	$17.95

WHEELS/CASTERS

BLACK RUBBER CASTERS

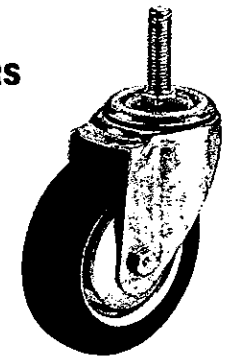
Heavy-duty solid rubber tire casters are perfect for whatever you need to move. In fixed and swivel versions with three different wheel sizes. On the 4" and 5" models the mounting bolt pattern measures 2⅞" x 2⅜", on the 6¼" size, the bolt pattern is 4⅛"x 2¹⁵⁄₁₆". Integral hub shield helps keep dirt and foreign objects out.



MODEL	SIZE	CAPACITY	PRICE
H0637	4" FIXED	150 LBS.	$4.50
H0638	5" FIXED	220 LBS.	$5.75
H0639	6¼" FIXED	320 LBS.	$7.95
H0640	4" SWIVEL	150 LBS.	$4.95
H0641	5" SWIVEL	220 LBS.	$5.95
H0642	6¼" SWIVEL	320 LBS.	$8.95

BLACK RUBBER THREADED CASTERS

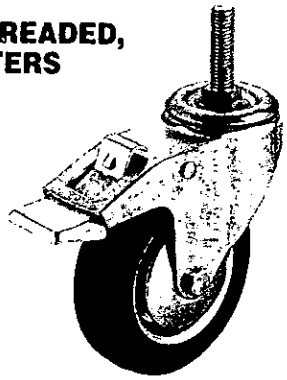
Threaded stud M12-1.75 x 40mm makes mounting this swivel caster quick and easy. Put your world on wheels! Heavy-duty solid rubber tires, ball bearing swivel and hub shields make these a great value.



MODEL	SIZE	CAPACITY	PRICE
H0643	4" SWIVEL	150 LBS.	$5.95
H0644	5" SWIVEL	220 LBS.	$6.50
H0645	6¼" SWIVEL	320 LBS.	$8.95

BLACK RUBBER THREADED, LOCKING CASTERS

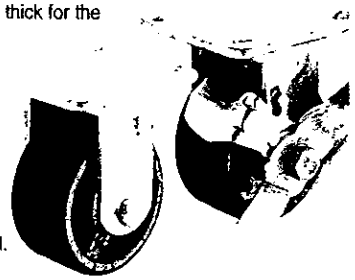
Positive locking brake pedal not only stops the wheel from rotating, but it also locks the swivel in place. Threaded stud measures 28 mm in length with a M12-1.75 thread. Ball bearing swivel allows quick change of direction.



MODEL	SIZE	CAPACITY	PRICE
H0646	4" SWIVEL	175 LBS.	$5.75
H0647	5" SWIVEL	240 LBS.	$6.95
H0648	6¼" SWIVEL	330 LBS.	$9.95

HEAVY-DUTY INDUSTRIAL CASTERS

Talk about heavy-duty. Welded construction uses steel plate almost ¼" thick for the wheel support. The wheel hub is tough cast iron. The locking model has a cam-action locking feature with an ON and OFF foot pedal. Wheels have sealed bearings which can be re-greased using the special fitting. Molded polyurethane tread.



MODEL	SIZE	CAPACITY	PRICE
H0649	4" FIXED	550 LBS.	$12.95
H0650	4" LOCKING	550 LBS.	$13.50
H0651	5" FIXED	660 LBS.	$13.95
H0652	5" LOCKING	660 LBS.	$14.25
H0653	6" FIXED	880 LBS.	$14.95
H0654	6" LOCKING	880 LBS.	$15.95

HEAVY-DUTY INDUSTRIAL CASTERS

Molded polyurethane wheel runs on roller bearings to provide a smooth action, non-marring wheel for the heaviest applications. Wheel is slightly crowned for easy steering. Available in four sizes with capacity ranging up to half a ton! Mounting hole dimensions are 3½" x 3" for all wheel sizes.

MODEL	SIZE	CAPACITY	PRICE
H0655	4" FIXED	550 LBS.	$14.25
H0656	5" FIXED	660 LBS.	$15.95
H0657	6" FIXED	880 LBS.	$19.95
H0658	8" FIXED	1100 LBS.	$26.50
H0659	4" SWIVEL	550 LBS.	$14.95

workbench.com

MAPLE WORKBENCH TOPS

Since the first day Grizzly started, we have been using these Maple Workbench Tops in our shipping and service departments. We estimate that we have over 200 tops in use and expect them to be in service probably for the next 50 years! Our workbench tops are made of solid 1¾" USA grown hard rock (sugar) maple strips that are laminated to each other and then coated with food-safe Durakryl finish. The tops, bottoms and all edges are sealed and the appearance is clear, satin smooth, low sheen and natural in color. There is no odor to the finish and they can be cleaned like any other counter surface using soap and water, bleach or nail polish remover.

Build your own workbench using our excellent selection of tops. Our optional adjustable Shop Fox® legs are extremely heavy-duty allowing you to customize your workbench size according to your needs.

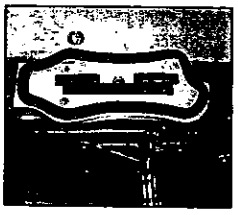
VACUUM CLAMPING

VACUUM CLAMPING SYSTEMS

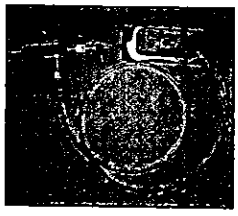
GRIZC-04405

Vacuum clamping systems are one of the best investments you will make for your shop. Whether you're routing, veneering, milling or sanding, vacuum systems increase production efficiency by up to 300%, as well as allow you to hold "difficult" pieces easily and quickly. All Vacuum Clamping Systems provide 1,800 lbs./sq. ft. of holding force for confident clamping and the soft vacuum tape won't scratch or mar your workpiece.

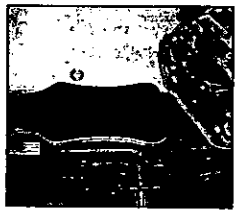
EXAMPLE OF ONE OF MANY USES



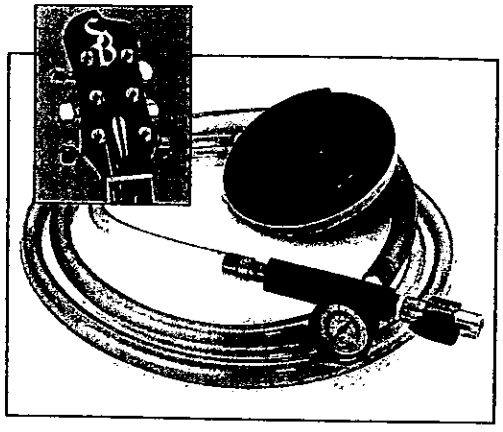
Guitar headpiece jig showing neoprene seals



Blank piece of ebony held to the jig by vacuum



Edge is easily routed off



MANUAL SYSTEMS

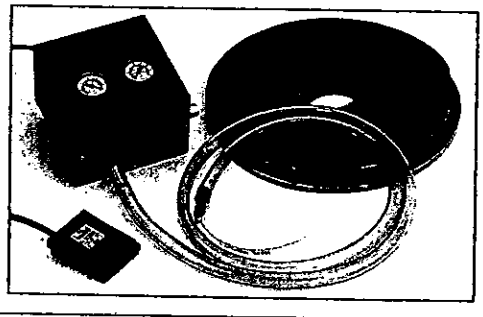
These are operated by a hand valve. Each kit includes VAK pump, 5' hose, 10' neoprene tape, gauge, brass fittings and on/off valve.

MODEL	VACUUM FLOW	AIR NEEDED @ 85 PSI	RECOMMENDED COMPRESSOR SIZE	PRICE
H0737	3.2 CFM	4 CFM	1 - 2 H.P.	$139.95
H0738	5.2 CFM	6.5 CFM	2 - 4 H.P.	$175.00

FOOT CONTROL SYSTEMS

For the ultimate in clamping convenience and production efficiency, these vacuum clamping systems are controlled with a foot switch, freeing up your hands to position the workpiece or maintain control of the router or sander. Press the foot switch to turn on and press again to turn off. Each system includes foot switch, vacuum gauge, pressure gauge, 100' neoprene tape and 5' hose.

SEE PAGE 254 FOR VENEERS

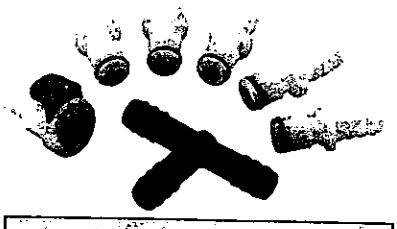


MODEL	VACUUM FLOW	AIR NEEDED @ 85 PSI	RECOMMENDED COMPRESSOR SIZE	PRICE
H0739	3.2 CFM	4 CFM	1 - 2 H.P.	$249.95
H0740	5.2 CFM	6.5 CFM	2 - 4 H.P.	$289.95

OPTIONAL ACCESSORIES

QUICK DISCONNECT KIT

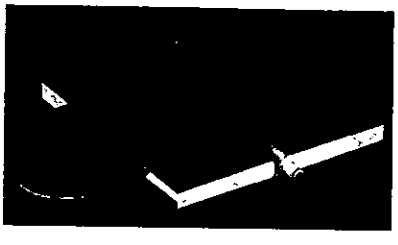
Make your own jigs or multiple clamping systems. Includes 5 males, 1 female, 1 tee for ⅜" I.D. hose.



MODEL H0744 ONLY $15.00

BASE PLATE

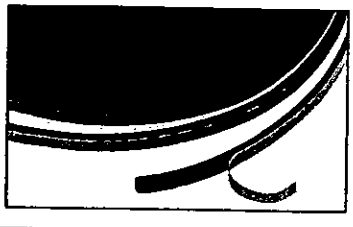
This 9" x 9" x ¾" plate allows you to start right away. Apply neoprene tape to top and bottom and you are set to go.



MODEL H0745 ONLY $29.95

NEOPRENE VACUUM TAPE

Self adhesive foam tape for making an air tight seal.



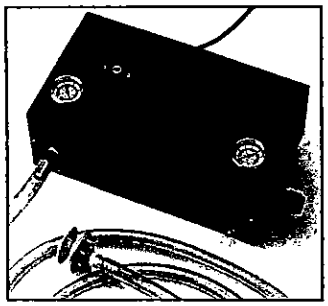
MODEL H0746 25' ONLY $17.95
MODEL H0747 50' ONLY $25.95

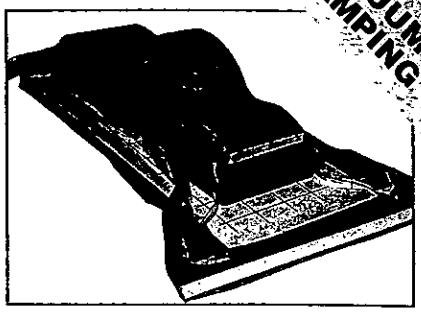
VENEERING SYSTEM

VACUUM CLAMPING

For veneering and clamping irregularly shaped work, you can't beat a vacuum clamping system. With this system, you get 1800 lbs/sq. ft. of even pressure, deeper penetration of glues and for curved work, you only need to make one side of the form. Ideal for instrument makers!

Bags are made of polyurethane, a tough industrial grade material that stretches better, returns to its original shape better, doesn't cut as easily or develop pin holes as readily as other material. Bags sold separately.





MODEL	VACUUM FLOW	AIR NEEDED @ 85 PSI	RECOMMENDED COMPRESSOR SIZE	PRICE
H0741	5.2 CFM	6.5 CFM	2-4 H.P.	$479.95

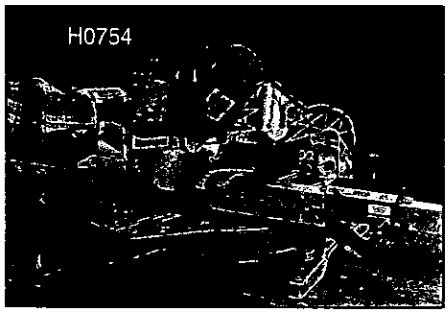
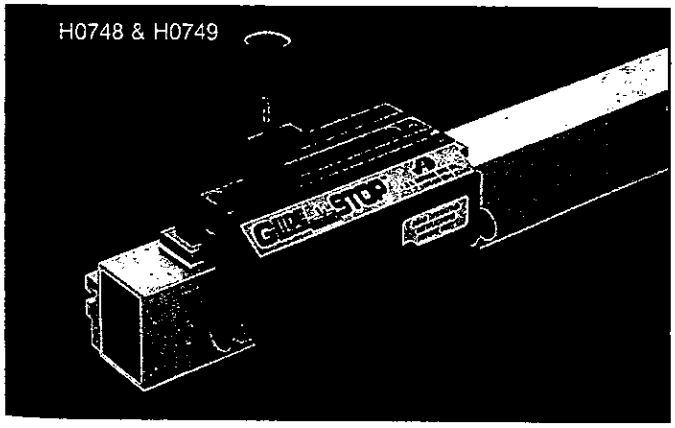
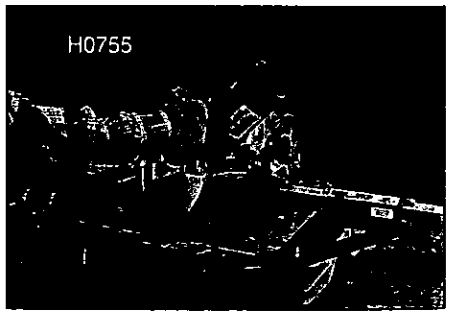
MODEL H3868 New!	10'-6" x 72" 20 MIL POLYURETHANE BAG	**$549.95**

GLIDE STOP™ SYSTEMS

If you do a lot of various length repetitive cuts with your cut-off saw, this incredible patented Glide Stop™ System allows multiple set-ups for different lengths of cuts. You can preset virtually any length and simply release the quick set lever to slide the stop to the desired location. Imagine the time savings of presetting all your cuts and never having to measure and reset the stop. And, for even greater versatility, you can add extra T-slot track to extend the Glide Stop™ System to cut virtually any length workpiece. Glide Stop™ features ultra-smooth action and fine precision adjustment. Operates like a computer controlled stop system, but without the high cost!







MODEL	DESCRIPTION	PRICE

CHAIN HOISTS / BLOCKS

Unbeatable for those heavy lifting chores. These hoists can be mounted to a fixed point or a moveable trolley system. The simple chain-and-pulley gearing system is highly efficient, allowing the use of a low hand pressure to lift a heavy weight. Can be used in remote locations where power may not be available. Heavy-duty forged hooks with lock tabs insure the load stays on the hook. The hooks also include swivels to help orient the load. Self-adjusting brake mechanism holds the load in place between pulls of the chain. These chain hoists are an ideal addition to your auto, farm or machine shop.

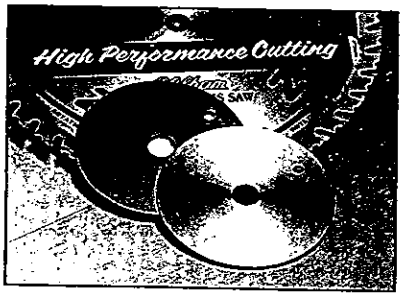
BLADE STABILIZERS

Blade stabilizers improve the performance of your table saw or radial arm saw. These precision-ground, matched sets support the blade, make it stiffer, quieter and reduce blade wobble. ⅝" bore. 4 1/16" in diameter.

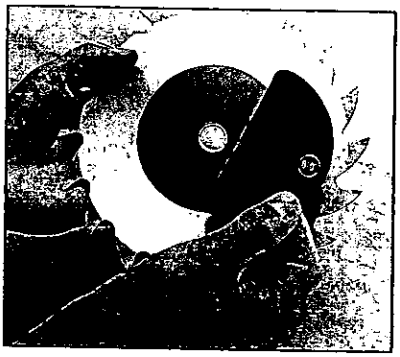


Note: Blade stabilizers offset blade position by approximately ⅛" and may effect insert clearance and fence scale alignment.

MODEL G3152 PAIR $12.95

MAGNETIC SHIMS

Fine tune your dado joints and avoid the frustration of stacking dado cutters with ordinary shims. These magnetic dado shims are placed between cutters as you build your stack. Just line up the arbor holes and stick on. Each set includes two each of .010", .012" and .015" sizes.



MODEL G6099 ⅝" Bore ONLY $12.95
MODEL G6100 1" Bore ONLY $14.95

ZERO CLEARANCE TABLE SAW INSERTS

Special phenolic composition out-lasts and out-performs wood, foam and plastic. Supports work right up to the blade. Sized to fit Grizzly saws and most other brands as well. Each is fully adjustable with leveling screws. Grizzly inserts are safety orange, others are random colors.

CIRCULAR SAW BLADES

We looked long and hard for a *high quality, heavy-duty, balanced* woodworking saw blade that brings precision into the price range of most woodworkers. Now, for the cost of a construction quality blade, you can enjoy the benefits of a saw blade designed for precision woodworking. We also have one of the few (if not the only) 100 tooth saw blades in both 10" and 12" diameters for an exceptionally fine finish. All blades are alternate top bevel ground.

12-PC. MICRO CARVING CHISEL SET

Robert Sorby Micro Carving tools are manufactured to the same exacting standards as the full-size tools. Highly polished blades protect against rusting and every cutting edge is honed and buffed, ready for immediate use. Large handles are more comfortable - particularly during prolonged use and solid brass ferrules contribute to form and function. Each Micro Carving Chisel measures 6½" overall length. Includes polished wooden case.

INCLUDES THE FOLLOWING PROFILES:

Skew Chisel 4mm | Dog Leg Chisel 5mm | Bent Gouges 3mm 5mm | Square Chisel 5mm | Straight Gouges 2mm 3mm 4mm 5mm 5mm | Veiner 5mm

V Parting Tool 5mm

MODEL H0542 ONLY $185.95

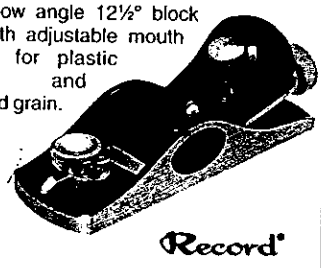
22" Jointer **MODEL G6155**	**ONLY**	**$129.95**
6" Block **MODEL G6156**	**ONLY**	**$49.95**
9¾" Smoothing **MODEL G6157**	**ONLY**	**$47.95**

6" BLOCK PLANE

Record low angle 12½° block plane with adjustable mouth is ideal for plastic laminate and tough end grain.



Record®

MODEL G8249 ONLY $46.95

14" BENCH PLANE

Used for the preparation of rough lumber, this 14" bench plane has all the essentials you'd expect from Record including their incomparable Tungsten Vanadium cutting iron and high quality cast grey iron body with precision machined base.

Record®

MODEL G8250 ONLY $54.95

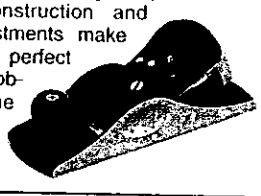
Record® CIRCULAR PLANE

Designed for use on concave and convex surfaces, the flexible spring steel face is accurately set by means of a center screw. Body is 10" long and cutter width is 1¾".

MODEL H3776 ONLY $229.95

SHOP FOX BLOCK PLANE

This low angle Block Plane is ideal for fine-trimming ends of mouldings for perfect fits. Cast iron construction and accurate adjustments make this plane the perfect tool for on the job-site or in the shop. Body measures 6⅞" long.



MODEL H0634 ONLY $14.95

SHOP FOX SMOOTHING PLANE

This plane was designed to smooth lumber after being rough-sawn. It's also a great general purpose plane for other uses such as planing doors and window sashes. Body measures 9¾" long. Cast iron construction for years of dependable use.

MODEL H0635 ONLY $29.95

SPOKESHAVES

Available in concave (flat sole) and convex (round sole) models, the spokeshave's special design allows you to shape irregular surfaces. Record quality!

Record®

Round Sole **MODEL G3237**	**ONLY**	**$19.95**
Flat Sole **MODEL G3238**	**ONLY**	**$17.95**

SHOP FOX JACK PLANE

The Jack Plane, with its longer sole is used to follow after the smoothing plane for a greater degree of lumber flatness. Body measures 14" long. Cast iron construction.

MODEL H0636 ONLY $43.95

SLICKPLANE®

Two carbide-tipped blades are micro-adjustable and produce an unequaled finish! Body is made of hard rock maple and is virtually indestructible. Comes with 1/16" radius blade.

This special plane will put a 1/16" radius on sharp corners faster than a router!

1/16" RADIUS BLADE (G1899)

ALL METAL CHISELS

Crafted from heat-treated high carbon steel, these precision-beveled and polished wood chisels make a terrific, nearly-indestructible alternative to ruining fancy chisels when rough and finish cutting. 7¾" to 8⅝" long.

MODEL G3764	¼"	ONLY	$5.95
MODEL G3765	½"	ONLY	$6.95
MODEL G3766	¾"	ONLY	$6.95
MODEL G3767	1"	ONLY	$7.95
MODEL G3768	1¼"	ONLY	$7.95

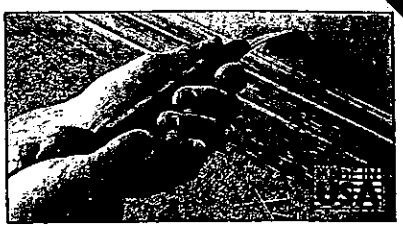
PRY BAR / AWL SET

Forged from high carbon steel, this handy 7" awl and 5½" pry bar set is the perfect addition to your nail belt or tool

MODEL G3762	ONLY	$9.95

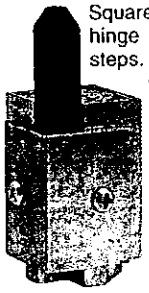
NAIL PULLER

This hefty, flat pry bar offers plenty of pulling power. The hand-forged, high carbon 12" steel bar is an absolute essential for carpenters, cabinetmakers and remodelers.



MODEL G3763	ONLY	$9.95

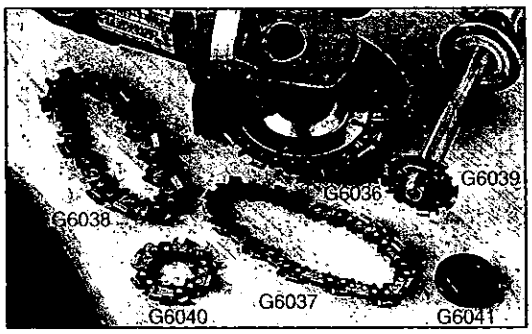
CORNER CHISEL



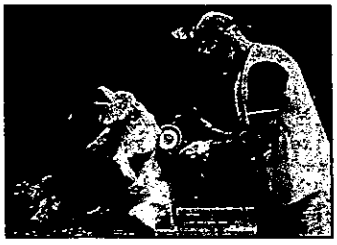
Square up router-cut radiused hinge mortises in two simple steps. Just press this Corner Chisel into the sides of the mortise and wack it with your hammer or mallet for clean, crisp and square corners. Follow with a flat chisel to remove the waste sliver.

MODEL G9701	ONLY	$5.95

LANCELOT & PERCIVAL



Combining the best of the conventional grinder and the chain saw, the Lancelot carving system delivers awesome cutting power and control. The Lancelot 14-tooth chain circular cutter is ideal for contractors, boat builders, sculptors and furniture designers - offering smooth and efficient wood shaping and removal. Fits most 4" and 4½" angle grinders.



The Percival circular chain cutter turns your ¼" collet die grinder, flex shaft, or power carver into the perfect sculpting tool. Able to work in the tightest spaces, the Percival pairs eight fast-cutting teeth with a 6" anti-kickback shaft for the ultimate in rough-or-smooth control over a wide range of carving materials. Of course, we are partial to bears.

MODEL G6692	Lancelot fine carving tool, 22 tooth, ⅝" Arbor	ONLY	$29.95
MODEL G6036	Lancelot rough carving tool, 14 Tooth, ⅝" Arbor	ONLY	$29.95

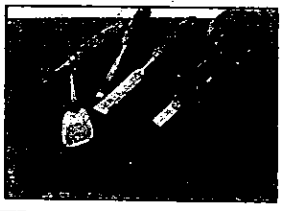
MODEL G6039	Percival 6" Long, 8 Tooth Carver	ONLY	$49.95
MODEL G6040	8 Tooth Replacement Chain	ONLY	$9.95
MODEL G6041	Universal Nut, ⅝" Arbor	ONLY	$5.95

SHARPENING

SHARPENING KIT

Everything you need to put a razor edge on your knives and other cutting tools in one terrific package. Includes: 8" aluminum oxide combination sharpening stone, sharpening oil, sharpening guide, a special non-skid rubber work pad and detailed sharpening instructions.



MODEL G3626 ONLY $15.95

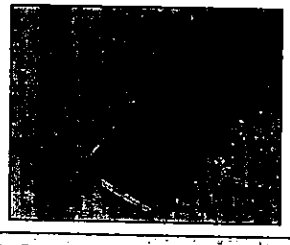
HONING GUIDE

Accurate bevels are easily achieved using this honing guide. Very easy to use and a must for any chisel owner. It can also be used for plane irons up to 2⅝" wide and chisels up to 1⅝" wide. If you've tried sharpening blades by hand, then you know that this is one tool you must have!

MODEL G1482 ONLY $7.95

COMBINATION STONES

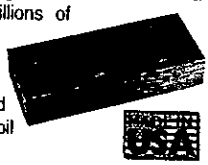
These aluminum oxide combination stones provide both coarse and medium grits, eliminating the need for a separate stone for each step in the honing process. Stone sizes are 6" and 8".



MODEL G3627 6" ONLY $5.95
MODEL G3628 8" ONLY $6.95

1" x 3" DIAMOND PAD

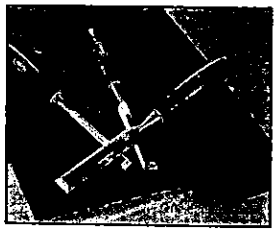
Conveniently-sized fine grit stone is housed in a solid walnut block. Millions of industrial diamonds provide fast and efficient honing action. This stone can be used dry, or with water or oil lubricants.



MODEL G6528 ONLY $5.95

BENCH PAD

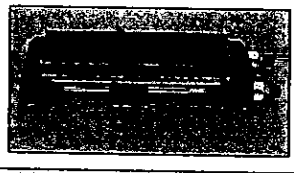
Protect your fine tools from damage while on your bench with this ⅛" x 24" x 36" bench pad. Non-slipping natural rubber composition keeps tools from knocking into each other and holds sharpening stones without hold-down devices during sharpening. What's more, these pads cut easily for lining drawers and tool trays for extra protection during storage. Tons of uses!



MODEL G2987 ONLY $7.95
Buy 3 or more pads EACH $6.95

STONE HOLDER

Rubber body keeps sharpening stones from sliding around the benchtop during honing. Chrome plated hardware resists rust when using waterstones. Adjusts from 5½" to 9".



MODEL G3920 ONLY $12.95

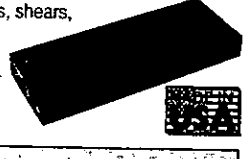
PLANER / JOINTER BLADE HONE

Add a razor hone to your planer and jointer knives with this hand-held sharpening device. This handy tool sharpens flat and beveled surfaces quickly and easily. Great for touch-ups.

MODEL G3631 ONLY $8.95

2" x 6" DIAMOND PAD

Set in solid walnut, this fine grain 2" x 6" diamond-imbedded stone is just the ticket for kitchen utility knives, shears, chisels and more. Can be used with or without water or lubricating oils.



MODEL G6529 ONLY $19.95

DIAMOND POCKET FILE

This 400 grit file is excellent for a variety of knives and has a special groove for sharpening fish hooks. Also handy for sharpening small carving and turning gouges.

MODEL H1423 ONLY $5.95

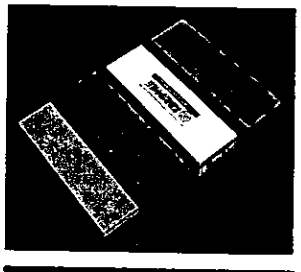
ROUND DIAMOND SHARPENER

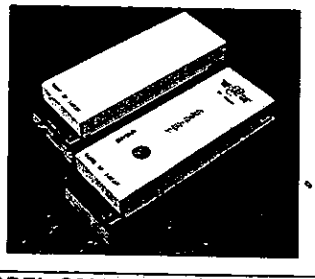
Surprisingly compact, yet big enough for all your sharpening tasks, this brass-handled 3¾" diamond-coated shaft sharpener stores easily in its grain leather belt sheath. Carbide-ready!

MODEL G6527 ONLY $14.95

JAPANESE WATER STONES

To achieve a surgically sharp edge on your tools, nothing works faster or better than Japanese Water Stones. The abrasive slurry produced on top of the stone cuts aggressively and polishes the blade as it sharpens. If you've never tried sharpening with water stones before, you'll be astounded by the results.





MODEL G3295
8⅛" L x 2½" W x 1⅜" T 800 Grit ONLY $16.95

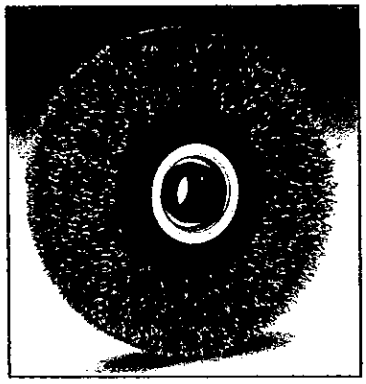
STEELEX® PLUS

INDUSTRIAL QUALITY WIRE BRUSHES

BRASS COATED STEEL WIRE BRUSHES

These wire brush wheels are great for removing corrosion or old finishes. Bristles are .0125" diameter, making them flexible enough to conform to uneven surfaces. Wide 1" face provides a lot of surface for brushing.

½", ⅝", ¾", ⅞" AND 1" INTERCHANGEABLE ARBOR INSERTS INCLUDED. G8761 COMES WITH ½" & ⅝" INSERTS.

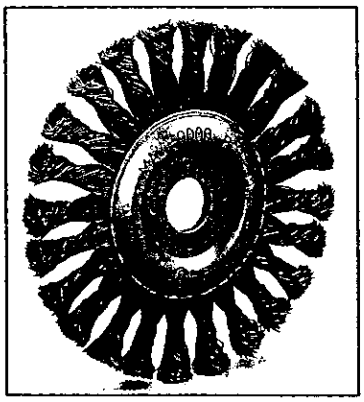


MODEL G8761	5" x 1"	ONLY	$6.95
MODEL G8762	6" x 1"	ONLY	$9.95
MODEL G8763	8" x 1"	ONLY	$14.95

KNOTTED STEEL WIRE BRUSHES

When the need is heavy-duty flash removal, weld or heavy corrosion cleanup, mount up one of these knotted wire brushes. Stiff .020" steel wires are twisted into a tight knot for toughness. Approx. ½" wide.

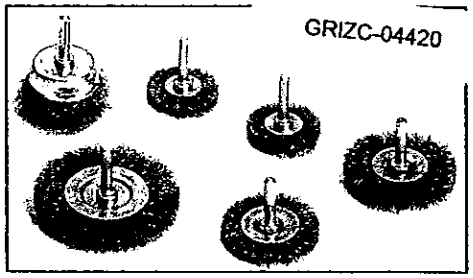
⅞" BORE ½" INSERT + ⅝" INSERT INCLUDED



MODEL G8764	5"	ONLY	$9.95
MODEL G8765	6"	ONLY	$12.95
MODEL G8766	7"	ONLY	$15.95
MODEL G8767	8"	ONLY	$19.95

6-PC. BRASS COATED WIRE BRUSH SET

This six-piece brush set is a perfect addition to your toolbox. The set contains five wheels (2 - 1⅝", one each 2", 2⅜" and 3") and a cup brush (2" diameter). All have a ¼" shank suitable for use in a portable drill. The brass coating helps to minimize corrosion of the steel bristles even after multiple uses. This is a great deal.



MODEL G8768	ONLY	$9.95

BRASS COATED STEEL WIRE CUP BRUSHES

Thread one of these cup brushes onto your angle grinder or sander! The .020" steel wires provide a flexible abrasive that's great for uneven surfaces. The brass coating helps the brush to run cooler and resists corrosion of the bristles. Brushes come in a range of diameters from 2½" to 5", and three different arbor thread sizes. Great for deburring, roughening, or rust/paint removal.

MODEL	THREAD SIZE	DIAMETER	PRICE	
G8754	⅝" - 11" NC	3"	ONLY	$6.95
G8755	⅝" - 11" NC	4"	ONLY	$9.95

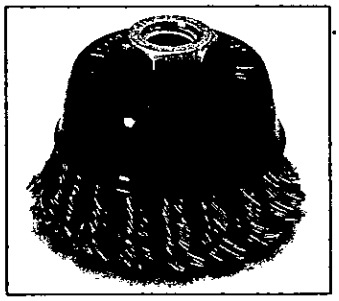
G8771	M14 - 2.0 mm	5"	ONLY	$12.95

KNOTTED STEEL CUP BRUSHES

For industrial-duty applications, these knotted steel wire brushes will plow through the toughest weld splatter, scale or surface corrosion. The .020" heavy gauge steel wires are twisted into a tight spiral to maximize the abrasive action. Three different arbor sizes are available to fit most commercial angle grinders or sanding machines.



MODEL	THREAD SIZE	DIAMETER	PRICE

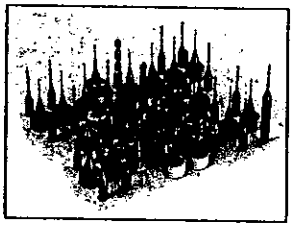
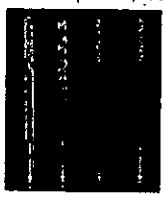
ACCESSORIES:

G6415	Circle Cutter – "Spiracut"	ONLY	$17.95
G6416	Tile Cut Bit - each – "Spiracut"	ONLY	$5.95
G8273	Guide Point Bit - 10 pk.	ONLY	$8.95
H4227	Dust Extractor Attachment	ONLY	$14.95

50-PC. CARBIDE BIT SET

Ideal for hobby, jewelry work and many types of miniature machine shop work. Made of extremely hard tungsten carbide, these bits will penetrate most metals, untempered glass, plastics, fiberglass and most stones softer than quartz. ⅛" shank fits Dremel® and similar motorized hand tools. You can also use a drill press on a high speed setting. Set includes an assortment of drills and side cutting rasps. Rated to speeds of up to 60,000 RPM.





MODEL G7950	~~$14.95~~	ONLY	$12.95

GRIZC-04422

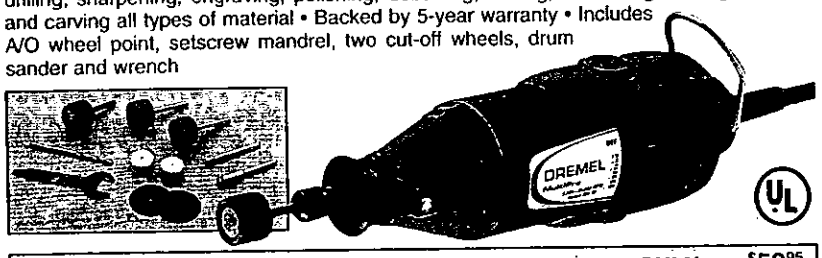
MINI GRINDING & BURR SETS

New!

MINIATURE TOOLING

DREMEL® VARIABLE SPEED MULTI-PRO TOOL

• Fastest of the high speed rotary tools, the MultiPro™ tool gives you all the control and cutting action needed to complete hundreds of jobs • Ideal for precision cutting, grinding, drilling, sharpening, engraving, polishing, deburring, buffing, smoothing, routing, shaping and carving all types of material • Backed by 5-year warranty • Includes A/O wheel point, setscrew mandrel, two cut-off wheels, drum sander and wrench



MODEL H1415	Dremel® Multi-Pro Tool	ONLY	$59.95

DREMEL® ADVANTAGE CUT-OUT TOOL

New!

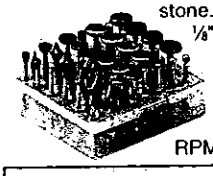
MADE IN USA

This professional high-speed Rotary Saw™ features: • 120V, 4.5 Amp power • Variable speeds: 10,000 to 35,000 RPM • Collet capacity: ⅛" - ¼" • Sealed ball bearings • Tool storage in handle • Quick release side handle for working into tight spots • Includes ⅛" collet, collet wrench, three ⅛" spiral cutters, complete instructions and convenient case

MODEL H3817	Dremel® Cut-out Tool	ONLY	$84.95
MODEL H3894	Circle Cutting Attachment	ONLY	$14.95

50-PC. ASST. DIAMOND ⅛" ROTARY BURR SET

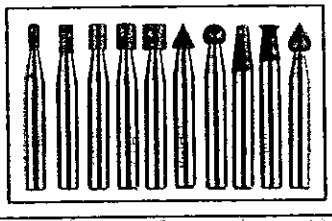
This 50-pc. 180 grit rotary burr set has just about any burr shape you could ever want for fine detail work in wood, glass, metal and stone. Each burr has an ⅛" shank for use in Dremel® Moto-Tools, flex shaft grinders and drills. Maximum 20,000 RPM.



MODEL H1424	ONLY	$49.95

10-PC. DIAMOND BURR SET ¼" SHANK

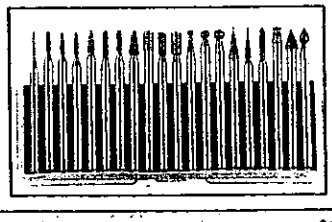
These ¼" shank 150 grit burrs work well in drills and die grinders and feature the 10 most popular burr profiles. This set comes in a nice plastic case for easy storage. Maximum 20,000 RPM.



MODEL H1420	ONLY	$8.95

20-PC. MINI DIAMOND BURR SET ⅛" SHANK

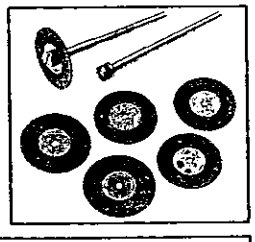
This 20-pc. 150 grit rotary burr set has most of the burr shapes you need. Each burr has an ⅛" shank for use in Dremel® Moto-Tools, flex shaft grinders and drills. Maximum 24,000 RPM.



MODEL H1421	ONLY	$8.95

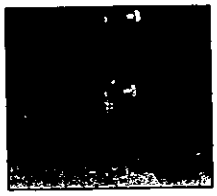
6-PC. DIAMOND CUTTING DISC SET

Combine this set with a rotary burr set and you truly have it all. These 180 grit rotary discs will cut, score, and grind just about any material (except other diamonds). Maximum 22,000 RPM.



MODEL H1422	ONLY	$10.95

DREMEL® ROUTER BASE

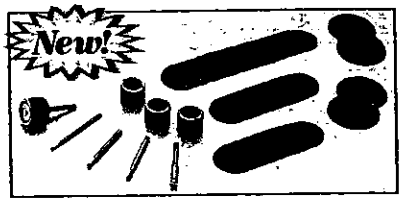


Convert your Dremel® Multi-Pro Tool into a precision router with this Router Base.

MODEL H3818	ONLY	$24.95

DREMEL® ACCESSORY SETS

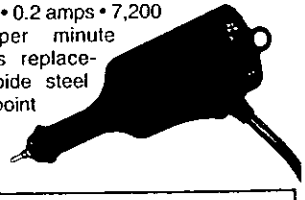
For all your mini grinding requirements, these kits include — H3819 Cutting / Carving / Sanding Set, H3820 Sanding / Grinding Set and H3821 General Purpose Set.



MODEL H3819	48-PC.	ONLY	$12.95
MODEL H3820	31-PC.	ONLY	$12.95
MODEL H3821	52-PC.	ONLY	$12.95

DREMEL® ENGRAVER

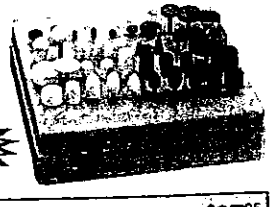
• Ideal for identifying and personalizing your valuables as well as decorative engraving • Engraves wood, leather, tools, machinery, hard steel, stone, glass, ceramics, porcelain, plastics, and more • 115V, AC, 60 Hz • 0.2 amps • 7,200 strokes per minute • Includes replacement carbide steel engraver point



MODEL H1493	ONLY	$19.95

STEELEX 40-PC. MINI GRINDING POLISHING SET

This set boasts 20 assorted vitrified-bond aluminum oxide stones in four different grits. Ten assorted cotton buffs and ten assorted rubberized abrasives complete this package. A must have for putting the finishing touches on any project!



New!

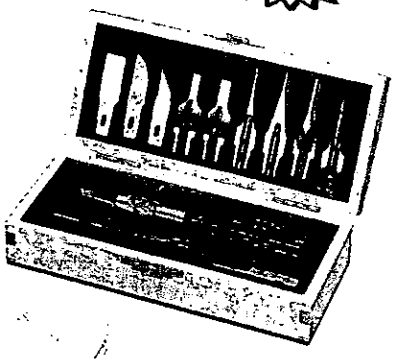
MODEL H0940	ONLY	$27.95

X-ACTO®

STANDARD WOODCARVING SET

Precision quality tools to meet general woodworking needs. Gouges and blades for cutting, leveling, shaping and whittling. Includes #5 knife with #19 blades; #15, 18, 22, 24 and 26 blades; 1/16" V carving, 3/8" wide carving V and 3/16" narrow carving V gouges and 1/4" wide carving and 3/16" narrow carving chisels. Wooden case.

New!

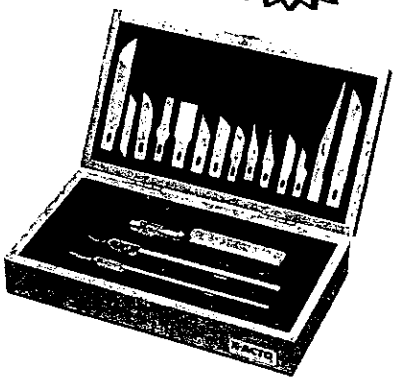


MODEL H0874 ONLY $19.95

STANDARD KNIFE SET

For general cutting and sawing of light- to medium-weight materials. Includes #1 knife with #11 blade; #2 knife with #2 blade; #6 knife with #24 blade; #7 and #10 blades; 2 #11 blades; #13, 16, 17, 18, 19, 22, 24, 27 blades and 2 #26 blades. For wood, cardboard, paper, plastic, board, cloth and foam. Wooden case.

New!



MODEL H0873 ONLY $27.95

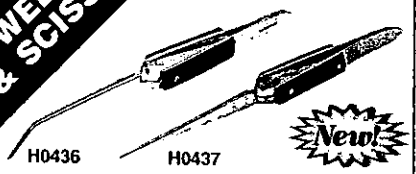
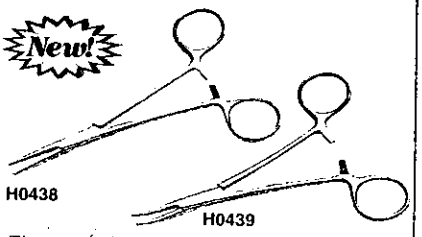
SOLDERING TWEEZERS



When the job calls for holding small parts for precision soldering or when a heat sink is necessary for sensitive electronic components, these 6" Stainless Steel Tweezers are the perfect tool. Spring action keeps tweezers closed and secure during use and insulated grips protect fingers from high soldering heat.

MODEL H0436	6" Curved	ONLY	$2.95
MODEL H0437	6" Straight	ONLY	$2.95

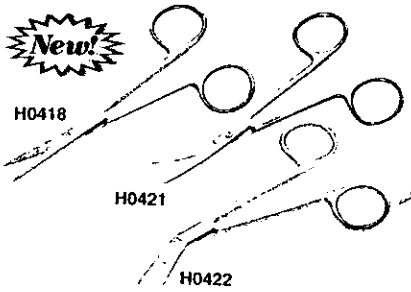
HEMOSTATS



These stainless steel Hemostats offer precision serrated micro-teeth and multi-pressure locking jaws. Perfect for all types of uses around the home and shop. Choose from straight and curved styles in three different sizes. Not for medical use.

MODEL H0438	5" Straight	ONLY	$2.25
MODEL H0439	5" Curved	ONLY	$2.25
MODEL H0440	5½" Straight	ONLY	$2.50
MODEL H0441	5½" Curved	ONLY	$2.50
MODEL H0442	6½" Straight	ONLY	$2.50
MODEL H0443	6½" Curved	ONLY	$2.50

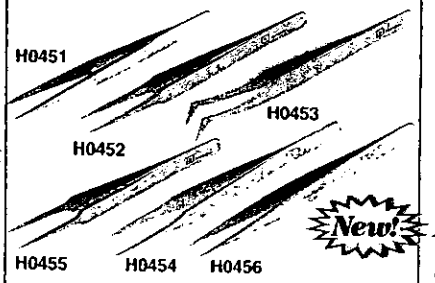
IRIS SCISSORS



Precision needle tips for fine cutting control make these scissors ideal for any close work. Choose from straight, curved, or angular styles. Each Iris Scissors measures 4½" overall.

MODEL H0418	Straight	ONLY	$2.95
MODEL H0421	Curved	ONLY	$2.95
MODEL H0422	Angular	ONLY	$2.95

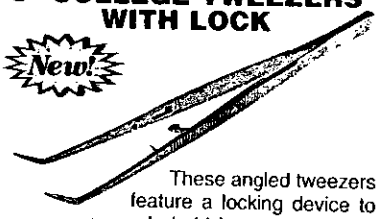
WATCHMAN TWEEZERS



Made for watchmakers, these Tweezers are designed to hold and manipulate tiny clock parts. With needle tips and fine finger control they're also great for just about any other type of precision work. Choose from a variety of styles. Tweezers are stainless steel with satin finish.

MODEL H0451	#1	ONLY	$2.95
MODEL H0452	#4	ONLY	$2.95
MODEL H0453	#6	ONLY	$2.95
MODEL H0454	#5	ONLY	$2.95
MODEL H0455	#2	ONLY	$2.95
MODEL H0456	#3	ONLY	$2.95

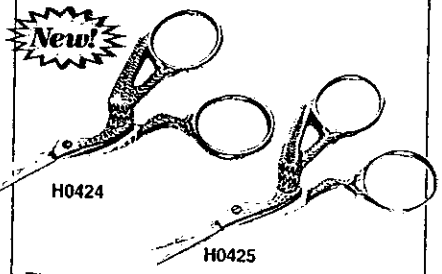
6" COLLEGE TWEEZERS WITH LOCK



These angled tweezers feature a locking device to securely hold items without the need for constant finger pressure. Perfect for rotating and examining delicate samples or collectibles. Features alignment pin and easy lock release. College Tweezers with Lock measure 6" overall.

MODEL H0432		ONLY	$3.50

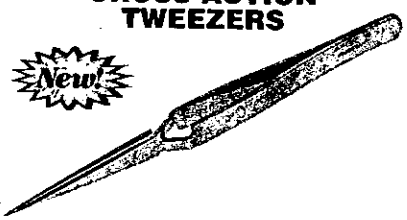
STORK SCISSORS



These distinctive stainless steel Stork Scissors feature a feather textured body with polished head and beak. A perfect blend of form and function. H0425 has a brass plated body with silver head and beak. Each Stork Scissors measures 3½" overall.

MODEL H0424	Silver	ONLY	$3.95
MODEL H0425	Half Gold	ONLY	$4.25

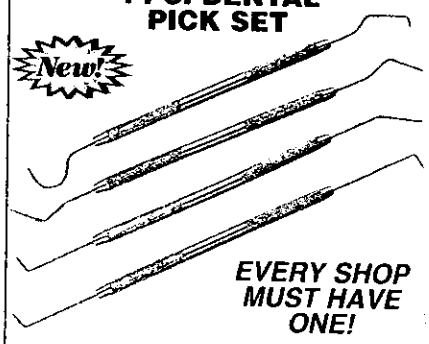
WATCHMAN CROSS ACTION TWEEZERS



For extremely fine work, this Watchman Cross Action Tweezer with needle tips features a delicate reverse spring action to grip small parts when finger pressure is released. That way, it's easy to control and manipulate tiny items without relying on finger pressure to hold those items. Tweezers are stainless steel with satin finish.

MODEL H0458		ONLY	$3.50

4-PC. DENTAL PICK SET

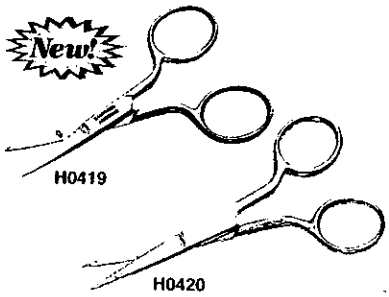


EVERY SHOP MUST HAVE ONE!

This stainless steel Dental Pick Set is perfect for a variety of uses around the shop. Whether restoring cut threads or fine scribing, you'll wonder how you ever got along without them. Each pick features two different pick styles, a knurled handle and measures 6½" long. Set includes protective plastic pouch.

MODEL H0444		ONLY	$5.50

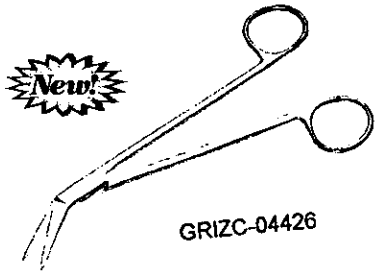
EMBROIDERY SCISSORS



Long, narrow tips for precision cutting will get in close to trim the tiniest embroidery threads. Made of stainless steel, these Embroidery Scissors measure 3½" and 4½" overall.

MODEL H0419	3½"	ONLY	$3.25
MODEL H0420	4½"	ONLY	$3.25

KELLY SCISSORS



For precision cutting in tough-to-reach situations, these Kelly Scissors can't be beat. Long handles, sharp cutting edges and 135° angled design lets you get into places ordinary scissors can't. Polished stainless steel scissors measure 6¼" overall length.

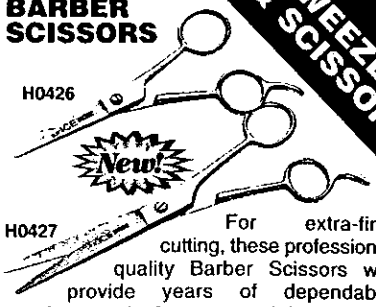
MODEL H0446	ONLY	$3.95

THREAD NIPPER

Compact design, spring loaded action and built-in finger loop combine to provide the greatest control possible when nipping threads and other delicate items. Great for hobby work such as fly-tying and embroidery. Satin-finish, stainless steel Thread Nippers measure 4½" overall.

MODEL H0449	ONLY	$4.95

BARBER SCISSORS



For extra-fine cutting, these professional quality Barber Scissors will provide years of dependable service and feature stainless steel construction and an extra finger grip for unsurpassed control. Small Barber Scissors measure 5½" overall and large Barber Scissors measure 7½" overall.

MODEL H0426	5½"	ONLY	$4.50
MODEL H0427	7½"	ONLY	$5.50

MADE IN GERMANY

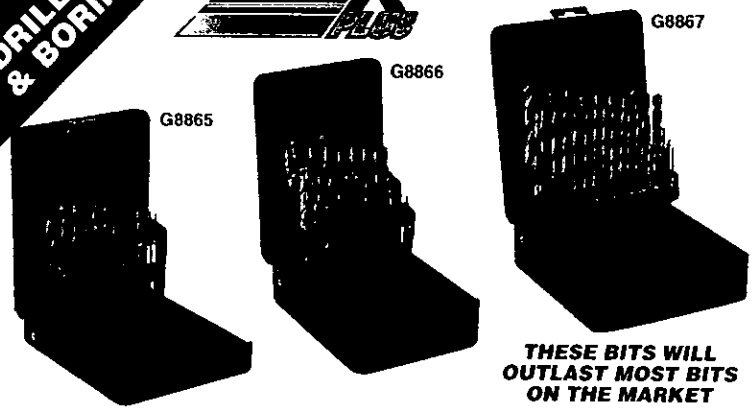
MODEL H2786	ONLY	$29.95

COBALT ALLOY DRILL BITS



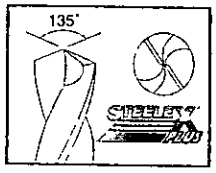
THESE BITS WILL OUTLAST MOST BITS ON THE MARKET

Because of its resistance to heat and stress, Cobalt Alloy bits turn faster without overheating. The 135° split point enables the drill to use less thrust and eliminates the tendency of the drill point to walk which makes these great for use in portable drills or drill presses. Cobalt Alloy bits will retain their edge sharpness longer than normal H.S.S. bits, resulting in a significant saving of time and money in the workshop. We've assembled some fantastic money-saving sets here. All sets include a heavy-gauge steel index case for storing.

MODEL G8865	13-Pc. Set (1/16" - 1/4")	ONLY	$16.95
MODEL G8866	21-Pc. Set (1/16" - 3/8")	ONLY	$44.95
MODEL G8867	29-Pc. Set (1/16" - 1/2")	ONLY	$79.95

COBALT DRILL BITS

The same great drills from the sets above can also be purchased individually. Sizes range from 1/16" to 1/2" in 1/64" increments. These premium bits are engineered to handle high tensile steels and hard-to-machine alloys. The 135° Split Point bits eliminate the bit from walking.



Split Point Bit Profile

MODEL G8836	7/16"	ONLY	$1.30
MODEL G8837	5/64"	ONLY	$1.35

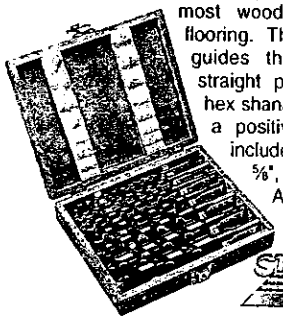
7-PIECE DELUXE SCREW TIP AUGER BIT SET

The longer length of these quality Auger Bits allow the user to bore deep holes through most wood, walls and flooring. The screw tip guides the bit on a straight path, while a hex shank provides for a positive grip. Set includes 1/4", 3/8", 1/2", 5/8", 3/4", 7/8" and 1" Auger Bits.

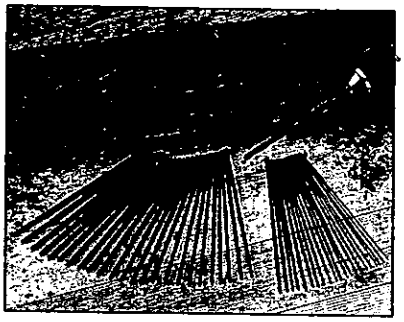


MODEL G7933	7 Pc. Set	ONLY	$54.95

AIRCRAFT EXTENSION DRILLS

New!

These longer length high speed steel drill bits can reach into areas that are difficult to access with standard length drill bits. Model G9750 includes 1/16" - 1/4" x 6" long. Model G9751 includes 1/16" - 1/2" x 12" long. Model G9752 includes 1 - 60 wire gauge sizes x 6" long.



MODEL G9750	ONLY	$7.95
MODEL G9751	ONLY	$16.95
MODEL G9752	ONLY	$22.95

INDIVIDUAL SCREW TIP AUGER BITS

The tapered screw tips on these auger bits helps to make sure your hole ends up where you want it! Hex shank is sized to fit into 3/8" or larger hand drills (not recommended for use in drill presses). Choose from our extra length sizes which are 18" long or the standard length sizes which average 9" in length.

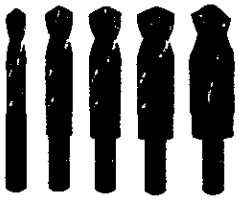
STEELEX 5-PC. SUPER STUBBY DRILL SET

Perfect for large hole drilling on drill presses with less than 6" spindle travel. The drill length is 4" overall making drill changing without repositioning the head a snap. A great alternative to Silver & Deming bits because they are 2" shorter, more rigid and more economical. All have ½" reduced shanks and are made from M-2 H.S.S. Set contains 9/16", 5/8", ¾", ⅞" and 1" hole sizes with a 2¾" effective cutting length.



MODEL G8835 ~~$30.95~~ SPECIAL $19.95

HINGE BITS

Drill perfectly aligned hinge screw holes. Self centering, spring-loaded drill bits are guided by the hinge screw holes. Hex shanks fit all quick-change drill/drive systems.

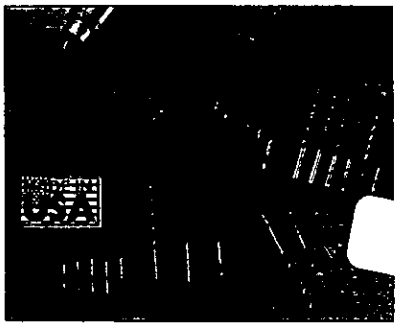
MODEL H0960	ONLY	95¢

CORDLESS DRILL BIT SET

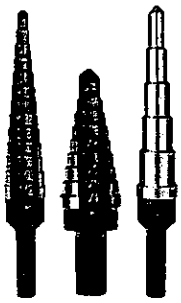
Extra-wide flutes and special surface treatment quickly removes chips and penetrates deeper without the need to back out. They're ideal with cordless drills because they'll drill more holes per charge. Thirteen-piece set includes: 1/16" - ¼" in 1/64" increments.



MODEL G5415 13-Piece ONLY $15.95

UNIBITS

The single drill bit that does it all! Forged in industrial grade molybdenum steel and heat treated to a Rockwell 61-63 hardness, these self starting, laser-marked step bits provide clean and dependable drilling in all sheet stock materials to ⅛" thick. Model G4959 can be used on materials to ⅜" thick.

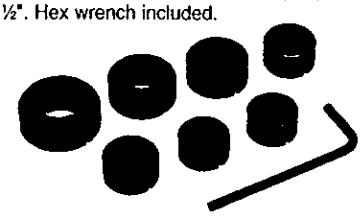


MODEL G4958 ⅛" - ½"	ONLY	$14.95
MODEL G4959 3/16" - ½"	ONLY	$14.95
MODEL G4960 ¼" - ¾"	ONLY	$25.95
MODEL G4961 3/16" - ⅞"	ONLY	$29.95

New!

7-PC. SPLIT RING DEPTH STOP SET

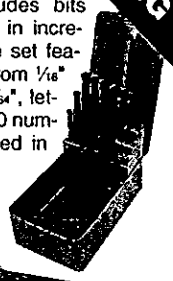
Precise and consistent drilling depths can be achieved with these Split Ring Depth Stops. Simply slide over the appropriately sized drill bit and lock in position by tightening the socket head screw. Split ring clamping prevents damage to drill bits and allows tremendous tightening pressure so there's no slipping on the bit. Sizes include: ⅛", 3/16", ¼", 5/16", ⅜", 7/16" and ½". Hex wrench included.

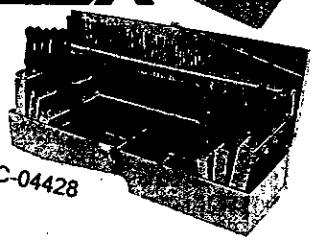


MODEL H0987 ONLY $6.95

H.S.S. DRILL BITS

H.S.S. bits are treated and finished with a black oxide coating. 29-piece set includes bits ranging from 1/16" to ½" in increments of 1/64". 115 piece set features 29 fractional bits from 1/16" to ½" in increments of 1/64", letter bits from A to Z and 60 number bits. Both are housed in rugged steel cases.

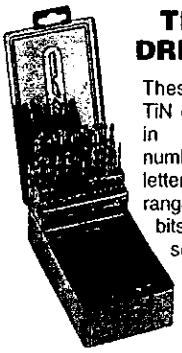




GRIZC-04428

MODEL G3655 29-Pc. Set	ONLY	$17.95
MODEL G3657 115-Pc. Set	ONLY	$49.95

TIN COATED DRILL BIT SETS



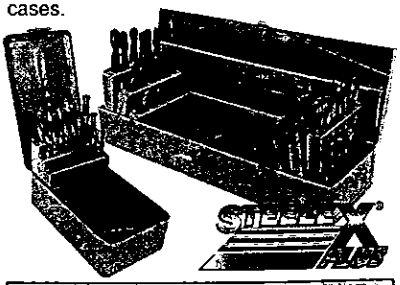
These long-lasting H.S.S., TiN coated bits are available in either a 60-piece numbered bit set or 26-piece lettered bit set. Numbered bits range from 1 to 60. Lettered bits range from A to Z. Both sets include steel drill indexes.

New!

MODEL G9754 60-pc Set	ONLY	$19.95
MODEL G9755 26-pc Set	ONLY	$29.95

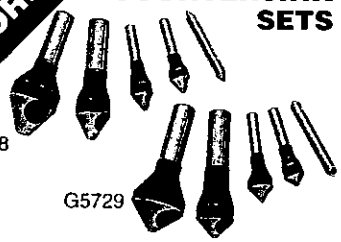
TITANIUM DRILL BITS

Titanium nitride coated bits last up to six times as long as uncoated bits. 29-piece set includes bits ranging from 1/16" to ½" in increments of 1/64". 115-piece set features 29 fractional bits from 1/16" to ½" in increments of 1/64", letter bits from A to Z and 60 number bits. Housed in rugged steel cases.



MODEL G3656 29-Pc. Set	ONLY	$34.95
MODEL G3658 115-Pc. Set	ONLY	$69.95

5-PC. COUNTERSINK SETS



G5728

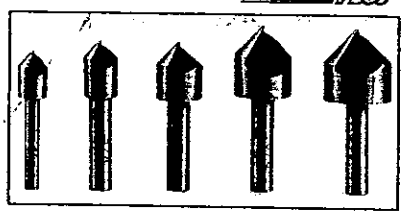
G5729

Countersink and debur the easy way. Single cutting edge ensures fast stock removal and no chatter that's associated with multi-spur countersinks. Each set includes 1/16", 5/32", 3/16", 5/16" and 9/16" countersinks.

MODEL G5728	60°	ONLY	$19.95
MODEL G5729	90°	ONLY	$19.95

COUNTERSINKS

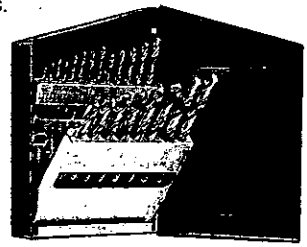
These single flute countersinks are machined from carbon steel and come in your choice of six different diameters. All have a 90° angle on the point for sharp and precise countersinking. The cutting edge is hardened and honed for sharpness. Single fluting gives the added advantage of less vibration and chatter resulting in a smoother cut.



MODEL G8954	1/4"	ONLY	$1.95
MODEL G8955	5/16"	ONLY	$1.95
MODEL G8956	3/8"	ONLY	$2.49
MODEL G8957	1/2"	ONLY	$2.49
MODEL G8958	5/8"	ONLY	$2.99
MODEL G8959	3/4"	ONLY	$2.99

TURBOMAX® DRILL SETS

TURBOMAX® drill bits stay sharper longer and feature revolutionary JET POINT™ Tips with far sharper cutting edges and flat ground shanks for better chuck grip. 21-pc set includes drills from 1/16" to 3/8" by 1/64". 29-pc set includes drills from 1/16" through 1/2" by 1/64". Both have metal indexes and lifetime warranties.



MODEL G5834	21 Pc. Set	ONLY	$49.95
MODEL G6511	29 Pc. Set	ONLY	$99.95

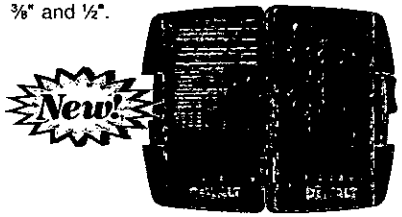
DW1167

This set includes: (2) 1/16", 5/64", 3/32", 7/64", ⅛", 9/64", 5/32", 11/64", 3/16", 13/64", 7/32", 15/64", ¼", 5/16", ⅜" and ½".



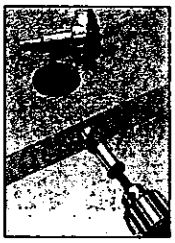
MODEL H3892 ONLY $39.95

ANGLE DRILLING ATTACHMENT

Increase the versatility of your power drill by drilling into tight places with this 90° Angle Drilling Attachment. ⅜" shaft mounts right into your drill chuck and includes side handle and ⅜" keyed chuck.

MODEL H2841 ONLY $12.95

DOOR LOCK DRILL SET



Drill your own doors to install the lock sets with this two-piece set. Includes a ⅞" screw point auger bit and a 2⅛" saw toothed forstner bit. Made of carbon tool steel, these bits fit any ⅜" drill chuck.

MODEL G7935 ONLY $19.95

DRILL STOPS

These drill stops can be easily adjusted to control exact drilling depth. For drill sizes 1/16" to ½". Fits all common drill styles including carbide tipped masonry drills. Set of 2.

MODEL G5416 Set of 2 ONLY $3.95

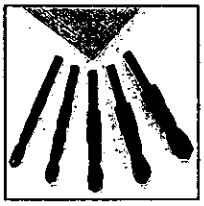
8-PC. DELUXE PLUG CUTTING SET

These quality carbon steel cutters make smooth sided plugs with rounded shoulders. Protected in a wooden case, these straight and tapered plug cutters include ¼", ⅜", ½" and ⅝" diameter sizes.

MODEL G7934 ONLY $39.95

SILVER & DEMING BITS

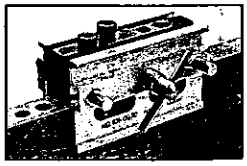
If your drill chuck capacity is cramping your style, try these massive Silver and Deming drill bits. These high-speed steel bits allow you to drill 9/16", ⅝", ¾", ⅞" and 1" holes in metal, even if you're limited to a ½" chuck. Forget using those expensive Morse Taper bits. These tough twist bits will keep you in business for a fraction of the cost!



MODEL G3630 ONLY $24.95

IMPROVED DOWELING JIG

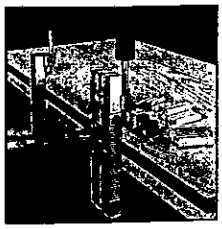
Automatically centers itself on round, square or irregular shapes. Handles stock up to 2" thick. Drill-hole sizes are ¼", 5/16", ⅜", 7/16" and ½". Six hardened steel bushings are provided: 2 each of ¼", 5/16" and ⅜". You can drill two identical parallel holes without moving the jig. Easy to use!



MODEL G1874 ONLY $27.95

DOWEL PRO JIG

This cast aluminum doweling jig is ideal for creating edge-to-edge, edge-to-corner and T-joints in materials from ½" to 1¼" thick. Hardened steel bushings in ¼", 5/16", and ⅜" sizes make precision drilling quick and easy. Includes jig, clamps and 60 dowel pins in assorted sizes from ¼" to ⅜".



MODEL G3428 ONLY $34.95

QUICK-CHANGE BITS

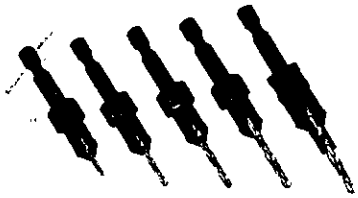
BRAD POINT BIT SET

Now you can have INSTY•BIT® convenience and the accuracy brad point bits give to your woodworking. Brad points lock the bit into position for exact hole placement. Made from quality high speed steel with permanent ¼" hex shanks. **Seven-piece set includes:** 1/16", 3/32", ⅛", 5/32", 3/16", 7/32", ¼".

MODEL G3269 Set of 7 **ONLY $39.95**

PILOT COUNTERSINKS

Screw holes may be drilled flush or counterbored using these quality hex-shanked countersinks. Uses jobber-length drill bits. Completely adjustable.

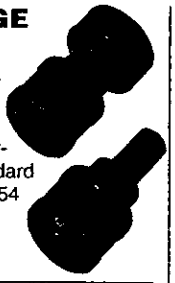


MODEL	SIZE	PRICE
G2570	5/64" (4 - 5)	$5.95
G2571	3/32" (6 - 7)	$5.95
G2572	7/64" (8 - 9)	$5.95
G2573	⅛" (10)	$5.95
G2574	9/64" (12)	$5.95

MODEL G2575 Set of 5 **ONLY $17.95**

QUICK-CHANGE CHUCKS

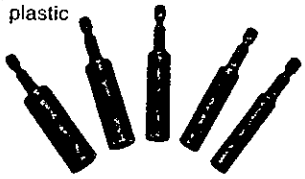
Quick-change chucks provides accurate positioning and retention of ¼" hex power bits. Our G2553 version replaces most standard drill chucks while the G2554 fits into ⅜" chucks.



MODEL G2553 Threaded **ONLY $16.95**
MODEL G2554 ⅜" Shaft **ONLY $12.95**

DEEP WELL NUT SETTERS

Five hex-shank INSTY•BIT® sockets let you use your standard or cordless drill to tighten or loosen hex head nuts and bolts. Includes ¼", 5/16", ⅜", 7/16" and ½" sockets with deep, 1¾" wells. In a reusable plastic case.



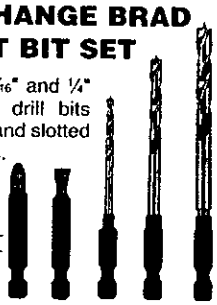
MODEL G4219 **ONLY $19.95**

GENERAL®

QUICK CHANGE BRAD POINT BIT SET

Set includes ⅛", 3/16" and ¼" H.S.S. brad point drill bits and a #2 Phillips® and slotted #8 screwdriver bits.

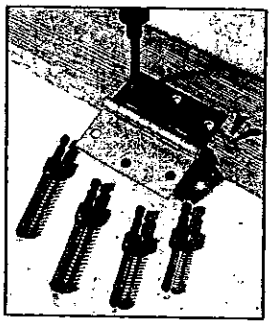
New!



MODEL H3694 **ONLY $12.95**

SELF-CENTERING DRILL GUIDE SET

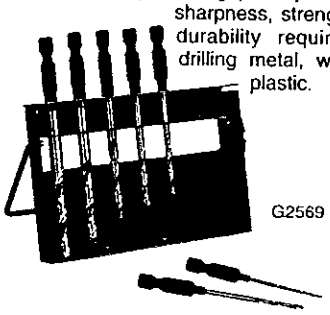
Drill perfectly centered pilot holes for mounting hinges, brackets and hardware. High speed steel bits are replaceable and can be adjusted for depth. Five-piece set includes sizes: .250, .281, .312, .375 & .438.



MODEL G3275 **ONLY $34.50**

HEX SHANK TWIST DRILLS

These drill bits are fast becoming the norm for drilling. Made of high quality, high speed steel and permanent ¼" hex power bit shanks for a positive grip, they have the sharpness, strength and durability required for drilling metal, wood or plastic.



G2569 Shown

7-PIECE SET: 1/16" through ¼" by 32nds. Complete with clamshell.
MODEL G2568 **ONLY $19.95**
13-PIECE SET: 1/16" through ¼" by 64ths. Complete with metal box.
MODEL G2569 **ONLY $29.95**

DRILL DOCTOR® DRILL BIT SHARPENER

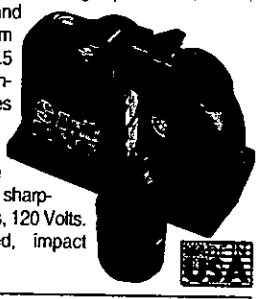
Do you throw away dull drill bits? Or toss them in a shop drawer, never to be used again? The Drill Doctor® puts the diamond grinding power of a professional sharpening system into your shop so you can bring those high speed carbide and expensive cobalt drill bits right back to life. Available in two sizes to handle 3/32" to ¾" bits, Drill Doctor® Sharpeners adjust to accurately renew conventional, split point and masonry bits.

Drill Doctor® Home/Shop 3/32" – ½"
MODEL G5860 **ONLY $139.95**
Drill Doctor® Professional 3/32" – ¾"
MODEL G5861 **ONLY $169.95**
Replacement Wheel
MODEL G7930 **ONLY $19.95**

GRIZC-04431

DRILL DOCTOR® HANDYMAN

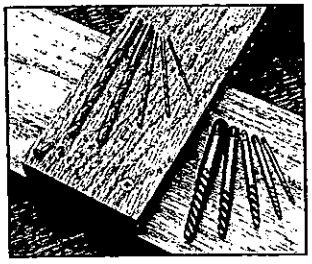
Long lasting diamond wheel. Resharpen dull, even broken drill bits. Wide range of types and sizes: Diamond wheel sharpens high speed steel, cobalt, TiN coated and Carbide bits from 3/32" to ½" and 2.5 to 13mm with standard 118° angles plus masonry drill bits. Compact and portable design. Precision sharpening. 1.75 Amps, 120 Volts. Double insulated, impact resistant housing.



MODEL G9548 **ONLY $84.95**

SCREW EXTRACTOR KIT

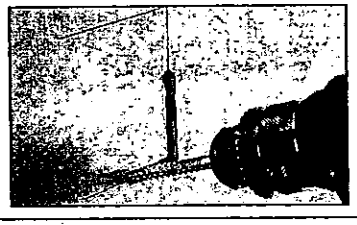
This 10-piece kit, complete with five bits and five extractors, makes removing broken screws a breeze. Fits most screws from #6 up.



MODEL G4231 ONLY $14.95

GENERAL® DRILL SAW

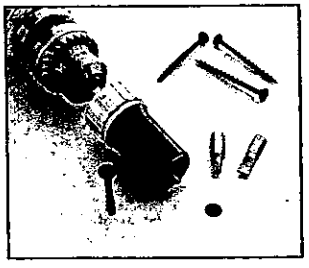
Handy for quick inside cuts in plywood, plastics, brass and aluminum. Just place the bit in your portable drill and bore into your workpiece. The cutting surface is cross-milled for quick, clog-free operation.



MODEL G3459 ONLY $6.95

DEPTH DRIVER™/DIMPLER

Patented clutch release mechanism disengages at the depth selected putting screw height where you want it in drywall, particle board and plywood. Comes with Phillips® #2, Robertson #2, and slotted #6-8 insert bits.



MODEL G5881 ONLY $12.95

DRILL SHARPENER

Install next to your bench grinder and sharpen drill bits from ⅛" to ¾" very quickly. Adjustable for drill-point angles.

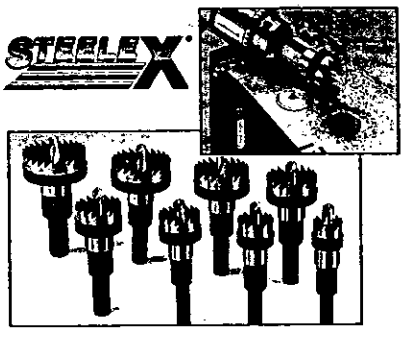
A MUST FOR ANY DRILL OWNER!

MODEL G1081 ONLY $12.95

8-PC. HOLE SAW KIT

These aggressive cutting hole saws are ideally suited for cutting holes in sheet metal. Perfect for electricians who need to customize electrical boxes. Each features triangular shanks and replaceable pilot drills. Includes ⅝", ¾", ⅞", 1", 1⅛", 1¼", 1⅜" and 1½" hole saws and a protective wooden box.

STEELEX®

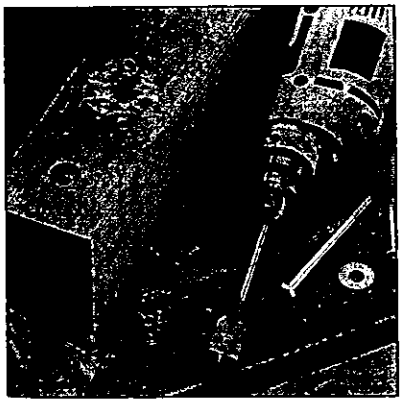


MODEL G7932 ONLY $59.95

STEELEX PLUS

SPADE BITS

GRIZC-04432



For general wood boring applications, these quality spade bits feature extended cutting spurs for crisp edges and titanium nitride coating for long dependable life.

3-PC. SET

The 3-pc. set includes ½", ¾" and 1" titanium nitride coated spade bits.

MODEL G7139 ONLY $6.95

6-PC. SET

The 6-pc. set includes ⅜", ½", ⅝", ¾", ⅞" and 1" titanium nitride coated spade bits. Wall rack included.

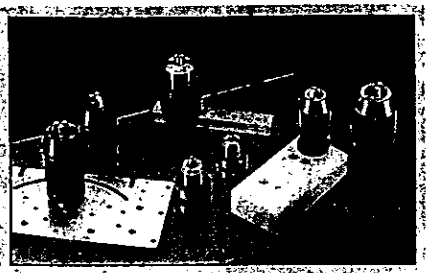
MYSTERY OF DRILL CHUCK BUYING SOLVED!



There are numerous drill presses with a variety of spindles on the market. Most of the smaller bench-top drill presses have a tapered stub sticking out of the spindle. This is known as Jacobs Taper (JT) and is usually a JT2 (found on baby, ¾" drill presses), JT6 (most commonly found on ½" drill presses), JT33 (also quite common on ½" drill presses) and JT3 (usually found on ⅝" drill presses). When buying a chuck for any of the above drill presses, all you have to know is the taper of your drill press spindle. Quite often the old chuck will have a JT number on it.

Many of the larger capacity drill presses have an internal taper in the spindle. This is usually a Morse Taper (MT) number 2 or 3. Industrial drill presses will be MT4. With any of these, you will need an arbor. The long end of the arbor will be the Morse Taper and this end goes into the spindle of the drill press. The short taper on the other end of the arbor will be the Jacobs Taper and this end fits into the back of the chuck. You only need to know the taper of the spindle and then you can pick the arbor and drill chuck.

There are some drill presses that have external threads sticking out of the spindle. For this you only need to know the thread size and you can then easily match up the chuck. Most milling machines have an R-8 spindle. So when buying a chuck for such a milling machine, you would need an R-8 arbor with the Jacobs Taper size that will fit the type of chuck you want to use.

Hope I didn't bore you guys to death! S. Balolia, President

DRILL CHUCKS

DRILL CHUCK ARBORS

Used to adapt drill chucks to your drill press, milling machine or lathe.

⅜" DRILL CHUCKS

Constructed to exacting industrial standards, these hardened, key-style chucks are ideal for replacement or upgrade on most common portable drills, drill presses, lathes and milling machines. Chuck key included.

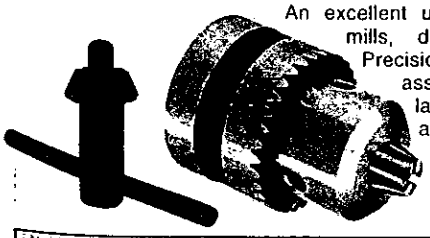
MODEL G8222	JT2 Taper	ONLY	$11.95
MODEL G8223	⅜" x 24 Thread	ONLY	$11.95

½" DRILL CHUCKS

Professional quality keyed chucks are perfect for drills, drill presses, milling machines and lathes requiring ½" capacity. Includes chuck key. Exceptional affordable quality!

MODEL G8224	JT6 Taper	ONLY	$12.95
MODEL G8225	JT33 Taper	ONLY	$12.95
MODEL G8226	⅜" x 24 Thread	ONLY	$13.95
MODEL G8227	½" x 20 Thread	ONLY	$13.95

⅝" DRILL CHUCKS



An excellent upgrade for larger mills, drills and lathes. Precision milled and assembled for long-lasting dependability and accuracy. Includes chuck key.

MODEL G8228	JT6 Taper	ONLY	$14.95
MODEL G8229	JT3 Taper	ONLY	$14.95
MODEL G8230	½" x 20 Thread	ONLY	$15.95
MODEL G8231	⅝" x 16 Thread	ONLY	$15.95

⅜" KEYLESS DRILL CHUCKS

Constructed for industrial-grade performance, without the need for inconvenient keys. Knurled grips make bit changes quick and secure.

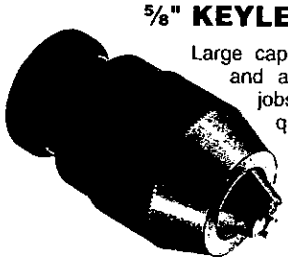
MODEL G8232	JT2 Taper	ONLY	$49.95
MODEL G8233	JT33 Taper	ONLY	$49.95

½" KEYLESS DRILL CHUCKS

Commercial-grade chucks are dependable, highly-affordable replacements for drills, mills and lathes. Knurled grips make bit changes quick and secure.

MODEL G8234	JT6 Taper	ONLY	$59.95
MODEL G8581	JT33 Taper	ONLY	$59.95

⅝" KEYLESS DRILL CHUCKS



Large capacity chucks are precision milled and assembled to handle the biggest jobs. Knurled grips make bit changes quick and secure.

MODEL G8585	⅝" x 16 Thread	ONLY	$69.95

DRILL CHUCKS

SUPER CHUCK® BALL BEARING CHUCKS

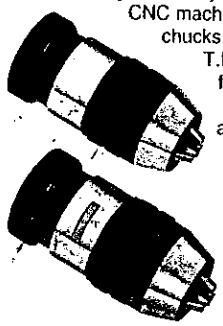
Ruggedly constructed for high-stress applications, these heavy-duty chucks utilize ball thrust bearings to reduce heat and friction under extreme working conditions - while increasing gripping force and drilling accuracy. Through-hardened sleeve teeth, nose and keyholes for added durability. Jaws are center-ground for increased accuracy.

Jacobs®

MODEL	SIZE	PRICE
G8623	0"-3/8", 2 J.T.	$89.95
G8624	0"-1/2", 3 J.T.	$129.95
G8625	1/8"-3/4", 4 J.T.	$199.95

HIGH PRECISION INDUSTRIAL CHUCKS

Made for high-accuracy applications, such as CNC machining, these precision chucks are certified to .0016 T.I.R. or better. Chucks feature self-tightening construction, which automatically increases tightening force proportionately to increased torque. All components are hardened to maintain accuracy under demanding professional use. Versatile Jacobs® Taper permits use with a wide variety of tools.



Jacobs®

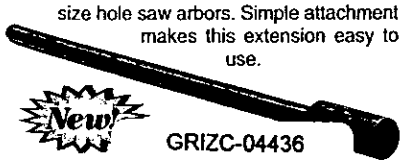
Replacement Pilot Drill for H0904		
MODEL H2631	ONLY	$1.95

HOLE SAW 12" EXTENSION

For tough hole cutting situations, this 12" Extension increases the reach of our standard size hole saw arbors. Simple attachment makes this extension easy to use.



New!

GRIZC-04436

MODEL H0905	ONLY	$4.95

BI-METAL HOLE SAWS

Bi-Metal Hole Saws stay sharper longer than carbon steel hole saws, and since they have tough high speed steel alloy cutting teeth bonded to a welded steel body, they cut through wood, metal and plastics with ease. Always in demand, this complete assortment of sizes is popular with carpenters, plumbers, electricians and home do-it-yourselfers. Arbors sold separately.

CLEANERS & LUBRICANTS

DRY COATING LUBE

Spray on saw blades, router bits, shaper cutters – even table tops – to form a low friction coating that works great, even under high temperature and pressure. Contains no silicone or oil, so it won't stain or damage paint or wood finishes. 14.7 oz.

MODEL G4682 ONLY $5.95

ROUTER BIT LUBRICANT

Penetrates bearings to clean and lubricate for longer bearing life. Also protects and seals the tooling surface while removing heat for faster, smoother routing and better results. 4 oz. drip.

MADE IN USA

MODEL G8819 ONLY $5.95

RG-55 TOOL LUBE

Made to meet U.S. Government standards, RG-55 penetrating lubricant offers up to 12 month's lubrication and rust protection after just one application. Non ozone-depleting formula displaces water and won't gum or varnish under extreme temperatures. 12 oz.

MADE IN USA

MODEL G3995 ONLY $6.95

G96 GUN TREATMENT

Triple action Gun Treatment cleans, lubricates and protects all metal parts. Contains solvents that completely remove all traces of rust and corrosion and leaves no gummy residue.

"INCREDIBLE STUFF!"
S. Balolia, President

MADE IN USA

MODEL H3788 12 oz. **ONLY $8.95**
MODEL H3789 4.5 oz. **ONLY $4.95**

BLADE & BIT CLEANER

All that gummy stuff that accumulates on saw blades, bits and planer knives can now be removed easily and quickly. This unique formula reduces friction caused by build-up and improves machine performance. Comes in spray pump bottle. 8.45 oz.

MODEL G1955 ONLY $5.95

SILICONE LUBRICANT

This silicone spray is a dry lubricant which eliminates friction and squeaks. Safe on rubber, plastic and metal, it does not attract or accumulate dust as oil lubricants do. Contains no CFCs. 12 oz.

MADE IN USA

MODEL G2545 ONLY $4.95

SOLVENT CLEANER & DEGREASER

MADE IN USA

Spray on and wipe off to clean metal and automotive parts prior to painting. Also cleans buffing compounds and removes grease & tar. It is also safe to use on painted surfaces. Contains no CFCs. 16 oz.

AN EXCELLENT PRODUCT!

MODEL G2544 ONLY $4.95

BUST RUST™

Bust Rust™ detergent action penetrating oil with silicones cleans and lubricates and instantly changes rust and dirt from a solid into a liquid. Drives out moisture and frees rusted nuts, bolts, studs and locks. 12 oz.

New! MADE IN USA

MODEL H2495 ONLY $5.95

SAW CLEANER

Improve saw blade, router bit and shaper cutter performance by removing pitch and gum. This saw cleaner works in minutes and is safe to use on carbide, high speed steel, stainless steel and cast iron. Contains no CFCs. 18 oz.

MADE IN USA

MODEL G2543 ONLY $5.95

RUST FREE™

We sprayed a couple of our old flat files with this amazing non-toxic cleaner. After just a few minutes, we wiped off what looked to be two brand new tools. RUST FREE™ cleans brass, stainless steel, bronze, aluminum or chrome. 8.45 oz.

MADE IN USA

MODEL G1158 ONLY $8.95

RUST REMOVER

This Rust Remover really works! Simply spray it on and wipe off the rust. Leaves a zinc phosphate coating. An absolute must before painting. Comes in a 8.45-oz. spray pump bottle.

MADE IN USA

MODEL G1956 ONLY $6.95

G96 SILICONE SPRAY

All-purpose Silicone Spray ends sticking and binding and lubricates, penetrates and prevents rust. Safe on any surface including metal, glass, rubber and plastic. 10 oz.

New! MADE IN USA

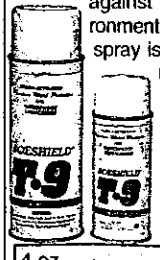
MODEL H2496 ONLY $4.95

SLIPIT

This cast iron table sealant and bit and cutting blade lubricant reduces sliding friction and hang-ups. Repels moisture and dirt and inhibits rust while preventing resin build-up. Out performs paste wax and contains no silicone or CFC's.

Sil-Free Sliding Compound Gel/1qt.
MODEL G5562 ONLY $9.95
Woodworker's Tool Lube 12oz
MODEL G5563 ONLY $9.95

BOESHIELD® T-9



This protective spray penetrates deep and holds up the longest against corrosive environments. Ozone friendly spray is safe for use on most paints, plastics and vinyls.

LUBRICATES METALS FOR MONTHS!

MADE IN USA

4 oz.
MODEL G2870 ONLY $6.50
12 oz.
MODEL G2871 ONLY $11.95

PLASTI DIP®

Plasti Dip® insulates and protects against rust and corrosion, while giving your hand tools and other items a rugged and comfortable grip. Plasti Dip® comes in a 14.5 oz. resealable container. Available in red or black.

MADE IN USA

Red
MODEL G3447 ONLY $6.95
Black
MODEL G3448 ONLY $6.95

CITRUS DEGREASER

This natural, citrus-based degreaser not only works like gang-busters, but it's safe for the environment too. Perfect for cleaning auto parts, tools, machinery, concrete and porcelain surfaces, auto tires and wheels. Contains no CFC's. 18 oz. aerosol.

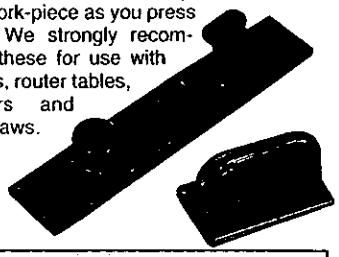
MADE IN USA

MODEL G7895 ONLY $4.95

Aerosols can not ship via Air Service

SAFETY PUSH BLOCKS

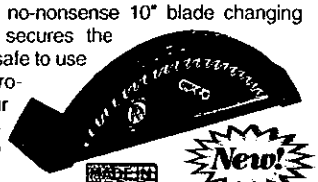
Made of high-impact molded plastic, these safety push blocks have a layer of friction rubber on the bottom that grabs your work-piece as you press down. We strongly recommend these for use with jointers, router tables, shapers and table saws.



Small Push Block (3" x 6")
MODEL G2405 ONLY $3.95
Large Push Block (2¾" x 16")
MODEL G2406 ONLY $8.95

BLADE-LOC®

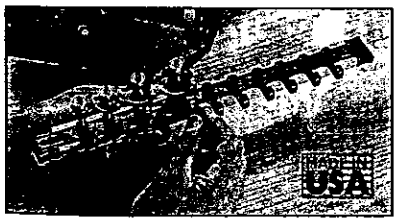
Finally, a no-nonsense 10" blade changing tool that secures the blade, is safe to use and protects your expensive saw blades.



MODEL H3771 ONLY $13.95

ROUTER BIT HOLDERS

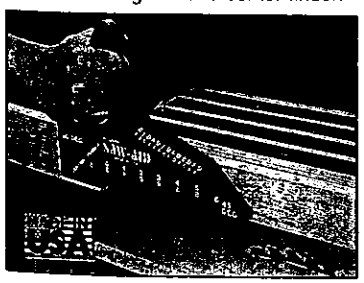
Versatile holder organizes and protects bits for easy access and storage. Locking cam-action accommodates ¼" shank bits. Hang 'em on a wall or under a cabinet!



MODEL G6422 6-bit **ONLY $2.49**
MODEL G6423 10-bit **ONLY $3.95**

PRECISION SAW TOOL

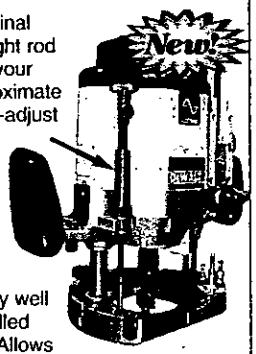
This high-impact plastic saw aid quickly measures blade height and angle and can serve as a solid push stick. Includes a graduated ruler guide and center finder.



MODEL G3445 ONLY $12.95

ROUTER RAIZER™

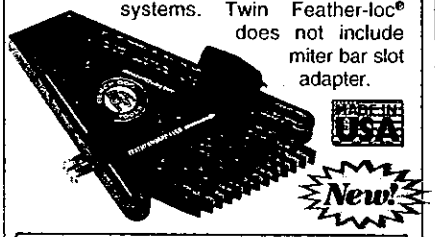
Replace your original plunge router height rod and instantly set your router to an approximate depth, then micro-adjust using the knurled-knob or speed wrench. Make height adjustments from the top and bottom of the router so it works equally well handheld or installed in a router table. Allows precise router bit adjustments while sighting down the base plate to the bit. Fits most plunge routers (not included).



MODEL H3576 ONLY $89.95

FEATHER-LOC®

Feather-Loc® is the first-ever multi-purpose featherboard for your router table, router fence and rip fence. It's also the first featherboard to include an easy-set feature. Simply place your wood under the set-up guide and tighten the knobs! Feather-Locs can also be incorporated into most ⅜" x ¾" T-slot track systems. Twin Feather-loc® does not include miter bar slot adapter.



Feather-loc® with Slot Adapter
MODEL H3772 ONLY $24.95
Twin Feather-loc® without Slot Adapters
MODEL H3773 ONLY $29.95
Slot Adapter - ⅜" x ¾" x 7½"
MODEL H3774 ONLY $9.95

JOINT'R CLAMP™ SYSTEM

While nothing beats what a jointer produces, this handy table saw jig can give you a perfectly straight edge on even the roughest lumber.

- Make shallow taper cuts with positive control
- Straighten edges without a jointer
- Long stock is no problem

MODEL G2917 PER PAIR $12.95

POWER HANDS™ SAFETY STICK

This safety push stick features interchangeable traction treads; one for flat stock, and one for pressing against table and fence. It also has a spring loaded push-pin for full workpiece contact.

MODEL H1411 ONLY $14.95

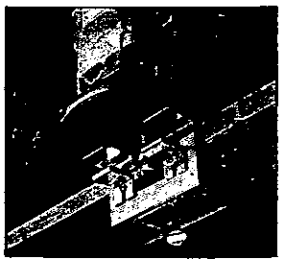
TABLE SAW GAUGES

A foolproof tool for setting height and angle adjustments on your table saw. Available for either left-swinging or right-swinging blades. Grizzly table saws are right-swinging.

Right Swinging
MODEL G2858 ONLY $16.95
Left Swinging
MODEL G2859 ONLY $16.95

ROUT'R BISC™

If you own a router, then you can biscuit-join with Rout'r-Bisc™. This fully adjustable jig quickly clamps to your workpiece and guides your router and slot cutting bit to cut #0, #10 and #20 biscuits slots. A simple and inexpensive alternative to costly biscuit joiners.



MODEL G5945 ONLY $19.95

CAST IRON MITER GAUGE

This precision ground cast iron miter gauge features an ingenious, yet simple adjustment machined into the miter bar, so excess clearance can be adjusted out. Fits all ⅜" x ¾" miter slots, including T-slots.

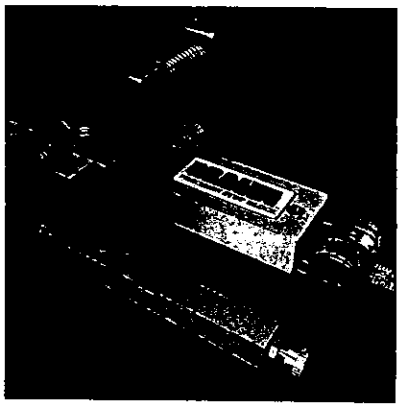
MODEL G5799 ONLY $29.95

PRECISION STOP BLOCK

An excellent stop block system for your radial arm saw, miter saw, router table and more. Fits 1½" to 2" fences and features two magnified hairline indicators for use with optional self-stick measuring tape.

MADE IN NEW ZEALAND!

MODEL G2993
ONLY $33.95



FOR YOUR MITER SAW, RADIAL ARM SAW, ETC.!

SELF-STICK MEASURING TAPES

These very accurate, self-stick steel measuring tapes mount directly to your fence and feature high visibility yellow with black numerals and graduations. They're available in right-to-left and left-to-right reading.

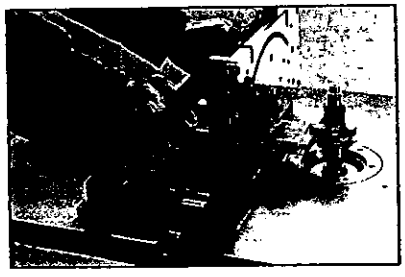
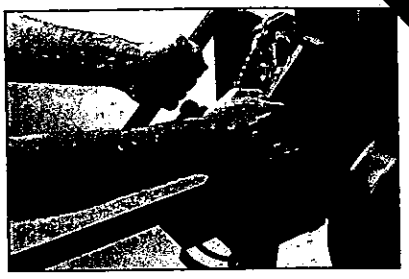
SHOP FOX
RIGHT ANGLE JIG

Whether you're working on a table saw, bandsaw, shaper or sander – the Shop Fox® Right Angle Jig takes you to a whole new level of safety and accuracy. Crafted from high-density aircraft aluminum, the Shop Fox® Right Angle Jig offers a huge advantage when cutting finger joints, tenons and glue joints. The Shop Fox® Right Angle Jig features a powerful toggle clamp for holding projects in place, as well as a locking table for multiple cuts and dadoing. The Shop Fox® Right Angle Jig can also be used with a wide variety of clamping devices, so you can secure projects at nearly any angle. Engineered to fit in standard ⅜" x ¾" miter slots, the Shop Fox® Right Angle Jig offers up to 1½" horizontal and nearly unlimited vertical holding capacity.





(Guards removed for clarity)

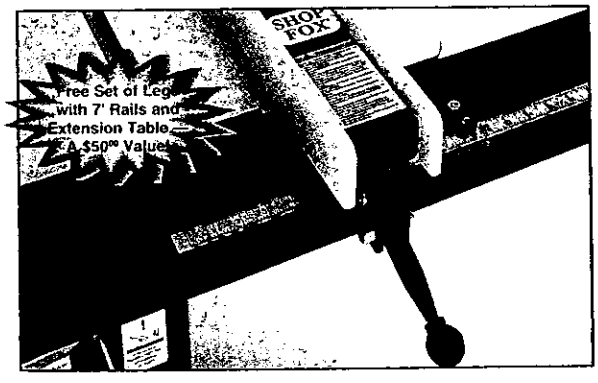
SHOP FOX® RIGHT ANGLE JIG
MODEL G3642 ONLY $199.95

THE SHOP FOX® CLASSIC TABLE SAW FENCE



A Classic, time tested and proven design is now part of the Shop Fox® family of high quality woodworking products. This 42" long fence has easily replaceable side panels made of HDPE plastic, a tough abrasion resistant material that is smoother than Teflon®. The fence body is heavy walled rectangular tubing for durability. A high visibility scale allows easy, precise and repeatable settings and the fine lined cursor can be mounted on either side of the fence body, depending on your preference. The fence locks positively into position with a cam-action lever, making one-handed fence adjustment a snap. The fence system comes with super heavy-duty front and rear rails which can be mounted on almost any size or brand of table or cabinet saw. Fence rails are epoxy painted for a long lasting finish. The fence can be lifted off the rails anywhere along its length for the ultimate in convenience. An optional extension table measuring 44" x 27" is also available to provide a large work table surface. The extension table includes a leg kit which provides two 32" high adjustable legs to provide stable support for the saw and table assembly. The extension table is made entirely of hardwood plywood with a durable laminated surface.

- **Easy to install and easy to set up on any brand of saw**
- **Standard rails provide 25" maximum rip to the right of the blade**
- **Long rails provide an awesome 54" maximum rip to the right of the blade!**

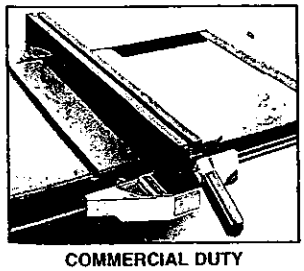
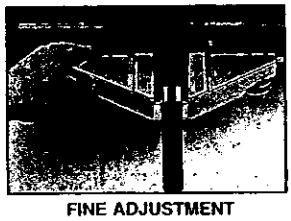
THE INCREDIBLE SHOP FOX® FENCE

GRIZC-04440



COMMERCIAL DUTY



FINE ADJUSTMENT

Unlike most standard and after-market fences, the Shop Fox® Fence stays in perfect alignment (within four thousandths of an inch), whether the locking mechanism is engaged or not, so you can make precision settings with complete confidence. The Shop Fox® Fence features ball bearing rollers for smooth movement, a large, locking lever, built-in micro precision adjustment knobs and special track for use with the Board Buddies® anti-kickback system.

We're so excited about the Shop Fox® Fence that if you aren't completely satisfied with the quality and performance of this fence, you can return it within 90 days, no questions asked – we guarantee it!

- **Convert your old table saw into a cutting machine!**
- **Rip lumber with total confidence!**
- **Fits on most major brands with 27" tables including Delta®, Sears®, Jet®, Artisan® and of course our G1022 & G1023**

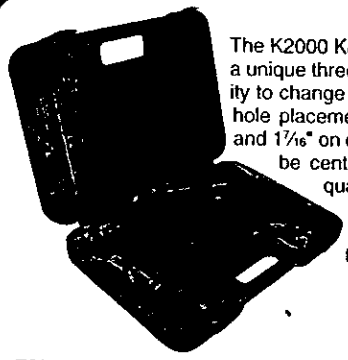
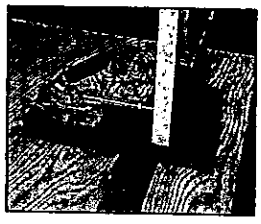
KREG JIG®

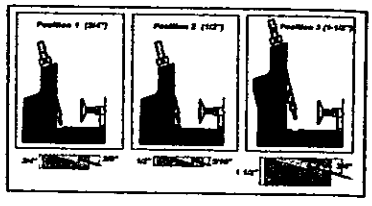
STRONGER...FASTER...SIMPLER...BETTER! Make furniture and cabinetry like the pros. With the KREG JIG® you'll eliminate tedious set-ups, bar clamps and waiting for glue to dry, while gaining strength and creating attractive joinery. Use for face frames, case assembly, edge-banding, post and rail legs, and much more. Flexible design allows the KREG JIG® to be attached to a workbench for faster drilling or portable use. Works with material ½" and thicker. Lifetime warranty on hardened steel drill guides. 100% satisfaction guarantee. Two packages available below and check out the new Rocket Jig too.

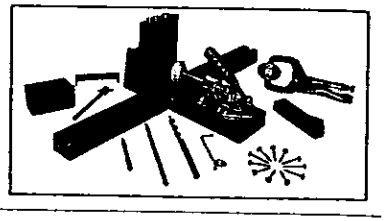


K2000

The K2000 Kreg Jig® is a revolutionary pocket hole jig that features a unique three-hole variable spacing concept, coupled with the ability to change pocket hole height, allows for unmatched flexibility in hole placement. This design allows pocket placement at 9/16", 7/8" and 1 7/16" on center horizontally, as well as allowing pocket holes to be centered in material from ½" to 1¾" thick. The K2000's quality and versatility meets the needs of all woodworkers, from the DIY enthusiast to the professional tradesman.





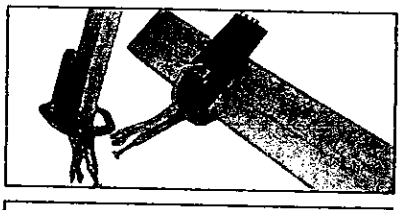


MODEL H1342 ONLY $129.95

MADE IN USA

ROCKET JIG

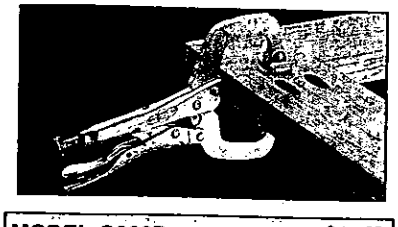
Great for face frame or Euro-style cabinets, edge-banding for counter-tops, mitered corners, shop jigs and more. Eliminates dowel, biscuit and mortise and tenon headaches. Also great for outdoor projects like attaching decking from below because water doesn't soak around the screw into the wood. Kit includes Rocket Jig, Dual Purpose Clamp, extension for thicker material, drill, screwdriver bit, stop collar, instructions and a big handful of screws.



MODEL H1159 Kit **ONLY $59.95**
MODEL H1160 Jig Only **ONLY $29.95**

FACE CLAMP™

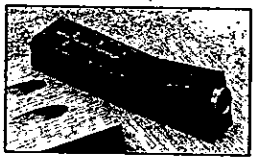
The Vise-Grip® style clamp aligns joint while driving screws, producing a flush joint that hardly requires sanding. Extra large pad protects face.



MODEL G3827	6"	**ONLY $16.95**
MODEL H3612	9"	**ONLY $19.95**
MODEL H3613	11"	**ONLY $21.95**
MODEL H3614	18"	**ONLY $29.95**

MINI KREG JIG®

Place a pocket hole virtually anywhere with ease! To align for ¾" thick material, simply register the bottom of the jig with the edge of the workpiece, adjust depth collar, clamp and drill. In addition, a plug setting feature allows easy plug installation.

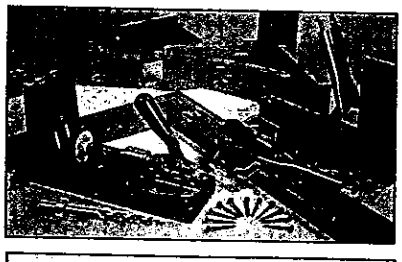


New!

MODEL H3605 ONLY $11.95

K2 MASTER PACKAGE

The K2 Master Package includes everything needed to make strong, quick joints in cabinets and furniture including the KREG JIG®, drill bit, depth collar, 100 screws, 3" and 6" square drive bits and 6" Face Clamp (locking pliers used to secure joint when driving screws) and detailed instructions. Once you use this system, you won't go back to the old ways of cabinet construction. It's worth every penny!



MODEL G3826 ONLY $129.95

K2 PACKAGE – K2 JIG WITH DRILL BIT & COLLAR

Includes KREG JIG®, drill bit, depth collar and detailed instructions.

MODEL G3825 ONLY $110.95

KREG SCREW KIT

Includes plenty of screws in five sizes in both fine and course threads, plus a long screwdriver bit.

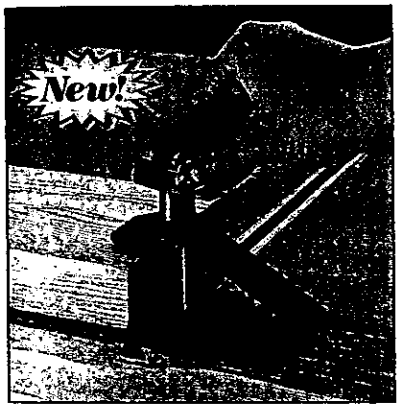
ALUMINUM T-SLOT TRACKS & CLAMPS

This convenient hold-down system puts clamping pressure anywhere along the flush-mounted T-Slot Track. ⅜" deep x ¾" wide T-Slot Tracks are available in three lengths and are designed to be mounted flush to the work surface. This keeps the work surface clear of obstructions when not in use. The Hold Down Clamp slides in the T-Slot Track and quickly secures with the turn of the hand knob. By turning the clamp head 180° to the workpiece, the clamp offers a dual capacity of 0 to ¾" and ¾" to 2½" depending upon the size of the workpiece.

Ideal for making clamping jigs and fixtures!



12" T-Slot Track		
MODEL H0876	**ONLY**	**$3.50**
24" T-Slot Track		
MODEL H0877	**ONLY**	**$5.95**

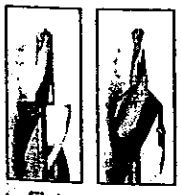
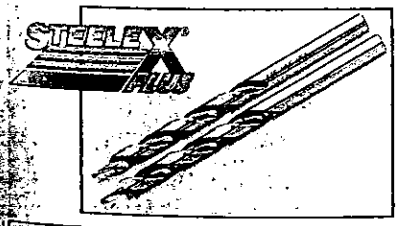
Hold Down Clamp for T-Slot Track		
MODEL H0879	**ONLY**	**$3.75**

STEP DRILLS



Flat 45°

Step drills are perfect for use with all face frame jigs. Step drills are ⅜" diameter with ⅛" pilot. Available in two popular cutting angles; 45° for flat head screws and 90° for pan head screws.



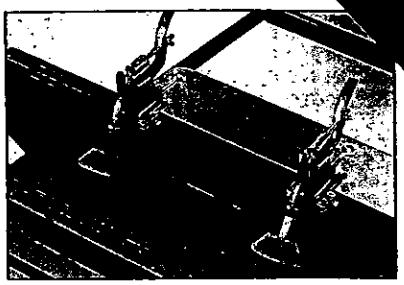
MODEL G3244	45°	**ONLY**	**$9.95**
MODEL G3245	Flat	**ONLY**	**$9.95**

INCREDIBLE BOARD BUDDIES®

ANTI-KICKBACK DEVICE!

BOARD BUDDIES® FOR TABLE SAWS

Spring-loaded wheels turn one way and are adjustable for different material thickness. The unique design of the wheels keeps the material pressed firmly down and against the rip fence. Reduces chance of kickback. Wheels are made of a special composition that will not mar your work.



Guard removed for clarity

Two wheels per set
MODEL G2370 Yellow **ONLY $32.95**

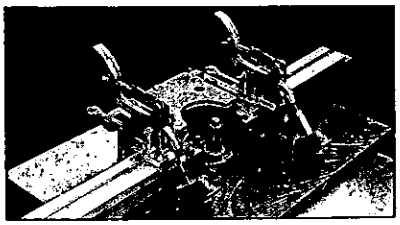
BOARD BUDDIES® FOR RADIAL-ARM SAWS

These wheels turn in counter-clockwise rotation and are great for radial arm saws.

Two wheels per set
MODEL G2372 Orange **ONLY $32.95**

BOARD BUDDIES® FOR SHAPERS

These green wheels were developed especially for shapers. The main difference between these and yellow wheels is that these roll in either direction and are used to hold the workpiece down and tightly against the fence.



Two wheels per set
MODEL G2371 Green **ONLY $32.95**

— OPTIONAL ACCESSORIES —

MODEL G4877 T-Nuts **ONLY $4.95**
For use on Shop Fox Fence®

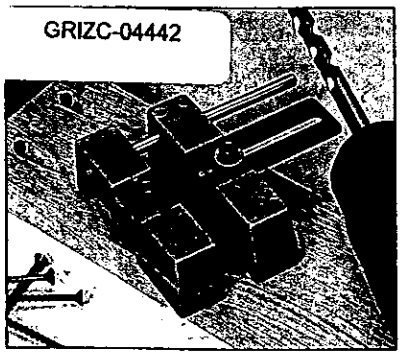
MODEL G2373 12" Track **ONLY $11.95**
MODEL G2374 24" Track **ONLY $18.95**

Tracks allow for use on more than one machine!

FACE FRAME JIG

This high-quality Face Frame Jig allows you to drill perfect pocket holes in face frames quickly and easily. For best results, use a step drill (left). A must if you make cabinets.

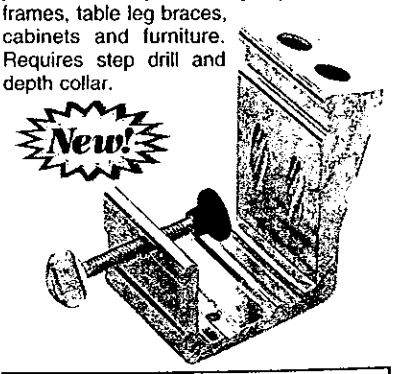
GRIZC-04442



MODEL G3243 **ONLY $8.95**

POCK'IT JIG™

This heavy-duty aluminum extrusion with hardened steel bushings and integral clamp makes pocket hole joinery easy. Make flush joints, corner joints, angle joints, face frames, table leg braces, cabinets and furniture. Requires step drill and depth collar.



MODEL H2390 **ONLY $29.95**

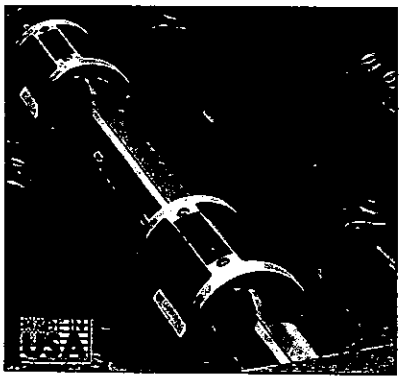
PLANER PAL® KNIFE SETTING JIGS

These patented jigs are remarkably simple to use and hold knives securely in place while you tighten them in the cutterhead. They also allow you to shift nicked knives to avoid replacement or removal!

PREVENT END-SNIPE FROM YOUR WORKPIECE AND REPLACE KNIVES QUICKLY AND ACCURATELY!

GRIZC-04443

PLANER PAL®



Planer Pal® fits 2½" - 4" cutterheads.

G1755	Standard	EACH	$69.95
H2301	Standard	PAIR	$99.95
G1757	Standard/Carbide	EACH	$99.95
H2302	Standard/Carbide	PAIR	$174.95

When buying planer jigs, follow this simple guideline:
15" to 20" planers — use 2 jigs.
Over 20" planers — use 3 jigs!

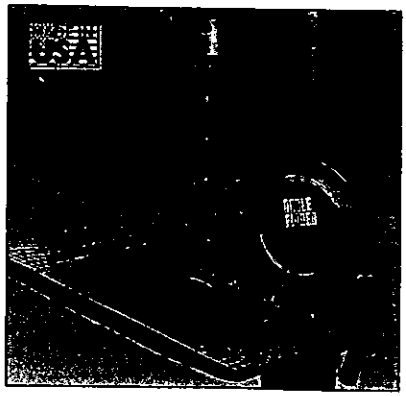
ANGLE FINDER PLUS LEVEL

Take the guess work out of setting tilting blades and tables with this compact angle finder. Instantly measures angles in any quadrant from 0-90°. Also great for checking plumb and level in tight quarters. Accurate to half a degree.

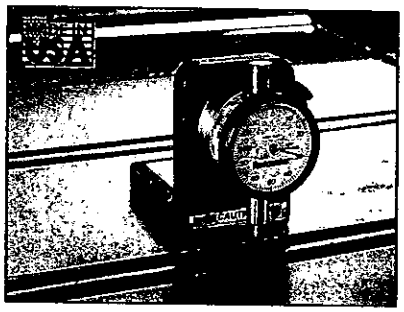


MODEL G5412	ONLY	$5.95

ROTACATOR™ FOR PLANERS

The Rotacator™ has a magnetic base and is used to adjust settings on any planer. Infeed and outfeed rollers, pressure bars, feed-bed rollers, chip breaker, etc., can be adjusted very quickly and accurately. Fine tuning your planer will eliminate nasty surprises such as non-parallel and chattered surfaces. Ideal for other machine set ups, too.

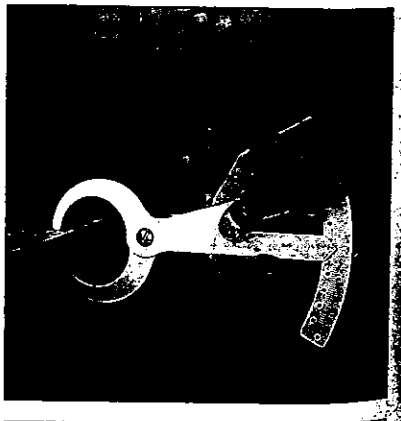
INDICATOR ROTATES 360°.



MODEL G1738 ~~$127.50~~	ONLY	$99.95

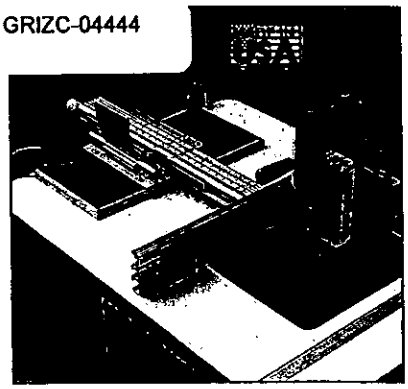
THICKNESS GAUGE

Measure thicknesses and diameters quickly with this handy gauge. Wonderful for thickness planers, wood lathes and other shop measurements. Measures from 1/16" to 2" in 1/32" increments.



MODEL G2857	ONLY	$11.95

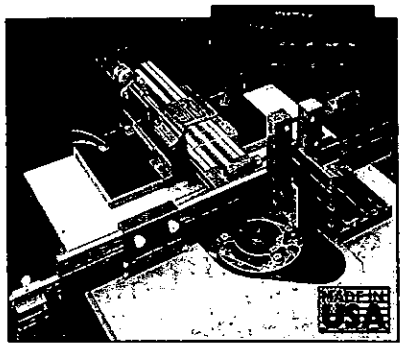
GRIZC-04444



INCRA® JIG ULTRA LITE

The Incra® Jig ULTRA LITE represents the culmination of nearly 10 years of incremental positioning machine development which makes it, quite simply, the world's most accurate universal fence system for your router, drill press or bandsaw. Its sophisticated Automatic Positioning Control™ instantly locates repeatable cuts to within one or two thousandths of an inch without measuring! The Incra® Jig ULTRA LITE features: • Universal dovetail and box joint maker • 12½" positioning range • Automatic positioning control • Accuracy to .002" over its full range • Zero repeatability error • Incremental movement in exact 1/32" steps • Built-in micro-adjustability • 3 sliding scale or template channels • Silky smooth linear tracking that's virtually sawdust proof • Ultra strong and rigid construction • 22" fence length • Sliding fence stop positioner • Incra® right angle fixture • Two joint making templates.

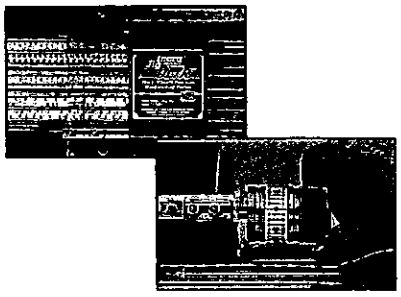
MODEL G5564	Ultra Lite	ONLY $149.95
MODEL G5566	Fence Stop Positioner	ONLY $19.95
MODEL G5565	Master Template Library	ONLY $19.95



THE ONLY LIMIT IS YOUR IMAGINATION!

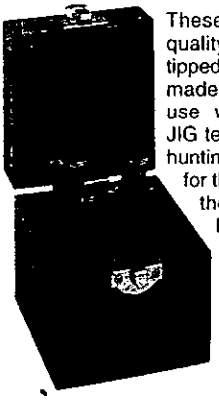
Use the Incra® Jig ULTRA and create a wide variety of handy and handsome wood joints. The complete system includes the ULTRA Jig, 16" or 24" ULTRA Fence, Incra® Stop, Stop Extender, Right Angle Fixture and Master Template Library.

- Self-lubricating bearing system
- Micro-adjustable to 1/1000"
- Reinforced square tube construction
- Laser-cut hairline cursor
- Range scale shows micro variations
- Includes 20-page manual



MODEL G3472	16" Complete System	ONLY $199.95
MODEL G3474	24" Complete System	ONLY $249.95

CARBIDE-TIPPED ROUTER BIT SETS FOR THE INCRA® JIG!



These Grizzly® high-quality brand carbide-tipped router bit sets are made specifically for use with the INCRA® JIG templates. No more hunting for the right bit for the job. Just look in the INCRA® JIG handbook, see which size bit you need for the joint you are cutting and reach into the sturdy wooden box!

SET #1 — Made for smaller joints, it consists of the following bits in ¼" shank: ¼" Straight, ⅜" Straight, ¼" Dovetail (7°), ⅜" Dovetail (8°), ½" Dovetail (14°).
Please note: Due to the extremely small surface on the ¼" Dovetail bit, it is made of special tool-steel and is not carbide-tipped.

MODEL C1507 Set #1 ONLY $26.50

SET #2 — Made for larger joints, it consists of the following bits in ½" shank: 5/16" Straight, ⅜" Straight, ½" Dovetail (14°), ⅝" Dovetail (7°), ¾" Dovetail (7°).

MODEL C1508 Set #2 ONLY $28.95

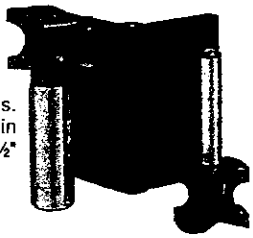
INCRA® HINGE PLANS

Step-by-step guide walks you through the entire hinge making process. Bring complete wooden harmony to your next jewelry box, cabinet door or hinged table leaf by making fascinating wooden hinges. Plans include an aluminum hinge drilling guide.

MODEL G2865 ONLY $9.95

HINGE BITS

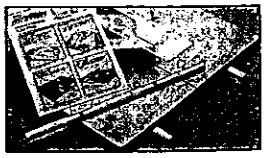
These hinge cutting bits are designed for cutting perfect wood hinges. Available in ¼" shank and ½" shank.



MODEL C1023	¼" Shank	ONLY $14.95
MODEL C1028	½" Shank	ONLY $14.95

MITER SLIDER

These aluminum sliders have a unique expansion mechanism for perfect sliding in any standard miter-gauge slot. Comes with illustrated plans for building miter jig and crosscut jig plus many others.



MODEL G2866 PER SLIDER $12.95

X - Y MARKER

Measure two adjacent edges simultaneously with this X-Y Marker for unsurpassed accuracy. No more drawing two lines to find the intersection point. Maximum X-Y size is 6" x 3" in sixteenths of an inch.

MODEL G8006 ONLY $29.95

12" CENTERING RULE

Just match up the same measurements on both sides of this 12" rule and you automatically have the center point. Stainless steel rule features 1/32" gradations and handy protractor with 5° gradations as well as every 22.5°. Don't rely on ordinary rules for this kind of precision!

MODEL G4198 ONLY $19.95

INCRA® MITER GAUGES

Continuing its well-respected tradition of "making accuracy easy", INCRA® has added the MITER1000™ and MITER3000™ Incremental Miter Gauges to compliment its incredibly popular MITER2000™. All three models feature INCRA's exclusive AngleLOCK™ Indexed Positioning that locks in miter fence angles in devastatingly accurate and repeatable 5°, 1° or ½° increments over a range of up to 180°, with continuous adjustability in between. Each model uses INCRA's patent pending solid steel GlideLOCK™ Miter Bar, that uses up to eight expansion points to adjust both sides of the bar for zero side-play with anti-friction travel in any standard (or near standard) miter slot. This means that all of that accuracy in the AngleLock™ Miter Head can actually be put to use because the bar won't wiggle in the slot. The result? You get perfect, gap-free hairline glue joints on all mitered corners without trial-and-error setups. If that sounds too good to be true, just remember INCRA's motto: EXACTLY AS PROMISED! And they mean it!

MITER 5000™

MADE IN USA

Capitalizing on a great idea, the folks at Incra® have combined their highly successful Miter 3000™ with the exclusive AngleLOCK™ Indexing System with a sled system for the table saw. The sled with T-track and clamping fixture secures the workpiece as one solid unit for precision cross-cutting at any angle. The right-hand portion of the sled, once cut, secures to the right miter slot of your table saw by means of a miter slider and functions as a zero clearance cut-off table that's perfectly aligned with the main sled. Since this system includes precision angle adjustment, stop positioner and clamping sled for superior workpiece control, all possibility for cutting error has been eliminated and each cut is predictable and precise. Finally, a perfect cross-cutting system for your table saw! Order the Replacement Panel for maintaining zero clearance for different blades and compound angle cutting. Please see above for Miter 3000™ specifications.

"Jorgensen" CLAMPS

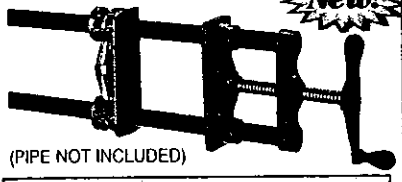
"Pony" DOUBLE PIPE CLAMP

This double pipe design prevents thin stock from buckling during edge gluing. Features include:

- Malleable and/or ductile iron castings with durable baked on enamel finish
- Precision cut 5/8" Acme screw with hardened steel thrust bearing
- 3 hardened and plated steel clutch discs for each pipe to ensure even clamping pressure
- Clamping faces measure 2 1/4" wide with 3 1/4" between pipe

New!



(PIPE NOT INCLUDED)

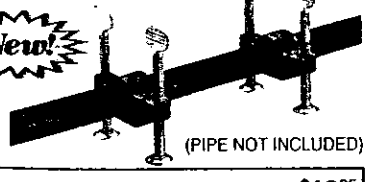
MODEL H0935 ONLY $34.95

"Pony" VENEER PRESS SCREWS

The answer to clamping veneers, laminates and deep reach surface clamping is at hand. This veneer press screw system is designed to be used with 1/2" or 3/4" pipe. Used by themselves or with other pipe saddles, veneer press frames can be constructed in unlimited sizes. They come with these construction features:

- Die cast aluminum bodies with durable baked on enamel finish
- Plated steel press screws 2 - 3/4" to 1/2" pipe sleeve adapter

New!



(PIPE NOT INCLUDED)

MODEL H0934 ONLY $19.95

3" HOLD-DOWN CLAMP

Hold-down clamps are a must for surface clamping on the work bench or machine tables. They can pivot or be removed quickly by loosening the mounting bolt (supplied). Includes these construction features:

- Malleable and/or ductile iron castings with durable baked on enamel finish
- Precision cut 9/16" Acme screw
- Mounting hardware

New!

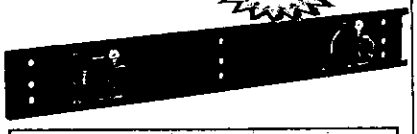
MODEL H0932 ONLY $12.95

"Pony" WALL MOUNT TRACK/CLAMP COLLARS

Create a clamping frame or workbench or free standing work station with this mounted clamp collar set. Clamp collars hold pipes from pipe clamps and are secured with the thumb screws provided. The set comes with these components:

- 2 ductile cast iron collars with durable baked on enamel finish
- A 36" x 4 1/2" black-oxide coated steel bracket
- Mounting hardware

New!

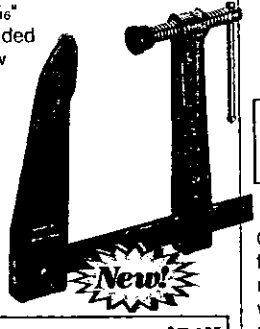


MODEL H0930 ONLY $39.95

DEEP F-CLAMP

This heavy weight steel bar clamp is used for extreme use applications such as boat building, over-sized laminating or any job needing a 9" reach. It features the following components:

- Malleable and/or ductile iron castings with durable baked on enamel finish
- Precision cut 13/16" Acme screw threaded into adjustable jaw
- Durable high carbon steel bar with 100,000 psi tensile strength!
- Large 1 3/8" diameter swivel pad for increased clamping effectiveness



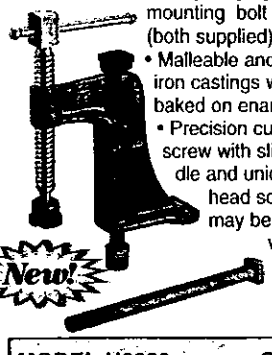
New!

MODEL H0931 ONLY $54.95

HEAVY-DUTY 4" HOLD-DOWN CLAMP

These heavy-duty Hold-Down clamps are designed for surface clamping on the work bench or in machine table T-slots. Can pivot or be removed quickly by loosening the mounting bolt or T-fastener (both supplied). Features:

- Malleable and/or ductile iron castings with durable baked on enamel finish
- Precision cut 13/16" Acme screw with sliding pin handle and unique square head so tightening may be done with a wrench
- Full mounting hardware



New!

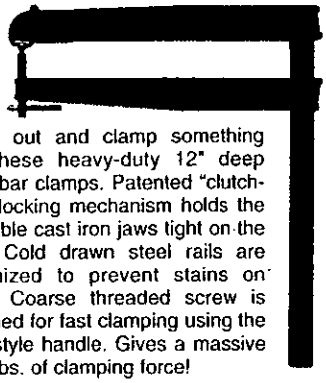
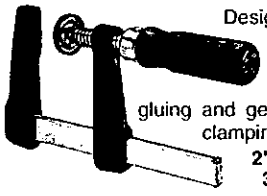
BESSEY® BAR CLAMPS



Reach out and clamp something with these heavy-duty 12" deep reach bar clamps. Patented "clutch-style" locking mechanism holds the malleable cast iron jaws tight on the work. Cold drawn steel rails are galvanized to prevent stains on wood. Coarse threaded screw is designed for fast clamping using the lever-style handle. Gives a massive 1550 lbs. of clamping force!

MODEL	SIZE	PRICE
H1323	12"	$79.95
G9194	20"	$99.95

BESSEY® BAR CLAMPS



Designed for light-duty, these bar clamps are ideal for gluing and general purpose clamping.

2" THROAT & 3" THROAT

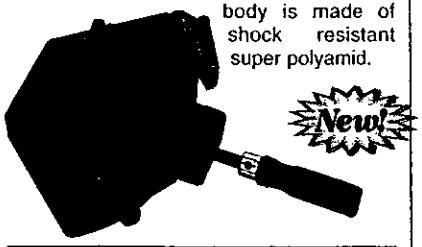
BESSEY® 4" MITER CLAMP

This Miter Clamp is designed to hold mitered corners from 45° to 120°. Swivel jaws, fitted with non-marking surfaces draw the joint together as screw is tightened — regardless of the angle. Rigid steel base is fitted with 3 large anti-slip pads. Clamp body is made of shock resistant super polyamid.



MODEL H3815 ONLY $159.95

BESSEY® TRADESMEN CLAMPS

Patented profiled rails with serrated edges prevent buckling and slipping. And the ergonomically designed wooden handles offer positive clamping pressure.

ES IRREGULAR ANGLE CLAMPING SET

This unique ball and socket system allows the application of direct pressure on nearly any irregular angle. The ES Set consists of (2) non-slip ball pieces and (2) socket pieces designed to work with the Bessey® TGK series.

- Clamping block with anti-slip, non-marring inlaid piece to protect delicate surfaces
- Clamping block & adapter – glue resistant reinforced fiberglass material

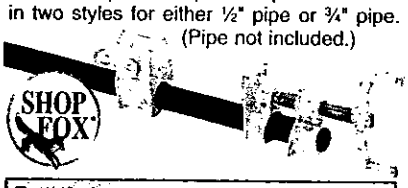
Bar clamp not included.

MODEL H1462 ONLY $46.95

CLAMPS

PIPE CLAMPS

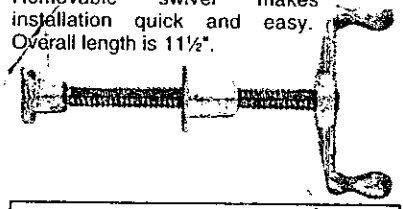
Double-handle pipe clamps provide plenty of clamping torque and convenient access for any situation. Cam-action locking device on the fixed jaw ensures no-slip dependability. These Shop Fox® Pipe Clamps are offered in two styles for either ½" pipe or ¾" pipe. (Pipe not included.)



For ½" pipe		
MODEL H2624	ONLY	$5.95
For ¾" pipe		
MODEL H2625	ONLY	$7.95

VENEER PRESS CLAMP

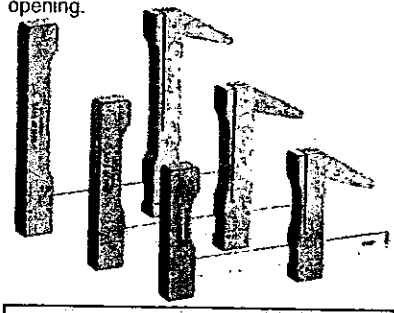
This Veneer Press Clamp is used to make custom veneering frames and other clamping fixtures by simply drilling a hole in the frame material to accept the threaded bushing. Double handle design produces greater torque and heavy-duty Acme threads ensure smooth operation. Removable swivel makes installation quick and easy. Overall length is 11½".



MODEL H2597	ONLY	$12.95

F-CLAMPS WITH CAM ACTION

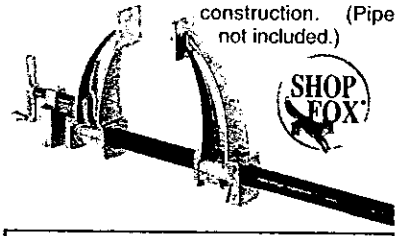
These Cam Action clamps produce a surprising amount of clamping pressure and are quick to adjust and secure. Cork pads protect the workpiece and beech clampheads and cam levers provide years of dependable use. Sizes indicate reach. Each has an 8" jaw opening.



MODEL H2842	4¼"	ONLY	$7.95
MODEL H2843	6"	ONLY	$9.95
MODEL H2844	7½"	ONLY	$11.95

DEEP REACH PIPE CLAMPS

Cast iron, ribbed construction make these heavy-duty Pipe Clamps ideal where deep reach is needed. Both use standard pipe with NPT threads. Ideal for case construction. (Pipe not included.)



5" reach for ½" pipe		
MODEL H2541	ONLY	$13.95
7" reach for ¾" pipe		
MODEL H2542	ONLY	$17.95

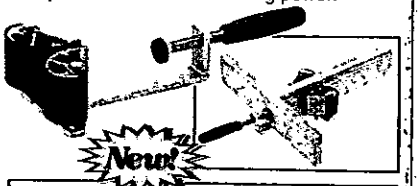
MITER CLAMPING SYSTEM

This professional system features interchangeable adapters for clamping at 22.5°, 30°, 45° and 60°. Includes 2 jaw carriers with locking device and 2 adapters for each miter angle. Requires the use of a bar clamp (not included).

MODEL	PRICE	4 OR MORE
H3848	$25.95	$23.95

CONTACT CLAMP

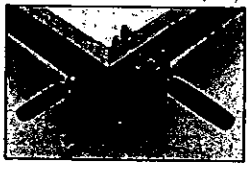
This Contact Clamp with automatic tension adjustments ideal for gluing shelving and inside ledges. Rubber lining protects surfaces and provides additional holding power.



MODEL	PRICE	4 OR MORE
H3849	$65.95	$59.95

MULTI-SPANNER

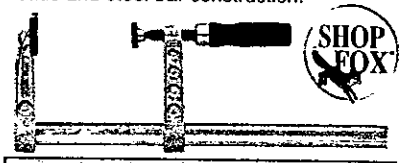
This clamp acts as 90° angle clamp, dovetail or box joint clamp and bench vise.



MODEL	PRICE	4 OR MORE
H3850	$28.95	$25.95

HEAVY-DUTY F-CLAMPS

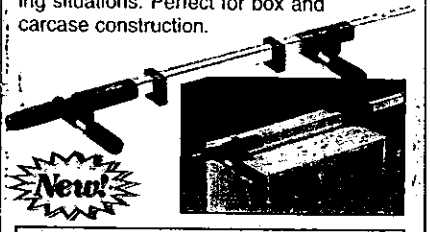
These Heavy-Duty F-Clamps feature quick sliding adjustment, non-marring pad protection and 4⅜" of depth for just about any clamping requirement. Long, narrow stationary head allows these clamps to reach into tight places. Cast iron clamp heads and steel bar construction.



MODEL H2618	12"	ONLY	$7.95
MODEL H2619	18"	ONLY	$8.95
MODEL H2620	24"	ONLY	$10.95
MODEL H2621	36"	ONLY	$11.95

BOX CLAMPS

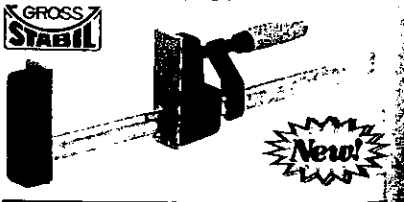
These infinitely adjustable clamps with plastic-coated convertible tubular jaws can be used for parallel and non-parallel clamping situations. Perfect for box and carcase construction.



MODEL	LENGTH	PRICE	4 OR MORE
H3851	28"	$52.95	$47.95
H3852	40"	$54.95	$49.95
H3853	60"	$59.95	$54.95
40" Extension			
H3854		$27.95	$25.95

PC² PARALLEL CLAMPS

The jaws of these clamps remain perfectly square during the tightening process. Large clamping area and durable plastic pads protect the workpiece. Clamps produce up to 1100 lbs. of clamping pressure.



MODEL	LENGTH	PRICE	4 OR MORE
H3855	12"	$29.95	$27.95

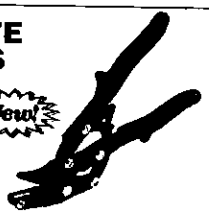
MODEL G8673 ONLY $9.95

Replacement Blades for G7912 End Trimmer
MODEL G8674 ONLY $12.95

LAMINATE SHEARS

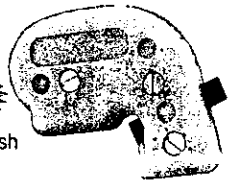


New!

Cuts color side up with no chipping.
H4203 – Straight cut
H4204 – Curved cut

MODEL H4203	ONLY	$26.95
MODEL H4204	ONLY	$36.95

MICE KNIFE

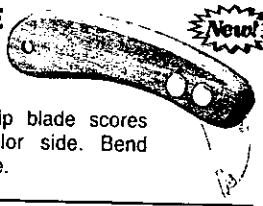


New!

Eliminates use of finish filing on laminates.

MODEL H4205	Knife	ONLY	$11.95
MODEL H4206	Blade	ONLY	$4.95

LAMINATE SCORING KNIFE



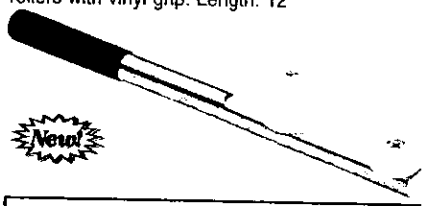
New!

Double carbide tip blade scores laminates on color side. Bend upward to separate.

MODEL H4207	Knife	ONLY	$7.95
MODEL H4208	Blade	ONLY	$3.95

DOUBLE EDGE SQUEEZE ROLLER

Lever action applies pressure along the edge of laminates. Great for correcting edge lifts. Aluminum handle. Two polypropylene white rollers with vinyl grip. Length: 12"

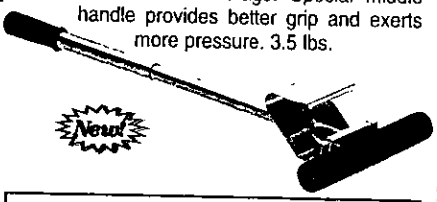


New!

MODEL H4202 ONLY $9.95

EXTENSION ROLLER

Sturdy nickel plated, twist and lock handle is expandable from 17" to 28". Ideal for counter tops and laminate work when extra pressure is needed. Three 3" x 1½" black rubber rollers provide over 9" of coverage. Special middle handle provides better grip and exerts more pressure. 3.5 lbs.

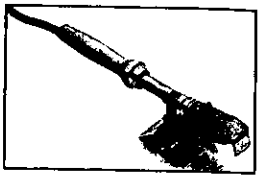


New!

MODEL H4201 ONLY $38.95

HAND IRON

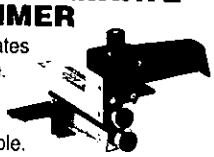
For edge banding pre-glued tapes. Features quick heat up time, thermostat, wood handle and heat resistant base.



MODEL G7914 ONLY $49.95

HAND HELD LAMINATE TRIMMER

Strip cutter for all laminates is quick and easy to use. Makes clean, splinter free cuts with no waste. Cutting depth is adjustable.



MODEL G7913 ONLY $99.95

ROLLERS

Choose J Roller or heavy-duty Bent Handle Roller to apply pressure for laminating and veneering.

MODEL G7915	J	ONLY	$8.95
MODEL G7916	Bent	ONLY	$18.95

PRE-GLUED EDGE BAND

Premium quality edge banding material is pre-glued with heat activated adhesive. Choose from polyester plastic in popular colors or natural wood veneer.

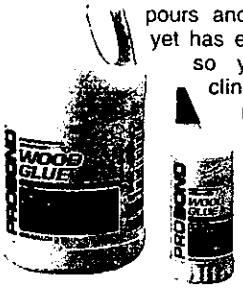
GLUE

PROBOND™ WOOD GLUE

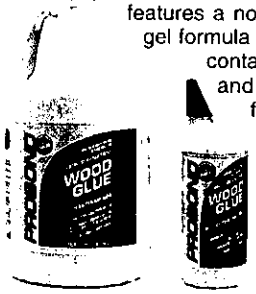
Created especially for professional woodworkers, Probond™ glue bonds stronger than wood itself and sets in 10-25 minutes. ProBond™ pours and spreads easily, yet has excellent wet tack so your workpieces cling together and require fewer clamps. It's sandable, paintable, heat and moisture resistant and cleans up with water.



MODEL	SIZE	PRICE	2 OR MORE
G5536	12 oz.	$3.95	$3.49
G5537	1 gal.	$14.95	$12.95

EXTERIOR WOOD GLUE

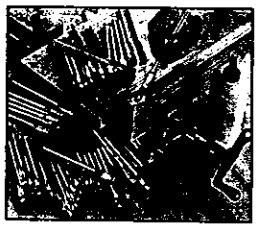
This weather resistant wood glue features a no-run, easy to use gel formula that sands easily, contains a mildewcide and has real wood fibers for good staining ability.



MODEL	SIZE	PRICE	2 OR MORE
G6160	12 oz.	$4.75	$4.29
G6161	1 gal.	$17.95	$15.95

GLUE BRUSHES

Use these handy disposable ⅜" and ¾" brushes for everything from glue to flux. Made with extra-long horsehair bristles. In 50-count packs. 25 of each size.



MODEL G3722	ONLY $7.95

CONTACT CEMENT

Easily applied by brush or roller, this neoprene based contact cement cleans-up with water, is non-flammable and covers up to twice the area of solvent based contact cements. This fine product also dries in 20 minutes and is water resistant when dry.

MODEL	SIZE	PRICE	2 OR MORE
G5532	1 pt.	$5.95	—
G5533	1 qt.	$9.95	$7.95

PROBOND™ POLYURETHANE GLUE

The ultimate universal adhesive bonds virtually everything: metal, leather, wood, ceramic, brick, stone, glass and most plastics, to themselves and to each other. If that's not enough, it's waterproof, sands well, will not dull saws or tools, is stainable and paintable and does not contain volatile solvents.

MODEL	SIZE	PRICE	2 OR MORE
G5534	8 oz.	$7.95	—
G5535	16 oz.	$12.95	$11.95

PROBOND™ WOOD FILLER

Professional quality ProBond™ wood filler repairs minor defects in indoor and outdoor wood products. It contains real wood fibers, dries quickly with little shrinkage, sands easily and can be sawed, drilled, stained and painted. Available in a variety of wood colors. 4 oz.

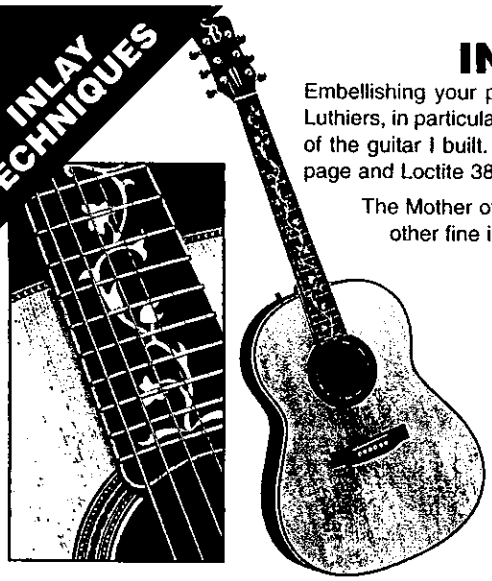
INLAY TECHNIQUES



INLAY MATERIALS

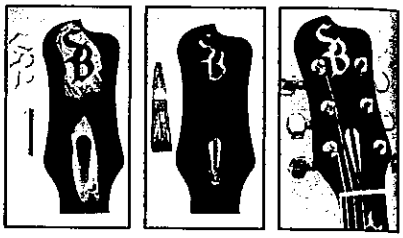
Embellishing your project can be extremely gratifying and quite often sets your work apart from others'. Luthiers, in particular, use all kinds of materials to beautify their instruments. The inlays shown here are part of the guitar I built. All inlays were installed by hand using cyanoacrylates (Maxi-cure shown on opposite page and Loctite 380 Black Max, shown on page 248).

The Mother of Pearl and Abalone we offer below is high quality material suitable for guitars and other fine inlay work. Send me pictures of your work. I love to see good workmanship!

Here are some specifications on this guitar: *S. Balolia, President*

No. of inlays:	27
Inlay material:	Fossil Ivory, Mother of Pearl
Body wood:	Bubinga backs/sides & Sitka Spruce Top
Body binding:	Fiddleback Maple
Neck wood:	Honduras Mahogany
Neck binding:	Ivoroid Plastic
Fretboard overlay:	Gabon Ebony
Peghead overlay:	Gabon Ebony
Bridge:	Graphite
Tuning Machines:	Schaller
Finish:	2 coats sealer and 9 coats nitrocellulose lacquer (page 283)

No. of hours from start to finish 300+ (including jigs)
Without jigs – 150+ (*Jigs can be re-used on future guitars*).



SELECT MOTHER OF PEARL

Sold in packs of two, these Mother of Pearl pieces are excellent for inlaying. Each piece is about 1/16" thick.

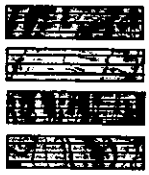
MODEL H2889 3 x 4 cm (About 1 3/16" x 1 9/16") per pair	$4.50
MODEL H2890 3 x 5 cm (About 1 3/16" x 2") per pair	$5.50

ABALONE VENEERS

Used in the Orient for centuries these sheets are made up of very thinly sawn pieces, edge glued together and sanded perfectly flat both sides to .010 - .013 thick. Moderately flexible. 5½" x 9½" sheet.

MODEL T1015 Curly Abalone	$18.95
MODEL T1016 Paua Abalone	$18.95

ABLAM STRAIGHT STRIPS



Consistent and deeper color. Will not sand through. Breaks easily to make bends and joints. Breaks are not obvious, in fact, the more breaks, the nicer it looks! Need 13 strips to do one side of guitar.

RAINBOW ABALONE	.050" thick, .063" wide	
MODEL T1033	Per Strip	$6.50
MODEL T1034	Set of 13	$79.95

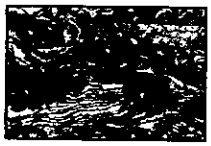
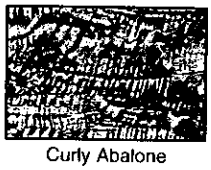
MODEL T1039	Per Strip	$7.30
MODEL T1040	Set of 13	$89.95

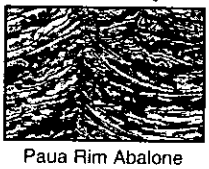
ABLAM LAMINATE SHELL SHEETS *(Incredible Stuff!)*



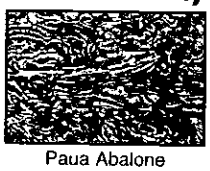
Rainbow Abalone



Curly Abalone



Paua Rim Abalone



Paua Abalone

This patented process is one of the best things that has happened to the shell industry. Essentially, Abalone shells are cut into manageable sizes and sawn to very thin slabs. These are then matched for grain, overlapped a little, glued and sanded. The lines are hardly visible. This process allows users to work with larger pieces saving a lot of labor. Ablam is used by most of the major guitar manufacturers in the USA.

SOLD IN ¼ SHEETS AND FULL SHEETS IN TWO THICKNESSES.

CYANOACRYLATES – THE BEST ON THE MARKET!

Made in the U.S.A., these instant bond CA's are formulated to be the freshest, highest quality CA's available at any price. Used for inlaying, making model airplanes and other radio controlled products, gluing hard plastics, ceramics, glass, metal, foam, laminating, working with balsa, soft woods and hardwoods.

MUCH STRONGER THAN WOOD GLUE

Works Good ● Works Best ●

MAXI-CURE™

Extra-thick cyanoacrylate has 10-25 seconds of maximum working time which allows greater control over part alignment. Maxi-Cure™ is ideal for soft and hard woods, glass, metal, fiberglass, ceramics, hard plastics, laminating and reinforcing and is a very good all-purpose cyanoacrylate adhesive. Choose from three sizes to suit your needs.

GREAT FOR INLAYS

MODEL H0916	½ oz.	ONLY $3.25
MODEL H0917	1 oz.	ONLY $5.50
MODEL H0918	2 oz.	ONLY $9.95

INSTA-CURE+™

When working with balsa wood for model building or other soft woods, this Gap-filling cyanoacrylate is tough to beat. Maximum working time is 5-15 seconds, so no clamps are needed during assembly. Simply apply Insta-Cure+™ and hold parts together until set. Permanent bonding Insta-Cure+™ dramatically speeds assembly time over traditional wood glues.

MODEL H0925	½ oz.	ONLY $3.25
MODEL H0926	1 oz.	ONLY $4.95
MODEL H0927	2 oz.	ONLY $8.95

INSTA-SET™

This Insta-Set™ accelerator allows CA adhesives to cure quickly. Ideal for applying additional beads of cyanoacrylate along a seam to significantly enhance the joint's strength. Simply spray on Insta-Set between beads to create a super strong joint. Convenient 2 oz. pump spray bottle.

MODEL H0928	2 oz.	ONLY $4.95

SUPER GOLD™

Super Gold™ is an odorless, thin viscosity cyanoacrylate with 5-10 seconds maximum working time. Ideal on rubber and white foam. Three container sizes to choose from.

MODEL H0919	½ oz.	ONLY $6.95
MODEL H0920	1 oz.	ONLY $11.95
MODEL H0921	2 oz.	ONLY $19.95

SUPER GOLD+™

Super Gold+™ is an odorless, thick viscosity, gap-filling cyanoacrylate with a little longer maximum working time of 10-25 seconds over Super Gold™. Just like Super Gold™, it's Ideal on rubber and white foam. Three container sizes to choose from.

MODEL H0922	½ oz.	ONLY $6.95
MODEL H0923	1 oz.	ONLY $11.95
MODEL H0924	2 oz.	ONLY $19.95

UN-CURE™ DE-BONDER

If parts are bonded incorrectly or your fingers are all stuck together, a few drops of Un-Cure™ will dissolve CA in about a minute. Because of CA's fast working time, it's always a good idea to have a bottle or two of Un-Cure™ handy just in case.

MODEL H0929	1 oz.	ONLY $3.25

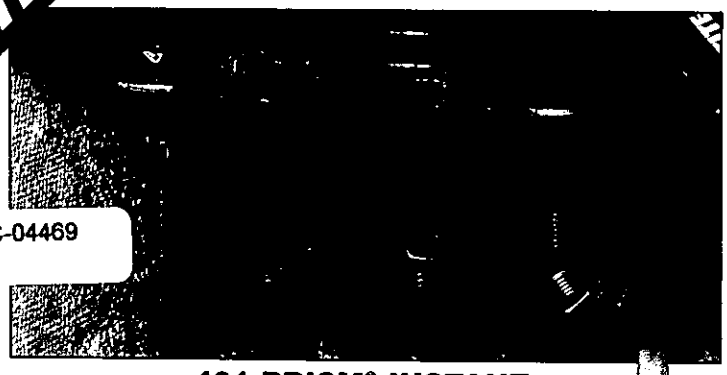
LOCTITE INSTANT ADHESIVES & THREAD SEALANTS

New!

GRIZC-04469



Loctite® technology has made the productivity promises of cyanoacrylate adhesives a reality with a wide selection of high-performance, application specific, instant adhesives. The ultra high-performance PRISM® family of instant adhesives surpass the most stringent demands with toughened formulations including low odor, low blooming, surface insensitivity and heat resistance. Loctite® is also the industry leader for threadlocking products, anaerobic flange sealants, and thread sealants.

401 PRISM® INSTANT ADHESIVE

This is a general-purpose surface insensitive adhesive for difficult-to-bond surfaces. 20 gram bottle.

MODEL H2500	ONLY	$12.95

406 PRISM® INSTANT ADHESIVE

This wicking grade surface insensitive adhesive has a very low viscosity which allows it to penetrate by capillary action. 20 gram bottle.

MODEL H2501	ONLY	$12.95

380 BLACK MAX® TOUGHENED INSTANT ADHESIVE

This is the cyanoacrylate of choice when inlaying into ebony. Acts as a filler as well as an instant glue. No more messing around with ebony dust. 3 gram tube or 1oz. bottle.

MODEL H2502	3 g.	ONLY	$3.95
MODEL H2503	1 oz.	ONLY	$14.95

411 PRISM® CLEAR TOUGHENED INSTANT ADHESIVE

Just like H2503, but 411 PRISM® has a clear formulation. 20 gram bottle.

MODEL H2504	ONLY	$14.95

430 SUPER BONDER® INSTANT ADHESIVE

This is a general industrial grade instant adhesive. Excellent choice for bonding close fitting metal parts. 1 oz. bottle.

MODEL H2505	ONLY	$13.95

404 QUICK SET™ INDUSTRIAL ADHESIVE

This is a general-purpose instant adhesive for general maintenance and repair. Excellent for rubber bonding. ⅓ oz. bottle.

MODEL H2514	ONLY	$15.95

454 PRISM® INSTANT ADHESIVE GEL

This general-purpose, no-run clear gel can be applied to vertical surfaces and is excellent for almost all surfaces. Ideal for porous and rough surfaces. 20 gram tube.

MODEL H2506	ONLY	$14.95

545 THREAD SEALANT HYDRAULIC / PNEUMATIC

This liquid sealant locks and seals high pressure fluid power systems with tapered fittings. Will not foul valves or filters.

MODEL H2513	50 ml	ONLY	$23.95
MODEL H2519	10 ml	ONLY	$8.95

577 THREAD SEALANT

This medium strength, general-purpose sealant is ideal for use on coarse threaded components. 50 ml tube.

MODEL H2524	ONLY	$15.95

FLANGE SEALANTS & THREADLOCKERS

New!

266 THREADLOCKER HIGH TEMP. / HIGH STRENGTH

Fast acting threadlocker resists oil and mild surface contamination at temperatures to 450°F. Locks fasteners up to ¾" (20mm) in diameter. 10 ml and 50 ml bottles.

MODEL H2510	50 ml	ONLY $24.95
MODEL H2516	10 ml	ONLY $11.95

243 THREADLOCKER OIL RESISTANT / MEDIUM STRENGTH

This general-purpose, medium strength threadlocker has improved oil tolerance for fasteners between ¼" and ¾" (6 to 20mm) diameters. 10 ml and 50 ml bottles.

MODEL H2509	50 ml	ONLY $24.95
MODEL H2515	10 ml	ONLY $11.95

271™ THREADLOCKER HIGH STRENGTH

This high strength, low viscosity threadlocker is formulated for fasteners up to 1" (25mm) diameter. 10 ml and 50 ml bottles.

GRIZC-04470

MODEL H2511	50 ml	ONLY $23.95
MODEL H2517	10 ml	ONLY $10.95

277 THREADLOCKER HIGH STRENGTH

Locks fasteners up to 1½" (36mm). Protects threads from rust and corrosion. Removable with heat and hand tools. 10 ml and 50 ml bottles.

MODEL H2512	50 ml	ONLY $23.95
MODEL H2518	10 ml	ONLY $11.95

510 GASKET ELIMINATOR® HIGH TEMPERATURE FLANGE SEALANT

This product has a temperature range to 400°F with excellent solvent and chemical resistance. Makes or dresses gaskets in rigid assemblies. 50 ml tube.

MODEL H2507	ONLY $17.95

518 GASKET ELIMINATOR® FLANGE SEALANT

This product forms a flexible, solvent resistant seal that won't tear or decay. Seals to 300°F and fills gaps to 0.050". Can be used on flexible metal assemblies including aluminum surfaces. Easy disassembly and cleaning. 50 ml tube.

MODEL H2508	ONLY $12.95

SPRAY ADHESIVES

The all-purpose spray adhesive bonds lightweight, porous and non-porous surfaces and allows repositionable and permanent bonds. It's fast drying, won't shrink or bleed and contains no CFC's. The maximum strength formula is designed for bonding foam, carpet, fabrics, plastics, and rubber. Sprays on clear and is resistant to water and extreme weather conditions. H2520 is 10.5 oz. net wt. H2521 is 16.75 oz. net wt.

MODEL H2520	10.5 oz. – All-Purpose	ONLY $4.95
MODEL H2521	16.75 oz. – Maximum Strength	ONLY $8.95

NON-SLIP COATINGS

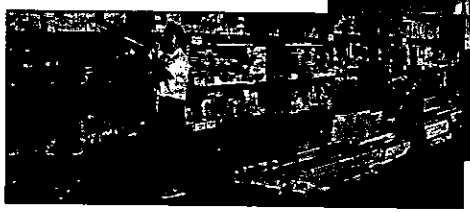
Big Foot™ epoxy flooring products provide tough, long lasting anti-skid surfaces on wood, concrete, and metal floors. Ideal for heavy pedestrian or light rolling traffic including ramps, walkways, locker rooms, stairs, and assembly areas. Coverage is 50 square feet. Curing time is 12 hours.

MODEL H2522	1 Gal. – Black	ONLY $69.95
MODEL H2523	1 Gal. – Gray	ONLY $69.95

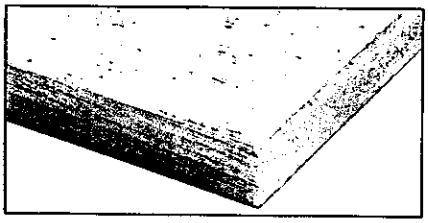
Welcome to the Grizzly Wood Store. Due to frequent customer requests we've added the most popular domestic and exotic hardwoods to our selection of fine tools. Our buyers go to the mills and purchase full truck loads of these woods, which are then processed by us at our own plant and shrink wrapped for shipping. Each piece is individually inspected and meets Grizzly's high grading standards. Buy with confidence.

GRIZC-04471

Our wood is sold in a semi-raw form, and should not be considered finished and ready to use. Further processing such as surfacing and or jointing may be required.



BIRCH



BETULA ALLEGHANIENSIS: Creamy white to reddish brown. Closed grain with even texture. Rarely has quilted figured grain. Heavy, hard and very strong. Has a sweet smell when cut.

THICKNESS & WIDTH	3' LONG	4' LONG	5' LONG	6' LONG
4/4(7/8") x 4"	H1701 $5.25	H1704 $7.00	H1707 $8.50	H1710 $13.00
4/4(7/8") x 5"	H1702 $6.50	H1705 $8.50	H1708 $10.75	H1711 $16.00

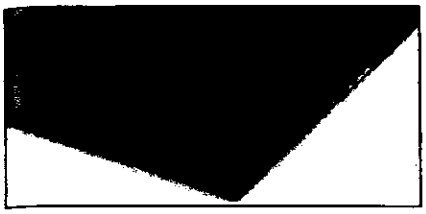
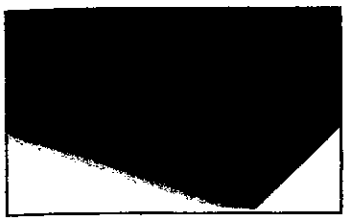
WHITE OAK



QUERCUS ALBA: Natural to olive green in color sometimes with white and gray. Like red oak only tighter open grain and 6 to 8 percent harder.

THICKNESS & WIDTH	3' LONG	4' LONG	5' LONG	6' LONG
4/4(7/8") x 4"	H1525 $4.75	H1531 $6.50	H1537 $7.75	H1543 $12.00
4/4(7/8") x 5"	H1526 $6.00	H1532 $7.75	H1538 $9.75	H1544 $14.75
4/4(7/8") x 6"	H1527 $7.25	H1533 $9.50	H1539 $11.75	H1545 $18.00

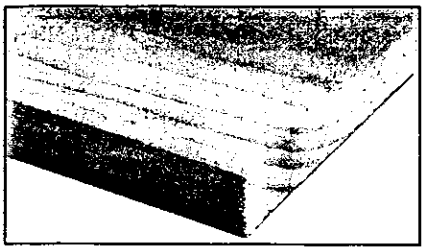
WALNUT



JUGLANS NIGRA: Sapwood is white to gray and Heartwood is gray brown to dark purplish brown. Grain is slightly open. Moderately heavy. Very strong. Sapwood is not considered a defect.

THICKNESS & WIDTH	3' LONG	4' LONG	5' LONG	6' LONG
4/4(7/8") x 4"	H1573 $6.50	H1579 $8.75	H1585 $10.75	H1591 $17.25
4/4(7/8") x 5"	H1574 $8.25	H1580 $10.75	H1586 $13.50	H1592 $21.25
4/4(7/8") x 6"	H1575 $9.75	H1581 $13.00	H1587 $16.00	H1593 $24.50

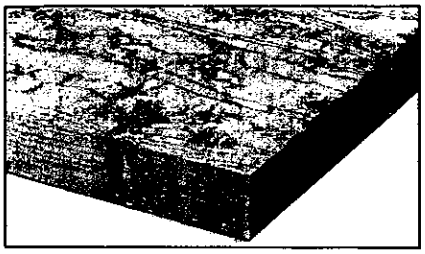
POPLAR



LIRIODENDRON TULIPIFERA: White to yellowish in color. Often with a green cast and sometimes black and purple mineral streaks. Even texture and straight closed grain. Light to medium.

THICKNESS & WIDTH	3' LONG	4' LONG	5' LONG	6' LONG
4/4(7/8") x 4"	H1645 $3.50	H1651 $4.50	H1657 $5.50	H1663 $8.50
4/4(7/8") x 5"	H1646 $4.25	H1652 $5.50	H1658 $7.00	H1664 $10.75
4/4(7/8") x 6"	H1647 $5.25	H1653 $6.75	H1659 $8.50	H1665 $12.50

BIRD'S EYE MAPLE



ACER SACCHARUM: Same as hard maple, but a little harder because of the irregular grain. Has small natural grain defects that give it its name. Density of bird's eyes vary from one board to the next.

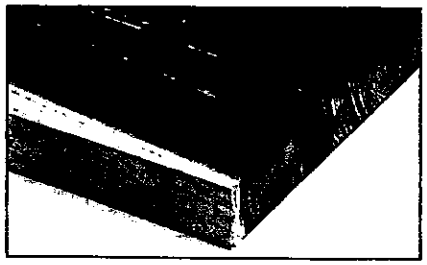
THICKNESS & WIDTH	3' LONG	4' LONG	5' LONG	6' LONG
4/4(7/8") x 4"	H1968 $10.25	H1971 $13.75	H1974 $16.75	H1977 $25.00
4/4(7/8") x 5"	H1969 $12.75	H1972 $16.75	H1975 $21.25	H1978 $31.75
4/4(7/8") x 6"	H1970 $18.00	H1973 $20.25	H1976 $25.25	H1979 $38.00

RED AROMATIC CEDAR TONGUE & GROOVE PANELS

Perfect for lining closets and chests, these ¼" thick Tongue and Groove Panels measure 48" long with a 3¾" wide exposure. Each panel has one smooth and one rough side.

MODEL H3897	15 Sq. Ft.	ONLY $21.95
MODEL H3898	32.5 Sq. Ft.	ONLY $39.95

RED AROMATIC CEDAR



JUNIPERUS VIRGINIANA: Eastern or southern cedar. Reddish purple and white in color. Knotty irregularities always present. Has a strong smell that wards off moths and other pests.

GRIZC-04472

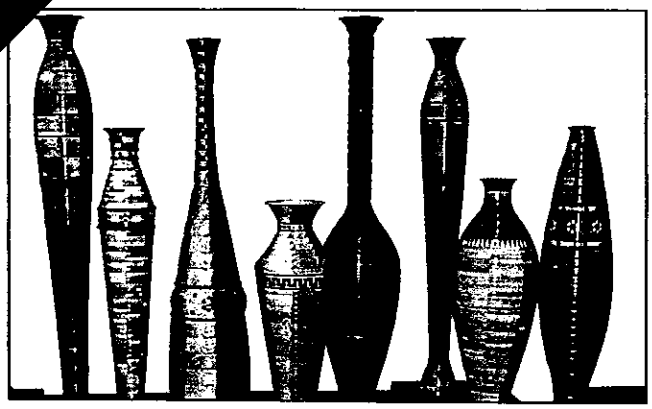
EXOTIC WOODS

EXOTICS!

We carry the highest quality and the most sought-after woods at incredible prices. We purchase full trailer loads and mill the wood in our own plant. Whether it's that special project or production runs, you will be pleased with our wood!



HONDURAS ROSEWOOD

DALBERGIA STEVENSONIL: Pinkish brown, purple to natural color with streaked lighter and darker bands. Very hard and heavy. Polishes well and turns nice.

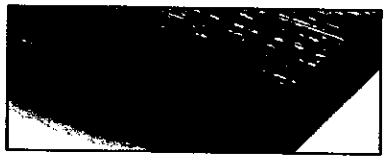
THICKNESS & WIDTH	1' LONG	2' LONG	3' LONG
4/4(7/8") x 1"	H1827 $2.50	H1834 $5.00	H1841 $7.25
4/4(7/8") x 2"	H1828 $5.00	H1835 $9.75	H1842 $14.50
4/4(7/8") x 3"	H1829 $7.25	H1836 $14.50	H1843 $21.75
4/4(7/8") x 4"	H1830 $9.75	H1837 $19.25	H1844 $28.75

PURPLEHEART

PELTOGYNE SPP: Also known as Amaranth. Dull brown heartwood. Turns deep true purple immediately after cutting. Even texture. Very hard and heavy. Works excellently.

THICKNESS & WIDTH	3' LONG	4' LONG	6' LONG
4/4(7/8") x 4"	H1758 $6.00	H1764 $8.00	H1776 $11.75
4/4(7/8") x 5"	H1759 $7.50	H1765 $9.75	H1777 $14.50
4/4(7/8") x 6"	H1760 $8.75	H1766 $11.75	H1778 $21.25

ZEBRAWOOD



MICROBARLINIA BRAZZAVILLENSIS: Natural and dark brown striped. Exceptionally pronounced. Very heavy and hard with course texture. Glues well. Brittle. Also called Zebrano wood.

THICKNESS & WIDTH	3' LONG	4' LONG	6' LONG
4/4(7/8") x 4"	H1920 $13.25	H1926 $17.75	H1938 $26.00
4/4(7/8") x 6"	H1922 $19.50	H1928 $26.00	H1940 $39.00

GABOON EBONY

DIOSPYROS SPP: Very deep black sometimes with brown. Usually comes from West Africa. Very indistinct grain. Very hard and heavy. Turns great. Joins with almost invisible lines.

THICKNESS & WIDTH	1' LONG	2' LONG	3' LONG
4/4(7/8") x 1"	H1746 $9.00	H1750 $18.00	H1754 $26.75
4/4(7/8") x 2"	H1747 $18.00	H1751 $36.00	H1755 $53.75
4/4(7/8") x 3"	H1748 $27.00	H1752 $53.75	H1756 $79.75
4/4(7/8") x 4"	H1749 $36.00	H1753 $71.75	H1757 $99.75

BUBINGA

GUIBOURTIA DEMEUSIL: Sometimes called African Rosewood. Light to deep red with streaks of darker red to purple. Very heavy and hard. Takes polish well. Great fine furniture wood.

THICKNESS & WIDTH	3' LONG	4' LONG	5' LONG	6' LONG
4/4(7/8") x 4"	H1848 $10.50	H1854 $14.00	H1860 $17.00	H1866 $20.50
4/4(7/8") x 6"	H1850 $15.50	H1856 $20.75	H1862 $25.50	H1868 $30.75

PADAUK

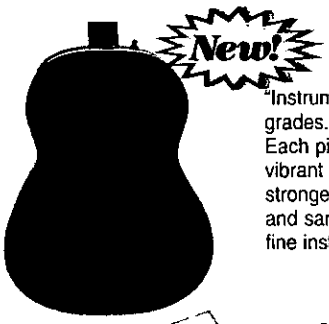
PTEROCARPUS MACROCARPUS: When freshly milled, bright orange in color. Darkens with sunlight to a brown color. Interlocked grain. Hard, heavy. Works well. Slightly open grain. Turns very nice.

THICKNESS & WIDTH	3' LONG	4' LONG	6' LONG
4/4(7/8") x 4"	H1896 $7.25	H1902 $9.75	H1914 $14.25
4/4(7/8") x 6"	H1898 $10.75	H1904 $14.25	H1916 $21.50

MAHOGANY

SWIETENIA MACROPHYLLA: Varies from orange brown to dark red brown. Darkens with sunlight. Slightly open grain. Sometimes figured. Straight grain. Hard. Medium heavy. Mills excellent.

THICKNESS & WIDTH	3' LONG	4' LONG	6' LONG
4/4(7/8") x 4"	H1872 $7.00	H1878 $9.50	H1890 $14.00
4/4(7/8") x 6"	H1874 $10.50	H1880 $14.00	H1892 $21.00

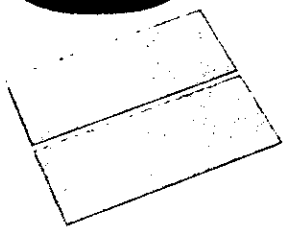


GUITAR TONEWOODS

"Instrument" wood is the best grade of wood that exists, but even within instrument wood, there are different grades. We have decided to carry only the highest grades of soundboards and back/sides sets for guitars. Each piece is individually quarter sawn and has very tight and straight/uniform growth lines with consistent and vibrant colors. Narrow and tight growth lines result from slow growing old trees and are proven to be structurally stronger than wider grain wood. Every set is hand sorted and picked by us and all of our sets are perfectly bookmatched and sanded to useable thickness on a wide belt sander. The below wood is meant for the discerning Luthier that builds fine instruments. **TRY A SET – YOU WILL BE EXTREMELY PLEASED!**

GRIZC-04474

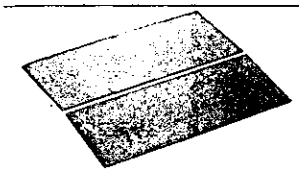
SITKA SPRUCE SOUNDBOARDS



Sitka Spruce is known for its fine tonal qualities and is the wood of choice for the best acoustic instrument tops. It is also one of the best woods for weight to strength ratio and sought after by aircraft builders. Our Sitka Spruce trees come from Alaska and each log is cut to soundboard lengths and split into wedge shaped billets (like large pieces of firewood). Each billet is marked for the cutting pattern and sawn on a special bandsaw with a 5" blade. The billet is rotated as the cuts are made to get the tightest quarter sawn grain possible. Our AAAA grade is quite often sold by others as Master grade. Nice light color with straight tight grain. Steelstring size is 8½" x 22" (one set consists of two pieces perfectly bookmatched). Kiln dried and thickness sanded to .125" – .130".

MODEL T1001	Steelstring AAAA Grade Bookmatched Pair	**ONLY $49.95**

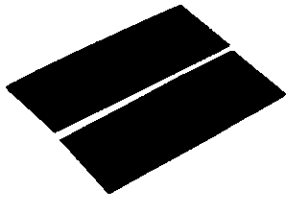
CEDAR SOUNDBOARDS



Our Western Red Cedar is from the Pacific Northwest and processed similarly to the spruce. Although preferred by classical guitar makers, it is also quite popular for steelstring because of its deep and crisp soundtone. We only offer one grade – the best! Steelstring size is 8½" x 22". Kiln dried and thickness sanded to .125" to .130".

MODEL T1002	Steelstring AAAA Grade Bookmatched Pair	**ONLY $34.95**

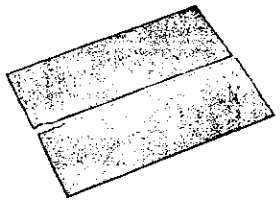
INDIAN ROSEWOOD BACK & SIDES SETS



We import our Indian Rosewood ourselves directly from the mills in India and our buyers pick out the absolute best sets. We sand our sets on wide belt sanders, air dry them in stickered piles and then sand them again to the finish thickness. Perfectly bookmatched, **these sets are incredible**! Classical size is 21" x 7½" for backs and 30½" x 4¼" for sides. Steelstring size is 21½" x 8½" for backs and 32½" x 5" for sides. Backs sanded to .115" to .120". Sides sanded to .095" to .100". One set consists of two pieces bookmatched backs and two bookmatched sides.

MODEL T1003	Classical Master Grade Bookmatched Pair	**ONLY $79.95**
MODEL T1004	Classical AAAA Grade Bookmatched Pair	**ONLY $59.95**
MODEL T1005	Steelstring Master Grade Bookmatched Pair	**ONLY $89.95**
MODEL T1006	Steelstring AAAA Grade Bookmatched Pair	**ONLY $69.95**

CURLY MAPLE BACK & SIDES SET



This highly figured wood is very hard to get, but with our connections and the fact that we buy other wood from this mill, we are able to get these select pieces in limited quantity. Our nice, white, super figured maple is sought after by many custom builders of fine acoustic instruments. Our supplier bluntly told us that all he had to do was make one phone call and it would be all gone – sight unseen in any quantity he could produce! Steelstring size in the AAAA grade only. 8½" x 22" for the backs and 34" x 4¾" for sides. One set consists of two pieces bookmatched backs and two pieces bookmatched sides. Very nice! Backs sanded to .115" to .120". Sides sanded to .095" to .100".

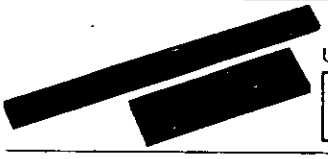
MODEL T1007	Steelstring AAAA Grade	**ONLY $99.95**

FINGER BOARDS

Our Indian Rosewood fingerboards are in the AAA+ grade and air dried both at the mills in India as well as by us. Our Gaboon Ebony is of excellent quality with an approximate size of 20½" x 2¾" x 5/16" thick.

MODEL T1008	Indian Rosewood AAA+ Grade	**ONLY $7.95**
MODEL T1009	Gaboon Ebony Fingerboard – Top Grade	**ONLY $14.95**

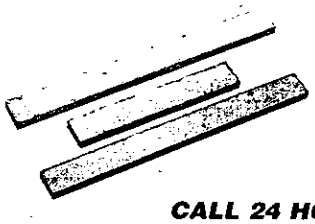
INDIAN ROSEWOOD BRIDGE



Used by both classical and steelstring builders, we offer two popular sizes in excellent quality AAA+ wood. Air dried.

MODEL T1010	15¾" x 1 5/16" x ½" AAA+ Grade	**ONLY $2.95**
MODEL T1011	7¼" x 2⅛" x 9/16" AAA+ Grade	**ONLY $3.50**

BRACING MATERIAL



Our Spruce and Cedar braces are actually milled from remnants left over from the quarter sawn soundboard billets. They are outstanding quality with tight growth rings and are kiln dried. Superb bracing for the custom builder.

MODEL T1012	Sitka Spruce – AAA+ Grade 20" x 2" x ¾"	**ONLY $4.50**
MODEL T1013	Sitka Spruce – AAA+ Grade 12" x 2" x ¾"	**ONLY $2.95**
MODEL T1014	Cedar – AAA+ Grade 20" x 2" x ¾"	**ONLY $4.50**

WOOD

VENEER *4 OR MORE – 10% OFF*

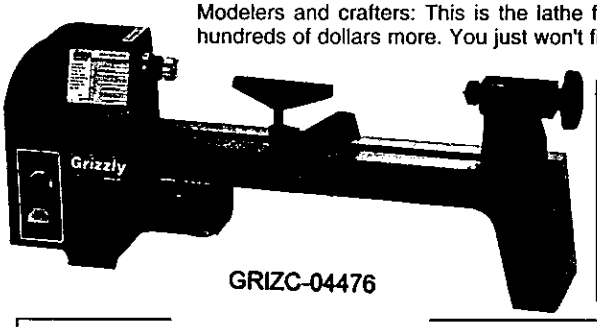
VARIABLE SPEED MINI WOOD LATHE

Modelers and crafters: This is the lathe for you! The Model G9247 has features found on other mini-lathes costing hundreds of dollars more. You just won't find a better value anywhere!



GRIZC-04476

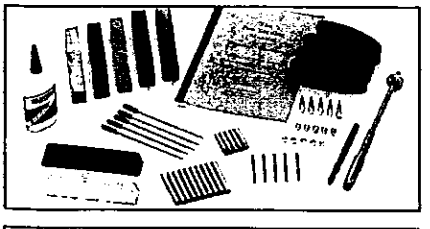
MODEL G9247 ONLY $139.95

FEATURES:

- Variable speed motor 300 - 4750 R.P.M.
- Cast iron bed and headstock
- ¾" x 16 TPI right hand spindle
- 5 15/16" swing over bed
- 3¼" swing over tool rest
- 12" between centers
- M.T. #1 spindle taper and tailstock taper
- ¼ H.P., 110V TEFC brush type motor
- 2.6 Amps
- Includes tool rest, live rolling center and spur center
- Overall dimensions: 27"L x 4¾"D x 9¾"H
- Shipping weight approx. 46 lbs.

PEN MAKING STARTER KIT

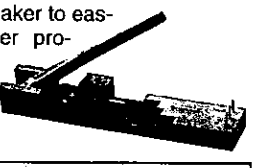
This complete starter set includes: 9/32" drill bit and 7mm mandrel kit, 2 polishing bars, 5 pen blanks (assorted species), curing agent, sanding strips and a detailed instruction manual. An excellent value!



MODEL H2330 Starter Kit **ONLY $65.95**
MODEL H2331 Ballpoint 5 pk **ONLY $16.95**

PEN RAM

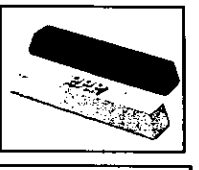
Allows the pen maker to easily press together progressively longer pen segments on a moveable, stepped board.



MODEL H2326 ONLY $34.95

PERFECT POLISH COMBO

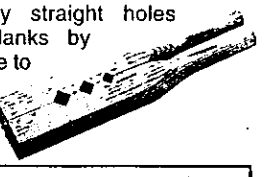
Lite and dark Perfect Pen Polish bars give a rich satin finish and remove fine scratches at the same time. 4 oz. bars.



MODEL H2329 ONLY $7.95

PEN DRILLING JIG

Drill consistently straight holes through pen blanks by clamping one side to your drill press table. Designed for production.



MODEL H2327 ONLY $14.95

CRYSTAL COAT

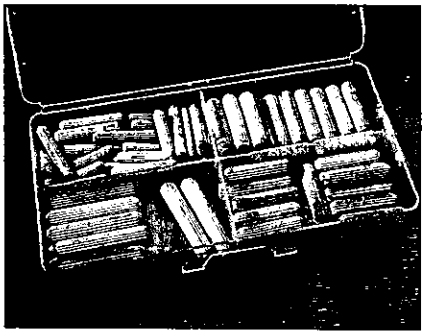
Just a drop of this mixture of shellac and water resistant carnauba wax produces a glass-like finish in seconds.

MODEL H2328 ONLY $6.95

WOOD PARTS

DOWEL PIN KIT

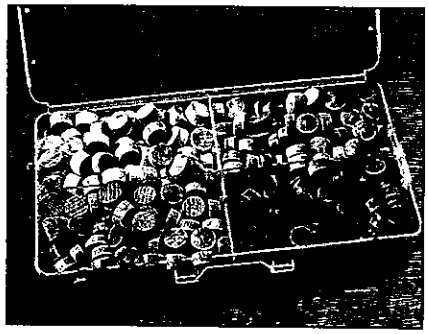
This generous assortment includes (50) ¼" x 1½", (20) ⅜" x 2" and (50) ⅜" x 1½" computer-inspected pins. Housed in a heavy-gauge, see-through plastic container.



MODEL G4793	ONLY	$9.95

FLAT PLUG KITS

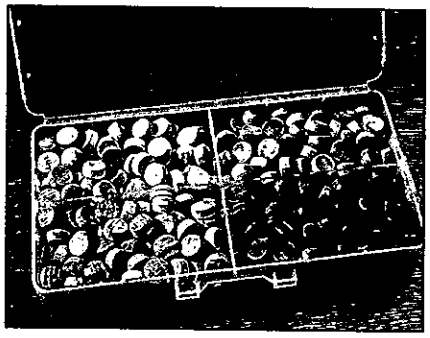
Flat-headed plugs in oak, walnut, cherry and birch. Conveniently packed in a snap-lock plastic container. Contains 100 plugs in each species.



MODEL G4796 ½" Flat	ONLY	$14.95
MODEL G4794 ⅜" Flat	ONLY	$12.95

OVAL PLUG KITS

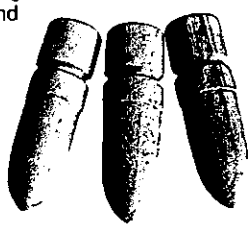
Our 400-piece oval plug kits offer 100 plugs in oak, walnut, cherry and birch. Packed in four-compartment plastic container.



MODEL G4795 ⅜" Oval	ONLY	$12.95
MODEL G4797 ½" Oval	ONLY	$14.95

TABLE PINS

These birch table pins are ⅜" in diameter and are 1¼" long. One end is chamfered and the other end is tapered. A groove near the chamfered end limits glue squeeze out.



MODEL	SIZE	SPECIES	QTY.	PRICE
G3918	⅜" x 1¼"	Birch	100	$4.00
G3919	⅜" x 1¼"	Birch	500	$10.95

FLOOR PLUGS

These end grain floor plugs duplicate pegged floors and can be used to hide installation screws. Plugs are chamfered to fit snugly in ⅝" holes and are 5/16" thick.

MODEL	SIZE	SPECIES	QTY.	PRICE
G3914	⅝" x 5/16"	Oak	100	$6.00
G3915	⅝" x 5/16"	Oak	500	$25.00
G3916	⅝" x 5/16"	Walnut	100	$6.00
G3917	⅝" x 5/16"	Walnut	500	$25.00

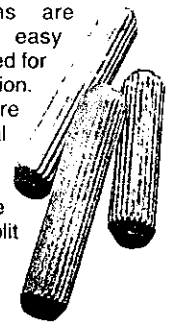
FLAT SCREW PLUGS

Available in birch, oak, cherry and walnut, these plugs come in two sizes. They're tapered to fit snugly in counterbored screw-holes and fit flush to the surface.

MODEL	SIZE	SPECIES	QTY.	PRICE
G3882	⅜"	Birch	100	$2.40
G3883	⅜"	Birch	500	$11.00
G3884	⅜"	Oak	100	$3.00
G3885	⅜"	Oak	500	$13.50
G3886	⅜"	Cherry	100	$4.00
G3887	⅜"	Cherry	500	$17.50
G3888	⅜"	Walnut	100	$4.50
G3889	⅜"	Walnut	500	$18.00
G3890	½"	Birch	100	$2.40
G3891	½"	Birch	500	$11.00
G3892	½"	Oak	100	$3.00
G3893	½"	Oak	500	$13.50
G3894	½"	Cherry	100	$4.00
G3895	½"	Cherry	500	$17.50
G3896	½"	Walnut	100	$4.50
G3897	½"	Walnut	500	$18.00

DOWEL PINS

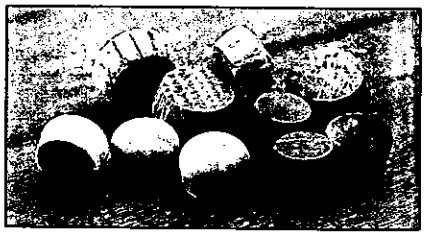
These computer-inspected dowel pins meet the demanding standards of high-speed drilling and dowel-driving equipment. Pins are chamfered for easy insertion and grooved for even glue distribution. Straight flutes are superior over spiral grooves as they virtually eliminate hydraulic pressure build up that can split joints.



MODEL	SIZE	QTY.	PRICE
G3872	¼" x 1½"	100	$2.50
G3873	¼" x 1½"	500	$11.00
G3874	⅜" x 1½"	100	$3.00
G3875	⅜" x 1½"	500	$12.00
G3876	⅜" x 2"	100	$3.00
G3877	⅜" x 2"	500	$13.00
G3878	½" x 2"	100	$3.50
G3879	½" x 2"	500	$15.00
G3880	½" x 2½"	100	$4.00
G3881	½" x 2½"	500	$18.00

OVAL SCREW PLUGS

Similar to flat plugs, these oval plugs provide a finished look to screw fastened projects. These plugs are tapered to fit snugly in counterbored screwholes and are available in two sizes in birch, oak, cherry or walnut. Oval plugs stand proud of the work surface and provide added detail.



MODEL	SIZE	SPECIES	QTY.	PRICE
G3898	⅜"	Birch	100	$2.40
G3899	⅜"	Birch	500	$10.00
G3900	⅜"	Oak	100	$3.00
G3901	⅜"	Oak	500	$13.50
G3902	⅜"	Cherry	100	$4.00
G3903	⅜"	Cherry	500	$17.50
G3904	⅜"	Walnut	100	$4.50
G3905	⅜"	Walnut	500	$18.00
G3906	½"	Birch	100	$2.40
G3907	½"	Birch	500	$10.95
G3908	½"	Oak	100	$3.00
G3909	½"	Oak	500	$13.50
G3910	½"	Cherry	100	$4.00
G3911	½"	Cherry	500	$17.50
G3912	½"	Walnut	100	$4.50
G3913	½"	Walnut	500	$18.00

MODEL H3866	ONLY $199.95

ACCESSORIES

MOISTURE METERS

MADE IN GERMANY, the Mini-Ligno gives instant, accurate moisture readings between 6 and 20%, indicated by bright L.E.D. lights. This meter can be used for veneer, hardwood and softwood, lumber, fiberboard, hardboard and many other materials. The unique battery-saver switch between the pins turns the meter on and off automatically. Comes with a chart so you can flip a switch and get the reading for exotic hardwoods as well. Great tool for anyone who works with wood.

The Mini-Ligno "C" features longer pins and reads core moisture in thicker lumber when a sample cut is not feasible. The Mini-Ligno "C" also allows cable connection for the sliding hammer. The complete package includes moisture meter, connecting cable, sliding hammer, 1" electrode pins and case.

MODEL G1491	Mini-Ligno Moisture Meter	ONLY	$89.95
MODEL G7926	Mini-Ligno "C" Moisture Meter Only	ONLY	$109.95

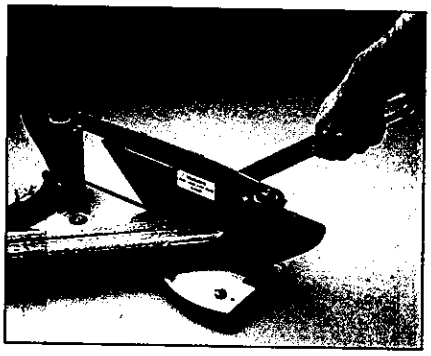
MITER TRIMMER

Incredible glass smooth cuts! For professional, precision mitering, our miter trimmer can't be beat. With its cast iron body and razor sharp, high carbon tool steel blades, this trimmer can easily handle picture frames, door frames, molding and more. Features two angle presets at 45° and 90°. For absolutely clean accurate miters, first make a rough cut with a saw, then finish up with a trimmer. Weighs 35 lbs. 4" max. width for ⅜" wood.



DON'T BE FOOLED BY THE LOW PRICE – IT'S A HIGH QUALITY PRECISION TOOL!

Miter Trimmer		
MODEL G1690	ONLY	$119.95
Pair of Blades		
MODEL G1691	ONLY	$49.95

OPTIONAL ACCESSORIES

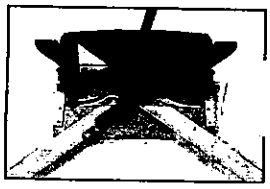
TOP-TRIM ATTACHMENT

This simple attachment makes it easier to cut perfect miters on hollow, round or outside edge mouldings. Ideal for making picture frames when measuring and marking on the inside of the rabbet.

MODEL G3043	ONLY	$19.95

MEASURING ATTACHMENT

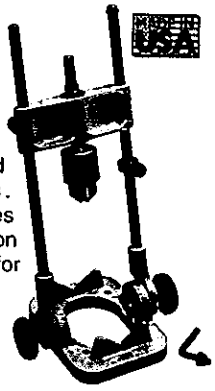
Make consistent cuts to length with this measuring attachment – critical for flawless picture frames. Simply drill mounting holes and secure to your Miter Trimmer. Includes adjustable stop gauge.



MODEL G3044	ONLY	$24.95

GENERAL® DRILL GUIDE

Turns your hand-held drill into a mini drill press! Just attach the Drill Guide to any standard ⅜" or ½" drill and bore round stock, stopped holes, angled holes and edges. This tool features automatic spring action and anchoring pins for secure drilling.

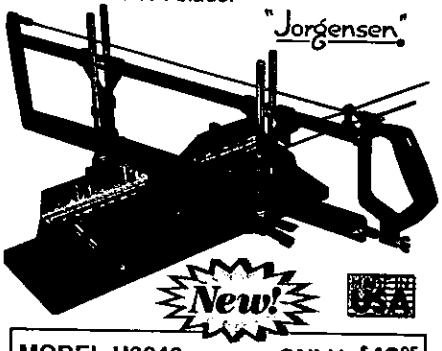


New!

MODEL H3487	ONLY	$34.95

COMPOUND MITER BOX

This precision miter saw features a one-piece aluminum base/back fence for built-in accuracy, quick-locking automatic settings plus adjusting lever for variable angle cutting, depth regulator, adjustable length stop and material clamp. Includes a standard 14 TPI blade.



New!

MODEL H3846	ONLY	$49.95

EXTRA REPLACEMENT BLADES:

MODEL H3862	14 TPI	ONLY	$7.95
MODEL H3863	18 TPI	ONLY	$7.95

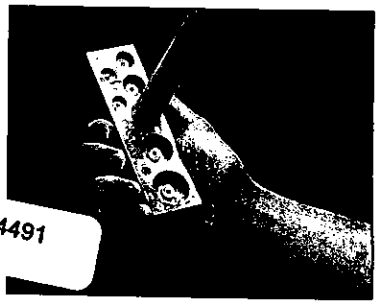
4-Pc. Set (2 Each, 14 TPI & 24 TPI)			
MODEL H3865		ONLY	$19.95

DOWEL CENTER MARKER

Match your dowel to an appropriate hole in this solid aluminum marker and give the dowel a tap from the other end. The center is accurately marked every time. It's easy as that!



MODEL G3724	ONLY	$12.95

GRIZC-04491

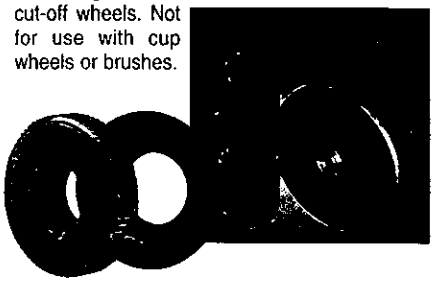
Jacobs® TORQ-MATE® IMPACT TOOL ADAPTER

Turn your regular corded or cordless drill into a powerful torque wrench. Just insert the Torq-Mate® into your ⅜" or ½" drill chuck and you're ready to go! The Torq-Mate® converts drill speed into pure turning power at the point of impact, so you can loosen or tighten fasteners with less chance of stripping.

MODEL G8672 ONLY $24.95

Jacobs® POWERNUT®

With the Jacobs® PowerNut®, changing wheels on your hand-held disc grinder is easy. Built to withstand excessive heat, dirt and corrosion, the PowerNut's built-in locking mechanism holds wheels securely at finger tightness. A special back flange is included for use with diamond and cut-off wheels. Not for use with cup wheels or brushes.



MODEL G8668 7" – 9" **ONLY $24.95**
MODEL G8669 4½" – 6" **ONLY $13.95**

52-PC. RAZOR KNIFE SET

Great for hobby and craft projects, this 52-piece Razor Knife Set includes five different blade holders, two awl holders, assorted 36 razor-sharp blades, 6 awl points, instant glue and a sharpening stone — all neatly organized in a handy case.

MODEL H2667 ONLY $29.95

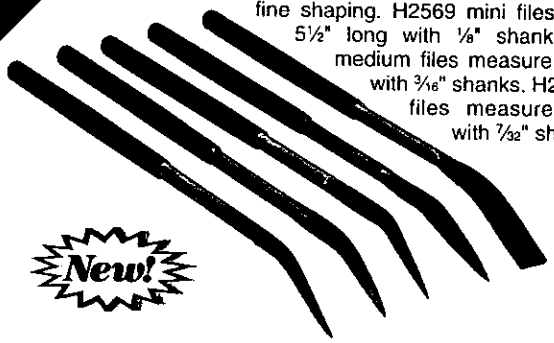
FILES

5-PC. CURVED NEEDLE NOSE FILE SETS

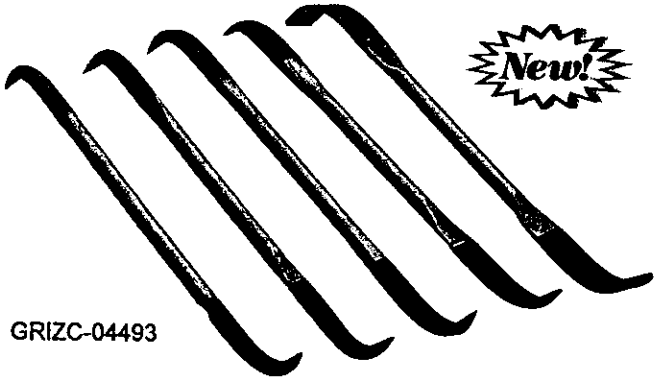
Available in three sizes, these Curved Needle Nose File Sets with five different tip profiles are ideal for extremely fine shaping. H2569 mini files measure 5½" long with ⅛" shanks. H2570 medium files measure 6¼" long with 3/16" shanks. H2571 large files measure 7" long with 7/32" shanks.



MODEL H2569	Mini, 5½" Overall Length	ONLY $3.95
MODEL H2570	Medium, 6¼" Overall Length	ONLY $3.95
MODEL H2571	Large, 7" Overall Length	ONLY $4.95

5-PC. RIFFLER RASP SET – FINE

Five different profiles with fine-cut teeth make up this fine Riffler Rasp Set. Each riffler rasp measures 7" long and has a duplicate profile on each end for long life. Tooth cut extends all the way to the tips for delicate shaping and smoothing applications.

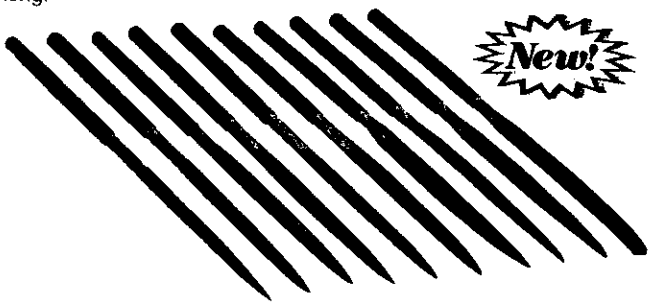


GRIZC-04493

MODEL H2565	ONLY $5.95

10-PC. NEEDLE NOSE FILE SET

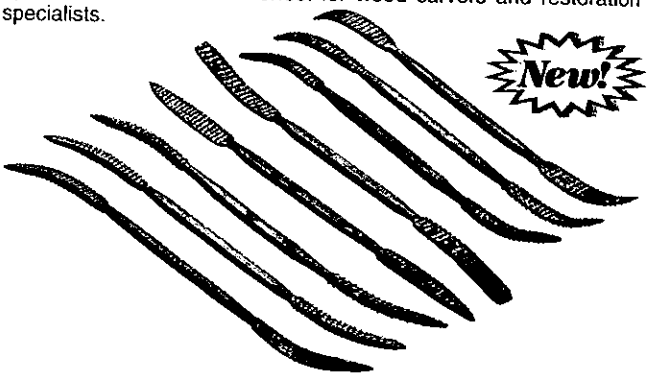
This Needle Nose File Set with vinyl grip handles includes ten profile shapes: round, half-round, flat, triangular, knife-edge, square and oval. All tips except the square nose flat file taper to a needle nose point for reaching into tight spots. Each file in the set measures 7" long.



MODEL H2572	ONLY $6.95

8-PC. RIFFLER RASP SETS

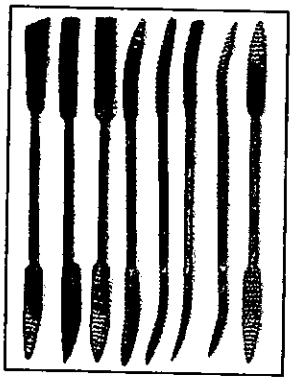
These double-ended 8-piece sets in fine, medium and coarse cut teeth have curved tips in a variety of shapes and profiles. H2566 and H2567 feature the same unique profile on each end, while H2568 has different profiles on each end for a total of 16 shaping options to choose from. Perfect for wood carvers and restoration specialists.



MODEL H2566	Medium, 7½" Overall Length	ONLY $6.95
MODEL H2567	Fine, 7½" Overall Length	ONLY $7.95
MODEL H2568	Coarse, 10" Overall Length	ONLY $9.95

8-PC. RIFFLER SET

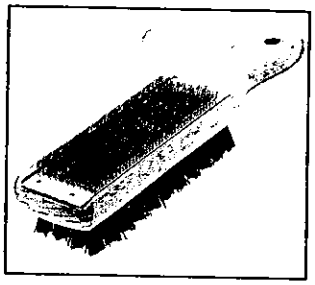
Our riffler rasp set contains just about every file type you need for shaping wood in hard to reach places. Aggressive tooth design removes wood fast. Each measures 7½" long. These are great files at a great price!



MODEL H1426	ONLY $8.95

FILE CARD

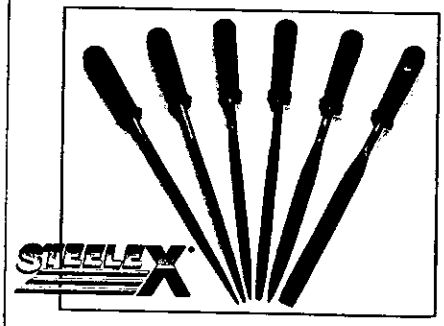
Wood rasps and files cut faster and last longer when kept clean. This File Card features low-nap wire bristles on one side for tough-to-clean imbedded filings and a polypropylene brush on the other. Increased production efficiency make this File Card worth its weight in gold!



MODEL G3810	ONLY $5.95

6-PC. MINI FILE SET

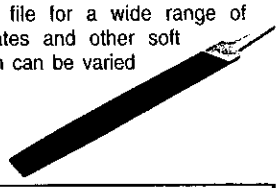
For delicate work, this Mini File Set includes an assortment of oval, flat, half round, round, triangular and square files with comfortable handles.



MODEL G8979	ONLY $5.95

10" RAPID CROSS-CUT FILE

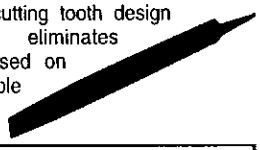
Fastest cutting file for a wide range of plastics, laminates and other soft materials. Finish can be varied by user.



MODEL G7774 ONLY $6.95

10" ½ ROUND ALUMINUM FILE

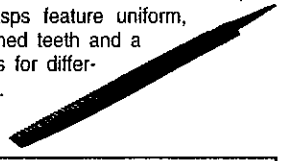
Features a fast cutting tooth design that virtually eliminates clogging when used on soft metals. Double cut.



MODEL G7784 ONLY $8.95

WOOD RASPS

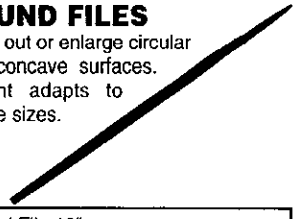
Used by woodworkers and cabinetmakers, these wood rasps feature uniform, individually formed teeth and a variety of styles for different applications.



½ Round Bastard Wood Rasp 10"
MODEL G7793 ½ rnd. 10" ONLY $5.95
½ Round Bastard Wood Rasp 12"
MODEL G7794 ONLY $7.95
Round Bastard Wood Rasp 10"
MODEL G7795 ONLY $3.95
½ Round 4-in-1 Shoe Rasp 8"
MODEL G7798 ONLY $3.95
Flat Combo Rasp 8"
MODEL G7799 ONLY $2.95

ROUND FILES

Used to round out or enlarge circular openings or concave surfaces. Tapered point adapts to numerous hole sizes.



Round Bastard File 10"
MODEL G7779 ONLY $3.95
Round Second File 10"
MODEL G7780 ONLY $4.95
Round Smooth File 10"
MODEL G7781 ONLY $4.95

4-PC. FILE SET

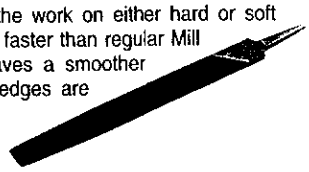
This 4-pc. file set includes all the files most people need for general purpose filing in one neat package. Contents include: 8" 4-in-1 shoe rasp, 6" slim taper, 6" round and 8" mill bastard.

GRIZC-04494

MODEL G7802 ONLY $8.95

10" LATHE FILE

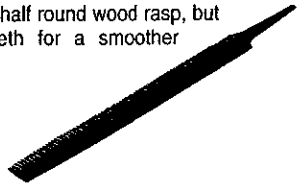
For finish lathe work on either hard or soft metals. Cuts faster than regular Mill files and leaves a smoother finish. Both edges are uncut (safe).



MODEL G7791 ONLY $6.49

SECOND CUT CABINET FILES

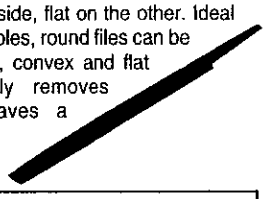
Similar to the half round wood rasp, but with finer teeth for a smoother finish.



MODEL G7796 8" ONLY $6.95
MODEL G7797 12" ONLY $10.95

HALF ROUND FILES

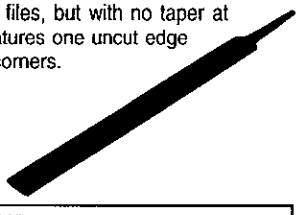
Rounded on one side, flat on the other. Ideal for rounding out holes, round files can be used on concave, convex and flat surfaces. Rapidly removes material but leaves a smooth finish.



½ Round Bastard File 6"
MODEL G7775 ONLY $3.95
½ Round Bastard File 10"
MODEL G7776 ONLY $5.95
½ Round Second File 10"
MODEL G7777 ONLY $7.95
½ Round Smooth File 10"
MODEL G7778 ONLY $7.95

HAND FILES

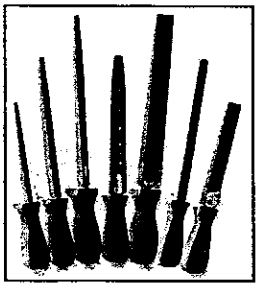
Similar to flat files, but with no taper at the point. Features one uncut edge for filing into corners.



Second File 10"
MODEL G7782 ONLY $5.49
Smooth File 10"
MODEL G7783 ONLY $5.95

7-PC. FILE SET

Includes a 8" half-round file, ¼" x 5½" and ⅜" x 10" round files, 6" and 10" flat files, ¼" x 8" square file and 8" triangular file. Contoured, high-impact plastic handles feature hanger slots, so they'll store above your workbench.



MODEL G8073 ONLY $11.95

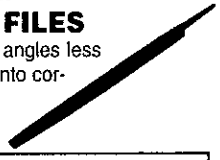
10" MILL CURVED FILE

Features curved contours across the file face for smoothing on curved metal surfaces.

MODEL G7792 ONLY $10.95

3 SQUARE FILES

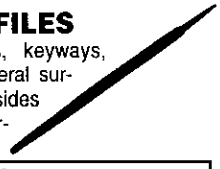
Used by machinists for angles less than 90°. This file gets into corners that others cannot.



3 Square Bastard File 10"
MODEL G7788 ONLY $5.95
3 Square Second File 10"
MODEL G7789 ONLY $6.49
3 Square Smooth File 10"
MODEL G7790 ONLY $6.95

SQUARE FILES

Used for filing slots, keyways, square holes and general surface filing. All four sides have equal filing surfaces. Double cut.



Square Bastard File 10"
MODEL G7785 ONLY $4.95
Square Second File 10"
MODEL G7786 ONLY $5.49
Square Smooth File 10"
MODEL G7787 ONLY $5.95

FINE ROSEWOOD HANDLES

These beautiful Rosewood Handles turn ordinary tanged hand tools into the extraordinary. Each handle is finely finished and features a turned finger grip for added control. Brass ferrule provides function as well as distinction.

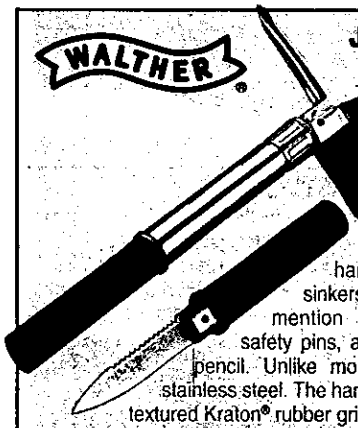
MODEL G7117	SILVER/SEMI-SERRATED	ONLY $10.95

WALTHER®

JUNGLE TOOL™



Fully assembled, the pick and shovel are great for digging a fire pit or latrine. A few twists and turns of the wrist exposes a razor sharp knife with an aggressive sawtooth spine. Need to get food? The bottom handle houses fishing line, hooks, sinkers and a slingshot attachment - not to mention emergency matches, bandages, safety pins, a cutting cable, sewing needle and pencil. Unlike most shovels, this one is made of stainless steel. The handle is lightweight aluminum under a textured Kraton® rubber grip for durability and control, and the entire tool stores away in a 8" x 4½" x 2" ballistic nylon pouch with belt loop. Shovel: 17½" Overall. Knife: 4⅝" Blade • 11½" Overall. 9.0 Ounces.

INCLUDES:
SAWTOOTH/RAZOR EDGED KNIFE, SHOVEL, SLING SHOT, BANDAGES, RAZOR BLADE, MATCHES, SINKERS, FISHING LINE, DOUBLE-STITCHED BALLISTIC NYLON CARRYING POUCH, PICK, FINGER SPLINTS, SEWING NEEDLE, SAFETY PINS, CUTTING CABLE, FISHING HOOKS AND PENCIL.

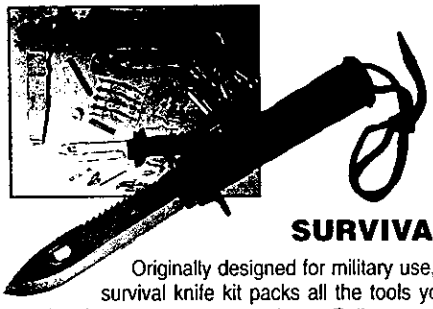
EXPLORA SURVIVAL KNIFE KIT



Originally designed for military use, this high-performance survival knife kit packs all the tools you need for wilderness survival into one compact package. Built around a brawny 10½" fixed blade knife with a 5" stainless steel blade and built-in saw blade, this all-in-one kit includes a high impact military-style scabbard that contains a spear point, slingshot, fishing line, snare and more. The screw-on knife butt opens to reveal a compass, matches, Morse Code translator and other survival essentials. A life-saver! 18 oz.

MODEL G6540 ONLY $27.95

MINI SHOVEL

Like a construction crew in your back pocket, this multi-function shovel and trenching tool will get the job done at a moment's notice. Packed in its own camo belt sheath, this 12" convertible camp tool features a heavy gauge round nose shovel, trenching dibble and a built in saw blade. The removable handle features rubberized grips for comfort and control. 20.2 oz.

MODEL G6542 ONLY $12.95

Smith&Wesson®

BOOKENDS

Guard and protect your precious book volumes with these Smith & Wesson® bookends. Styled after the famous Smith & Wesson® .44 magnum revolver, these reproduction, finely cast revolvers have pewter finishes with contrasting gold triggers, hammers, front sights and Smith & Wesson® logos. Rubberized grip inlays offer a fine finishing touch. Each revolver is mounted on a nice base with a protective rubber pad on the bottom. The pad not only protects the bookshelf against scratches, but it virtually eliminates any sliding that is common to most similar types of bookends. So, put your most treasured books in the place of honor — between a set of these finely crafted Smith & Wesson® bookends.

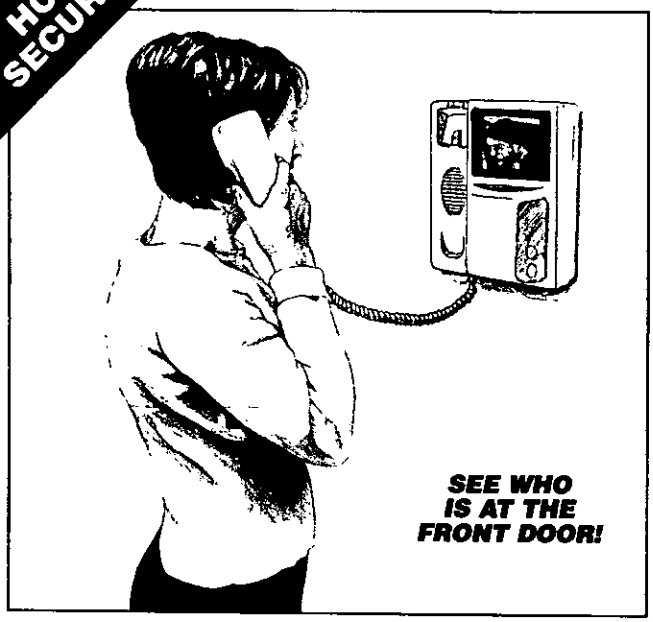
HOME SECURITY



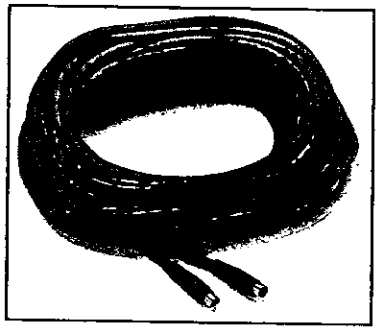
VIDEO DOOR PHONE WITH 65' CABLE

Screen solicitors and protect your family from unwanted visitors the high-tech way. The compact, two-way intercom system features a high-power infrared LED camera and bright, 4" black-and-white picture screen for maximum security in regular and low-light conditions. A built-in electric door opener enables the user to allow entrance from the console location. Includes 65' 4-pin cable.

MODEL G8619 ONLY $199.95

EXTRA 65' OF CABLE

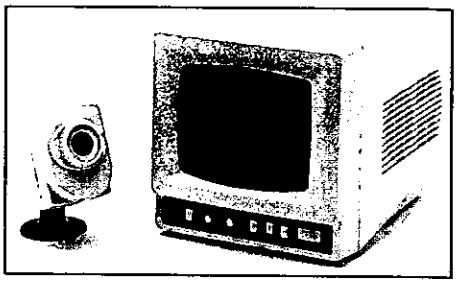
Heavy-duty 6-pin cable makes it possible to double the distance between your monitor and remote camera. Includes audio, video, power and grounding connections.



MODEL G8680 ONLY $16.95

SECURITY CAMERA WITH 5" MONITOR

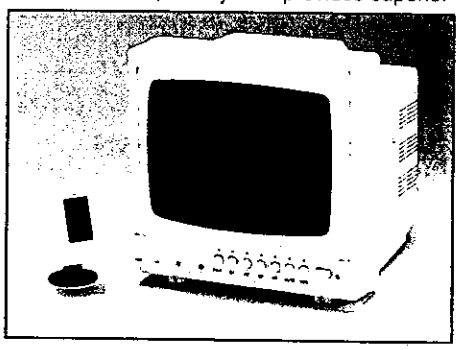
Easy-to-install security monitor with high-resolution black & white video and two-way audio is ideal for lobbies, kids' play areas, workshops or other areas where safety and security are essential. Wide-angle F1.6 camera provides 90° view in light as low as 1.0 lux. Two-channel monitor allows use with one additional camera. VCR outputs and 65' 6-pin cable included.



MODEL G8616 ONLY $159.95

SECURITY CAMERA WITH 10" MONITOR

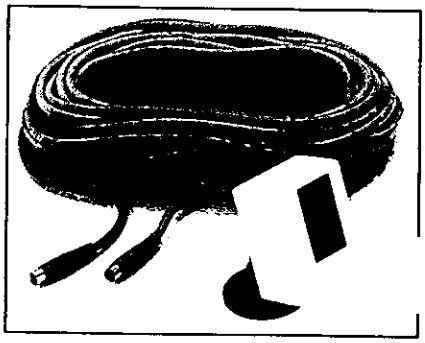
A bright, 10" monochrome screen with four camera inputs and sequential switching makes it easy to keep an eye on playgrounds, parking areas, patios or any other locations where safety or security are at risk. Combined with its highly sensitive, waterproof infrared LED camera, this system provides superior indoor or outdoor viewing in normal or low-light conditions to 0.1 lux. Two-way audio and VCR capabilities provide added security. 65' 6-pin cable included.



MODEL G8617 ONLY $199.95

EXTRA CAMERA WITH 65' OF CABLE

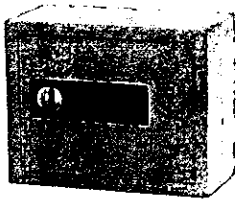
Waterproof, wide-angle LED camera with two-way audio capability can be added to your security system for multi-position viewing. Fixed-focus 3.8mm infrared lens provides a detailed image in light as low as 0.1 lux. Includes a 65', 6-pin cable for convenient installation.



GRIZC-04501

MODEL G8618 ONLY $99.95

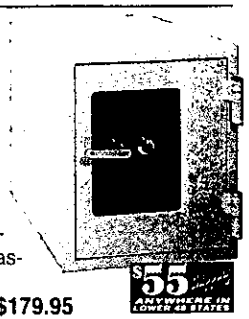
ELECTRONIC SAFE



An easy-to-use electronic keypad provides a secure barrier between your valuables and the bad guys. Perfect for in-wall or surface mounting, this rugged vault features pre-drilled holes for easy installation. This 15"W x 7"D x 11¾"H safe is powered by six "C" batteries, so power failures will not affect its security. A separate electronic override key box is included for added safety. Internal dimensions are 14½"W x 6¼"D x 11¼"H.

MODEL G8696 ONLY $79.95

DATA SAFE

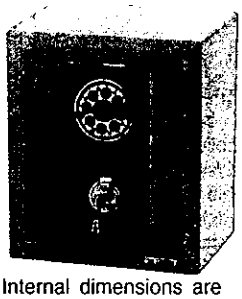


In the "Electronic Age", data has become one of the most important valuables we have. Why not give it the same protection you would provide for jewelry and other precious items? This 17¾"W x 18"D x 21¾"H safe is heavily insulated and constructed to provide the utmost protection for floppies, CD-Roms and other standard electronic file formats. Internal dimensions measure 8⅝"W x 7¾"D x 12½"H. 188 lbs.

MODEL G8698 ONLY $179.95

$55 ANYWHERE IN CONTINENTAL STATES

SAFE WITH COMBINATION AND KEYS



Safe protection for your valuables doesn't have to be expensive! This 9½"W x 7¼"D x 11"H safe features both a 3-number combination lock and a keyed-entry, so you can enjoy both security and convenience. Pre-drilled mounting holes make in-wall or surface attachment simple and secure. A built-in shelf provides added storage options. Contractors: you won't find a less expensive residential add-on that will attract more buyer appeal. Internal dimensions are 9"W x 6¼"D x 10½"H.

MODEL G8697 ONLY $49.95

GUN SAFES

Protect your prized firearms from theft and protect curious loved ones from harm at the same time. These heavy steel Gun Safes feature multiple 2" steel door bolt security, keyed access, hard gun and ammo compartments and permanent mounting holes through the backs. G9929 measures 57¼" tall x 13¾" wide x 13½" deep overall and holds five rifles.

G9930 measures 64¼" tall x 26¾" wide x 18¾" deep overall, holds 10 rifles and has key/dial combination access.

New!

SANDING SEALER

One of the most versatile products used in furniture touch-up. Fills and levels surface scratches, burn-in repairs, and smooths 'french padded' repairs. This product is fast drying, easy to sand and contains high solids for rapid build up. Seals in stains prior to final top coat for faster build up. 13 fl. oz.

MODEL H3918	ONLY	$5.95

BLUSH ERASER™

If you work in a humid, damp, or cold climate you need Behlen Jet Spray Blush Eraser™. Humid or cold weather can cause a finish to turn white or "blush". Behlen Blush Eraser™ re-flows the lacquer and allows the trapped moisture to escape without changing the existing sheen or color shade. Eliminates the need to sand off or chemically strip the damaged finish. 13 fl. oz.

MODEL H3919	ONLY	$5.95

BURN-IN SEALER

Burn-in Sealer may be sprayed over a burn-in stick repair to eliminate an unwanted gloss sheen or "halo" prior to topcoating with a clear lacquer finish. See Burn-in Kit on page 285.

GRIZC-04503

MODEL H4266	ONLY	$5.95

JET SPRAY™ CLEAR LACQUER

Specially formulated to enable the experienced as well as the novice to do a professional job. Two or three coats of the desired sheen will develop a durable, alcohol resistant lacquer finish. This product is economical, easily applied and dries quickly. 13 fl. oz.

MODEL H3900	Dead Flat	ONLY	$5.95
MODEL H3901	Flat	ONLY	$5.95
MODEL H3902	Gloss	ONLY	$5.95
MODEL H3903	Satin	ONLY	$5.95

TOP COAT LACQUER

Behlen Master Lacquer Top Coat is an alcohol and water resistant, high solid nitrocellulose lacquer. Use to seal and protect Behlen solvent based stains and other Master Aerosols. Master Lacquer Topcoat and Sanding Sealer perform like a spray gun applied finish. 13 fl. oz.

MODEL H3936	Gloss	ONLY	$5.95
MODEL H3937	Satin	ONLY	$5.95
MODEL H3938	Sealer	ONLY	$5.95

PENTHOUSE POLISH

Protects and preserves the natural beauty of fine furniture. Penthouse will clean the finish while leaving a durable gloss sheen. Excellent for all types of furniture finishes, metal appliances and laminated surfaces. 13 fl. oz. (Contains Silicone)

MODEL H3953	Aerosol	ONLY	$8.95

JET SPRAY™ LACQUER TONERS

Specially formulated to enable the experienced as well as the novice to do a professional job. Unfinished and finished wooden arms, legs and scuffed areas can be finished with ease by simply applying the desired shade. If a more durable lasting finish is required, follow up with an application of Sanding Sealer and complete with clear lacquer in the desired sheen (gloss, satin or flat). This product is economical, easily applied and dries quickly. 13 fl. oz.

SALAD BOWL FINISH – CLEAR

Behlen Salad Bowl Finish has been specially formulated to allow for the following statement. "This product contains FDA regulated ingredients complying with 21 CFR 175.300." and therefore achieves a non-toxic, safe for food contact (in it's cured state) finish. Behlen Salad Bowl Finish has the application ease of an oil finish (just use a clean white cloth) and the film building and sheen producing (up to a satin) qualities of a varnish. Wooden bowls, wooden utensils, butcher blocks and recreational related objects (games, puzzles, pull toys) when finished with Salad Bowl Finish may be used in contact with foods.

MODEL H3930	8 oz.	ONLY	$5.95

MODEL H3933	Gallon	ONLY	$48.95

STRINGED INSTRUMENT LACQUER

Stringed Instrument Lacquer is a high quality nitrocellulose lacquer specifically designed for wooden stringed instruments. Stringed Instrument Lacquer allows for the special expansion and contraction that can occur due to the unique construction of stringed instruments. Note: Stringed Instrument Lacquer Must be applied over Behlen Vinyl Sealer in order to insure its unique film building and special finish characteristics.

MODEL H3934	Quart	ONLY	$10.95
Four or More Quarts		EACH	$8.95
Vinyl Sealer			
MODEL H4277	Quart	ONLY	$8.95

WOODTURNERS FINISH

Behlen Woodturner's Finish ends the problem of finishing a round wooden surface. No more finishing runs, or unfinished or under finished surfaces. Behlen Woodturner's Finish is a ready to use, fast drying, padding finish; specially formulated to finish round wooden objects such as spindles, lamp bases, pool cues, pens, etc. One pint.

MODEL H3929	ONLY	$14.95

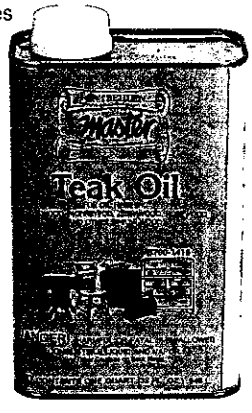
VIOLIN VARNISH

Spirit (Alcohol) Based. A balanced blend of pure Super Blond Orange shellac flakes, gum mastic, and gum sandarac. Produces a tough, hard, elastic and water resistant film. Highly recommended for musical instruments. Superior to any imported spirit varnish. Use Behkol Solvent for thinning and cleanup. (page 284)

MODEL H3985	Pint	ONLY	$18.95

TEAK OIL

A recommended oil finish for Teakwood, Monkeypod, Zebrawood, Rosewood and other similar types woods. Teak Oil penetrates the wood and dries hard unlike linseed oil and most other oil finishes which become tacky when exposed to heat.



MODEL H3986	Quart	ONLY	$9.95

TUNG OIL

Pure, unmodified, unalterated. Also known as China Wood Oil and Nut Oil. The most water, caustic acid, heat and mildew resistant of all the oil finishes. Also, the most durable. Apply only to newly prepared wood. Tung Oil is also used to manufacture many different types of varnish. Due to Tung Oil's pure, unmodified, concentrated formula, a ratio of 4 parts Mineral Spirits to one part Tung Oil is suggested. Apply with a clean cloth.

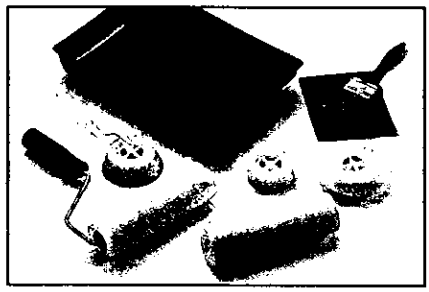
MODEL H1471	7/8" Dia.	ONLY	$7.95
MODEL H1472	1" Dia.	ONLY	$8.95
MODEL H1473	1¼" Dia.	ONLY	$12.95

8-PC. PAINT BRUSH SET

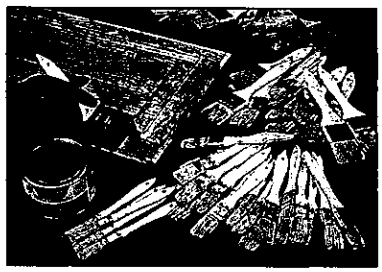
Just the ticket for emergency touch-up or quick painting chores, this affordable kit includes a plastic paint tray, medium-grit sandpaper, 2" bristle brush, 7" flat roller and an easy-to-use edging roller with three interchangeable foam rollers for corners, edges and trim. An extra 7" foam roller pad is included.



MODEL G8212	ONLY	$5.95

CHIP BRUSHES

Keep a good supply of these handy 100% bristle chip brushes. They're perfect for use with stains, glues and resins – or other substances that will ruin your more expensive "keeper" paintbrushes. Includes 1", 2" and 3" sizes to accommodate most projects. Includes 50 pieces.



MODEL G3582	50 Pc.	ONLY	$14.95

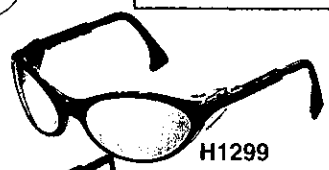
SAFETY

SAFETY EQUIPMENT

FACE AND EYE PROTECTION

uvex® FACE SHIELD This professional-quality shield offers full facial protection, making it an ideal aid for lathe work. Visor guards against light impacts, sparks and liquid splashes. Visor is molded of durable polycarbonate to resist impact. Brow guard is constructed of tough thermoplastic materials. Adjustment for head size. Meets or exceeds ANSI Z87.1-1989. Safety glasses should be worn under visor for eye protection.

MODEL G7984	Face Shield, Complete with Visor	ONLY $9.95



uvex® SAFETY GLASSES can be functional as well as fashionable. All of these models meet the requirements of ANSI Z87.1-1989 with impact resistant polycarbonate lenses. They also block 99.9% of harmful ultraviolet light. Easily adjustable ear pieces for comfortable wearing.

SHOP FOX

SAFETY GLASSES

A metal band across the top of these glasses is not only stylish, but it adds strength. This band is linked to the metal ear pieces through a tough hinge. These glasses have a wide field of view and side shields for added protection. Exceeds ANSI Z87.1 – 1989 standards for impact resistance.

MODEL H0735	ONLY	$7.95

SHOP FOX

SAFETY GLASSES

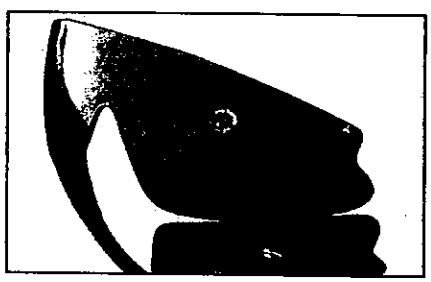
The plastic ear pieces on these tough safety glasses are easily adjustable in length for comfort. The clear plastic lens is impact and scratch resistant, and has wrap around side shields for clear viewing and protection from the sides. Exceeds ANSI Z87.1 – 1989 standards for impact resistance.

MODEL H0736	ONLY	$5.95

WALTHER®

SHOOTING GLASSES

AWESOME SAFETY GLASSES!

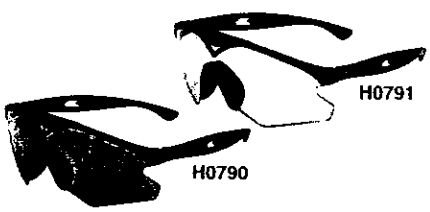


If you want nothing but the best eye protection, then look no further! Walther® is known for manufacturing products of uncompromising quality. All of the lenses used in Walther® shooting glasses offer wrap around protection and have 2.2mm thick lightweight polycarbonate lenses and exceed the ANSI Z87.1 - 1989 standard for impact resistance. The lenses are also coated for fog and scratch resistance.

H0790 Lens after being shot with a .177 caliber pointed pellet from an air rifle having a muzzle velocity of 1000 F.P.S. at a distance of 15 feet.

Lens Information: Yellow and Amber models are excellent for blocking haze and blue light. Amber specifically enhances the orange colors of the target when it is against a poor background such as tall trees. Yellow is best for low light situations, and Smoke (a true neutral) allows the shooter to see all colors as they are. Smoke doesn't enhance the target, but is good for bright sunlight.

MARSHALL® SHOOTING/ SAFETY GLASSES



MODEL H0790	Amber	ONLY	$16.95
MODEL H0791	Yellow	ONLY	$16.95

P99 SHOOTING/ SAFETY GLASSES

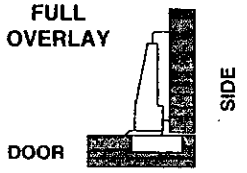
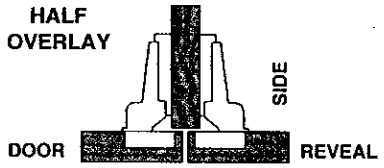
CONCEALED HINGES

Order by volume and save even more!
To order is as simple as 1-2-3!

1. Choose the application and the degree of opening.
2. Select the type of hinge — "Full Overlay" or "Half Overlay".
3. Calculate the number of hinges you need. (Screws not included.)



FULL OVERLAY means that when the cabinet door is closed, you don't see any "reveal" around the door.



HALF OVERLAY means that when the door is closed, you can see a "reveal". Use half overlay hinges for middle cabinets and use:

- 2 hinges for doors under 35½" / 20 lbs.
- 3 hinges for doors under 63" / 40 lbs.
- 4 hinges for doors under 79" / 60 lbs.

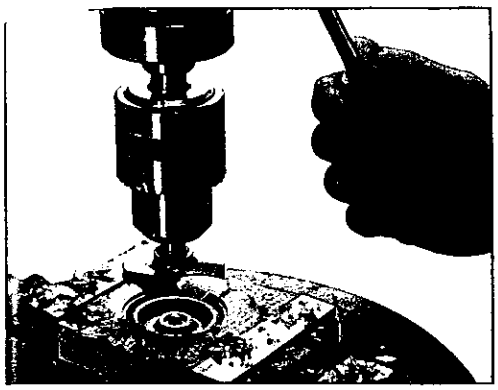
GRIZC-04528

2⅛" DIAMETER ROSETTE CUTTERS

ROUTER BITS

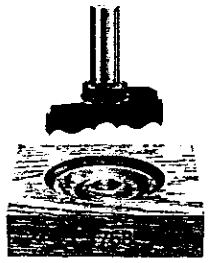


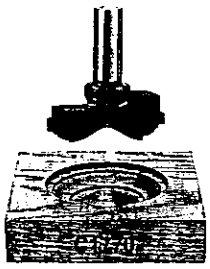
MADE IN ISO 9002 RATED FACTORY

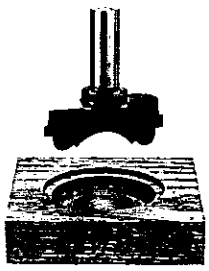
Grizzly®

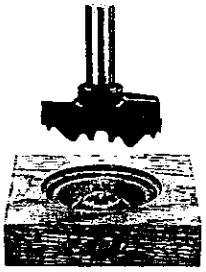
ONLY $39.95 EA YOUR CHOICE

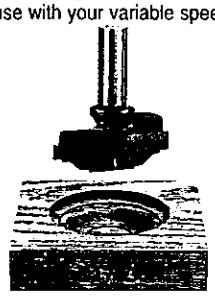
Milled from a solid steel blank, these Grizzly® carbide-tipped, ½" shank rosette cutters make crisp rosettes in most hardwoods and softwoods. Please note, although these cutters look like oversized router bits, they are too big for normal router speeds and are designed for use with your variable speed drill press or lathe.

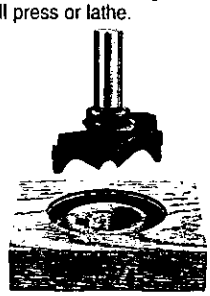


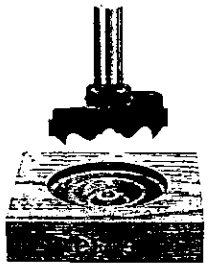


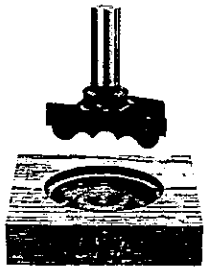


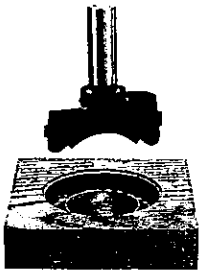






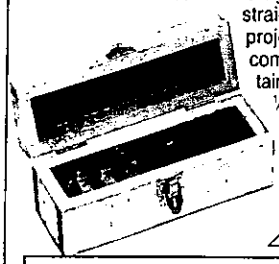






8-PC. STRAIGHT BIT SET

Never be at a loss for the right sized carbide straight bit for your project needs. This complete set contains ⅛", ¼", 13/32", ½", 19/32", 27/32"(2) and 15/16". Shank size ¼". Includes wooden case.

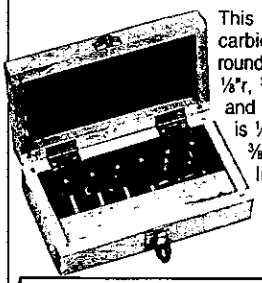


STEELEX PLUS

MODEL G8823 ONLY $39.95

6-PC. ROUNDOVER SET

This complete set of carbide, double fluted roundover bits contains ⅛"r, 3/16"r, ¼"r, 5/16"r, ⅜"r and ½r" (2). Shank size is ¼". All sizes have a ⅜" guide bearing. Includes latching wooden case.

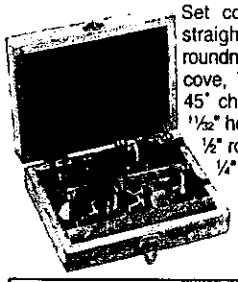


STEELEX PLUS

MODEL G8824 ONLY $42.95

12-PC. ROUTER BIT SET

Set contains ¼", ½", ¾" straight, 8° dovetail, ½"r roundnose, ½" rabbeting, ½" cove, ½" 90° V-groove, ½" 45° chamfer, ½" flush trim, 11/32" hole and flush trim and ½" roundover. Shank size ¼". Includes case.

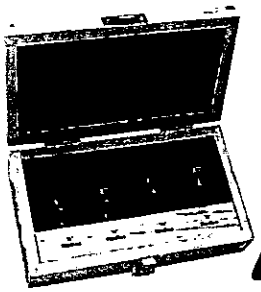


STEELEX PLUS

MODEL G8825 ONLY $59.95

4-PC. ROUNDOVER ANTI-KICKBACK ROUTER BIT SETS

The most popular roundover sizes in one set. Includes ⅛"r, ¼"r, ⅜"r and ½"r. Complete with wooden box.

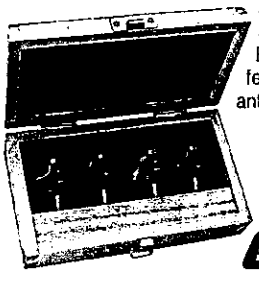


Grizzly®

MODEL C1780 ¼" Shank ONLY $39.95
MODEL C1781 ½" Shank ONLY $39.95

4-PC. ANTI-KICKBACK CLASSICAL BIT SET

We've packaged four of our most popular classical router bit profiles together in a wooden box so you'll always have the correct bit for most any classical application. Each router bit features a solid anti-kickback body.



Grizzly®

Grizzly® RABBETING SETS

RABBETING SETS

MADE IN ISO 9002 RATED FACTORY

These super-duty Router Bit Sets feature the same micro-grain carbide as our other purple industrial grade single bits and each has a full anti-kickback style body. The rabbeting sets are available in a variety of cutting lengths, shank diameters and bearing assortment for cutting various sized rabbets. The rabbeting bits also feature shear cutting angles for unsurpassed cutting smoothness. Throw away all those dull bits and replace them with these convenient sets.

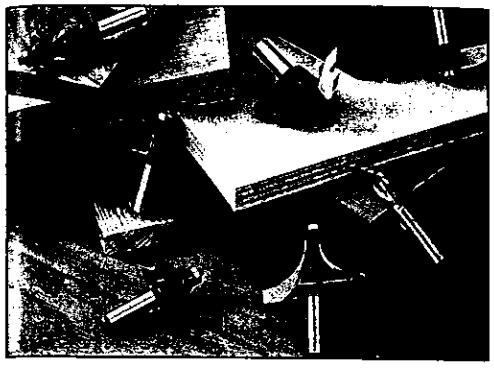
INDUSTRIAL QUALITY CARBIDE TIPPED ROUTER BITS

BUY 10 OR MORE ROUTER BITS OR SHAPER CUTTERS AND DEDUCT 10%

ROUTER BITS SHOWN AT APPROXIMATELY 50% SCALE



We probably have the largest selection of router bits and shaper cutters you'll find. For years, serious craftsmen have depended on the legendary Grizzly® Industrial Carbide Router and Shaper Cutters for precision milling and molding applications.

Grizzly® cutters feature top-quality carbide – the best available for wood cutting applications. Shaped and sharpened with diamond wheels as fine as 600 grit, these outstanding shaper cutters and router bits are constructed with a high-tensile, silver-based brazing material, which offers the utmost in strength and durability. If you haven't tried these premium bits and cutters, we invite you to put them to the test. Great bits and cutters that we've sold for years, however, we're in the process of changing to our new green color.

Router bit sets have already been discounted and are not included in the special quantity discount. ***MANUFACTURED IN AN ISO 9002 APPROVED FACTORY!***

ROUTER BITS SHOWN AT APPROXIMATELY 50% SCALE

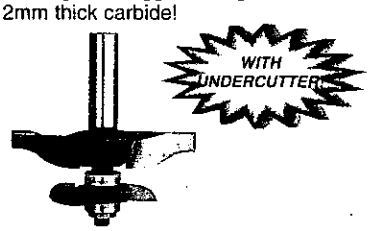
3" PANEL BITS

These panel bits can be used with ⅝" - ¾" stock. Undercutter lets you produce flush panels. A 10° upshear removes material fast! Available in 5 profiles which produce a 1" reveal. Assembly comes complete with end-mounted bearing. We suggest using a 3 H.P. router with a router table. 2mm thick carbide!



For use with a router table.

ONLY $59.95

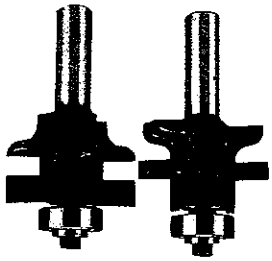
CARBIDE TIPPED STILE & RAIL SETS — 2-PIECE

The redesigned Grizzly® brand Stile and Rail sets have been enlarged to add strength, increase rim speed and cutting surface, which makes for a smoother finish and longer life. Save set-up time by using 2 routers. Comes with bearing guides. *A template must be used for shaping irregular stock.*

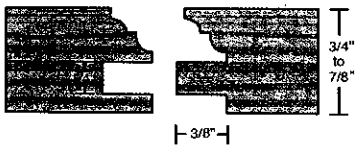


Note: ***These bits are much larger and have thicker carbide than others currently on the market!***

STILE & RAIL SET - CLASSICAL

2 Flutes

Classic Greco-Roman styling makes this two-piece Stile and Rail Set an outstanding choice for traditional raised panel designs. Scaled for ¾" to 1" thick door frames. We recommend using a 3 H.P. router with these bits.



Order G3845 replacement bearing.

Grizzly® SUPER-DUTY ROUTER BITS

SUPER-DUTY
MICRO GRAIN CARBIDE TIPPED ROUTER BITS

MADE IN ISO 9002 RATED FACTORY

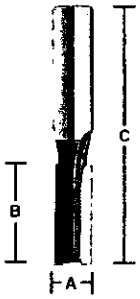
BUY 10 OR MORE ROUTER BITS OR SHAPER CUTTERS AND DEDUCT 10%

ROUTER BITS SHOWN AT APPROXIMATELY 50% SCALE

Sometimes you want the best money can buy; sometimes your project requires you to use the best router bits made. If so, these router bits fit the bill!

Starting with a better quality steel for the bodies (SAE4140), we heat treat them to the appropriate hardness and apply K10 micro grain carbide. We then precision grind the blades to 800 grit (using the wet grinding process) so that they are razor sharp and then finish them with a baked on metallic paint. These router bits are made for us and to our exacting specifications in an ISO 9002 rated factory.

TRY ONE - AND SEE FOR YOURSELF!



DOUBLE FLUTED STRAIGHT BITS

Used for cutting dadoes, rabbets, circles and other general purpose routing. Can be used in solid wood, plywood, certain plastics and laminated material. Use shortest length (B) for work to be done.

RUB COLLARS

RUB COLLARS

INCREASE YOUR SHAPER'S VERSATILITY WITH OUR RUB COLLARS!

If you do any kind of irregular shaping, these rub collars are a **must!** Rub collars are used for shaping curved work such as cathedral doors as well as many custom shapes. They are also used for limiting the depth of cut (same principal as router bits with guide bearings). Use them below, in between or above cutters.

OUR RUB COLLARS FEATURE HIGH-QUALITY SHIELDED BALL BEARINGS

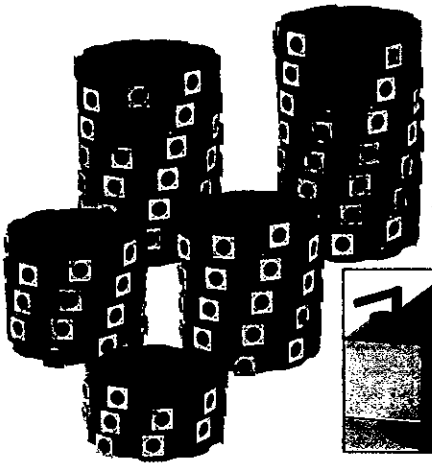
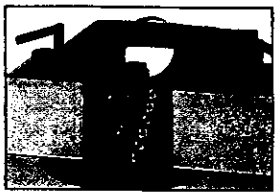
GRIZZLY® INDUSTRIAL SPIRAL CUTTERHEADS



New!

9 Spirals!



Spiral cutterheads reduce tearout and leave a finish that is second to none. Our Spiral Cutterheads have 9 spirals which result in an incredible finish! The indexable inserts have four cutting sides so the edges can be rotated, and only where chipped or dulled, resulting in very little down time and huge savings over conventional carbide cutters. The solid carbide inserts we use are extra thick and heavy-duty.

TRY ONE - YOU'LL BE AMAZED!

Made in USA

MOULDING HEAD SYSTEM

Have you priced milled trim stock lately? If you have a shaper, you can create an amazing selection of contemporary and traditional casings, door mouldings, window trim and more — for a fraction of lumber yard costs.

Our Moulding Head System allows you to choose from a wide variety of precision-ground cutter patterns for use in these CNC-machined, aircraft aluminum cutterheads.

The 2" moulding head accepts all 2" knives and works on shapers such as our G1035 with ¾" spindles and motors 1½ H.P. or larger. A 3" spindle is required.

The 3" moulding head is ideal for use with our larger shapers and allows you to use all of our 2" and 3" cutters. The 4" spindle is required when using the 3" cutterhead on the Model G1026. Will also fit: G5912Z, G7214Z, G8621, G5913Z, G7215Z and G8622.

DRASTIC PRICE REDUCTION!

For use with a power feeder only – see pages 47-49.

MODEL G2320	2" Moulding Head with ¾" Bore	ONLY	$59.95
MODEL G2606	3" Moulding Head with 1" Bore	ONLY	$69.95

MADE IN ISO 9002 RATED FACTORY

BUY 10 OR MORE ROUTER BITS OR SHAPER CUTTERS AND DEDUCT 10%

ROUTER BITS SHOWN AT APPROXIMATELY 50% SCALE

½" BORE SHAPER CUTTERS

These carbide-tipped shaper cutters are specifically made for use on shapers with ½" spindles. Smaller profiles are ideal for shaping small radii and for making picture frames. These ½" bore, 2mm thick carbide cutters stay sharp longer than the old HSS cutters and are priced right, too. Can be used in hard and soft woods and wood composite materials. 5,000-10,000 R.P.M.

½" SHAPER CUTTER ARBOR

Combine the convenience and versatility of your variable speed router and router table with the wide selection of ½" shaper cutter profiles available. This arbor fits ½" router collets and will accept ½" shaper cutters that are ¾" to 1⅛" thick. Spacers can be used with cutters that are less than ¾". For use with variable speed routers only.

¾" BORE SHAPER CUTTERS

Grizzly® ¾" bore shaper cutters feature top-quality C-2 carbide – the best available for wood cutting applications. Shaped and sharpened with diamond wheels as fine as 600 grit, these outstanding cutters are constructed with a high-tensile, silver-based brazing, which offers the utmost in strength and durability. Can be used on woods, wood composites, plywood and some plastics at 5,000 to 10,000 R.P.M. An excellent selection.

PANEL CUTTERS

Our panel cutters are designed with a 10° upshear for faster, smoother cutting and longer life. Available in 5 profiles and two diameters. For ½" - ¾" spindle shapers, use our 4⅝" diameter cutters. Carbide thickness is 3mm thick, not 2.5mm like our competition.

OPTIONAL STRAIGHT CUTTERS AND SPACERS FOR ¾" BORE STILE & RAIL SETS

Customize your ¾" bore stile and rail sets for standard thickness plywood panels with these cutters and spacers. Choose the 5.5mm set for undersized ¼" panels and the ½" set for ½" panels. Stack cutters for ¾" panels. Please note that changing the tongue thickness will change the overall thickness of the stacked stile and rail sets. Adjust your stile and rail material thickness accordingly. Includes cutter and spacer.

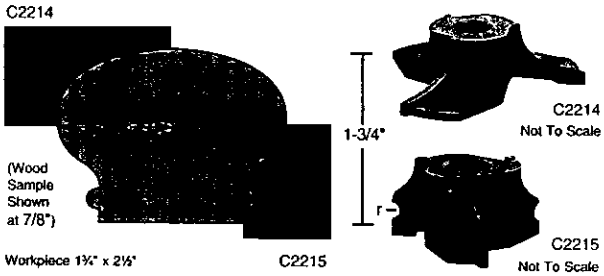
HANDRAIL SHAPER CUTTERS

Style #1

Put the finishing touch on your custom staircase with this classic handrail. Use these cutters separately to create interesting shapes and lines on other projects calling for a distinctive touch. We know you've always wanted to have a custom handrail set; the hard part is choosing which one.



Set C2216 **$174.95**

3/4" BORE				
MODEL	CUTTER DIA. A	CUTTING LENGTH B	RADIUS r	PRICE
C2214	5"	1-1/8"	–	$89.00
C2215	3"	1-1/4"	1/8"	$89.00

HANDRAIL SHAPER CUTTERS

Style #2

Save a fortune on expensive handrails by creating your own rail stock with your shaper. Recommended for use on 3 H.P. or larger shapers, these carbide-tipped cutters let you mill full-sized 2½"-high rails out of your choice of softwoods or hardwoods. These stacking cutters are for use on ¾" spindles.

FLOORING CUTTER SET

For ⅝" and ¾" material

Create your own custom flooring materials from standard dimensional materials with these carbide cutters. Designed for use with ⅝" and ¾" lumber, these cutters are great for designing new floors or for creating replacement planks for repair and renovation. For use on ¾" spindles. Tongue and groove are below center, so you can resand and finish a number of times.

THE ULTIMATE QUALITY 5 WING, MICRO GRAIN, CARBIDE TIPPED SHAPER CUTTERS

MADE IN ISO 9002 RATED FACTORY

BUY 10 OR MORE SHAPER CUTTERS AND DEDUCT 10%

We took our metalworking experience, combined it with woodworking know-how and have designed industrial grade shaper cutters that are second to none in cutting performance.

Five blade cutterheads, micro grain carbide that is precision ground to 600 grit for razor sharp performance, high speed balancing plus ground top and bottom arbor seats leave a finished surface on the wood that is **unbelievable**. We even put in a 5/16" keyway for use of these cutters on milling machines!

During our "torture" testing, we took full profile cuts in mahogany and found results to be astonishing. Then came the tricky part. We wanted to cut through a large knot in the wood (don't try this at home). It cut right through the knot and left a finish that looked like it had been sanded and buffed. At that point, the person who designed these advanced shaper cutters (President of Grizzly) was grinning from ear to ear!

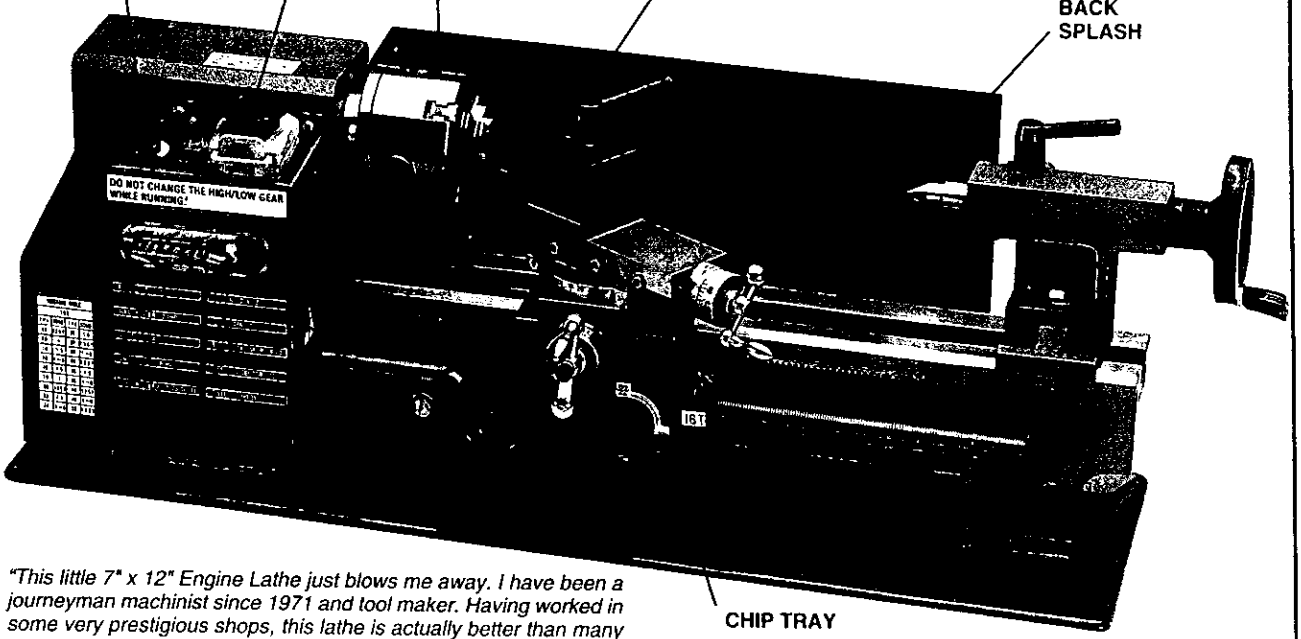
MINI METAL LATHE

7" x 12" MINI METAL LATHE



"This little 7" x 12" Engine Lathe just blows me away. I have been a journeyman machinist since 1971 and tool maker. Having worked in some very prestigious shops, this lathe is actually better than many used in some big shops! Quality, quality, quality!!!"

Edwin Craft
La Cygne, KS

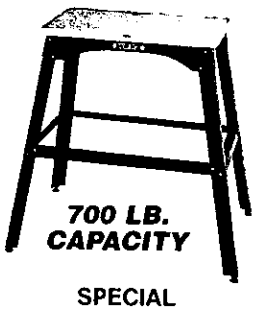
Powered by a ¾ H.P. motor, this lathe also features: variable speeds (0-2500 RPM), inch and metric reading dials, turret tool post, chip tray and splash guard. This is a great starter machine priced at an incredibly low $495!

A perfect machine for hobby and small jobs!

FEATURES:

- Variable Speed
- 16 TPI Reversible Leadscrew
- Forward and Reverse In All Speeds
- Chip Tray and Backsplash Guard
- Threading Dial Indicator
- Standard and Metric Graduations

OPTIONAL STAND



700 LB. CAPACITY

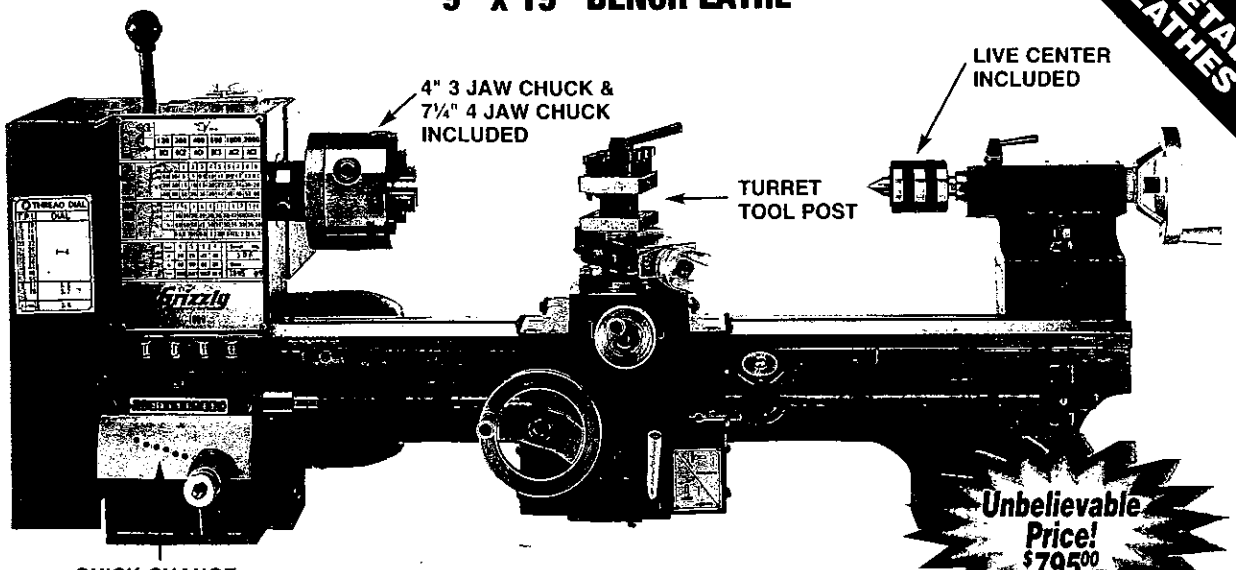
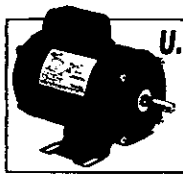
9" x 19" BENCH LATHE

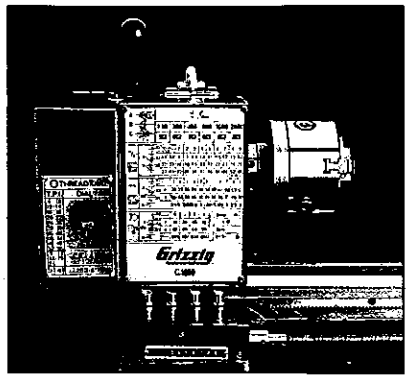
METAL LATHES



There's never been a better time to get into metalworking — or a better price on a professional-quality Grizzly metalworking lathe. The Model G4000 is precision crafted by one of our most-trusted factories for superior accuracy and long-lasting dependability. You won't find a better combination of price and performance on a full-featured 9" x 19" lathe anywhere!

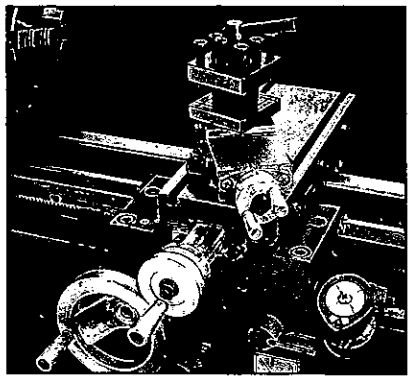


U.S.A. MADE MOTOR INSTALLED BY GRIZZLY TECHNICIANS



Headstock

The Model G4000 9" x 19" Lathe's quick-change gearbox offers up to 27 standard and 11 metric threads, ranging from eight to 56 threads-per-inch.



Carriage Assembly

Full-featured carriage and apron assemblies travel smoothly on the Model G4000's finely finished ways, providing super-accurate cuts and finishes.

SPECIFICATIONS:

Swing over bed	9"
Swing over cross slide	5"
Distance between centers	19"
Spindle bore	¾"
Spindle thread	39mm x 4mm pitch
Taper in spindle nose	MT#3
Motor	¾ HP ,110V
Number of speeds	6
Range of speeds	130, 300, 400, 600, 1000, 2000 RPM
Range of inch threads	8 - 56 TPI
Range of metric threads	.05 - 3.0mm
Range of feeds	.0023 - .013
Lead screw	9/16" - 16 TPI
Compound travel	1⅞"
Cross slide travel	4¼"
Carriage travel	16"
Maximum tool size	⅜" x ⅜"
Tailstock barrel travel	1 9/16"
Tailstock barrel taper	MT#2
Spindle thread	M39 - 4.0
Number of longitudinal feeds	18
Number of inch threads	27
Number of metric threads	11
Overall dimensions	36½" x 22" x 15"
Approx. shipping weight	300 lbs.

STANDARD EQUIPMENT:

- 4" 3-jaw chuck with two sets of jaws

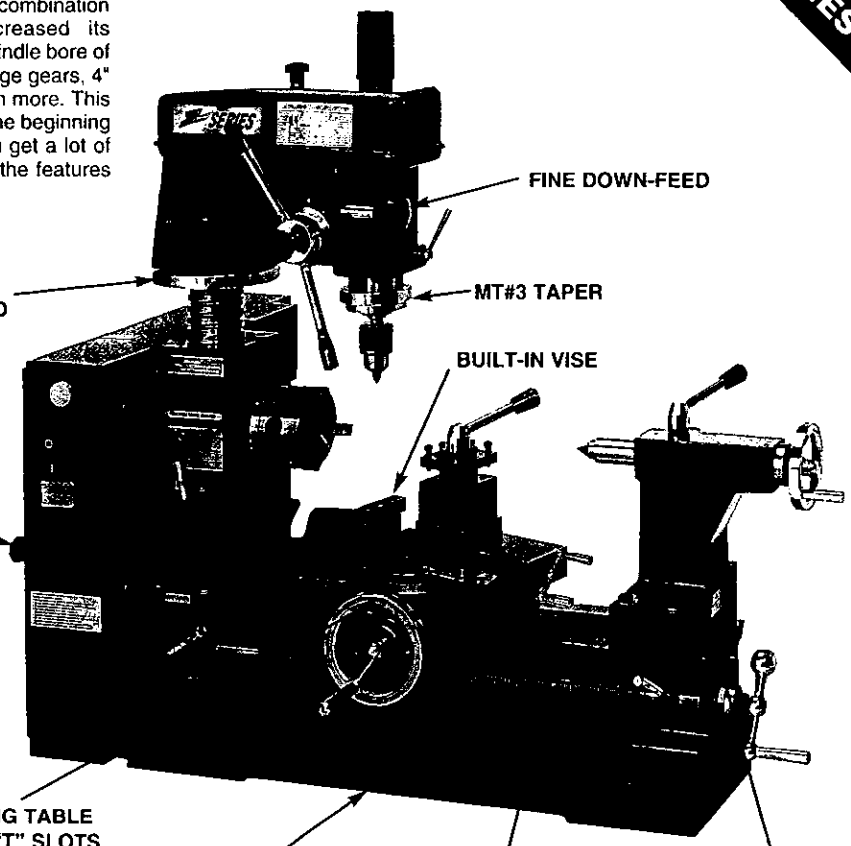
COMBO LATHE/MILL

New and improved! We took our basic combination Metal Lathe/Milling Machine and increased its capacity and usability. Start with a lathe spindle bore of ¾" and a longer bed. Then add more change gears, 4" 3-jaw chuck, reversing switch and so much more. This is an excellent machine for anyone, from the beginning machinist to the seasoned machinist. You get a lot of machine in a very small package with all the features you need for just about any job!

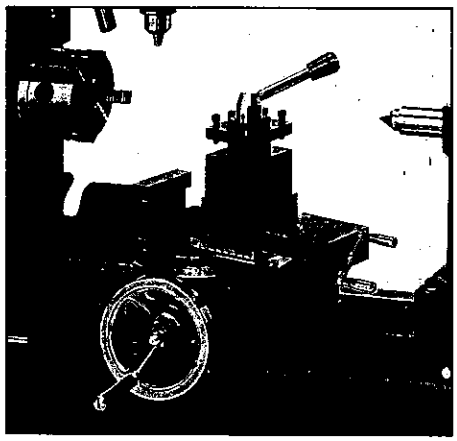


FEATURES:

- T-slots in cross slide
- Cuts inch and metric threads
- Turret tool post
- 4" 3-jaw chuck
- Tailstock offsets ½"
- Built-in vise

SPECIFICATIONS:

Swing over bed	16½"
Swing over saddle	11½"
Distance between centers	19.2"
Spindle taper	M.T.#3
Mill drill spindle taper	M.T.#3
Draw bar	⅜"-16 TPI
Tailstock barrel travel	1½"
Cross slide travel	4½"
Number of Mill/Drill speeds	12
Mill/Drill speed range	150, 200, 280, 330, 380, 440, 500, 560, 640, 710, 910, 1030, 1450, 1600 RPM
Number of Lathe speeds	7
Lathe speed range	185, 330, 405, 535, 680, 955, 1455 RPM
Thread range (inches)	27 @ 8 - 120 TPI
Thread range (metric)	18 @ .2 - 3.0 mm
Motor size (Single phase 110V)	¾ HP
Shipping weight approximate	500 lbs.



Close-up of carriage and tool post with built-in vise

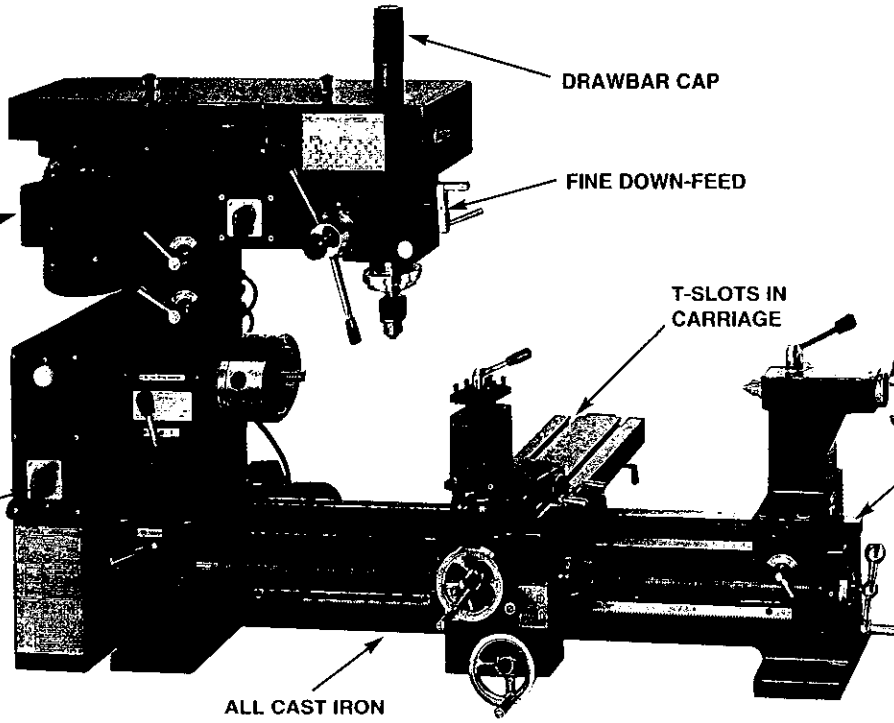
METAL LATHES

COMBO LATHE/MILL

Need a larger combo machine? One with an awesome 31" between centers and 16½" swing? Then the G9729 is the answer. With great features like – magnetic controller and – forward / reverse switch, hardened and ground bedways, two motors for extra power and a 4-way turret tool post makes this a real do-it-all machine. Cuts inch and metric threads with ease and includes a built-in milling table with T-slots, a steady rest and a follow rest. Convenient window allows easy verification of drill spindle speeds. An incredible machine at an unbeatable price!



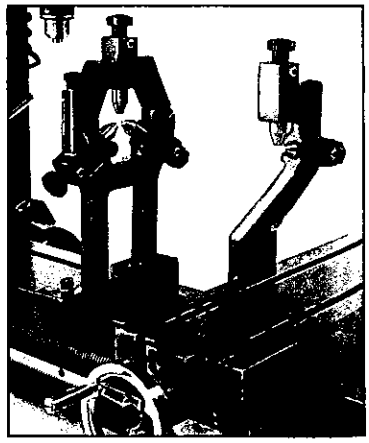
FEATURES:

- Forward / reverse switch
- Built-in milling table with T-slots
- Two separate motors
- Power longitudinal feed
- Power cross slide
- Magnetic switch
- Four-position turret tool post
- Steady and follow rest
- Tailstock offsets ½"
- Threading dial

STANDARD ACCESSORIES:

- 5" 3-jaw chuck
- ½" drill chuck
- MT#3 chuck arbor ⅜" x 16 TPI
- 2 dead centers
- Change gears
- Steady rest
- Follow rest
- 9" faceplate

See page 428 for End Mill Holders



Includes follow rest and steady rest. (Tool post removed for photo)

SPECIFICATIONS:

Swing over bed	16½"

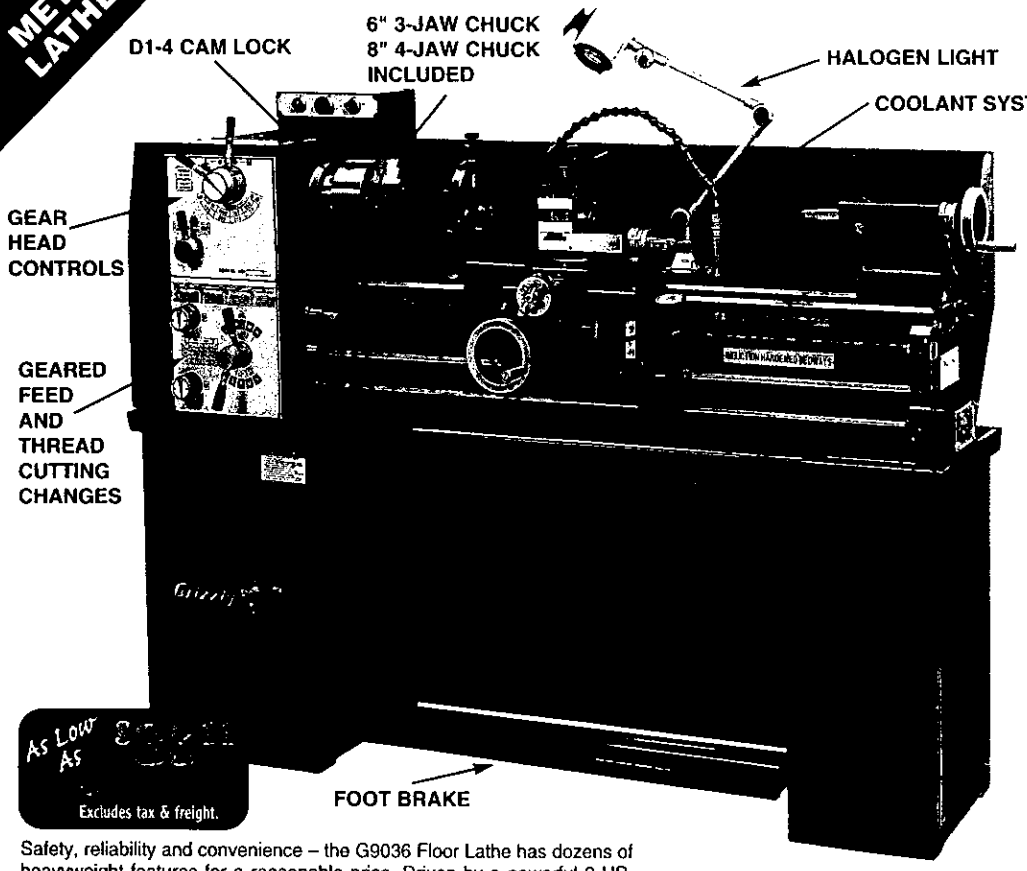
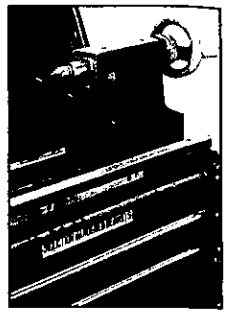
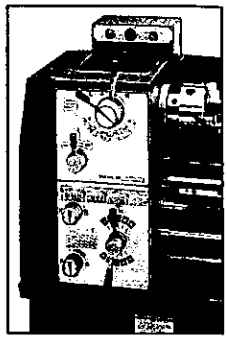
13" x 40" GEAR-HEAD FLOOR LATHE



As Low As [illegible]
Excludes tax & freight.





Safety, reliability and convenience – the G9036 Floor Lathe has dozens of heavyweight features for a reasonable price. Driven by a powerful 2 HP, 220V motor, this metal monster will tackle the toughest machining jobs with ease. D1-4 cam-lock spindle is the most reliable and accurate chuck mounting system for lathes. Add an extra long foot brake and apron mounted switch control and you have precise, safe control when threading or working up close to those difficult shoulders. Gear-head makes speed and feed changes fast and a pleasure to work with. Features like these will save you time and provide a wider margin of safety.

FEATURES:

- 2 HP motor, single phase
- Coolant system
- Apron mounted handle switch
- Front removable chip tray

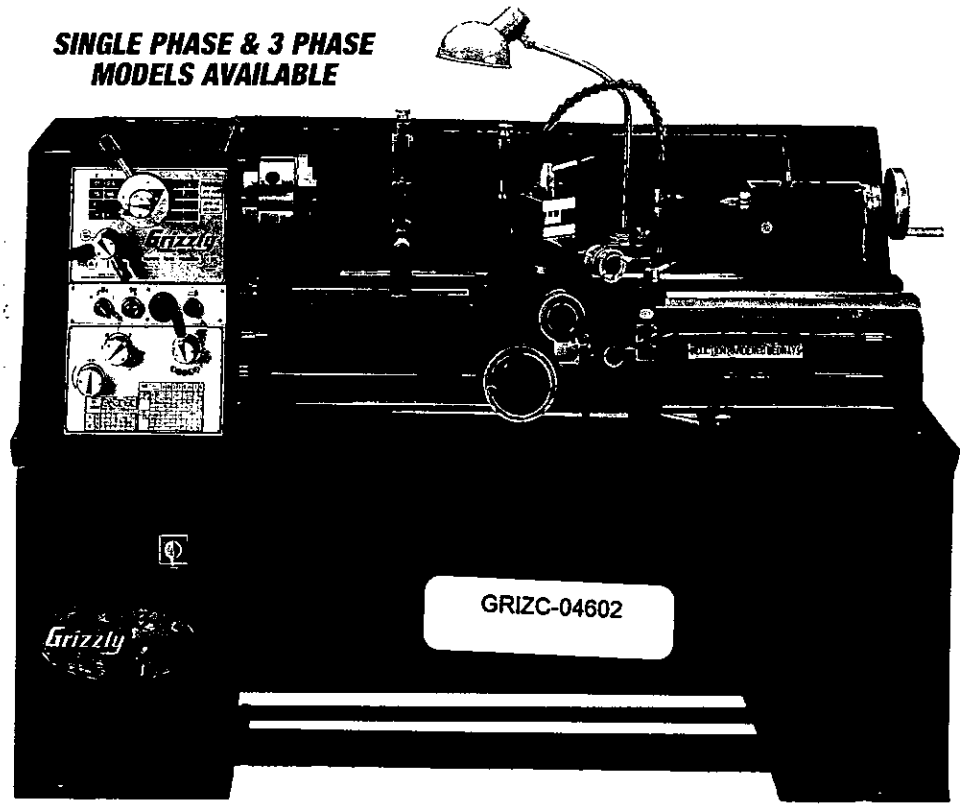
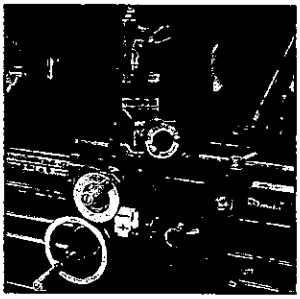
14" x 40" GEAR-HEAD FLOOR LATHES

SINGLE PHASE & 3 PHASE MODELS AVAILABLE



Headstock Controls

Headstock controls are always at your fingertips including jog button and emergency stop. Large dial arrow indicators and easy to read speed and gear charts makes this lathe a joy to operate.



These fully equipped, heavy-duty floor lathes will handle just about anything you can throw at them. Features like one-piece body, coolant system with splash guard, foot brake and interlocked feed rod and leadscrew - not to mention all the standard accessories that come with these machines - will turn your shop into a real profit center. Check out all the features and specifications and then look at the price again and you'll agree; this is one machine that's tough to beat! Choose between single phase or 3-phase.

FEATURES

- Built-in stand
- Foot brake
- Hardened and ground gears in headstock
- Induction hardened bedways
- Jog button and emergency stop
- 6" 3-jaw chuck with two piece jaws
- 8" 4-jaw chuck
- 11⅝" face plate
- Steady rest / follow rest
- 4-way turret tool post
- 2 dead centers
- 3 H.P., 3 phase motor / single phase motor
- Coolant system with back splash
- Removable chip tray
- Direct reading dial cross slide
- Threading dial
- Mounted light

SPECIFICATIONS:

Swing over bed	13¾"
Swing over gap	19½"

SPECIFICATIONS (CONTINUED):

Swing over saddle	8⅝"
Distance between centers	40"
Bed width	8⅛"
Spindle bore	1 7/16"
Spindle nose	D1-4
Spindle nose taper	MT#5
Cross slide travel	6¾"
Compound travel	3½"
Tailstock barrel taper	MT#3
Tailstock barrel travel	4⅝"
Number of speeds	8 / 16
Range of speeds:	
G5960	(16 speeds) 45-1800 RPM
G7958	(8 speeds) 90-1800 RPM
Number of longitudinal and cross feeds	40
Range of longitudinal feeds (in./rev.)	0.0012"-0.0294"

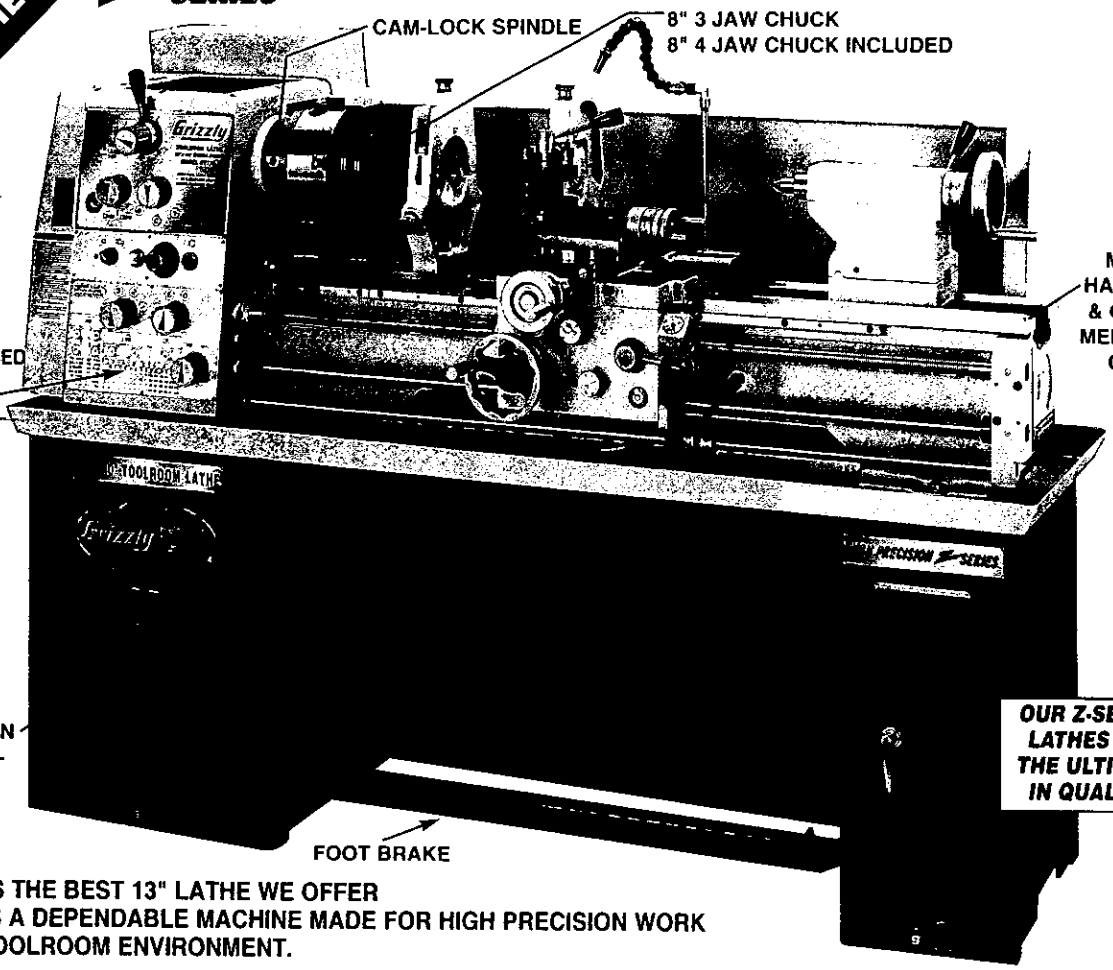
METAL LATHES

Z-SERIES 13" x 40" HIGH PRECISION TOOLROOM LATHE



OUR Z-SERIES LATHES ARE THE ULTIMATE IN QUALITY!

THIS IS THE BEST 13" LATHE WE OFFER AND IS A DEPENDABLE MACHINE MADE FOR HIGH PRECISION WORK IN A TOOLROOM ENVIRONMENT.

FEATURES:

- Precision ground V-bed is made of Meehanite casting
- Headstock gears run in an oil bath and are hardened and precision ground for smooth, quiet and vibration free operation
- Quick change gear box is fully enclosed and makes thread selection and engagement smooth and fast
- Feed rod is equipped with an overload clutch for safety
- Turret micrometer stop allows operator to set absolute stop to carriage for safety and close operations

OPTIONAL TAPER ATTACHMENT
MODEL G9736 ONLY $450.00

SPECIFICATIONS:

Swing over bed	13"
Swing over gap	19½"
Swing over cross slide	7½"
Distance between centers	40"
Spindle size/type	D1-4 camlock
Spindle nose taper	MT#4.4
Spindle bore	1⅜"
Tailstock barrel taper	MT#4.5
Tailstock barrel travel	4⅜"
Cross slide travel	7½"
Top slide travel	3½"
Number of speeds	8
Speed range	105-2000 RPM
Range of threads (inches)	4-56 TPI
Range of threads (metric)	0.45-7 mm
Width of bed	7½"
Motor size (Single and 3 phase)	3 HP
Shipping weight approximate	1700 lbs.

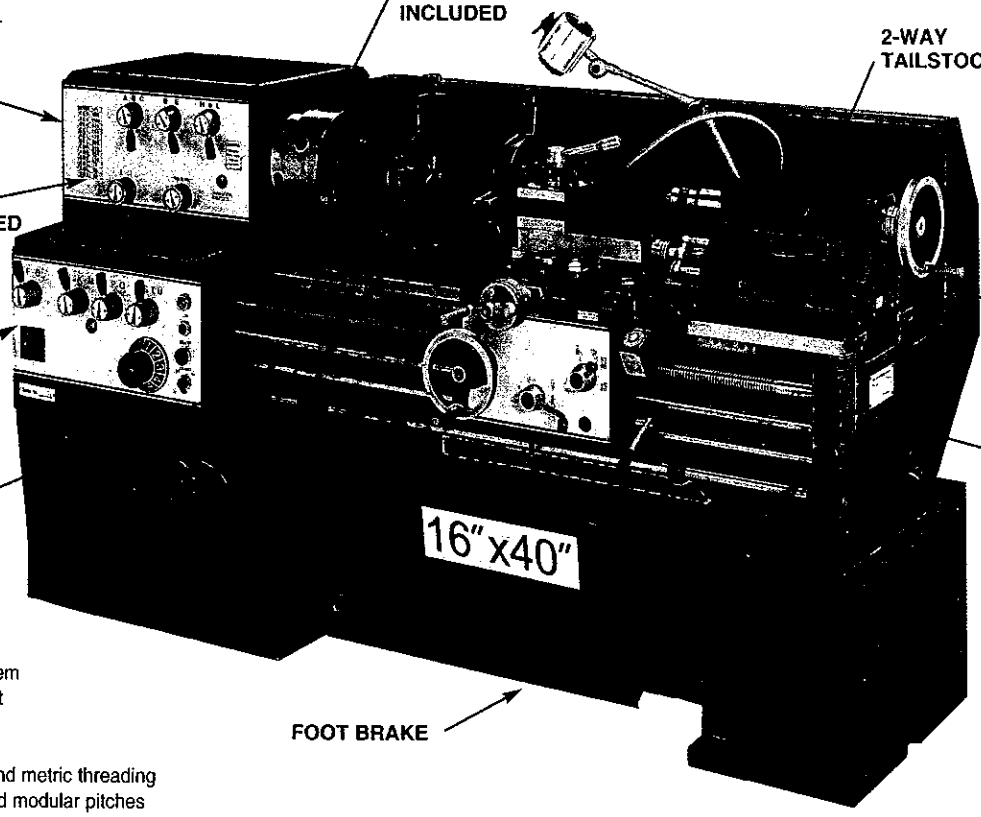
16" x 40" LATHE WITH 3⅛" BORE

Capacity, rigidity, repeatability. Want more? Our latest addition to our series of heavy lathes has features you need for the most demanding of projects, like lots of power, a 3⅛" bore, indexable auto-stops for the longitudinal axis, a dead lock for the tailstock and a 13⅜" wide bed, just to name a few. Heck, the tailstock barrel on this monster is 2¾" in diameter! But don't let size fool you. Whether you need to make close tolerance small parts or chuck up and turn that VW into a Porsche, this machine can do it all and hardly break a sweat.



FEATURES:

- Foot brake
- Coolant system
- Mounted light
- Follow rest
- Steady rest
- Direct inch and metric threading
- Diametral and modular pitches
- Auto stop system for apron
- Oil pump for gearhead
- 1.1" feed rod

SPECIFICATIONS:

Swing over bed	16"
Swing over gap	24"
Swing over cross slide	9"
Distance between centers	40"
Spindle size/type	D1-8 camlock
Spindle nose taper	MT#7
Spindle bore	3⅛"
Tailstock barrel taper	MT#4
Tailstock barrel travel	5"
Cross slide travel	9½"
Top slide travel	4"
Number of speeds	12
Speed range	40-1600 RPM
Range of threads (inches)	2 TPI - 112 TPI
Range of threads (metric)	0.1 - 14mm
Width of bed	13⅜"
Motor size (3 phase, 220V)	7½ H.P.
Shipping weight approximate	5000 lbs.

STANDARD EQUIPMENT:

- 10" 3-jaw chuck
- 10" 4-jaw chuck
- 17" faceplate
- Positive Lock on Tailstock
- 4-Way Turret Tool Post
- Rolling Center
- Spindle Sleeve

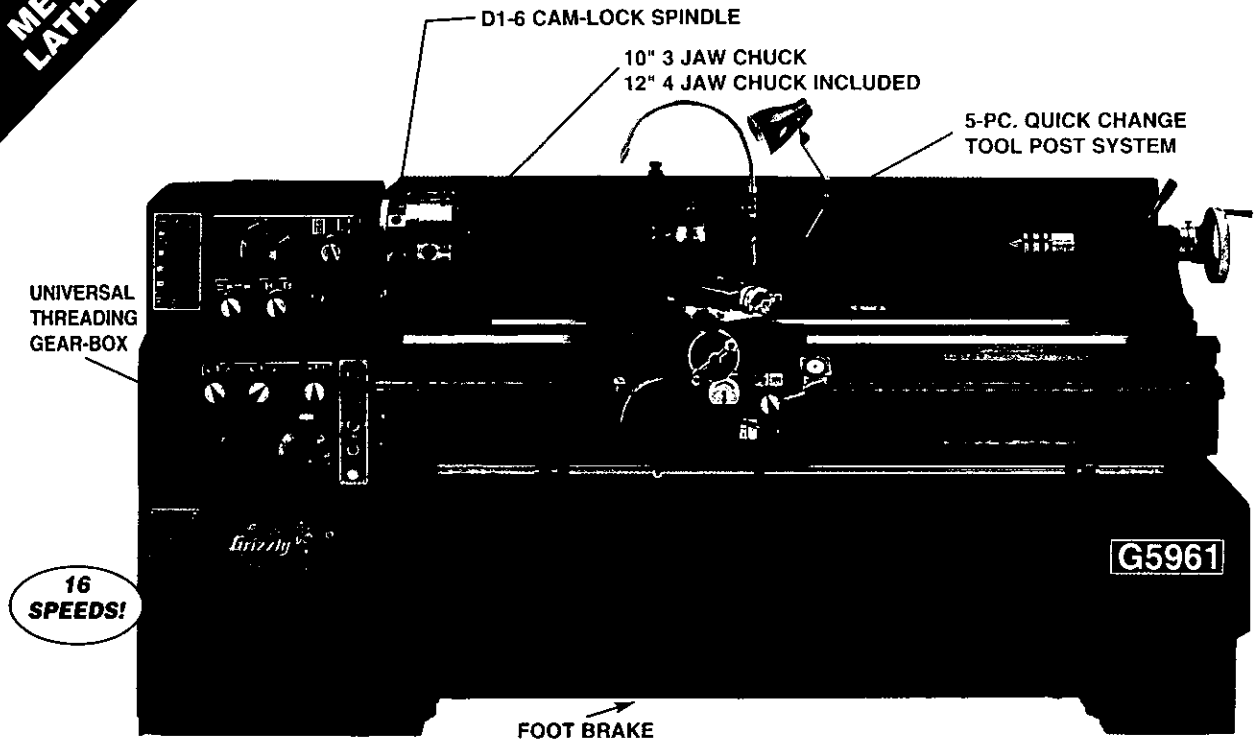
METAL LATHES

16" x 60" PRECISION MACHINE SHOP LATHE



This lathe is loaded with outstanding features, plenty of power with the 2 speed, 3-phase motor and a complete accessory package. You get 16 spindle speeds, 2 1/16" spindle bore, no gear changes for all metric and standard thread cutting, hex shaft feed rod for long lasting and smooth power transmission, auto carriage stop with indexable stops (a great feature in itself), extra heavy castings and a stabilizing 11¾" bed width. With all these items as standard equipment, this machine will be an excellent addition to any machine shop.

2 1/16" SPINDLE BORE

FEATURES:

- Precision hardened and ground V-bed
- Totally enclosed universal gearbox allows cutting of Inch, Metric, Whitworth. Module and Diametral threads can be cut by changing gears provided with machine
- Headstock gears run in an oil bath and are hardened and precision ground for smooth, quiet and vibration free operation
- One piece base
- Carriage mounted on/off control lever
- Jog button and emergency stop button standard

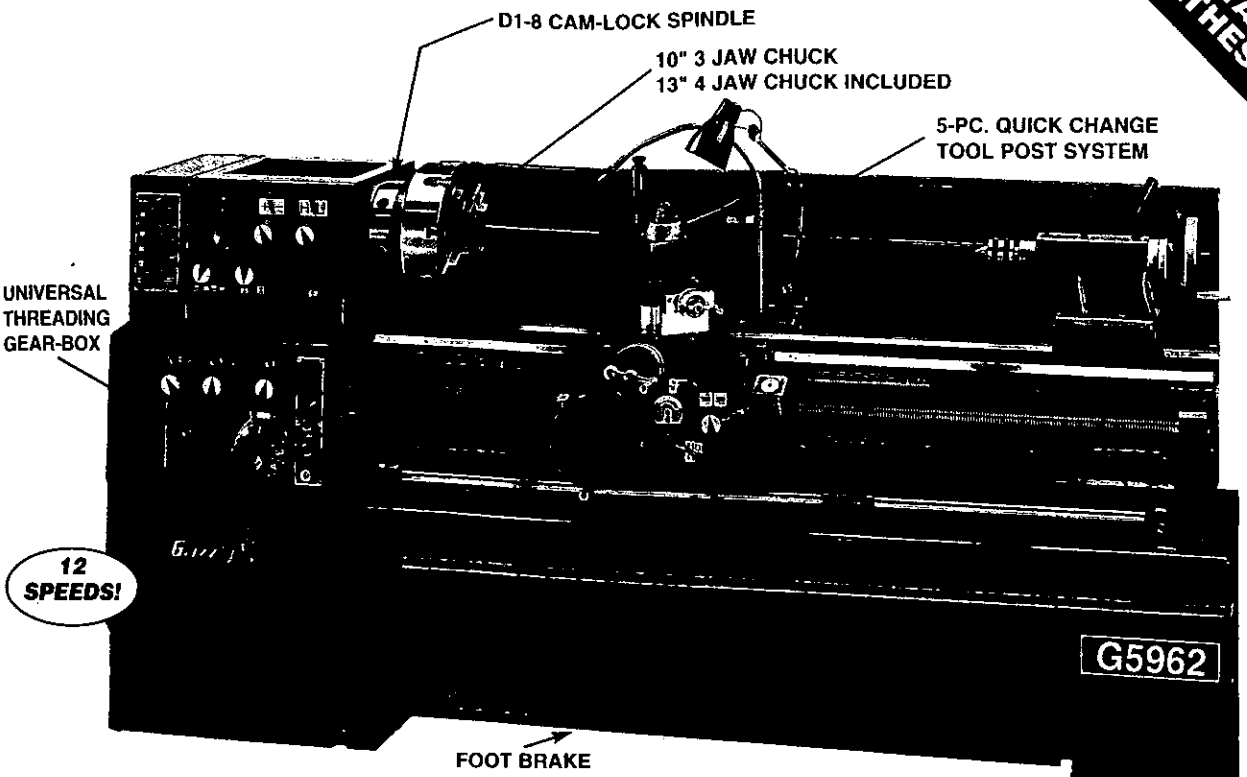
18" x 60" PRECISION MACHINE SHOP LATHE



This lathe is loaded with industrial sized features. Combine a speed range of 24 - 1600 RPM with the large swing dimensions (11¼" clearance over the cross slide!) and you get great finishes at maximum diameters! Other important features include: a large 3¹⁄₁₆" spindle bore, auto carriage stop with indexable cams, apron clutch, interlocked apron controls, hex shaft feed rod, 11¾" wide bed and no gear changes for inch or metric threading plus much, much more! Take a look at the standard equipment that comes with this machine and you'll agree, this is an incredible package for less than ten grand! We have not sacrificed one ounce of quality – this is one beautiful machine!

MILLING MACHINES

MINI MILLING MACHINE

Now here is a mini milling machine that has more features than some Mill/Drills and is affordable for everyone! This little brute will handle any kind of job up to ½" drilling, ½" end mills and 1" facing. No belt changes necessary! The variable speed control and gear drive saves you time and hassle. Truly, a remarkable machine.

FEATURES:

- Dovetail column
- Safety shut off switch
- Adjustable depth stop
- Fine feed head control
- Geared drive
- Clear guard on spindle
- Rubber chip guards on ways
- Zero setting dials
- Dials read inches and millimeters
- Adjustable dovetail ways on column
- ⅜" and ½" collets
- ½" drill chuck
- 2 T-nuts

MILL/DRILL

This Mill/Drill has long been accepted in the market as a machine that can handle the work of machines costing thousands of dollars more. We go one step further and offer you two improved models – both with super-large tables and one with a variable speed power feed. The power feed is reversible with rapid traverse for fast return and has an automatic shut-off micro-switch. The table can also be used manually. Both models come standard with 3" carbide fly cutter, angle vise and ½" drill chuck.

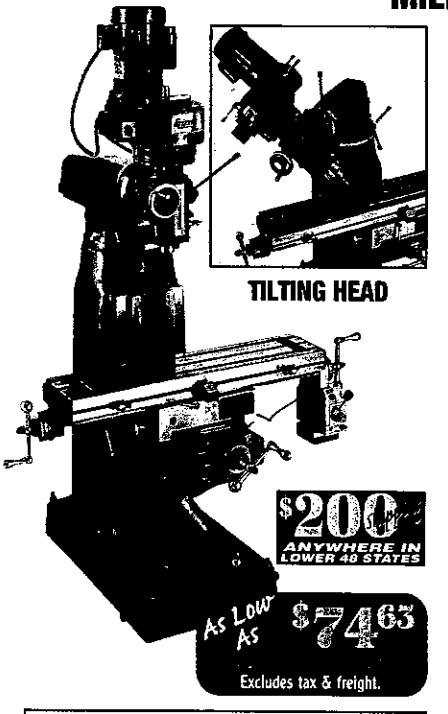
MILLING MACHINE W/ POWER FEED

GRIZC-04612



This Milling Machine with Power Feed has all the features found on large, industrial quality mills, but sized and priced for the serious home shop. With features like tilting head, longitudinal power feed and massive cast iron construction, this is one sweet deal!

"This is a great machine at an unbeatable price!"
S. Balolia, President

MADE IN USA

MOTOR MADE IN U.S.A. AND INSTALLED BY GRIZZLY TECHNICIANS

FEATURES:

- Adjustable micrometer quill depth stop
- Multiple saddle, knee, table and ram locks for high rigidity
- R-8 spindle
- 5.4" of spindle travel
- Five spindle speeds
- Comes with longitudinal power feed
- Auto stop with micro-adjustable setting
- 1½ H.P., single phase,110V/220V, reversible TEFC 1725 RPM motor

STANDARD ACCESSORIES:

- Way chip protectors
- Drawbar • Tool box
- Electric control box & panel
- Power table feed for X axis

SPECIFICATIONS:

Spindle taper	R-8
Spindle travel	5.4"
Table size	7⅞" x 35¾"
Table travel (longitudinal)	20½"
Table travel (cross)	9½"
Table travel (vertical)	13¾"
Max. dist. spindle to column	15½"
Max. dist. spindle to table	13¾"
Knee travel	13¾"
Head travel	10¼"
Head tilt	90° left and right
Turret or column swivel	360°
T-slots	3 on 2½" centers, ½" stud
Number of speeds	5
Range of speeds	255, 425, 685, 1115 and 1800 RPM
Motor	TEFC capacitor start induction
Horsepower	1½
Phase	single phase
RPM	1725
Power Transfer	V-belts
Bearings	shielded and lubricated-for-life
Overall Height	75"
Shipping weight approx.	1650 lbs.

MILLING MACHINES

VERTICAL MILL

This is an extraordinary value for a vertical milling machine in this size range. It comes packed with features and capacities found on other mills costing thousands more. Start with a powerful 2 horsepower motor, coolant system and power feed on the longitudinal axis. Then add an amazing 16" capacity under the spindle and a 42¼" maximum swing! With the heavy castings and precision ground ways, you can tackle just about any job with confidence.

New!

SPECIFICATIONS:

Spindle taper	R-8
Spindle travel	5¼"
Table size	9½" x 31½"
Table travel (longitudinal)	15¾"
Table travel (cross)	9"
Knee travel (vertical)	13¾"
Max. dist. spindle to column	21⅛"
Max. dist. spindle to table	16"
Head tilt	90° left and right
Turret or column swivel	90° left and right
T-slots	3 on 3" centers, ½" stud
Number of speeds	9
Range of speeds	270, 390, 490, 615, 860, 930, 1600, 1960 and 2950 RPM
Motor	TEFC capacitor start induction
Voltage	110/220V
Amps	25/12.5
Phase	Single phase
Horsepower	2
RPM	1740
Power Transfer	Belt drive
Overall Height	82"
Shipping weight approx.	1696 lbs.

HORIZONTAL/VERTICAL MILL

Built to the exacting tolerances and heavy-duty construction as the vertical mill to the left, this machine also adds a horizontal spindle. Cut slots, gears or gang mill with this beauty, then do all the jobs that require a vertical spindle, too! Switching from one spindle to the other is quick and easy and both have their own powerful motors. The coolant system, power feed and work light make this machine a joy to use.

New!

2 MOTORS!

SPECIFICATIONS:

Spindle tapers	R-8
Spindle travel	5¼"
Table size	9½" x 39⅜"
Table travel (longitudinal)	17¾"
Table travel (cross)	9"
Knee travel (vertical)	13¾"
Max. dist. spindle to column	25⅛"
Max. dist. spindle to table	16"
Max. dist. horizontal spindle center to table	12"

MILLING MACHINES

HORIZONTAL/VERTICAL MILLING MACHINE

Now you can have the rugged workhorse capability of a horizontal mill and the versatility of a vertical mill all in one machine. This industrial-duty machine features a table that swivels ± 45° and a tilting vertical spindle. 2000 lbs of machine provide rigidity and vibration dampening for heavy chatter-free cutting. A high quality, infinitely variable speed, solid state power feed eases the workload and improves the finish. A built-in coolant pump assures long tool life and superior surface finishes. The adjustable outboard spindle support maximizes spindle rigidity. Gear cutters and shell mills can be handled with ease using the NT 30 horizontal holder. The vertical spindle is an R-8 taper.

FEATURES:

- Power feed included for table
- Quick changeover from horizontal to vertical operation
- Highly precise and rigidly constructed
- Dual voltage capacity

SPECIFICATIONS:

Table working surface:.....8⅜" x 27⅝"
Width of T-slot:.....½"
Longitudinal travel:.....12½"
Cross travel:.....7³⁄₃₂"
Vertical travel: .....12¼"
Max. distance horizontal spindle.....
center to table: .....10¾"
Max. distance vertical spindle to table:.....
.....12¾"
Horizontal shaft size:.....1"
Max. swivel angle of worktable:.....± 45°
Rotation of vertical milling head:.....360°

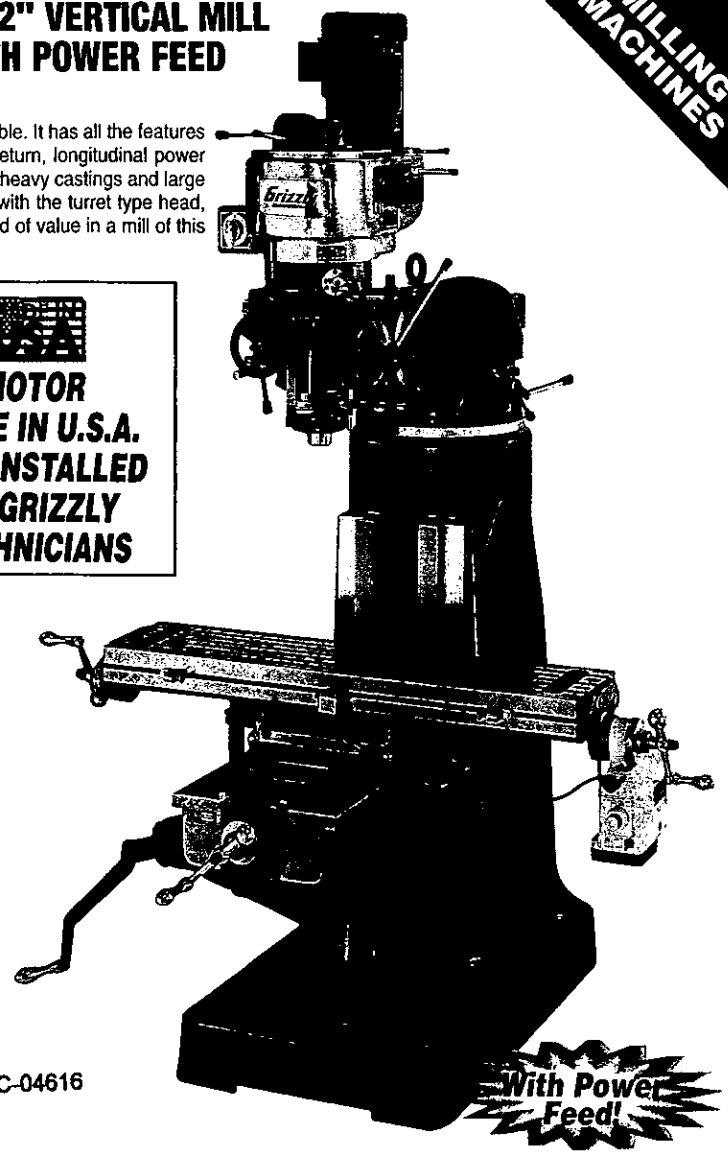
MILLING MACHINES

9" x 42" VERTICAL MILL WITH POWER FEED

This is our most economical turret type knee mill with a 9" x 42" table. It has all the features that larger mills have like power down feed with auto-stop and return, longitudinal power feed and a 5" quill travel with calibrated stop adjuster. These very heavy castings and large slide surfaces will give incredible performance and stability. And with the turret type head, its capacities are quite large. Shop around. You won't find this kind of value in a mill of this type and size.



MOTOR MADE IN U.S.A. AND INSTALLED BY GRIZZLY TECHNICIANS

FEATURES:

- One-shot Pump Lubrication
- Power Down Feed
- Quill Feeds/Spindle Rev.: .0019", .0035", .0058"
- Auto Stop w/Micro Adjustable Stop
- R-8 Spindle
- Longitudinal Power Feed
- Hardened & Ground Table Surface
- Chrome Plated, Precision Ground Quill
- Adjustable Micrometer Quill Depth Stop

SPECIFICATIONS:

Spindle travel	5"
Table size	9" x 42"
Table travel (longitudinal)	25⅞"
Table travel (cross)	12½"
Max. dist. spindle to table	18¼"
Max. dist. spindle to column	17½"
Knee travel	16"
Head tilt	45° both ways
Head swivel	90° both ways
T-slots	3 on 2½" centers, ½" studs
Range of speeds (RPM):	78, 98, 197, 278, 670, 850, 1700 and 2000
Motor	2 H.P., Single Phase

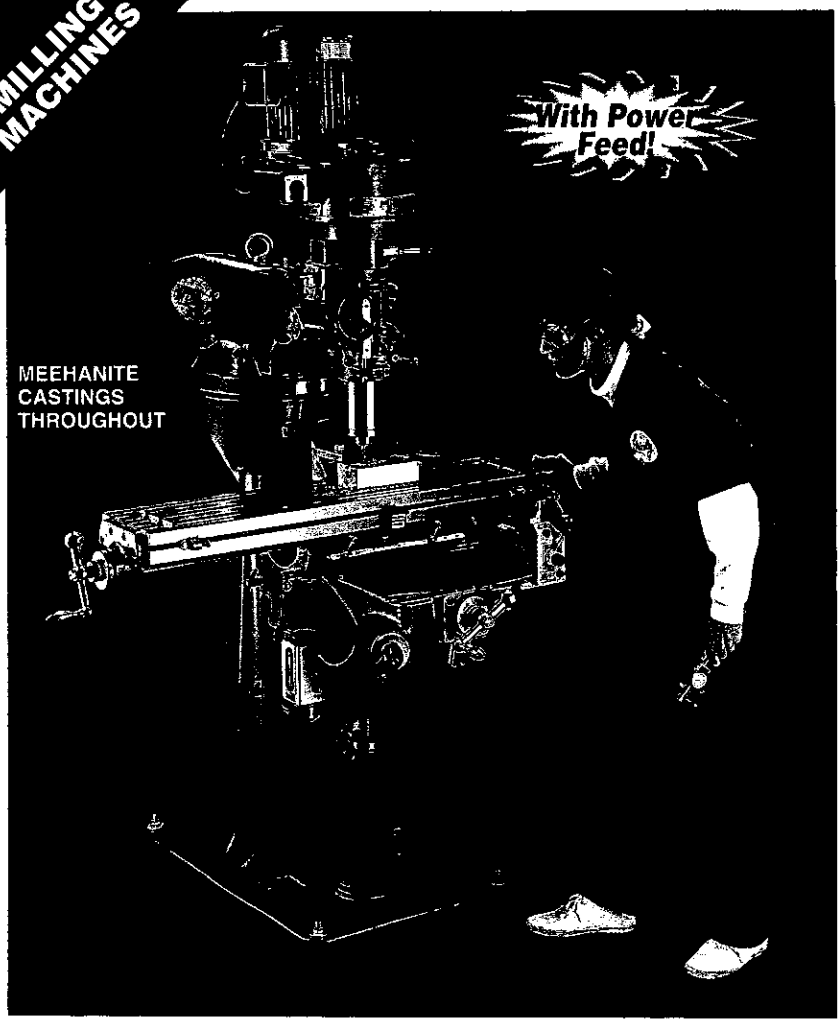
G9940	12" x 30"	5"	3 Axis	$1095.00



"In April 2000, we purchased a G4027 Vertical Knee Mill from your Springfield facility. We have been using this machine in diversified repair work. This mill is proving to be an excellent machine with outstanding repeatability. We have found it to be very cost-effective, as most repair operations require tight budgets. Many thanks for thinking of independent working people with your line of equipment."

Ben Chadd
Bainbridge, IN

VERTICAL MILL MODEL G4027 (2 H.P., 1 PH., 9" x 42" TABLE)

Our most affordable production milling machine has many of the same features that are included with more expensive machines. This top-selling machine features a three speed power down feed, 3.35" quill with 5" throw, turret head, power feed x-axis and massive castings for optimum stability and accuracy.

AS LOW AS $95.00 Per Month O.A.C. Excludes tax & freight.

FEATURES:

- R-8 spindle
- Auto down feed
- Meehanite cast iron
- Centralized lubrication system
- Power down feed
- Auto stop with micro-adjustable setting
- Chrome plated precision ground quill
- Adjustable micrometer quill depth stop
- Multiple saddle, knee, table and ram locks for high rigidity
- Table & cross feed lead screw has double nuts to minimize backlash
- Hardened & ground column and knee slideways
- Table surface hardened and ground
- Heavy-duty saddle supports full width of table
- 2 H.P., single phase, TEFC 1725 RPM motor, 115/230V, 28/14 amps
- Comes with longitudinal power feed
- Includes: way chip protectors, drawbar and tool box

9" x 49" VERTICAL MILL WITH POWER FEED

Need a little more table space? Try one of our 9" x 49" turret type knee mills. They have all the same great features as their little brother but they have the added table length necessary for those longer parts. These mills are an exceptional value and are offered in a 8 speed V-belt drive or variable speed. And of course with 2 H.P., large slide surfaces and heavy castings, these milling machines will perform with amazing rigidity through some of the toughest jobs.

FEATURES:

MILLING MACHINES

10" x 54" VERTICAL MILL WITH POWER FEED

These are the largest capacity milling machines we have. With an incredible 10" x 54" table, huge table travel and 3 H.P., 3 phase motors, just about any job can be done. And these castings are massive! Made to exacting specifications, these milling machines will give repeatable results in close tolerance work. Choose the G9905 variable speed milling machine and get on-the-fly speed changes. Or save a little money and get a large speed range of the G9904 with easy to adjust V-belts. Both machines will give excellent results and years of reliable performance. Please, check out the features and specifications below. It will be impossible to find a comparable value.

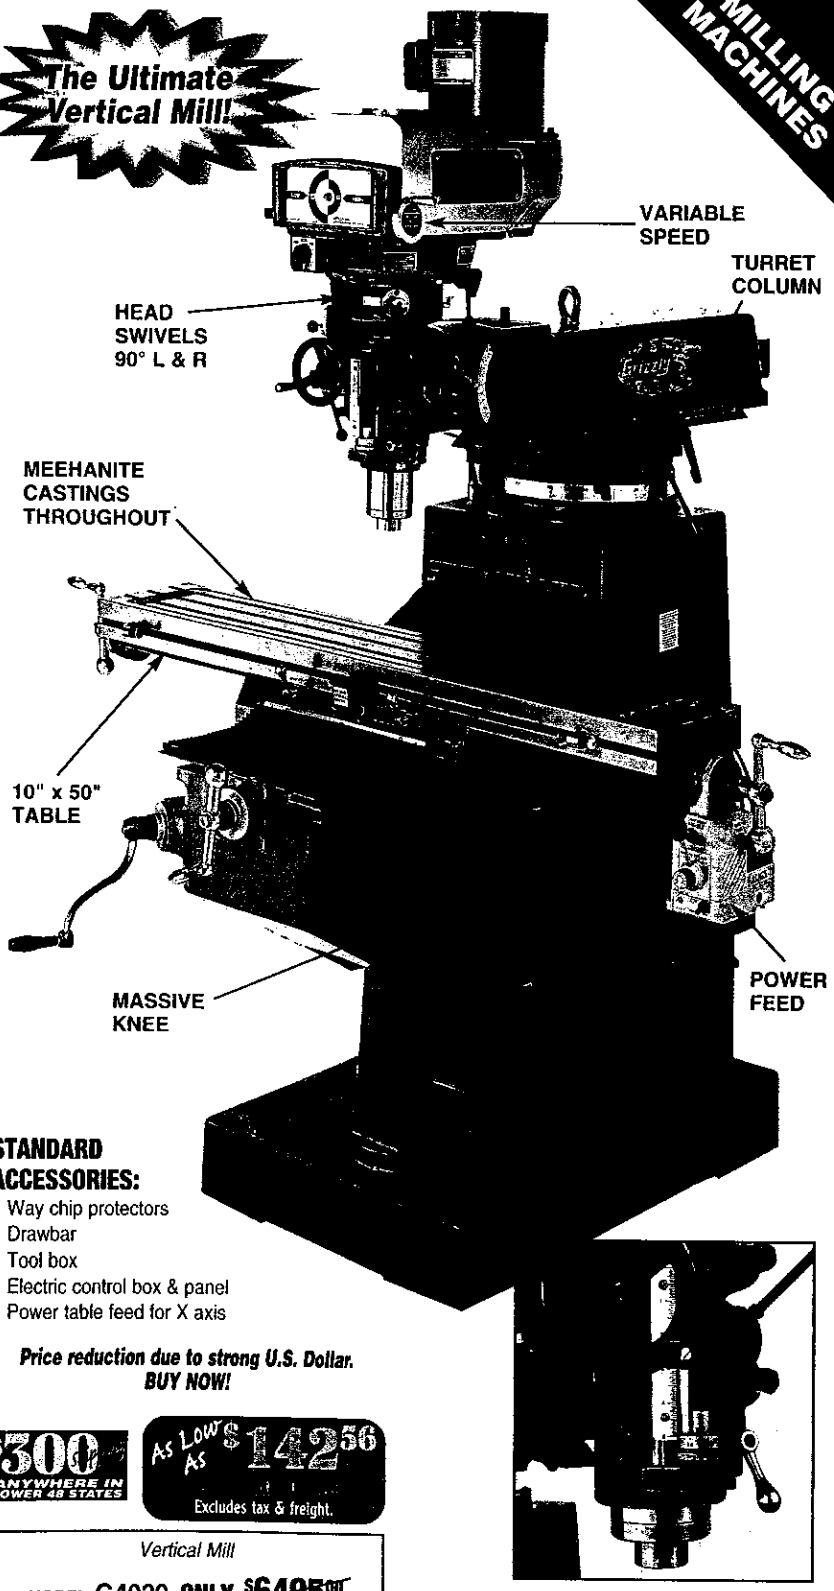
VARIABLE SPEED TURRET HEAD MILLING MACHINE
(3 H.P., 3 PH., 10" x 50" TABLE)

The Ultimate Vertical Mill!

This is the Bad Boy of vertical milling machines! Weighing in at over a ton of pure metalworking power, it features heavy-duty everything — knee, slideways, work table and saddle support to name a few. It also has a wide range of variable speeds, powered by a three horsepower, three phase industrial motor. And of course, a machine like this naturally comes with a longitudinal power feed table, oil lubricating system, automatic quill feed and monster table travel. So whatever kind of metalworking you're into, from job shops to full scale production shops, this milling machine can handle it.



FEATURES:

- Centralized lubrication system
- Variable speed
- Power down feed
- Auto stop with micro-adjustable setting
- R-8 spindle
- Meehanite cast iron
- Chrome plated precision ground quill
- Adjustable micrometer quill depth stop
- Multiple saddle, knee, table and ram locks for high rigidity
- Table & cross feed lead screws have double nuts to minimize backlash
- Hardened & ground column and knee slideways
- Hardened and ground table surface
- Heavy-duty saddle supports full width of table
- Comes with longitudinal power feed

CUTS VERTICALLY!

4" x 6" METAL-CUTTING BANDSAW WITH SWIVEL HEAD

This is one of the best saws on the market for the small or large shop. It features a 5" round and 4" x 6" rectangular capacity. But what really sets this apart from other saws of this size is the head swivel giving a maximum angle of cut of 60°! Remember how much trouble it is to change a vise backing jaw only to get a 45° cut? Not with this guy. The easy-to-adjust head has stops in all the right places. And because the vise backing jaw is rigid on this saw it is taller, giving it the ability to support the workpiece better. And of course, the machine comes with all the features you'd expect from Grizzly like hydraulic down feed control, easy access wheels for quick blade changes and the right blade speeds to do the job.

SPECIFICATIONS:

Max. capacity rectangular @ 0° .....4" x 6"
Max. capacity circular @ 0° .....5"
Max. capacity rectangular @ ±45° .....3⅝" x 3"
Max. capacity circular @ ±45° .....3⅝"
Max. capacity rectangular @ +60° ...2 3/16" x 2 3/16"
Max. capacity circular @ +60° .....2 3/16"
Blade speeds.....80, 120, 200 FPM
Blade size .....64½" x ½"
Motor.....⅓ HP, 110V/220V, 60Hz, 1720 RPM
Amps 7/3.5

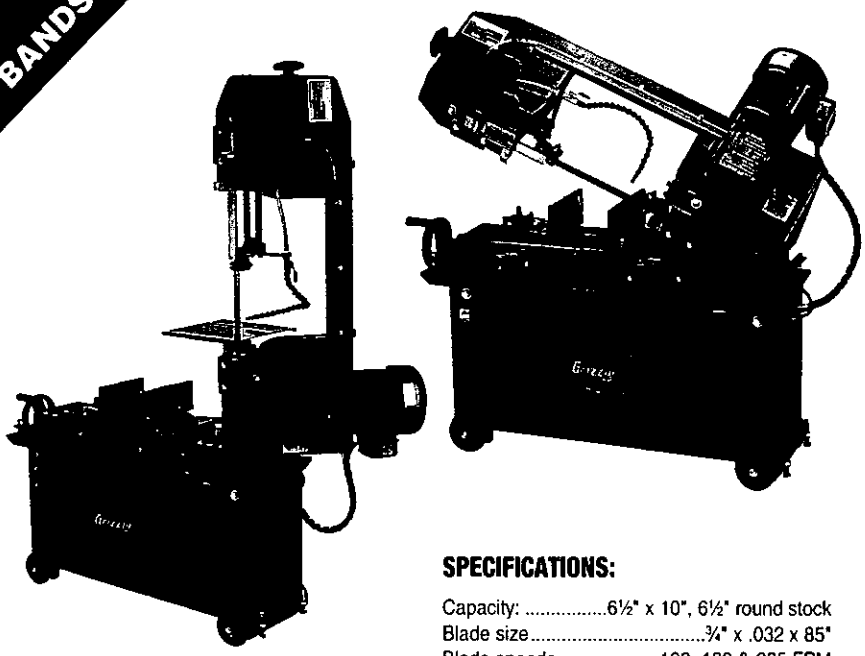
BANDSAWS

6½" x 10" METAL-CUTTING BANDSAW



This full featured machine has everything you need in a metal-cutting bandsaw. From its solid supporting cast iron base, to its quick-positioning vise, to its rotary pump powered coolant system, this workhorse is at home in the hobby as well as the full production shop. Features locking roller cabinet for easy mobility, hydraulic feed for smooth cutting, vertical saw table and removable coolant tank for easy cleaning. So, whatever your need, this metal-cutting bandsaw will fit the bill.

FEATURES:

- Built-in coolant system
- Separate coolant switch
- Hydraulic feed
- Heavy cast iron machine table
- Rapid approach vise
- Roller cabinet
- Adjustable blade guides and rollers
- Automatic shut-off
- Three cutting speeds
- Band tension adjustment
- Hardened and ground worm gears
- Includes blade chip brush, safety guards and vertical saw table

SPECIFICATIONS:

Capacity: .....6½" x 10", 6½" round stock
Blade size.....¾" x .032 x 85"
Blade speeds.....100, 180 & 235 FPM
Motor.....¾ H.P., 1725 RPM
Shipping weight .....290 lbs.

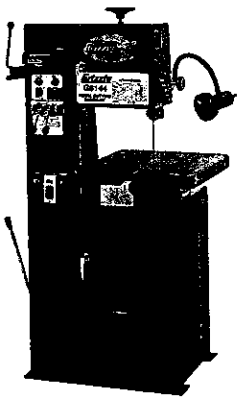
VERTICAL METAL-CUTTING BANDSAWS

Versatile bandsaws in three capacities allow intricate cutting of aluminum or brass to tool steels. Each bandsaw features a blade welding station which includes a cut-off, welder, annealer and a grinder. Ideal for making inside cuts and quick repairs.



FEATURES:

- Four speeds
- Blade welding station includes cutter, welder, annealer and grinder
- Left, right, forward and back table tilting control
- Integrated chip pan
- Upper and lower blade guides
- Work light
- Wheel brush

As Low As $45.26
Excludes tax & freight.

BANDSAW BLADES

METAL CUTTING BANDSAW BLADES

We are pleased to offer a full selection of high quality bandsaw blades for every metal cutting application. We have many combinations of blade pitch in raker tooth and variable pitch styles to cut many types of metal. Manufactured in bi-metal or high carbon tool steel with superior welds, they are sized to fit Grizzly metal cutting bandsaws, but may fit other brands as well.

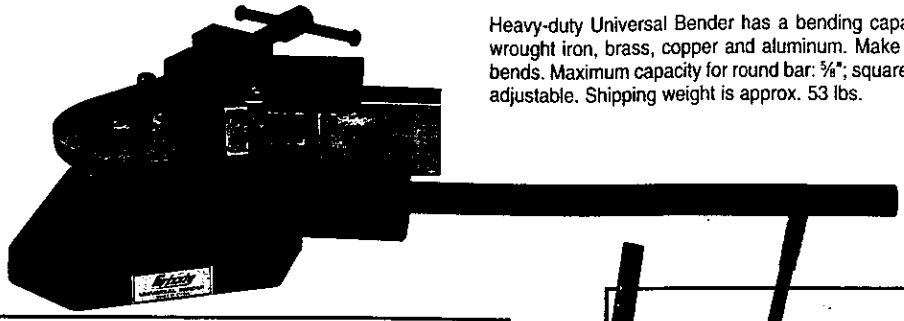
GRIZC-04628

UNIVERSAL BENDING MACHINE

German made bending machine will bend pipe, flat and round material in conjunction with your vise. This universal bender includes angle bender, strip roller and pipe bender. Bending capacity for flat material is up to 5/32" thick by 1 37/64" wide; pipe capacity is 5/32" dia., 15/64" dia., 5/16" dia. and 25/64" dia.; solid round stock is up to 25/64" dia. Bending radius for pipe and solid material is 35/64" for 5/32" dia. and 15/64" dia., 3/4" for 5/16" dia. and 1 9/64" for 25/64" dia. Includes carrying case.

MODEL G7918 ONLY $175.00

UNIVERSAL BENDER



Heavy-duty Universal Bender has a bending capacity of 28½ tons to shape steel, iron, wrought iron, brass, copper and aluminum. Make radius bends, rings, spirals and angle bends. Maximum capacity for round bar: 5/8"; square bar: 19/32"; and flat bar: 1 3/16" x 5/16". Fully adjustable. Shipping weight is approx. 53 lbs.

MODEL G7153

ONLY $189.95

HAND PUNCHER

For repetitive hole punching, nothing beats the speed of a hand puncher. With a throat depth of 6 9/32", this versatile puncher can punch a hole in mild steel up to 3/16" thick. Measures 5½" wide by 31½" tall (without handle). 5/8" hole die included. Shipping weight approx. 175 lbs.

$55 ANYWHERE IN LOWER 48 STATES

MODEL G7151 ONLY $375.00

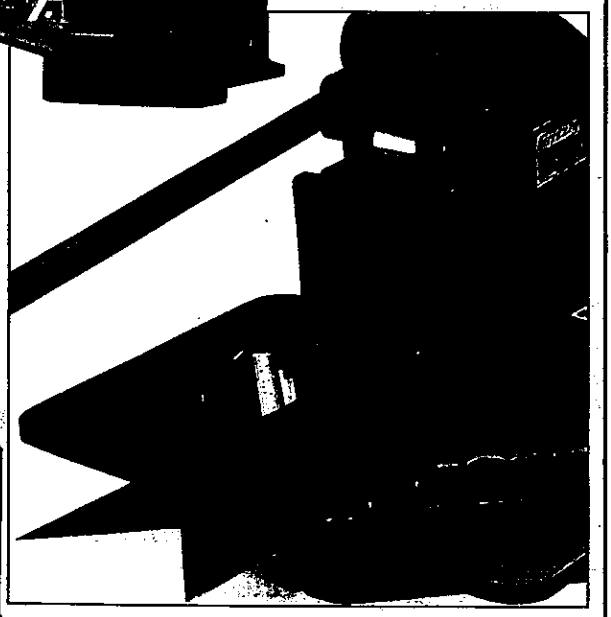
4 TON NOTCHER

Cut 90° notches up to 6" x 6" in 16 gauge mild steel (slightly less for galvanized steel) and 20 gauge stainless steel. Features fully adjustable precision ground guide plates, fine reading scale, 3/4" stroke and 19 3/4" handle with rubber grip. Table size is 12¼" L x 18½" W. Shipping weight is approx. 220 lbs.

MODEL G7152 ONLY $295.95

$55 ANYWHERE IN LOWER 48 STATES

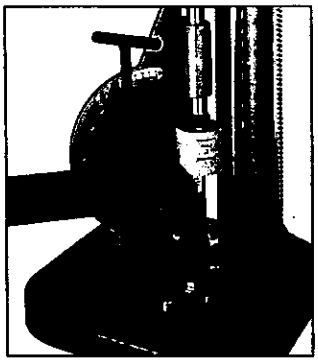


SHEET METAL MACHINES

PIPE/TUBE NOTCHER

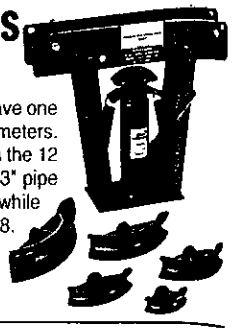
Our tube and pipe notcher can make joints for just about any structure – even a bicycle! These close fitting joints mean no hassle welding, brazing or epoxy. Can be used on a drill press or slow speed hand drill. Accepts hole saws up to 2¾" and pipe or tubing up to 2⅛" O.D. Spindle Stroke is 3¾". Includes hole saw arbor. (Bi-metal hole saw not included.)

*SEE PAGE 215 FOR **HOLE SAWS***



Pipe/Tube Notcher
MODEL G8686 **ONLY $59.95**

HYDRAULIC TUBE BENDERS HORIZONTAL/VERTICAL



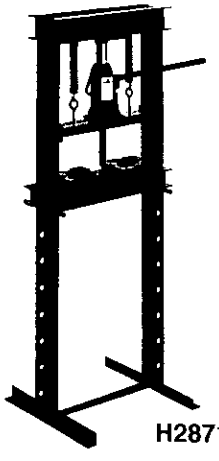
Any serious do-it-yourselfer or job shop must have one of these! The bending dies are sized in pipe diameters. Capacity is: ½", ¾", 1", 1¼", 1½" and 2" pipe on the 12 ton bender and ½", ¾", 1", 1¼", 1½", 2½" and 3" pipe on the 16 ton bender. (Maximum pipe size while bending to 90°: 2" on G9017 and 3" on G9018. Schedule 40 wall thickness on both). Shipping weight approximately 93 lbs. on the G9017 and 152 lbs. on the G9018. (Not for exhaust pipe.)

MODEL G9017 *12 Ton Hydraulic Tube Bender* **ONLY $89.95**
SHIP ANYWHERE WITHIN 48 STATES FOR $30.00

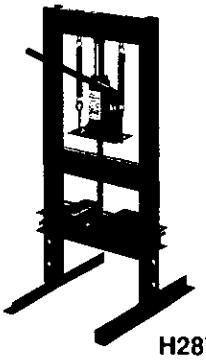
MODEL G9018 *16 Ton Hydraulic Tube Bender* **ONLY $159.95**
SHIP ANYWHERE WITHIN 48 STATES FOR $55.00

HYDRAULIC PRESSES

New!



H2871



H2870

Easy to use and powerful enough for most press work, choose from the bench top 6 ton hydraulic press or the 12 ton floor model. These guys can handle installing or removing bearings, gears, U-joints and can be used for straightening or bending jobs as well. The tables can be quickly adjusted for height and each includes table plates.

SHIP ANYWHERE WITHIN 48 STATES FOR $30.00

MODEL H2871 *12 Ton Hydraulic Press* **ONLY $99.95**
SHIP ANYWHERE WITHIN 48 STATES FOR $30.00

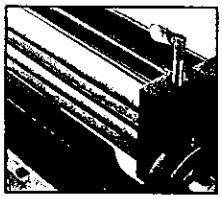
COMBINATION 3 IN 1 SHEET METAL MACHINES

SHEAR, BRAKE & SLIP ROLL – ALL ON ONE MACHINE

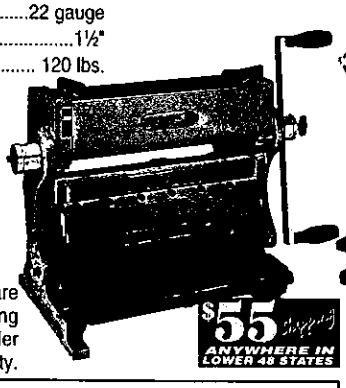
This "little" machine has got to be the slickest sheet metal machine on the market! It shears, it brakes and slip rolls! Large capacity lets you carry out all 3 functions with ease. Brake attachment comes with sectional fingers for forming various-sized boxes.

G6089 12" SHEET METAL MACHINE SPECIFICATIONS:

Maximum capacity in mild steel.....22 gauge
Roll diameter.....1½"
Approx. shipping weight..... 120 lbs.



Heavy-duty roller mechanisms are ground for ultra-smooth rolling functions. Includes a hinged roller cover for added safety and security.

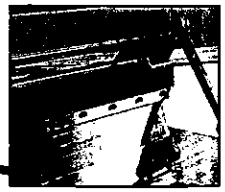


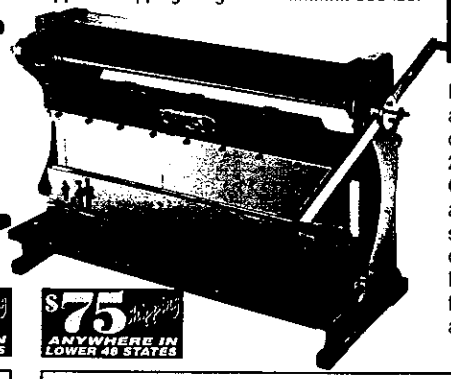
$55 shipping ANYWHERE IN LOWER 48 STATES

12" Sheet Metal Machine
MODEL G6089 **ONLY $199.95**
SHIP ANYWHERE WITHIN 48 STATES FOR $55.00

G4011 30" SHEET METAL MACHINE SPECIFICATIONS:

Maximum capacity in mild steel .....22 gauge
Roll diameter .....1½"
Approx. shipping weight..... 355 lbs.



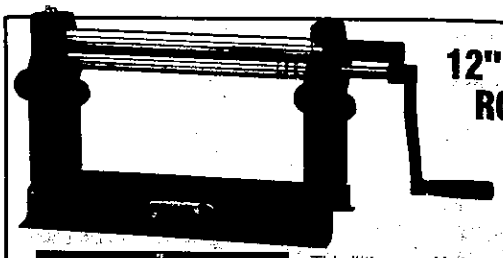


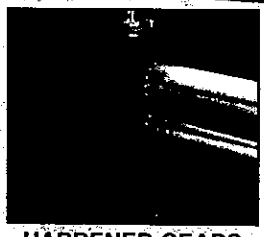
$75 shipping ANYWHERE IN LOWER 48 STATES

Precision-aligned table and cutting blade make quick work of mild steel to 22 gauge. The Model G4011 features an adjustable handle length, so you can increase or decrease lever control. Heavy cast iron base features bolt attachments at all four corners.

30" Sheet Metal Machine
MODEL G4011 ~~$299.95~~ **ONLY $289.95**
SHIP ANYWHERE WITHIN 48 STATES FOR $75.00

12" SLIP ROLL





HARDENED GEARS

WIRE GROOVES

This little rascal is just the ticket for live steamers, model makers and small jobbers. With its 12" ground and polished rolls it can handle mild steel up to 22 gauge and also has 1/16", 1/8" and 5/32" diameter grooves to handle rod and wire. A great little machine!

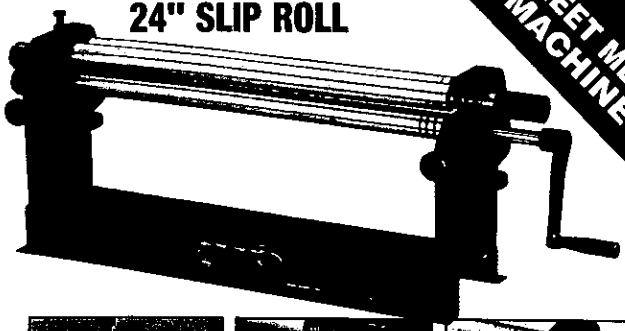
SPECIFICATIONS:

- Maximum capacity: 12"
- Roll diameter: 1"
- Footprint: 14½" x 6"
- Gauge: 22 ga.
- Gear drive
- Cast iron frame
- Approx. Ship Weight: 35 lbs.

MODEL G7148

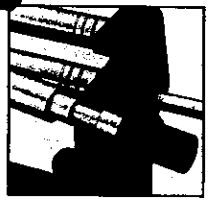
ONLY $159.95

24" SLIP ROLL



HARDENED GEARS

LARGE CRANK



WIRE GROOVES

For those who want a little extra capacity over the 12" slip roll, our 24" fits the bill. Large handle crank and hardened, heavy-duty gearing gives you the mechanical advantage to roll mild steel up to 22 ga. Features quick release top roller and bushings found on larger slip rolls. Nice unit!

SPECIFICATIONS:

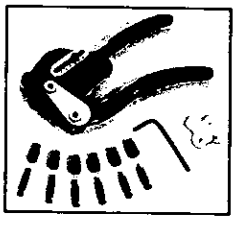
- Maximum capacity: 24"
- Roll diameter: 1½"
- Footprint: 7¾" x 28"
- Approx. Ship Weight: 94 lbs.

$30 ANYWHERE IN LOWER 48 STATES

MODEL G7149 ONLY $359.95

SHIP ANYWHERE WITHIN 48 STATES FOR $30.00

PORTABLE HAND PUNCH

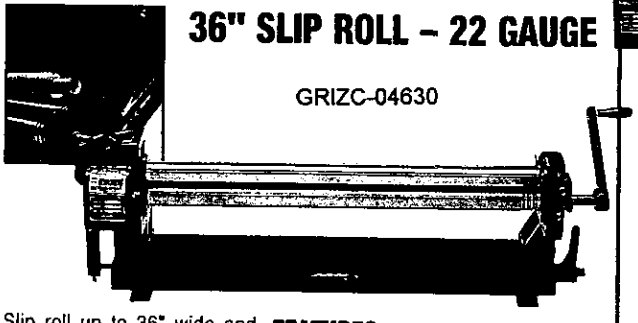


Producing 1 ton of force, this Hand Punch has a 16 gauge capacity in mild steel, brass and aluminum. Much quicker and safer than drilling thin stock and leaves no ragged edges. Includes 3/32", 1/8", 5/32", 3/16", 7/32", 1/4" and 9/32" dies and wrenches.

MODEL G8780 ONLY $19.95

36" SLIP ROLL – 22 GAUGE

GRIZC-04630



Slip roll up to 36" wide and 22 gauge mild steel with this bench-top sheet metal roller. Cast iron construction and 2" diameter ground and polished rolls make this slip roll ideal for many fabricating uses. With a net weight of 200 pounds and features like heavy bearings and gearing and the ability to slip roll 3/16" -5/16" diameter rod/wire stock, every sheet metal shop needs one of these!

FEATURES:

- Precision ground rollers
- 36" wide capacity
- Quick release top roller
- Hardened steel gearing

SPECIFICATIONS:

Maximum capacity .....36"
Minimum roll size .....2"
Footprint.....48" x 12"
Gauge .....22 gauge mild steel
Rod/wire grooves dia.:.....3/16", 1/4" & 5/16"
Approx. ship. weight: ..... 280 lbs.

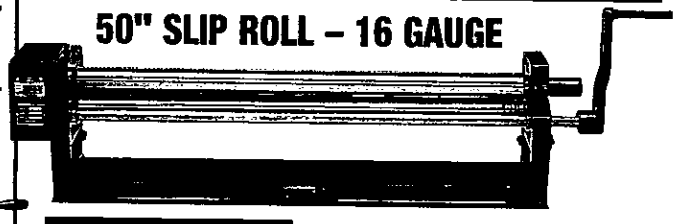
$75 ANYWHERE IN LOWER 48 STATES

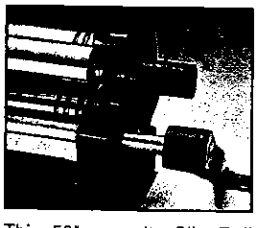
36" Slip Roll – 22 Gauge

MODEL G5770 ONLY $395.00

SHIP ANYWHERE WITHIN 48 STATES FOR $75.00

50" SLIP ROLL – 16 GAUGE





This 50" capacity Slip Roll features 3" ground and polished rolls and handles mild steel up to 16 gauge. All the great features of our 36" version, but designed much heavier to handle greater capacities. In fact, this 500 pound monster features a heavy-duty, sliding-rod clamping mechanism, heavy-duty gearing and bearings.

FEATURES:

- Precision ground cast iron rollers
- Cast iron frame
- 50" wide capacity
- Quick release top roller
- Hardened steel gearing

SPECIFICATIONS:

Maximum capacity .....50"
Minimum roll size .....3"
Footprint .....55" x 12"
Gauge .....16 gauge mild steel
Rod/wire grooves dia.: .....5/16", 3/8" & 1/2"
Approx. ship. weight: .....561 lbs.

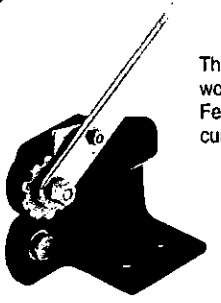
SHEET METAL MACHINES

MINI SHEET METAL CUTTER



The new G9947 rotary shear will make quick work of cutting sheet metal to 16 gauge. Features an adjustable roller for straight or curved cuts. 11" handle.

MODEL G9947 ONLY $19.95

24" BENDING BRAKE

This is the brake you've been looking for! Ruggedly built, yet simple design allows bends of 24" in 18 gauge mild steel. Bolt it to your bench, open the clamp and secure your work with heavy-duty toggle clamps. Bending is quick and easy with this little brute! A favorite with our home built aircraft customers.

New!

MODEL H2788 ONLY $159.95

SHEET METAL SHEARS

These excellent quality shears will slice through sheet metal, cut rebar and round stock too. Features ground and hardened knives with an extended length handle for maximum leverage. Mounts directly to your workbench.

MODEL	SIZE	PLATE CAPACITY	ROD CAPACITY	PRICE
H0731	5"	5/32"	3/8"	$49.95

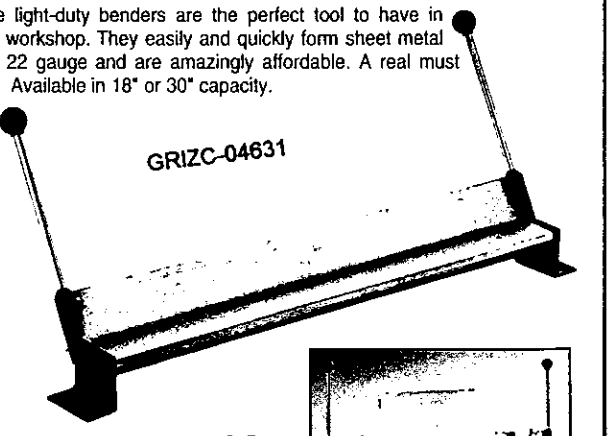
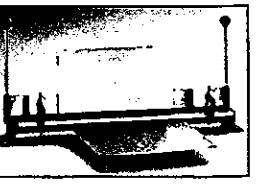
H0734	12"	3/16"	1/2"	$99.95

18" & 30" MINI MIGHTY BENDERS

These light-duty benders are the perfect tool to have in every workshop. They easily and quickly form sheet metal up to 22 gauge and are amazingly affordable. A real must have! Available in 18" or 30" capacity.



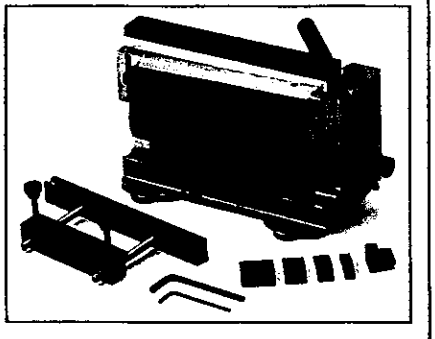


G9951 18" ONLY $19.95

G9952 30" ONLY $49.95

7½" MINI SHEAR BRAKE

Don't let its size fool you, this is one super heavy-duty combination Mini Shear Brake capable of working with mild steel to 22 gauge thick. Bend and shear with one compact tool, perfect for countless applications. Weighing 28 lbs, this is no lightweight machine.

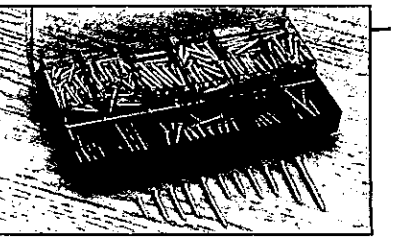


MODEL G9950 ONLY $175.00

210-PC. SHEET METAL SCREW ASSORTMENT

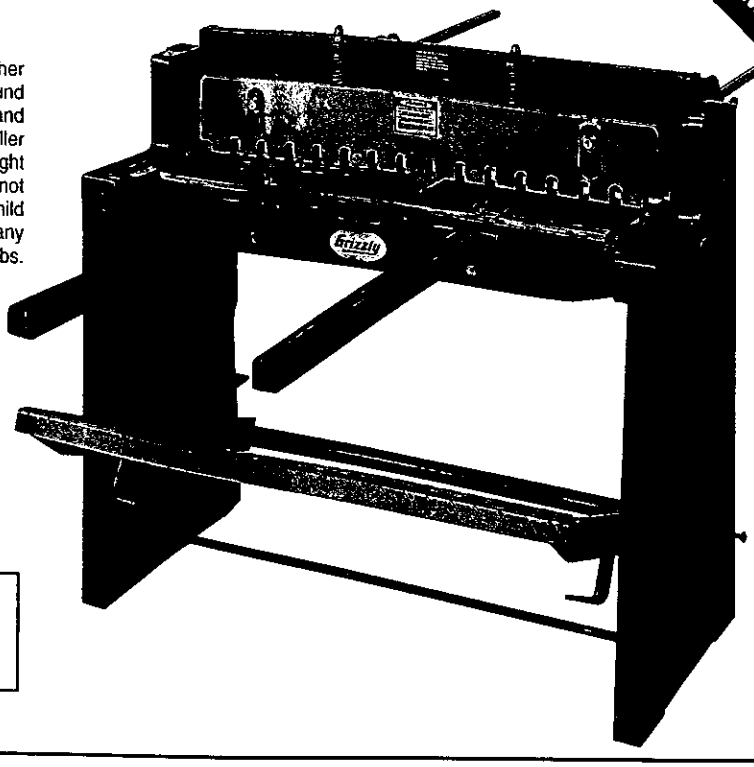
Four sizes of Phillips® flat head screws and seven sizes of combo drive pan head screws, all in a convenient plastic case with lift out tray. You will want to keep this one restocked! Sizes range from #4 x ¾" up to #10 x 2".

MODEL H0566 ONLY $3.50



37" FOOT SHEAR

This shear has all the features of its big brother including a cast iron body, precision ground blade, adjustable stops, smooth foot control and safety guard with hold down, just in a smaller package. This heavy-duty shear is just the right size for those with less room in their shop or not needing the extra capacity. Shear 16-gauge mild steel to 37 inches wide. A sure winner in any workshop. Approximate shipping weight: 800 lbs.



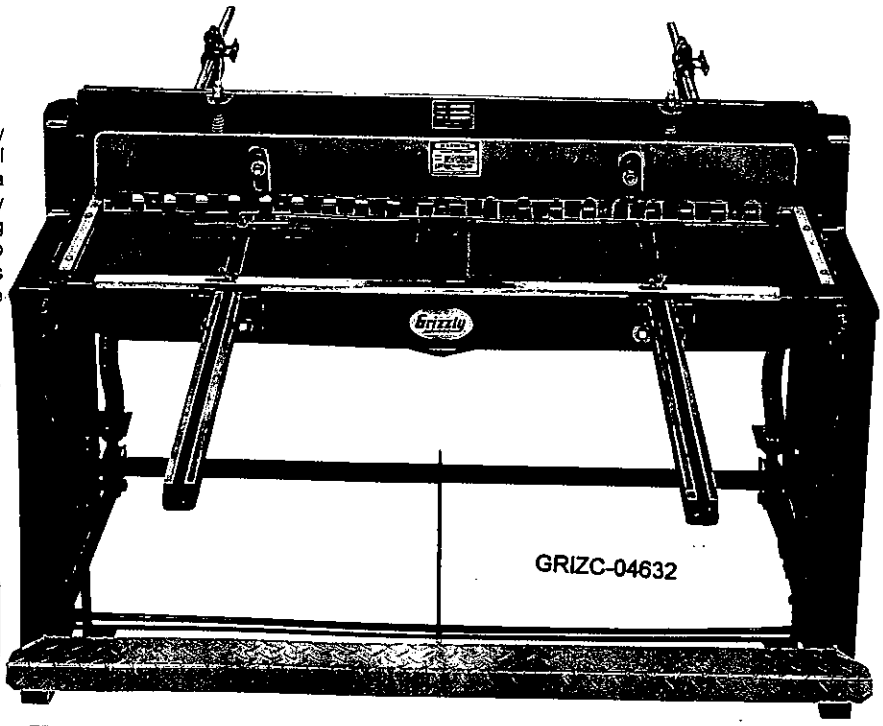
37" Foot Shear

MODEL G9948 ONLY $775.00

SHIP ANYWHERE WITHIN 48 STATES FOR $150.00

52" FOOT SHEAR 16 GAUGE

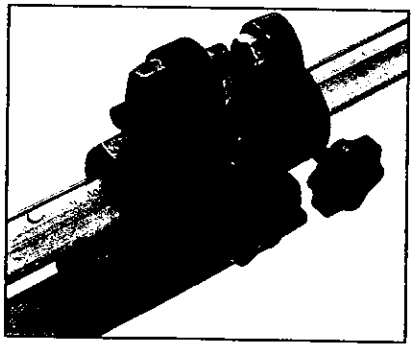
Cut your work down to size with this heavy-duty shear. Cut up to 52" wide, 16 gauge mild steel with all the precision you'd expect from a machine this size. Features heavy cast iron body with foot control, precision ground blade, spring activated hold down, safety guard and two micro-adjusting rear stop gauges. Also includes table gauges and front extension arms for those really large sheet metal jobs.



52" Shear – 16 Gauge

MODEL G5772 ~~$995.00~~ ONLY $895.00

SHIP ANYWHERE WITHIN 48 STATES FOR $200.00



FEATURES:

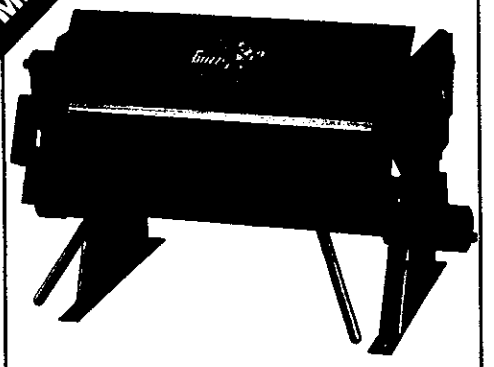
- Precision ground cast iron shear
- Cast iron frame
- 52" wide capacity
- Foot control
- Front stops and micro-adjustable rear stops
- Heavy cast iron hold-down clamp

SPECIFICATIONS:

Maximum capacity	52"
Front gauge range	0" - 12½"
Back gauge range	0" - 35"
Footprint	59" x 21½"
Gauge	16 gauge mild steel
Approx. ship. weight:	1150 lbs.

SHEET METAL MACHINES

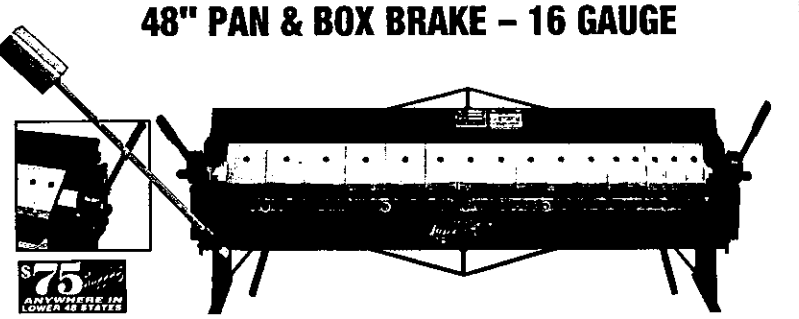
12" BENCH HAND BRAKE



This little wonder is perfect for the home hobbyist and those delicate forming jobs that need a fine touch bending mild steel up to 18 ga. Fully adjustable cams for bending from 0° to 135°. Features ground bed for clean, straight edge forming. Shipping weight approx. 49 lbs.

MODEL G7147
ONLY $179.95

48" PAN & BOX BRAKE – 16 GAUGE



$75 ANYWHERE IN LOWER 48 STATES

This 48" capacity Pan and Box Brake is suitable for many metal forming operations. Hardened steel box fingers include plenty of 2", 3" and 4" sizes and are easily removed or repositioned. The bed and beam are precision aligned and two independent cam action levers raise the beam well above the bed. A large counter balanced handle makes brake operations past 90° to 135° easy for all day use. This bench type Pan and Box Brake is fully trussed for rigidity and long life.

FEATURES:

- Hardened steel box fingers
- Left and right beam control levers
- Large counterbalanced brake handle
- Brakes from 0° - 135°
- Finger sizes of 2", 3" and 4"
- Fully trussed for strength and precision

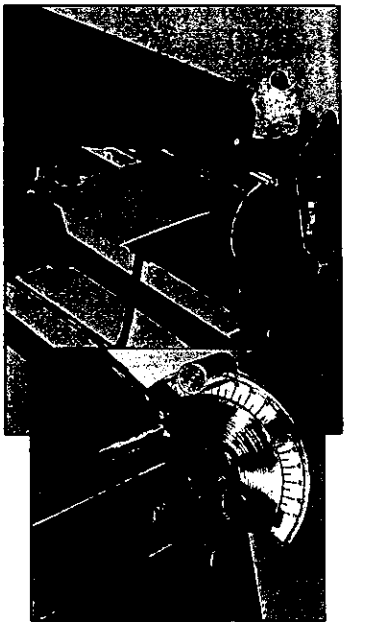
MODEL G5769
~~$550.00~~ ONLY $495.00
SHIP ANYWHERE WITHIN 48 STATES FOR $75.00

SPECIFICATIONS:

Maximum capacity ..... 48"
Number of each box finger size:
2" 5
3" 6
4" 5
Footprint ..... 52" x 12"
Gauge ..... 16 gauge mild steel
Construction:
Brake ..... steel with hardened edge
Frame ..... welded steel
Approx. ship. weight: ..... 365 lbs.

60" HAND BRAKE

GRIZC-04633



Handle big bending jobs in mild steel up to 16 gauge with our 60" Hand Brake. Counter balanced for ease of operation and precision aligned with cam action lever to raise the beam high over the bed. This brake also features angle indicator with adjustable stop for repeated bends.

MODEL G7150 ONLY $995.00
SHIP ANYWHERE WITHIN 48 STATES FOR $125.00

$125 ANYWHERE IN LOWER 48 STATES

FEATURES:

- Right hand beam control lever
- Large counterbalanced brake handle
- Brakes from 0° - 160°
- Adjustable angle stop

Excludes tax & freight.

$125 ANYWHERE IN LOWER 48 STATES

For years our customers have been asking us to carry a surface grinder at our great Grizzly price. We are happy to oblige! This 6" x 12" surface grinder has many features found on much larger machines and is perfect for the small tool room and metalworking enthusiast. When absolute surface grinding precision is needed in tough to machine materials, this is the machine to own. Large dials and fine thread screws yield maximum precision. Bring mirror-like finishes to your metalworking projects with this professional machine. Check out the many features below.

FEATURES:

- Super slide table
- Enclosed cabinet style stand
- Guard
- One shot lubrication
- Diamond wheel dresser with holder
- Tool Box
- Wheel balancing kit
- Single phase 3450 RPM motor

SPECIFICATIONS:

- Table surface: 6" x 12"
- Longitudinal travel: 13¼"
- Cross travel: 7⅛"
- Maximum distance table to wheel: 8⅞"
- Column dial: .001" Res/Rev .05"
- Cross dial: .001" Res/Rev .1"
- T-slot: ½" x ¾" x 15½"
- Grinding wheel: 7" D x 1¼" B x ½" W
- Height: 64"
- Width: 36½"
- Depth: 33"
- Motor: ¾ H.P., 110/220V, 7.4/3.7 Amps, prewired 110V
- Shipping weight approx.: 660 lbs.

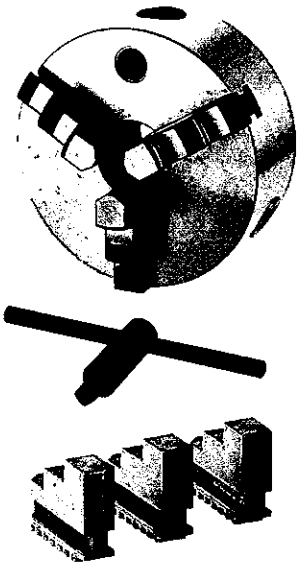
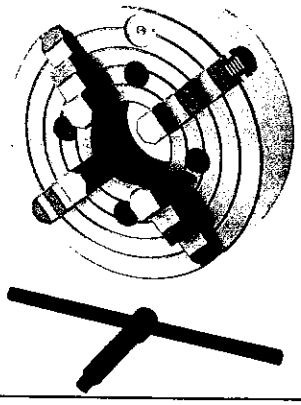
THREE-JAW, PLAIN BACK SCROLL CHUCKS WITH 2 SETS OF JAWS



These 3-jaw, self centering chucks feature semi-steel bodies with plain backs. Each includes two sets of jaws, wrench and mounting screws. G9586 Chuck thickness is 2". G9587 Chuck thickness is 2⅝". G9588 Chuck thickness is 3". Requires mounting plate. For those of you that are not familiar with chuck mounting, "plain back" means that a backing plate is required to mount the chuck to your lathe. Since there are so many different types of spindles on lathes, you would require a back plate that fits your lathe spindle and then mount the chuck to the plate. The mounting bolts go through the back of plate into the back of the chuck, usually on the edge of the chuck since there is a scroll mechanism for self centering the jaws.

MODEL	SIZE	THROUGH HOLE	PRICE
G9828	3" 3-Jaw Plain Back Scroll Chuck	⅝"	$59.95
G9829	4" 3-Jaw Plain Back Scroll Chuck	.865"	$69.95
G9830	5" 3-Jaw Plain Back Scroll Chuck	1.18"	$79.95
G9831	6" 3-Jaw Plain Back Scroll Chuck	1.57"	$129.95
G9832	8" 3-Jaw Plain Back Scroll Chuck	2.55"	$169.95
G9833	10" 3-Jaw Plain Back Scroll Chuck	3.15"	$219.95

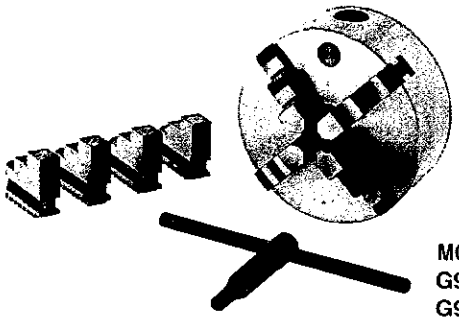
FOUR-JAW, PLAIN BACK INDEPENDENT CHUCKS



"Independent" means that each jaw moves independently. Such 4-jaw chucks are used for holding odd shaped pieces or where zero tolerance is required. These 4-jaw chucks have semi-steel bodies and hardened reversible jaws. Requires mounting plate. Note the mounting holes through the back of the chuck. This is because each jaw moves independently and there is no scroll in the middle.

MODEL	SIZE	THROUGH HOLE		PRICE
G9864	3" 4-Jaw Plain Back Independent Chuck	.86"		$49.95
G9865	6" 4-Jaw Plain Back Independent Chuck	1½"		$69.95
G9866	8" 4-Jaw Plain Back Independent Chuck	1 15/16"		$89.95
G9867	10" 4-Jaw Plain Back Independent Chuck	2½"		$99.95
G9868	12" 4-Jaw Plain Back Independent Chuck	3½"	30 lbs.	$119.95
G9869	16" 4-Jaw Plain Back Independent Chuck	3¾"	35 lbs.	$189.95

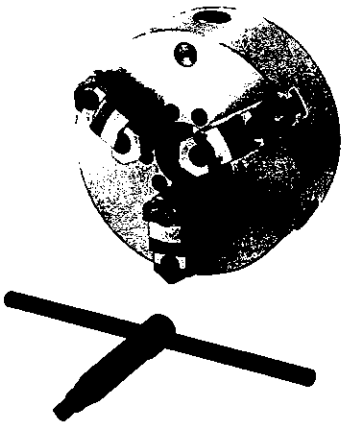
FOUR-JAW, PLAIN BACK SCROLL CHUCKS WITH 2 SETS OF JAWS



"Scroll" means that all jaws close together and are self centering. These 4-jaw chucks have semi-steel bodies and two sets of hardened jaws. 4-jaw self centering chucks have a firmer hold on the workpiece and also allow you to grip square pieces without switching chucks. Requires mounting plate.

GRIZC-04637

MODEL	SIZE	THROUGH HOLE	PRICE
G9834	5" 4-Jaw Plain Back Scroll Chuck	1.81"	$139.95
G9835	6" 4-Jaw Plain Back Scroll Chuck	1.575"	$169.95
G9836	8" 4-Jaw Plain Back Scroll Chuck	2.55"	$199.95
G9837	10" 4-Jaw Plain Back Scroll Chuck	3.15"	$279.95



THREE-JAW, DIRECT MOUNT SCROLL CHUCKS

These direct mount chucks come with the studs in the back and fit directly into your lathe cam-lock. The bodies are made of semi-steel and the two-piece reversible jaws are hardened. Jaws are self-centering. See the 4-jaw chucks below for definition of "Direct Mount".

MODEL	SIZE	THROUGH HOLE	PRICE
G9818	6" 3-Jaw Scroll Chuck D1-3	1.575"	$169.95
G9819	6" 3-Jaw Scroll Chuck D1-4	1.575"	$169.95

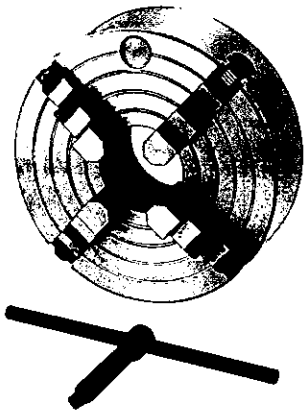
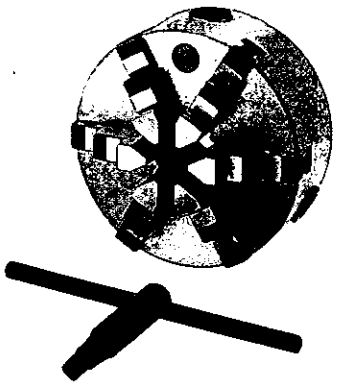
G9821	8" 3-Jaw Scroll Chuck D1-4	1.969"	$219.95
G9822	8" 3-Jaw Scroll Chuck D1-5	1.969"	$219.95
G9823	8" 3-Jaw Scroll Chuck D1-6	1.969"	$219.95
G9824	10" 3-Jaw Scroll Chuck D1-6	2.75"	$295.95



FOUR-JAW, DIRECT MOUNT INDEPENDENT CHUCKS

These direct mount 4-jaw chucks feature jaws that move independently. Each chuck comes with studs in the back and hardened reversible jaws. Bodies are made of semi-steel. **D1-4, 5, 6 and 8 are types of spindles found on certain metal lathes. They are a cam-lock style mount that requires the chucks to have appropriate sized cam-lock studs. These studs fit into the cam-lock holes in the spindle and lock into place very precisely. Cam-lock mounts are known for being accurate.**

MODEL	SIZE	THROUGH HOLE		PRICE
G9825	8" 4-Jaw Independent Chuck D1-4	2.165"		$129.95
G9826	10" 4-Jaw Independent Chuck D1-5	2.953"		$149.95
G9827	10" 4-Jaw Independent Chuck D1-6	2.953"		$149.95
G9870	12" 4-Jaw Independent Dir. Chuck D1-6	3.74"	50	$199.95
G9871	16" 4-Jaw Independent Dir. Chuck D1-8	4.92"	55	$269.95



SIX-JAW, PLAIN BACK SCROLL CHUCKS

6-jaw chuck are excellent for holding and machining thin walled workpieces. Deformation of the workpiece is reduced and grinding accuracy and finish are greatly improved. Bodies are made of semi-steel with hardened jaws. Jaws are self-centering. Requires mounting plate.

MODEL	SIZE	THROUGH HOLE	PRICE
G9852	4" 6-Jaw Scroll Chuck	1"	$129.95
G9853	5" 6-Jaw Scroll Chuck	1.37"	$139.95

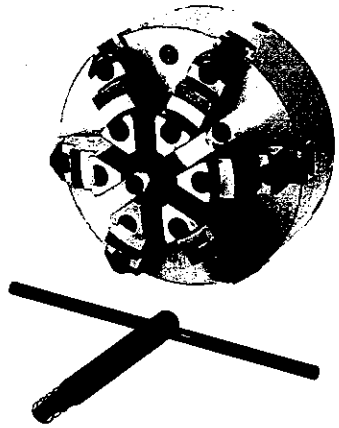
G9855	8" 6-Jaw Scroll Chuck	2.55"	$229.95



SIX-JAW, HIGH PRECISION RUN TRUE SCROLL CHUCKS

"Run true" chucks are the best chucks you can buy. Every part is machined to precise tolerances and repeatable concentricity is maintained. Unique micro adjustment feature enables repeatable accuracy to within 0.0005" (half a thousandths of an inch). Scroll and jaws are hardened and ground. Includes 2-piece jaws. These chucks feature semi-steel bodies and self centering jaws. Requires mounting plate.

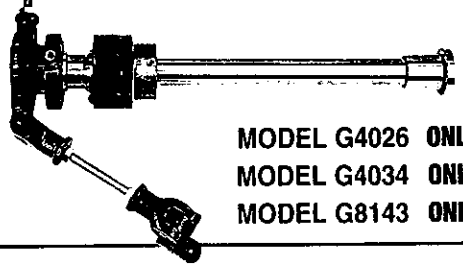
LATHE ACCESSORIES

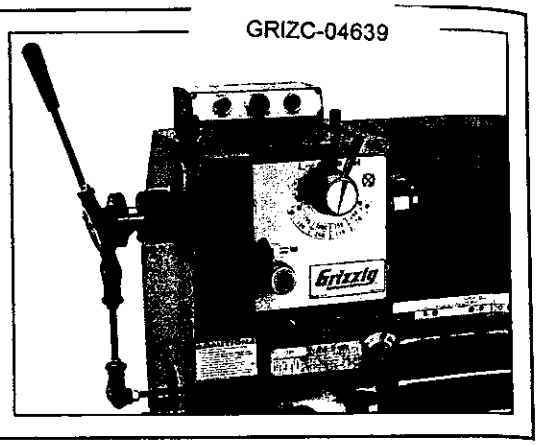
COLLET ATTACHMENTS

Quick change Collet Attachment fits 5-C collets. G4026 fits Model G4002 & G4003 lathes. G4034 fits Model G4016 lathe. G8143 fits Model G5960 and G7958.



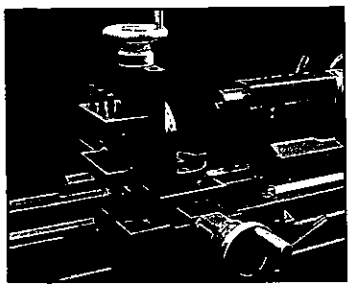
MODEL G4026 ONLY $299.95
MODEL G4034 ONLY $299.95
MODEL G8143 ONLY $425.00

GRIZC-04639



MILLING ATTACHMENT

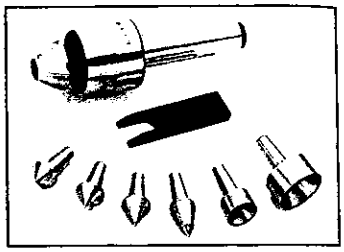
Add another dimension to your lathe with this milling attachment: slotting, face milling, drilling, and 3-axis positioning. Simple modification necessary for attachment. Base measures: 4½" O.D. 2 mounting holes spaced 3.610" between centers. Stud measures .982" dia. and is replaceable. Fits Model G1031, G1001, G1002 and G1003 only.



MODEL G1080 ONLY $189.50

M.T. #3 LIVE CENTER SET

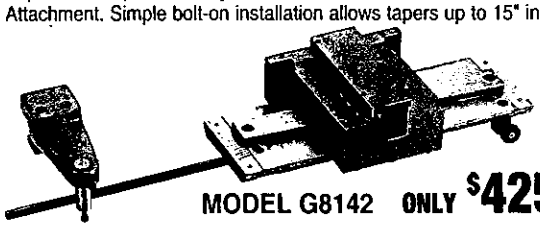
A super blend of quality and convenience, this M.T. #3 Live Center Set offers seven interchangeable tips. High-quality needle bearings prolong tool life and special tool steel body and tips are precision ground. Supplied in molded case.



MODEL G1070 ONLY $89.95

TAPER ATTACHMENT FOR G5960/G7958

Expand the capabilities of your G5960 or G7958 Floor Lathe with this Taper Attachment. Simple bolt-on installation allows tapers up to 15" in length.



MODEL G8142 ONLY $425.00

H.S.S. GROUND CENTER DRILLS

These double ended High Speed Steel Center Drills are precision ground for unsurpassed accuracy.

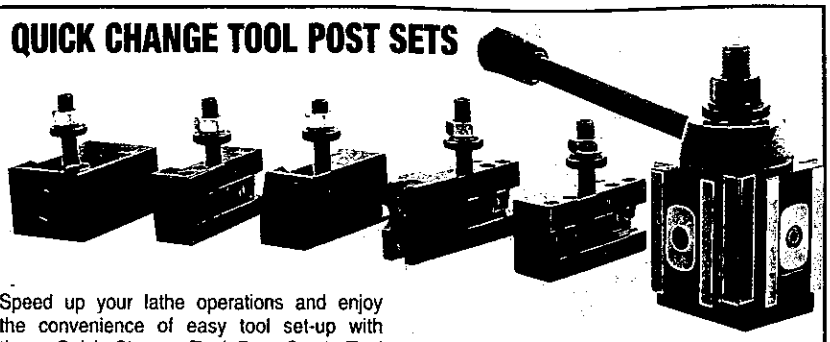
G5931	MT #2	$13.95
G5932	MT #3	$14.95

QUICK CHANGE TOOL POST SETS



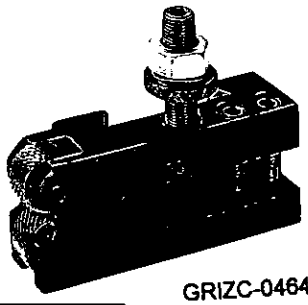
Speed up your lathe operations and enjoy the convenience of easy tool set-up with these Quick Change Tool Post Sets*. Tool posts feature piston type mechanism and come with five tool holders including: turning holder, knurling/turning holder, parting tool holder, boring bar holder and boring/turning holder. All milled surfaces are hardened and precision ground for repeatable accuracy.

MODEL	SERIES	LATHE SIZE	PRICE
G5689	100	10" Swing	$199.95
G5690	200	12" to 14" Swing	$249.95
G5691	300	13" to 15" Swing	$349.95
G9710	400	14" to 20" Swing	$399.95

**Each set comes with a blank T-nut which requires machining to fit your lathe.*

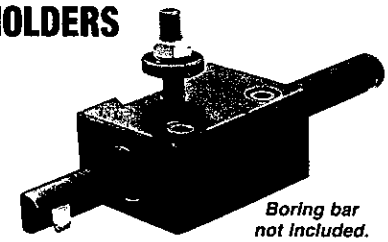
KNURLING TOOL HOLDERS

Dual purpose Tool Holder features hardened and precision ground medium knurls on one end and tool bit holder on the other end. Series 100 accepts 3/16"-1/2" tool bits. Series 200 accepts 1/4"-5/8" tool bits. Series 300 accepts 1/2"-3/4" tool bits.



GRIZC-04640

BORING BAR HOLDERS



Boring bar not included.

Heavy Boring Bar Holders grip tightly with no chatter. Each features a split bushing to accommodate smaller boring bars. G5694 accepts 5/8" and 3/4" boring bars, G5701 and G5708 accepts 3/4" and 1" boring bars.

MODEL	SERIES	PRICE
G5694	100	$27.95

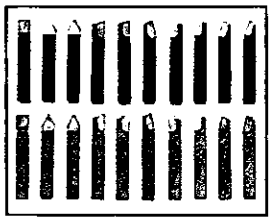
CARBIDE-TIPPED TOOL BIT SETS

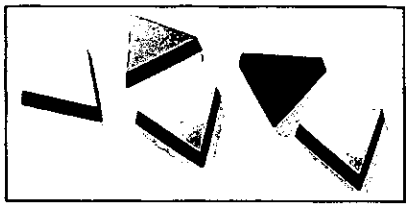


An exceptional value for carbide lathe tool bits! Twenty-piece sets offer tremendous savings over bits sold individually, plus every type is duplicated and ready at hand when you need it. The carbide is C-6 grade for cutting steel and alloys.

20 PIECE SETS!

MODEL	SIZE	PRICE
G9775	¼" 20-Pc.	$14.25
G9776	⅜" 20-Pc.	$18.25
G9777	½" 20-Pc.	$29.95

CARBIDE INSERTS

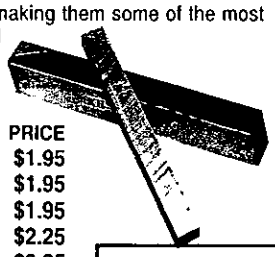


Inexpensive carbide inserts provide excellent cutting power on most metal surfaces. These disposable cutters are an ideal way to avoid re-sharpening costs. Can be used with our G2861 Fly Cutter.

MODEL G4051 ONLY $2.49 EA.

H.S.S. SQUARE TOOL BITS

Our ground tool bits are M-2 H.S.S., making them some of the most durable tool bits around. Usually used on metal lathes, these tool bits can also be ground down and used for engraving in metal.



MODEL	SIZE	PRICE

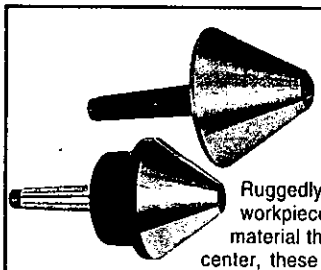
BULL-NOSE ROLLING CENTERS



Ruggedly constructed for large, hollow workpieces like pipes, tubing and other material that would "swallow" a regular live center, these bull-nose centers are designed for heavy-duty use. Although primarily designed for metal lathes, our rolling centers also work well on wood lathes. Don't worry about dust getting in the bearings — they're sealed!
