Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Plaintiff's Trial Period is currently set to close on 05/29/2006. The Mentholatum Company requests that such date be extended for 60 days, or until 07/28/2006, and that all subsequent dates be reset accordingly.

Discovery Period to Close :	CLOSED
Thirty-day testimony period for party in position of plaintiff to close :	07/28/2006
Thirty-day testimony period for party in position of defendant to close :	09/26/2006
Fifteen-day rebuttal testimony period to close :	11/10/2006

The grounds for this request are as follows:

- *Parties are unable to complete discovery/testimony during assigned period*
- *Additional time is needed to complete testimony during the assigned period due to conflicts in the schedule of opposer's attorneys.*

The Mentholatum Company has secured the express consent of all other parties to this proceeding for the extension requested herein.

The Mentholatum Company has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
