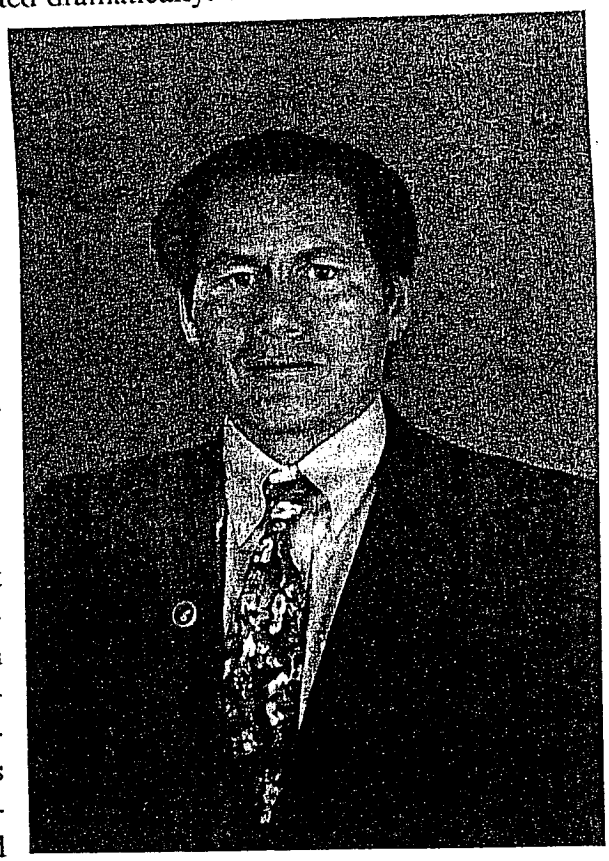
depended solely upon financial assistance from federal, state and local governments.

But that's history. The deck has been reshuffled and the rules revised and updated dramatically. Today, thanks to unprecedented rulings by the United States Supreme Court and Congressional adoption of a series of key policies, Indian bands and tribes have the right to cash in on what appears to be a sure bet for economic growth and stability, both now and in the future. Indians' newfound wealth has come in the form of casino gambling on reservations.



Leonard Prescott

Blackjack, high-stakes bingo, pull-tabs and video slot and poker machines are drawing cards to a multi-million dollar a year industry that exploded with widespread popularity and propelled Indians from the dismal depths of economic despair to the esteemed heights of financial integrity and self-sufficiency.

A member of the Sioux Indian Tribe at the Mdewakanton Prairie Island reservation and public relations director for Treasure Island Casino near Red Wing, Minnesota, John Campbell says financial gain is not the sole profit realized from casino gambling. Indians are enjoying a sense of self-worth that before was rarely felt.

"There's been hundreds of years of poverty and unemployment on Indian reservations, but casino gaming is giving tribal members a sense of pride and self-respect," Campbell says. "The business world is beginning to look at us in a different light. Local banks are actually starting to *court* us. In the past, they shied away from dealing with the tribes. Finally, we're allowed the opportunity to grow as a people."

The opportunity - or the *right* as American Indians prefer to call it - for tribal independence and sovereignty was not the result of the luck of the draw. It was the consummation of more than two centuries of clashes with inconsistent and oppressive federal policies and attitudes. The unfolding Indian tribal and administrative structures were antithetical to the society to granting tribes the right to a sovereign, independent existence on reservations.

The federal government has agreed historically in principle with the implications of Indian sovereignty and tribal independence. Some of the earliest Supreme Court opinions recognized and honored Indian nations as autonomous political communities reserving rights to territorial boundaries. But what the United States said it believed often conflicted with its deeds. The relationship between the federal government and Indian tribes throughout much of history has been anything but fun and games. It's been a roller coaster ride with the government seemingly asleep at the controls. Indians were not granted full U.S. citizenship until 1924. Even then, Indians continued to be the most regulated minority group in American history. They are subject to more than 4,000 compacts, laws, treaties and other agreements. And during some periods in history, Congress forced or coerced Indians from their lands weakening tribal governments and intensifying economic and social problems for Native Americans.

000495

More friendly eras, however, saw Congress adopt polices promoting all phases of tribal independence. A change in federal policy that enabled Congress and Indian tribes to enjoy a more stable and cordial relationship came in 1934 with the adoption of the Indian Reorganization Act (IRA). By encouraging economic development, self-determination and the revival of tribal culture, the IRA broke new ground for the curved and twisted road that ultimately lead to casino gambling on reservations.

The major intent of the IRA was to improve economic conditions for Indians. All along the way, however, Congress continued to set legal precedence for tribes and bands. But in 1953, Congress chose to

continued on page 32

mutuel betting on horse races and the state lottery. The state's 11 reservations grossed about $400 million last year averaging about $36.3 million per reservation before prizes were awarded. This year reservations are projecting gross receipts around $600 million. By the end of 1992 those figures could reach the billion dollar mark.

Leonard Prescott, chairman of the National Indian Gaming Association and vice-chairman of the Minnesota Indian Gaming Association, couldn't be happier with the economic "win-win" situation in which reservations now find themselves. However, as tribal chairman of the Lower Sioux Shakopee-Mdewakanton Reservation, Prescott approaches the newfound prosperity with guarded optimism. He compares it to venturing into the searing heat of the desert for several days with no water. When an oasis is found the natural impulse is to indulge in the cool, refreshing water too fast in an attempt to satisfy a thirst that before was unquenchable.

"We're looking at this as a window of opportunity. It's our objective to get on a level playing field with the state and establish an economy of our own."

~Leonard Prescott
Chairman of the National Indian Gaming Association
Vice-chairman of the Minnesota Indian Gaming Association

Diversified assets will be the link providing Indian tribes today with economic stability and prosperity tomorrow. Prescott believes it's only a matter of time, about eight years in his estimation, before competition for gambling revenues stiffens and possibly squeezes out operations that haven't established an on-going economy.

"We're looking at this [casino-style gaming] as a window of opportunity," Prescott says. "It's our objective to get on a level playing field with the state and establish an economy of our own. We have a large task ahead of us, one that's not going to be settled in a generation. You just don't all of a sudden correct social ills in your community. But as long as we have an economy, that seed will make it start to happen."

Many tribes in the state already have invested in their future by making full scholarships for college and vocational training and medical, dental and life insurance benefits available to all tribal members. And many tribes have diversified their holdings by investing profits in amenities like hotels, golf courses, marinas and campgrounds. Social programs in communities surrounding reservations are also sharing in the Indians' prosperity. Treasure Island Casino on the Prairie Island Reservation near Red Wing, Minnesota, earmarked some revenues for social programs that benefit children, elderly and handicapped residents in Dakota and Goodhue counties.

"We're finding ways with our newfound wealth to give back to the organizations that have helped us out in the past," says Campbell, Treasure Island's public relations director. "People are starting to look at us in a different light . . . and it's long overdue."

Fun and excitement knows no boundaries

by John Campbell

The present day Treasure Island Casino and Bingo started out in 1983 as a bingo hall called Island Bingo. Bingo games and pull tabs were all that were offered. Island Bingo struggled along, making only marginal profits, until the end of 1989. In 1990, Island Bingo was reorganized and the name was changed to Treasure Island. At this time the bingo hall was divided in half by a glass wall. This division allowed a game similar to blackjack and slot machines to be added. In 1991 Treasure Island extended its hours from 14 to 24 hours a day, and began playing Las Vegas style Blackjack.

Not only were the hours expanded, but so was the building. The expansion, which added 24,000 sq feet, was completed at the end of June. Besides more space, (a total of 45,000 sq feet) second floor offices and a restaurant with banquet facilities were added. To celebrate the occasion, a ten-day grand opening was held in which a brand new car was given away each of the 10 days.

The fun and exciting atmosphere at Treasure Island has created a great demand for this new kind of entertainment. Therefore, Treasure Island is expanding again. This new addition, which began this October, will bring the total square footage to around 70,000 square feet. The added space will allow the current 37 Blackjack tables to increase to 50 and the slot machines will swell from the present 650 to 1000.

The venue of the musical entertainment can only improve with the addition of a new stage that the second expansion will bring.

The culmination of this second expansion (in one year) will be in the spring of 1992. So be on the look out in early 1992 for our new grand opening, which promises to be just as spectacular as the last one.

Favorite TV show: Flintstones
Favorite food: "I never met a meal I didn't like. I'm rather fond of all my food groups."
Tip: This is in regards to splitting 10s. I feel as well as the vast majority of players I deal to, that 20 is a darn good hand. If it's not broke, don't fix it. More often than not, people who split 10s lose at least one of the hands and very often both.

We're celebrating May Wedding Anniversaries on Sunday the 23rd. Show your marriage certificate when you buy your pack and your spouse receives the same pack absolutely free.

Monday nights are "Double Up" nights. Tell the Host/Hostess your favorite number from 1 to 75, they'll give you a card with your lucky number on it. Sign your card and if you Bingo on your lucky number you'll get double the amount. If your number is in your Bingo receive an extra $50. Save this card and have it stamped every Monday night this month so you can enter the "Double Up" drawing on the 31st. Cash prizes are awarded depending on the # of stamps on your card. 1 stamp - $50, 2 stamps - $100, 3 stamps - $200, and 4 stamps - $400!

On Tuesday night the 4th the Floor Clerks will be running a special on 1 star packs. The 25th is Customer Appreciation night, get a coupon of the same value as the pack you buy. Play free on your next visit.

Wednesday nights are "Progressive Nights"! Be here on the first Wednesday of the month to start the Progressive, you'll receive a $5 discount on any pack. Come each consecutive Wednesday night for a $10 discount, $15 discount, and $20 on the 4th week, plus a chance at $250 cash drawings the first Wednesday night in June. Remember if the Progression is broken at any time, you'll revert back to the $5 discount from the first week.

It's half price night on Thursday the 13th. Friday's are still "Second Chance" during both Sessions, giving you two chances to win on all one star games. Winners Circle is on the 28th during Both Sessions.

Start Saturdays out with the "B" special! The first "B" number called during Matinee will determine the price you pay for a single pack in the Evening. You'll receive a "B" special card at Matinee — cannot be upgraded. Saturday Evening the 15th is Pull Tab Customer Appreciation and we'll have Let's Make a Deal on the 29th.

Bingo would like to congratulate **Monte Longfield** of Lake Mills, Iowa, on his big "Win" on Saturday, April 10th, his birthday. Monte had a full card Bingo on the bonanza game in 48#'s or less which gave him $500 for the Round Robin portion plus $50,000 for the full card for a total of $50,500. "Happy Birthday, Monte!"

MAKE 1992 YOUR YEAR TO INCREASE
BUSINESS THROUGH QUALITY PROMOTIONS

Hi Brenda:

Enclosed is the order information for your reference.

There are three parts to the information.

Part One, all orders from May 1991 through December 1991;

Part Two, all orders from January 01 to Current, 1992;

Part Three, all orders, by levels, for the Captain's Club program. I know you don't work that program, but I thought you might like to know where something came from, should someone ask.

If you would, perhaps you could give a copy of the Captain's Club information to Julie Costello, as Elliott has indicated she is now handling that program.

The information is listed by the PO Number and date entered in my system. Sometimes the date entered will not correspond to the date ordered, as some items were put on hold, then ordered later.

If you have any questions, please let me know.

Many thanks!!!

Have a good weekend or week, depending on when you get this!

Dave Miller

Inside, you'll discover our lovely Deluxe Rooms or private Whirlpool Suites, complete with four-poster beds, wet bars and all the enchantment of the tropics.

THE ISLAND IS ALL RIGHT HERE

And beyond these four walls, Treasure Island Resort & Casino boasts a full-service slip marina, an RV Park, as well as superb golfing at Mount Frontenac. TRADEWINDS BUFFET

CULINARY DELIGHTS

At some point in your itinerary, the aroma of our culinary kitchens, staffed with award-winning chefs, will inspire you to dine. Our Tradewinds Buffet is reminiscent of a Caribbean marketplace and offers six intimate dining areas. Take pleasure in a beautiful veranda under the sky and stroll along the cobblestone courtyard as you choose from an expanded international menu with regional influences.

Perhaps a relaxing tropical sunset encounter is more your speed at our full-service Java's Restaurant. For gregarious guests on the go, take a moment to grab a quick snack at Mongo Bay Grill. You can also head to Prime Thyme for mouth-watering prime rib and ham sandwiches. There's food and festivities for every guest at Treasure Island Resort & Casino.

TRY YOUR LUCK AT GAMING

Meet Sapphire Sea — a dreamy blue gaming haven that is our designated nonsmoking casino area at The Island. And feel the authenticity of a Caribbean Village and Marketplace. The spectacular themed interior designs speak to the tropical island experience. You'll soon forget you're in Minnesota.

As you navigate the casino with all of your senses turned on high, try your luck at any of our 2,500 state-of-the-art slot machines. Join the action at one of our 44 blackjack tables, or sit back and relax with video poker, video roulette, video keno or bingo. There's a game for everyone.

9 EXAMINATION

10 BY MR. HAUGEN:

11 Q. Okay. Good morning, Lori. And for the

12 record, I wonder, can you please state your full name?

13 **A. My name is Delores Marie Knapp.**

14 Q. Do you go by Lori?

15 **A. Yes, I do.**

16 Q. Okay. Are you presently employed?

17 **A. Yes. I work at Treasure Island Resort**

18 **and Casino.**

19 Q. And how long have you worked at

20 Treasure Island?

21 **A. Over 11 years.**

22 Q. So you started in approximately 1994?

23 **A. Right.**

24 Q. Okay. And just kind of going through

25 your -- the history of your employment at Treasure

1 Island, can you tell me -- first off, do you know
2 approximately when you started in 1994?
3 **A. It was June.**
4 Q. June of '94?
5 **A. Hm-hm. Yes.**
6 Q. One thing that I wanted to mention is
7 that if at any point in time you ever want to take a
8 break or anything like that, just give us the word,
9 and that applies to anyone in the room, and we'll do
10 so.
11 **A. Okay.**
12 Q. Also, just as a matter of protocol, and
13 I'm probably the worst at this than anyone, but make
14 sure that, when responding to a question, that you
15 verbalize it instead of nodding your head so --
16 **A. I understand.**
17 Q. Okay. Now, starting in June of 1994,
18 do you recall -- first of all, just taking your first
19 position with Treasure Island --
20 **A. Right.**
21 Q. Okay. What was that?
22 **A. I was in reception, and that meant that**
23 **I greeted guests and answered the phones for the**
24 **property.**
25 Q. Okay. And how long were you in

1 reception in that capacity from starting in June of
2 1994?
3 **A. Until the hotel opened in December of**
4 **'96.**
5 Q. Okay. And can you tell me what -- at
6 that point in time, did you -- did you take on a new
7 position with Treasure Island?
8 **A. Right. I was promoted when the hotel**
9 **was built to reservation supervisor.**
10 Q. Can you tell me what, as reservation
11 supervisor -- as a reservation supervisor, in that
12 capacity, can you tell me what your job tasks were?
13 **A. Right. It was overseeing the**
14 **reservations for the hotel and, in addition, it also**
15 **included taking care of phone calls for the whole**
16 **property. PBX is the terminology we use, and it's**
17 **Public Branch Exchange, and it's basically the**
18 **switchboard.**
19 Q. Okay.
20 **A. So it's the call center for the whole**
21 **property.**
22 Q. So you had, basically, is it fair to
23 say, a dual role?
24 **A. Correct.**
25 Q. Okay. As part of your -- as part of

1 your role as part -- as part of your employment, the
2 overseeing reservations portion of that, I believe is
3 the term you used?
4 **A. That is correct; incoming reservations**
5 **for the hotel.**
6 Q. Okay.
7 **A. Taking calls, overseeing the staff,**
8 **scheduling and monitoring their work, making sure they**
9 **took reservations correctly.**
10 Q. And then how about -- how about the
11 other aspect of your employment? Can you give me an
12 idea of what your tasks were involved there?
13 **A. My people are cross-trained.**
14 Q. Okay.
15 **A. So the operators could either answer**
16 **phone calls for the switchboard, or they could go over**
17 **to the reservations side and answer calls on**
18 **reservations. So if you dialed any Treasure Island**
19 **number, our local number, 338-6300, or any of our 800**
20 **numbers, you would get one of the people that I**
21 **supervised when I was reservation supervisor.**
22 Q. Okay. Now, that role -- those roles
23 began in December of 1996?
24 **A. Right. My job expanded.**
25 Q. Yep. And since that time, have you

1 taken on a new role or simply expanded your --
2 expanded that role?
3 **A. Over the years, I have been promoted.**
4 **First, to front office manager --**
5 Q. Hm-hm.
6 **A. -- which still included overseeing all**
7 **the phone people, but also the front desk people and**
8 **the bell staff and the concierge. Then I was promoted**
9 **to hotel manager and was given charge of the whole**
10 **property, as far as the hotel goes. So it would**
11 **include the laundry and housekeeping, reservations,**
12 **front desk, bell, concierge, and the switchboard for**
13 **the whole property.**
14 Q. Okay. In your role as the hotel
15 manager, do you end up having the opportunity to meet
16 and occasionally speak with customers and the like?
17 **A. I meet and speak with customers on a**
18 **daily basis.**
19 Q. Okay.
20 **A. That is a large part of my job.**
21 Q. And as part of that, do you -- as part
22 of that, do you end up getting ideas about what
23 customers like in a good hotel, especially, perhaps
24 more particularly, one that offers, in conjunction
25 with it, gaming and the like?

1 **A. Yes. We get constant feedback from our**
2 **guests.**
3 Q. Okay.
4 **A. Which enables us to improve.**
5 Q. And as part of your tasks, are you --
6 do you also oversee that sort of feedback that you get
7 from guests and end up implementing, if not changes,
8 at least considering suggestions and the like that
9 guests may have?
10 **A. That is correct. We get feedback from**
11 **team members, from guests. We get e-mails, we get**
12 **comments from -- customer comment cards. There's many**
13 **ways; face-to-face visits with the guests. I meet**
14 **guests every day.**
15 Q. Hm-hm. And beyond face-to-face
16 meetings with guests, do you also receive other sorts
17 of communications from guests on occasion?
18 **A. Yes. I get e-mails and calls. People**
19 **will call me regarding ways to improve or things that**
20 **they are very happy with.**
21 Q. Okay.
22 **A. I get letters in the mail.**
23 Q. And as part of your present employment,
24 do you yourself report to somebody?
25 **A. Yes. I report to Alan Kronberg, the**

1 **director of hospitality.**
2 Q. Can you tell me what -- can you define
3 for me what's known as team members?
4 **A. Team members are all employees of**
5 **Treasure Island Resort and Casino here in Red Wing.**
6 Q. Okay. Now, if guests or potential
7 guests have problems or issues with regard to things
8 like, perhaps, reservations, we'll start with that,
9 are you the one who ultimately has responsibility for
10 dealing with those problems?
11 **A. Yes; either myself or one of my**
12 **supervisors.**
13 Q. And would that go -- would that go
14 across the board to issues that guests may have,
15 whether it be with reservations, but anything else
16 involved in their stay, as well?
17 **A. Yes. Everything concerning their stay,**
18 **ultimately, I would be responsible for.**
19 Q. Okay. Okay. And do team members
20 report to you if they find out issues and the like
21 involving the hotel that they believe should be
22 brought to light?
23 **A. Absolutely.**
24 Q. Okay.
25 **A. A lot of team member input.**

1 Q. Could you walk us through how -- and
2 we'll start -- well, let me start by asking this: Can
3 people make reservations to stay here electronically
4 through something like e-mail, for example?
5 **A. No. They can request a reservation --**
6 Q. Okay.
7 **A. -- but it doesn't actually make them a**
8 **reservation. We have to manually do it. We don't**
9 **have it set up where you can book a room over the**
10 **Internet or through e-mail. You can request a room**
11 **and we will e-mail you back, but it doesn't actually**
12 **make the reservation and take it out of inventory.**
13 Q. Yes. But it can -- and I wasn't very
14 articulate with my question, but I guess what I should
15 have said is: Can they begin arranging for a
16 reservation electronically?
17 **A. Yes.**
18 Q. And can you kind of just walk us
19 through the whole process of how an individual may do
20 that?
21 **A. Well, most reservations, where we get**
22 **requests for reservations, come through a --**
23 MR. COSTELLO: I would object here just
24 as to time frame here, counsel. I don't have any
25 dates. What time period are you talking about?

1 BY MR. HAUGEN:
2 Q. We'll say present.
3 **A. Present?**
4 Q. Yeah.
5 **A. Okay. Currently, if you were trying to**
6 **contact us via e-mail, you would go through our Web**
7 **site, Treasureislandcasino.com, and there is a hotel**
8 **icon. And you would go to the hotel icon, and it**
9 **explains to you that, if you fill out the fields --**
10 **name, address, phone number -- that someone from --**
11 **and the date you want to stay, that someone from**
12 **reservations will get back to you in 48 hours. And**
13 **there is just a general way to get a hold of Treasure**
14 **Island, like, contact us, and those e-mails go to,**
15 **currently, Michelle Smith in marketing. And then, if**
16 **they request something about the hotel, if they are**
17 **talking hotel, a question, then she forwards the**
18 **e-mails to me.**
19 Q. Okay.
20 **A. So two ways that we get e-mails;**
21 **through our request for a reservation part or by**
22 **contacting us and then Michelle Smith would forward**
23 **them to us.**
24 Q. And once Treasure Island receives the
25 request for reservation information, then what

1 happens?

2 **A. Currently, Jill Michelson in our office**
3 **handles requests for e-mail reservations. She**
4 **monitors to see what they are asking for, checks on**
5 **availability, and e-mails them back on whether they**
6 **can get a room here or not. They might want to know**
7 **the rate, that type of thing, so we e-mail them back.**
8 **So you can make a reservation over e-mail, it just**
9 **doesn't take it out of inventory. We have to do that.**

10 Q. Okay. Then are there other ways other
11 than electronically -- what are the other ways that
12 people can make reservations to stay at the hotel?

13 **A. You can dial one of our 800 numbers.**
14 **We have a preferred number that we use for**
15 **advertisements on our brochures and that type of thing**
16 **if you want to make a hotel reservation. You dial**
17 **1-888-67STAY; it's 7829. Most of our calls come in on**
18 **that 800 number, but if you were to call**
19 **1-800-222-7077, which is our switchboard number, and**
20 **ask for hotel reservations, you would get transferred**
21 **over to the call center for reservations.**

22 Q. Okay. And I assume, too, that,
23 depending on availability, that a person could just
24 simply physically show up here at the hotel and ask to
25 stay?

1 **A. There are some days that you could walk**
2 **up and get a room.**
3 Q. Okay.
4 **A. Not normally on a weekend.**
5 Q. Okay. How large is the hotel? How
6 many rooms?
7 **A. 240 guest rooms. There are**
8 **additionally seven other rooms we can use as sleepers,**
9 **but they are mostly hospitality rooms.**
10 Q. Okay. As part of your day-to-day
11 operations, you, as an individual, the tasks that you
12 perform and the work that you undertake, do you ever
13 have the opportunity to get a taste for where people
14 are coming from and end up staying in the hotel?
15 **A. Absolutely.**
16 Q. Okay.
17 **A. I can run reports, and I know just from**
18 **working back there, I know where our guests come from.**
19 **They come from all over the United States, but mainly,**
20 **as a rule, from the five-state area.**
21 Q. Okay. And can you --- can you define
22 for us what you mean by five-state area?
23 **A. North Dakota, South Dakota, Iowa,**
24 **Illinois, and Wisconsin.**
25 Q. Okay. And do you also ever have the

1 opportunity to, either through speaking with guests or
2 just information that you're made privy to, to come to
3 understand how the guests find out about Treasure
4 Island?
5 **A. Yes. A lot of people find out about**
6 **Treasure Island from our advertisements.**
7 Q. Hm-hm.
8 **A. And also word of mouth. In addition,**
9 **we have corporate guests who stay. They might be**
10 **working at the nuclear plant and they are looking for**
11 **the closest hotel to the nuclear plant.**
12 Q. Hm-hm.
13 **A. In addition, we have opportunities for**
14 **entertainment. We just recently had Jim Nabors here.**
15 **And on his Web site, he would post that he was coming**
16 **and playing at Treasure Island Resort and Casino in**
17 **Red Wing.**
18 Q. Hm-hm.
19 **A. And we would get calls. We had a lot**
20 **of people last weekend that stayed with us from all**
21 **over the country because they came to see Jim Nabors.**
22 Q. Okay.
23 **A. So a lot of Texas, California, Indiana.**
24 **So depending on what's happening here would depend on**
25 **the mix of guests.**

1 Q. Okay. Do you know approximately how
2 long people have been able to contact Treasure Island
3 in order to get, I'll use the term reservation
4 information, as we were talking about earlier?
5 **A. Well, people could check our Web site**
6 **and get our address and, hopefully, they can get the**
7 **right Web site so they get the right phone number.**
8 **They could go through our Web site. They could call**
9 **-- you know, we're in the 651 area code, so toll-free**
10 **-- I mean, directory assistance for the 651 area code,**
11 **you could dial 1-651-555-1212 to get our phone number.**
12 **Also, there's a toll-free directory assistance, and**
13 **you should be able to dial 1-800-555-1212 and get our**
14 **number, but that's changed. And I can't tell you the**
15 **date it changed, but after I had problems with a guest**
16 **trying to contact us, I checked that 800 directory**
17 **assistance, and I had difficulty obtaining our phone**
18 **number.**
19 Q. What did the guest explain to you?
20 MR. COSTELLO: Objection, counsel;
21 calls for hearsay.
22 THE DEPONENT: I'll tell you what
23 happened.
24 BY MR. HAUGEN:
25 Q. Yes, perhaps you can tell us what

1 happened.

2 **A. A guest came to the front desk and they**
3 **had three confirmation numbers. It was Mr. and Mrs.**
4 **Fields. They came and they had three confirmation**
5 **numbers, and the other two couples in their group were**
6 **golfing. They came to the front desk, and they had**
7 **their confirmation numbers, and Allison Hoekstra was**
8 **the front desk agent, and when they presented the**
9 **confirmation numbers, it was clear to her those were**
10 **not our confirmation numbers. If you work with the**
11 **numbers enough, you become familiar with what**
12 **sequences we're on. We do have alphanumeric numbers.**
13 **And the ones that the guests gave us were clearly not**
14 **ours, although they were six digits. Allison's first**
15 **instinct was to check with Treasure Island in Las**
16 **Vegas to see if the guest had reservations there, and**
17 **they did. They had reserved three rooms.**

18 MR. COSTELLO: I object to the extent
19 it calls for hearsay.

20 BY MR. HAUGEN:

21 Q. Go ahead.

22 **A. Okay. I can go ahead?**

23 Q. Yes.

24 **A. Okay. Allison confirmed that they had**
25 **three rooms, and she can't ask the reservation agent**

1 **in Las Vegas if they could cancel the rooms. And she**
2 **wanted to charge the guests the first night room and**
3 **tax.**
4 MR. COSTELLO: I'm going to object to
5 this testimony to the extent it calls for hearsay. So
6 counsel, I have a continuing objection.
7 MR. HAUGEN: Continuing objection
8 understood. I don't agree with it, but yeah.
9 THE DEPONENT: Okay. So, I mean, I was
10 standing right there with Allison and I know that she
11 did that, but nonetheless, she called and finally
12 convinced the reservation agent to allow these guests
13 to cancel without penalty. And then we had the
14 problem of trying to get them in our hotel because we
15 were full that night. And the lady was crying; Mrs.
16 Field. I did see her cry. And all we had available
17 were two suites in player development, and they were
18 staying at Treasure Island at -- I believe their rate
19 was $89, and that's -- that wasn't our rate that
20 night. Our rate was $109. No, it was Sunday night.
21 It was $89, so same rate, but we didn't have standard
22 rooms available. So I offered them the two suites,
23 but it would be $179. I had to take them from player
24 development and -- or I gave the guests the option of
25 being put on the waiting list and we would try to

1 accommodate them. So, in other words, we'd put them
2 to the head of the waiting list. We got a couple
3 cancellations. We didn't get three room
4 cancellations, we got two. And they chose -- as soon
5 as their friends came from golfing, they chose to take
6 advantage of the two rooms, so the three couples
7 shared two rooms. And we were able to accommodate
8 them. And I think I provided documentation on that
9 stay. So the lady, Mrs. Fields, asked me, Well, how
10 did we get their number, Treasure Island in Las Vegas?
11 And I said, Well, I don't know. Where did you get it?
12 She said, My sister gave it to me. Her sister was one
13 of the couples that was golfing. And I said, Well,
14 you would have to ask her where she got the number.
15 But after that, I called toll-free directory
16 assistance in -- just national directory assistance,
17 and I found that you're unable to get our number no
18 matter what I say, it just gives me Treasure Island in
19 Las Vegas's number. I could show it to you.
20 BY MR. HAUGEN:
21 Q. Feel free.
22 **A. I'm going to dial 1-800-555-1212.**
23 MR. COSTELLO: Ms. Reporter, you're not
24 taking down the telephone call, are you?
25 THE COURT REPORTER: Well --

1 MR. COSTELLO: You can only take down
2 the conversations between the parties present in the
3 room, not some third party over the telephone.
4 THE DEPONENT: This is a recording.
5 MR. COSTELLO: It doesn't mater. That
6 individual is not to here to testify at this
7 proceeding, so you can only -- she can only take down
8 those individuals who are present in this room.
9 MR. HAUGEN: Okay.
10 MR. COSTELLO: Not the testimony --
11 THE DEPONENT: Do you want me to --
12 THE COURT REPORTER: One at a time,
13 please.
14 MR. HAUGEN: Go ahead.
15 MR. COSTELLO: So to the extent -- let
16 me just impose an objection. To the extent that, if
17 there's a record made, if this reporter makes a record
18 of whatever communication occurs over the telephone
19 line, I'm going to object --
20 MR. HAUGEN: Okay.
21 MR. COSTELLO: -- to the introduction
22 of that evidence into the record because it's clearly
23 hearsay. That individual or that recording or
24 whatever it is or is alleged to be is not present in
25 here, in this room, is not under oath and --

1 MR. HAUGEN: Okay.
2 MR. COSTELLO: -- is not one of the
3 parties nor the litigants in the proceeding nor the
4 attorneys; therefore, that communication should not be
5 part of the record.
6 MR. HAUGEN: And I understand your
7 objection and am absolutely clear on what your
8 objection is. With that in mind, yes, please
9 transpose (sic) what you hear coming from the
10 operator. Thank you.
11 MR. COSTELLO: Stop. Why don't you
12 just stop it once again. I got to put --
13 THE DEPONENT: Okay.
14 MR. COSTELLO: I thought it was best
15 when you did, in fact, say exactly, before you dial,
16 what the number is that you're dialing.
17 THE DEPONENT: All right. I can do
18 that. I'm turning up the volume. I'm dialing 9 to
19 get out, 1-800-555-1212.
20 THE TELEPHONE OPERATOR: Toll-free
21 directory assistance powered by Telmay. Please say
22 the name of the listing you want.
23 THE DEPONENT: Treasure Island.
24 THE TELEPHONE OPERATOR: Here's the
25 number for Treasure Island Hotel room reservations:

1 800-944-7444. Once again, the number is 800-944-7444.
2 THE DEPONENT: That is the number for
3 Treasure Island in Las Vegas's reservation line. So
4 then I thought, well, I'll ask it a different way to
5 try to get our number. So I dialed the number again,
6 and I dialed 9-1-800-555-1212.
7 MR. COSTELLO: Same objection.
8 THE TELEPHONE OPERATOR: Toll-free
9 directory assistance powered by Telmay. Please say
10 the name of the listing you want.
11 THE DEPONENT: Treasure Island Resort
12 and Casino.
13 THE TELEPHONE OPERATOR: Here is the
14 number for Treasure Island at the Mirage room
15 reservations: 800-944-7444. Once again, the number
16 is 800-944-7444.
17 THE DEPONENT: Then I decided to try to
18 make it clear what number I was looking for, so I
19 dialed the number again. 9-1-800-555-1212.
20 MR. COSTELLO: Same objection with
21 respect to a non-present party testifying.
22 THE TELEPHONE OPERATOR: Toll-free
23 directory assistance powered by Telmay. Please say
24 the name of the listing you want.
25 THE DEPONENT: Treasure Island Resort

1 and Casino in Red Wing, Minnesota.
2 THE TELEPHONE OPERATOR: I didn't get
3 that. Please say the full name of the listing.
4 THE DEPONENT: Treasure Island in Red
5 Wing.
6 THE TELEPHONE OPERATOR: Okay.
7 Treasure Island Resort. If that's not what you
8 wanted, press 9; otherwise, one moment while I look up
9 that number. Here is the number for Treasure Island
10 at the Mirage room reservation.
11 THE DEPONENT: So, no matter how I
12 tried to find the number on 800 directory assistance,
13 I was unable to get our number. So I figured that
14 might be one way that the guests got the wrong number.
15 I don't know for sure, because I did not speak to the
16 woman's sister.
17 BY MR. HAUGEN:
18 Q. But your investigation -- perhaps you
19 could simply recap for us what your investigation of
20 this 800 information situation has revealed.
21 **A. It has revealed to me that our guests**
22 **cannot call and get our number, our 800 number, from**
23 **toll-free directory assistance. And it also is clear**
24 **to me that our guests would not always know that they**
25 **were getting reservations in Las Vegas.**

1 Q. Now, although the record will speak for
2 itself, I believe that you specifically asked for
3 information regarding Treasure Island Resort and
4 Casino and were given the Las Vegas phone number?
5 **A. I was.**
6 Q. I believe you specifically asked for
7 Treasure Island Casino in Red Wing and were given the
8 Las Vegas phone number?
9 **A. I was.**
10 Q. Okay.
11 MR. COSTELLO: I'll object to the
12 question response -- as non-responsive and
13 mischaracterized the prior testimony.
14 (Whereupon, Knapp Deposition
15 Exhibit No. 25 was marked for
16 identification.)
17 BY MR. HAUGEN:
18 Q. Ms. Knapp, do you recognize this
19 document?
20 **A. Yes.**
21 Q. Can you tell me what it is?
22 **A. It's my documentation of the fiasco**
23 **that happened with Mr. and Mrs. Ron Fields.**
24 Q. Is this the incident that we were
25 speaking of a few moments ago?

1 **A. Yes, it is.**
2 Q. In your opinion -- and this basically
3 documents that incident that we were speaking of a few
4 moments ago; correct?
5 **A. Yes, it does.**
6 Q. Okay. And in your opinion, is this
7 unique?
8 **A. No, it is not.**
9 Q. And can you tell me the basis of that
10 opinion?
11 **A. There are numerous instances reported**
12 **to me by my staff where guests come and they believe**
13 **they have a reservation with us and ,instead, they**
14 **have a reservation with Treasure Island in Las Vegas.**
15 **In addition, I've found over the years that people**
16 **have also gone to Treasure Island with our**
17 **confirmation numbers. This is not an isolated**
18 **incident. It happens that I usually work days and I'm**
19 **not always here when guests are checking in, but this**
20 **was just a very glaring instance of what happens when**
21 **they are confused.**
22 Q. You mentioned that you have a belief
23 that this sort of thing also happens at the property
24 known as Treasure Island that's located in Las Vegas,
25 Nevada?

1 **A. That's correct. I stayed at Treasure**
2 **Island one time, and I went with my director, Bruce**
3 **Croft, at the time, and we were checking in and I told**
4 **the front desk agent that I was Treasure Island in Red**
5 **Wing, Minnesota, and she said --**
6 MR. COSTELLO: Objection, counsel.
7 This is clearly hearsay information. It calls for the
8 testimony outside the presence of this proceeding.
9 MR. HAUGEN: Your objection is
10 understood. I don't agree with it, but go ahead and
11 finish and we'll consider it to be ongoing.
12 THE DEPONENT: So when I went to check
13 in, the girl said to me, "Oh, we hate you." And I
14 said, "What?" She said, "I almost lost my job because
15 of you guys." She apparently had -- she told me that
16 she had problems with a mixup in reservations and the
17 guest had made their reservation in Red Wing, and it
18 showed up in Las Vegas.
19 BY MR. HAUGEN:
20 Q. The guest had -- could you repeat that
21 last part? The guest --
22 **A. The guest had made the reservation with**
23 **us.**
24 MR. COSTELLO: This is -- let me put my
25 objection on, Mrs. Knapp, please. I don't want to

1 interrupt you, counsel, and make every single
2 objection, but to hearsay, I'll have a continuing
3 objection. You're sort of starting a new inquiry here
4 and the witness is going to provide additional
5 information regarding this third-party -- this
6 communication by a third party who is not present here
7 today, so I'm going to object to the question. It
8 calls for hearsay.
9 MR. HAUGEN: All right. I don't agree
10 with it.
11 BY MR. HAUGEN:
12 Q. But with that, go ahead and finish.
13 **A. So she just told me that she had**
14 **encountered an occasion where the guest had made their**
15 **reservation with us and had showed up in Las Vegas for**
16 **their room.**
17 Q. Okay. And do you know approximately
18 when that trip to Las Vegas was?
19 MR. COSTELLO: What -- the question is
20 vague, counsel. Objection; the question is vague.
21 What trip are you referring to?
22 BY MR. HAUGEN:
23 Q. Were you just referencing a trip you
24 took to Las Vegas?
25 **A. Yes.**

1 Q. Can you tell me when that trip to Las
2 Vegas was, approximately?
3 **A. I can't remember, but it was in my**
4 **previous deposition, so I think the date was in there.**
5 Q. All right.
6 **A. I mean, it's been three or four years**
7 **since my last deposition, so I don't recall.**
8 Q. How about -- was anything else
9 involving this Treasure Island in Minnesota discussed
10 with anyone else during that trip?
11 **A. Right. I met with Morton Scrumsrude,**
12 **the front office manager at the time at Treasure**
13 **Island, and we discussed confusion issues.**
14 Q. When you say the "front office manager
15 at Treasure Island," do you mean the Las Vegas --
16 **A. I mean the one in Las Vegas.**
17 Q. Okay.
18 **A. Yes. Morton Scrumsrude and I talked**
19 **about the confusion between our call center and their**
20 **call center getting each other's phone calls.**
21 Q. Okay. Did he confirm that it happens
22 there?
23 **A. Yes, he did.**
24 Q. Okay.
25 (Whereupon, Knapp Deposition

1 Exhibit No. 26 was marked for
2 identification.)
3 Q. Handing you what's been marked as
4 Exhibit No. 26; do you recognize this document?
5 **A. Yes.**
6 Q. I'm looking at the last page of it. It
7 says -- I'll just simply read it, quote the portion
8 that I wish to note. Quote, Kim asked me to tell me
9 that he had a voicemail from a Linda Szerbo" --
10 S Z E R B, as in boy, O -- "this person requested a
11 return call regarding a meeting. Kim called her back
12 and her husband told Kim she wanted the GM of Treasure
13 Island Las Vegas, Lori."
14 **A. Right. These are four separate**
15 **documents.**
16 Q. Correct.
17 **A. The last document on this exhibit is --**
18 **I'm basing this on the phone call that I got from Kim.**
19 Q. Hm-hm.
20 **A. And he said, just wanted to tell you**
21 **that I had a voicemail from Linda Szerbo.**
22 Q. Yep.
23 **A. And I called her back and she wanted**
24 **the GM of Treasure Island in Las Vegas.**
25 Q. Okay.

1 MR. COSTELLO: Counsel, to the extent
2 this document -- this document may speak for itself,
3 but it sounds to me like you're attempting to
4 introduce testimony based on this document. The
5 testimony you're attempting to introduce is clearly
6 hearsay and therefore inadmissible. So that's my
7 objection.
8 BY MR. HAUGEN:
9 Q. The third document in that segment --
10 MR. COSTELLO: Can we identify that
11 document for the record, counsel?
12 MR. HAUGEN: Yes.
13 BY MR. HAUGEN:
14 Q. Murray Hoffman Insurance and Real
15 Estate --
16 MR. COSTELLO: I'm sorry, the document
17 that I just objected to.
18 MR. HAUGEN: Yes. Absolutely.
19 MR. COSTELLO: I guess it's the fourth
20 page of Exhibit 26.
21 MR. HAUGEN: Yes. And in the upper
22 left-hand corner, it says, "Wrong Treasure Island."
23 Underneath that, it says, "Knapp, Lori" with her
24 e-mail address.
25 MR. COSTELLO: Well, identification

1 number would be at the bottom, and the lowermost
2 number that I can see, although it has been Bates
3 marked --
4 MR. HAUGEN: It is actually Bates
5 marked; 10/14/04-000484.
6 MR. COSTELLO: So it is your -- you're
7 stating that this is the document -- the document was
8 produced in 1904-- or, I mean, 2004?
9 MR. HAUGEN: Correct.
10 THE DEPONENT: April 19th, Monday.
11 MR. COSTELLO: On October the 14th of
12 2004?
13 MR. HAUGEN: Correct. That's the --
14 MR. COSTELLO: In this litigation?
15 MR. HAUGEN: In this litigation.
16 MR. COSTELLO: Okay. I'm going to
17 object to the -- I'm not -- I don't remember this
18 document has been produced. If it hasn't been
19 produced, I'll object to it on the basis it's new
20 evidence. If it not new evidence, then, of course,
21 this Bates number will provide the answer to that. So
22 thanks, counsel, for identifying it.
23 BY MR. HAUGEN:
24 Q. And the document before?
25 **A. The one that says, "Murray Hoffman**

1 **Insurance and Real Estate?"**
2 Q. Correct.
3 MR. COSTELLO: Counsel, just for the
4 record, just so we have a clear record of these
5 documents, and my objections, is there a Bates number
6 on --
7 MR. HAUGEN: No.
8 MR. COSTELLO: -- this document?
9 MR. HAUGEN: No, I don't believe there
10 is.
11 MR. COSTELLO: All right. Do you know
12 whether this document has been produced?
13 MR. HAUGEN: Yes, I do believe it has,
14 as well as the first two pages of this document.
15 MR. COSTELLO: Let's do this, if we
16 may; you've identified this as Exhibit 26. Can we
17 call these page sequentially A, B, C, and D?
18 MR. HAUGEN: Sure.
19 MR. COSTELLO: All right. Thanks. So
20 the first page of 26 would be 26A, second page is 26B,
21 third page would be 26C, and the final page would be
22 26D. And for the record, the final page 26D is the
23 document as Bates numbered 10/14/04-000484.
24 MR. HAUGEN: Correct.
25 MR. COSTELLO: Thank you. All right,

1 counsel. Thank you.
2 BY MR. HAUGEN:
3 Q. Are you familiar with this?
4 MR. COSTELLO: By this, counsel, you
5 mean?
6 MR. HAUGEN: 26C.
7 THE DEPONENT: I am familiar with 26C.
8 This was forwarded to me by the Marketing Department
9 for me to document that this guest tried to book here
10 at Treasure Island and they really wanted Treasure
11 Island in Las Vegas.
12 BY MR. HAUGEN:
13 Q. I see from this document, it says that
14 he's been -- and I'll quote from it. "Now, we have
15 been staying at TI for the last seven years with the
16 odd stay at Bally's."
17 **A. Bally's. That was a red flag for us**
18 **that they did not actually want to stay here.**
19 Q. Okay. And why is that a red flag?
20 **A. Because when someone references that**
21 **they've been staying at TI, which would mean us, but**
22 **then the odd stay was at Bally's, as we don't have a**
23 **Bally's around us, we assume that this would be**
24 **somebody who was inquiring about Treasure Island in**
25 **Las Vegas.**

1 Q. Okay.
2 **A. Also, it talked about sportbook play,**
3 **and we don't have sportbook play. It's not in our**
4 **comtract.**
5 Q. All right. Now, if we could look at
6 the document that's been marked as 26B.
7 **A. Right. We have Daylight software --**
8 **I'm sorry.**
9 Q. Go ahead.
10 **A. We have Daylight software here at**
11 **Treasure Island. It's our booking engine for groups**
12 **and group business, and this was a group that was put**
13 **in Daylight, and after they realized they wanted Las**
14 **Vegas, they cancelled it.**
15 Q. Okay.
16 **A. And then, towards the end of the page,**
17 **it says, "cancel booking, client thought he had booked**
18 **at Treasure Island in Las Vegas, Nevada." So the**
19 **sales team had gone through the effort of detailing**
20 **out this group. They did the work and then, at the**
21 **very end, they found that it was the wrong Treasure**
22 **Island.**
23 Q. Okay. And this front page, designated
24 Exhibit 26A, the top of this document says, "TI
25 Treasure Island Automotive Market Research Council."

1 Do you recognize this document?
2 **A. Yes, I do recognize the document.**
3 Q. Okay. Can you give me background on
4 the information contained on it?
5 **A. Yes. I received a check in the mail**
6 **for Treasure Island. This is forwarded to me by the**
7 **Finance Department, because I'm the one that processes**
8 **the checks through the hotel. And after research, I**
9 **determined that this check was sent to us in error,**
10 **that Mr. Ron Lacy, I ended up calling him and talking**
11 **to him and asking him why he sent us the money because**
12 **we didn't have any booking for him. And he thought he**
13 **had sent it to Treasure Island in Las Vegas or his**
14 **company had. He intended on going to Las Vegas, and**
15 **they sent the check here.**
16 Q. Okay. And this document here, is this
17 "TI Treasure Island" at the top, is that your
18 letterhead?
19 **A. No, it is not.**
20 Q. Can you tell me what this document is?
21 **A. As far as I can figure out -- I'm not**
22 **an expert on what Treasure Island in Las Vegas sends**
23 **out, but --**
24 MR. COSTELLO: I'll object to any
25 testimony; the lack of foundation.

1 BY MR. HAUGEN:
2 Q. Go ahead.
3 **A. I can read that it says, "Thank you for**
4 **requesting reservations at Treasure Island," and I**
5 **know that this is not our letterhead, so I assumed**
6 **that this was not our Treasure Island.**
7 Q. Hm-hm.
8 **A. And also, it has a "fax it to the**
9 **Treasure Island Room Reservations Department" and that**
10 **is a Las Vegas area code.**
11 Q. Okay.
12 **A. So through my deduction, I figured out**
13 **that this gentleman, plus the phone call that I made**
14 **to him, that this was sent by Treasure Island and the**
15 **gentleman sent it back with this check, which I don't**
16 **show our address on there, I don't show their address**
17 **on there, but I know this guy sent the check to us.**
18 Q. Okay. How do you deal with situations
19 like this when you come to conclude that somebody has
20 sent you a check in error?
21 **A. The first thing I do is determine that**
22 **the check is sent in error, and I use a lot of**
23 **deductive reasoning in figuring that out. Then I**
24 **contact that guest and I send it back to them, and, of**
25 **course, at our expense. I pay for the mailing back to**

1 **them. This is not the first instance where a check**
2 **was sent to Treasure Island here and it was meant for**
3 **the other Treasure Island. I do everything I can to**
4 **make the guest happy. Even though it's more work and**
5 **expense, I take care of Treasure Island's guests like**
6 **I take care of our guests.**
7 Q. And is there -- with regard to
8 something like, for example, phone protocol, I mean,
9 has there been situations where instructions have had
10 to be given with regard to that sort of thing?
11 **A. My --**
12 MR. COSTELLO: Objection, counsel.
13 It's vague as to references with regard to instruction
14 and it's vague as to time.
15 BY MR. HAUGEN:
16 Q. Do you understand --
17 **A. I can --**
18 MR. COSTELLO: Wait just a minute.
19 Objection to the form of the question. It's vague.
20 MR. HAUGEN: Okay.
21 THE DEPONENT: I can give you what our
22 protocol is when we receive a phone call that we do
23 not believe is for our Treasure Island.
24 BY MR. HAUGEN:
25 Q. Okay.

1 A. About 80 percent of them come in
2 through our reservations line and they call booking a
3 reservation. We start the reservation. We don't ask,
4 are you calling the Treasure Island in Las Vegas or
5 here. We just assume that they've reached the right
6 Treasure Island. They start the reservation process,
7 and sometimes in the reservation process, we get clues
8 that they don't really want to stay here. One of the
9 clues is they start talking about a show they want to
10 see, like Cirque du Soleil or something like that, or
11 staying on the strip; all those are clues to us that
12 they don't actually want to be here. So when we get
13 that clue -- another clue would be if they are booking
14 and they're not calling from -- their home address is
15 Encino, California, we would ask them if they wanted
16 Treasure Island in Red Wing, Minnesota, and most of
17 the time, they do not want Treasure Island. Sometimes
18 they do. We get guests from California, but we
19 definitely have to ask that question in order to make
20 sure that we're booking the room for a guest that's
21 actually going to show up here. And if they say, no,
22 I thought I was getting Las Vegas, we, as a rule, give
23 them the number for toll-free reservations in Las
24 Vegas. It's 1-800-944-7444. Now, I have instructed
25 my staff to give out the number to accommodate the

1 **guest, but my staff has called Treasure Island in Las**
2 **Vegas and said, are you in Red Wing, Minnesota and**
3 **they say no and they say, do you have the number, and**
4 **Treasure Island staff does not give our number. So my**
5 **staff is kind of bitter about that, but I said, to**
6 **continue to help the guest that's on the phone, even**
7 **though they aren't staying here, maybe someday they**
8 **will stay here.**
9 Q. Hm-hm. Okay.
10 MR. HAUGEN: We're closing in on an
11 hour here. I would like to just take a real quick
12 break.
13 MR. COSTELLO: That's fine.
14 (A recess was taken.)
15 (Whereupon, Knapp Deposition
16 Exhibit No. 27 was marked for
17 identification.)
18 BY MR. HAUGEN:
19 Q. Mrs. Knapp, handing you what has been
20 marked as Exhibit No. 27, do you recognize this
21 document?
22 **A. Yes. It's an e-mail I sent to Robin**
23 **Jacobs.**
24 Q. Who is Robin Jacobs?
25 **A. She is with Norlight Communications.**

1 Q. Okay.
2 **A. And she was -- she installed our new**
3 **switch. She worked on the software part of our new**
4 **switch.**
5 Q. And can you tell me what you mean by
6 new switch?
7 **A. Our PBX switchboard; we got a new one.**
8 Q. Do you know approximately when that
9 was?
10 **A. May 2002.**
11 Q. Okay. And what was the issue that you
12 were raising with Ms. Jacobs?
13 **A. Well, I was asking her for help in**
14 **figuring out how our guests can reach Treasure Island**
15 **in Red Wing, Minnesota through 800 directory**
16 **assistance. And if you remember back to my testimony**
17 **earlier, I showed you how I dialed the 800 number and**
18 **I couldn't get the Treasure Island Resort and Casino**
19 **in Red Wing, Minnesota number no matter what I said.**
20 **Back in May, when you dialed the 800 for directory**
21 **assistance, you would get different options worth**
22 **multiple locations, and this is exactly what you would**
23 **get back in May of 2002 when you dialed 800 directory**
24 **assistance. These were the options on the recording.**
25 Q. Hm-hm. And then looking at the next

1 page.

2 **A. Yes. For whatever reason, the**

3 **beginning of May of that year, we just had an influx**

4 **of calls for Treasure Island in Las Vegas. We were**

5 **trying to figure out what was happening, why we were**

6 **getting so many calls, so many more than usual. It**

7 **was -- my people were answering as many calls for Las**

8 **Vegas as they were for us, almost. It was -- and so,**

9 **we tried 800 directory assistance, again using the**

10 **1-800 number to see if that was where the confusion**

11 **was. And at that point, you got different options**

12 **than you do at this time.**

13 Q. Hm-hm. Earlier today, you demonstrated

14 for us what occurs when you attempt to locate the

15 phone number for Treasure Island by calling 1-800

16 directory assistance. And this -- would this e-mail

17 be an indication that this sort of problem has been an

18 ongoing one for some time?

19 **A. It is definitely --**

20 MR. COSTELLO: Object to the question

21 to the extent there's no foundation for the

22 characterization of some time.

23 BY MR. HAUGEN:

24 Q. Okay. How long has this problem for --

25 first of all, do you believe there's a problem with

1 regard to people attempting to, plain and simple,
2 contact you?
3 **A. I know there is a problem.**
4 Q. Okay.
5 **A. I experience problems all the time.**
6 **Trying to get to the bottom of this is what I do.**
7 Q. The nature of those problems being?
8 **A. The difficulty in finding how to reach**
9 **Treasure Island Resort and Casino in Red Wing,**
10 **Minnesota, as opposed to getting a number for Treasure**
11 **Island in Las Vegas.**
12 Q. And as you demonstrated earlier today
13 with your phone call to 1-800-555-1212, we all heard
14 what occurs when that -- when you attempt to locate
15 Treasure Island that way. Is this a new problem?
16 **A. It is ongoing.**
17 Q. Okay. Can you tell me what you mean by
18 ongoing?
19 **A. It has been a problem ever since I've**
20 **been on the property.**
21 Q. Okay.
22 **A. And it's highlighted to me because it's**
23 **more a part of my job in the last four or five years,**
24 **is trying to figure out how to make sure our guests**
25 **are able to contact us.**

1 Q. Hm-hm.
2 **A. As part of my job -- it's also part of**
3 **my job to figure out what went wrong or what's wrong.**
4 **And 800 directory assistance has been a problem for a**
5 **long time, and at least back to May 2002 when I first**
6 **found -- when I dial 800 directory assistance, the**
7 **difficulty in getting the number highlighted with my**
8 **recent discovery that we -- you can't even get our**
9 **number anymore.**
10 Q. Okay. Have efforts been undertaken to
11 document instances of patron or potential patron
12 confusion?
13 MR. COSTELLO: I'll object to the
14 question to the extent that it's vague and
15 mischaracterizes the testimony. And it's also
16 leading.
17 BY MR. HAUGEN:
18 Q. I'm not trying to characterize your
19 testimony as anything. Do you believe patrons or
20 potential patrons become confused with regard to which
21 Treasure Island is which Treasure Island?
22 **A. On a daily basis, everybody is**
23 **confused. We get -- I should say, we have instances**
24 **on a daily basis where guests call us and they believe**
25 **they are calling Las Vegas and they get us. We**

1 document that. Every time -- on reservations, we
2 document if they start taking a reservation and they
3 determine, through the conversation, the course of the
4 conversation, that the guest actually wants Las Vegas,
5 they push F11 and they document that that was an
6 instance. In addition, I am forwarded e-mails that
7 come to the Treasure Island Web site. And the first
8 line of contact on the Treasure Island Web site is
9 Michelle Smith at this time. Prior to that, it was
10 Holly Hosly. And they are supposed to screen the
11 e-mails and they send me ones that have anything to do
12 with the hotel; questions with the hotel come to me.
13 And they are successful in screening because I know --
14 I have asked them to keep track of how many e-mails
15 they get that are the other Treasure Island, clearly
16 from the content of the e-mail, they want the other
17 Treasure Island, and they forward to me just questions
18 about the hotel. And I have documentation of
19 instances where they got past the screen, they come to
20 me, they didn't stay here, they want a copy of their
21 bill, they have foreign confirmation numbers, that I
22 know that they wanted -- someone e-mailed me not too
23 long ago where they wanted an accommodation for Bernie
24 at the Isla Bar. We don't have a Isla Bar. So each
25 and every time that I am sent an e-mail where they are

1 **confused, I e-mail them back and try to get them**
2 **straight and get them on the straight and narrow, get**
3 **them back to where they want to be, but it takes a lot**
4 **of time out of my day. I spend a lot of time**
5 **responding to e-mails that don't belong to me. And at**
6 **the beginning of the process is Michelle Smith, who**
7 **has myriads of e-mails where she's -- she knows right**
8 **away they were for Treasure Island Las Vegas, so she**
9 **doesn't send them to me. I have that documentation,**
10 **too, of e-mails that she gets.**
11 Q. Have you heard of what's known as the
12 "Front Desk Wrong Treasure Island Information Sheet"?
13 **A. Yes.**
14 Q. And can you tell me what that is?
15 **A. It's a sheet that I ask the front desk**
16 **to fill out if they can document an instance where the**
17 **guest actually showed up at the front desk or even --**
18 **see, one of the issues here is they called in on our**
19 **800 number, and they don't want to sit and discuss**
20 **with us where they got their number from, or, you**
21 **know. We try to ask them questions to document this**
22 **and they just want the number for the other Treasure**
23 **Island. So when we can, when the guest is willing to**
24 **give us the information, we try to track in more depth**
25 **how they got that number that they thought they got.**

1 **Sometimes they get it off the Internet, sometimes from**
2 **800 directory assistance, sometimes they don't know**
3 **where they got the number, but it's not our Treasure**
4 **Island.**
5 Q. Hm-hm.
6 (Whereupon, Knapp Deposition
7 Exhibit No. 28 was marked for
8 identification.)
9 Q. Do you recognize this document, Ms.
10 Knapp?
11 **A. Yes.**
12 Q. Can you tell me what it is?
13 **A. Yes. Tabitha Simon is the front office**
14 **supervisor on the swing shift, and she filled out this**
15 **wrong information sheet. It was something that was**
16 **very out of the ordinary because the guest provided a**
17 **flyer and they made a reservation, and they wanted to**
18 **go to the $25,000 slot tournament. So they had made a**
19 **reservation to stay here and they thought they were**
20 **going to play in the slot tournament. And they even**
21 **brought the flyer with them.**
22 Q. Is that a flyer that they brought with
23 them on the second page of this exhibit?
24 **A. It is the flyer that's --**
25 Q. Bikes, babes & bucks flyer?

1 **A. That's correct. And yes, the guest**
2 **brought this in with him, and it was clearly not for**
3 **our Treasure Island. I can --**
4 Q. How about this phone number on there?
5 Do you see that at the bottom?
6 **A. Yes. At the time -- I know we checked**
7 **it at that time and it was Treasure Island Casino**
8 **Marketing. I assume it's, like, their slot player**
9 **marketing department. I haven't tried that number in**
10 **the recent, so I don't know if it's still active, but**
11 **at that time, it was to Treasure Island in Las Vegas.**
12 **It's not their 800 reservations number, but it's their**
13 **Marketing Department number.**
14 Q. Okay.
15 **A. But this gentleman thought he was going**
16 **to be able to play in a slot tournament, and he had a**
17 **reservation here.**
18 Q. Does that -- in your opinion, does that
19 sort of occurrence bode well for your reputation?
20 MR. COSTELLO: Objection, counsel. It
21 calls for speculation.
22 MR. HAUGEN: Okay.
23 MR. COSTELLO: Lacks foundation.
24 BY MR. HAUGEN:
25 Q. I don't want you to speculate at all.

1 I only want you to tell me if you have an opinion that
2 you can base on facts.
3 **A. In my experience --**
4 MR. COSTELLO: Objection, counsel. I
5 make the same objection; calls for a legal conclusion,
6 it lacks foundation, and calls for speculation.
7 MR. HAUGEN: Can you read back my
8 question, please?
9 (Requested portion of the record
10 was read by the reporter.)
11 BY MR. HAUGEN:
12 Q. I don't want you to draw any legal
13 conclusions. I want you to use the words as I've used
14 them the way you understand them.
15 MR. COSTELLO: All right. I'll
16 withdraw my objection regarding legal conclusion.
17 That question does not call for a legal question --
18 conclusion, but it does call for a speculation, and it
19 lacks foundation, so that's the basis for my
20 objection.
21 BY MR. HAUGEN:
22 Q. Again, I don't want you to speculate.
23 **A. In my experience, I can tell you that**
24 **this type of incident where people are confused, it**
25 **makes us look bad. Guests are not happy; they think**

1 **it's our fault. Even though, clearly, we did not send**
2 **this out, they somehow think that there was something**
3 **we could have done to prevent this from happening. I**
4 **have never had an instance where the guest has been**
5 **confused where they are happy at the outcome except**
6 **for if I were to give them a free room, which I do**
7 **not. But all the time, they say, well, how did we get**
8 **your number? You know, what could we have done to**
9 **prevent this from happening? I am constantly**
10 **bombarded with things like this.**
11 Q. I would like you to take a look at the
12 second page of this exhibit and read through it, and
13 tell me if you find one mention of the city of Las
14 Vegas in this document.
15 **A. I do not find one mention of Las Vegas.**
16 Q. Okay.
17 **A. There's nothing in this document, if I**
18 **were to receive it, that would make me think it was**
19 **not us, except for the fact that I'm knowledgeable and**
20 **I know that's not our number.**
21 Q. Okay.
22 (Whereupon, Knapp Deposition
23 Exhibit No. 29 was marked for
24 identification.)
25 Q. Handing you what's been marked as

1 Exhibit No. 29 --
2 **A. I have it as -- okay, 29. Yep.**
3 Q. -- and ask you if you're familiar with
4 this document.
5 **A. Yes, I recall this.**
6 Q. Can you please read down in this
7 document where it says, "were we able to accommodate
8 this guest here at Treasure Island?
9 Yes/no/partially"? Do you see that section?
10 **A. Yes.**
11 Q. And partially is circled. Can you tell
12 me what it says after that?
13 **A. It says, "only able to stay one night**
14 **here. They wanted two" [nights]. They had originally**
15 **made their reservation in Las Vegas for two nights.**
16 **They arrived here, and we were only able to**
17 **accommodate one night of their stay.**
18 Q. Does that sort of thing bode well for
19 your reputation?
20 MR. COSTELLO: Objection; calls for
21 speculation.
22 BY MR. HAUGEN:
23 Q. Don't speculate. Base it only on facts
24 that you're aware of --
25 MR. COSTELLO: Object -- I'm sorry. Go

1 ahead and finish your question, and I'll make my
2 objection.
3 MR. HAUGEN: Okay.
4 MR. COSTELLO: Are you finished?
5 MR. HAUGEN: Yeah.
6 MR. COSTELLO: My objection is that the
7 question calls for the witness to speculate about the
8 state of mind of others unidentified and the state of
9 mind of others that may occur in the future. So to
10 the extent it calls for speculation.
11 THE DEPONENT: Every time there's an
12 instance of confusion, guests react poorly. They are
13 not happy. They are -- I mean, when we have guests
14 come here, we want them to leave happy, to be happy,
15 and to stay happy. Guests do not come here and leave
16 happy when we were not able to accommodate their stay
17 when they originally booked for two nights and we can
18 only accommodate them for one. The guest did not
19 leave happy in this case.
20 (Whereupon, Knapp Deposition
21 Exhibit No. 30 was marked for
22 identification.)
23 BY MR. HAUGEN:
24 Q. Handing you what's been marked as Knapp
25 Exhibit No. 30.

1 **A. Hm-hm.**
2 Q. And I'll ask if you recognize this
3 document.
4 **A. Yes.**
5 Q. Can you tell me what it is?
6 **A. It's an e-mail I sent -- I mean, I sent**
7 **to a guest in response to their e-mail request for a**
8 **written confirmation number, and they are talking in**
9 **reference to reservation No. 19T5K6.**
10 Q. Hm-hm.
11 **A. When this e-mail was written, we only**
12 **had numeric confirmation numbers. This was originally**
13 **sent to Holly through the Treasureislandcasino.com.**
14 **Holly forwarded it to me, I responded to the guest**
15 **that -- and, at that time, we only had alpha**
16 **confirmation numbers, and I knew immediately that that**
17 **wasn't one of our confirmation numbers. So in**
18 **response to this request for a confirmation letter, I**
19 **told the guest that they must have booked at a**
20 **different Treasure Island because that's not our**
21 **confirmation number, forwarded to me by Holly.**
22 Q. Okay.
23 (Whereupon, Knapp Deposition
24 Exhibit No. 31 was marked for
25 identification.)

1 **A. There must be a second page to this.**
2 Q. Sorry about that; there is.
3 **A. I need a paper clip.**
4 Q. Yeah.
5 **A. Let's see. And in reference to this**
6 **e-mail --**
7 Q. Just one second here.
8 MR. COSTELLO: This has been marked as
9 exhibit?
10 THE DEPONENT: 31.
11 MR. COSTELLO: 31, thank you.
12 MR. HAUGEN: Hold on a second.
13 THE DEPONENT: It is --
14 MR. HAUGEN: Off the record.
15 (Discussion had off the record.)
16 BY MR. HAUGEN:
17 Q. Looking at Exhibit No. 31, do you
18 recognize this document?
19 **A. Yes, I do.**
20 Q. Were you privy to the situation that
21 was going on here?
22 **A. Yes.**
23 Q. Okay. Can you tell me what happened?
24 **A. Michelle Smith received an e-mail on**
25 **Treasureislandcasino.com "contact us" and she**

1 **forwarded it to me because it was in reference to a**
2 **hotel stay. Michelle Smith is supposed to screen**
3 **these, but in this case, she wouldn't have known that**
4 **this guest did not stay at Treasure Island in Red**
5 **Wing, Minnesota. She just knew it was about a hotel**
6 **issue, so it gets forwarded to me as do all the other**
7 **e-mails such as this. The guest says at checkout, the**
8 **gentleman who assisted me gave me the impression the**
9 **remainder of my hotel bill --**
10 MR. COSTELLO: Well, I'll object on the
11 record here. The witness is not testifying from your
12 personal experience. You're just simply reading, as I
13 understand it --
14 THE DEPONENT: Well, I'm reading an
15 e-mail --
16 MR. COSTELLO: Let me just make my
17 objection. You're simply reading, as I understand it,
18 from the document No. 31, and although it has been
19 marked for the record, again for the record, I would
20 like to state that 31 consists of two pages. I'll
21 call them 31A and 31B with your approval, counsel.
22 MR. HAUGEN: How about 00476 and 00477?
23 MR. COSTELLO: That's fine. Thank you.
24 MR. HAUGEN: Those are the Bates
25 numbers in the lower right-hand corner.

1 MR. COSTELLO: So my objection is that
2 the witness is again testifying about hearsay
3 information. The document speaks for itself.
4 THE DEPONENT: This e-mail was sent to
5 me, and I responded to it.
6 BY MR. HAUGEN:
7 Q. Okay.
8 **A. I checked to see if the guest stayed**
9 **here by calling up the reservation by their last name;**
10 **I could find no record of their stay. I checked with**
11 **the Player Development Department to see if they had a**
12 **Players Club Card; they did not. So I assumed that**
13 **they wanted Treasure Island in Las Vegas, and as I did**
14 **not hear from them further, I think my assumption was**
15 **correct; that they would need to contact Las Vegas**
16 **because I had no record of their stay.**
17 Q. And looking at the first page of this
18 document, do you see an e-mail message that you sent
19 on February 26th, 2004?
20 **A. Yes.**
21 Q. Could you read that into the record,
22 please?
23 **A. "I do not show a record of your stay**
24 **here at Treasure Island Resort and Casino in Red Wing,**
25 **Minnesota. Did you stay here or in Las Vegas? We are**

1 **not affiliated with the Las Vegas property. If you**
2 **did stay here, please e-mail me and I will investigate**
3 **further."**
4 Q. Was that e-mail responded to?
5 **A. No.**
6 Q. Can you please look at the top of the
7 document?
8 **A. Oh. "OOOOOpppppps, sorry; wrong TI.**
9 **Thanks for your understanding." It was responded to.**
10 **I thought that was the header.**
11 Q. Has that -- has that -- do you ever get
12 communications like that, either verbally or through
13 written communications?
14 **A. Yes, all the time.**
15 Q. Okay.
16 **A. Very frequently, I should say.**
17 **(Whereupon, Knapp Deposition**
18 **Exhibit No. 32 was marked for**
19 **identification.)**
20 Q. Handing you what's been marked as Knapp
21 No. 32, this document is designated in the lower
22 right-hand corner as 000483. Would you please review
23 that document for me?
24 **A. I remember this one well.**
25 Q. Okay.

1 **A. I believe there's another page.**
2 Q. Oh.
3 MR. HAUGEN: Off the record.
4 (Discussion had off the record.)
5 THE DEPONENT: I recall this e-mail. I
6 recall receiving the e-mail forwarded to me by
7 Michelle Smith, and I recall responding to the e-mail.
8 BY MR. HAUGEN:
9 Q. Okay.
10 **A. And my sister works for the same**
11 **company, so it's real glaring. That's how I remember**
12 **this one very well. And the gentleman wanted a copy**
13 **of his -- he said he checked out via the TV, and at**
14 **that time, we did not have a launch network where you**
15 **could check out on the TV. So immediately, I knew**
16 **from this e-mail that he was not referring to Treasure**
17 **Island here in Red Wing, and I e-mailed him, told him**
18 **we didn't have express checkout, are you sure you**
19 **wanted Red Wing? And he e-mailed me back -- and I**
20 **referred to the company that he works for, too. And**
21 **he e-mailed me back and said, thanks, it's my mistake.**
22 **I was trying to reach TI in Las Vegas. And then he**
23 **made a little small talk.**
24 Q. Hm-hm.
25 (Whereupon, Knapp Deposition

1 Exhibit No. 32 was marked for
2 identification.)
3 Q. Handing you what's been marked as
4 Exhibit No. 33.
5 **A. Hm-hm.**
6 Q. Do you recognize this as an e-mail
7 received at the info@treasureislandcasino.com, looking
8 at the "to" line?
9 **A. Yes.**
10 Q. And can you decipher, by reading this
11 e-mail, what this couple is interested in?
12 MR. COSTELLO: Objection, counsel;
13 calls for speculation. It's also vague as to
14 decipher.
15 BY MR. HAUGEN:
16 Q. Okay. Are there any facts stated in
17 this communication --
18 **A. Yes.**
19 Q. -- by the sender?
20 **A. The sender requests a room in Las Vegas**
21 **for the 11th through 14th of February, and it was sent**
22 **to our e-mail, info@treasureisland.com. And this**
23 **would have been intercepted by Holly or Michelle, who**
24 **received the initial e-mails. And it does not show a**
25 **response, but it's my hope that they would have**

1 **responded that they reached the wrong Treasure Island.**
2 Q. Okay.
3 (Whereupon, Knapp Deposition
4 Exhibit No. 34 was marked for
5 identification.)
6 Q. This document designated Knapp No. 34,
7 can you tell me what the subject line says?
8 **A. "Honeymoon in Vegas." It was sent to**
9 **our info@treasureislandcasino.com. The guest**
10 **references that they would like a great honeymoon**
11 **suite in April.**
12 Q. Okay.
13 **A. And, again, this would have originally**
14 **gone through the admin who takes care of these**
15 **messages and disperses them, and they would have**
16 **responded that --**
17 MR. COSTELLO: Objection.
18 THE DEPONENT: Okay. I assume --
19 MR. COSTELLO: Calls for speculation.
20 THE DEPONENT: I can only hope they
21 responded.
22 MR. COSTELLO: Lack of foundation.
23 BY MR. HAUGEN:
24 Q. Can you tell me what the protocol would
25 have been?

1 **A. Yes. Michelle Smith, Holly Hosly, or**
2 **Cindy Plunkie, the three that have access to this**
3 **inbox, would have -- process would have been for them**
4 **to respond that they've reached the wrong Treasure**
5 **Island.**
6 Q. Okay.
7 (Whereupon, Knapp Deposition
8 Exhibit No. 35 was marked for
9 identification.)
10 Q. Moving to Knapp No. 35, do you
11 recognize this document?
12 **A. I recognize that it came to**
13 **info@treasureislandcasino.com.**
14 Q. Hm-hm.
15 **A. And this would have been one that the**
16 **process would be to respond to this guest that they**
17 **have reached the wrong Treasure Island. The admin**
18 **would have responded, that would be the process; to**
19 **respond to it and say you've reached the wrong**
20 **Treasure Island.**
21 Q. This e-mail states, does it not, "I'm
22 taking my mother to Las Vegas for her 65th birthday
23 and I will be celebrating my 40th. Wow"?
24 **A. That's what the guest wrote on this**
25 **e-mail.**

1 Q. Okay.
2 **A. That --**
3 MR. COSTELLO: Objection; there's no
4 question pending.
5 BY MR. HAUGEN:
6 Q. That's what the guest wrote on this
7 e-mail and you were going to add something?
8 **A. I was going to say they sound, by**
9 **the --**
10 MR. COSTELLO: Objection; calls for
11 speculation, lack of foundation, counsel. This
12 witness wasn't, as I understand it, a manager at the
13 time this e-mail was received, so those are the basis
14 for my objections.
15 THE DEPONENT: I was --
16 BY MR. HAUGEN:
17 Q. Go ahead and finish.
18 **A. I was in charge of the reservations at**
19 **the hotel and this guest writes that they are anxious**
20 **to celebrate their birthdays.**
21 Q. Okay.
22 MR. HAUGEN: Let's take about 45
23 minutes here.
24 MR. COSTELLO: Pardon me?
25 MR. HAUGEN: We're going to take about

1 45 minutes for lunch. Is that okay with you?
2 MR. COSTELLO: So it's 12:30, so 1:15
3 or so?
4 MR. HAUGEN: Yeah.
5 THE DEPONENT: I will be back at 1:15.
6 (A recess was taken.)
7 MR. HAUGEN: Okay. We're back on the
8 record now.
9 (Whereupon, Knapp Deposition
10 Exhibit No. 36 was marked for
11 identification.)
12 BY MR. HAUGEN:
13 Q. Okay. Handing you what's been marked
14 as Knapp Exhibit No. 36. I'll give you a moment to
15 review the document.
16 **A. I recall it.**
17 Q. Okay. Can you tell me what this
18 document is?
19 **A. Exhibit 36 is two separate e-mails, by**
20 **the way.**
21 Q. Hm-hm.
22 **A. The first one -- do you want to call it**
23 **A?**
24 Q. Yes.
25 **A. Or 000049 -- I don't know, is that a 0?**

1 Q. 6.
2 **A. 6. This guest e-mailed me regarding**
3 **the penthouse floor and that they were in Las Vegas.**
4 **And I e-mailed back that they reached Treasure Island**
5 **in Red Wing, and they responded that they were sorry**
6 **and did I have the e-mail address for Las Vegas. The**
7 **second document, 000497, is an e-mail that was sent**
8 **regarding oatmeal/almond soap, and that was forwarded**
9 **to me by Amy Dahl, the hospitality -- well,**
10 **originally, Michelle Smith received it, who forwarded**
11 **it to Amy Dahl, the hospitality admin. Amy forwarded**
12 **it to me, and I knew right away that we don't have**
13 **oatmeal/almond soap. And so I asked them if they**
14 **stayed at Treasure Island, and they did not respond as**
15 **far as I know. I had no response to that, but I knew**
16 **immediately they were referring to Las Vegas.**
17 Q. Okay. Could you please look at the
18 second page of this document?
19 **A. Yes.**
20 Q. Starting at the bottom?
21 **A. Hm-hm.**
22 Q. This is -- it says, "Is it possible to
23 find out from housekeeping the supplier of the
24 oatmeal/almond soap used at your resort? The wrapper
25 doesn't supply this info and my mom really liked it

1 when we stayed there. Thanks, Cheri Blazer."
2 **A. That's correct.**
3 Q. Okay. And then, right above that, can
4 you tell me what this reference to Amy Dahl is?
5 **A. This original e-mail was sent to our**
6 **info@TIcasino.com (sic), at Treasure Island, and**
7 **Michelle Smith would have originally received this**
8 **info, and she forwarded it to Amy Dahl, the**
9 **administrative assistant for the hospitality director,**
10 **requesting that Amy help this lady find an answer to**
11 **her soap question.**
12 Q. Hm-hm.
13 **A. And then it was forwarded to me by Amy.**
14 Q. And is that where it says, "Can you
15 reply to guest, Lori?"
16 **A. Yes. Amy Dahl is not familiar with the**
17 **soap products that we have in the hotel room, so she**
18 **would have forwarded it to me, which she did.**
19 Q. And then you wrote this letter to Cheri
20 or whoever you had --
21 **A. I responded to the guest.**
22 Q. "We do not have oatmeal/almond soap in
23 our rooms. Did your mom stay at Treasure Island in
24 Red Wing, Minnesota?"
25 **A. Correct.**

1 Q. Now, can you please flip over to the
2 bottom of the first page?
3 **A. Yes. Oh, Cheri Blazer sent this back.**
4 **It -- she responded right to me, because after I**
5 **respond to a guest, they can just push reply and my**
6 **e-mail address will then -- then it's just me and**
7 **them.**
8 Q. Hm-hm.
9 **A. It cuts Michelle or anybody else out of**
10 **the loop. Yep. And she said, "Lori, we were in Las**
11 **Vegas in the middle of March. We were on the**
12 **penthouse floor. Would that make a difference?"**
13 **Well, she must not have read my e-mail very closely,**
14 **because I said, "Did your mom stay at Treasure**
15 **Island"? And I said, "You reached Treasure Island in**
16 **Red Wing, Minnesota." And then she e-mailed me back**
17 **saying she was sorry, and did I have the e-mail**
18 **address for Las Vegas. It doesn't show my last**
19 **response, which would have been, I'm sorry, we're not**
20 **affiliated with Las Vegas. And then I forwarded it to**
21 **Joe Halloran.**
22 Q. Okay.
23 **A. That was all one e-mail.**
24 **(Whereupon, Knapp Deposition**
25 **Exhibit No. 37 was marked for**

1 **identification.)**
2 Q. Showing you Exhibit 37 --
3 MR. HAUGEN: Off the record.
4 (Discussion had off the record.)
5 MR. HAUGEN: Back on.
6 BY MR. HAUGEN:
7 Q. Do you recognize Exhibit No. 37?
8 **A. Yes.**
9 Q. Can you tell me what it is?
10 **A. This is a print screen of the process**
11 **and the report that we use to report -- or let me**
12 **amend that. We used this screen in 1999 to mark the**
13 **wrong Treasure Island.**
14 Q. Okay.
15 **A. These were other reasons that we turned**
16 **away business or it's kind of a lost business**
17 **tracking. And in this particular case, "P" is wrong**
18 **Treasure Island.**
19 Q. Okay.
20 (Whereupon, Knapp Deposition
21 Exhibit No. 38 was marked for
22 identification.)
23 Q. Showing you what's been marked as Knapp
24 Exhibit No. 38. Do you recognize this document?
25 **A. Yes.**

1 Q. What is it?
2 **A. This is the summary -- it's a report**
3 **that I pulled reporting on P-wrong Treasure Island. I**
4 **printed this report on 08-04-99 and I requested the**
5 **dates from the beginning of time to the end of time,**
6 **when I printed this report. So this would have**
7 **printed from when the hotel opened in December of 1996**
8 **and the end of time, being 08-04-99 in this case.**
9 Q. Okay. And then can you tell me how --
10 can you tell me what the protocol was with regard to
11 these -- with regard to these reports being generated?
12 **A. Right. If a guest called and, through**
13 **our conversation with them, we determined that they,**
14 **in actuality, were trying to reach Treasure Island in**
15 **Las Vegas, then there's a number of ways that we**
16 **determined that; by things that they ask us, they want**
17 **to face the strip or they are anxious to see the**
18 **pirate show, or just there's a myriad of reasons that**
19 **we could get to the point of did this guest want here**
20 **or did they want Las Vegas. Sometimes it's because**
21 **they are from California and we ask them, did you want**
22 **Treasure Island? And once they've determined that**
23 **they reached our Treasure Island when they wanted the**
24 **one in Las Vegas, they would pull up the -- it's**
25 **called F11, lost business tracking, and they would key**

1 **in "P" for lost business because they wanted Treasure**
2 **Island. That's how we keep track of them.**
3 Q. Were the employees instructed not to
4 speculate and only to make a report if it was clear
5 that they were looking for Las Vegas --
6 **A. It's --**
7 MR. COSTELLO: Objection; it's leading.
8 Object to the form; it's leading.
9 BY MR. HAUGEN:
10 Q. Okay. Let me ask it this way: Did the
11 employees have standards that were to be followed with
12 regard to when to record such materials?
13 **A. We train the employees that -- and in**
14 **this case we call them team members. We train the**
15 **team members to only mark down once they are sure that**
16 **the guest wanted Treasure Island in Las Vegas.**
17 Q. Okay. And looking at the item marked
18 in the lower right-hand corner, okay, 2034, which is
19 about 30 pages in or so, or 40 pages in or so.
20 **A. 2034, okay.**
21 MR. COSTELLO: Just a moment, please.
22 MR. HAUGEN: Okay.
23 MR. COSTELLO: All right. Thank you.
24 BY MR. HAUGEN:
25 Q. On the very bottom there, it says,

1 "09-26-98, Saturday, Mary Jane Martinek," and then the
2 digit 1 is after that.
3 **A. Hm-hm.**
4 Q. And then it has a time?
5 **A. Hm-hm.**
6 Q. And then it has a total for 09-26?
7 **A. That would be a cumulative total.**
8 Q. For that day?
9 **A. For that day for Mary Jane Martinek.**
10 Q. Okay. And then, looking above there,
11 it says, "TS - Tami Schaffer." That digit 2 is there.
12 **A. Hm-hm.**
13 Q. Can you tell me what --
14 **A. So two times during her shift on 09-18,**
15 **she encountered a guest requesting a reservation and**
16 **determined it was the wrong Treasure Island.**
17 Q. So within that information, then,
18 taking that one step further, looking at that document
19 designated 2022 --
20 **A. 2022.**
21 Q. -- near the bottom, there's a mention
22 of a Dorothy Hachmann.
23 **A. Hm-hm.**
24 Q. She would have encountered this three
25 times?

1 **A. During that 24-hour period of 05-29-98,**
2 **three times that day.**
3 Q. So those digits correlate to number of
4 occurrences?
5 **A. Correct.**
6 Q. Okay.
7 **A. Per day, per reservation agent.**
8 **(Whereupon, Knapp Deposition**
9 **Exhibit No. 39 was marked for**
10 **identification.)**
11 Q. Looking at Knapp No. 39 --
12 **A. Hm-hm.**
13 Q. -- in the upper left-hand corner at the
14 top page, it says, "01-01-98 - 07-14-02"?
15 **A. Correct.**
16 Q. And 07-14-02 was simply put in in lieu
17 of forever because --
18 **A. The end of time, right.**
19 Q. Basically defined the end of time as up
20 to that moment, I suppose?
21 **A. Hm-hm.**
22 Q. That number to the right of there,
23 "07-14-02 - 07:35:56," that means July 14th, 2002 at
24 7:35, this report was generated?
25 **A. That's correct.**

1 Q. Okay. And is this report set forth
2 basically in the same format as the previous one that
3 we just discussed was?
4 **A. Yes, with the exception of we changed**
5 **our lettering for wrong Treasure Island to be "Y".**
6 Q. Hm-hm.
7 **A. We got a new financial accountant, and**
8 **she wanted to change the tracking of lost business, so**
9 **we simply changed the letter instead of "P" to a "Y".**
10 **Otherwise, it's the same format, same report, same --**
11 **different dates shows the same information.**
12 MR. COSTELLO: Just for clarification,
13 what are the dates encompassed by this report?
14 THE DEPONENT: This particular report?
15 MR. HAUGEN: I --
16 MR. COSTELLO: Yes. What are the dates
17 of the report?
18 THE DEPONENT: 01-98 to 07-14-02.
19 MR. COSTELLO: Thank you.
20 MR. HAUGEN: Just to let you know, if
21 you're looking at it, it's right up here. Maybe you
22 surmised that.
23 MR. COSTELLO: Yeah, thanks.
24 MR. HAUGEN: Okay.
25 (Whereupon, Knapp Deposition

1 Exhibit No. 40 was marked for
2 identification.)
3 MR. COSTELLO: Counsel, do you have
4 Bates numbers for this Exhibit 39?
5 MR. HAUGEN: I don't. That one, I
6 believe, was produced as an update, and the copy that
7 I had did not have Bates numbers on it.
8 MR. COSTELLO: Do you know when this
9 document was produced?
10 MR. HAUGEN: Off the record.
11 (Discussion had off the record.)
12 MR. HAUGEN: Back on. This document
13 was -- although the exhibit does not have the Bates
14 numbers on it, the original production numbers were
15 PRA2739 through PRA2774.
16 BY MR. HAUGEN:
17 Q. And again, Mrs. Knapp, you explained
18 the difference in the alphabetical --
19 **A. Correct.**
20 Q. -- listing --
21 **A. Correct.**
22 Q. -- from "P" to "Y", but other than
23 that, this is setting forth the same information?
24 **A. It is.**
25 Q. Okay.

1 **A. Do you want to talk about 40?**
2 MR. COSTELLO: Do you have the --
3 MR. HAUGEN: Off the record.
4 (Discussion had off the record.)
5 MR. HAUGEN: Back on.
6 BY MR. HAUGEN:
7 Q. Mrs. Knapp, looking at Exhibit No. 39
8 -- I'm sorry, 40, can you tell me what this document
9 is and when it was created?
10 **A. I was tracking from the dates of**
11 **01-01-04 through the present day, which was 09-24-05**
12 **when I generated this report. Pulling the report on**
13 **wrong Treasure Islands, reporting on code Y for those**
14 **dates.**
15 Q. Okay.
16 MR. COSTELLO: I'm going to object to
17 the introduction of this document on a number of
18 grounds. First of all, the document was generated,
19 according to the witness, on September 24th, 2005 --
20 that was just Sunday, three days ago -- has not been
21 provided to counsel. Secondly, it appears -- although
22 the witness can testify so I may renew or augment this
23 objection -- that the report dates, 01-01-04 through
24 this last Sunday, contain information which has also
25 not been provided during these proceedings. And

1 obviously, information through those dates could have
2 been provided on a number of occasions throughout
3 these proceedings. Thirdly, it looks like the
4 information in here is duplicative, perhaps,
5 information which -- well, I'll withhold that
6 objection until I hear the rest of this witness's
7 testimony. So the prior objection is it's late
8 production, was not produced during discovery.
9 THE DEPONENT: And this report, the
10 report date is 01-01-04 until 09-24-05, and to the
11 best of my knowledge, these dates have not been
12 reported on for wrong Treasure Island in the past.
13 This is a recent report.
14 BY MR. HAUGEN:
15 Q. Okay. Do you ever have occasion to
16 discuss the misdirected phone calls with employees,
17 team members?
18 **A. Frequently.**
19 Q. Okay. And if I understood previously,
20 there's been occasions when you actually feel that
21 such calls or at least spoke with individuals that had
22 misdirected their calls here?
23 **A. Yes. I have spoken to people. I**
24 **sometimes answer reservations.**
25 Q. Does that sort of thing do a whole lot

1 of positive things for Treasure Island when it comes
2 to your reputation?
3 MR. COSTELLO: Object to the form of
4 the question as vague and ambiguous.
5 BY MR. HAUGEN:
6 Q. If you have an opinion and based on
7 your experiences.
8 **A. I do have --**
9 MR. COSTELLO: Object to the form of
10 question. It's vague and ambiguous and calls for
11 speculation.
12 BY MR. HAUGEN:
13 Q. And don't speculate.
14 **A. Based on my experience as the hotel**
15 **manager, and even prior to that, when I was in**
16 **reservations, guests get frustrated and upset that**
17 **they've been misdirected and nobody is ever happy**
18 **about having to dial a new number or to admit they**
19 **made a mistake or to spend time on the phone. Every**
20 **customer I've ever spoken to that has been misdirected**
21 **are frustrated at some point.**
22 Q. Okay.
23 (Whereupon, Knapp Deposition
24 Exhibit No. 41 was marked for
25 identification.)

1 Q. And Mrs. Knapp, do you recognize this
2 document?
3 **A. Yes. This is generated by the Tour**
4 **Department.**
5 Q. Can you tell me what it is?
6 **A. It's their form of tracking when they**
7 **-- when they reach the wrong Treasure Island.**
8 MR. HAUGEN: What are we -- is that
9 number?
10 THE COURT REPORTER: 41.
11 THE DEPONENT: I should explain. The
12 Tour Department is in charge of booking bus groups,
13 and so they field calls specifically for a group that
14 wants to come in, stay overnight. They even field
15 calls for day trips. And they keep track of times
16 when they've received calls for the wrong Treasure
17 Island. This would represent that.
18 MR. COSTELLO: I'm going to object to
19 the witness's testimony being non-responsive, first of
20 all. And secondly, it lacks foundation. There's no
21 testimony by this witness of her association with the
22 Tour Department during the time period apparent by
23 this report. No other testimony establishes the
24 record of foundation for this document, so on those
25 bases, I object to its introduction.

1 BY MR. HAUGEN:
2 Q. Have you dealt with the Tour Department
3 in such things on a personal level as part of your job
4 experiences at Treasure Island?
5 **A. Yes. And I have come -- where they've**
6 **called me and they want to book a bus group in. And**
7 **for instance, one time they said they had a bus group**
8 **coming from California, and I said are you sure --**
9 MR. COSTELLO: I'll object to the --
10 this is hearsay at this point.
11 THE DEPONENT: I actually spoke to the
12 Tour Department representative who wanted me to book
13 rooms for a group in California.
14 MR. COSTELLO: Counsel, let me just
15 interject. Hearsay is a pretty basic concept, and
16 I've made each objection --
17 MR. HAUGEN: Yeah.
18 MR. COSTELLO: -- as I could, and many
19 of those objections on a continuing basis because it
20 was so apparent. So the witness can obviously testify
21 to her own knowledge, but she cannot identify
22 communications which come from others.
23 MR. HAUGEN: She can answer the
24 questions.
25 MR. COSTELLO: Well, I just wanted to

1 clarify, then, if there's misunderstanding with
2 respect to hearsay, then --
3 MR. HAUGEN: No, you --
4 (The parties started talking over each other.)
5 MR. COSTELLO: -- objections --
6 MR. HAUGEN: You are making the
7 objections. Your objections are clear. I don't agree
8 with them, but they are certainly clear.
9 MR. COSTELLO: All right. Move
10 forward.
11 MR. HAUGEN: Can you read back the
12 beginning of my last question, please, and her
13 response?
14 (Requested portion of the record
15 was read by the reporter.)
16 MR. COSTELLO: Let's go back on the
17 record. The court reporter has just read back the
18 question and the answer, at least part of the answer.
19 It's also clear that the response is non-responsive to
20 the question and far exceeds the scope of the question
21 being asked. I've been somewhat lenient on this issue
22 before but it's really not getting any better, so I'm
23 going to start increasing the rate of my objection
24 unless we can clear it up.
25 MR. HAUGEN: You're --

1 MR. COSTELLO: Just a second. And I
2 don't want to be -- I want to try to move this process
3 along, surely, but I have to preserve the record. I
4 think you understand that, so that's why I'm making
5 these objections and may increase the number of my
6 objections.
7 BY MR. HAUGEN:
8 Q. You were recounting a situation
9 involving a bus trip from California, I believe?
10 **A. That's correct. The Tour Department**
11 **called me and told me they wanted to book X amount of**
12 **rooms. I can't remember the exact amount of rooms.**
13 **The bus group was coming from California, and I**
14 **questioned whether a bus group would be coming that**
15 **far. They said they would get back to me. They**
16 **called me back and said that the bus group actually**
17 **did not want our Treasure Island. They wanted to go**
18 **to Las Vegas.**
19 Q. Okay.
20 MR. COSTELLO: Well, are you finished
21 with Exhibit 41, counsel?
22 MR. HAUGEN: Yes.
23 MR. COSTELLO: Okay. I'm going to
24 object to the introduction of Exhibit 41. It totally
25 lacks foundation through this witness. And just for

1 the record, counsel, I've given you the opportunity to
2 clear up the foundation issues. That's why I'm making
3 it.
4 MR. HAUGEN: The objection is on the
5 record. I don't agree with it, but on the other hand,
6 the record doesn't have to contain our back and forth
7 with regard to the issue. Your objection is clear and
8 it's understood.
9 MR. COSTELLO: All right. Good. Thank
10 you.
11 (Whereupon, Knapp Deposition
12 Exhibit No. 42 was marked for
13 identification.)
14 BY MR. HAUGEN:
15 Q. Showing you Knapp Exhibit 42 now, do
16 you recognize this document?
17 **A. This is a report on wrong Treasure**
18 **Island.**
19 Q. Okay. Y was the designator at this
20 time because it's older; is that correct?
21 MR. COSTELLO: I'm sorry. The question
22 is vague and ambiguous; objection.
23 BY MR. HAUGEN:
24 Q. Do you see where it says Y - wrong TI
25 on the front of that document?

1 **A. I don't recall the exact date that we**
2 **changed from Y to P, so I'm not positive about that.**
3 Q. Okay. All right.
4 **A. This report was printed 05-01-01. I**
5 **have no recollection of the exact date we changed from**
6 **Y to P.**
7 Q. Okay. This report is in the same
8 format as those other ones that we discussed earlier;
9 correct?
10 **A. Yes.**
11 Q. Okay.
12 MR. COSTELLO: All right, counsel. If
13 you're through with your examination of the witness,
14 I'll object to the introduction of evidence. It lacks
15 foundation. And since counsel has explained that he
16 is fully aware of my -- the nature of my objection and
17 the reason for it, I --
18 MR. HAUGEN: Yes, you just said --
19 MR. COSTELLO: -- to --
20 MR. HAUGEN: Your objection is that it
21 lacks -- your objection is that it lacks foundation,
22 and I understand that you're telling me it lacks
23 foundation. I disagree with it, but your objection is
24 on the record and it's clear.
25 MR. COSTELLO: All right. Thank you.

1 BY MR. HAUGEN:
2 Q. Do you recall earlier, with regard to
3 exhibit -- with regard to Exhibit 42, do you recall
4 discussing the other reports setting forth the
5 identical sort of information earlier?
6 **A. I do.**
7 Q. Is the protocol with regard to this the
8 same as it was with those?
9 **A. Yes.**
10 Q. Okay.
11 MR. COSTELLO: Objection to the form of
12 the question. It's vague. Also objecting to this
13 report to the -- to this exhibit to the extent that
14 it's cumulative.
15 MR. HAUGEN: I'm just about done, but I
16 have to gather together a couple more exhibits, so can
17 we go off the record?
18 THE DEPONENT: Should we take a
19 10-minute break?
20 MR. HAUGEN: Sure.
21 (A recess was taken.)
22 (Whereupon, Knapp Deposition
23 Exhibit No. 43 was marked for
24 identification.)
25 BY MR. HAUGEN:

1 Q. Mrs. Knapp, I'll ask, do you recognize
2 Exhibit No. 43?
3 **A. Yes.**
4 Q. Can you tell me what it is?
5 **A. They are tracking sheets that**
6 **reservations fill out trying to get additional**
7 **information besides using the code and marking down**
8 **that someone got the wrong Treasure Island, trying to**
9 **figure where they got the number from and how they**
10 **happened to get the wrong number.**
11 Q. Hm-hm.
12 **A. As I look through them --**
13 MR. COSTELLO: Objection; there's no
14 question pending.
15 BY MR. HAUGEN:
16 Q. Have you had any impressions, as you
17 look through them, relevant as to opinions about them?
18 **A. There's a myriad of reasons why people**
19 **ended up calling us. From this documentation, quite a**
20 **few of them got the number from the Internet, some of**
21 **them got the number from information. It doesn't say**
22 **if it was 1-651-555-1212 or 1-800 information, but**
23 **it's documenting in detail why they determined it was**
24 **the wrong Treasure Island and trying to figure out**
25 **where they got the number. This is all my staff that**

1 **wrote this.**
2 Q. Hm-hm. Did you oversee this program?
3 **A. Yes.**
4 Q. Would the staff people report to you
5 with their reports, so to speak?
6 **A. They would turn each of these sheets in**
7 **to me.**
8 Q. Okay.
9 MR. COSTELLO: Are you through with
10 your examination on this exhibit?
11 MR. HAUGEN: Yeah, pending your
12 objection.
13 MR. COSTELLO: So I'm going to object
14 to the introduction of this exhibit on the grounds
15 that it lacks foundation with respect to the -- well,
16 lacks foundation with respect to procedures, the time
17 frame, and other business-relevant information.
18 Secondly, I object to the extent that it may include
19 documents which have not yet been produced. There are
20 no Bates numbers on this. I can't determine whether
21 these documents have been produced or not. If counsel
22 has Bates numbers, I would appreciate those. So to
23 the extent that it has not yet been produced, I'm
24 going to object. Obviously, if they have been
25 produced and counsel can identify that, then I'll

1 withdraw that portion of the objection. Also object
2 to the extent the document -- maybe there are some
3 exceptions -- it looks like it contains hearsay
4 information. Those are the grounds for the
5 objections.
6 MR. HAUGEN: Okay.
7 BY MR. HAUGEN:
8 Q. Do you know the procedures that were
9 undertaken when people would fill out these forms?
10 **A. Yes, I do.**
11 Q. Did you instruct people in those
12 procedures?
13 **A. Yes, I did.**
14 Q. And was it your experience that
15 procedures were followed?
16 **A. Yes, they were.**
17 Q. What were those procedures?
18 **A. The procedures are, when they determine**
19 **that a guest is calling in and they had the intention**
20 **of calling Las Vegas and not us, they were to fill out**
21 **one of these sheets, trying to glean as much**
22 **information as possible as to how the guest got our**
23 **number and how they determined the guest was calling**
24 **the wrong Treasure Island.**
25 Q. Okay. And then, as stated, these

1 reports would come back to you, if I understood you
2 correctly?
3 **A. They do and did.**
4 Q. Okay.
5 MR. COSTELLO: So just to follow up on
6 the objection -- and maybe you've covered some of the
7 grounds for lack of foundation. When the witness --
8 when you say they called Treasure Island, what number
9 are they calling?
10 THE DEPONENT: I can't tell you exactly
11 what number, but they got to our reservations staff,
12 so there's a number of numbers they could have called.
13 I could give them all to you, if you would like.
14 BY MR. HAUGEN:
15 Q. Go ahead.
16 **A. They could have called 1-651-388-6300**
17 **and asked for hotel reservations. They could have --**
18 MR. COSTELLO: I'm sorry, 651?
19 THE DEPONENT: 388-6300 and asked for
20 hotel reservations. Then they would have gotten to
21 one of these people that filled this out. Or
22 1-800-222-7077 and asked for hotel reservations.
23 Again, they would gone to this staff. Or
24 1-888-867-7829, and again, they would gone to the
25 reservation center.

1 MR. COSTELLO: All right. Thank you.
2 THE DEPONENT: Hm-hm.
3 MR. COSTELLO: Off the record for just
4 a moment.
5 (Discussion had off the record.)
6 (Whereupon, Knapp Deposition
7 Exhibit No. 44 was marked for
8 identification.)
9 BY MR. HAUGEN:
10 Q. Looking at Exhibit 44, I'll ask you,
11 have you ever seen this document before?
12 **A. Yes.**
13 Q. What's been -- can you tell me the
14 experience you've had with regard to places such as
15 Western Canada and the like?
16 MR. COSTELLO: Object to the form as
17 vague and ambiguous; overly broad.
18 BY MR. HAUGEN:
19 Q. Let me put it to you this way: Do you
20 have an opinion as to whether or not -- are there
21 certain -- strike that. Tell me the things that tip
22 you off, so to speak, that someone has the wrong
23 Treasure Island if there are such items and if you
24 have knowledge with regard to them.
25 MR. COSTELLO: Well, I'll object to the

1 question as asked and answered.
2 MR. HAUGEN: Okay.
3 MR. COSTELLO: It's been answered many
4 times during the deposition.
5 MR. HAUGEN: Okay.
6 BY MR. HAUGEN:
7 Q. Go ahead. We can just stick to
8 geography, for example.
9 **A. In the case of this e-mail, which I**
10 **received this morning --**
11 MR. COSTELLO: Objection. The question
12 -- objection. The witness is responding beyond the
13 scope of the question. The question clearly was to
14 give examples -- and the court reporter can read it
15 back -- what experience she has regarding geography.
16 MR. HAUGEN: Yeah, exactly.
17 MR. COSTELLO: It's not regarding the
18 e-mail, it's regarding geography.
19 BY MR. HAUGEN:
20 Q. Okay. Geography, go ahead.
21 **A. In regards to geography --**
22 Q. Yes?
23 **A. -- if a guest wants to make a**
24 **reservation and they are from a distant place, my**
25 **concern is that they've reached the wrong Treasure**

1 **Island. That is one of the tips that tells me that**
2 **they don't want our Treasure Island.**
3 Q. Hm-hm.
4 **A. Not always, but a lot of times.**
5 Q. Okay.
6 (Whereupon, Knapp Deposition
7 Exhibit No. 45 was marked for
8 identification.)
9 BY MR. HAUGEN:
10 Q. Looking at Exhibit 45, can you tell me
11 who Michelle Smith is?
12 **A. Michelle Smith is the marketing**
13 **administrative assistant who currently is in charge of**
14 **responding and filtering the initial e-mails that are**
15 **sent to our info@treasureisland.com. She's in charge**
16 **of filtering these and only sending me ones that she**
17 **believes are under my auspices of the hotel. In this**
18 **case, this is a reservation -- a request that she**
19 **received about arranging a trip to Las Vegas, so she**
20 **caught it before it got to me, and responded that they**
21 **reached the wrong Treasure Island.**
22 Q. Is it true -- what leads you to believe
23 they reached the wrong Treasure Island?
24 **A. Because their e-mail says that they are**
25 **a travel agent organizing a personal trip to the city**

1 **and they don't know which night they will be here in**
2 **Las Vegas, but they would like a response about**
3 **special travel agent rates.**
4 Q. So even someone as sophisticated as a
5 travel agent ends up sending communications --
6 MR. COSTELLO: I'm going to object to
7 the form of the question as argumentative.
8 MR. HAUGEN: Okay. Objection is
9 understood.
10 BY MR. HAUGEN:
11 Q. You can answer.
12 **A. Everybody gets confused, not just**
13 **regular people.**
14 Q. Okay. Does Treasure Island undertake
15 efforts to try to ensure that such confusion doesn't
16 occur?
17 MR. COSTELLO: Object to the form of
18 question as vague and ambiguous.
19 THE DEPONENT: To the best of my
20 knowledge, we do everything we can to try to make sure
21 that people are not confused with the other Treasure
22 Island.
23 MR. HAUGEN: Those are all the
24 questions that I have.
25 (Discussion had off the record.)

1 MR. COSTELLO: We'll put on the record
2 that counsel has indicated earlier that he had some
3 prior commitments and wants to conclude today by 5:00.
4 He's also indicated that the testimony depositions
5 that were going to go forward tomorrow, those of Ms.
6 Brightbarth and Tracy Kirschner, will not go forward.
7 They have been, I guess, cancelled in their entirety.
8 So for that reason, we have a little bit of time in
9 the schedule tomorrow, so rather than beginning my
10 cross-examination now and not being able to conclude
11 tonight before the hour that counsel needs to
12 terminate the deposition or the testimony deposition
13 today, I will start my cross-examination tomorrow
14 morning at 10 o'clock, and I'm certain that I can
15 finish it close to the noon hour.
16 THE DEPONENT: Okay. That's on the
17 record, right?
18 MR. COSTELLO: It's on the record, but
19 as everyone knows, lawyers are bad judges of time. We
20 would go over today and have to come back tomorrow,
21 and so it's easier to conclude for today. Counsel,
22 you agree?
23 MR. HAUGEN: Yeah. Absolutely.
24 MR. COSTELLO: All right. The only
25 thing else I have, counsel, is with respect to the two

1 witnesses that you're not going to be calling, Ms.
2 Brightbarth and Mr. Kirschner; you know, we may want
3 to call those witnesses. And then the only difficulty
4 I have is, as we discussed yesterday, is their current
5 addresses, telephone numbers, contact information. If
6 you will tell me that, if we indicate to you in
7 correspondence that we want to take their testimony,
8 during our testimony, that you will either present
9 them with subpoena or make sure that they are present.
10 MR. HAUGEN: Yes.
11 MR. COSTELLO: And make sure they are
12 present at those testimony depositions, I would
13 appreciate that. That would be the only reason that
14 I --
15 MR. HAUGEN: That's fine. I agree.
16 MR. COSTELLO: All right. Thank you.
17 We'll convene tomorrow morning.
18 (Whereupon, the deposition of DELORES
19 KNAPP was concluded at 2:53 p.m.)
