The request for extension of time to oppose filed September 15, 2003 on behalf of MasterCard international Inc., is noted.

The record in the application file reveals that on September 13, 2003 a ninety-day extension of time was granted to MasterCard International Inc.

Accordingly, the subject request will not receive any consideration, and it is suggested that appropriate action be taken to avoid the filing of duplicate requests for extension of time to oppose for the same party by different counsel.
