U.S. Patent & TMO/TM Mail Rcpt Dt. #75

Dear Sir or Madam:

Ms. Janet Burak, an individual, requests a further extension of time of thirty (30) days within which to oppose the above-identified application. The time to file a Notice of Opposition currently expires on July 24, 2001. Therefore, pursuant to this request, this potential opposer will have until August 23, 2001, to file a Notice of Opposition.

This request for an extension of time has been discussed on the telephone with Applicant's attorney, James R. Menker, Esq., and Mr. Menker has authorized potential opposer's attorney to state that this request can be considered as agreed and stipulated. The reason for this request is that Applicant and its counsel are in the process of finalizing a settlement with potential opposer and its counsel which settlement would result in no additional imposition being made upon the Trademark Trial And Appeal Board.

Respectfully

Dated: July 23, 2001

Ms. Janet Burak, an individual
