On June 19, 2002, the Board forwarded the above-identified application to the Trademark Examining Attorney and indicated that her appeal brief was due sixty-days. However, the Board was unaware that applicant had filed, on April 24, 2002, a request for reconsideration which the Board had not yet received.

This paper requires consideration by the Trademark Examining Attorney. Accordingly action on the appeal is suspended and the file is herewith **remanded** to the Examining Attorney.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its supplemental brief on appeal.
