RE: Serial Number 75/788328

Applicant is requesting reconsideration of a final refusal dated February 12, 2002.

After careful consideration of the law and facts of the case, the examining attorney must deny the request for reconsideration and adhere to the final action as written since no new facts or reasons have been presented that are significant and compelling with regard to the point at issue.

Accordingly, applicant's request for reconsideration is *denied*. The file is being returned to the Trademark Trial and Appeal Board.
