Applicant's June 20, 2008 request to reinstate the appeal is noted. On February 4, 2008, the USPS returned as undeliverable applicant's copy of the Board's January 26, 2008, order dismissing the above captioned appeal for applicant's failure to file a brief. Applicant contends that it did not received the Board's October 29, 2007 order resuming action on the appeal, or the Board's January 26, 2008 order dismissing the appeal, because the Board had an incorrect correspondence address for applicant's counsel.

The record of the Board has been updated to reflect the current address of counsel for applicant.

In view of the circumstances, the Board's January 26, 2008 order dismissing the appeal is hereby vacated and applicant is allowed sixty days from the mailing date herein

to file a brief on appeal, or otherwise a request for remand along with a copy of the parties consent agreement.

The delay in addressing this matter is regretted.
