AMENDMENT

Please amend this application by deleting the current Identification of Goods and Services and substituting therefor the following:

--Computer software used for patient information and education; pre-recorded compact discs, CD Roms and video discs used for patient information and education (Int. 9); Books, brochures, cards for patient information and education and for doctor and health professional information (Int. 16); Entertainment services, namely production of motion pictures, videotapes, and audio recordings for providing medical reference and patient care information in the fields of life science, health care and medicine; publication of books, newspapers, and magazines for providing medical reference and patient care information in the fields of life science, health care and medicine; educational services, namely conducting colloquiums, conferences, classes, seminars, and teaching for

providing medical reference and patient care information in the fields of life science, health care and medicine. (Int. 41);

Videotaping; leasing access time to a computer database in the field of patients and health professionals; providing medical and healthcare information via the internet, computer programming for others; computer software design for others; updating of computer software for others (Int. 42).--.

REMARKS

Amendment of Identification of Goods and Services

Applicant has amended the Identification of Goods and Services to clarify that the entertainment services of International Class 41 are limited to medical reference and patient care information in the fields of life science, health care and medicine. This is pursuant to an agreement with MediaVia, LLC, owner of United States Application No. 75/828,769 for the mark MEDIAVIA, for settlement a threatened opposition against the present application. MediaVia LLC has filed requests for extension of time to file an opposition.

Surrender of Registration

In a document filed concurrently herewith (copy enclosed), Applicant has surrendered the original Registration No. 2,481,542. As indicated in the Cancellation Order, this application is to be restored to pending status and forwarded to the Trademark Trial and Appeal Board for further action.

Change of Applicant Name

As result of a merger, applicant Mediavita is now Pasteur Mediavita. Enclosed is a copy of merger documents submitted to the Assignment Branch concurrently herewith for recording reflecting this change. Please correct the file records to reflect the new applicant name, Pasteur Mediavita.

Conclusion

It is submitted that this application is now ready for re-publication. Favorable action to this effect is solicited.

Respectfully submitted,

Raymond O. Linker, Jr.
Attorney for Applicant
