**SECOND REQUEST FOR EXTENSION OF TIME
TO FILE NOTICE OF OPPOSITION**

Madam:

C/Base, Inc., a Delaware corporation, having a place of business at 555 North Lane, Suite 5040, Conshohocken, Pennsylvania, 19428, believes it might be damaged by registration of the above-identified mark and hereby requests pursuant to 15 U.S.C. § 1063 and Rule 2.102(c) a thirty-day extension of time within which it may file a Notice of Opposition in connection with the above-identified application. The time within which a Notice of Opposition must be filed presently expires on July 8, 2002. If this request is granted, the time within which the prospective opposer may file a Notice of Opposition with such extension will expire on August 7, 2002.

This extension is requested to allow the potential Opposer additional time to investigate more carefully the nature and extent of the suspected injury and, if substantial, to determine whether the matter can be resolved without the need to file an Opposition.

mas

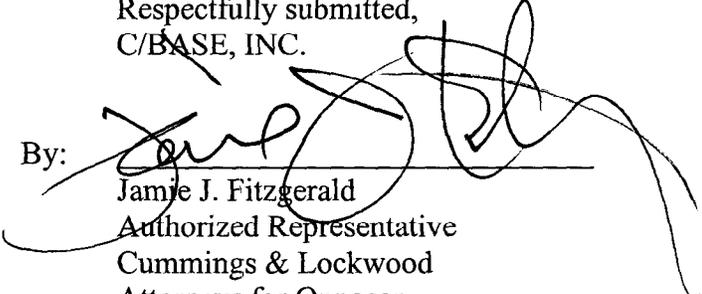

The additional time is needed because Applicant is a Canadian corporation and potential opposer has so far had difficulty investigating its activities in the United States.

This request is made in good faith and not for the purpose of delay, and is being submitted in triplicate in accordance with Trademark Rule 2.102(d).

Respectfully submitted,
C/BASE, INC.
