On November 26, 2001 the Board indicated that the file of the above-identified application was being forwarded to the Trademark Examining Attorney for preparation of his brief. However, this case now comes up for consideration of the Trademark Examining Attorney's memo<sup>1</sup> with regards to applicant's request for remand (which was included in its appeal brief) that was not previously noted and or considered, and the Board regrets the delay.

In view of the circumstances set forth therein, action on the appeal is suspended and the file is file is herewith **remanded**. After the matters have been resolved, the file should only be returned to the Board for resumption of proceedings, if necessary at such time applicant will be allowed sufficient time to file a **supplemental brief herein**, if it so desires.
