SECOND REQUEST FOR EXTENSION OF TIME TO FILE OPPOSITION

Pursuant to Rule 2.102 of the Trademark Rules of Practice, potential opposer DNA Specialty, Inc., a California corporation with offices at 1415 West 178th Street, Gardena, California 90248-3201, hereby requests that the Trademark Trial and Appeal Board grant it a second extension of time through March 1, 2004 (a date not more than 120 days from the date of publication) in which to file an opposition to registration of the mark in the above-referenced application.

There is good cause for the granting of this second request for extension pursuant to Rule 2.102(c) of the Trademark Rules of Practice. Potential opposer needs additional time to investigate and review this matter and to consult further with intellectual property counsel about the need to file an opposition and about contacting counsel for applicant in an attempt to try to resolve this matter without the filing of an opposition.

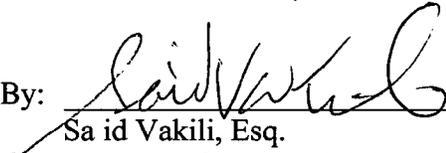

This request is timely filed on January 12, 2004, as the due date (i.e., January 10, 2004) fell on a Saturday and the first business day after the due date is today's date, January 12, 2004.

This request has been submitted in triplicate pursuant to Rule 2.102(d) of the Trademark Rules of Practice. Please direct all correspondence in connection with this request to the undersigned as opposed to the counsel that filed the request for the first extension.

Respectfully submitted,

Dated: January 12, 2004
