Tamika Whitsey, Legal Assistant:

On September 16, 2002, Johnson Controls/ Prince Corporation filed a request to extend time to oppose the registration of the mark shown in the above-identified application.

However, an additional party has been added to whom a previous extension of time was granted, namely, Johnson Controls/ Prince Corporation.

An explanation is requested by Johnson Controls/Prince Corporation, and if potential opposer was misidentified through mistake, or if a relationship exists between Johnson Controls/Prince Corporation and Johnson Control Technology Company, such as set forth in Trademark Rule 2.102(b), the request for extension of time to oppose will be given further consideration.

The extension of time filed on September 16, 2002 is requesting additional time up until December 14, 2002, however that will extend the deadline beyond 120 days. The extension is granted up until November 13, 2002.

In which a explanation of the relationship must be given for consideration of any further requests.
