On July 18, 2002, the Board acknowledged applicant's notice of appeal and request to divide the application. Proceedings were suspended pending the request to divide.

Applicant's request to divide was granted by the Intent to Use Divisional/Unit on August 1, 2002. Application Serial No. 76/004,069 has been designated as the "parent case", and the newly created "child" case, application Serial No. 75/982,781.

On June 27, 2002 applicant filed a request for reconsideration.

The request for reconsideration requires consideration by the Trademark Examining Attorney. The appeal is

instituted, but action on it is suspended and the files are herewith remanded to the Examining Attorney.

In the event registrability is found on the basis of this paper, the appeals will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the files should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file its brief on appeal.
