The Board suspend action on the appeal pending a final determination in Cancellation No. 32,946. The cancellation proceeding was filed against Registration No. 2,159,206, cited by the Trademark Examining Attorney as a Section 2(d) bar to registration of applicant's mark.

Accordingly, the appeal is instituted and the request to suspend is granted. Applicant is requested to monitor the cancellation proceeding and to request resumption of action on this appeal once the cancellation is resolved.
