RESPONSE

Sir:

The following is submitted in response to the Office Action of September 18, 2001 in the above-identified trademark application.

REMARKS

Identification of Goods:

Applicant hereby amends the identification of goods to read as follows:

Microcomputers, namely, main frames, CPU's (central processing units), hard disk drivers, magnetic disk drivers, optical disk drivers, hubs, electrical connectors, audio receivers, telephone receivers, and blank magnetic disks in International Class 9.
