Potential opposer, The Rudolph Company, L.P., hereby requests a two-month extension of time until October 12, 2002, for filing a Notice of Opposition against the above application. This extension is necessary to allow potential opposer and applicant additional time to determine whether this matter can be resolved amicably.

Applicant's attorney, Amy J. Benjamin, consented to this extension on August 8, 2002.

In its order dated June 4, 2002, the Board indicated that all further extension requests should include a statement of the current status of the matter. The parties have reached terms for settlement and additional time is needed for the parties to review and sign settlement documents. Based on these circumstances, and the consent of the applicant's attorney, potential opposer respectfully submits that it has shown sufficient cause for the granting of this further extension request.

This request is submitted in triplicate.
