Dear Sir:

It is respectfully requested that the time now set for filing applicant-appellant's brief, **July 5, 2004**, be suspended pending consolidation of the appeals in two (2) related cases of applicant involving common issues of law and fact, namely, Application Ser. No. 76/199,329 for the mark "ENGLAND" and Application Ser. No. 76/199,170 for the mark "ENGLAND PREMIERE". The grounds for refusal in each of these cases are the same as in the above-captioned application and therefore these cases share common issues of law and fact. In that the

Board has not yet resumed the appeals in these cases and, in order to maximize Trademark Office efficiencies by allowing these consolidated cases to be heard on the same brief, applicant's counsel believes a suspension in this matter is appropriate pending consolidation of these three (3) matters and/or resumption of the remaining two appeals. If the suspension request is nonetheless denied, applicant respectfully requests that the time period to file its brief at least be reset for a brief period to afford time to prepare and file its brief in this case.

This is the first request for suspension of time to file Applicant's appeal brief and it is not made for purposes of delay. It is believed, rather, that good cause has been shown pursuant to TBMP §1213 and therefore approval of this request is respectfully requested.
