RE: Serial Number 76/235496

Applicant is requesting reconsideration of a final refusal dated 9 July 2003.

After careful consideration of the law and facts of the case, the examining attorney must deny the request for reconsideration and adhere to the final action as written since no new facts or reasons have been presented that are significant and compelling with regard to the point at issue.

Accordingly, applicant's request for reconsideration is *denied*. 37 C.F.R. Section 2.64(b); TMEP Section 715.04. The application file will be returned to the Trademark Trial and Appeal Board for resumption of the appeal.

The amendment to the identification of goods was acceptable. The requirement for an acceptable identification of goods has been withdrawn. The only issue remaining on appeal is the refusal under Section 2(e)(1).
