REQUEST TO EXTEND TIME FOR FILING NOTICE OF OPPOSITION
WITH CONSENT UNDER 37 CFR §2.102(c)

In the matter of the above-identified trademark application, which was published in the Official Gazette of January 14, 2003, TM 584, The Ritz-Carlton Hotel Company, L.L.C., with offices at 10400 Fernwood Road, Bethesda, MD, 20817, and potential opposer to the above-referenced application for registration, respectfully requests that the time for filing a Notice of Opposition to the registration of the above mark be extended for an additional 60-day period so as to expire on April 8, 2004.

Potential opposer believes that it may be damaged by the registration of said mark. Good cause is shown for this extension in that the additional time is needed to enable potential opposer to further investigate the matter, to consult with counsel, to negotiate with the Applicant, and to determine whether an opposition will be necessary to protect its rights. The extension is not sought for delay purposes. Mack Webner, counsel for Applicant, consented to the requested extension of time by telephone on February 4, 2004.

As required, this request is being submitted in triplicate.

Respectfully submitted,

The Ritz-Carlton Hotel Company, L.L.C.
