By the Trademark Trial and Appeal Board:

Applicant's request for reconsideration filed November 26, 2007 is noted. Applicant requests that the denial of her request for extension based on special circumstances be made at the "level of TTAB Judges," rather than by a paralegal.

Applicant is advised that, although the denial of applicant's November 15, 2007 request for extension was signed by a Paralegal Specialist, the papers in applicant's file had been reviewed by Board judges, who made the decision to deny applicant's request.

Serial No. 76293327

Applicant's request for reconsideration filed November 26, 2007 is denied. Applicant is advised that the Board will not consider any further papers requesting an extension of time to file exhibits to be considered with applicant's appeal brief, nor will consider any requests for reconsideration of the Board's order denying further extensions. The Board's order dated November 16, 2007 stands, and the due date for the Examining Attorney's brief remains as set in that order.
