AMENDMENT B

Dear Commissioner:

Responsive to the Office Action dated June 4, 2002, please amend the above-identified application as follows:

In the identification of goods, after "components" insert -- namely, voltage testers, amperage testers and circuit breaker testers -- and in the identification of services after "consulting" insert -- engineering services --.

REMARKS

The identification of goods and services has been amended as suggested.

The objection to the specimens is again respectfully traversed for reasons set forth in the response mailed December 27, 2001.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Trademarks, 2900 Crystal Drive, Arlington, VA 22202-3513.

TRADEMARK  
Attorney's Docket No.: 02043-029001

The mark has been in substantially continuous exclusive use for at least the five years next preceding this application for registration.

The undersigned, being hereby warned that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application or any registration resulting therefrom declares that the foregoing statement made on information and belief is believed to be true.

In view of the foregoing amendments, remarks and since a search of the Office records has found no similar registered mark or mark in a pending application which would bar registration, this application is submitted to be in a condition for publishing the mark, and notice thereof is respectfully requested. Should the Examining Attorney believe this application is not in a condition for publishing the mark, she is respectfully requested to telephone the undersigned attorney at (617) 521-7014 to discuss what additional steps she believes are necessary to place the application in a condition for publishing the mark.

Please apply any charges or credits to Deposit Account No. 06-1050, Order No. 02043-029001.

Respectfully submitted,
