Revised Amended Identification of Goods

Dear Ms Wong:

Pursuant to my telephone conversation with Examining Attorney Marlene Bell on April 2, and my telephone conversation with you on April 3, Applicant Molecular Probes, Inc. hereby proposes a revised amendment to the identification of goods in International Class 1 to read as follows:

Kits consisting primarily of antibody derivatives and reagents relating to the use and preparation of labeled antibody conjugates for use in life sciences and biomedical research namely for use in scientific or research use, but excluding water quality, water filtration, and water treatment, in International Class 1.

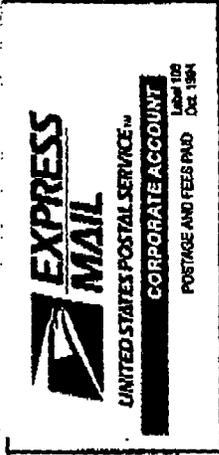

Serial No.: 76/351,524
Name of Examining Attorney: Marlene D. Bell
Law Office of Examining Attorney: 105

If there are any concerns with the identification of goods, or with any other aspect of this application, the please telephone the undersigned attorney to facilitate prompt resolution of this case.

Respectfully submitted,
