**FIRST REQUEST FOR EXTENSION OF TIME TO OPPOSE**

Pursuant to 37 C.F.R. Section 2.102(a), Socket Communications, Inc., a Delaware corporation, with its principal place of business at 37400 Central Court, Newark, CA 94560, potential Opposer, hereby requests an extension of time to oppose the application identified above.

The deadline to oppose the application identified above is November 7, 2002. The potential Opposer seeks an extension of sixty (60) days, up to and including January 6, 2003, to oppose the application. Good cause exists for this request because the potential Opposer needs additional time to investigate the potential effects of registration of applicant's mark and to evaluate the need for filing an opposition.
