Re: SECOND Request for Extension of Time
To File a Notice of Opposition
Mark: CJ Blues
Application Serial No: 76/374,006
International Class: 25
Publication Date: October 29, 2002
Application Owner: Alarmex Holdings, LLC

Dear Sir or Madam:

We are writing on behalf of our client, Charles Jourdan U.S.A., Inc., a corporation formed under the laws of the State of New York which believes that it would be damaged by registration of the above-referenced mark, to request an additional thirty (30) day extension of time in which to file a notice of opposition to the subject application. This request for an extension, made pursuant to Lanham Act § 13 (15 U.S.C. § 1063) and Trademark Rule 102 (37 C.F.R. § 2.102), and filed in triplicate, is our client's request for an extension of time in which to oppose the subject application.

Good cause exists to grant the requested extension, in that this time is needed in order for Charles Jourdan U.S.A., Inc. and its counsel to review the application's file wrapper, to investigate the nature of the applicant's use, if any, of the subject mark, and to discuss the filing of a notice of opposition.

This request for extension is made in good faith, and for good cause, and not for the purpose of unnecessary delay. We therefore respectfully request on behalf of Charles Jourdan U.S.A., Inc. a 30-day extension of time in which to file a formal opposition to the registration of the above-referenced mark.

If you have any questions regarding this matter, please telephone the undersigned.
Thank you.

Respectfully submitted,
