 Assistant Commissioner for Trademarks
 2900 Crystal Drive
 Arlington, Virginia 22202-3514

Dear Sir:

In the matter of the above-identified application which was published in the Official Gazette of October 22, 2002, Page No. TM 692, Decision Resources, Inc. of Waltham,

Massachusetts, hereby respectfully requests that the time for filing a Notice of Opposition against the above application be extended for a further period of thirty (30) days.

The undersigned attorney for potential Opposer has been in further contact with counsel for Applicant regarding resolution of this matter.

Since the filing of the last Extension Request, attorneys for potential Opposer forwarded its response to Applicant's written settlement proposal with a counterproposal to Applicant. The undersigned has learned that Applicant considers the counterproposal to be a basis for further discussion towards resolution of this matter and such discussions are expected to take place in the near future.

The Extension of Time is needed in order to continue to investigate the potential settlement of matter and to determine whether the matter can be resolved and, if not, to determine whether an opposition will be necessary. If an opposition is necessary, time will be needed to prepare and file the opposition papers. Potential Opposer submits that there is good cause for this extension. Applicant has consented to this extension.

Respectfully submitted,

Dated: August 14, 2003
