TWELFTH REQUEST UNDER RULE 2.102 TO EXTEND TIME  
FOR FILING NOTICE OF OPPOSITION, ON CONSENT

Commissioner for Trademarks  
2900 Crystal Drive  
Arlington, Virginia 22202-3514

Dear Sir:

In the matter of the above-identified application which was published in the Official Gazette of October 22, 2002, Page No. TM 692, Decision Resources, Inc. of Waltham, Massachusetts, hereby respectfully requests that the time for filing a Notice of Opposition against

the above application be extended for a further period of thirty (30) days.

As a detailed statement of the progress the parties have made towards resolving this matter, the undersigned attorney for potential Opposer has been in further contact with counsel for applicant regarding resolution of this matter. Since the filing of the last extension request, the undersigned has conferred with counsel for applicant regarding proposed settlement terms, has reported those terms to the potential opposer, and has received a response from potential opposer with terms for a counterproposal. The undersigned is currently preparing the counterproposal to be forwarded to attorney for applicant for consideration.

The Extension of Time is needed in order to continue to investigate the potential settlement of matter and to determine whether the matter can be resolved and, if not, to determine whether an opposition will be necessary. If an opposition is necessary, time will be needed to prepare and file the opposition papers. Potential Opposer submits that there is good cause for this extension. Applicant has consented to this extension.

Respectfully submitted,

Dated: October 17, 2003
