Attn.: Box TTAB

Dear Sir or Madam:

SRG Consulting, Inc., a Georgia corporation, having an address at 1040 Seminole Drive, Suite 763, Fort Lauderdale, Florida 33304, and Steven R. Gerst, an individual with a business address of 1040 Seminole Drive, Suite 763, Fort Lauderdale, Florida 33304, individually, and in their derivative or other capacity as equitable, equity and/or shareholders or owners of Trademark Applicant Eagle Hospital Physicians, LLC, and the Trademark Application at issue, by and through their undersigned attorney, hereby request a ninety (90) day extension of time from January 22, 2003 expiring April 21, 2004, in which to oppose the above-identified trademark application.

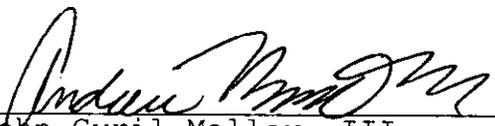

SRG Consulting, Inc. and Steven R. Gerst believe that they may be damaged by registration of Applicant's alleged mark.

The reason for this request is that additional time is required to investigate this matter to determine if an opposition is warranted and/or will be filed. This includes, among other things, obtaining evidence and necessary files and information with regard to an actual or potential business dispute with the Trademark Applicant which is believed to or may pertain to trademark ownership and registration rights therein related to the Trademark Application for which this extension of time is sought, and, to determine whether settlement or litigation (before this Board and/or an appropriate Court) related to this dispute is necessary or possible, or will relate to the Trademark Application or the registration sought therein or trademark rights related thereto.

In the event that the requested ninety (90) day extension of time is not granted, an extension of time is sought in the amount of at least thirty (30) days or such other additional time beyond thirty (30) days as the Board may deem appropriate. However, it is believed that ninety (90) days is appropriate and necessary, and that good cause is shown therefore pursuant to 37 C.F.R. §2.102(c), and accordingly, ninety (90) days is sought herein as set forth above.

This Request is being submitted in triplicate as required by 37 C.F.R. §2.102(d).

Respectfully Submitted,
