SECOND REQUEST FOR EXTENSION OF TIME FOR FILING NOTICE OF OPPOSITION

Petitioner, Lisa Frank, Inc., was granted a 30-day extension of time to oppose the above-referenced mark via the E-TEAS system until August 2, 2003 (ESTTA Tracking No. 2095).

Petitioner believes that it may be harmed by registration of the above-referenced mark and hereby requests, pursuant to TBMP Rule 201 and Rule 2.102 of the Trademark Rules of Practice (37 C.F.R. Section 2.102), that the time for filing a Notice of Opposition to the above-identified application be extended for a period of an additional thirty (60) days up to and including October 1, 2003. Petitioner has contacted the Attorney for the Applicant regarding this proposed registration. This second request is submitted in good faith to enable Petitioner and Applicant to resolve this matter prior to filing opposition and not for purposes of mere delay. In addition, this request is submitted in triplicate pursuant to Rule 2.102(d).

Dated: August 1, 2003

Respectfully submitted,
