Applicant is requesting reconsideration of a final refusal dated January 22, 2004.

The amended recitation of services is acceptable. After careful consideration of the law and facts of the case, the examining attorney must deny the request for reconsideration as to the Section 2(d) refusal and adhere to the final action as written since no new facts or reasons have been presented that are significant and compelling with regard to the point at issue.

Accordingly, applicant's request for reconsideration is granted as to the recitation of services and denied as to the Section 2(d) refusal. 37 C.F.R. Section 2.64(b); TMEP Section 715.03(c).
