STIPULATION TO EXTEND TIME
TO FILE NOTICE OF OPPOSITION

Dear Sir:

Applicant's above-identified mark was published for opposition purposes on July 27, 2004.

On August 26, 2004, the Board granted to potential Opposer, R&B Realty Group dba Oakwood Worldwide an extension of time, to and until November 24, 2004, within which to file an opposition.

The potential Opposer and the Applicant have, on November 19, 2004, stipulated that the time for potential Opposer to file opposition be further extended for a period of

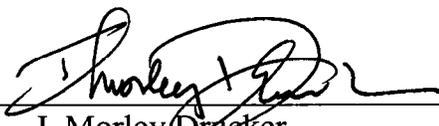

sixty (60) days, to and until January 23, 2005, which date is 180 days from the time of publication of Applicant's mark.

The purpose of the requested extension is to provide a period of time within which the parties may explore settlement of the potential opposition.

It is respectfully submitted that good cause for the extension to and until January 23, 2005 exists, and that the extension of time be granted.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
