SECOND REQUEST FOR EXTENSION OF TIME TO FILE OPPOSITION

BOX TTAB--NO FEE
The Commissioner for Trademarks
2900 Crystal Drive
Arlington, VA 22202-3515

Sir:

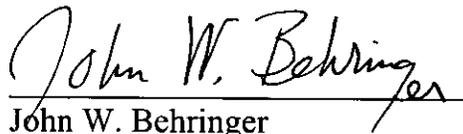

Pursuant to 37 C.F.R. § 2.102, it is hereby requested by Tanning Research Laboratories, Inc. that the time for filing an Opposition against the above-captioned application for registration in International Class 3, which was published in the June 8, 2004 issue of the Trademark Official Gazette, be extended by 60 more days, from August 7, 2004, to October 6, 2004. Requester's initial 30-day request for extension, granted July 8, 2004, enlarged the time to file a formal Opposition to August 7, 2004.

This Request for Extension of Time is being requested because Applicant filed on July 24, 2004, an Amendment of Application no. 76/534,991 (copy enclosed). The Amendment seeks to reduce the scope of the goods description. Both parties are awaiting a decision by the examining attorney as to whether the amendment is approved. As stated in the Amendment, Applicant agrees to the suspension of time for Requestor to oppose the application, under TMEP §1505.02(c).

This request is being filed on behalf of Tanning Research Laboratories, Inc., a Florida corporation located and doing business at 1190 U.S. Highway 1, North, Ormond Beach, Florida 32174.

Please direct all correspondence to the undersigned.

Respectfully submitted,

AMENDMENT OF APPLICATION

BOX TTAB - No Fee
The Commissioner for Trademarks
2900 Crystal Drive
Arlington, VA 22202-3515

Sir:

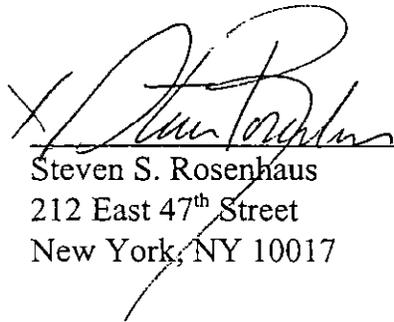

Steven S. Rosenhaus, applicant of Trademark Application No. 76/534,991, for the mark **EAU ZONE**, hereby requests an amendment of the application. Applicant requests that the description of goods be amended to include, at the end, the words "none of which contains a sunscreen or tanning ingredient or is a suncare product." Therefore, the new description would read:

"Women's perfume; men's and women's cologne; aftershave; shave cream and gel; scented deodorant; shampoo; hair conditioner; styling gel and mousse; hairspray; haircolor; scented bath and body powders, none of which contains a sunscreen or tanning ingredient or is a suncare product."

This amendment is being filed with the oral consent of Tanning Research Laboratories, Inc. (TRL), which has obtained an extension of time -- to August 7, 2004 -- to file an opposition in this matter. Applicant submits that entry of this amendment will not require republication of the mark. However, pursuant to TMEP § 1505.02(c), Applicant consents to the suspension of the time for TRL to file an opposition, pending a decision by the examining attorney whether to approve the amendment and whether to do so with or without republication.

Please continue to direct all correspondence for Applicant to the undersigned.

Respectfully submitted,

Steven S. Rosenhaus
